Now that Rosie, George's wife, has been raped in every orifice of her body and turned into a wild nymphomaniac, she has to learn the business of sex at the 'House' and George's old friend, Max is more than willing to show her how the girls handle men with various sexual wants and needs.

While his wife is learning the sex business, George is happily working with clients male, female, and other trannies who want sex with a feminized male.

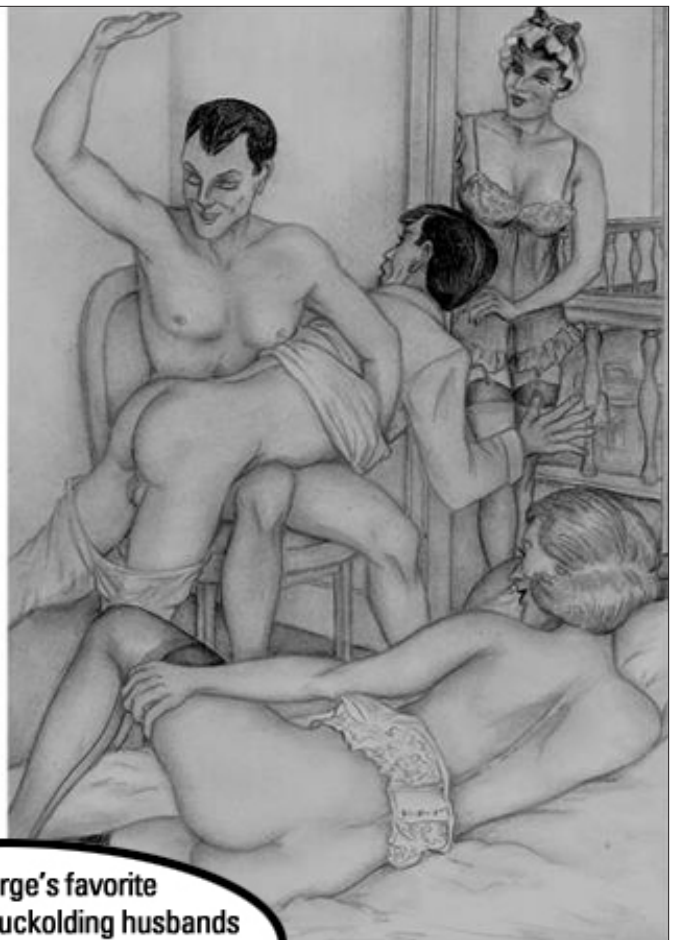

At Miss Angela's House of Debauchery, sex goes on 24 hours a day, and now that George is a full-time slave employee working off his indebtedness to Miss Angela, he's called upon to service guests and has to do whatever is asked of him. For good work, he's rewarded with hormones to develop his tits. However, George's favorite times are when he has a break and he can cavort in sissy sex with the other crossdressing employees, especially the maid Billy and Teddy-Tina, the two trannies with big implant tits, like he so wants so badly.

