Momo never saw it coming.

One second, she was talking with Okarun over the phone about the clothes they would wear for their college graduation, the next a shimmering, pearlescent blob shot through her bedroom window and slammed straight into her mouth.

«What the-?!»

The alien substance wrapped inside her like a warm, living latex.

Momo thrashed wildly for a few seconds before her body went completely limp. She collapsed face down on her bed.

The alien made a wet, satisfied gurgling sound as it finished merging with her.

When Momo stood up again, the movements were wrong. Too smooth. Too eager.

She ran her hands down her own body, squeezing her perky tits through her shirt with a low, filthy moan that definitely didn't sound like the usual Momo.

«Fuuuuck... this one is perfect. So tight. So perky. These little tits are way better than that last fatty I tried~»

The alien possessing Momo giggled in her voice, but the

tone was pure pervert.

It quickly reached behind its own neck and tugged. A perfect seam opened. The alien peeled Momo's face and upper body open like a skinsuit, stepping out just enough to make sure the transformation was complete and he could wear her off whenever he wanted, before zipping the suit back up perfectly.

«Hehe, now that this earthling body is a skinsuit... time to make some improvements with what's left of her cells~»

The alien concentrated.

A thick, veiny cock slowly pushed out from between Momo's legs, stretching her panties obscenely. Heavy balls formed underneath.

The new futa cock twitched and leaked some precum, as the alien tested its control.

«Oh yes... futa upgrade complete. This is gonna be fun~» The new Momo smirked, her sweet hand gently wanking her penis under her skirt, picking up her phone from the bed.

She browsed her contact list, ending up finding Aira.

«Oh my...what a hot piece!~»

The new Momo licked her lips, still slowly stroking her new thick cock while staring at Aira's picture.

The pink-haired beauty was now 25 years old, even hotter than before when Momo and her met, years ago, with that elegant, popular girl aura mixed with a body built for sin.

«Hehe... perfect. This body is way too good to waste on that idiot, Okarun. Time to have some real fun~»

She quickly typed a message:

«Hey Aira, are you free tonight? I need to talk to you about something important. Come to my place? It's urgent~»

Not even an hour later, the doorbell rang.

When Momo opened the door, Aira stood there in a tight crop top and short skirt, looking slightly annoyed but curious.

«Momo? What's so urgent that you had to message me at this hour~?» Aira said.

Momo smiled with her sweetest, most innocent expression, her cock already throbbing under her skirt.

«Come in first. You won't believe what happened to me today~» She smirked, letting Aira come inside, closing the trap.

As soon as the door closed behind Aira, Momo locked it.

She turned around, and the innocent smile slowly twisted into a perverted smirk, picking up a little box hidden under Momo's desk.

«Actually... do you remember this ghost we couldn't get rid of? The one we trapped in this box?~» Momo asked, making Aira confused.

«Yes, the pervert who tried to possess women to make them do naughty things. I am disgusted just talking about it again~» Aira added.

«Last time, he almost took control of my body, but hopefully you helped take it out before it was complete~»

«Yeah, about that... this ghost is actually bonded with an alien... two huge perverts, and they are after us. And by us, I mean our hot bodies~» Momo said, fondling her breasts gently under Aira's stare.

«Imaging the disaster, if two perverts took control of us~»

«Ok, now you are creepy~» Aira said, before Momo opened the box, a ghastly fume floating in the air.

«Momo, what have you done!?!~»

«Just freeing my buddy~» Momo smirked, watching the ghost invade Aira's body.

The perverted ghost didn't waste any time. It shot straight into Aira's mouth and down her throat. Aira's eyes widened in shock as her body stiffened, then started trembling violently.

«N-no... get out... ahh~!» Her voice cracked, shifting between her usual elegant tone and something much darker, lewder.

The ghost laughed inside her, a deep masculine chuckle that sounded filthy coming from Aira's pretty mouth.

«Finally... after all these years trapped in that damn box... I get a body this fucking good~» Aira's hands moved on their own, sliding up to grope her own breasts roughly, squeezing them as her back arched.

