Girls? Can you come here please?

I have use for each of you.

Yes, Mistress?

Yes, Mistress?

I am in need of a feast, something fitting for one of my stature.

Of course Mistress.

Anything for you.

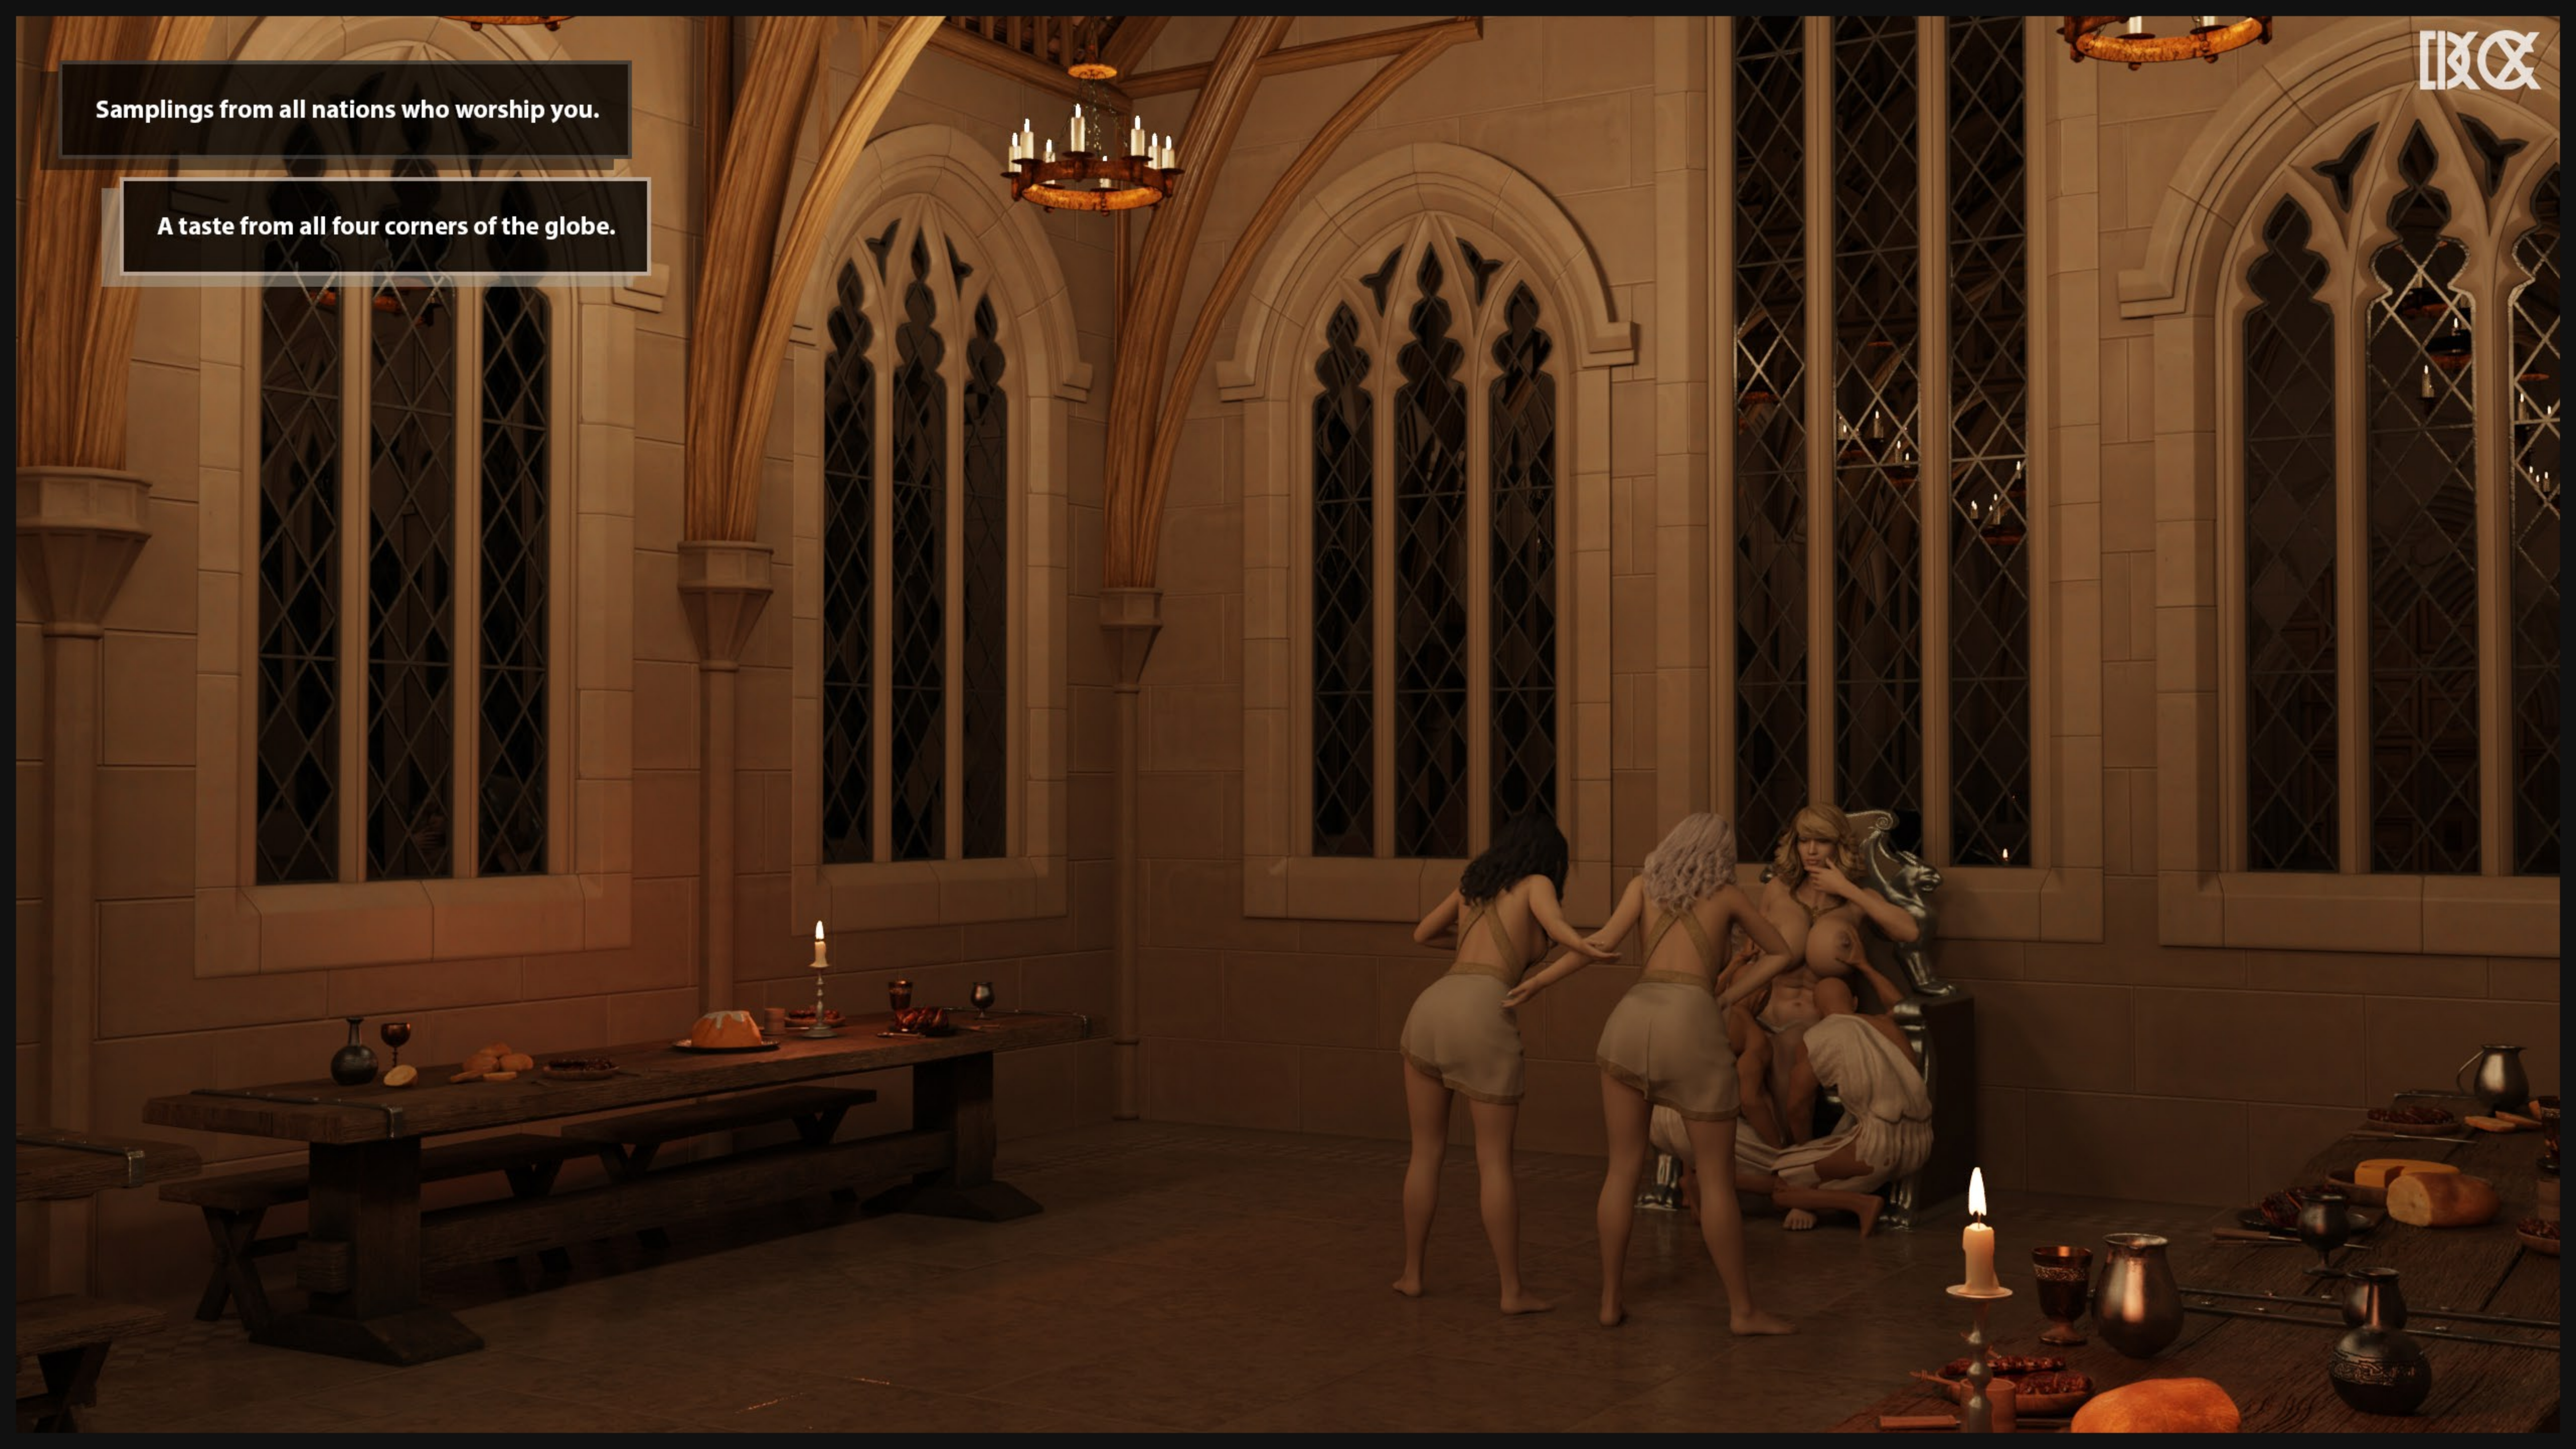

How-

Is this?

Samplings from all nations who worship you.

A taste from all four corners of the globe.

Very good girls! You never disappoint.

