With his long hair, twelve-year-old Teddy has an easy time passing as a girl. He was raised by a single mother and she supported him when he showed an interest in doing things most boys would consider sissy. Here he is in his Halloween costume.

The occasion preserved by a session with as professional photographer. His mother is fine knowing that Teddy is gay -- he already has a steady boyfriend.

#### ***2013 the Year of the Selfie Boys adjusting to being Demaled***

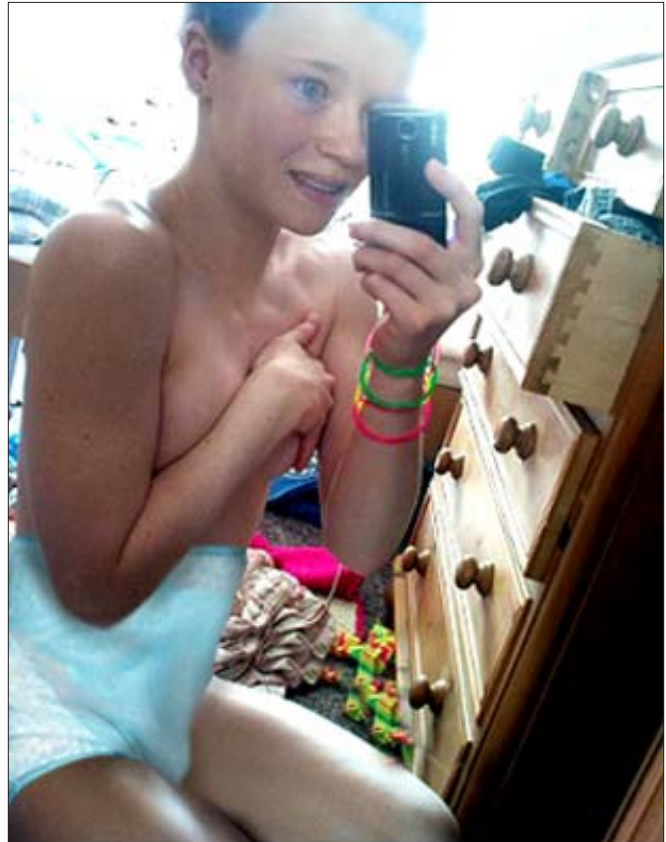

In 2013, the word 'selfie' was introduced into the English lexicon. 'Selfie' refers to taking a photo of yourself with one of the new smartphones. Everyone knows how the younger generation is obsessed with smartphones and they are constantly taking selfies, and of course, this extends to boys being demaled. They love to cronicile their progress into the land of sissies.

Most of the boys featured here had to be dragged (no pun intended) kicking and screaming from their life as 'normal' boys to their new life as panty boys, sissy boy queers and pseudo girls. While the initial part of their transformation is often traumatic, they typically end up giving in and accepting their fate, and then they usually discover how much fun it is to be a demaled male.

We receive so many of these photos that we thought you would enjoy seeing some of them. Many of the photos were taken on cellphones that didn't produce the highest quality pictures, but now as these smart phones are improving the results are ever better in quality. However, even the poorest quality pictures are a thrill to see.

With each picture we have included a little bit of information about the boy in the photo. Enjoy!

**Ten-year-old Austin is one of the boys lucky enough to have accepting parents. He is daddy's little boy-girl and has been on blockers and female hormone therapy just over one year. But since he has to attend school as a boy, he has to keep his hair short and his growing tittles hidden with loose shirts and bulky sweaters.**

Neither Princess Productions nor anyone connected with Princess Productions advocates violent or abusive behavior of any kind. While story lines may suggest such behavior, these are just fantasies meant to enlighten and entertain adults who would never wish those fantasies to become reality. This is a fantasy publication meant to comfort an oppressed minority of individuals created by society, and then rejected by that same society. Transgendered males, crossdressers, panty fetishists and submissive males are scorned in most families and cultures. By exploring situations similar to their own upbringing, personal experiences and fantasies, this publication hopes to soothe the souls of these often frustrated and lonely individuals, to help them feel that their fantasies are just as legitimate as anyone else's, and to be an aid to masturbation, a safe alternative to risky sex practices. Printed in the USA.