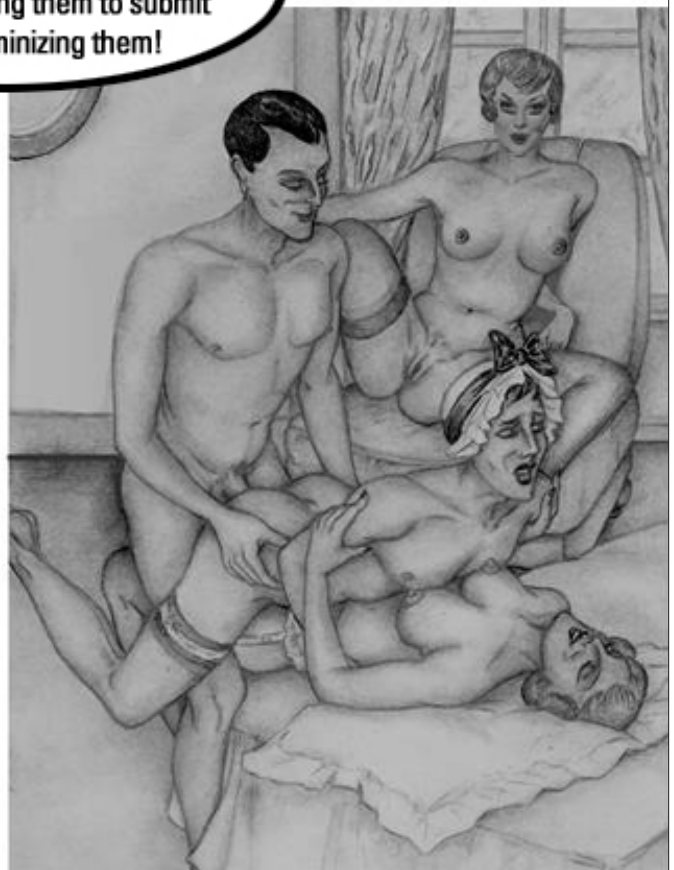

George and his wife, Rosie, now work together and are a favorite team for clients looking for 3 and 4 way group sex.

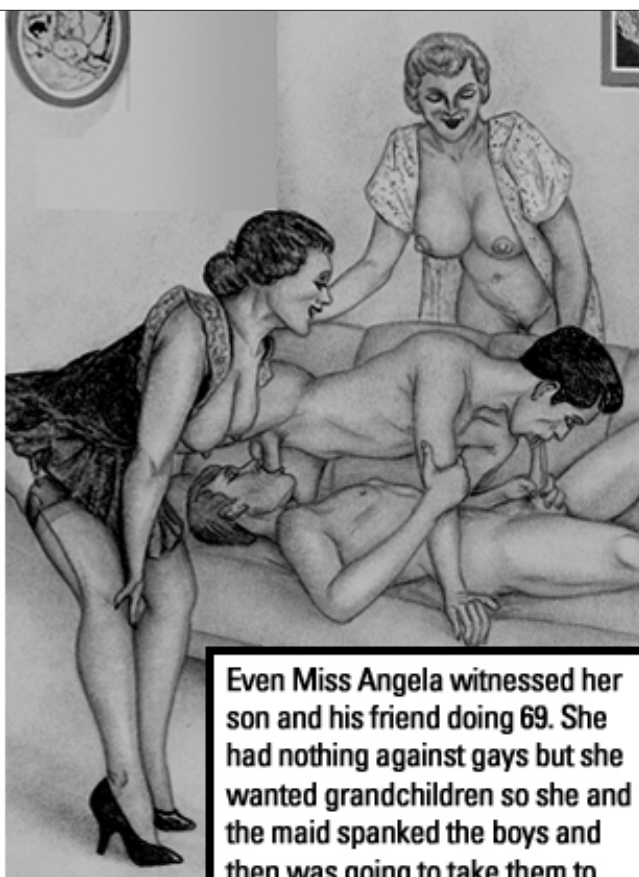

Among George's favorite client services is cuckolding husbands and then spanking them to submit and then feminizing them!

After the maid caught Miss Angela's son, Jason, and his friend, Carl, having a mutual jack-off in his mother's panties, she said she's have to report it to his mother. Jason just laughed and said his mother wouldn't care. He even tugged up the maid's dress so he and his friend could see the maid's panties.

Even Miss Angela witnessed her son and his friend doing 69. She had nothing against gays but she wanted grandchildren so she and the maid spanked the boys and then was going to take them to "The House" to see if she could interest the boys in females.

Miss Angela looks in as her ladies try to train Jason and Carl to develop an interest in sex with females. She knows the boys are anally excitable, so they try to interest them in eating out the ladies' asses; however, both boys soon lose interest. The boys seem to be hooked exclusively on panties and gay boy sex.

