

Thanks for hosting my birthday bro... I had fun... shame about the girls hahahahaha

No problem, you know you can ask me anytime, but you're just not good with girls.

HAHAHAHAHA I was just a
little drunk and out of shape...
yesterday I just wanted to
enjoy myself and I did

I'm glad to hear it Alex, we'll make up for it with the girls another time, at least you tried, I stayed on the sidelines the whole time...

But don't say that! You'll find the right one for you, Vick... I'll give you some tips.

Oh well, then I'm all set! I really don't have to worry... so I can scare them away too.

AAHHHHHHNNN what a
fucking headache... I'm still
sobering up...

A muscular man with brown, spiky hair is shown from the waist up. He is wearing a white tank top and dark blue pants. He is standing in a room with large windows in the background, looking out at a city skyline during sunset. He is holding a red plastic cup in his right hand, which is resting on a wooden table. His left arm is raised high in the air, and he has a slight smile on his face. A speech bubble is coming from him, and another one is nearby.

Maybe if I eat something I'll
recover a bit... can I go get
something from the fridge?

Ye... yes... go ahead

Hey Vick, can I get you something?

No no I woke up earlier I already had breakfast

I'll just drink some milk...

This milk tastes so
strange... but damn good...
MMMMHHNNN

Nothing, Angela hasn't
answered me yet... wait,
milk? I never drink milk, I'm
intolerant, you know.

BHLEEE but why the fuck do you keep your aunt's breast milk in the fridge...

HAHAHAHAHA you know that
sometimes I look after my
nephew when she is at work

Oh, how disgusting... today
is starting off really badly...
PPPTTTFFF

But it's the milk of that hottie...
your aunt, man...I'll tell her it's
a good milk hahahahaha

Jeez Alex I told you you're bad
with women....

Damn, my head is
really spinning...
maybe I'd better lie
down...

My head feels heavy
and my neck feels
stiff...

WWWWOOOOOO...
is it all gone? Damn,
I feel great now...
as if I hadn't drunk
yesterday

Wait, I'm feeling a little
too... good... I can feel
my face getting hot...

God what's happening
to me... my skin feels
smooth and soft... and

Big lips... damn just touching
them makes me feel weird...
they're very sensitive... what

TOUCH

But who the fuck have I become? The face is so feminine... but why... maybe the milk? Shit.

A young man with short, dark, messy hair and a white tank top is shown from the chest up. He has a distressed expression, with sweat drops on his forehead, cheeks, and chest. His right hand is pressed against his neck. The background is a bathroom with white subway tiles and a wooden door frame.

I don't know what's happening to me... but isn't your aunt like a witch? Now let's go and have a chat with her!

A medium... she works with mystical things...

Same thing... Do i look like your aunt? maybe I'm becoming her... Come on, you said she works nearby, right?

Why did you dress like that?

I don't want people to recognize me around...

You look a bit like her, but
you're not exactly like
her... You have something
different... She work a few
blocks from here... Anyway,
no one would recognize you,
don't worry...

Why do people look at me like this... they all seem to be judging...

It's not too far away, maybe it has some weird object that can help you...

They see us as a fucking couple!

What are you saying... you see things... you're just... eerrmm... pretty now? And they just look at you...

Yes but why do they have to
stare at me... they make me
nervous...

OH NO... I feel it... my chest is throbbing... please no... I don't want a pair of...

THROBING

A detailed illustration of a woman with short dark hair, wearing a black cap with sunglasses perched on top. She is wearing a white tank top under an open green and black plaid shirt. Her eyes are closed, her cheeks are flushed, and her mouth is open in a gasp. She has a small tear on her cheek and is holding her arms crossed in front of her chest. The background shows a narrow alleyway with buildings. A speech bubble is in the top right, and a sound effect is in the bottom left.

AHHHHHNNN... But what an incredible feeling though... I didn't think it would be so intense...

Now my shirt doesn't even

they're so big that they're
pulling it up...

Do you want to
cover up?

Wear my sweatshirt so you
don't show off too much...

OH...

Doesn't cover much of the situation, hahaha

Thanks a lot Vick I appreciate it... but I'm not a girl to hit on... but thanks... yes... thank you...

We've arrived... let's go in, this place is always empty.

Welcome to Mary's how can
I...

UUUUHHH Vick you brought a beautiful girl with you from last night's party I see... nice to meet you...

Well... emmmm... we have
a big problem this is Alex...
I don't know how... but he's
changing into a girl I think it's
due to the milk you leave in my
house...

He drank my breast milk...
and this happened... what the
hell... is that really you Alex?