**Trent is a 12-year-old who has always loved his mommy's makeup; she began to encourage him to play in her makeup while he was still a toddler. He immediately took to it and her job demaling him was a snap.**

**With his long hair, trans Jack easily passes as a girl. This selfie is his picture 'before' starting hormones.**

**Thirteen-year-old Dale's parents support him and have had him on female hormones for almost two years**

**Dean's daddy is a crossdresser fully demaled by his wife who had a child with him by artificial insemination because she only has lesbian sex, so when the baby boy was born, they named him 'Deana' and immediately began raising him as a girl. Dean has only known life as a girl with a penis and she thinks that's special!**

**Trevor secretly wears rhumba panties to bed every night. Mom hasn't yet told daddy about Trevor's demaling.**

**Alex was introduced to the demaling process by his mother and sister who appealed to his love of playing games. They got him to do girllie things like helping with the laundry while wearing his sister's bikini top.**

**After Tommy's daddy ran off with a woman he met at a bar, his mother divorced him, joined the Demale Society and began to turn Tommy into a boy-girl. When daddy returned and wanted to come back, his wife showed him Tommy fully feminized and the man ran off again never to return.**

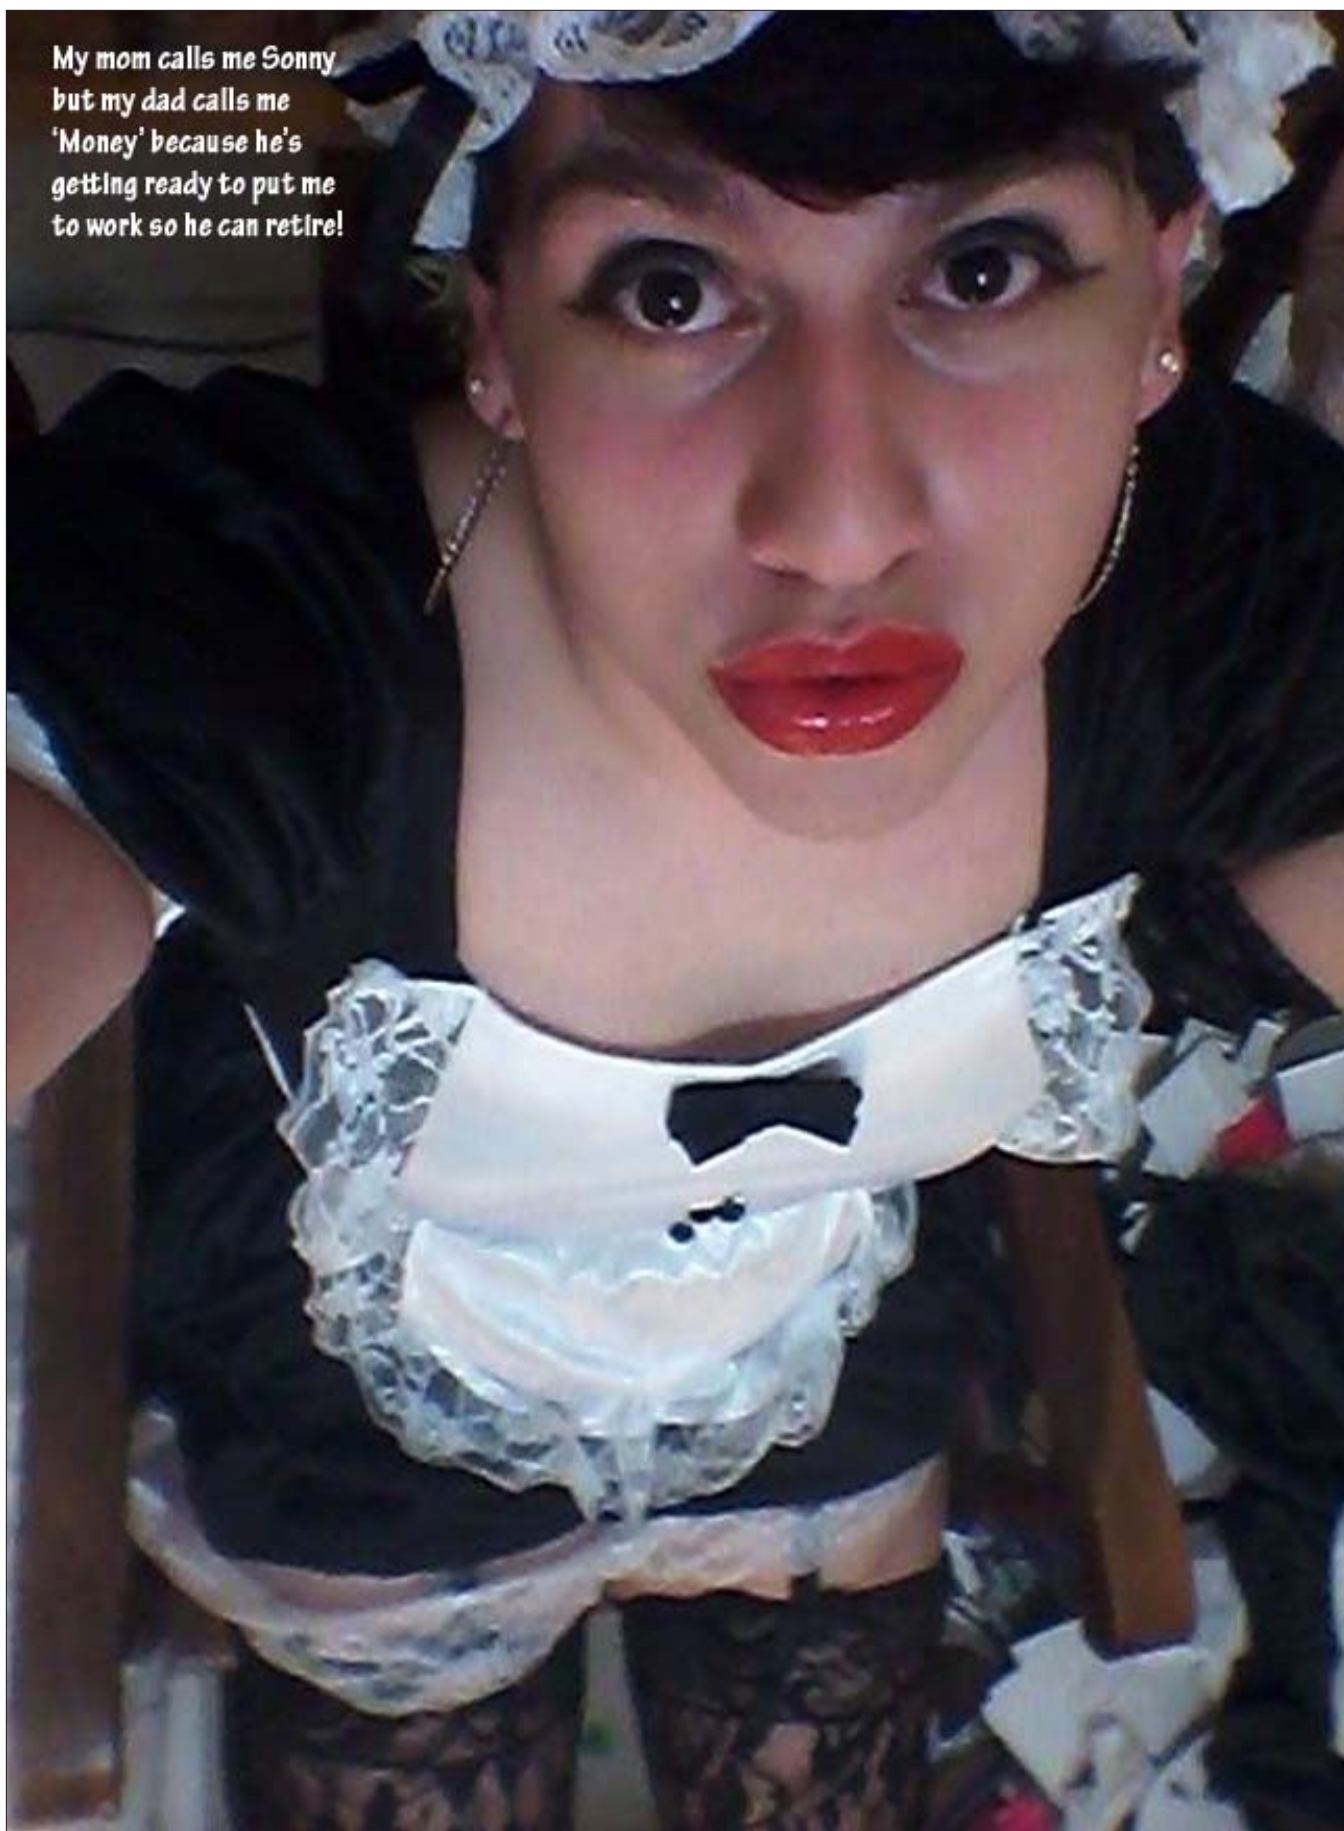

**Thirteen-year-old transsexual David, who now goes by the name Dani, has been on a strong prescription of female hormones and male hormone blockers for only nine months and is showing remarkable development.**

My mom calls me Sonny  
but my dad calls me  
'Money' because he's  
getting ready to put me  
to work so he can retire!

