The quiet town of Crystal Peaks has been rocked by an inexplicable event.

**GGN
NEWS**

The police remain puzzled by reports of a supernatural incident in Crystal Peak's main town.

BREAKING NEWS

CRYSTAL PEAK CITY BANK RAIDED! VAULT RAIDED! VOLATILE FORMULA, STOLEN!

That's right, Debbie. Security footage shows the suspect tearing the bank's vault barehanded.

Even standing by the torn steel, I can hardly believe it.

And outside... things get even stranger.

Witnesses talk about falling angels...

...and crushed trucks...

...like magic!

What people do not realize is that it is more than magic...

That's real Luminara!

I have to see this myself.

My grandmother had prepared me for this moment ever since i was young, just as she was by her own grandmother.

The world has forgotten about Luminara, the gods' magic— but I, Siberia, have not!

HHMP!

RRRR..!

And the world forgetting about it means more for me!

Still plenty of Luminara here...
