

Tell me, Richie. How can I wear a swimsuit and no one notices I'm actually a dude? It's impossible!

Well. I said yes in front of Ava because I have something in my sleeves!

Watch this. The medicine in my hand can make you look so feminine that no one would ever discover you're a man!

A man with short, light-colored hair, wearing a white lab coat, is shown from the chest up. He is looking slightly to his right with a neutral expression. He is holding a large medical syringe in his right hand, with the needle pointing upwards and to the right. The background is a blurred indoor setting, possibly a laboratory or clinic, with a window visible on the left. Two dark green speech bubbles with white text are overlaid on the image. The first bubble is in the upper left, and the second is in the lower right.

**It's an imported drug.
After injection, it will
make you have a very
feminine figure!**

**With some clothing
and makeup skills,
you can totally pull
off swimsuits!**

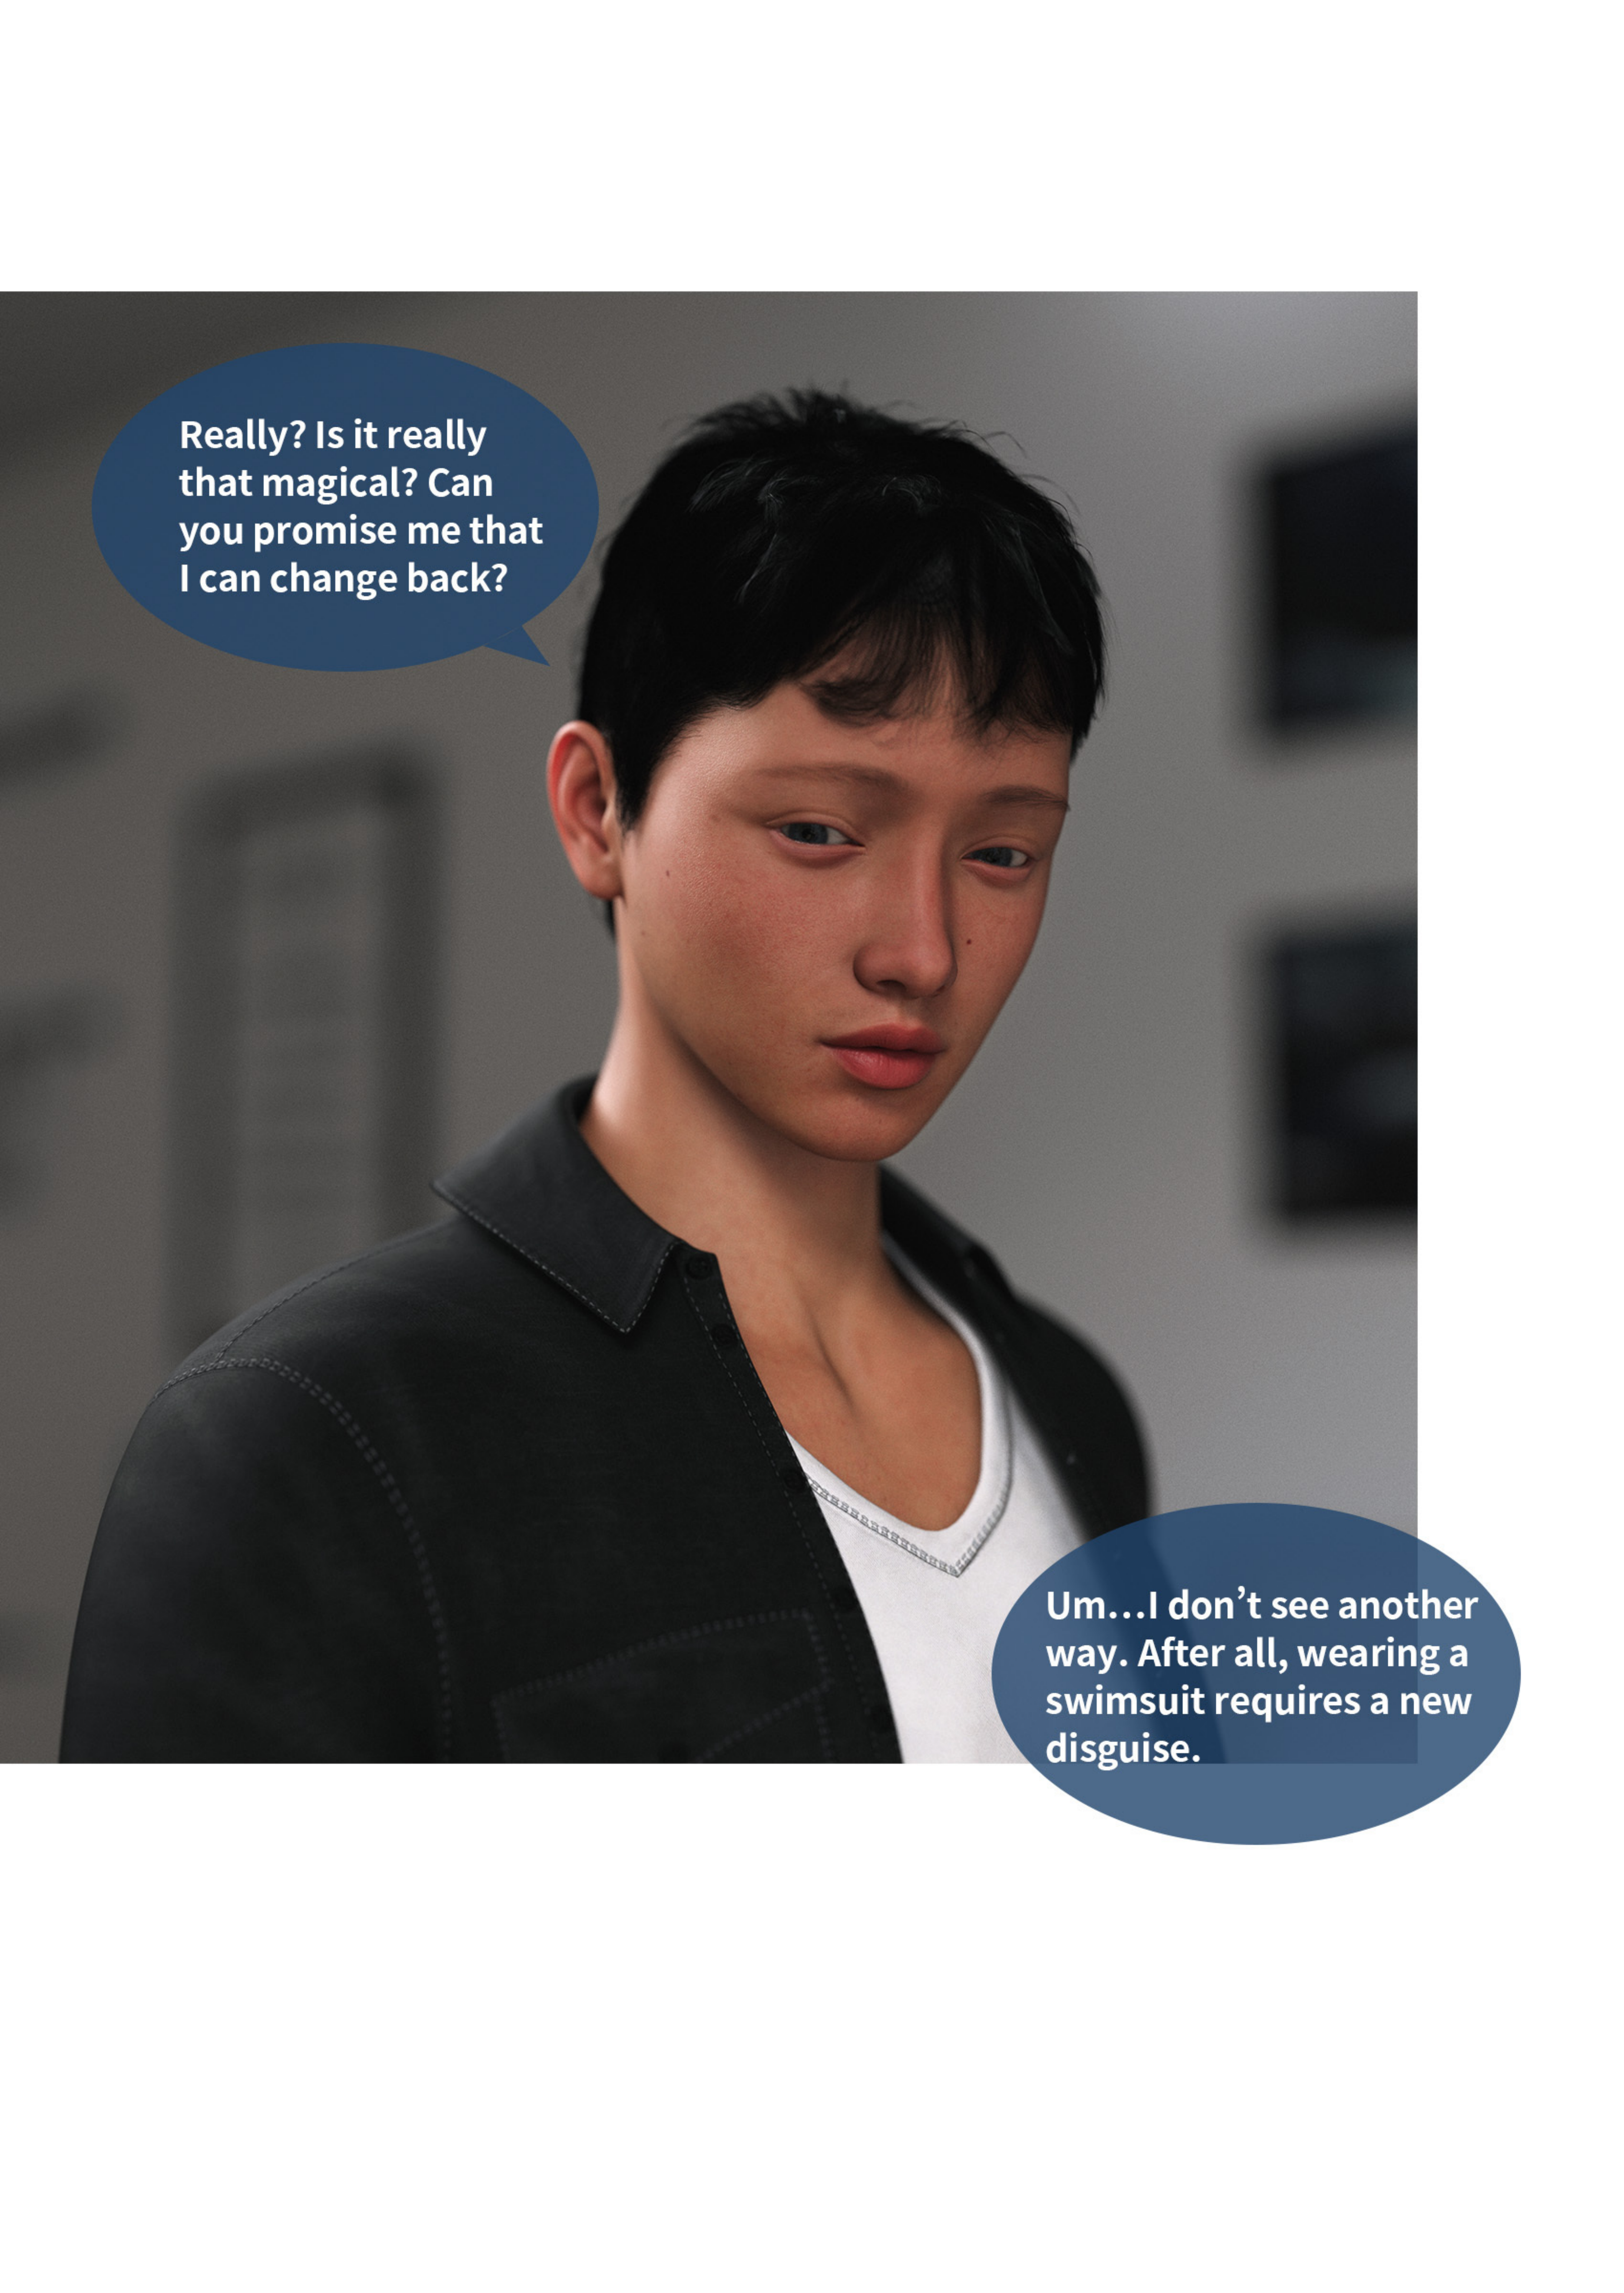

What?! Oh hell
no! What the
fuck is that drug!

