

Visorelle2023

Come to the basement when you're ready.
Better to do this down there than up here.
R-right...
Huh... Pretty empty down here...
Yeah. I had this built after things in my shop kept getting coated in milk, slime, honey, cum...
It's a messy line of work.
Now. Let us begin.
My clothes...
I am not an evil witch.
I will leave you with a form you can be happy with.
But the path we take to get there, well...
That's going to be the fun part~
