

The birth of Daybird.

Nighttime at the
Solid S. chemical
plant.

Heather Bird,
lonely security guard.

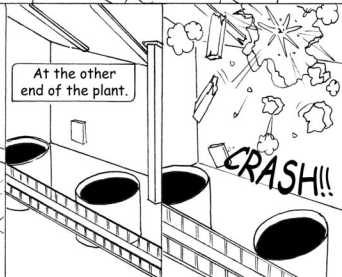

I wish
I was a superhero!
But instead I'm a
security guard in a
boring toxic waste
plant!

Soon our hero
falls into a
deep sleep...

At the other
end of the plant.

Out of nowhere, two mighty superheros crashes into the plant, engaged in a violent fight.

The raging fight goes on for a little while, creating destruction all around.

The following morning.

I swear boss!
I was ,uh, filling my
reports when it
happened! I didn't
see a thing!

Filling your
reports? Sure.
Now go fill your
unemployment
card...

Hey
roomy.

Good
shift
tonight?

Nope.

Oh? Let
me guess. You
got fired
again?

Yep!

To cheer her up, Jeanie invites Heater to go hiking, her favorite activity.

Yeah.
Great idea
i had there...
WAIT UP!

Ah!
You're out
of shape
girl....

I just...
hhh, need a
minute...hhh
to catch my
breath.

HEATHER!

What the
fuck was that?
Are you
okay?

I...
I think so.
I feel all tingly
inside...

Whoa!
Did you
just grow?!?

Let's
test my new
might. I'll try
and move that
tree.

I know
you're big and
all, but surely
you don't think
you can....

BRRROMBB

I can't
can I?...

I stand
corrected.
Now how about
we find you
some clothes?

Uh.
Heather. Your
feet aren't
touching the
ground?...

Yep!
I'm a true
superhero!

That's all
the change
clothes I
have...

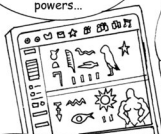

MEANWHILE, ACROSS TOWN...

MIMI, A.K.A. KITTEN
SURFS THE NET.

They found
those Egyptian
hieroglyphs that tells
the story of this thief
who stole three amulets
with magical
powers...

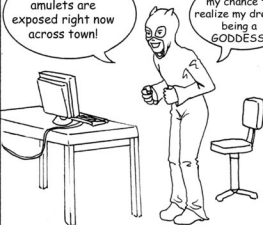

Wearing the
amulets turned the
thief into some feline
goddess...She used her
power to enslaved the
Egyptian people
until...

...The Gods
bestowed a lady
warrior with "the
phoenix power" to
defeat her. So
she did.

And those
amulets are
exposed right now
across town!

This is
my chance to
realize my dream:
being a
GODDESS!

LATER THAT NIGHT.

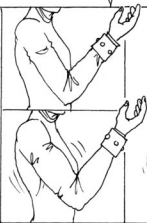

There it is!
The first amulet.
And it's mine!

This is
so cool!

Come on
boobies!

Yesss!

AWSOME!
I finally have
those curves! Now
all I need is a
little more...

...Height...

POW!

THE NEXT DAY.

Holly!
47 inches!
That's gotta be
a record!

I'll need
to go shop for
more fabric! A lot
more!

Not too
much, i wanna
show some
skin.

Breaking news.
A robbery took
place last night at
the Solid S. museum.

The single robber
managed to leave with
a priceless bracelet
from the Egyptian
exhibition...

Now
there's a job
for
DAYBIRD!

And the
award for
lamest one
liner goes
to:...

HOOTERS

THAT SAME NIGHT AT
THE SECOND CITY MUSEUM.

CRASH!!

I'm so strong,
this is getting easier.
Soon nothing will be
able to stop
me.

Not
so fast
thief!

Look at that,
a superhero. Nice
costume. Let
me guess..
SuperTramp?

Laugh
all you want
little cat. You're
going to...

...Jail...
Uh?

A LITTLE LATER.

Nope.

Not a scratch.

Cool!
I've got fast healing powers

Thanx for this awesome costume jeanie. It's prefect!

You're welcome. Now try on the cape.

No cape!

You wouldn't want to cover an ass like this would you?