Crossdressing is one
thing but getting a shot
and turning into a sissy
is way too much!

A man with light brown hair, wearing a white dress shirt and a brown belt, is holding a syringe in his right hand. He is looking towards another man whose back is to the camera. The background shows a window with a grid pattern. There are two green speech bubbles with white text overlaid on the image.

Chill, man. It's not hormone. This drug can be out of your system naturally so you can change back. Relax!

Do you want to give up your relationship with Ava? Would you be totally fine if she dated another man?

Really? Is it really that magical? Can you promise me that I can change back?

Um...I don't see another way. After all, wearing a swimsuit requires a new disguise.

A man with dark hair, wearing a black jacket over a white t-shirt, stands with a somber expression, looking down. He is being held by the hand of another man whose back is to the camera. The second man has short, light-colored hair and is wearing a white long-sleeved shirt. The background is a simple, brightly lit room with a white wall and a window.

Fine. I will do it for Ava!

Don't worry. We're brothers and I'm not going to mess with you. This drug is very hard to get. Now show me your arm!

.....Psst!

Injection

Hold still and it will be over in no time at all. Ok...The shot is done.

Um...I didn't feel anything. How long does the drug kick in?

One shot and I will have a girl's appearance?

No way. It's not some kind of magical potion and it works right away!

Drink this dietary supplement! From now on you take them daily and your body will gradually change!

Drink it everyday? So much trouble! Are you sure they're safe for my body?

Of course. It only lasts while you take it. When you stop taking it, your body will change back. Don't worry.

Ok. For Ava and our relationship, I will drink it!

Drink—

Just like Richie said,
after I take medicine
everyday, my body
obviously changes.

As if I was in a growth
period again. I'm drowsy
and have a very good
appetite. Sometimes I
suffer growing pains.

