BULLIED IN HIS OWN HOME.

James woke up earlier than everyone in the house as he now does. He put on an apron and began to cook breakfast for everyone. While he was cooking, he stopped for a moment to think about the situation he was in.

“When did my life turn into such a shit hole? Why do I have to endure this? My wife is not even mine anymore. My house is not mine either. Even my life... everything now belongs to those three fuckers.”

The breakfast was ready, and James went to the bottom of the stairs to call everyone.

“Breakfast is ready! Come on down, everyone!”

The table was full of pancakes, eggs, juice, coffee, fruit. James had taken note of what the Nigerians living in his home liked since he wanted to have a peaceful environment in the house, and food seemed to be the quickest way to get on their good side.

Elu, Jari, and Ugo ran down the stairs and sat down on the nearest chair they could find. They started grabbing food and putting it on their plates while James looked at them in disgust.

All of the men at the table were tall and muscular. Their intense dark skin complimented the definition of their muscles very well.

Elu was the tallest; he was incredibly muscular, had a wide nose and thick lips, short black hair, as well as black eyes.

Jari was the thinner one out of the three, but he was still much buffer than James. He was also the most handsome, having the most defined features on his face. He was also the one with the blackest skin. Dreadlocks fell down his head down to his waist.

Ugo was the strongest of them all but also the shortest but still much taller than James. He had tattoos all over his body, and he never wore a shirt.

All of them spent the day barefoot inside the house, wearing sweatpants and a shirt, except for Ugo, who only wore sweatpants.

Behind them came Jennifer, James' wife. She looked as pristine as every morning.

Her white skin almost reflected light as she walked to the table. Her silver-blond hair fell down her frail shoulders. Her thin frame made James remember how he used to be afraid of hurting her if he was too rough in the bed with her, and it made him wonder how she could have sex with those three monsters every night, sometimes for hours at a time.

James was the typical husband with the "dad bod." He had a slight belly, he wasn't incredibly fit, and his white skin looked pale instead of bright like his wife's.

His brown hair and eyes were equally dull. Even if he wanted to contest his wife's attention, he would never win against Elu, Jari, and Ugo. He knew he could never dream of satisfying her in the ways they did.

"Thanks for the breakfast, honey."

"Yeah, thanks, old man."

"Thanks, white boy."

"Took you long enough."

James could only smile at her wife's response while trying to ignore how much the responses of Elu, Jari, and Ugo bothered him.

“No problem, let me know if you need anything while I go clean.”

James knew those men were designated to his house by the government, so he couldn't exactly kick them out, but he had to do something to better his situation.

The fact that he could hear them every time they gangbanged his wife was driving him insane.

“H-Hey guys. Have you had any luck finding a job?”

“The fuck you mean finding a job? That's what we have you for.”

Jari was the first one to answer James.

“Well, I mean, I can maintain this house easily when it's just my wife and me, but with three extra people I-”

Ugo laughed loudly, interrupting James.

“Your wife? There's nothing yours in this house, fucker. Especially not the woman we make scream our names at the top of her lungs every night when we fuck her with our monster cocks. When's the last time you think she thought about your tiny white dick and got wet?”

“Hey, no need to get like that, buddy.”

Elu stood up and walked up to James. His face was serious and it made James worried.

“Listen here, we are not buddies. You are just the dude who cleans the house, cooks for us and lends us his wife so we can put our cocks into something wet. Got that?”

“...Got it.”

Elu smiled menacingly.

“That’s more like it. Now go clean something and stop ruining our breakfast.”

“Yes, sir.”

James still had to go to work to provide for his wife and her three new lovers. He was working overtime just to make ends meet. On top of that, he was the one that cleaned the house, cooked all of the meals, and did the laundry, along with every other task needed in the place.

It didn’t get any more comfortable with the constant mess the Nigerians left around the house, the large amounts of food they ate, and the noise they made every night while fucking Jennifer, not letting James get a goodnight’s sleep.

