I'm coming...i'm coming
Joseph... *YAWN*

An illustration of a young man and woman in bed, embracing and about to kiss. The woman is on the left, with short dark hair, and the man is on the right, with slightly longer dark hair. They are both smiling and looking at each other. They are lying on white pillows and a white blanket. The background is a simple wooden headboard and a light-colored wall. Two speech bubbles are present: one from the woman saying 'Morning Vick!' and one from the man saying 'Good morning Alex...'.

Morning Vick!

Good morning Alex...

He doesn't want to
eat...

Good morning, auntie, did you sleep well? How's the little one doing?

YAWN

I already told you to call me Mary... we sleep together, you know!

I'm going to brush my teeth
and wash myself...

I'm getting dressed and
sitting with you Mary...

You're good with
kids... I don't think
he can even tell us
apart...

Want to try
breastfeeding? We
know you produce it
too, he doesn't eat
with me

Can I?

If he wants it... it still feels
strange to me to be a
woman, I still have to get
used to it....

Don't worry, I'll give
you a hand with
everything...

An anime-style illustration of two women sitting on a white sofa in a high-rise apartment. The woman on the right is breastfeeding a baby wrapped in a white cloth. She has short dark hair and is wearing a white tank top and a brown skirt. The woman on the left is watching her, wearing a black blazer over a white shirt and a black skirt. A large window in the background shows a city skyline. Two speech bubbles contain text.

WOW he didn't think twice... I feel the milk flowing... it seems so natural to me...

You seem like a natural... I'm much more at peace with you here with Vick...

An anime-style illustration of two women sitting on a white sofa on a rooftop. The woman on the left has short dark hair, wears a black blazer over a white shirt and a black skirt, and is holding a newborn baby wrapped in a white cloth. She has a surprised expression with her mouth open. The woman on the right also has short dark hair, wears a white tank top and a brown skirt, and is looking at the first woman with a surprised expression. A large window in the background shows a city skyline with a river and a bridge. Two speech bubbles contain text.

When Vick and I have our baby will you teach me?

What? Are you pregnant already?

Yes, we just found out, I
wanted to let you know...
I can't wait for it to be
born!

An anime-style illustration of two women in a high-rise apartment. The woman on the left, with short dark hair and yellow eyes, is sitting and holding a sleeping baby wrapped in a white cloth. She is wearing a white button-down shirt under a black blazer and has a joyful expression with a wide smile and rosy cheeks. The woman on the right, also with short dark hair and yellow eyes, is standing and looking at the first woman. She is wearing a white tank top and brown pants, and has a more reserved expression. A large window in the background shows a cityscape with a river and various buildings under a clear sky. Two speech bubbles are present: one from the standing woman congratulating the seated woman, and another from the seated woman making a statement.

Congratulations, Alex!
I'm so happy for you!

You're lucky to have
me then... I've got just
one thing for you if you
ever want it.

Hold it for a moment longer, I'm going to get you something for you...

Found it! It's an elixir that increases your age. If you drink it while you're pregnant, it will work on your baby and bring him to the final stage of pregnancy. You'll avoid potential problems, and trust me, you'd be a very lucky woman.

I'm going to work now,
I'll leave Josef with
you, see you later...

SMOUCH

Where do you think you're going with "see you later"? Give me a big kiss, love.

A pregnant woman with short dark hair, wearing a white tank top and a brown skirt, is being kissed on the cheek by a man with short dark hair, wearing a black blazer over a white shirt. They are standing on a balcony with a glass railing, overlooking a city skyline. The man is holding the woman's face gently. A speech bubble from the man says "MMMNNNNNNNN We will miss you". Another speech bubble from the woman says "I'll hold the baby while you say goodbye... just say hello to me, auntie, afterwards!".

MMMNNNNNNNN
We will miss you

I'll hold the baby while you say
goodbye... just say hello to me,
auntie, afterwards!

So I'm skipping a big step... but it's all or nothing... Vick will realize he's a father sooner than expected.

Where is the new dad in this house... come here darling!!!

Yes... a lot Vick...

There will definitely be a
mistake... other reports too...

All the documents say Alex
is supposed to be a male...
I don't know how that's
possible...

A few weeks later...

Come on, Alex, we
have to go... the taxi is
waiting for us!

I'm coming... I can't fit anything
anymore...

Yes, but my ass and boobs have grown even more... I have to redo my entire wardrobe... not even your clothes fit me... only the skirt still holds up...

You have a killer body for a woman who has just given birth...

Alex and I will be away for a few days... we have to do a lot of shopping and take care of some paperwork... you look after the kids, you're so good!

Yes, ma'am!
At your command!
Jeez that ass...

Do you eat anything, Becca?