«Mmmhh! These tits are as good as I thought. So soft... so sensitive... and this ass... fuck yes~»

The ghost quickly took full control. Aira's expression changed completely, her eyes half-lidded with lust and a smug, perverted smirk spreading across her lips.

She looked at Momo with pure hunger.

«You really did it! You kept your promise, after all these years~» Aira walked closer, hips swaying seductively. She pressed her body against Momo, one hand immediately reaching under Momo's skirt to grab the thick futa cock. «Oh my~ Look at this fat thing... You really turned the angry tomboy into a hung futa. How thoughtful~»

The ghost inside Aira stroked Momo's cock slowly while leaning in to whisper.

«I've been watching you two for years... always wanted to ruin these hot bodies. Now I finally get to be one of them. And you... you get to be the other~» Aira giggled, the sound mixing her refined voice with raw perversion. «You know, back when I was alive, I used to be called creepy, pervert and all kinds of things, just for trying to get my hands on such hot sluts. After my death, I realised I would use my ghost form to be those hot sluts, but was captured by those two. But now... we are them... I can finally do whatever I want... i am a woman, hahaha~»

She dropped to her knees, still stroking Momo's cock, and looked up with a wicked smile.

«Now that we are those girls...we have their whole life to ourselves... why don't we start by letting you know how earthling pleasure feels? No one will disturb us~»

Aira licked her lips, eyes locked on the throbbing futa dick in front of her.

«So... what do you say, partner? Should we properly break in these stolen bodies? I want to suck this cock while still feeling like the classy Aira... then I want you to fuck me senseless as Momo~» She gave the tip a slow, teasing lick, moaning softly, before gulping the dick whole, making Momo groan softly.

Aira gulped the thick futa cock whole in one greedy motion, her throat stretching beautifully around the veiny shaft. Momo groaned loudly, her hips jerking forward as the wet heat enveloped her new dick.

«Fuuuuck~! Your throat is so tight and warm... You're sucking me like a professional whore already~» Momo moaned, one hand gripping the back of Aira's pink hair.

Aira's eyes watered, but she didn't pull back. Instead, she pushed forward until her nose pressed against Momo's pelvis, her throat convulsing around the fat cock.

Wet, sloppy gagging sounds filled the room as she bobbed her head, sucking noisily with pure perverted enthusiasm.

The ghost inside Aira was losing itself in pleasure. «This is heaven... For years, I have been only looking at those sluts, and now I am one, depthroating a fat cock... this is driving me insane~» she thought, moaning loudly around the dick.

She pulled off with a wet pop, thick strings of saliva connecting her lips to the glistening cock.

While stroking the slick shaft with both hands, she looked up at Momo with a depraved, lust-filled smirk.

«Hehe... How does it feel, partner? Having your new fat futa cock worshipped by Aira's pretty mouth? I'm trying my best from what I learned through porn~» Aira smirked.

She gave Momo's tip a few loving kisses before swallowing it down again, this time sucking harder and faster. One of her hands slipped between her own legs, rubbing her soaked pussy through her panties while she serviced the cock.

«Ooooooh, years peeking at girls changing... and now... I am touching a pussy... my own pussy~» The pervert thought.

Momo's legs were shaking, the pleasure completely new and overwhelming.

«Shit... If you keep sucking like that, I'm really going to cum down your throat~» Momo groaned.