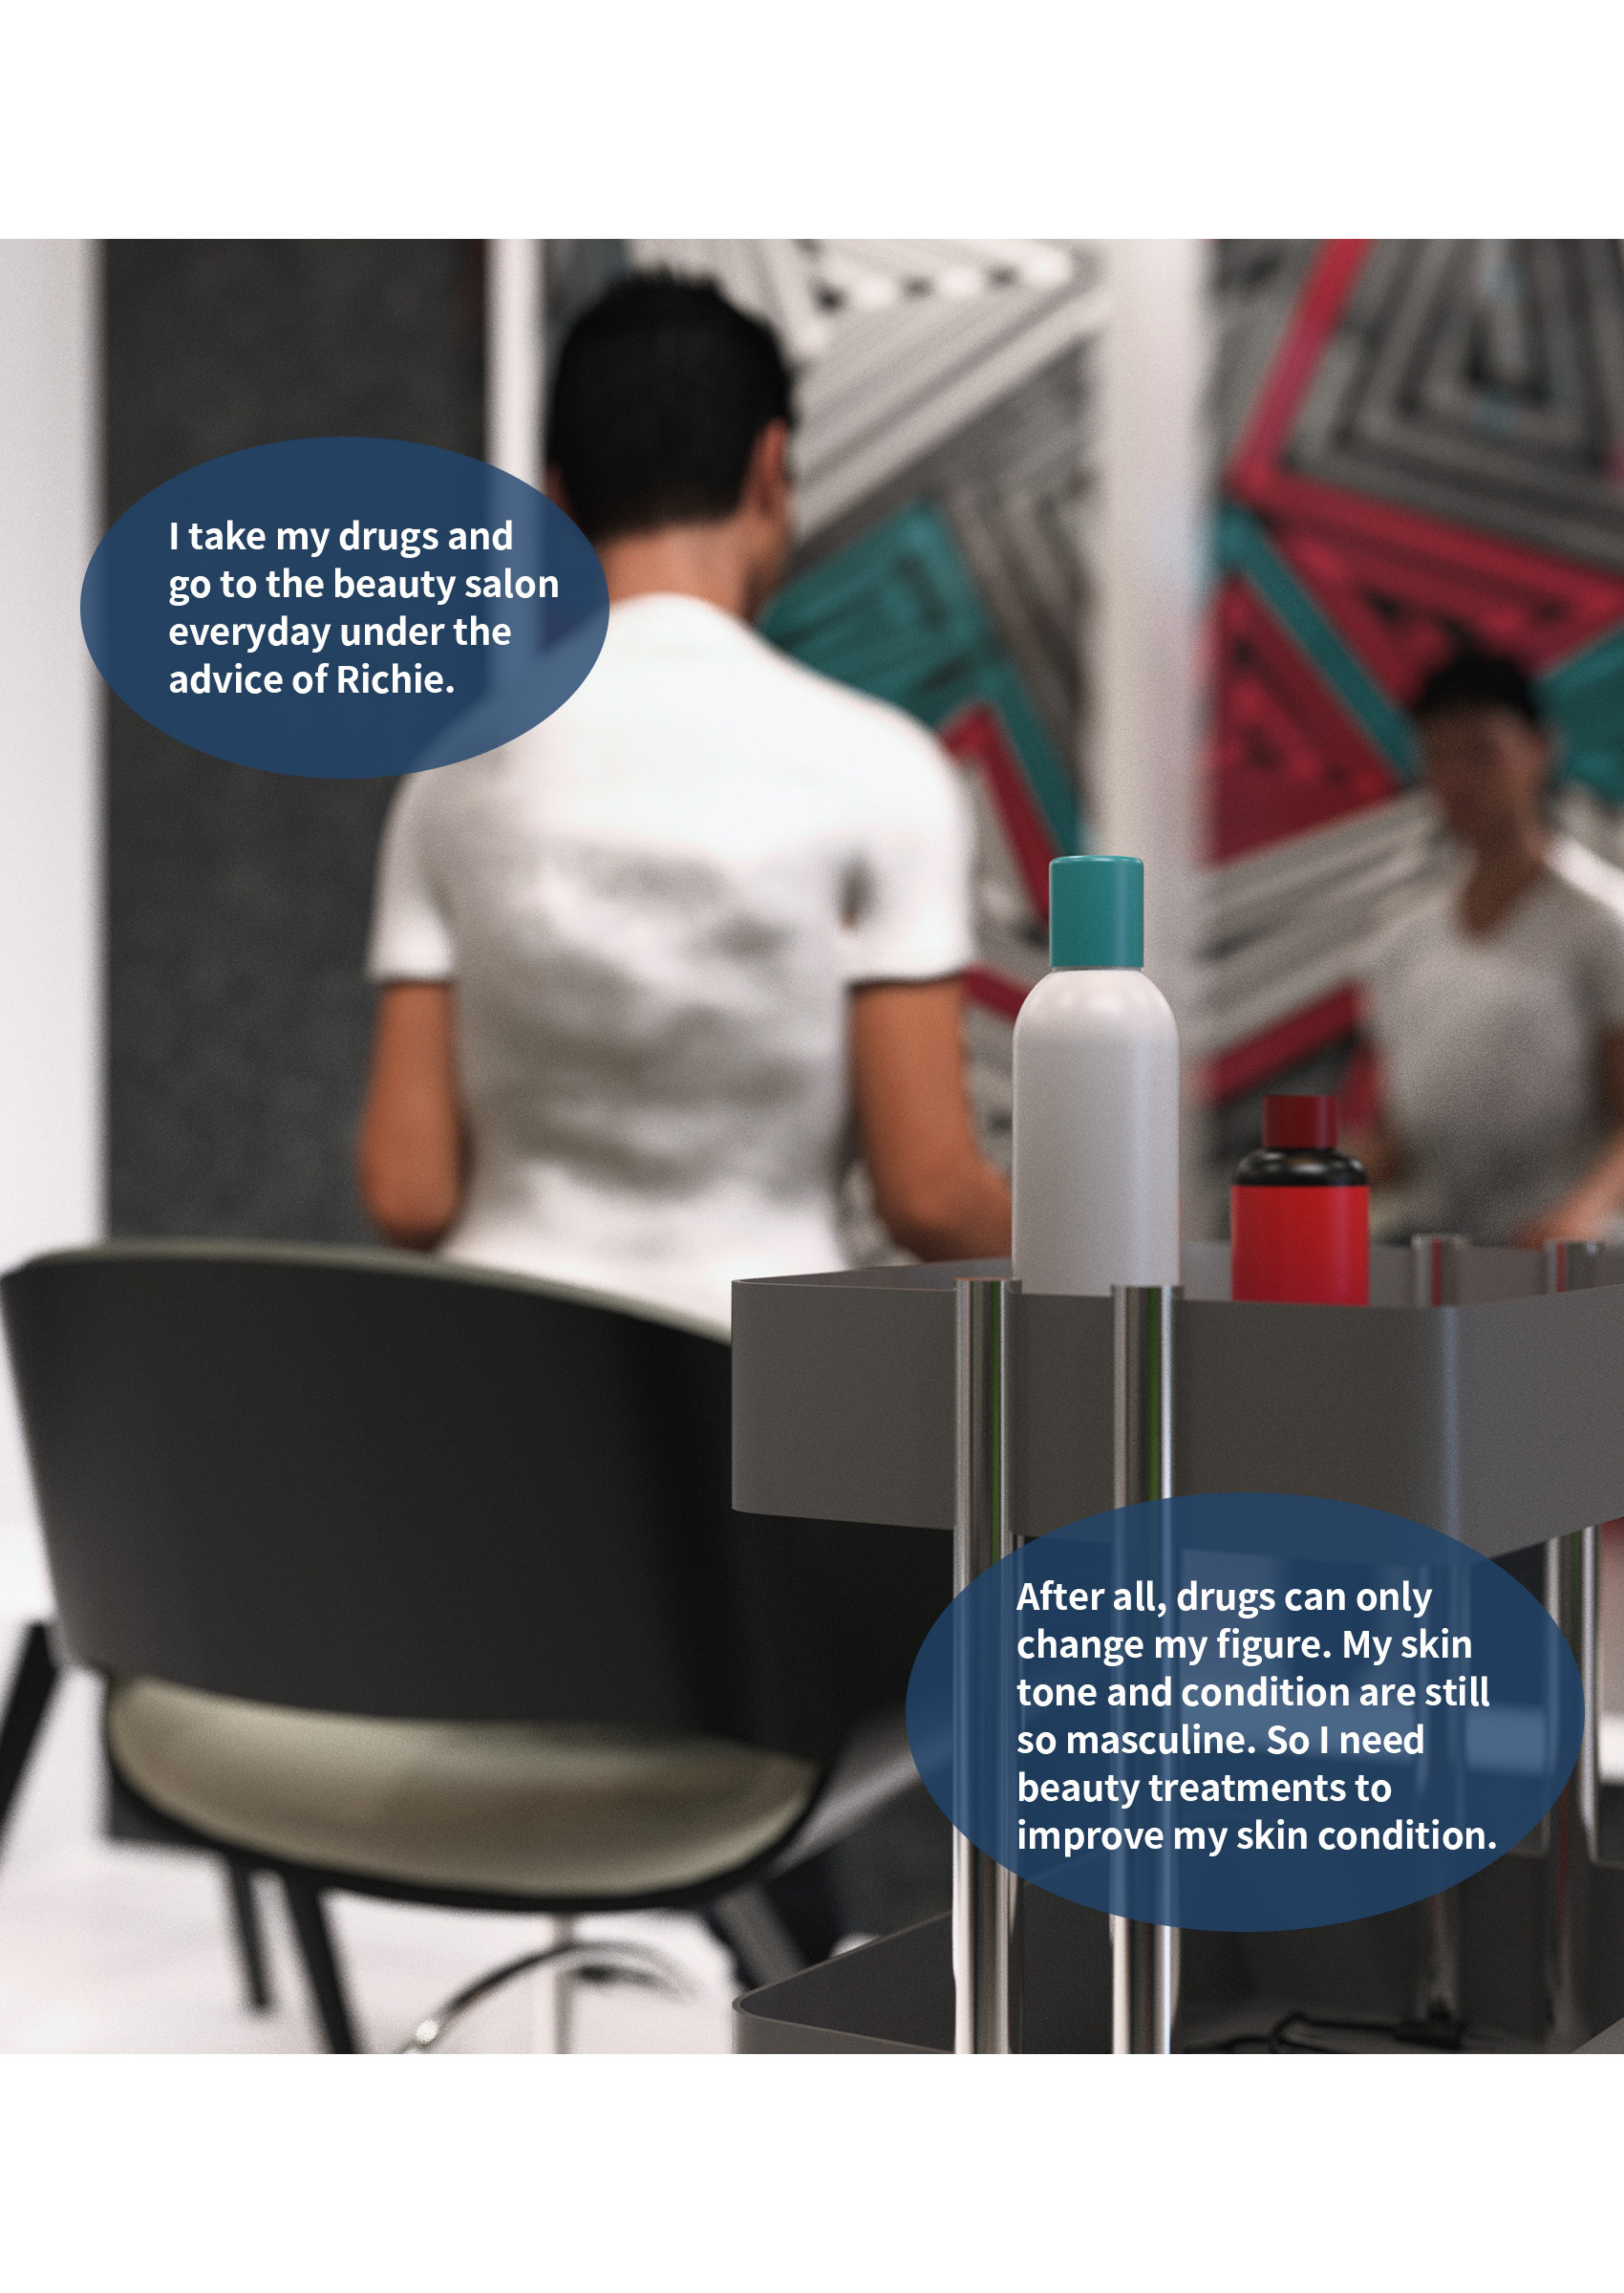

The first thing that changes is my chest. It grows slowly but steadily. My chest becomes so girly.

My nipples are oddly sensitive. The feeling when my nipples rub the shirt makes me blush so now I only wear loose-fitting clothes.

At the same time, my other body parts change too. My waist became slim and I lost muscle.

In the meantime, my butt gets ample, round and tight. My ass got so big that it can't fit in some of my pants.

A man in a white t-shirt is seen from behind, standing at a counter in a beauty salon. The counter holds several bottles of beauty products, including a white bottle with a teal cap and a red bottle. In the background, another person is visible, and the wall is decorated with colorful geometric patterns. A black salon chair is in the foreground.

I take my drugs and go to the beauty salon everyday under the advice of Richie.

After all, drugs can only change my figure. My skin tone and condition are still so masculine. So I need beauty treatments to improve my skin condition.

A man with short dark hair is lying on his stomach on a massage table, eyes closed, receiving a back massage. A female beautician in a light-colored uniform is leaning over him, performing the massage. The background is a dimly lit spa with stone walls and a green light fixture.

At first, I was very worried that a man going to a beauty salon would attract unwanted attention. However, beauticians are very professional.

With their skillful hands, my whole body is carefully treated. My look changes again.

Soon, weeks go by.
I didn't notice but
watching my reflection
in the mirror really
shocked me!

My skin tone is so
fair and my body
becomes so slender.
My skin is so tender
and soft.

After rimming eyebrows
and chemical peeling,
my face becomes
somewhat androgynous.

Aaron, are you
home? Come
here right now!

What's up, dad? Why did you call me?

What? Look at yourself. Shit. You don't look like a man or a woman. You don't look like a real man!