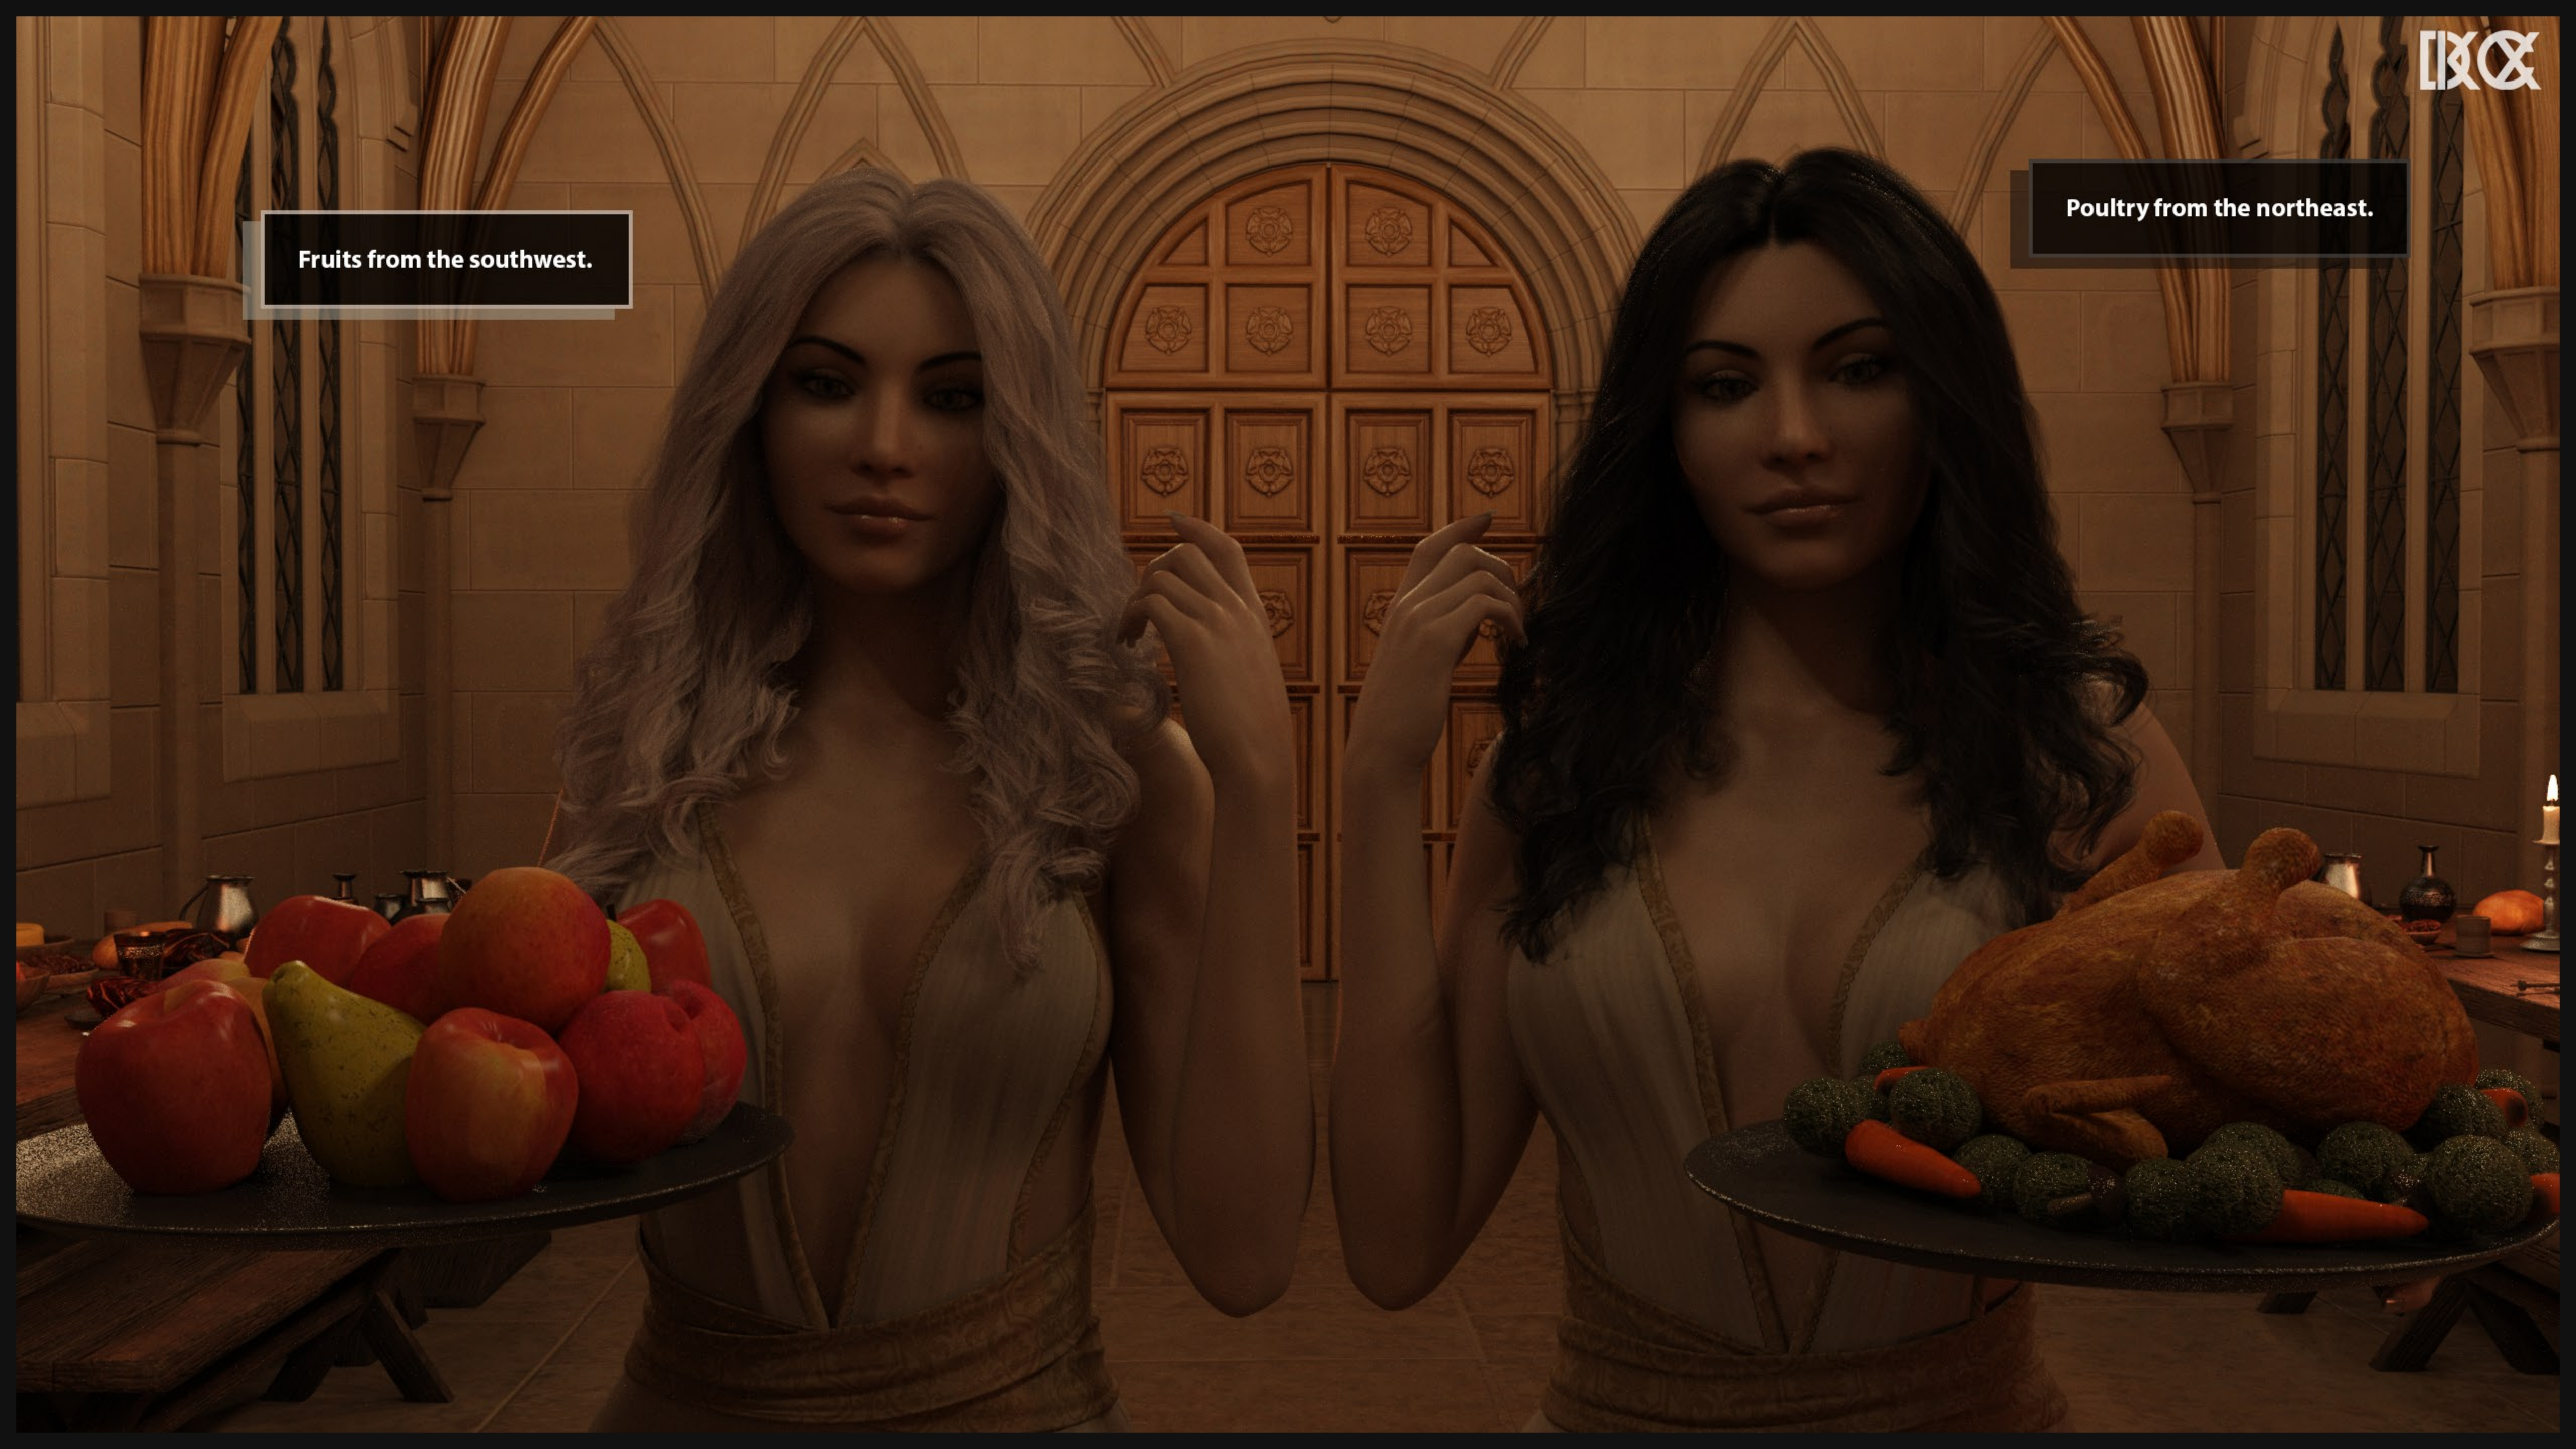

Now, perhaps a sampling is in order!

Fruits from the southwest.

Poultry from the northeast.

Hmm...

Mayhaps I shall try the poultry while it's still hot.

A fine choice, Mistress.

A plate warm to the touch, perfect.

Ooh, it smells wonderful.

Mmm...