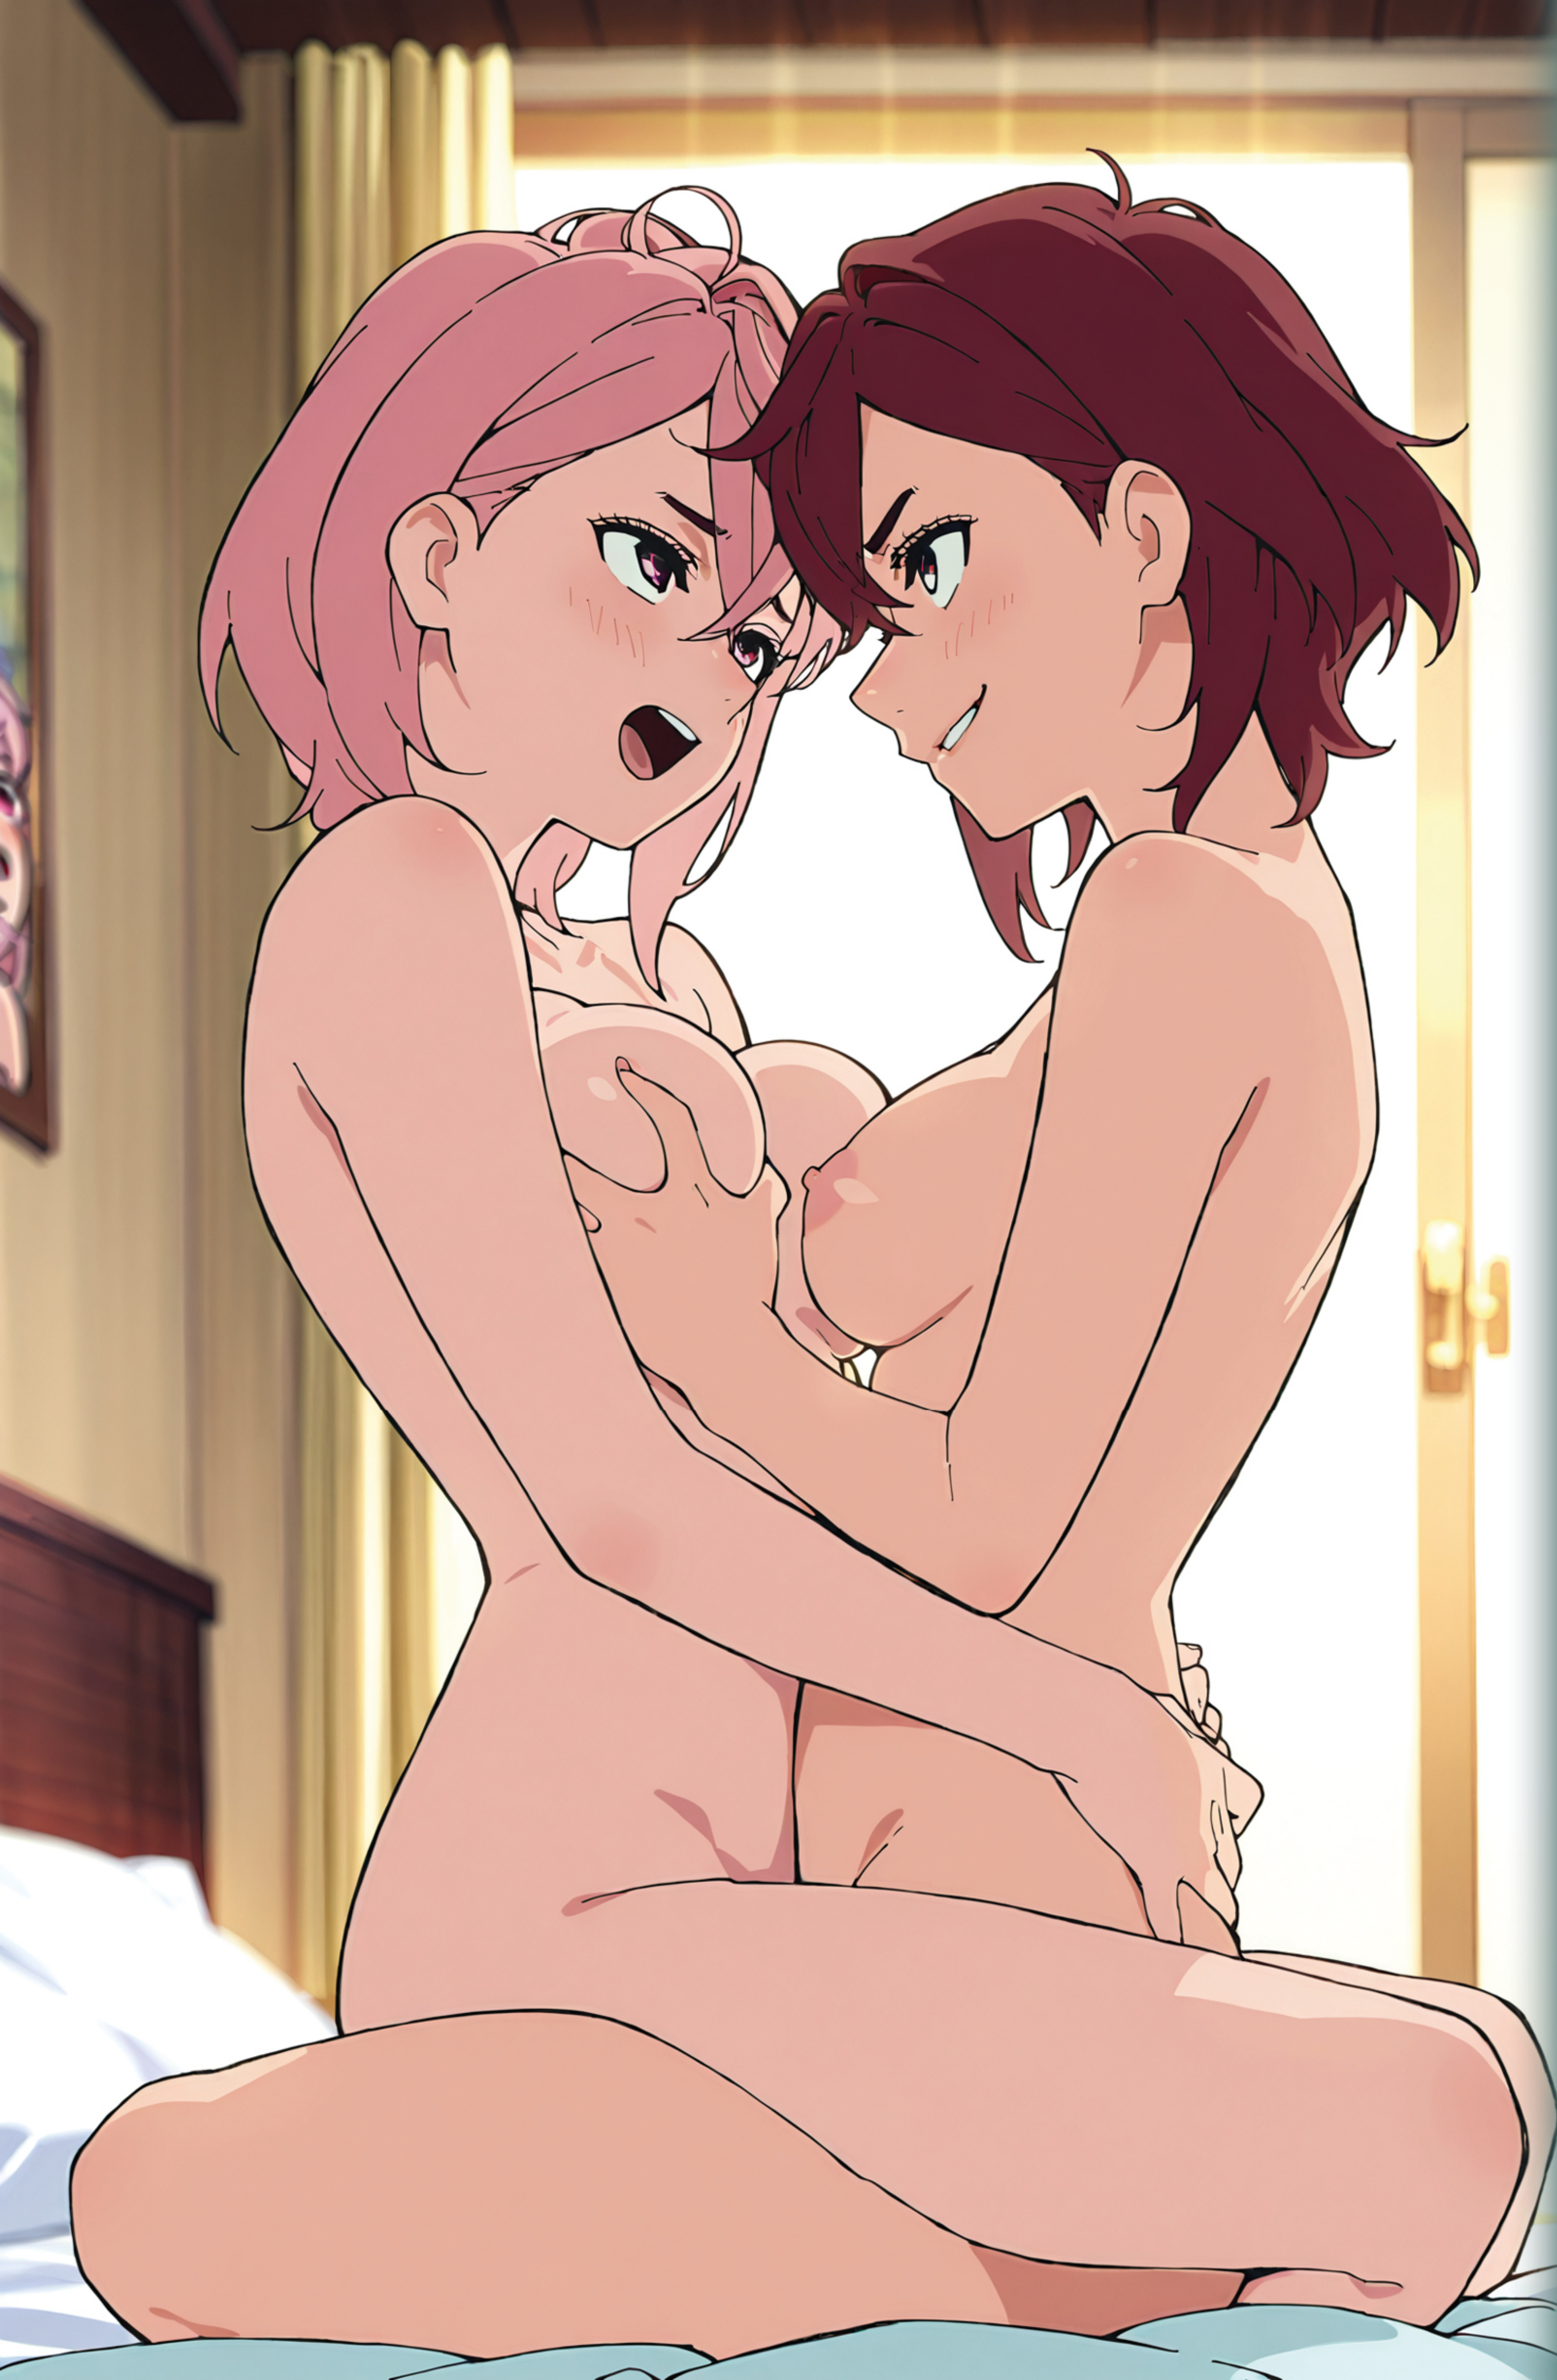

Aira pulled off once more, stroking the throbbing dick rapidly while licking the underside before standing up, sitting on Momo's lap.

«Wait, I can't let you cum without us both knowing how sex feels~» Aira purred, playing with Momo's tip on her vagina. She quickly coated it with her vagina's fluid, before sliding it raw, all inside of her pussy.

«Ooooooooooh! So this is how it feels to have sex as a girl! I can't... I can't go back to being a male, it is way too good!~»

«I feel... I feel your warmth inside... It is even better than with your mouth! Is this sex between earthlings? It is way better than in our species~» Momo moaned, grabbing Aira's breasts firmly.

«So strange, I can't stop thinking about playing with your breasts... I have some, but yours are too good in my hands~»

Aira kept riding Momo hard, her soaked pussy making loud wet squelching sounds every time she slammed down on the thick futa cock.