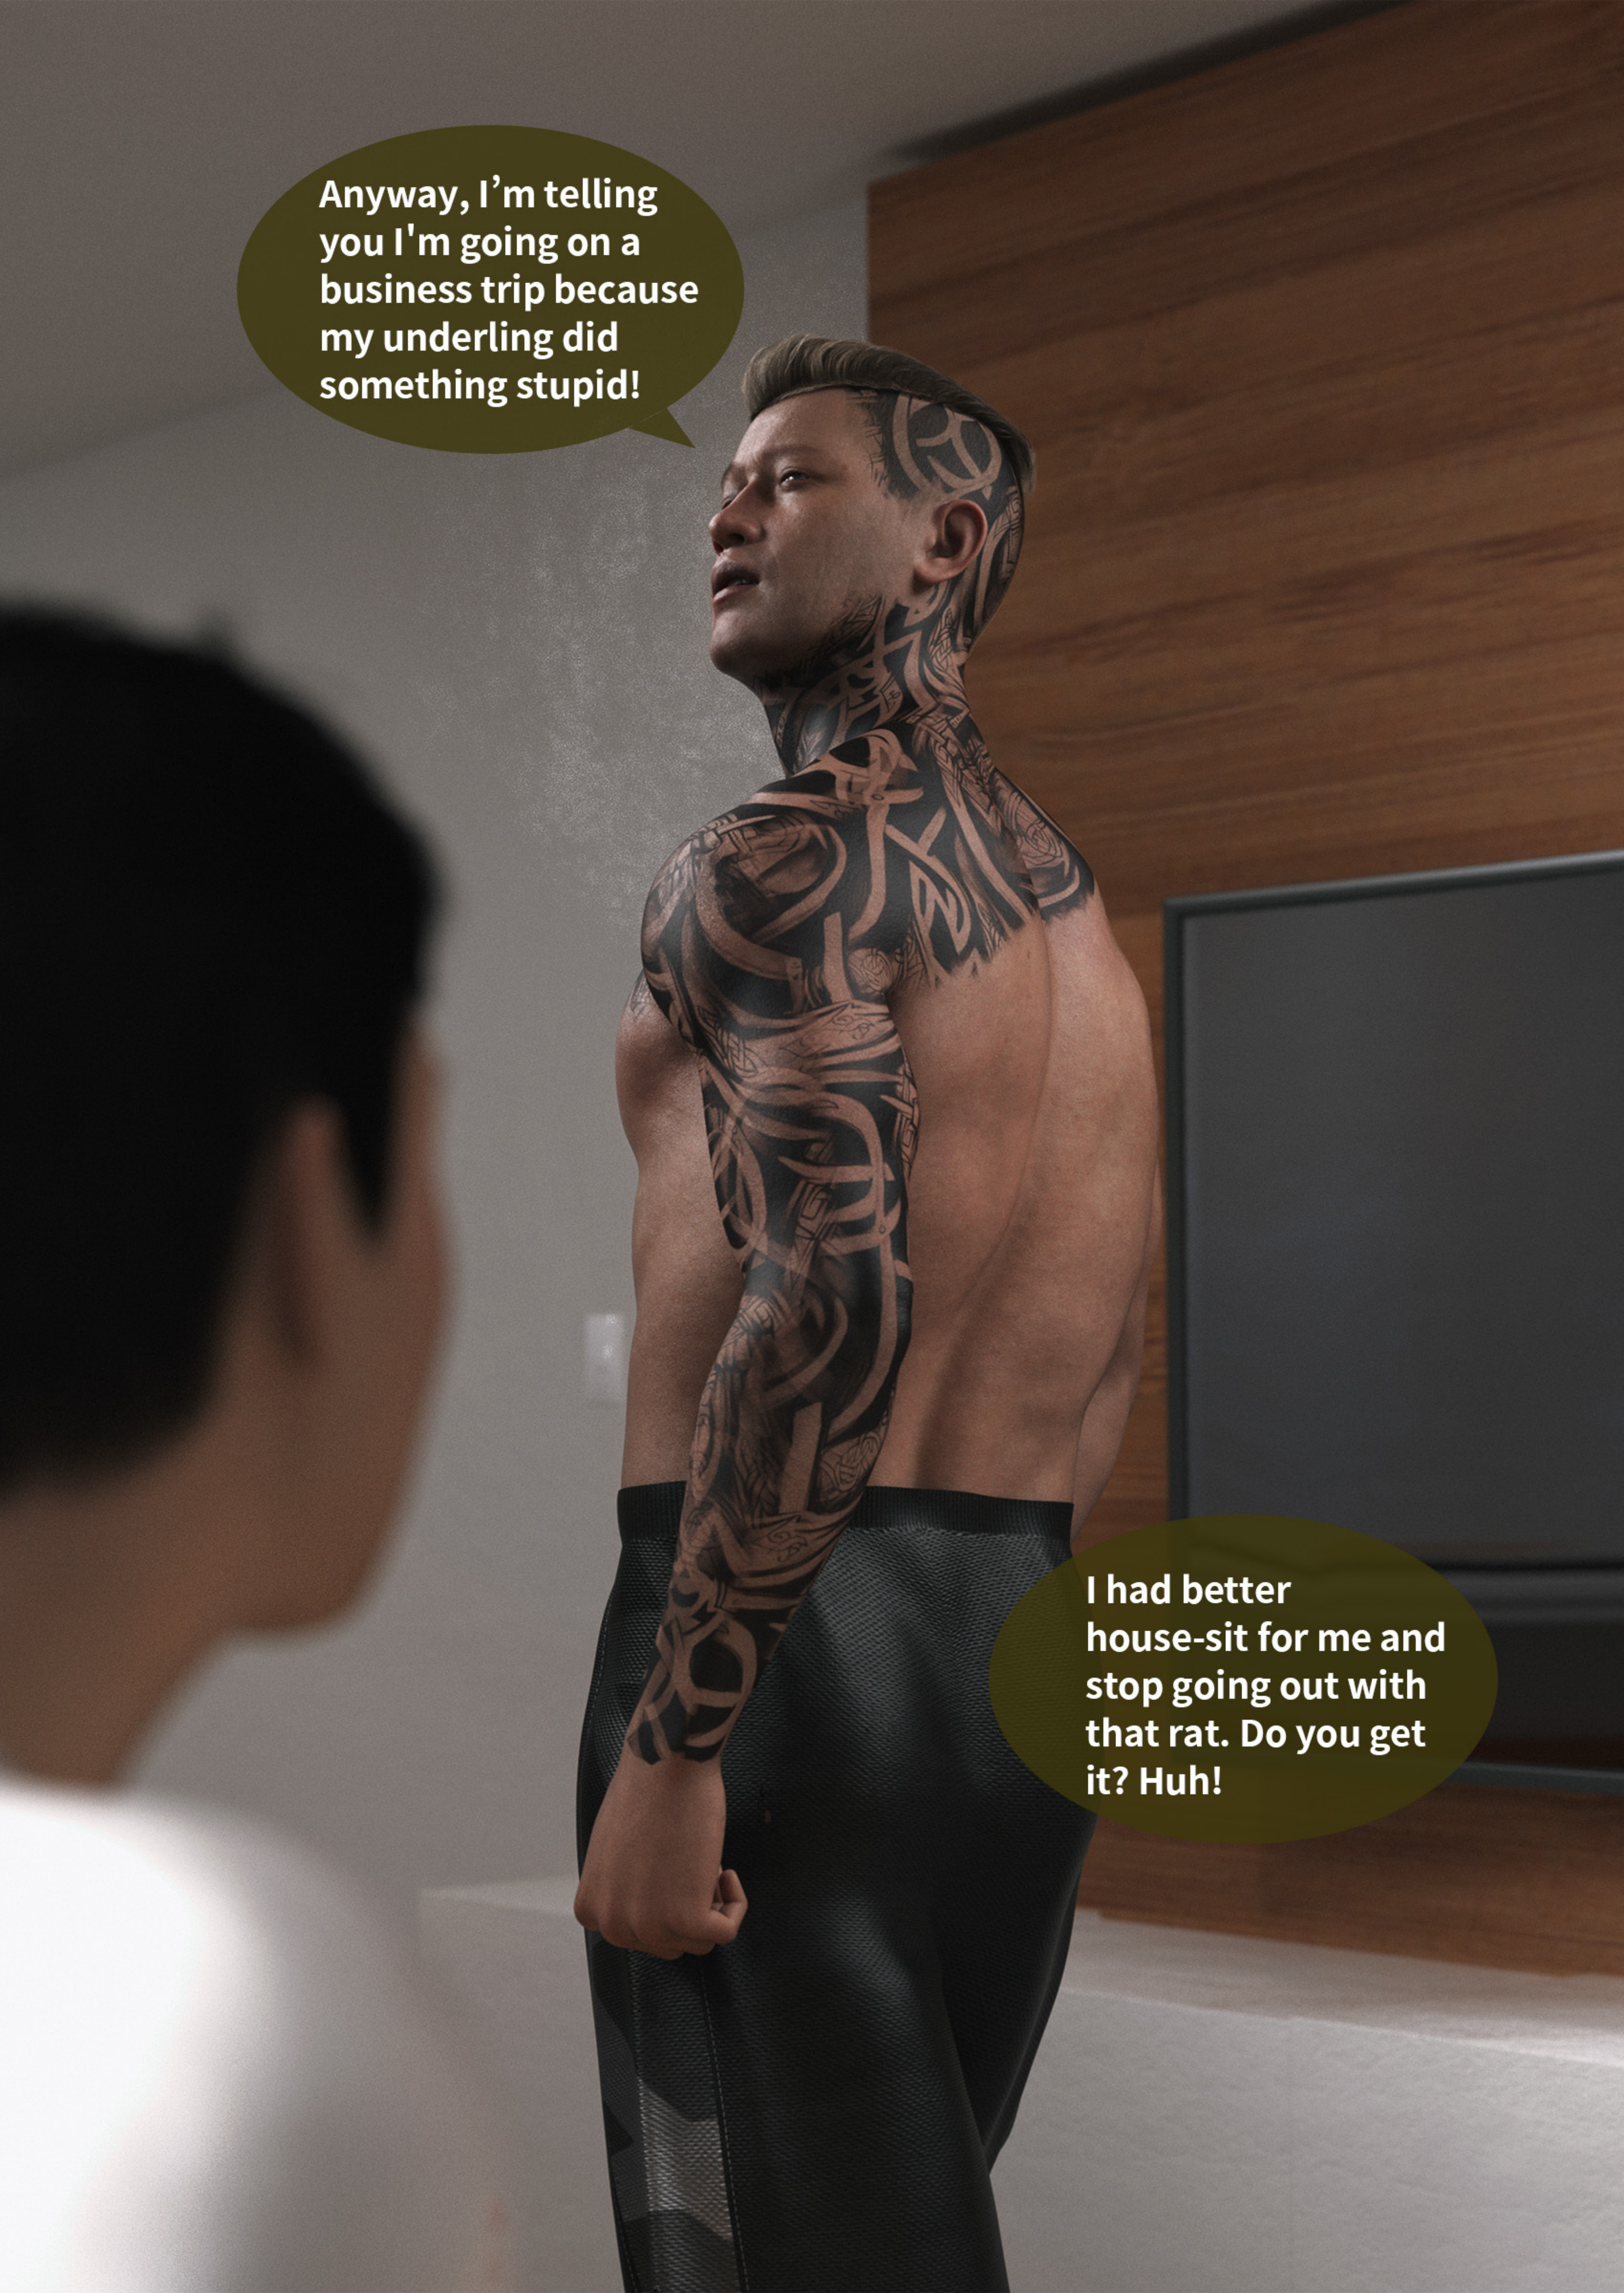

Relax, dad. It's
because...because
I'm...

Well. I'm doing a
school play. It's for
my role!

Huh. School plays my ass. Anyway, men should act like men. I have enough of your sissy bullshit.

Aaron, let me be clear. If you went astray because of your shithead friend, I will beat the shit out of you!

A man with extensive, intricate black tattoos covering his neck, shoulders, and arms is shown in profile, looking towards the left. He is wearing a black mesh shirt. In the foreground, the back of another man's head is visible, looking towards the tattooed man. The background consists of a wall with horizontal wood paneling and a dark grey panel.

Anyway, I'm telling
you I'm going on a
business trip because
my underling did
something stupid!

I had better
house-sit for me and
stop going out with
that rat. Do you get
it? Huh!

A young person with short, dark, wavy hair and red eye makeup is shown in profile, looking down at a glass of milk they are holding with both hands. They are wearing a light grey t-shirt. The background is a blurred indoor setting.

Phew~Thank god I fool dad. If he knew I'm crossdressing, Richie and I will be so fucked!

Thank god that dad will leave home for a while. I can keep taking drugs and stop when he's back.

Dad's not home so it's so easy for me to take drugs and go to the beauty salon. My body changes even more dramatically!

If you ignore my private parts, my figure is totally a chick and even more attractive!

Drugs reduce my body hair. I no longer have beard and leg hair. At the same time, my facial features have changed too.

My face is smooth and meticulous. My lips become plump and watery. I become more and more feminine!

A close-up photograph of a woman's bare chest. Her right hand is resting on her left breast, with her fingers touching the areola. The lighting is soft, highlighting the texture of her skin. The background is blurred, showing what appears to be a room with a lamp and some furniture.

The biggest change is my chest. I had a little bump and now they're obvious cups!

Even my nipples and areolas get larger. Now I have a pair of sexy tits that every man would drool!

For a man, fondling
my own breast is
kind of shameful or
even sick.

Knead

But no man can resist
this pair of pink and
sexy boobs!

**Ohhhhh! No!
They're too sensitive!
My nipples are too
sensitive!**

**As if my nipples
directly connect to
nerves, the sensation
keeps coming!**

My nipples' long and strong pleasure opens a door to a new world for me. It makes me want to try and enjoy my new body.

I'm androgynous and not very good looking. But I love myself in a wig and makeup more.

A close-up photograph of a wooden desk. On the desk, there are several items: a pair of silver tweezers, a black mascara wand, and a black box of false eyelashes. The box is open, showing two pairs of false eyelashes. The background is slightly blurred, showing a lamp and a window.

It's so lucky that in the last month, Richie taught so many makeup skills and his makeup artist sister shared some know-how with me.

I didn't know anything about cosmetics. After trial and error, now I can put on perfect makeup!

Crossdressing somehow turns me on. I feel like a kid doing something naughty but I also feel proud and sense of achievement at the same time.

Watching myself in the mirror, I'm gorgeous and sexy. I feel excited and shameful. My body is burning hot!

A 3D rendered woman with dark hair in a bun, standing nude in a bedroom. She has a confident expression, with one hand on her hip and the other near her face. The room features a dark wood door, a bed with white pillows, and framed pictures on the wall. Two blue speech bubbles contain text.

It's kinda weird to say but I'm so beautiful and lovely!

Watching an enchanting nude lady standing right in front of me makes me so nervous and turned-on! He he!

Besides, it feels like cheating. Don't get me wrong, Ava. I'm not cheating. I'm just enjoying myself!

A boyfriend who likes jacking off in women's clothes is more acceptable than being a two-timer, right? Ha Ha!

I feel so turned-on
but my cock doesn't
react at all.

It's waiting for Erin's
pretty hands to stroke it.

Um ah...My body is
so hot. My cock...My
cock wants more!
The confusion...

Caress

I'm a boy who
enjoys a handjob
from a chick but I'm
that chick giving the
handjob. Um ah...

Um ah ah ah! My
dick...dick is
getting hard!

Erin, your hands are so
amazing. You make me
feel so comfortable!
Don't stop.

A close-up photograph of a person's hands holding a red vibrator against their clitoris. The person is wearing a red strapless top. The background is a white patterned surface.

Um ah! I'm so naughty. I dress up as a girl and jerk off!

The excitement and pleasure are unprecedented. It's so sensation!

Oh oh oh! I'm so naughty. I'm not only crossdressing but also grabbing a cock!

Erin is such a slut!
Well. You're actually a disguised pervert!