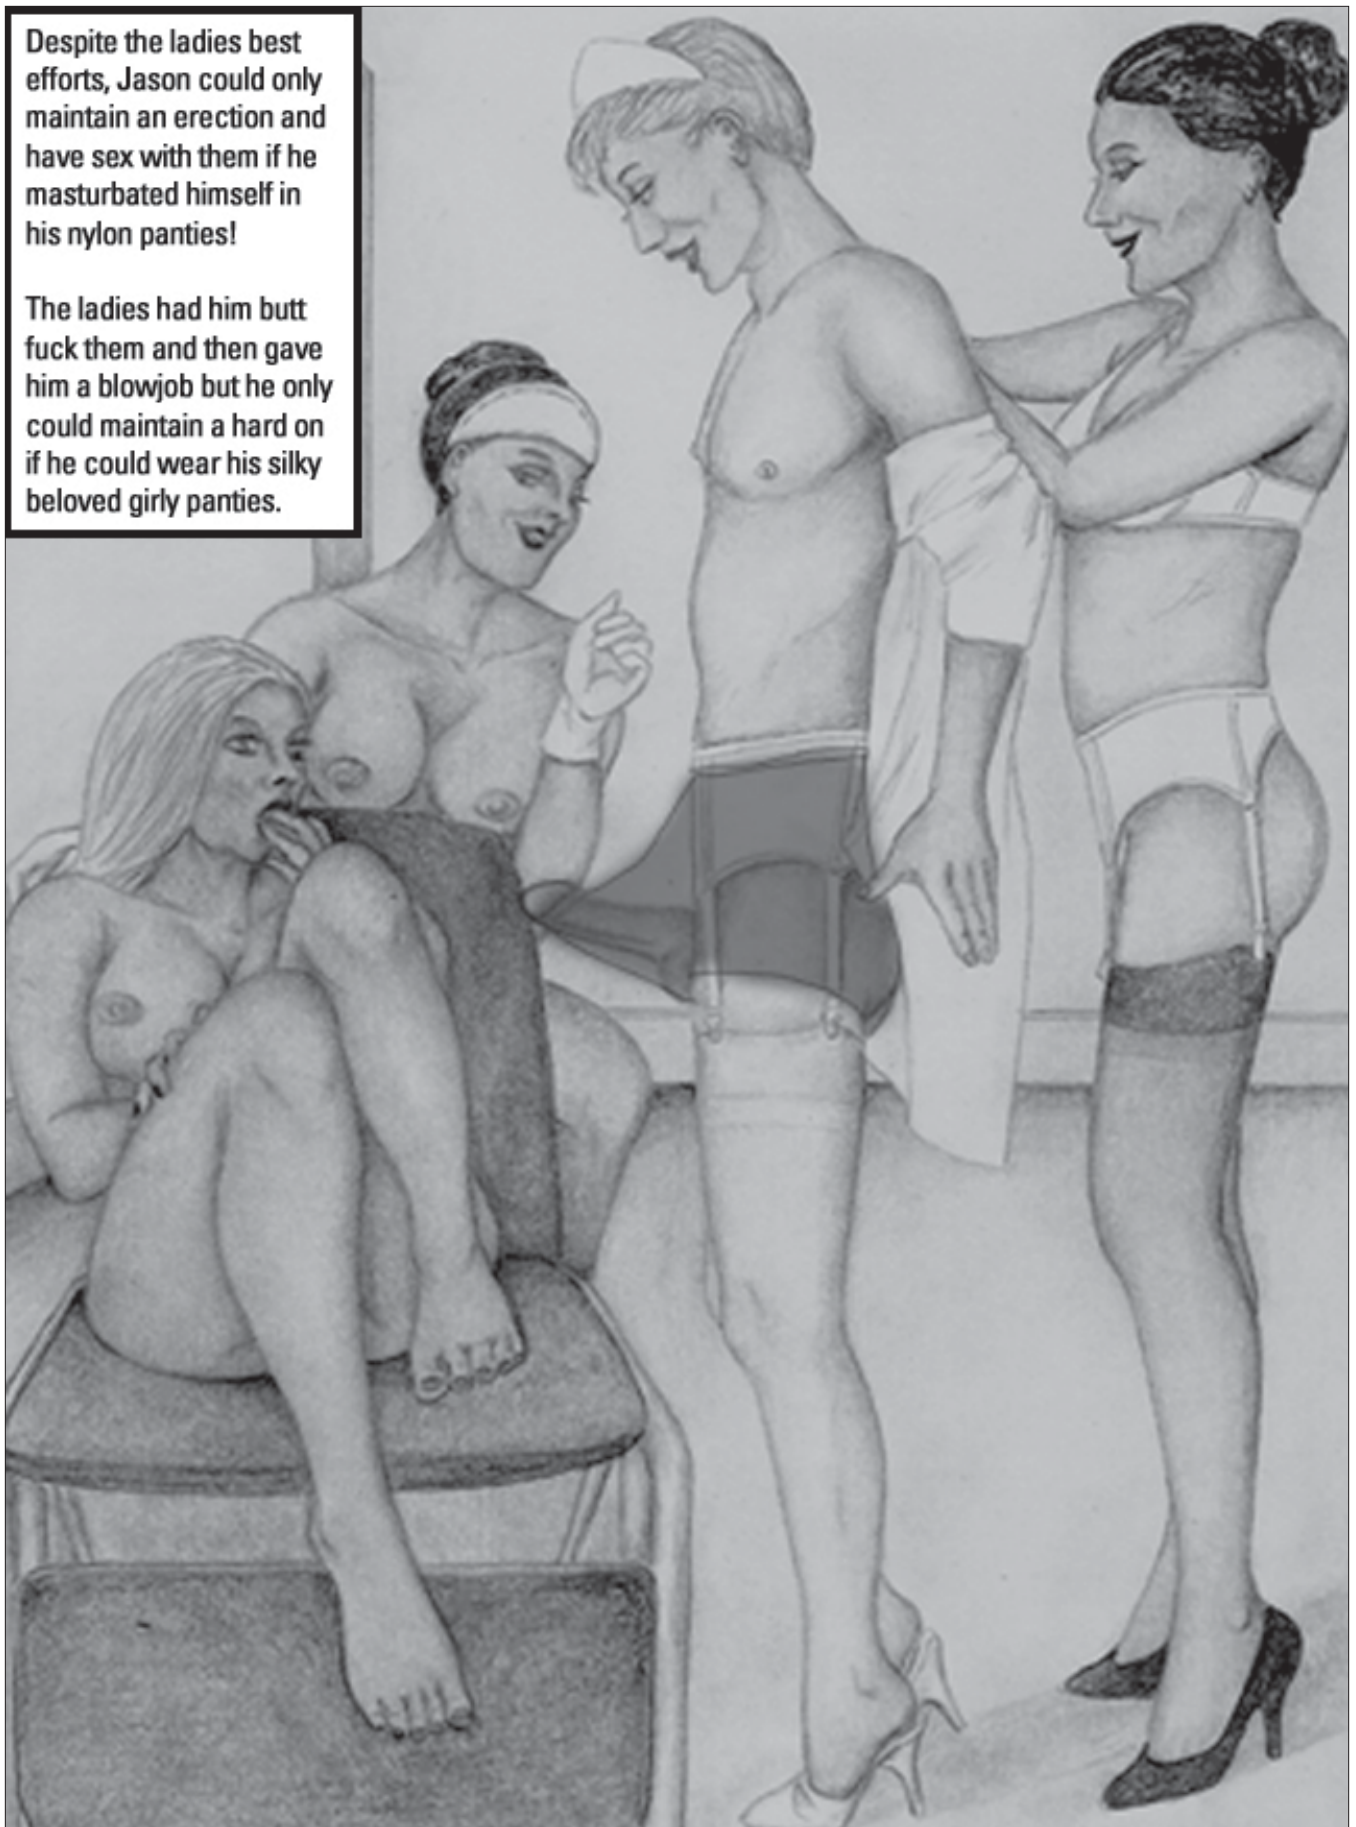

The ladies could only get Jason to eat pussy by letting him wear a pair of his mommy's panties with a hole in back so his boyfriend could wear a pair of panties too and butt fuck him. Miss Angela was so disgusted that the boys couldn't get turned onto females without panties that she had the ladies put a hole in the back of Carl's panties too and give him a punishing enema at the same time. However, Jason was still lousy at eating pussy!

Despite the ladies best efforts, Jason could only maintain an erection and have sex with them if he masturbated himself in his nylon panties!

The ladies had him butt fuck them and then gave him a blowjob but he only could maintain a hard on if he could wear his silky beloved girly panties.