«Aaaahh, Fuck yes! This cock is so deep inside me... I can feel it hitting the back of my womb every time I bounce~» Aira moaned shamelessly, her elegant voice completely ruined by lust.

Momo groped her bouncing tits roughly, pinching the hard nipples while thrusting up to meet her.

«Your pussy is gripping me so greedily... It's like it doesn't want to let go. You're such a pervert, turning this classy popular girl into a cock-hungry slut~»

Aira suddenly slowed down, then lifted herself off Momo's cock with a wet pop. Strings of her juices connected her pussy to the glistening shaft.

«Hehe... It was my true nature all along... the true nature of this woman... I want to feel it from behind now~ I want you to fuck me harder~» Aira purred, getting on all fours on the bed, arching her back and pushing her fat ass toward Momo. She reached back with both hands and spread her cheeks, showing off her dripping pussy and tight pink hole.

«Come on! Put that fat futa cock back inside me. Fuck Aira's tight little pussy raw! Make me scream like the dirty slut I always wanted to be~»

Momo didn't need to be told twice. She positioned herself behind Aira, grabbed her hips, and slammed the entire length of her cock back inside in one brutal thrust.

«Fuuuuck! So tight! Your pussy feels even better from behind~» Momo groaned, starting to pound her hard and fast.

Aira's eyes rolled back in pleasure as she got fucked doggy style, her tits swinging heavily with every thrust.

«Yes! Harder! Destroy this stolen pussy! I've waited decades to feel a cock this deep inside a woman's body! Pound me like you hate me! Make Aira's perfect body shake~»

Momo reached forward and grabbed a handful of Aira's pink hair, pulling her head back while slamming into her even harder.

«You're such a disgusting pervert... Possessing this elegant girl and begging to be bred like a bitch in heat! How does it feel knowing the real Aira is trapped inside, feeling every thrust while you moan like a whore~?» Momo purred, pounding Aira even harder.

Aira let out a broken, filthy laugh between moans. «It feels amazing! She's screaming in horror while I cum all over your cock! I love it! I'm never giving this body back! I'm going to live as Aira forever and be the biggest slut at work~»

«Aaaahhh! So deep! You're hitting my womb with every thrust~!» Aira screamed, her refined voice completely broken into slutty moans.

Her legs trembled as Momo fucked her harder, the heavy balls slapping against her ass with every brutal stroke.

«I'm gonna cum! This body is too sensitive... I can't hold it anymore~!» Aira cried out, her eyes rolling back, tongue slightly hanging out.

Momo growled, gripping Aira's thighs tighter as she hammered into her without mercy.

Aira's whole body suddenly tensed up. Her pussy clenched violently around the thick futa cock as a powerful orgasm ripped through her.

«I'm cumming! I'm cumming so hard! Aaaaahhhh~!!!» Aira cried, her pussy spasmed wildly, gushing clear girl-cum all over Momo's cock and balls.

«Fuuuuck! This is what a real female orgasm feels like! I'm losing my mind! It's so much better than anything I imagined! And... I... Aira's memories... I am merging completely with her!~»

The intense squeezing of Aira's climax pushed Momo over the edge too.

«Shit... I'm cumming too~! Take it all~!» Momo groaned

loudly.

She buried her cock as deep as possible and exploded inside Aira. Momo kept thrusting through her orgasm, pumping load after load deep inside until cum started leaking out around her cock.

Both of them moaned shamelessly as they came together, bodies trembling and twitching in pure bliss.

When the intense orgasm finally started to fade, Aira lay there panting, legs still spread wide, cum visibly leaking from her well-fucked pussy.

She had a dazed, fucked-stupid smile on her face as she gently rubbed her lower belly.

«Mmmhh... So full... I have all of Aira's memories... I remember when we first met, how I used to hate you so much back in school, how we became best friends ever since, and even now in our adulthood ~» Aira smiled, putting her fingers between her legs. She scooped some of the leaking cum with her fingers and brought it to her mouth, sucking it clean with a lewd moan.
«Hehe... tastes even better when it's coming from my own pussy~»

She looked up at Momo with half-lidded, lust-drunk eyes and a perverted smirk.