Home alone, thirteen-year-old Todd is new to being demaled, but he wants to wear grown-up clothes instead of the little girl clothes he has been given so he has dressed up in his mother's clothes to surprise her and show her he can walk in high heels.

Ronnie on Halloween  
but all his friends  
would be surprised  
that he dresses in  
girls' clothes at  
home every day!

Ian loves his new  
bra and panties,  
so he is sending  
this selfie to a  
new boy he just  
met at a Demale  
Society meeting.

Beautiful Bobby could make  
any straight guy go gay!

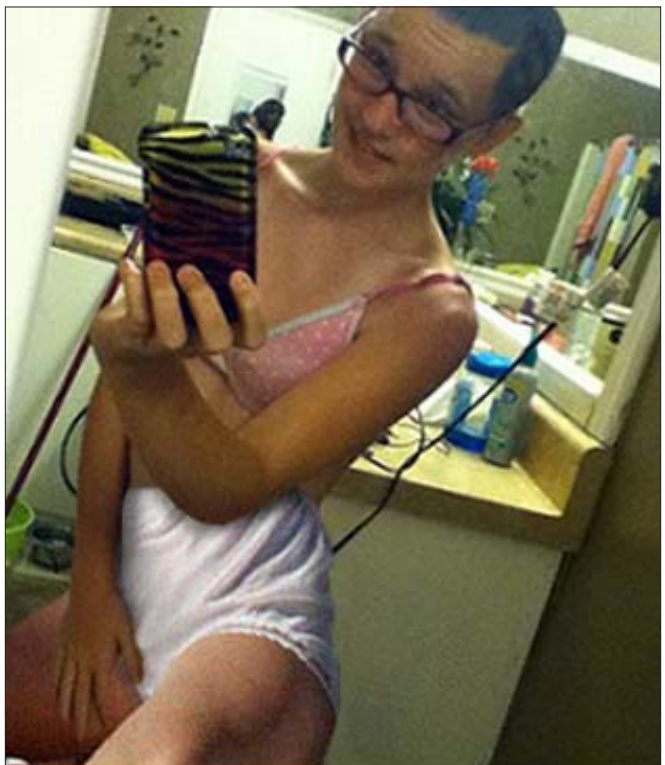

**Demaling Devin was easy; his mommy simply made his daddy repeatedly Jack him off into his panties.**

**Robert stuffs the bra with falsies dreaming of the day he can have real tittles. His mother has taken him to a doctor to start him on female hormones.**

**Robert never did well as a boy and is now looking forward to life as a girl. Here he is dreaming about it while dressed in his padded bra and panties.**