Mmm! <3

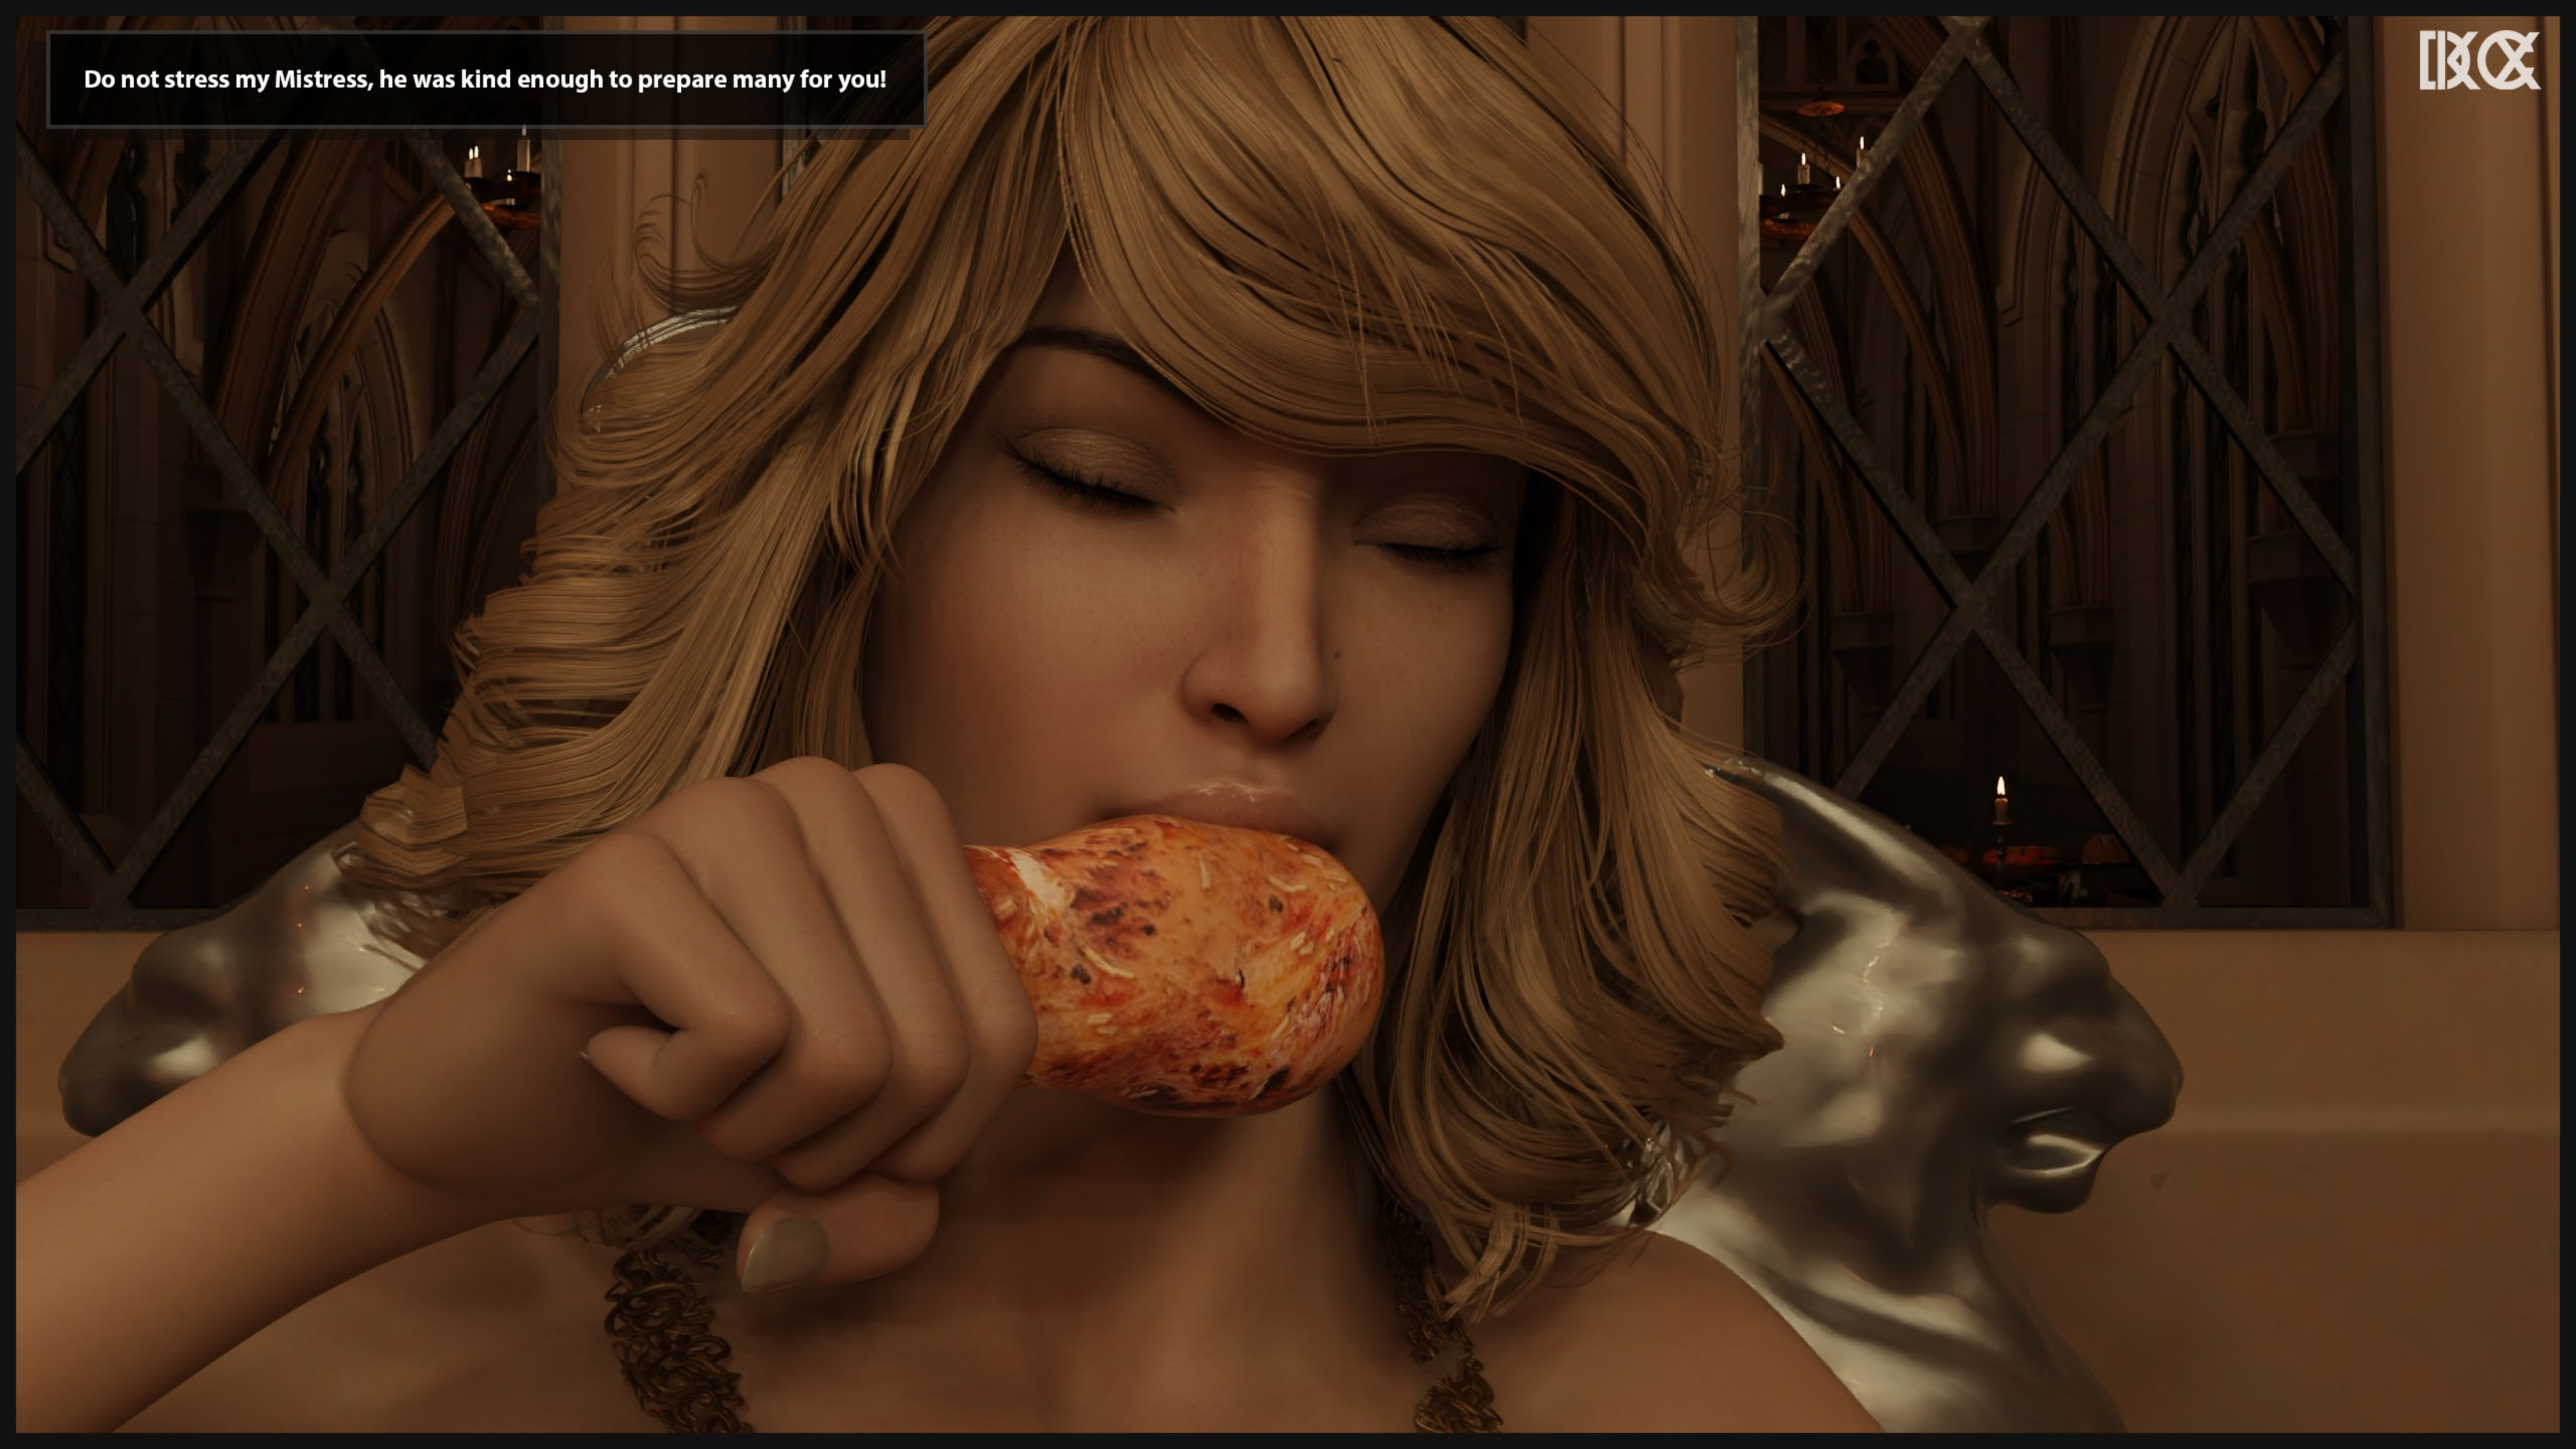

~Mwuah!~

Truly exquisite! I must have the chef here on a permanent basis!

Do not stress my Mistress, he was kind enough to prepare many for you!

I would like to try more from that region's table.

As you wish Mistress.

~Sigh~

I knew something like this was going to happen...

It seems my blessed body continues to engorge itself on such succulent delights.