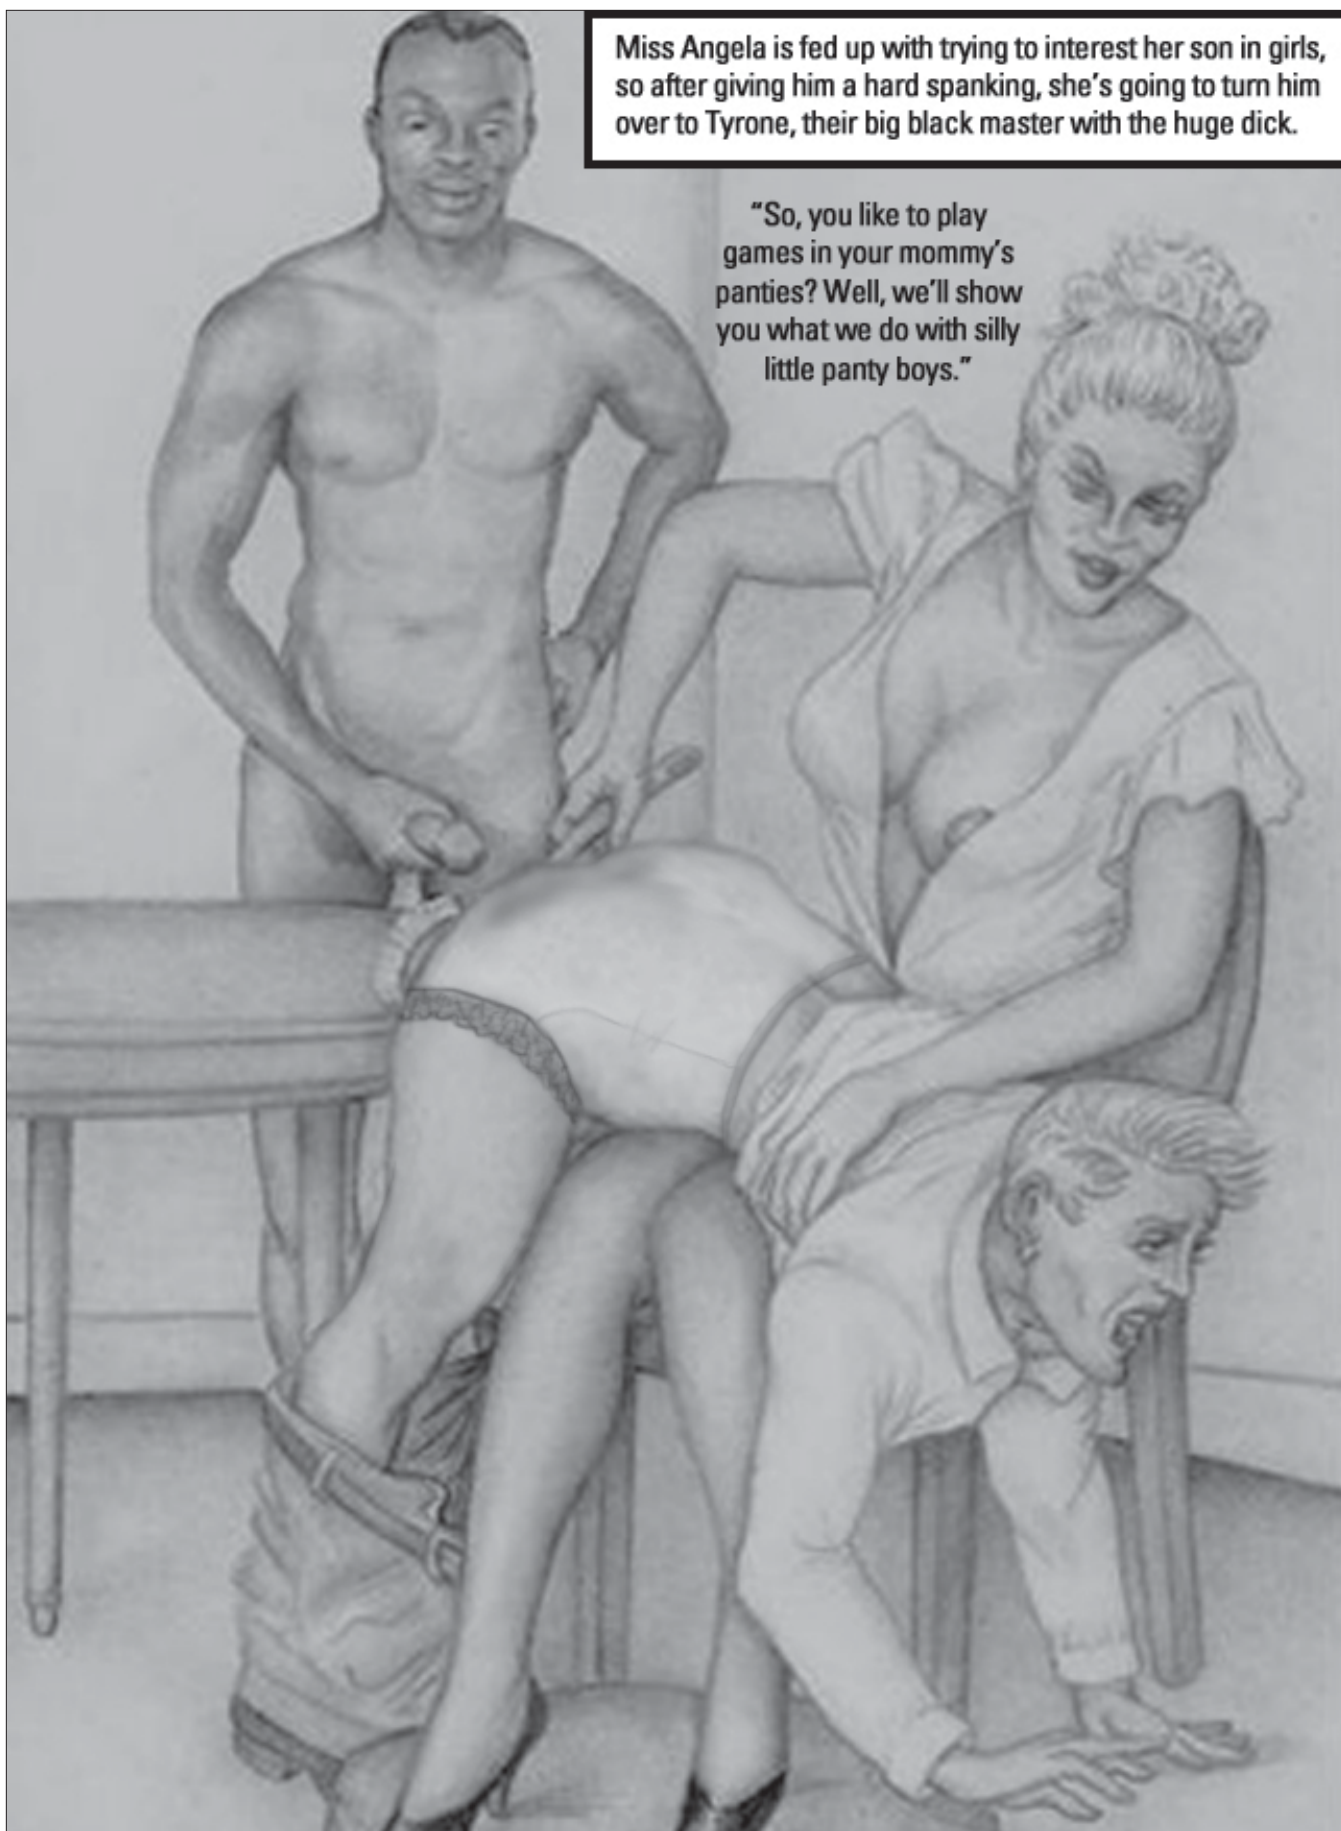

Miss Angela is fed up with trying to interest her son in girls, so after giving him a hard spanking, she's going to turn him over to Tyrone, their big black master with the huge dick.

"So, you like to play games in your mommy's panties? Well, we'll show you what we do with silly little panty boys."

After the ladies get the two panty boys to admit that what they most want to do is butt fuck each other, Miss Angela tells them she'll gladly help them out, and then she has the ladies cruelly butt fuck them together with a huge double dildo, but then she has Tyrone rape her son with his big black monster!