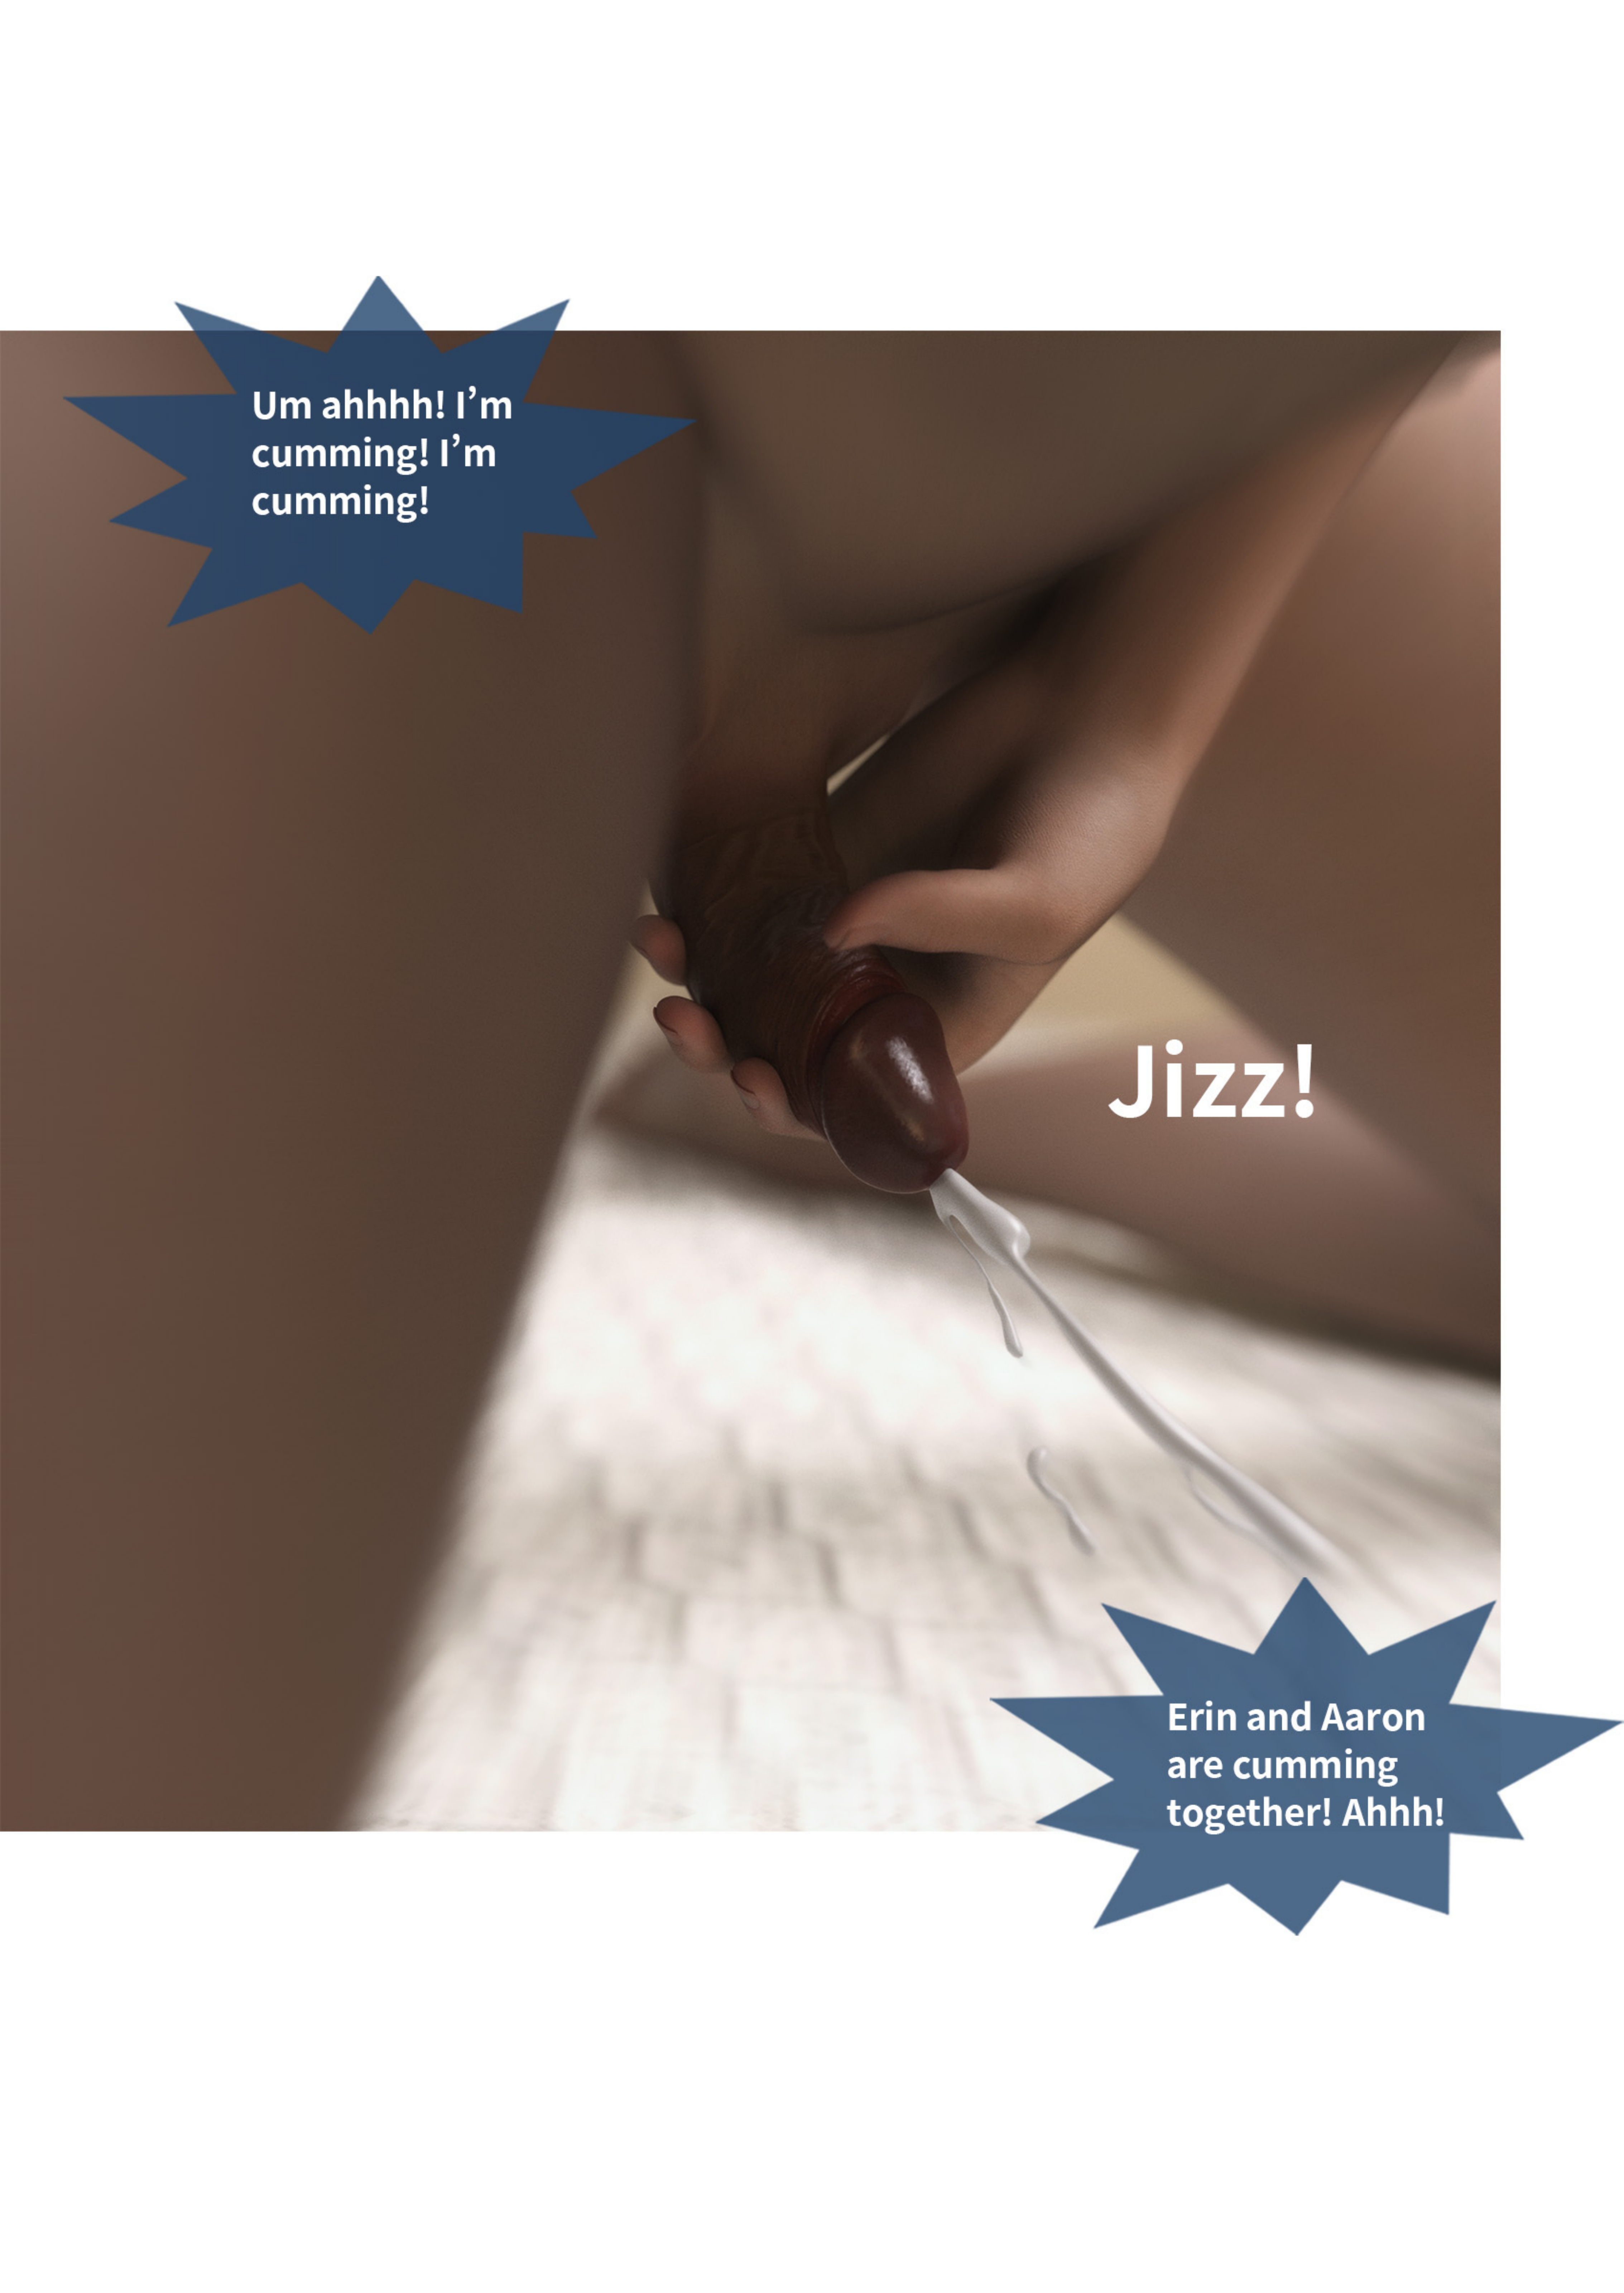

Erin...Erin is such a skank. You're the best! I want to use my cock to fuck you so bad.

Erin loves it too. You want to be fucked by your own cock, right?

Oh no. I feel so awesome! I'm Aaron and I want to use my dick to fuck women!

I'm Erin who's cock addicted pervert sissy!

Um ahhhh! I'm cumming! I'm cumming!

Jizz!

Erin and Aaron are cumming together! Ahhh!

Phew! The orgasm was so nice! I'm a man and a woman at the same time. The confusion is very sensational!

I feel that I was quite creepy but the thrill is so irresistible!

I did feel so great mentally but my cock was not as hard as before and the climax was so-so.

Did drugs cause this? Well. When I stop taking drugs, my penis will be back to normal!

After the crossdressing
masturbation, I fell in
love with the feeling of
being a girl and wearing
women's clothes.

Sometimes I forget
that crossdressing is
for Ava, my girlfriend.

Because of drugs and me
caressing my breast, it
becomes weirdly sensitive.
When my breast rubs against
my shirt, the strong
sensation makes me can't
stand straight.

So I started to wear
sexy bras. My
crossdress level goes
to another level.

I'm used to cute styles.
Now I take on the challenge
of trying on a more mature
and sexy style.

Thanks to my
crossdress work,
changing my makeup
and style is not
difficult for me!

Since I put on a bra, I
also put on the
matching panties.

I have to admit that
my round and tight
ass in the sexy
panties really makes
me turned-on!

A woman with long, dark, wavy hair is standing in a modern living room. She is wearing a purple lace bikini. She has her left hand on her hip and her right hand near her neck. The room features a grey sofa, a wooden coffee table, and a metal grid shelving unit in the background. The lighting is warm and ambient.

The more work I put
into crossdressing the
more surprise I get!

Look at me! I'm so
captivating. No one
would believe that
I'm just a regular
college boy.

**Of course, the only
giveaway is my
cock. Well. It's the
best I can do!**

**The feeling of my
cock wrapped by
women's lace panties
still turns me on!**

I put my mind into picking clothes and a mature makeup style. I look so different!

Now I have a more appealing figure, it gives me the courage to wear more exposing clothes. I still have a small bulge in my private parts but no one would notice that!

Ava, Richie or dad, I'm afraid that none of them can recognize me!

No man would believe the attractive OL is actually male undergrad.

Ha ah~ I'm so
breathtaking and sexy.
Somehow I have become
so narcissistic.

It's not my fault. I'm
just so good looking
when I wear women's
clothes. I can go out
without any problem.

Just like I expected,
even though I have a
tiny bump on my
skirt, no one realizes
that I'm a man!

Sometimes passersby
look at me. They're
always men who can't
help but to check me out.
Their eyes are filled with
love and appreciation!

I'm caught up in the novel experience of getting around in women's clothes. I wandered into a building.