It's me, Mrs. Mary... I didn't
mean to do it, I was having
breakfast...

God, they're huge... They're bigger than mine and I'm a mother... let me see, take off your sweatshirt...

HIIIIIIIII
DON't
PLEASE!

Sorry, I just wanted to make
sure of something... God
damn! They're absolutely
real... so now I'll explain...

So I cast a little spell on my milk every time... it should be a small thing that fuels a desire... for a newborn it can satisfy basic needs like hunger or sleep by stopping the need for a while. It helps me a lot with the baby... but for you... the spell fueled a particular desire of yours... and since you also look a lot like me... I suppose that a fantasy of yours about me has turned into something else...

My God Alex... I knew you had a crush on me, I thought it was cute... but to get to a result like this... welll... then let's see what can be done...

An anime-style illustration of a young man and woman in a mystical shop. The man, on the left, has black hair and is wearing a grey t-shirt. He is blushing and sweating, looking at the woman. The woman, on the right, has short black hair, wears a black cap with sunglasses, a plaid shirt over a white tank top, and blue pants. She is also blushing and sweating, holding a black sweatshirt. They are standing in front of shelves filled with jars of herbs, crystals, and other mystical items. A speech bubble from the woman says "Thanks for the sweatshirt...". A speech bubble from the man says "Thanks... So... do you like my aunt?".

Thanks for the sweatshirt...

Thanks... So... do you like my
aunt?

An anime-style illustration of a man and a woman in a mystical shop. The man, on the left, has dark, spiky hair and is wearing a black hoodie. He has a surprised expression with red cheeks and a sweat drop on his forehead, and his hand is near his throat. The woman, on the right, has short dark hair, wears a black cap with sunglasses, a plaid shirt over a white crop top, and jeans. She also has red cheeks and a sweat drop. They are standing in a shop filled with shelves of jars containing herbs and crystals, with various magical items hanging from the ceiling.

It wasn't a secret, I always said she was a beautiful woman... but I didn't want to look like her or become a woman...

You look like a younger version of her... and with a little more curves, let's say...

So I have two things for you Alex, a protective object and my skirt in case you know... you'll to change again, those pants won't hold up with those curves...

What the fuck do I do with a skirt... I don't want to become a woman... why should I wear one?

So to solve the problem you can't do it now, it takes a specific moment, don't worry I'll explain it to you later... the skirt is to avoid hurting yourself... You know with all that... if it were to grow my legs too, these small jeans would really hurt, trust me... change in the bathroom...

How humiliating... I have to
dress up as a woman in front
of my best friend and the
woman I like...

A woman with short dark hair and red-tinted eyes is standing in a bathroom, looking down at a large tan skirt she is holding up. She is wearing a white tank top and a dark green and black plaid shirt. The bathroom has a sink, mirror, and paper towels in the background.

Let's see if it fits me... it seems very large for me... it will at least stay up, let's see...

I knew it was too big for me... what a strange feeling to have my legs so free down here...

If I put it like that it barely stays up...

God, look at me...
I'm half dressed like
a woman... let's try
without the hat and
jacket...

WOOOOW I look
really good like this...
and...

Oh shit... I feel
it pushing...
NNGGGHHKKKK ...
my ass...

God no please...
I don't want
to be seen...
NHHAAAAA...
fuck...

A woman with short black hair and a distressed expression stands in a bathroom. She is wearing a white tank top and a tan skirt. Her face is flushed red, and she has sweat or tears on her skin. She is leaning forward with her hands on a white sink. In the background, there is a mirror with three lights above it, a sink with a faucet, and a shower area with glass doors. Another person's arm is visible on the left side of the frame.

Damn... it feels
so good...

How much larger...
that's enough...
Jesus... MMMNNNGG
it's... it's...

WAA

A woman with short dark hair and a flushed face is leaning over a bathroom sink, stretching her back. She is wearing a white tank top and a long brown skirt. Her skin is glistening with sweat. The bathroom has a mirror, a soap dispenser, and a towel rack in the background.

It's so big... I can feel
my thighs touching
and rubbing together
under my skirt...
they're soft... and
sensitive...

STRETCHING

A pregnant woman with short dark hair is standing in a bathroom, leaning forward and pulling down on her brown skirt. She is wearing a white tank top and has a blushing, strained expression. Her skin is glistening with sweat. The bathroom features a sink, a mirror with three lights, a soap dispenser, and a towel rack. A speech bubble is positioned above her head, and a sound effect is written vertically near her hand.

Now this skirt has gone from being loose to incredibly tight... I can feel it squeezing everywhere...