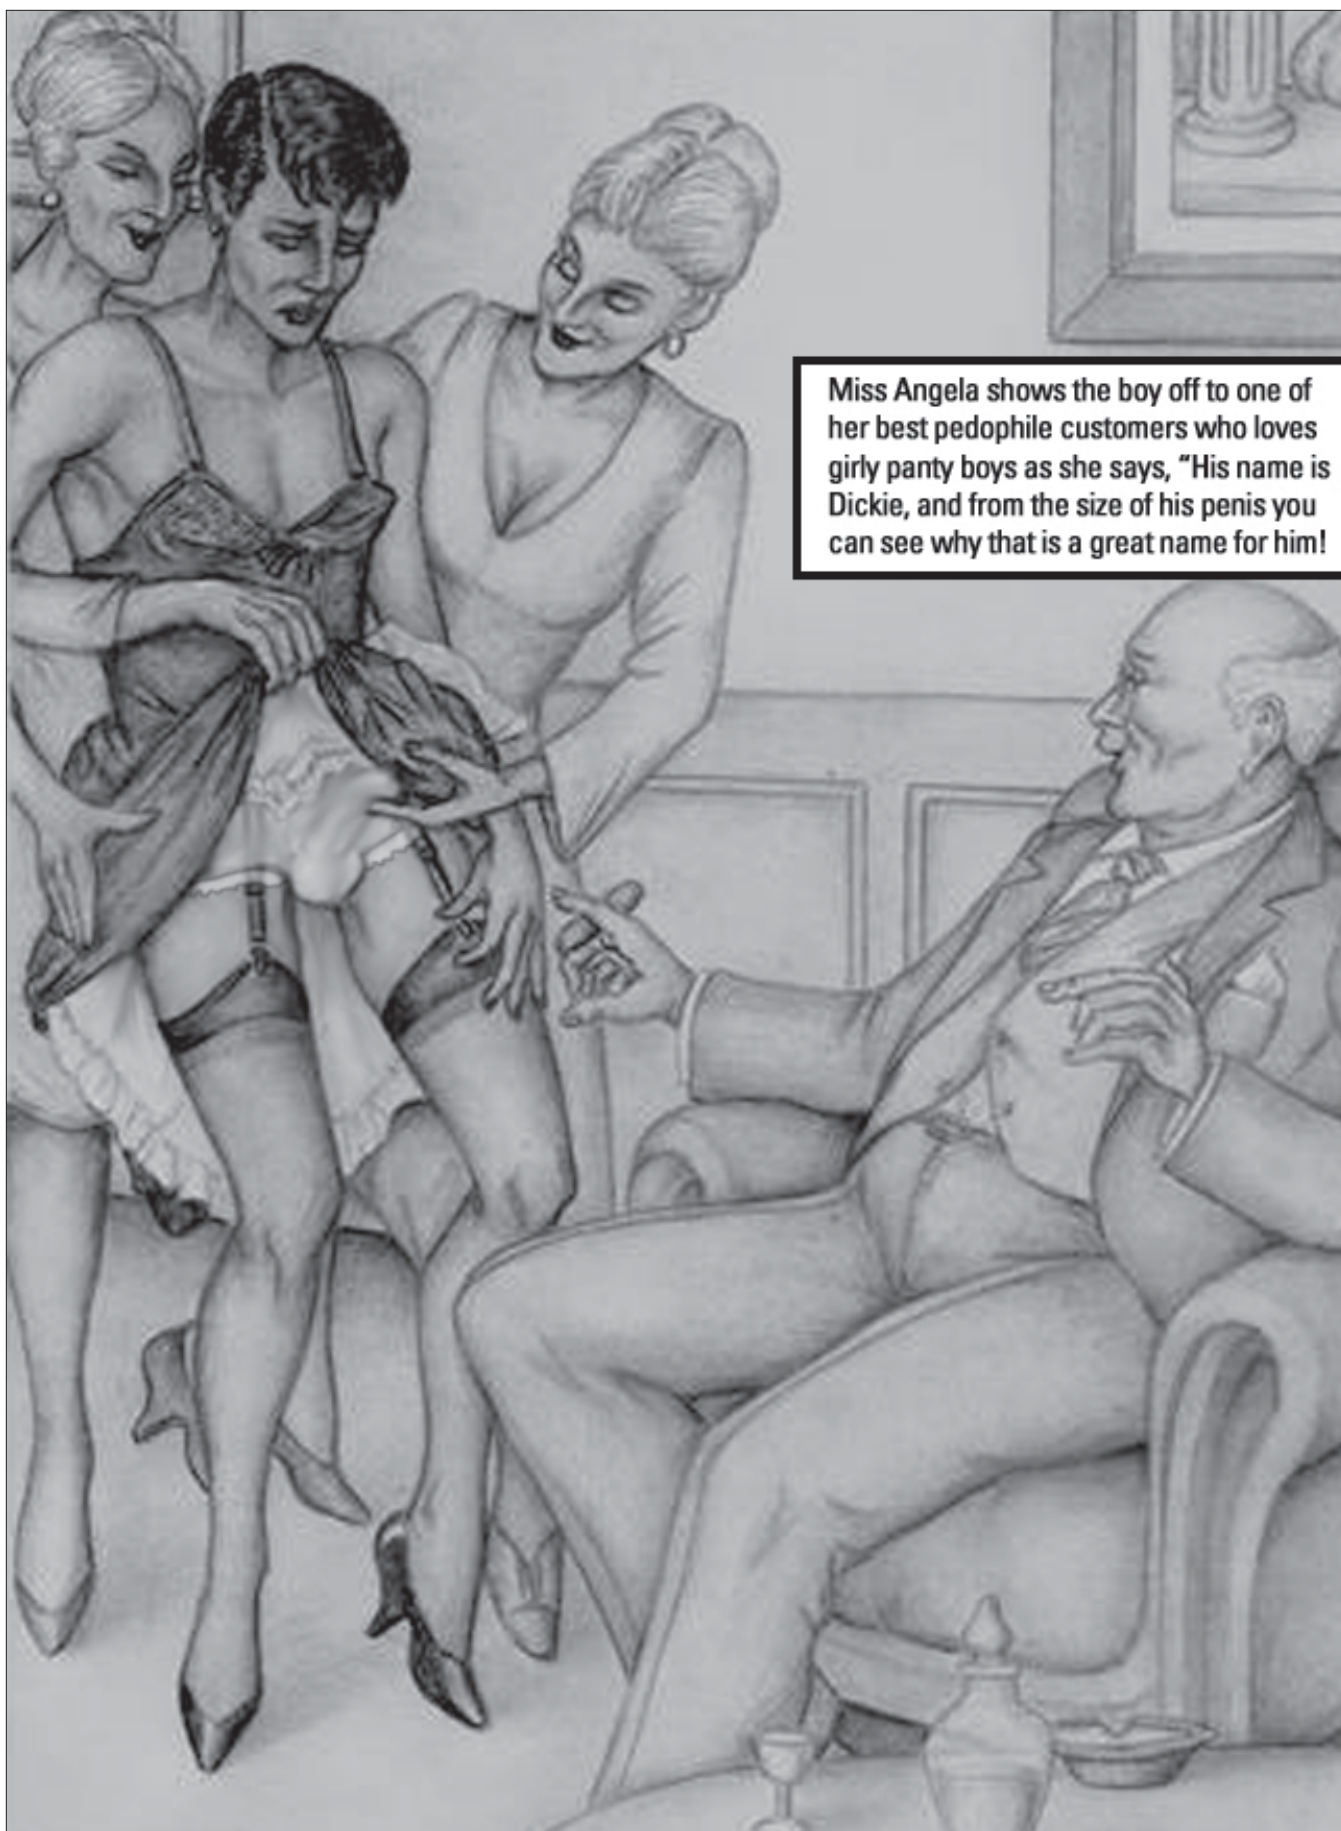

Greta knew her sissy son was a silly little crossdresser. For years she'd caught him peeking at her while she was dressing and sneaking into her room to try on her clothes, but what she hated the most was how he'd spurt his nasty, smelly teenage cum into her most expensive panties and then lie, saying he didn't do it. She just wished the boy would own up to his fetish and stay out of her clothes. Well, when Greta told her friend Miss Angela about Dickie, she told Greta to send Dickie to 'The House' and she'd straighten him out!

Dickie Likes to Play in Mommy's Panties

Much to his embarrassment, Miss Angela dresses him in fine lingerie and she and the maid laugh at him and call him a sissy for having a huge erection in his nylon panties.

Miss Angela shows the boy off to one of her best pedophile customers who loves girly panty boys as she says, "His name is Dickie, and from the size of his penis you can see why that is a great name for him!"

"Oh my, Miss Angela, you know how I love them young and feminine. Dickie is so sweet. I will give you an extra tip tonight, right after I give a really big tip to our pretty little Dickie!"

"Be careful, Reggie. Dickie is a virgin and has to be home to mom by nine!"
