DATING A DITTO PART 2

If I survive this I'm making sure she watches every cooking anime ever made

Please don't hesitate to ask for seconds my love

Ehh...
Babe...
I think it just moved...

That is just your imagination my dear

What am I saying... My wonderful girlfriend put all of her effort into cooking for me

Let me give it a try... I'm sure it tastes great

A few seconds later

BABE!

Culprit

Oh no!
He looks
like he's been
poisened...
How did this
happen?

Maybe he is allergic to one of the 32 different flowers I used for the cooking

Think Ditto... Think... What should I do... How can I cure him?

I got it!
I just need to become someone who has the power to heal and cure others

I think
I know just
what character
would be
perfect for
this

With her skills getting my dear boyfriend back in good health should be easy

I always wanted to do some nurse roleplay with him... I guess this will be close enough for now

Ahh this
is so exciting...
I get to heal
my boyfriend
and he won't
even know

Maybe
I'll tease him
about it after
he wakes up
again

The transformation is coming along ver nicely

Just the last few steps and I'm the perfect copy of Tsunade

Almost done... Just one foot left to transform and then I can start healing him

Wow!
Tsunade might
actually be
the biggest
transformation
I've done
so far

Arhh...
Ughhh..

Oh right!
I'm soo sorry
babe... I got
distracted
by Tsunade's
body for a
moment

Don't
worry
I'll heal you
right away

I'll make sure your body heals perfectly

Wait
a minute...
Isn't this the
perfect opportunity
to try that
thing I've been
wanting to
try

I can't wait to see how he will react when he wakes up

1 hour later

Huh...?
Why am I
in the bedroom?
I remember
being in the
kitchen

Did Ditto carry me back to bed or was it all just a weird dream?

It felt
too real
to be a dream...
So Ditto must have
taken care
of me after I ate
that dish

I need to thank her for saving me... Even if she was the one who poisened me

Oh!
There she
is

Thank you so much for saving me babe

Huh...

Don't tell me that... Is that my reflection...?

AHHHH!!!
WHY AM I
A GIRL!!!
AND WHY
DO I LOOK
LIKE A GYARU!

Calm down... This has to be a dream
But... Everything feels so real and... So soft

Ditto has to be behind this... I need to find her and make her turn me back

I know you're the one behind this Ditto

Change
me back
to normally
right now

Oh!
You're finally awake!
How was your little nap

Huh...
Is that...
Me!?

Explain why I'm looking at myself and why I'm currently in the body of a girl

Oh I'll explain in a moment but isn't this fun

After
I used Tsunade's
powers to heal you...
I used Manaphy's
Heart Swap to
swap our
bodies

So
you swapped
our bodies
without even
asking me
first!

Yup!
I thought
it would be
fun if we spent
some time
as each
other

HEY!

Stop gropping them... I feel weird when you touch them like that

Sorry... I couldn't help myself when you look so cute

I picked this form before we swapped since you seemed to like it

Form... Wait since I'm in your body now... Does that mean I can transform into others like you

Just close your eyes and focus on who you want to turn into

Focus on who I want to turn into

Oh!
I think I'm
doing it!

You're doing great just keep focusing

My lower body has completely melted into pink goo

You're doing great babe!

Stay focused on transforming into the character

So
this is what
it looks like from
his perspective
when I
transform

.....
Focus!
Just stay
focused

I can
feel my body
changing
it's shape into
someone
else

You're doing well babe!

The
legs are the
last part left
before I've
completed the
transformation

I'm
almost
done

You did it babe! You look great!

Let me have a look for myself

Did
I really
do it right
on my first
try?

I...I...
I really look like Stella Vermillion

I can't believe I really did it on my first attempt

I'm
an actual
real life anime
character

So you like girls with red hair... I'll keep this in mind for the future
Wait! It's not like that! She was just the first one that came to mind

These...
I know she has a very big chest in the show....

...But was her chest really this big?

Don't
tell me
I acidentally
made her body
more curvy

Anyway...
I can't believe
I'm actually
Stella! This is
soo cool

Now that you're transformed come with me babe
Huh! What are doing?