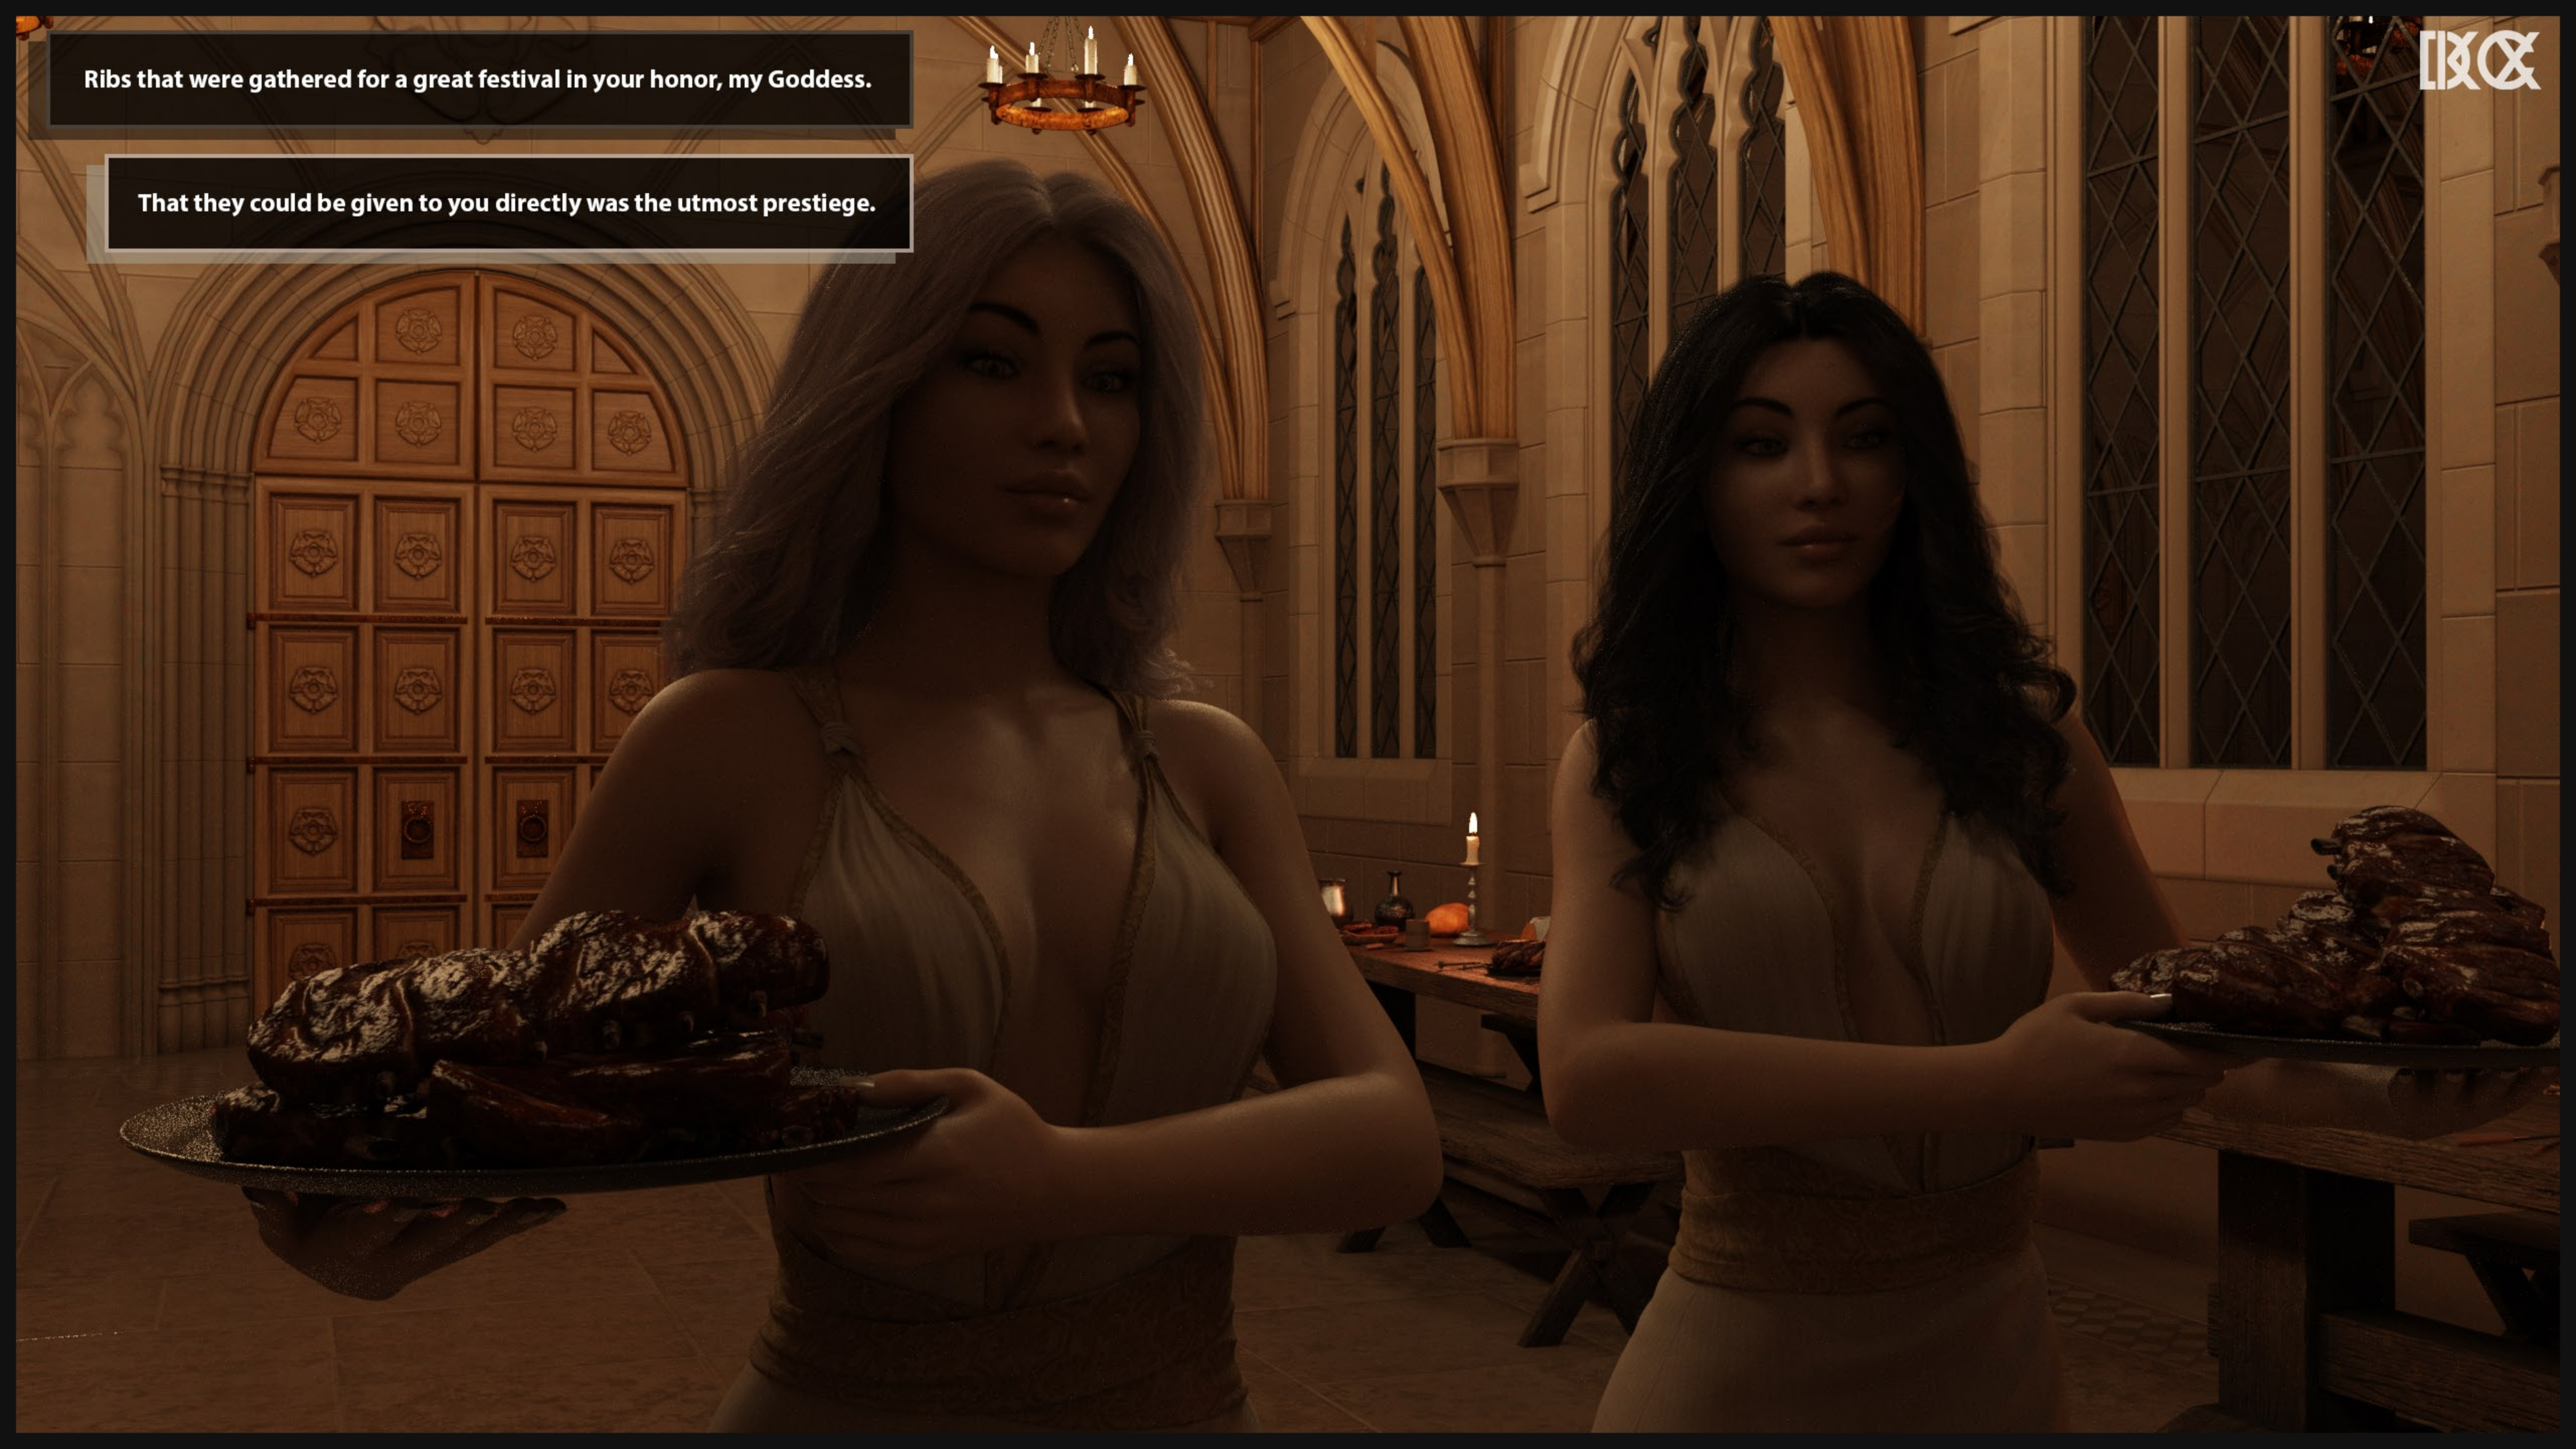

Truly it has been far too long since I last indulged myself.

Ribs that were gathered for a great festival in your honor, my Goddess.

That they could be given to you directly was the utmost prestige.

Humans are so willing and so generous.

They smell fantastic!

Simply delectable!

~Rumble~

~Swish~

~Shuffle~

More attendants, bring me more!

Mistress is growing so plentiful!

Even her attendants can no longer handle her...

MORE!

She doesn't even notice it's different meat.

You know how voracious her cravings get.

We probably could've warned the guys though...

I give them all the credit in the world for trying to assist as long as they have.

M-My throne!

~Crack!~

My Goddess!

Are you alright?

