OVERSTEPPING BOUNDARIES.

“Jerry, the warden wants to see you.”

The man followed the guard to a fancy office. He had been there before, but his appeals had been rejected before.

“Do you know what for?” Jerry asked.

“No clue, man.”

The guard was pretty chill and straightforward, but whatever it was, there was no tension in the air. Maybe it was related to his latest request.

The two men arrived at the office, and the guard knocked on the door before entering.

“Warden, do you want the cuffs on today?”

“It’s okay. I’m not feeling particularly afraid of a meek tax fraudster.”

The guard nodded. The warden was right, Jerry looked harmless; just a regular short guy. The guard guided him inside and left them alone.

“Please, take a seat.”

“Thank you, sir.”

“I got your request from your lawyer and I can say that your behaviour here has been good enough. The board decided to let you serve the last year of your prison sentence on house arrest.”

“Really? Thank you so much! I promise I’ll continue behaving well even if I’m not here.”

“We count on that. Obviously, a probation officer will drop by every week to make sure of that.”

“Yeah, no problem. Whatever you need.”

The warden shook his hand and sent him off. Jerry was really excited, as he would finally be able to go home and see his wife. She never visited him because she didn’t like the atmosphere at the prison, which he understood.

The guard was waiting outside for him. He escorted Jerry to the entrance to get his belongings after the warden told him the good news.

“Anyone you want me to call for you?” the guard asked.

“No, it’s all right. I’ll walk home and surprise my wife.”

“Good luck. Never come back.”

And with that, the worst period of his life was behind him. Or so he thought.

The walk back home was a mix of nostalgia and nervousness. Even if he had to remain under house arrest, he didn’t care. The ankle tracking device wasn’t bothering him and he could easily endure the weekly visits of his probation officer. He felt free.

His wife was aware of his lawyer’s request to serve the remaining year of his sentence at home, but she didn’t know that it had been approved. Jerry used his old key to open the front door to his house. Laura, his wife, was watching TV in the living room.

“Baby, I’m home,” he said.

Her face of shock was pretty amusing, but it didn’t morph into a smile. Instead, a severe expression adorned her face when the shock subsided. Jerry didn’t notice or perhaps he didn’t care. He was home, and that’s what mattered.

“I didn’t know you were coming today,” she said.

“It was a surprise.”

“Yeah, I can tell that much.”

The air was suddenly awkward and heavy between them.

“I thought you’d be happy to see me.”

“You don’t know what it’s been like. Now I’m married to a criminal and people love to gossip about it.”

“I’m sorry.”

“I’ll be straight with you, I would have walked out but my family convinced me otherwise because it would look worse.”

“I didn’t know you felt that way.”

“Now you do.”

The woman went to her bedroom and closed the door. Jerry went to the kitchen and got a glass of water. He didn’t let the sudden revelation sour his good mood. He was in his house now and he could work on saving his marriage later.

Jerry had no idea what kind of man his probation officer was. The only thing he got from the warden the day he was released was the man’s name: Donovan, but he went by Don. He made sure to have his house clean and tidy in preparation for the visit, which would be over the weekend. His wife

would be at home that day, but he never imagined things would take a turn because of that seemingly insignificant fact.

“He should be here any second now?” Jerry said.

“Nervous?” Laura asked.

“A little. I just hope everything goes smoothly, that’s all.”

“Mhm.”

Jerry noticed that his wife seemed uninterested. He didn’t have time to pay attention to those thoughts as a knock on the front door broke the silence.

“I’ll get it,” he said after noticing that Laura made no effort to do so.

The thin man opened the door to find a bulkier one on the other side. He was wearing jeans and a plain shirt and looked like the opposite of Jerry: handsome, tall, and confident. He didn’t look like a probation officer.

“Mr. Donovan?” Jerry asked to be sure.

“Call me Don.”

The man walked inside like he owned the place.

“This will be quick. I have things to do,” Don said, but he paused when he saw Jerry’s wife. “Or maybe I have some time to spare.”