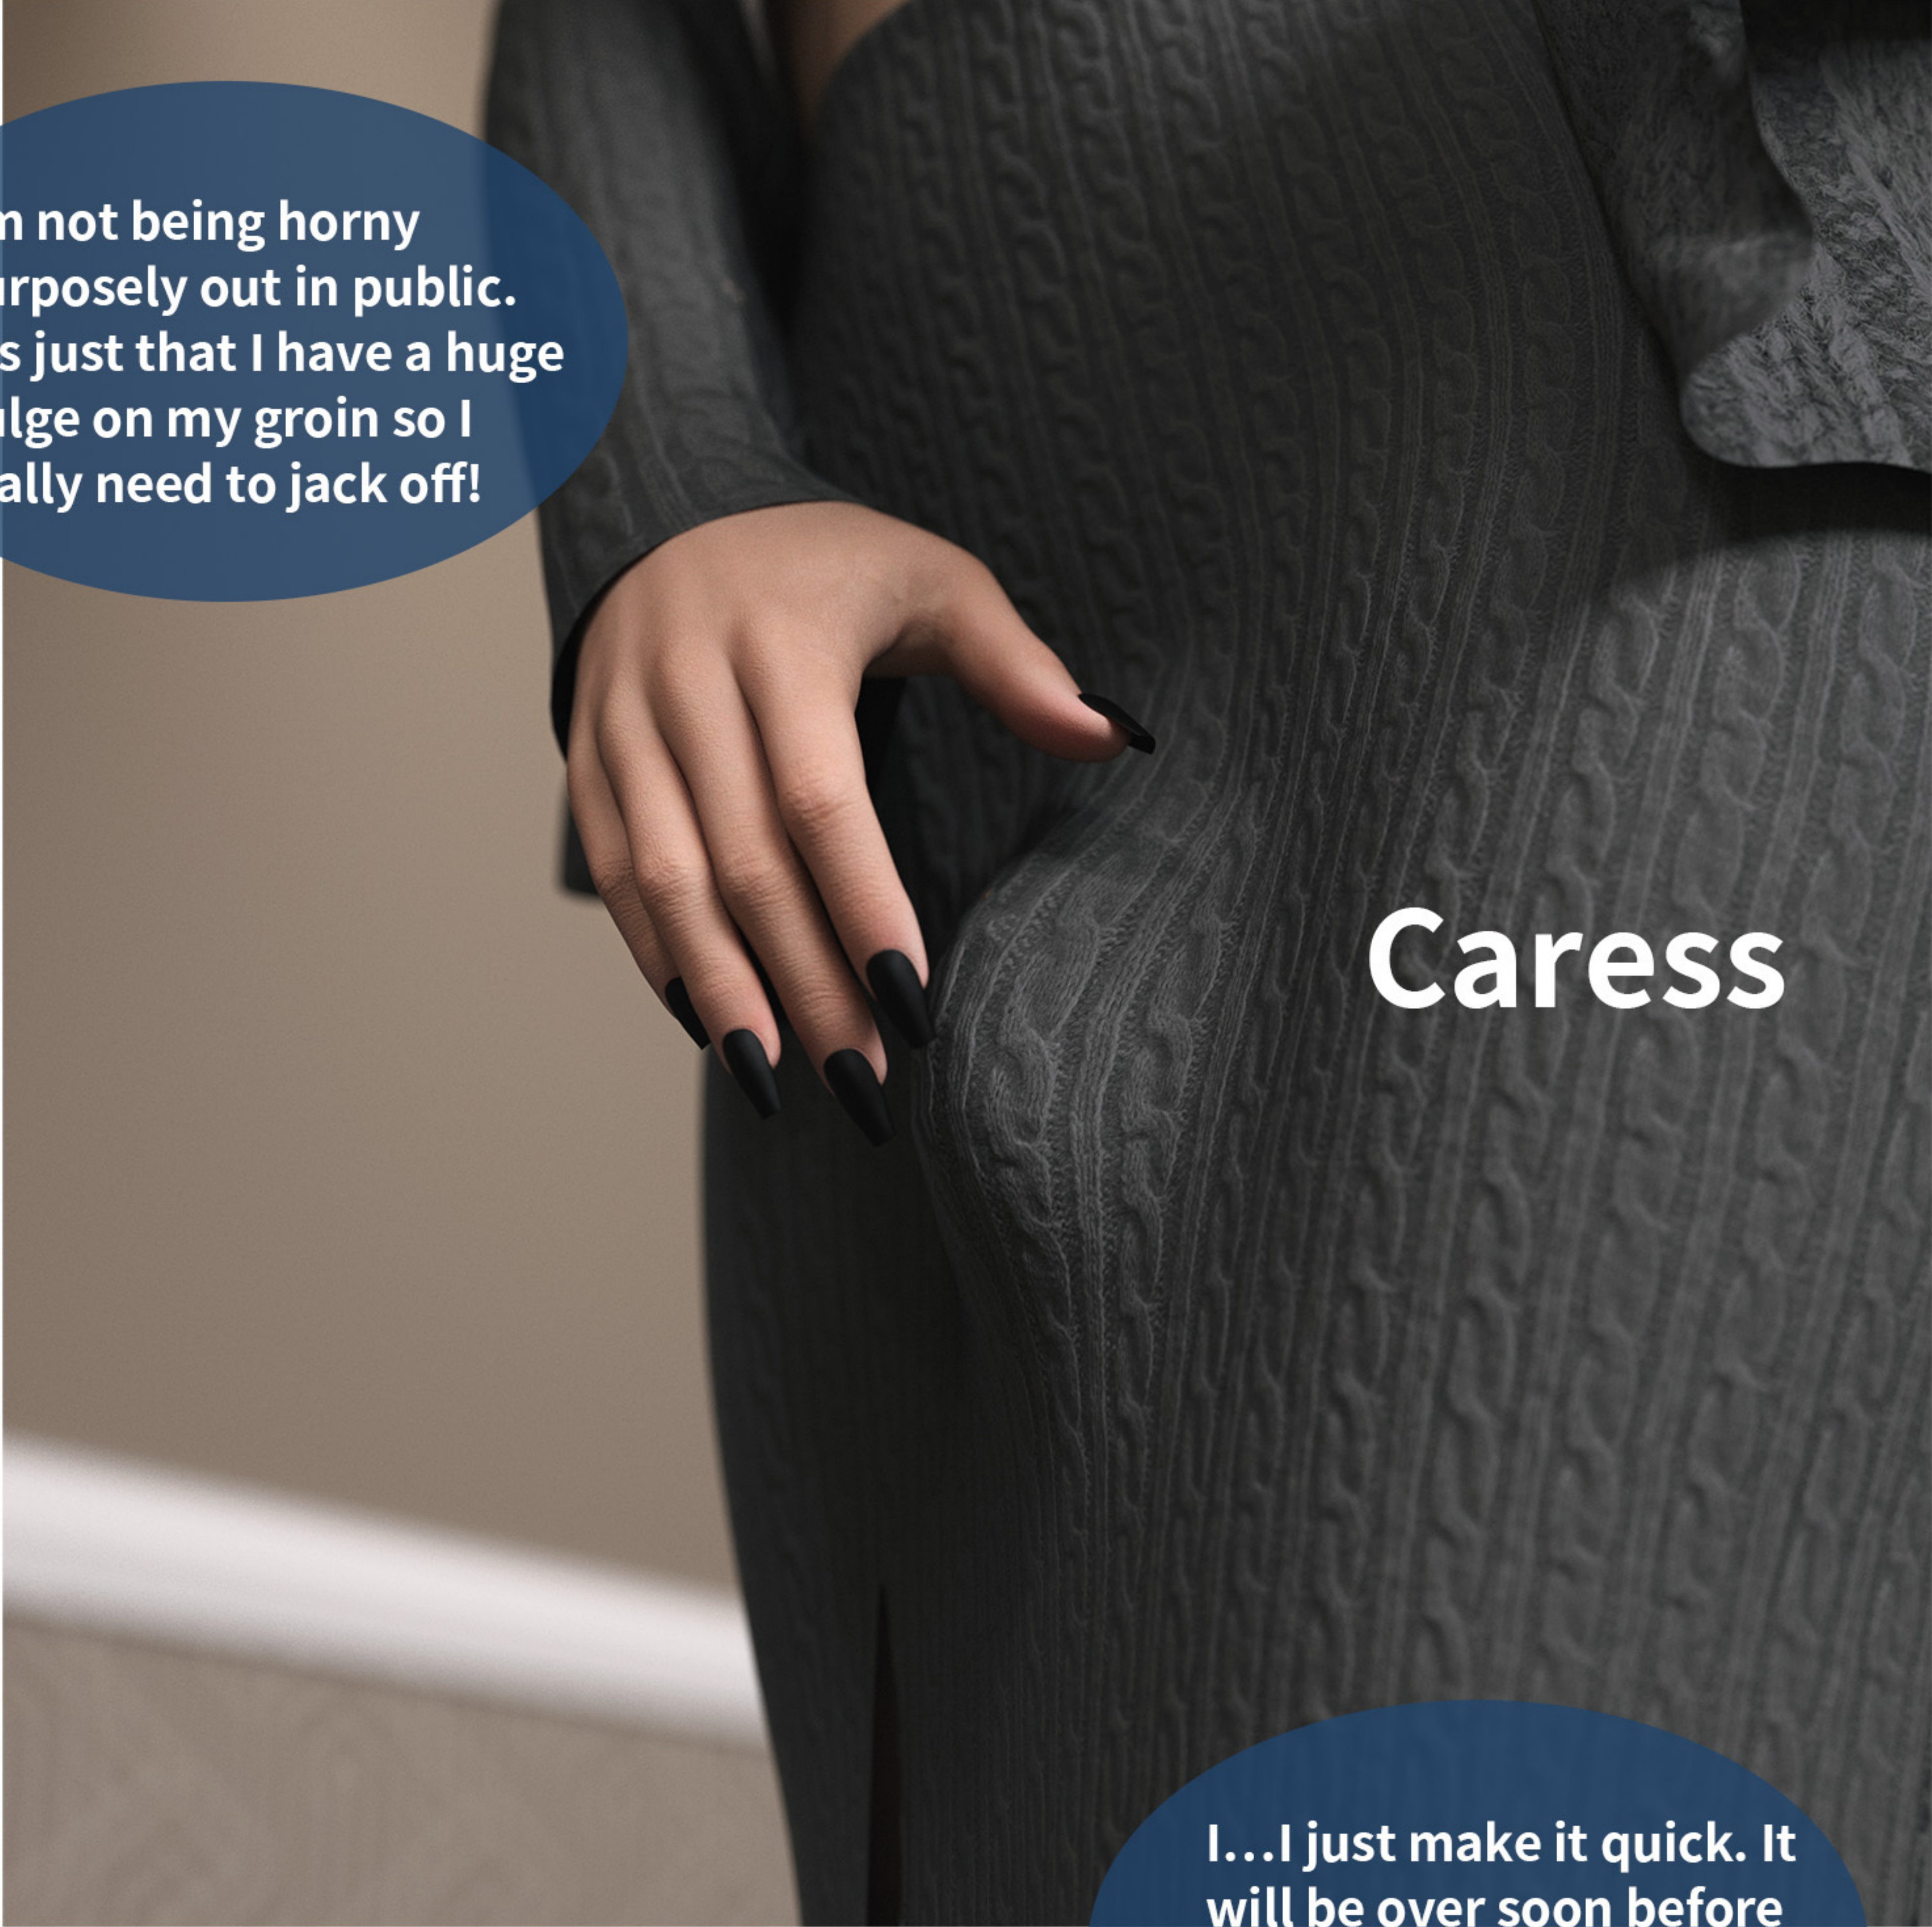

The early crossdress experiences make me feel so electrifying so I have an idea.

Psst...My crossdressing is so perfect and no one notices me. Suddenly I feel so horny!

That group of people behind me are focusing on chatting so they won't look in my direction, right? I...I can't hold on any longer. Even though I'm in a public place.

A close-up photograph of a person's hand with black nail polish resting on their groin. They are wearing a dark, textured, cable-knit sweater. The background is a plain, light-colored wall.

I'm not being horny purposely out in public. It's just that I have a huge bulge on my groin so I really need to jack off!

Caress

I...I just make it quick. It will be over soon before anyone notices that a sissy pervert is jacking off here!

Um...Ever since I take the drugs, my cock shrinks and is less responsive. I haven't had my morning wood for a while.

Now I have to put on girls' clothes and makeup and then I will have an erection.

The stroking doesn't make me have an erection, only wearing women's clothes does the trick!

Stroke

On my way here, I have a very strong hard-on in my lace panties and my precum even wet my panties!

Oh oh oh oh!
Just like this. My
cock is not that
hard...

But I'm jacking off in
women's clothes and
in public, my cock
just keeps cumming!

**Um ah ah ah!
What should I
do? I can't stop
crossdressing!**

**I'm addicted to
women's clothes.
My body can't have
an orgasm without
crossdressing!**

A man with short brown hair, wearing a dark grey V-neck sweater over a white and black checkered collared shirt, stands in a brightly lit hallway. He has a worried expression and his right hand is raised in a gesture. In the background, a person in a blue shirt is walking away. The scene is captured in a cinematic style with soft lighting.

**Excuse...Excuse me.
Madam, are you ok?**

**I have been watching
you for a while. You
stand here alone for
quite some time. Do
you feel sick?**

Ah! I'm...I'm fine.
Please...Please
don't come any
closer!

Because...
Because I'm...!

A close-up photograph of a person's hands holding a red vibrator. The person is wearing a dark blue, cable-knit sweater. The background is blurred, showing what appears to be a bathroom setting with a white sink and a mirror.

Cumming!

**I'm cumming!
Ah ah ah!**

Wow! Madam...
Madam, are you
ok? Please don't
run away!

I...I feel so awesome!
Crossdress and jacking
off in the public feels so
amazing! The sensation
is very addictive.

Finally...today is
the day!

I will go swimming with Ava. I prepared so much for this day. My new body can totally pull off women's swimsuits!

I have to connect with Ava as a woman so I really need to put my mind into my makeup.

Richie told me that Ava prefers to chat with sophisticated ladies than people her age.