«That was incredible... But I'm still so horny~» Aira purred.

«Let's go for round two right now. I want you to fuck me even harder this time~»

Momo looked down at her own cock. It was slowly softening, hanging heavy and slick between her legs after the intense orgasm.

«Wait... hold on~» Momo said, breathing heavily. She tried stroking it a few times, but it only twitched weakly without getting fully hard again.

«Fuck... it went soft already. This body still has limits I guess. I can't go for round two right now~»

Aira pouted cutely, quickly turned her disappointment into a mischievous grin.

«Aww... that's too bad~» She sat up, cum still dripping down her thighs, and licked her lips while staring at Momo's soft cock.

«Then what should we do now, partner? I don't want to just sit here... I want to have fun with these bodies tonight~»

Momo thought for a moment, then a filthy idea lit up in her eyes. She smirked and stood up.

«Let's get dressed up and go out into the city! We are two hot 25-year-olds now. Why waste them staying inside? I want to walk around in this earthling body, you by my side,

showing me other wonders of this world~»

Aira's eyes sparkled with excitement. She stood up, cum still running down her inner thighs, and giggled perversely.

«Ohhh! I like that idea a lot! Going out in public as these two sluts right after getting creampie'd... That sounds deliciously dirty~» Aira purred, quickly realising she needed to clean herself before going anywhere.

«Wait, first, I need to take a shower. i can't go around with your cum leaking like that~»

Momo smirked, her soft futa cock still hanging between her legs, watching Aira walked toward the bathroom with a seductive sway of her hips, cum still leaking from her well-fucked pussy.

After a quick shower, Aira stepped out, her pink hair slightly damp and her body glistening.

She went straight to the closet and started picking clothes with a perverted grin.

«Those are Momo's clothes, so I don't think they would all fit me, but I think I can find some~» Aira smirked, picking up the underwear, sniffing them on the way.

«Ooooooh, before I would be thrown in jail for doing that... now I can just sniff my own underwear, or Momo's one... hahaha!~»

Momo watched her with a filthy smirk, slowly stroking her soft futa cock as it twitched at the sight.
«You really are a massive pervert! ~»

Aira began to wear the panties, enjoying all the way the fabric running up her smooth legs, until he gently bruised her still sensitive vagina.
She started picking clothes with greedy hands from Momo's closet.

She chose a tight purple dress that barely contained her breasts, and a dangerously short because of Aira being taller than Momo, that would flash her ass with every step.

On her side, Momo picked a tight red nightdress, enjoying the feeling of her soft cock rubbing against the fabric.

Both of them stood in front of the mirror, admiring how slutty they looked.

«We look like two hot women, ready for a night out... but we're actually two disgusting perverts who just finished fucking each other senseless~» Momo said, turning around to check how her ass looked in the mirror.

Aira pressed herself against Momo, groping her tits while whispering hotly in her ear.

«I can still feel your thick dick inside me. Every step I take, it's going to remind me how good it feels to be fucked. This

is so fucking dirty, and I love it~»

She gave Momo's ass a hard slap and giggled.
«Let's go~ I want to walk around the city like this. Teasing random guys, feeling people stare at our bodies... let's enjoy our new shapes~»

Momo smirked and took Aira's hand.
«Perfect! I follow you, Earthling, let's try everything our new bodies can offer~»

The two of them stepped out of the apartment looking like absolute sluts. As they walked down the street, both of them couldn't stop grinning like idiots.

They reached a lively nightlife area full of people. Neon lights, loud music, and crowds of young adults filled the streets. Heads turned immediately toward the two gorgeous women.

Aira bit her lip, clearly enjoying the attention.
«Look at them staring~ They have no idea those elegant women are two massive perverts who just finished fucking each other~»

She deliberately bent over a bit to adjust her heel, flashing her ass and the bottom of her pussy to a group of guys nearby. One of them almost spilt his drink.
«Hehe~ This body is made for teasing~ I'm getting wet again just from their stares! Tonight is going to be our night, so let's celebrate our new life~»