Laura smiled when their eyes met, but Jerry didn’t notice.

“Make yourself at home,” Jerry said.

“Oh, I definitely would.”

This time the man of the house noticed the probation officer eyeing his wife, but he didn’t want to make it awkward by pointing it out.

“Do you want anything to drink? Maybe a snack?” Laura asked Don.

“Hmm, that depends. Are you on the menu?”

Jerry was taken aback by such blatant flirting, especially in front of him. He was more surprised when his wife let out a genuine laugh, the kind that he hadn't heard in years.

"I can't stay long," Don said. "I have other places to visit, and I'm here mostly just to tick a box. Do you have any questions about your ankle tracking device?"

"No, I don't think so," Jerry answered.

"Any questions in general about the process?"

"No, the warden explained it to me."

"Good. That means I'm done here, but I'll be back every week. It's usually bothersome because I have to deal with pieces of shit like you, but at least you have a hot wife."

Laura was at a loss of words. Her cheeks turned red almost immediately.

"Thank you for coming, Mr. Donovan."

"Don."

"Right, Don."

Jerry walked him to the door and closed it. He was confused and angry.

"What was that?" Jerry asked Laura.

"What do you mean?"

"You know what I mean. That back and forth with that... guy."

"Should I have acted rudely?" Laura snapped back. "He's your probation officer and you have to deal with him from now on. It's better to be on his good side."

"I guess, but..."

"You don't fucking tell me how to act, anyway. You're a criminal."

Laura went upstairs, leaving a confused and still angry Jerry to ruminate on what happened. She was right, but he was conflicted because the tax fraud was to get more money and hopefully buy a house for them.

He was going to endure whatever happened, but things were going to get worse.

Things were tense between them during the week, but Laura looked happier when the weekend came and Don was about to pop up at any given moment. Jerry noticed, and he was feeling down because of it.

When Don finally arrived, it was Laura who opened the door and invited him in. She offered him a drink and he accepted. He was on the clock, sure, but who was going to tell on him? Jerry? No, he wouldn't dare.

The man noticed his wife being happier and more upbeat when Don was there. He felt helpless and annoyed, but she had made clear that she didn't love him anymore. There was a line between not loving him and openly flirting with the first man that walked into their house, though. Things got more complicated when Jerry spoke up and confronted them.

"Please, stop that," Jerry said while looking at Laura.

Don raised an eyebrow, amused because the meek Jerry dared to speak up.

"Stop what?" Laura played dumb again.

"Don will be bothered by how you're acting."

"You don't speak for me," Don said. "It's only natural that your wife's attention will gravitate towards a better man."

Laura laughed. Don smiled when he noticed that Jerry was blushing, it didn't matter if it was out of embarrassment or nervousness.

"Can you blame her?" Don continued. "You're nothing compared to me. I have a stable job, good looks, and enough charisma to have any woman I

want. Have you looked at yourself in a mirror?”

Jerry lowered his eyes. The man was right, but it didn't make it any easier to digest. His wife kept staring at him and giggling despite the constant attacks. He knew that she didn't love him anymore, but he didn't expect such blatant disrespect. What he didn't know is that things were just getting started.

Without saying another word, Don walked up to Laura and pulled her by her waist. She was surprised, and her eyes widened as he kissed her on the lips. She pulled away, still shocked, but quickly moved back in to kiss him again. The kiss was passionate, sloppy, and loud.

“What...”

“Shut the fuck up,” Don said. “You're not allowed to complain. I'll throw you back in jail myself if I hear another word coming out from that shaking mouth.”

Jerry's words died in his throat. His probation officer was making out with his wife in his own house. Jerry's reality came crashing down. He knew that Don would fulfil his promise. Corruption could go a long way even if he behaved perfectly since he got out of jail.

“Your wife is a pretty good kisser,” Don said without stopping. His hands explored the woman's back under her clothes, getting a moan out of her. Jerry knew those moans very well, it meant that she was soaking wet. He forgot when was the last time he heard them.