So I will wear a mature dress and tall boots. They will bring out my strong suit that's my height!

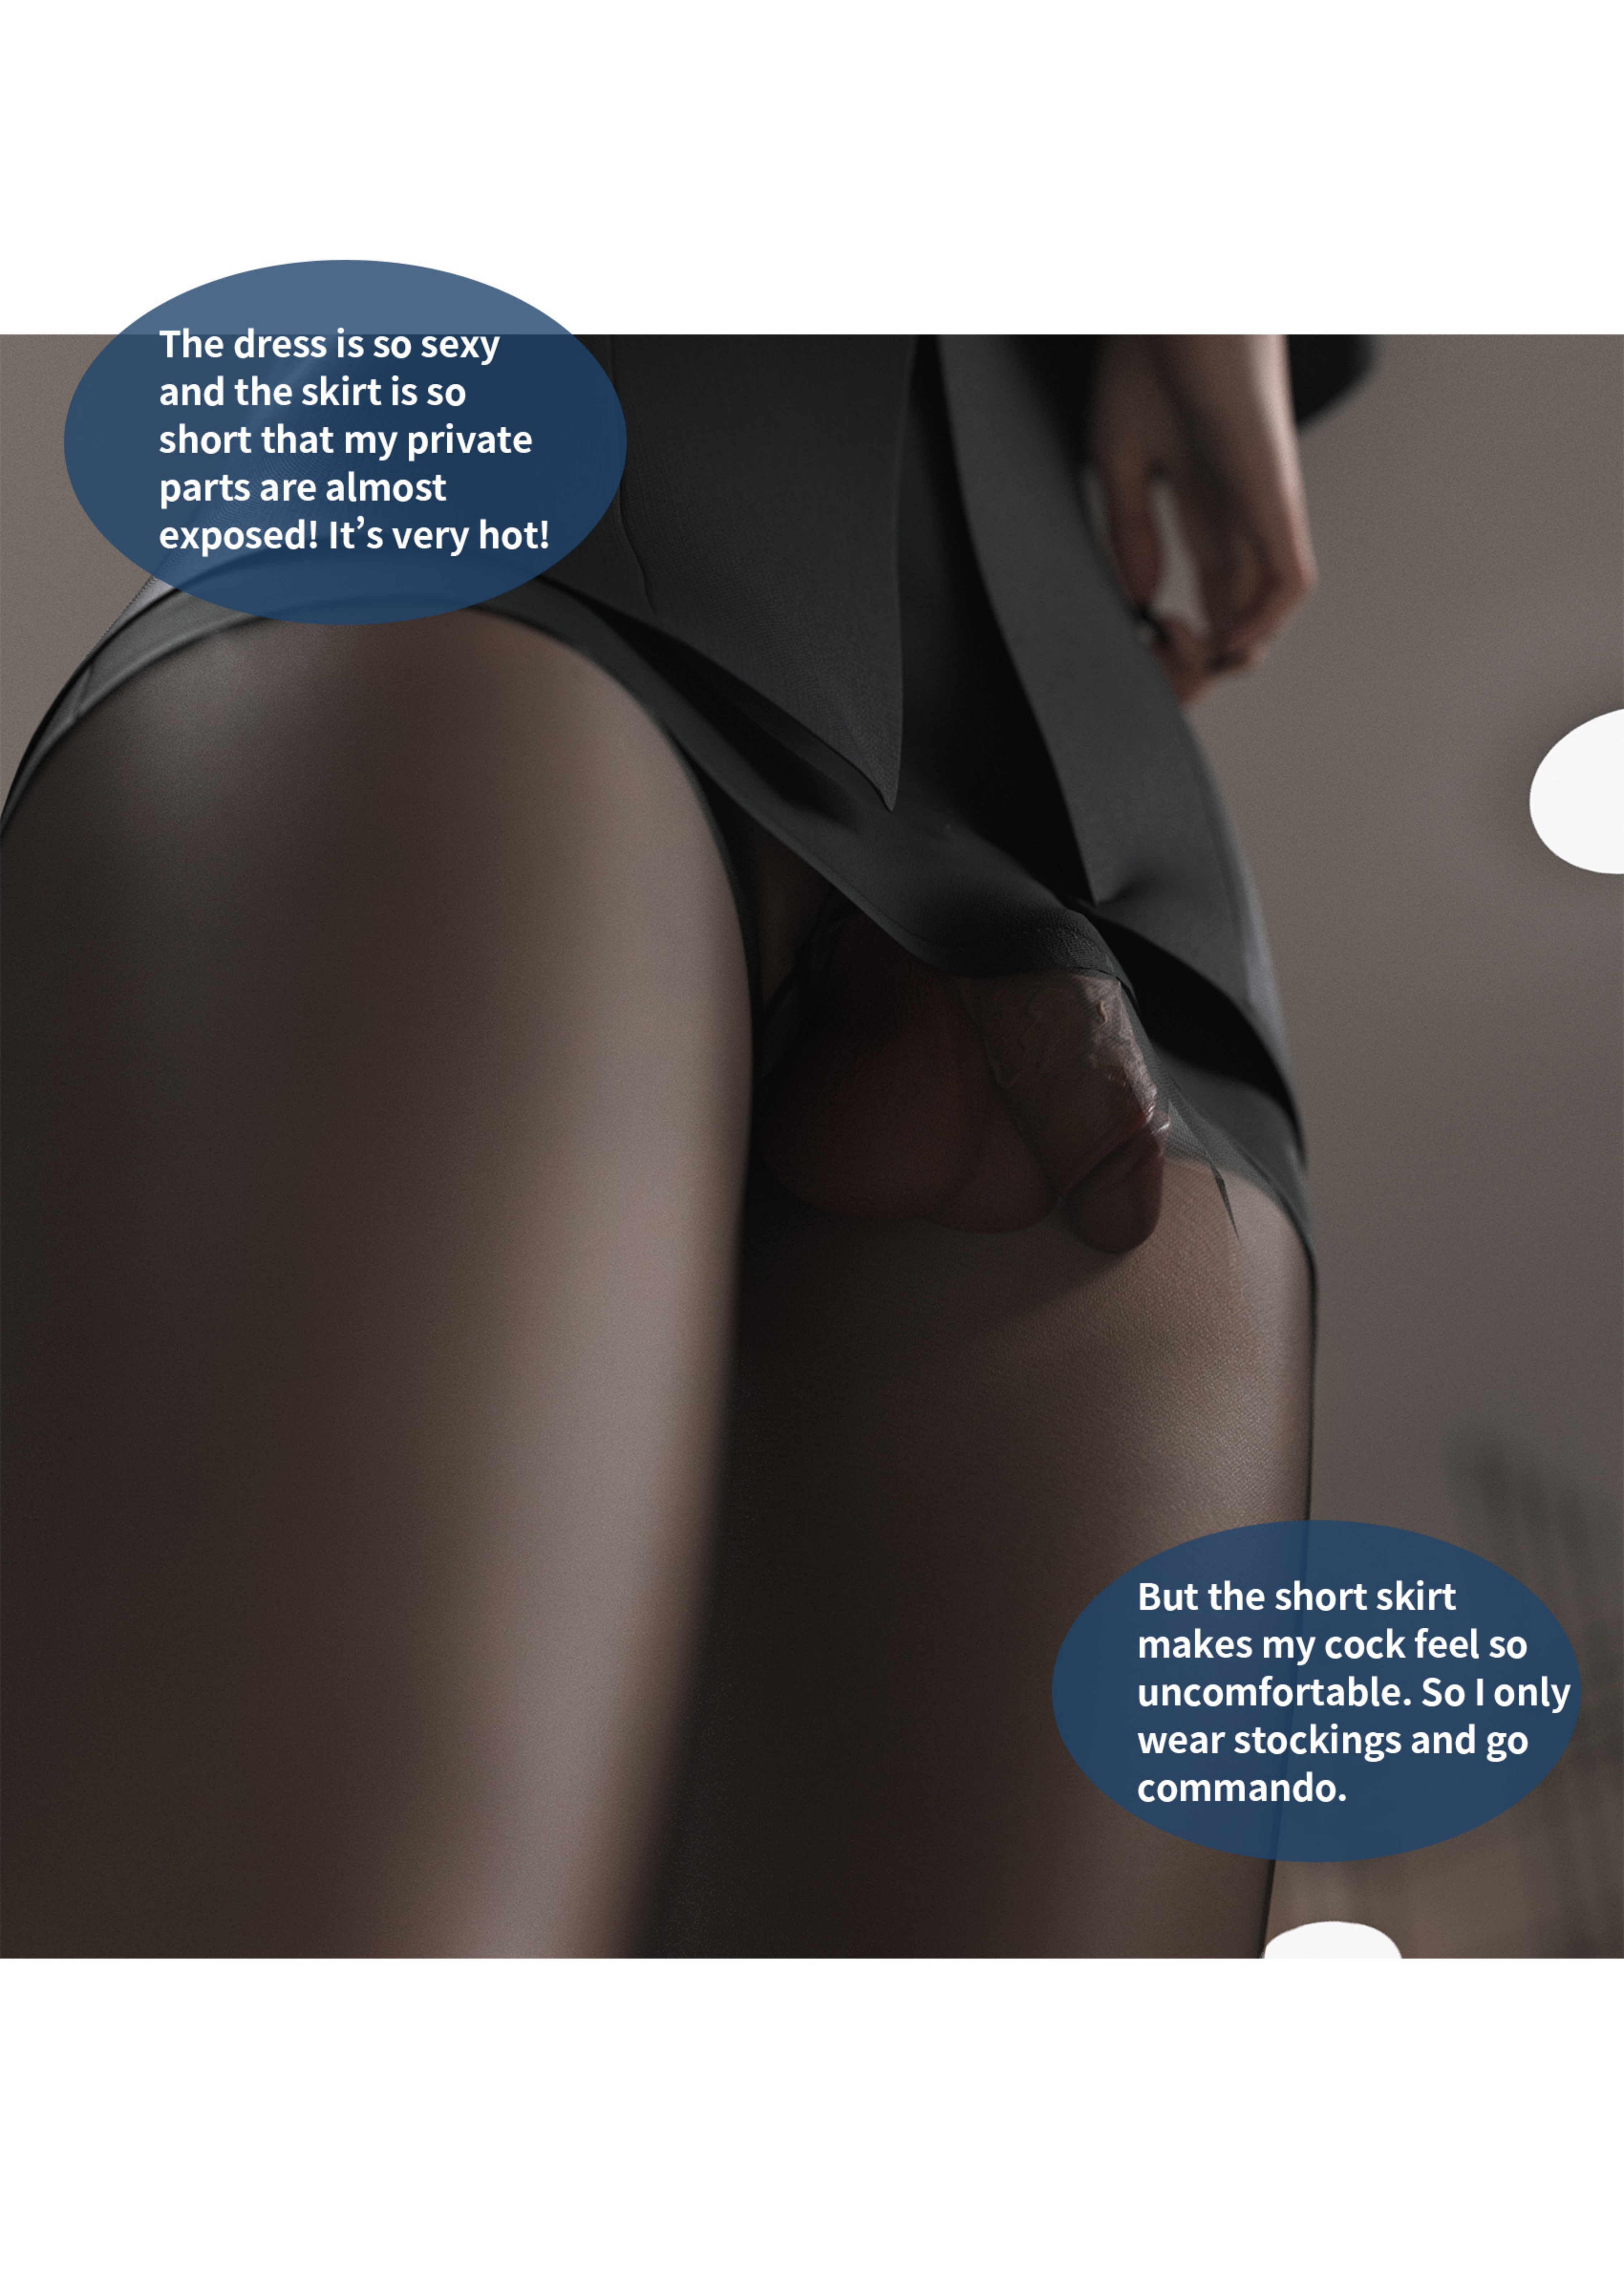

This time I'm going to put on a blonde wig and light color cosmetic contact lenses. Now I have the fashion biracial feeling!

The mature and freckles makeup makes me so captivating!

Watching myself
makes me can't help to
say that I'm really
good at crossdressing!

I look so much better
than the last time I
met Ava. I have full
confidence that no one
will recognize me!