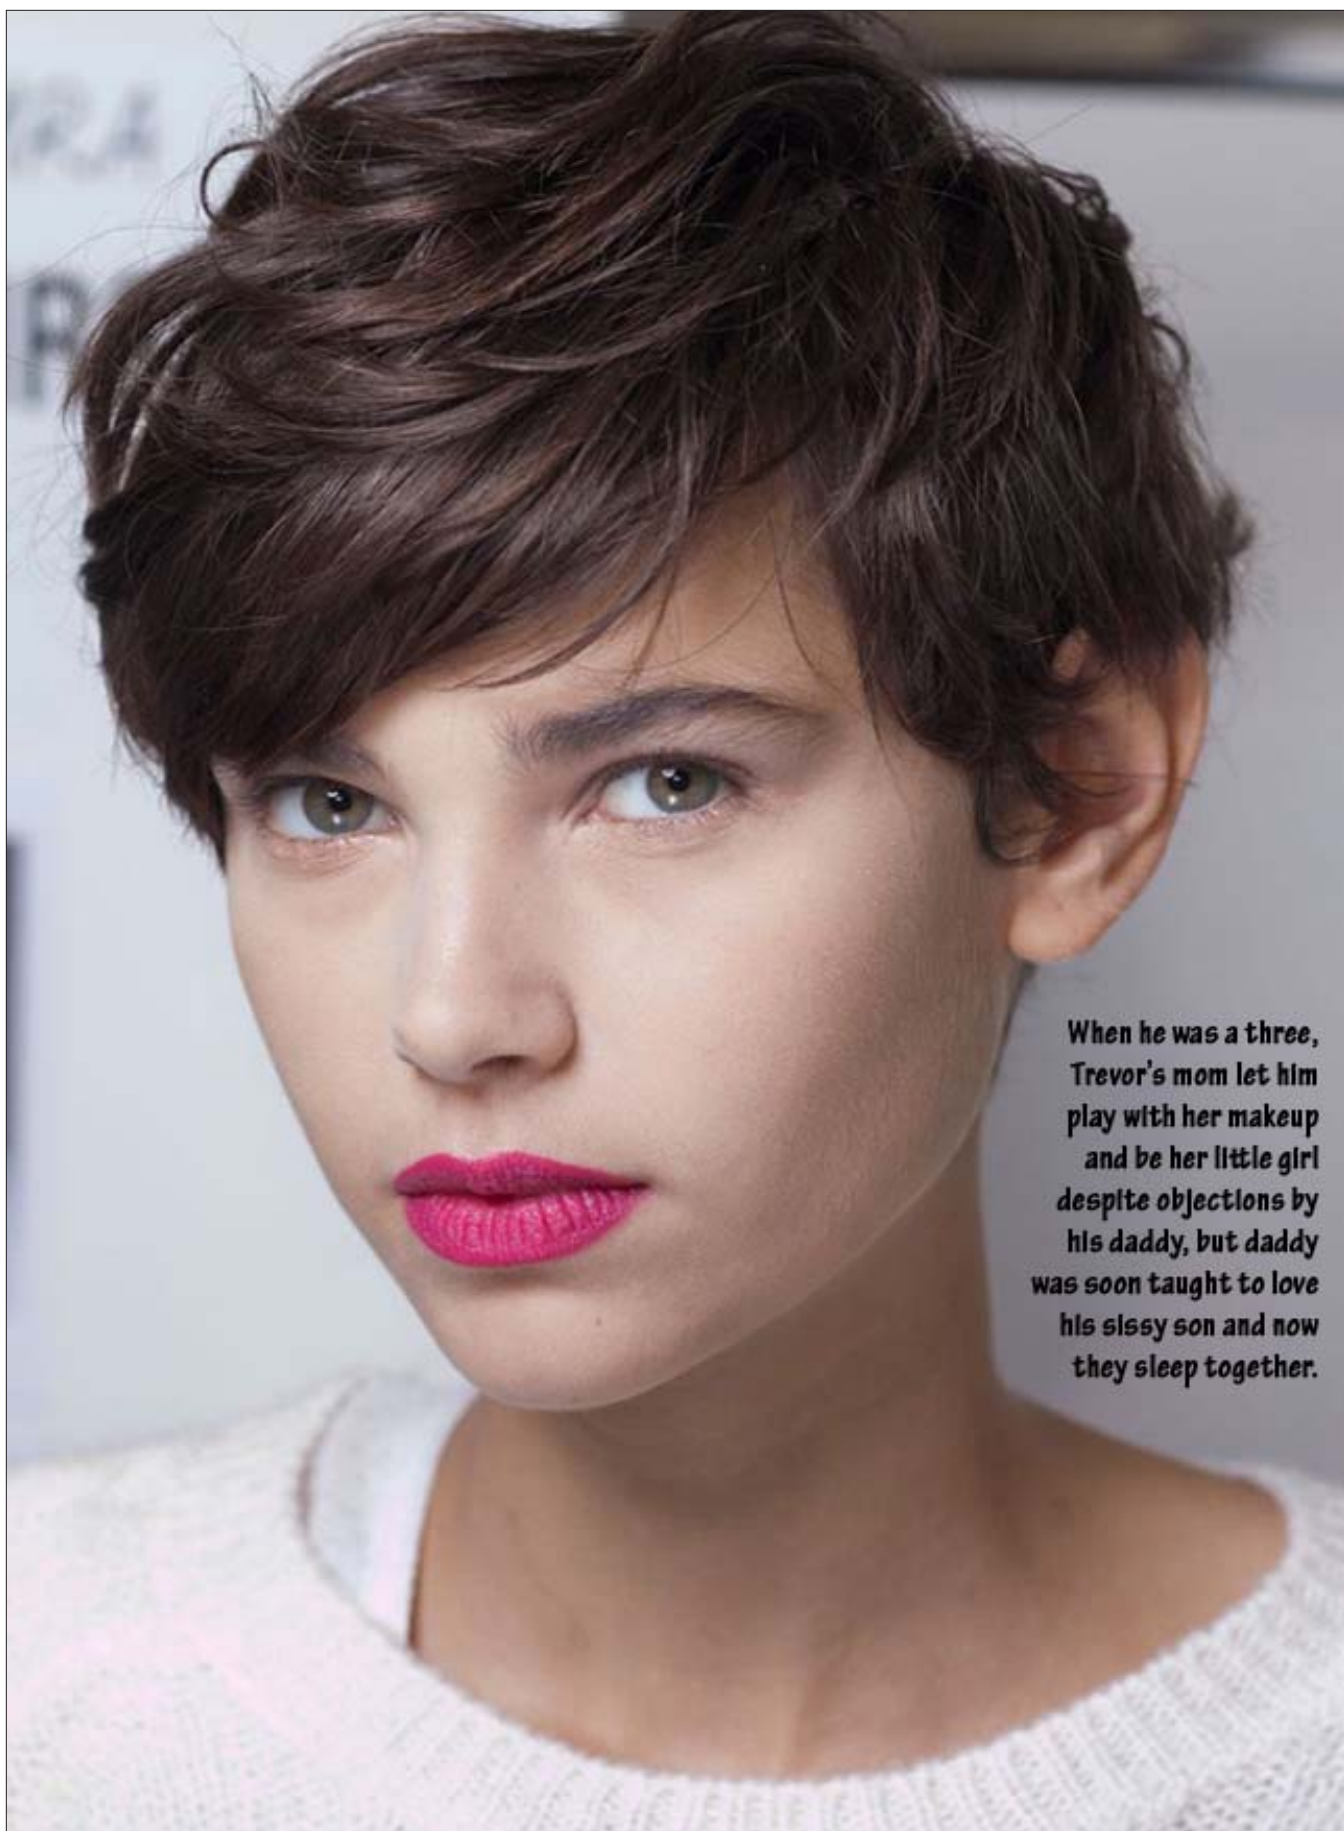

Robert used to be the scourge of the neighborhood, but now he is on hormones in the process of becoming Roberta and has learned to love his new life.

Victor used to fight with his mother and sister all the time when they would make him dress up in girls' clothes and play dolls with his sister; but then they began masturbating him at least five times a day into his panties and it took all the fight out of him and turned him into a slissy.

When he was a three, Trevor's mom let him play with her makeup and be her little girl despite objections by his daddy, but daddy was soon taught to love his sissy son and now they sleep together.