Don gently pushed Laura away, breaking her trance. She turned bright red when she realized what she had done, but she didn't regret it. The probation officer made her feel that fire in her soul again after many years of having an uneventful love life.

The probation officer wrapped things up and got ready to leave, but he turned to Jerry before doing so.

“You should have taken better care of your wife. You should be grateful I’m here to take care of her now instead of you, a criminal with a curfew and an ankle tracker.”

Jerry didn’t answer, so Don pressed the matter further.

“Aren’t you going to thank me?” he said mockingly.

“Thank you...”

Don left the house and Jerry dropped to his knees with tears in his eyes. Laura ignored him and went upstairs. There was no regret on her face, only disdain for the pitiful man that she shared the house with.

Things didn’t get any better as the days went by. Laura and Jerry continued living in the same house, but their marriage was only a loveless charade. The only days when Laura seemed to be happy were when Don visited them. Jerry wanted to work on their marriage, but his wife wasn’t interested even though he was doing everything in his power to make things work.

Jerry got a job in a mall nearby. They were aware of his past and respected his 6 PM curfew. His new manager was so happy with him that he let him go home earlier one day, and the man decided to go home and make an amazing dinner for his wife to try and work things out.

He arrived home, but the front door was ajar. Confused, he looked around. Was he robbed? No, everything seemed to be in its place. He walked into his house; the living room and the kitchen were empty as well.

“Huh.”

He heard something when he got closer to the stairs. There were noises coming from his bedroom, so he figured that his wife must have left the door like that on accident and was now watching TV upstairs. He started walking upstairs, but with each step, he noticed that the sounds were something else.

There were moans.

Even after a long time of not hearing them, he knew they were coming from her wife. Maybe she was masturbating. She hadn't touched him since he came out of jail and she still had sexual cravings.

Another step. He heard grunts now, deep ones that couldn't come from his wife. He rushed the rest of the staircase and stood by his bedroom's door, which was open wide. Don was in his own bed, fucking his wife. The unfamiliar sounds were coming from him.

“What... what are you guys doing?”

His words were barely audible, almost a whimper. Don turned his head and smiled when he saw him there.

“Right on time,” the handsome man said. “You're early today.”

“Today?”

“It's not the first time that I fuck your wife.”

The words were like a million needles stabbing Jerry in the heart. Despite all the effort he was making to please his wife and get things back to normal, she decided to fuck this rude bully. Laura didn't react to Jerry's presence, as she was too caught up in the moment.

“Take a seat, Jerry. Enjoy the show.”

Don's order was the cherry on top. When the situation couldn't get any more disgusting and humiliating, Jerry was forced to watch another man fuck his wife. He couldn't risk disobeying Don and going back to jail. He sat on the floor, close to the bed.

The probation officer turned his attention back on the woman he was fucking. Laura was almost in a trance induced by his cock.

He was on top of her while she was lying on her back. He played with her perky tits, taking his time to enjoy the softness of her skin. She reacted positively to each caress, arching her back and moaning as if they were

alone in the house. Her nipples got hard, and he took the chance to tease them.

“Please...” Jerry muttered, but he was ignored.

Don pinched the woman’s nipples before putting one of her tits into his mouth, sucking and gently biting it. She let out a pained moan when the teeth grazed her nipple. She liked a bit of pain, and the man noticed. Jerry knew, but he could never bring himself to cause her pain.

Laura’s legs shook as Don placed a hand on her hips to keep her in place while he fucked her. His cock filled her up like Jerry never could. She could feel every inch, every vein as he continued thrusting in and out of her tight pussy. She was so wet that her juices combined with his precum spilled on the bed sheets.