On top of that, James had to sleep on the couch since the master bedroom was always occupied by Jennifer and one of them, and the guest room was where the other two slept.

They took turns to sleep with Jennifer. It wasn’t anything romantic; it was because the bed in the master bedroom was the biggest and most comfortable, so they always fought over who got to sleep there. James, however, was never a participant in the decision.

The only thing that kept James going was the forty-five minutes a day he spent in the evening watching his favourite show on the television. For just those forty-five minutes, he could forget about his terrible situation, kick back, and relax. It was also around the time they all fucked his wife, so he liked drowning Jennifer’s screams with the television.

The only issue was when Ugo was the one to sleep in the master bedroom. He usually got horny again in the middle of the night, and he woke Jennifer up to fuck for a while. James was already trying to sleep at that time, and he couldn’t drown those screams with the television. He had to endure them and try to sleep while he heard another man pound his wife’s ass and make her moan louder than he ever could.

One snowy day, James' office closed for the day, and he had to work from home. He took the opportunity also to search the web and see if there was any chance that he could ask a government official to get the Nigerians living in his house back, with the excuse that they presented a large sum of money in extra expenses. He sent a lot of emails that day, but all of them said the same.

-Once a decision is made, it cannot be taken back unless you go bankrupt.-

He was stuck with them until he ran out of money, or they decided to get a job, and he knew the latter was not an option.

He simply finished his office work as fast as possible, and as soon as he was done, he got on the living room couch and used the time he usually uses to commute back home to watch an extra episode of the show he loves.

“James!”

Jennifer yelled, calling out to him. James thought she might need help, maybe the Nigerians took it too far, but he noticed no urgency in her voice upon hearing another yell.

“James! Please come upstairs!”

Jennifer screamed so James could hear her, but it wasn't a panic type of scream. It was almost as if she just wanted him to pick something up or to ask him something. Regardless, it was the first time in months since she asked him to go into the bedroom with her, so he ran upstairs.

When he opened the door, the three Nigerians were standing there around the bed, their cocks still hard. They were huge, and James couldn't help but stare, envious. He snapped out of it when he looked over to his wife, who was covered in sweat, still panting, with her legs open towards him.

“You said you wanted some action with me, right? Then come here and lick my pussy.”

James got excited about finally getting some sexual contact with her after so long. And the fact that he was going to do it in front of the Nigerians made him feel powerful. They were going to watch as he ate his wife out upon her request instead of them.

He reached her and got on his knees to eat her out when he noticed her pussy was red, most probably from fucking with those giant rods those guys carry on their pelvis, and he also saw white, thick liquid oozing out of her. The cum of one or more than one of them was leaking out of her pussy, and she knew it. She wanted James to eat her out and suck their cum as well.

“Go ahead. Eat me out. That’s what you wanted, right? assert your dominance over them and lick my pussy.”

“B-But it’s-”

“What? You want us to keep fucking her, white boy? Are you such a cuckold that you want to see how we fuck her? Because we can do that for you.”

“No! I’ll eat her out, ok?”

The Nigerians laughed as James leaned in into Jennifer’s pussy, opening his mouth and closing his eyes. He started licking around her pussy, and he could taste her fluids and the flavor of something else. The taste of cum and the cocks of the Nigerians was there, even around her pussy.

“That’s it. Good cuck. Suck it all and get it cleaned up for us.”

James decided he was not going to let them laugh at him, and he ignored them. He grabbed onto Jennifer’s legs and gave a broad lick to her entire pussy. She moaned faintly. Jennifer was very sensitive after fucking for so long, and James knew that. He was getting their cum on his mouth, but he would make sure they all heard his wife moaning while he gave her oral.

James sucked on her pussy lips, slowly licking all of the cum off of it while it still oozed out of her cunt. He had to take a moment to swallow every time his mouth got too filled with it. They kept laughing when they saw how clean her pussy was ending up and how into it he was.

“Damn, fucker, if you want our cum so bad, we can let you suck our dicks off next time.”