What gives! Why did you drag me to the bedroom?

You're planning something weird again aren't you

Making love to my boy... I mean girlfriend isn't that weird right?

WHAT!

You want me to have sex with my own body while I look like this!?

Aww
come one
aren't you
curious about
how it would
feel as
a girl?

I...I...
I would
be lying...
If I said
I wasn't
curious

Great!
I knew you would be interested!
Now get undressed

Sex as a girl...
Ditto does seem to always enjoy it when we do it

Could it be that it feels better for girls than it does for men?

Wow
Stella really
does have
a very nice
body

I can't really argue with that... Though why do I feel so embarassed

Get yourself together... I just need to get this over and done with

After
we are done
we can swap back
to our own
bodies

If my heart and my mind surive this experience that is

Just
the panties
left to take
off

I...I'm...
I'm ready...
Shall we
get started
babe

Wow!
You look
so cute and sexy
right now

I can't believe I'm about to have sex with myself while in the body of a girl

Pl...Please
be gentle...
It's my... First
time doing it
as a girl

Don't
you worry
babe! I'll take
the lead and
you just enjoy
yourself

Lets
not waste
anymore time
and get started
shall we
AHHH

So
how does
it feel to
get penetrated
by your
own cock?

Uhhh...
N-Nghh...
It's... It's
soo big...
But it feels...
Good

AHHH!!!

You're also super tight... Your vagina feels amazing as it hugs my cock

M...More...
Please give
me more...
It feels
so good
Seems
like you're
really enjoying
yourself

Ahhh!...
Yes... Ahhh...
Fill me up...
Cum inside
of me

Ahh!
Climaxing
as a man
feels pretty
good

I tried to make him cum as early as possible so his mind wouldn't break
Phew... That was intense but also amazing

I'm
sure he will
be okay...
I should take
a shower and
clean up before
he wakes
up

A few minutes later

...Mhmm

Huh...
Mhmm

I really just had sex with myself... And it felt good

Anyway I need to clean myself up a bit

Wait a minute... Can't I just transform into someone else

If I just transform into someone who is clean already then I won't need to clean up this body

Yes
I'll just
do that instead!
And I know
who to turn
into to

Focus on the character and your body melting and shaping itself into that character

I've
already done
it once now...
Surely I should
have no problem
doing it again

So
far so good
I just need
to keep it
up

Why do I feel excited about becoming someone else?

Lets not think about that for now... I need to focus

Woah!
I'm really getting the hang of this whole transforming thing

It's
a lot easier
the second time
when you have
a clear idea
about how to
do it

Only
the lower
half is left
and then
I'm done

Come
on don't
loose your
focus now

Now just
the feet left
to transform
and I should be
good to go

Phew!
Odd how it was the lower half that was the hardest to transform

But
everything
looks and feels
perfect...
So I don't think
I messed up
anywhere

Oh
seems like
your enjoying
my ability
to transform

Ohhh!
This one is quite the looker as well and just look at those massive tits

I... I just transformed into her to... Erhm... Clean myself... Yes thats it!

And...
Maybe I was
a tiny bit
curious about
what it would
feel like to
be Vermeil

So
cleaning
yourself up
was not the
main goal...
I see

Sorry
I was just
really curious...
I'll turn into
Manaphy and
swap us
back

This is so
embarassing
why am I doing
this... I'm
a man

I'll tranform now and then we can put an end to this little role swap

Huh...?
What is going on
why won't it work?
Why can't
I transform?

You
probably
hit my limit!
I can only transform
a certain number
of times per
day

Huh...
There's
a limit
to it?

Then
that means...
I'm stuck like
this until
tomorrow

DING
DONG

DING
DONG

The door...
Wait! Oh no...
Nononononono...
I fogot my
mom said she
would come by
to meet my new
girlfriend

Oh!
I can't wait
to meet
my future
mother
in law

BY TSF AI

My mom doesn't know about Ditto... And I'm stuck like this... What do I do?

To Be Continued?