She threw her legs around him, squeezing him against her so he could go deeper. His cock hit her insides in a way that threw her over the clouds. She came like that, explosively, with a shockwave of pleasure rocking her entire body from the tip of her fingers to her toes. Her pussy squeezed his throbbing cock in such a way that he couldn’t help but cum as well. The warmth of his seed shooting directly inside of her made her orgasm even better. Was it one? Two? She didn’t know and it didn’t matter. The ecstasy took over her body, but Don was just getting started.

He flipped her over and put her on her hands and knees to fuck her from behind. He turned to Jerry with a smile.

“This should give you a better view. You see this?” Don asked while pointing at his erect cock. “This is what your wife needed. Desperately.”

He turned back to her and put the head of his cock against her pussy lips. She was eager to be fucked again, but he took his time. He knew Jerry was watching; despite everything going on, he couldn’t look away. Don slowly pushed the head and the thick shaft inside of Laura, who promptly pushed against him.

“That’s it, baby. Take it all,” Don said.

He grabbed her hips and fucked her almost violently. He had the kind of forcefulness and passion that Jerry only dreamed of having. Don brought down his open palm on her ass cheeks loudly. The spank made her perk up and turn back to him with a smile. Her eyes met with Jerry's for the first time after that, but there were no feelings behind them for him.

“It's not fair that we're the only ones enjoying ourselves, Laura.”

Don took his cock out of her. It was coated in a mix of their juices, glistening under the light that came from the window.

“Come here. Stand next to the bed,” Don ordered.

“Why?” Jerry asked, confused and uncomfortable.

“Because I say so. One call and you're back in your cell. Is that what you want?”

Jerry stood up and walked up to the bed, as instructed. Do stroke his thick cock without breaking eye contact with the other man.

“On your knees.”

Jerry complied once again, just in time for Don to cum. The probation officer let out a soft grunt and covered the other man's face with his warm seed. He shot several ropes at him, emptying himself. Jerry looked down in shock, confusion, and embarrassment. The man's cum was all over him; it was too much.

“Lick it up and then clean my cock with your tongue. If you're lucky, maybe you'll taste a bit of your wife on it.”

Jerry was on the verge of crying, but he couldn't risk his freedom by disobeying his probation officer. His lips trembled as he used his tongue to pick up and swallow the semen around his mouth. It was salty and bitter.

“Now do my cock.”

Jerry closed his eyes and licked the man's cock until it was clean, making sure to swallow every single drop. He didn't want to make him unhappy and face retaliation. He thought that watching him fuck his wife on his own

bed was the worst that could happen, but licking his cock took things to a whole other level.

Don turned back to Laura and pushed two fingers inside her pussy. He moved them around, looking for her clit. The moment he found it and pressed it, Laura lost control of her body. Her legs were numb and she fell flat on her face on the bed, moaning and drooling all over the bed sheets. His fingers carefully and deliberately teased her clit until she loudly came one last time.

This was a different orgasm. It was so intense that she almost blacked out, and her clit was in pain from how sensitive she was. He didn't stop, though. He kept punishing her, making her cum again and again. His masterful moves finally left her satisfied after years of yearning for a cock to fill her up.

He took his fingers out and licked them while making eye contact with Jerry. Tears finally exploded, running down his cheeks. This bully of a man fucked his wife and turned her into a smiling zombie that couldn't form a coherent sentence. He smelled his fingers afterward, dedicating one last smile to Jerry.

"Well, I think I should get going," Don said. "I'm glad you were here to witness this, Jerry. I had a lot of fun, and I'm sure we'll do this again plenty of times."

The tall, dominant, handsome man turned to see the woman catching her breath. Her pussy was still convulsing from the whole ordeal, and her ass cheeks were bright red from the spanking.

"Help her take a shower, will you? She needs to rest after, so don't bother her."

Jerry couldn't say anything. His throat was closed shut, but he nodded anyway.

"Good."

Don put on his clothes and went on his way. Jerry wiped his face with his shirt, making sure to clean every trace of the other man's essence. He knew that this wasn't going to be the last time witnessing something like this, but he was keeping his freedom at all costs.