STRETCHING

Damn, when you walk
I can feel my whole
skirt stretching...
what the...

Look at those
shapes... I'm a woman
the same age as
Mary... oh no...

Now I absolutely
have to hear the
explanation on how to
go back to normal...

Sorry, aunt, for dropping in so suddenly...

No, sorry, Vick, and apologies to Alex on my behalf... I shouldn't leave enchanted things lying around... I wanted to make the job of raising the baby a little easier, it's hard on my own...

I know aunt... and it's
WHHHHHAAAAAAAATTT?

You see, I was far-sighted... my
goodness, you're a stunner,
darling...

An anime-style illustration of a woman with short black hair, wearing a white tank top and a tan skirt, standing in a room with wooden walls and shelves filled with herbs and jars. She is looking down with a blushing expression, holding a dark plaid shirt and a black cap. A speech bubble above her head contains the text "I look more and more like you...".

I look more and more
like you...

I wouldn't say darling...
you're... how can I say you're
curvier than me everywhere...

Your skirt is too tight
for me now... I'll give
it to you as soon as
I'm back to normal...

So if you want to go back to how you were before, the way will be a little tricky... you will have to break this sphere **ONLY** when it starts flashing and the spell is almost over... if you break it before or after... you will remain like this Alex, understood?

It could happen now... in 1 hour or in 1 day... when it reach the peak of magic in the body it will light up, then break it... I give you a bag, you put your clothes in and the sphere... keep the sphere always close...

I feel so weird Vick...
my body makes me
feel things...

You look older... no offense...
just that you look a different
age now

Come on, let's go fast
to your house, I don't
want to transform
along the way...

We have to cross... we have arrived...

What are you touching... Vick...
don't... i feel...
I don't know...

How long do I have to wait?... I can't wait to get back to my real body...

Oh, what anxiety... if
I keep staring at it,
the moment will never
come...

I finished cleaning the house...
you relax while I go take a
shower...

What a drag... it'll be complicated... I'll try to close my eyes for a moment... i'll hold it tight... just in case, wake me up...

Ok Alex be careful...

A detailed illustration of a woman with short, dark, wavy hair and light-colored eyes. She is lying down, holding a glowing purple sphere with both hands. She has a small, bright mark on her nose and is wearing a white tank top. The background is a soft, out-of-focus white.

**yawn* Alex is that
you? OOHHH*

**STEPS*
*STEPS**

Hey Alex, sorry to wake you...
did you see my towel?

Oh no... fuck... shit...
no... noooo...

BOUNCING

BOUNCING

to the ground... how

GRIP

You're crazy to scare
me like this!!! If it
fell... I... would stay...

MMMMMM?
You did it all that...

Why are you so close... and bare-chested... I feel weird... my woman parts start to...

They're starting to
react... damn no...
that's still male... NO
PLEASE NO!

My belly... I feel like a
void is forming inside
me... no, I don't want
it... I don't want the
uterus...

Oh shit, you're about to become a woman, woman? I don't know what to do, Alex... I can't do anything, I'm sorry...

The more I look at
you, the more I get
tuned on... I have to
resist... why this ball
isn't working yet...

Damn, I have to free him... it hurts if I leave him there...

Damn, I knew it... I felt like I
was coming... NNNGGHHH...
because... the orgasm
doesn't stop...

DRIP

Fuck... it's getting smaller...
and MMMMMMMNNNNGGG...
I'm still coming... what the

God I moaned again... but
it was so intense... I think I
came as a woman too... it's
much stronger...

I can't think of anything
else... MMMNNNNGGG...

MM

Do you like it when I do this,
Vick? Hehe...

What the fuck are you talking
about?

It was fantastic Vick... a beautiful feeling... I want to feel it again... why until I'm a woman we don't fuck together?

What are you saying Alex... we
can't...

Come on, let's go... I'm really
horny...

Stop Alex!

Come on, let's take this off
and do it over there in bed...

You're completely crazy... I
don't know...

Come on just once... then I'll
be back to normal... grab the
ball and let's go...

Good job Vick... follow me...
so you can look at me...

I can't believe we're about to
do this...

Look, I'll put it here so we can hear it in case... now lie down and I'll suck your soul out...

Good take it out for me...
MMMMM

A young man with dark, spiky hair is lying in bed, looking up with a shocked expression. His face is flushed red, and he has sweat droplets on his forehead and cheeks. His mouth is wide open in a gasp. He is shirtless, and his chest is visible. The background shows white pillows and bedding.

What the fuck... I'm about
to do it with my best friend
who looks like my aunt...