James pressed his eyelids, trying to ignore them, and kept licking Jennifer’s pussy. He finally got all of the outside clean, and he got his tongue inside of her. The taste of cock and cum was even more potent. Her pink pussy, now red, was home to their cocks day in and day out, and he could see, taste, and smell it. He wanted to make her cum, but even with how sensitive she was, James was sure it was going to be near impossible.

James went to suck her clitoris, and Jennifer moaned harder, finally getting aroused by something her husband did.

Ugo didn’t like that and walked over to James and pushed him to the ground.

“Enough happy time, fucker. Time for real men to get some action. You ready, boys?”

Elu nodded in agreement and spanked his chest like a gorilla.

“You can go get us some water in the meantime. We are getting thirsty from cumming so much inside of your wife.”

“Make a lemonade for me, James.”

James left the room with his wife’s request as he saw the Nigerians get close to his wife, stroking their dicks while Jennifer spread her legs for them, smiling.

He went to the kitchen to prepare the lemonade and pour water on three other glasses. James placed everything on a tray and went upstairs again.

He could already hear Jennifer’s moans coming from the bedroom as he went upstairs.

When he opened the door, the scene was mentally scarring for him.

Elu was on the bed, and Jennifer was riding his cock while he grabbed and squeezed her tits. Ugo was behind her, fucking her asshole while he grabbed her hips with his gigantic hands and kissed and bit her back. Finally, Jari was standing on the bed in front of everyone, and Jennifer was sucking his cock. She had to use both hands and her mouth to masturbate him since he had such an enormous cock. Jari was pulling her hair, and from time to time, he pushed her head against him to get as much of his dick inside of her as possible. He was making her gag when she reached his balls. Tears formed in her eyes when she pulled away, but she wanted more; she wanted him to cum in her mouth and to swallow everything while he watched.

“Here are your drinks.”

James said in the most monotone way possible. The scene froze him. He never saw his wife so turned on, so hungry for men and cocks, and screaming so loudly asking them to fuck her even more.

Ugo looked over at him.

“Hold them while we finish; you may learn something, white dick.”

Jari laughed.

“Yeah. If you were half the man we are, maybe your wife wouldn’t have ditched you. Look how happy she is. We are doing you a favour. We are giving her the pleasure you never could.”

Finally, Elu participated as well.

“You know what? We should have him watch every night. What do you think, bitch?”

Jennifer looked over at James, just noticing his presence until then.

“Yes. Make him watch. Let’s see if he can grow a pair when he watches your giant cocks split me in two every night. I want you to watch, and you are going to enjoy it because this is the most you will get from now on.”

James was on the verge of crying. He didn’t know what to do.

“Take your pants off. I want you to jack off while you watch me get fucked by them. And if you ever want even to lick my pussy filled with their cum, you better fucking orgasm, you hear me?”

“Yes, honey.”

James unbuckled his belt and took off his pants, then his underwear, and started stroking his dick while he watched three muscular black men fuck the love of his life.

“That’s right. You like it, don’t you, cuck?”

James said nothing and just kept stroking his dick. He got hard reasonably quickly since his wife was really hot, and it was basically a porn scene. He wished to be one of the Nigerians, be as strong, as tall as them, and have a dick of their size.

They kept fucking her mouth, pussy, and ass, and she screamed their names at the top of her lungs while moaning so loud that the neighbors probably knew she was fucking them.

The first one to cum was Jari, filling her mouth with his cum as she used one hand to masturbate him and the other one to massage his balls until he was done.

When she left his dick clean, he stepped down from the bed and walked over to James to grab a glass of water. He drank it while putting an arm around James’ shoulders.

“Damn, man. Your wife really knows how to suck a cock!”

“She never gave me any.”

“You have to be kidding me. She never sucked your dick?”

“She said she didn’t like that sort of stuff.”

Jari laughed loudly and gave a pat to James on the back.

“I think what she meant is that she didn’t want to suck your dick. But trust me, she was dying to get a cock in her mouth.”