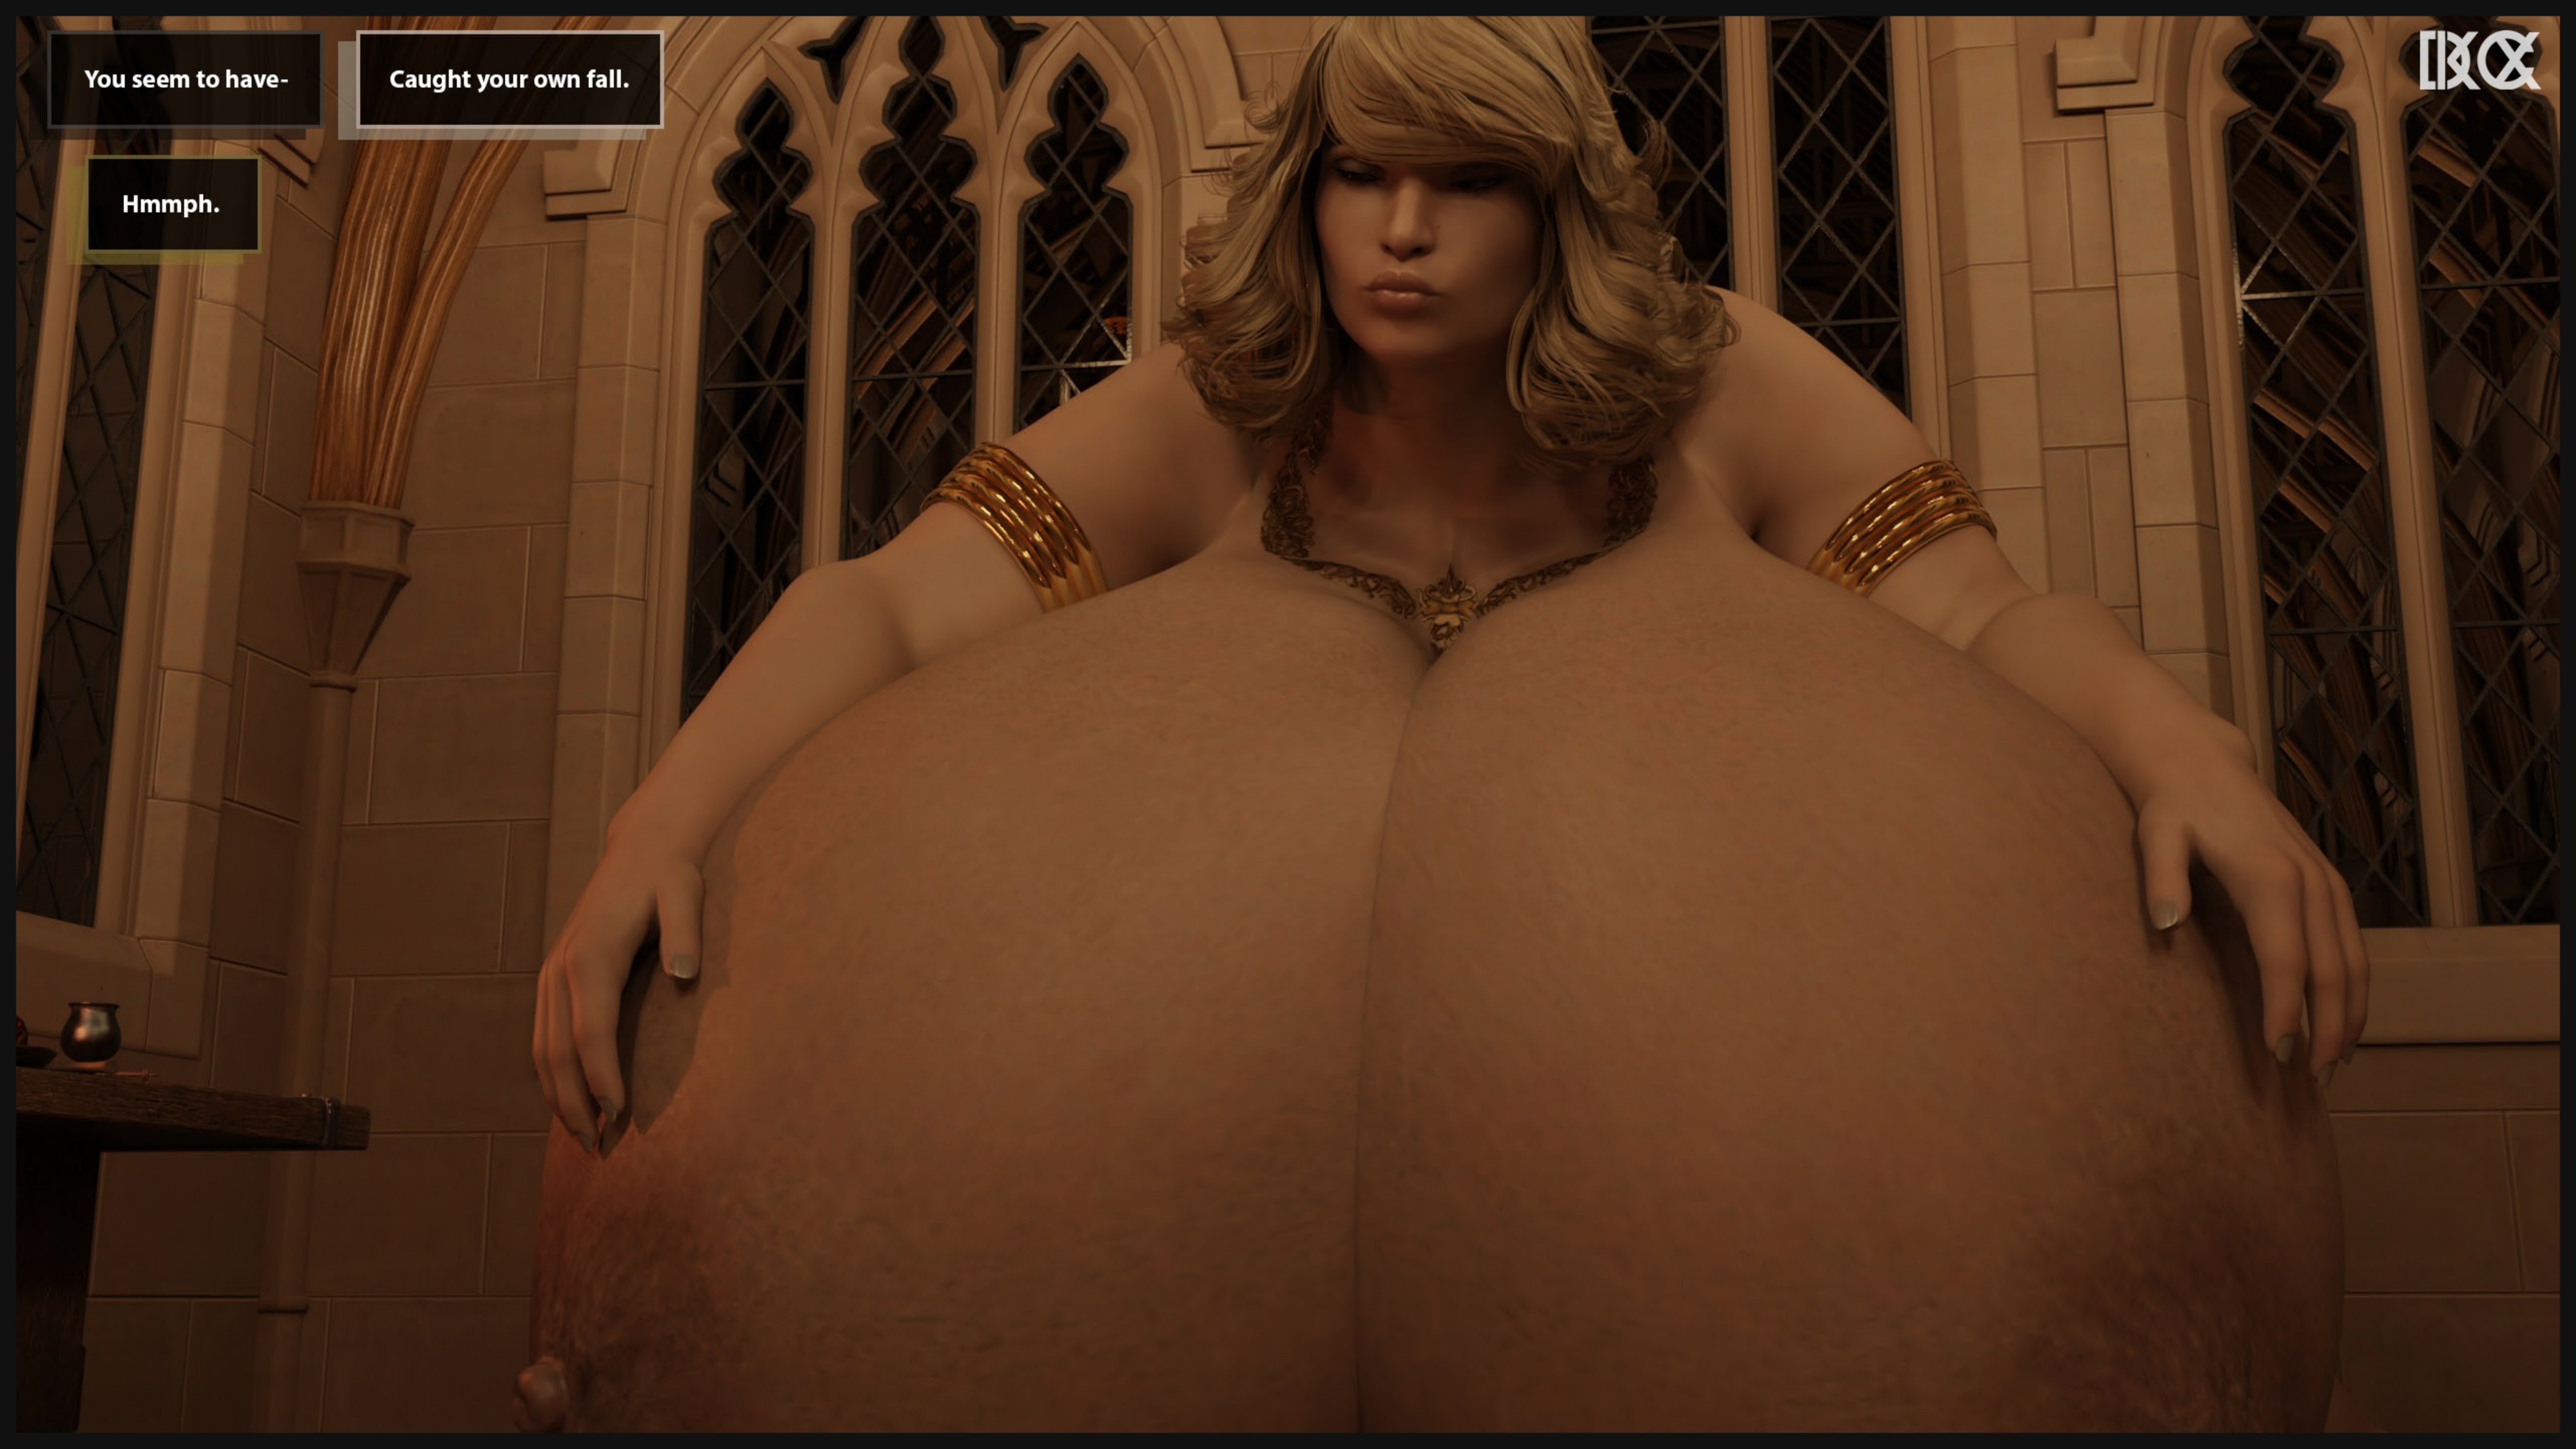

I... I am fine.

You seem to have-

Caught your own fall.

Hmmph.

Well, while the men gather themselves, we may as well take advantage of the situation.

Luna. Sola.

What would you-

Have us do?

I see no reason not to stop this joyous night.

There's still plenty of food to go around.