I really should move now. That Kitten has one more target to hit!

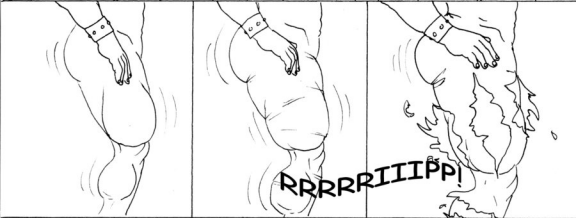

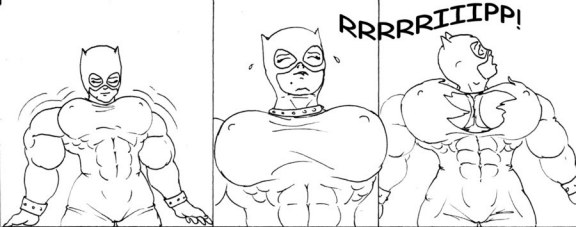

MEANWHILE.

That was the idea, yes.

The third and last amulet!
It'll make me invincible! Way cool!

Not so fast Kitten!

Uh. Hello?
You used that line already.

You maybe
big, But still
just a kitten!
RRHAAA!

GAK!

What was
that? I couldn't
hear you from
up here...

Aargh!
N-NO!

FLASH!!

SWOOSH!!

OW!
What the hell
was that?
I'm blind!

Just
you wait!

Ah!
My sight's back!
Now where
are you?

Uh?
Am I...?
I'm shrinking!

You took
this amulet from
me! You're supposed
to be the good
girl here! Give it
back!

A black and white comic panel showing Catman on the left, wearing his signature mask and suit. He is being held back by a very muscular woman with long hair and a mask. She is holding his arms, and he looks distressed.

Those precious artifacts belong to science, not you!

A black and white comic panel showing Catman from the chest up, looking intently at a small, glowing object held in his hands. The object appears to be a small cube or jewel.

I need those more than science! No! Don't!

A black and white comic panel showing the muscular woman holding Catman by the arms. She has a determined expression, and Catman looks uncomfortable.

Ugh! I can feel the power leaving!

A black and white comic panel showing Catman from behind, being held by the muscular woman. He is looking back over his shoulder with a pained expression.

My boobies! My wonderful big boobies!

A black and white comic panel showing Catman on his hands and knees, looking up at the muscular woman who is standing over him. He looks defeated and angry.

WHAAA!
No fair! You're mean!

A black and white comic panel showing Catman running away from the muscular woman. She is chasing him, holding the small glowing object in her hand. Catman looks back over his shoulder with a determined expression.

I'll get my revenge! You'll see!

A black and white comic panel showing the muscular woman holding the small glowing object in her hand. She has a smug expression on her face.

Yeah, yeah. Those jewels are pretty cool. Maybe Jeanie would appreciate the gift?

A FEW WEEKS LATER.

An alarm is ringing close by...

It's here!

JEWELRY

CRASH!

Stop burglar! Daybird is here!

Waitaminute! Kitten? Is that you?

I put you behind bars myself. Looks like you escaped.

Sorry Birdie, no time to chat.

BANG!

Gotta run!

ONE SUCCESFULL INTERVIEW LATER...

A LITTLE LATER,
ANOTHER JEWELRY
STORE.

CRASH!!

Meanwhile.

That's so much fun. I could do this all day.

Ah. Look at me, I'm buck naked! I'm gonna need a super hero costume.

This lab coat will do for now.

I'll just grab my formula and head home.

OhmyGod!
It's gone!
I'm certain I left it there!

Who could have taken it?
If it were to end up in the wrong hands.

RUN FOR YOUR LIVES!

HELP!
SHE'S CRAZY!

That was Tina

And over there
is Amy...

Ahaha!

powers from my
formula.

What's
that smell?
Smoke!?

Monique!

AHA!
Torching the
principal's office!
A dream come
true.

This is
all my fault.
It's my formula
they stole.

I have to
do something.
It's my fault and
I'll fix it all!

ENOUGH!
STOP IT!

I'M...
UH...
SUPER NERD!
AND I'M HERE

you just lay down
and die. Lights out
"super nerd".

No!
The fire's