With only two left, Jennifer got her hands on the bed and rode Ugo’s and Elu’s cocks as fast as she could.

Both of them started slapping her ass and tits, even pinching her nipples until Ugo pulled Jennifer’s hair back and got all of his dick inside of her and stayed there for a moment, moaning, as he came inside of her and filled her asshole with his cum.

He started to pull out, and Jennifer kept going as hard as she could on Elu’s dick. She couldn’t stop screaming, she was at her limit already, but she wanted to please him, she wanted to make them all cum, and she wanted them all to ejaculate inside of her. Something she never let James do.

“Fuck, bitch.”

“Cum inside me. Fill me with your cum.”

“It’s all for you, you slut.”

Elu hugged her hips and pressed them against himself, cumming inside of her and having his cum drip on his pelvis and balls while Jennifer screamed in pleasure, reaching her orgasm at the same time.

He threw Jennifer like a rag doll to the side of the bed and stood up to grab some water as well.

Jennifer took a moment to regain her composure and sit on the bed. She then looked at James, who was still masturbating.

“James, you have to cum as well. It’s that, or we kick you out of the house.”

James held back tears as he picked up the pace and stroke his dick as fast as he could, finally being able to let out a tiny bit of cum that landed on the floor.

“Good cuck. Now bring me my lemonade and clean that up.”

James pulled up his pants and walked over to Jennifer to hand her.

“You know what? Bring some towels. We are really sweaty.”

James went to get four towels from the other room and some paper towels to clean his sperm off the ground.

When he returned, the Nigerians were sitting at the bed, and Jennifer was sitting in the middle. They were all laughing and joking. They didn't even notice James until he finished cleaning the floor and walked over to them to give them the towels.

“No, honey, you are the one that's going to dry us.”

The Nigerians laughed when Jennifer said that. Ugo was the first one to stand up.

“Don't forget my cock, fucker. Your wife left a lot of her fluids on it.”

James, already defeated, approached him and started to dry him off. He rubbed his muscular, black, and robust body with the white towel that contrasted greatly with Ugo's skin.

James looked away while he passed the towel over Ugo's ass and his cock and balls. James then approached Jari, who didn't stand up and passed another towel all over his body. He had even to lift his legs to clean them since he made no effort to help James. Jari was still hard, so James had to give him what was basically a second-long handjob with the towel to clean it.

“Oh, yeah, you like that cock, white boy? Do it without the towel; you may like it.”

The Nigerians roared with laughter while they pointed to James.

“Maybe that's why he can't make his wife cum. He wants to be her and get fucked by a bunch of black dudes like us.”

“Yeah, you saw how he stared at our dicks when he first came in? He wants our cocks, dude!”

Even Jennifer was laughing at James, who went over to Elu to dry him. He lay on the bed, so James had to jump on the bed as well to clean him thoroughly. Elu also had his cock still hard. But James didn't do the same he did with Jari to avoid any more mockery towards him.

James was about to get off the bed when Jennifer lifted her leg in front of him.

“You didn't clean his cock. I don't want a dirty cock inside of me, so you better clean it and clean it well.”

James clenched his fists and turned around to clean Elu's dick. He threw the towel on top of it and grabbed his cock, rubbed it a little with the towel, but before he took the towel off of him, Jennifer pushed him with her foot.

“Keep going, bitch.”

James kept rubbing Elu's cock while they all watched and ridiculed him.

“I think it's clean now.”

“You are a terrible husband. You should stop when I say you should stop. I was enjoying that.”

“I just didn't want to keep you waiting.”

“Don't worry. I'll clean myself. You don't deserve to touch my body even over a towel.”

“But-”

“No buts. Now go downstairs and make dinner for us. We are starving. Right boys?”

“Yeah.”

“Hurry up, white boy.”

“And you better make something good, *or else.*”

That was how James went downstairs to make dinner for his wife and her three lovers living in his house. That was his new life, whether he liked it or not.