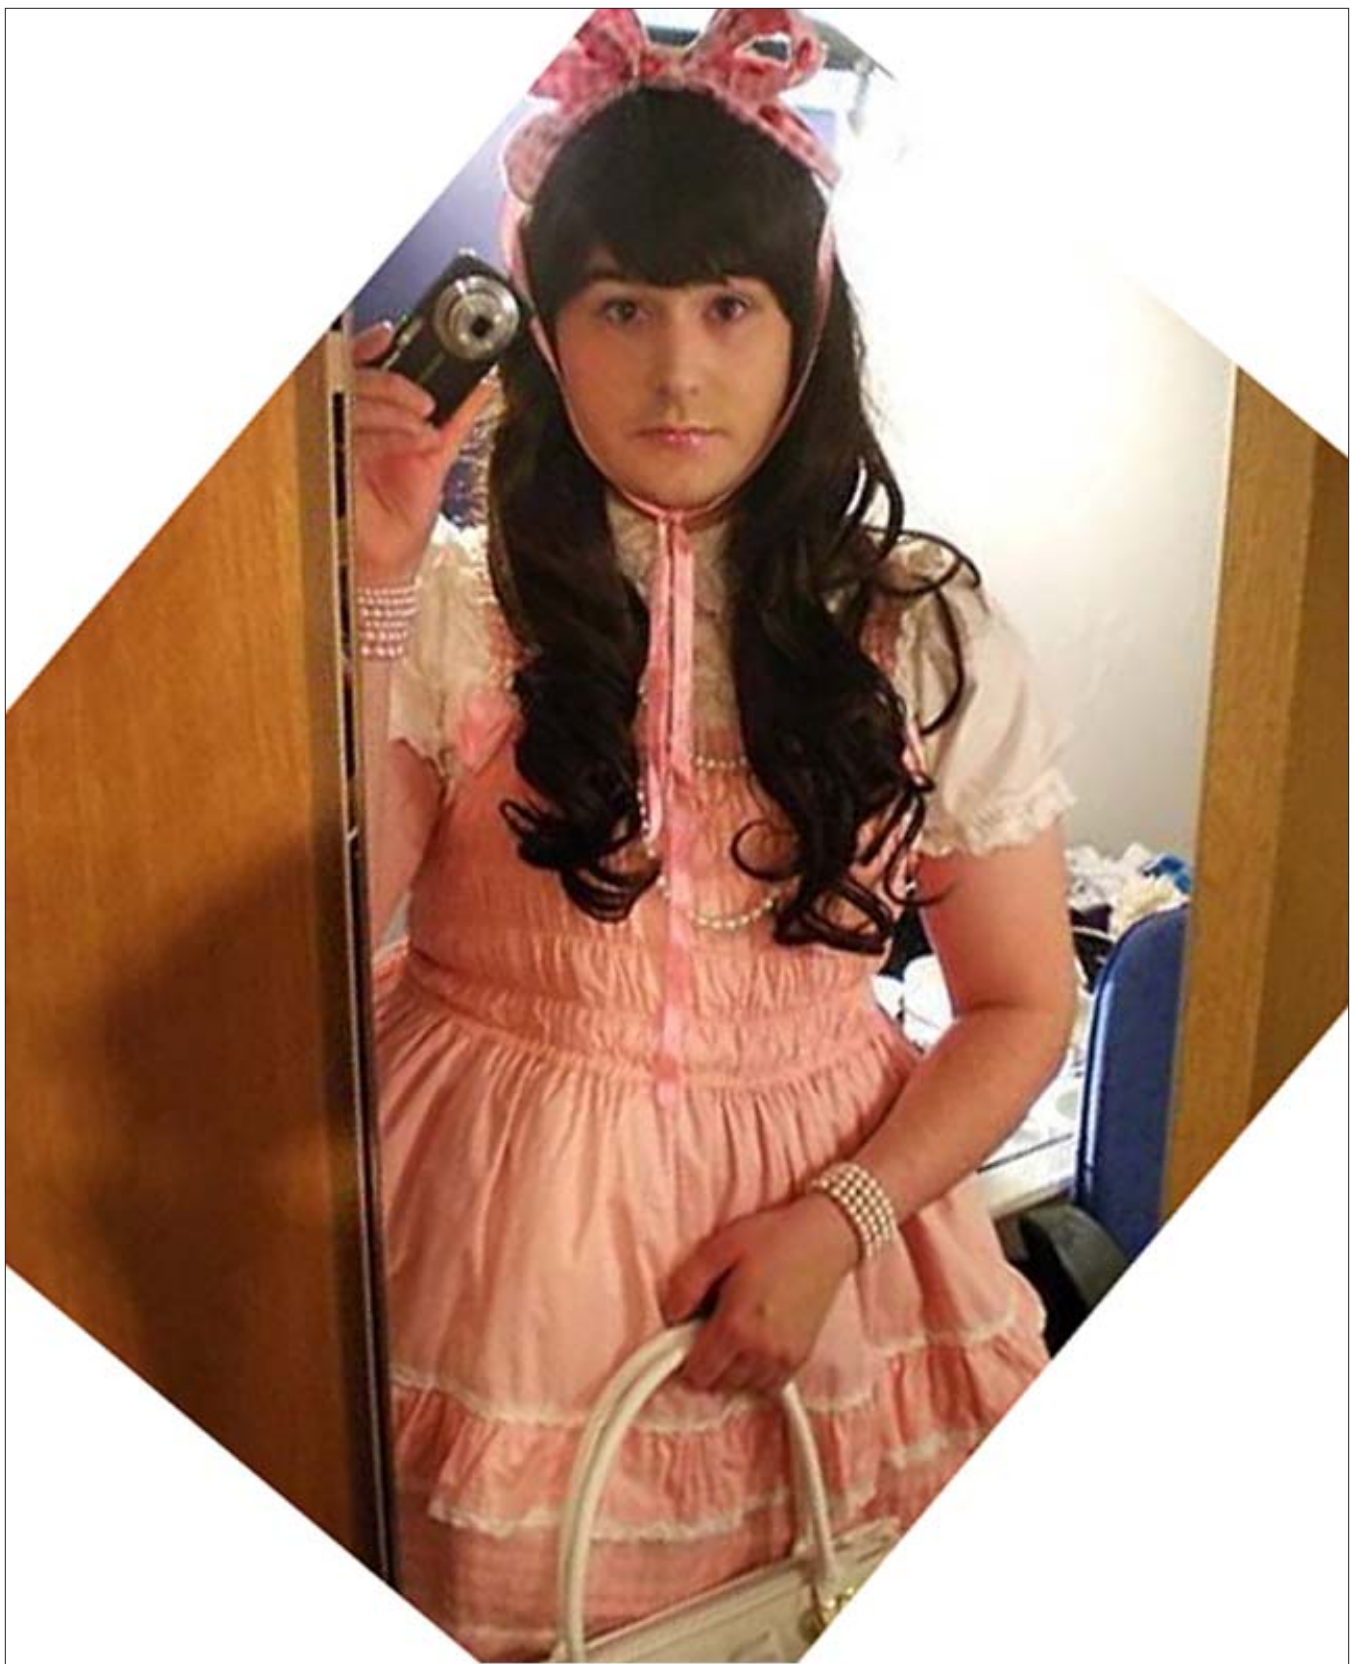

**As a trannie, I'm very lucky because my mom has a beauty shop and had me play there every day after school. Mom encouraged me to be feminine and play with makeup. When I saw the little girls come in for fancy hairdos when they were going to a party, I was envious and I wanted pretty hair, fancy dresses and lacy panties too!**

**Miguel is from Mexico where sissy boys are universally hated. All boys are expected to be macho, but Miguel's mother was wronged by one too many men so she secretly raised her son like a girl!**

**After two years, Charles still resists being feminized but his mother is determined to break his will so she petticoat punishes on him on a regular basis using the most humiliating girly clothes she can find. He pleads to go out and play with his friends and she says he can if he wants to play with them in his pretty dresses.**

**Nine-year-old Tommy likes to be called Crystal. He lives alone with his remale father, who is one of the Demale Society's leading recruiters of boys to be demaled. He has gotten most all of Tommy's friends into panties while encouraging them to be feminine and he's taught them how to suck cock!**

**Little Eddie was always a sissy boy. With his lovely blonde hair he can't stop taking selfies. Who can blame him? His mom began demaling him after she caught his dad wanking to sex videos of underage girls with his beer buddies. Now she makes them jack each other off watching 10-year-old Eddie!**

**Jack's father was a Baptist minister and the den leader for Jack's Cub Scout pack, but after he was caught molesting many of the scouts, Jack and his mother quit the religion and the scouts and joined the Demale Society. Now as he goes through the demaling process under his mother's watchful eye, she makes Jack take a selfie every week to show how he is becoming more and more feminine and then they send the photo to his father in prison.**