A close-up photograph of a woman wearing a dark, short, sleeveless dress. She is adjusting the hem of the dress with her right hand. The background is a plain, light-colored wall. Two white circular lights are visible on the right side of the image.

The dress is so sexy and the skirt is so short that my private parts are almost exposed! It's very hot!

But the short skirt makes my cock feel so uncomfortable. So I only wear stockings and go commando.

However the dress makes my ass so tempting so I can deal with going commando.

I wonder how many men would check me out with lust. Huh huh...

Um ah! Just thinking men can't take their eyes off me makes my body get so hot...

I really...I really want to go out, crossdress and fap in the public!

A close-up photograph of a person's lower body, specifically the crotch area. They are wearing black, sheer stockings and black underwear. A hand with black nail polish is shown touching the crotch area. The background is a plain, light-colored wall.

Without the underwear, my cock is wrapped by stockings. The feeling is so sensational!

Touch

Every fondling brings the electric, tight and silky pleasure.

Um ah ah ah! my
cock...cock is
erecting in the
stockings!

Erection!

My cock is going to
burst out from my
stockings. The tightly
wrapped feeling!

**I feel so great!
Jerking off and
crossdressing at
the same time is
the best!**

**I want...want to
cum in the
stockings so bad!**

Oh...No. I have to hold on and not to cum. If I cum, I will have to change my clothes.

If that happens, I would be late. I need to meet Ava on time!

Let's see. Do I forget anything?

A woman with long, wavy blonde hair is standing in a modern, brightly lit room. She is wearing a black, long-sleeved, button-up blazer over a black, low-cut top, paired with a black, high-waisted, short skirt. She is also wearing black tights and black, knee-high boots. She is holding a small, black, rectangular handbag in her left hand. The room has a light-colored tiled floor, a white wall, and a large, dark, framed picture on the wall to the left. A television is mounted on the wall to the right.

Time for Erin to shine! I wonder what their reactions are when they see me so beautiful?

It will be so nice that I can have a break to secretly jack off.

Well. We should meet
in the lobby, right?

It's very crowded.
I would be very
nervous because I'm
crossdressing.

However I'm not nervous at
all. My disguise is perfect. The
possibility that I may be
caught makes me a little bit
turned-on!

A man with light brown hair, wearing a white dress shirt, a dark striped tie, and dark trousers, stands in a conference room. He is looking towards a woman in the background. The woman is wearing a black business suit and has her hands clasped in front of her. The room has a long table covered with a white cloth and a wall with a marble pattern.

Oh? Richie is here.
He's so thoughtful
and he never kept
girls waiting!

However Ava is not
here. I'm going to
meet my girlfriend
in girl's clothes so
I'm nervous.

I wonder if Richie can recognize me? He's the guy who helps me to crossdress so maybe he can?

But my crossdress skill improve a lot these days. Why don't I make fun of him and test?

Cough cough. Hi, are you alone or waiting for someone?

I get stood up so I want to find someone to kill time with. Can you go to the cafe and chat with me?

A man with light brown hair, wearing a white dress shirt and a dark striped tie, stands in a meeting room. He has a surprised expression, looking towards the right. In the background, a woman with long blonde hair is seen from behind, and another person in a dark suit is partially visible. The room has a grey wall and a whiteboard.

Huh?! What...
What? I'm going to
meet up with my
friends.

However... I
guess that I can
squeeze a few
minutes for you.

A man with short brown hair, wearing a white long-sleeved shirt and dark trousers, is seen from the back, looking towards a woman. The woman has long, straight, light-colored hair and is wearing a black, form-fitting, long-sleeved top with a deep V-neckline and a matching black skirt. She is also wearing black high-heeled shoes and has her hand on her hip. She is holding a small black handbag with a chain strap. The background is a dark, textured wall, possibly a hallway or a room with stone walls.

Ha ha ha! Richie!
What a dog, man!

It's me! It's me!
I'm Aaron. So, you
didn't recognize
me, right!

A man with light brown hair, wearing a white dress shirt and a dark tie, is looking towards a woman with long, straight blonde hair. He has a surprised expression on his face, with his mouth slightly open. The woman is seen from the back, wearing a dark suit jacket. The background is a blurred indoor setting.

**Are...Are you
Aaron?! For real!**

**For god's sake,
you become so
beautiful. I didn't
recognize you!**

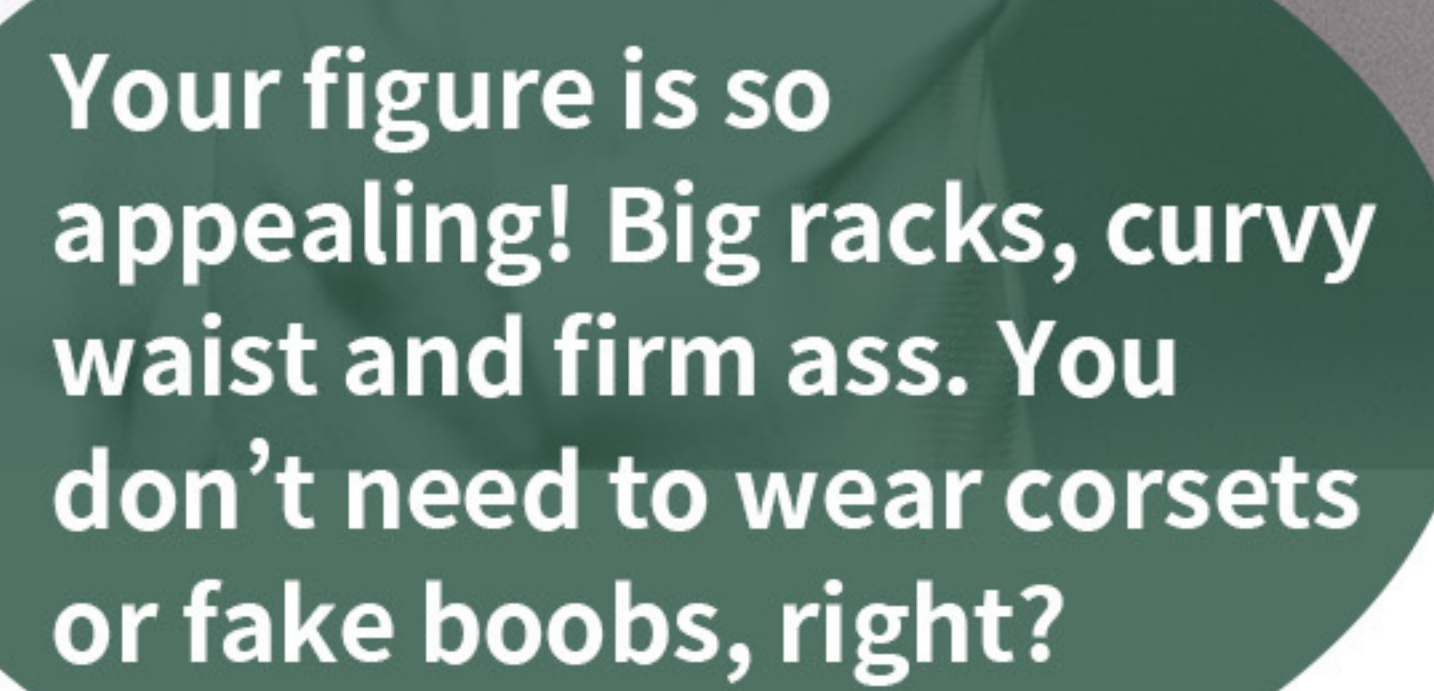

A woman with blonde hair, wearing a black long-sleeved top with a cutout, a black skirt, black stockings, and black high-heeled boots, stands in a city at night. She is holding a black handbag with a chain strap. She is looking towards a man in a white shirt who is seen from the back. The background shows city lights and a building with a large sculpture.

Well well. I have worked really hard. Not only do I take the drugs you gave me but also bone up on crossdress skills!

So, do I look like a mixed top model? I'm as attractive as last time we met.

A man with light brown hair, wearing a white dress shirt and a dark striped tie, is looking towards the camera with a slight smile. He has his hands raised in a gesture. In the background, a woman in a dark suit is blurred. A dark green speech bubble is positioned in the upper left corner of the image.

Yes! You're so attractive. Your look is pretty and sexy. No man can resist you!

A dark green speech bubble is located in the lower right corner of the image, overlapping the man's shirt and the background.

Your figure is so appealing! Big racks, curvy waist and firm ass. You don't need to wear corsets or fake boobs, right?

A woman with long, light-colored hair is shown from the back, wearing a black, short-sleeved, form-fitting dress. She is posing with her hands on her hips, looking slightly to the right. The background is dark with several out-of-focus, warm-toned lights, creating a bokeh effect. Two blue speech bubbles are overlaid on the image, containing text.

Absolutely. Every part of my body is real. Check out my sweet ass. I didn't put in any pad!

To be honest with you, having a hot body is very troublesome. I can't wear my old clothes. Huh huh~

A man with blonde hair, wearing a white dress shirt and a dark striped tie, stands in the foreground. He has a slightly nervous or questioning expression. Behind him, a woman with long, wavy, light-colored hair and a black, low-cut dress stands with her hand on his shoulder. The background is dark and out of focus, suggesting an indoor setting with some ambient lighting.

With my new appearance, even when I put on a swimsuit, Ava can't recognize me, right?

Of course, there's no way that Ava would believe the hot chick is her own boyfriend!

Click click—

Um? Did someone
say my name?

A man and a woman are walking together in a modern, dimly lit lobby. The man is on the left, wearing a black t-shirt and light-colored trousers. The woman is on the right, wearing a grey dress with a white collar and black shoes. She is gesturing with her right hand as if speaking. The background features a wall with vertical slats and a marble floor.

Sorry, Richie. My friend couldn't find a parking spot so we're late!

Sorry, Ava's friends. It's all my fault because I'm not familiar with this neighborhood. I'm so sorry.

Come on. It was nothing. We are having a great time and relaxing. You guys didn't keep us waiting.

Yeah...Yeah. It's ok.

Huh? That voice?
Are you Erin?

Yes, it's me. Long
time no see, Ava!

Wow. We have not met for a couple of weeks and you become even more lovely!

Your new hair style looks so great! It really suits your clothes!

Ha ha. Thanks...
Thanks. Ava is very
radiant too!

Come on. If Ava keeps
complimenting my
girlfriend, she would
be shy!

Hug

What? You two
are dating that
makes this a
double date!

Wait...Wait. We
are not... Ava
and he...!

Ah. Erin, you mistook it. It was a slip of the tongue. We're just regular friends and we're not dating!

Anyway, to celebrate you're a couple now. Let loose and have some fun today!

Hey, why did you lie to Ava that we're boyfriend and girlfriend?

Well. I have my reason and I will tell you when we have some privacy in the room!

**Um...I don't know what's
the real relationship
between Ava and that guy.
Are they really just friends?**

When we go swimming, I have to find out what Ava thinks of that man!

Richie, check this out! How's my swimsuit? I picked this!

A close-up photograph of a woman's midsection and legs. She is wearing a black thong swimsuit. A prosthetic penis is visible, protruding from the thong. Her hands are placed on her hips, and she has black nail polish. The background is a blurred outdoor setting.

The swimsuit shows my fair skin and fit body!

A fly in the ointment is that I can't hide my cock. What should I do?

A man with light brown hair, wearing a white dress shirt and a dark striped tie, is shown from the chest up. He has a surprised or excited expression, with his mouth slightly open and his eyes wide. He is looking towards the left of the frame. The background is a blurred office setting with windows and a desk lamp.

Holy crap. Where did you buy the swimsuit? It's so hot!

You're a dude but you're more sexy than any other girls in the swimming pool. Ha ha!

A man in a white dress shirt and dark tie is holding a piece of light-colored, skin-like material. He is looking upwards and to the right. The background is a blurred office setting.

About your private parts' problem, don't worry. I got this!

Here. Put on this cutting edge woman's crotch prosthesis. It will give you flat private parts just like any other woman!

**Just do what I say and
I will make you a perfect
and breathtaking
woman!**