WUWUEEEF

A man with dark, spiky hair, wearing a dark grey hoodie, is sitting on a white couch. He is holding a baby who is lying on their back, wrapped in a pink blanket. The man is feeding the baby with a clear plastic bottle containing yellow liquid. The baby has its mouth open and is drinking. The man's expression is somber, and a single tear is visible on his cheek. In the background, there is a large window showing a city skyline with various skyscrapers. To the right, a television is mounted on a white stand. A small potted plant is on a black table to the left of the couch.

Not even her... without the
breast they don't want...

MUMEEEEEE

Without the breast... maybe
if i drink Mary's milk... they
should be back tomorrow
night... I have two days to
feed... I can still get a purple
ball... turn back into a male
before they come back.....

WUUEEEF

I'm desperate, I don't know
what to do anymore...

What a strange taste...
bleeeee... I have to be careful
so Alex and Mary don't find
out...

I don't feel anything different...
maybe it's just normal milk...

Damn, I took Alex's... her's
normal milk... I'm so tired
I didn't notice..... for the
children, one is as good as
another...

Should I see if I have Mary's?
No, what a stupid idea I had...

I was kind of hoping for it, I
was curious to know what
it would feel like to try to
become a woman...

I'll find another solution...
maybe who knows what would
have happened... better this
way...

GROWING

Wait... I feel the hair... along
my neck... oh God it can't be...

I feel my face tickling... just like Alex said! Is this really happening?

LONGER

LONGER

Oh wow I feel a sensation of...
fuck... he wasn't exaggerating
MMMNNNGGGG

Fwoosh

PLEASURE

The voice... is different from
the girls'... the lips are crazy
even to touch...

I hope the parts I need most
arrive soon, it took Alex a
while...

I'll wait... what I aimed
to become was a simple
mother to be able to feed the
children...

Wait, I can feel air between
my nipples... are they getting
bigger?

Yeah fuck... they're getting
harder and bigger... just what-
MMMNNNNNGGGG

*
PINCH!
*

I have to be careful... I should know how sensitive they can be...

GROWING

Oh Jesus they're swelling up...
AAAAHHHH... the sensitivity
is increasing even more...

exaggerating with the moans...
GGGHHHHNNNN

JIGGLING

SWEETLING

I can still feel them getting bigger... fuck me... they're heavy... I really feel like I'm coming...

BURST

BOOOOON

But what happened...
obviously they're heavy...
they're huge... I didn't want
them that big... what a mess
I'm making...

SQUEEZE

SQUEEZE

I hope they at least do their
job... calm down, little one,
mommy's here...

Ok I feel something is
happening inside my chest...
I think the milk is coming in...
NNNGGGHH

I don't believe it works...
they're not crying... my plan is
working!

* 222222 *

* 222222 *

They're sleeping soundly...
all they needed was a woman
to calm them down... what
the fuck... I can't stand up
anymore...

JIGGLE

JIGGLE

I have to close my eyes for a moment before going to my aunt's shop to get the purple sphere...

WHAT THE HELL? This chick is
me... I'm stunning... I certainly
look a little older... I just have
slightly narrow hips...

How cute... I'd be curious to see the final result of the transformation... but it's dangerous... I have to look after the children and then go to the store tomorrow...

I've experienced what it feels like for a woman to breastfeed... maybe my fantasies about Alex have influenced my wish a little, because my breasts are huge...

I just hope I don't transform again soon... I have to sleep...

DREAMING

K-Keep going... f-fuck me
harder... O-OHHH YES

DREAMING

****HARDER PLEASE****

YES... YES... CONTINUE PLEASE!
Huh where am I... it was a dream...
what the hell...

What a crazy dream I was getting fucked while I was a woman... it seemed a little too real... it's starting to change my perspective...

Oh shit what time is it... how much did I sleep... I have to go get the sphere and-

Oh no, I just woke up right away... my ass... tightens... my hips...

A woman with short black hair is lying on her back on a bed with a light-colored, patterned sheet. She is wearing a grey short-sleeved shirt and dark blue jeans. Her eyes are closed, and she has a pained or distressed expression on her face. A speech bubble is positioned above her head, containing text. The background shows white vertical blinds and a dark headboard.

I'm screaming too much... the
neighbors will hear me like
this... I have to hold back the
moans...

EXPANDING

It's still growing, I feel like
my pants are on the edge...
they're stretchy at least...
but... they're too tight...

BURST

AAHHHHH... I think it's over...
when I move I feel my thighs
and ass jiggling...

THUD

I have to go to Mary's shop
asap... so I can get back to
normal...

I feed the kids first... that way
the hard part is done... too bad
I would have liked to try this
body...

Well, I came out really well... a beautiful ass... it's not Alex's but it's close...

at the door this
hour?

I see you have company
then...

Meet Rebecca and
Joseph... Mary's son and
Vick's daughter...

Does Vick have a child?
With that woman he's living
with now? But I didn't know
anything about it when it
happened...

Let's say he didn't tell anyone, but he must have had his reasons... but he would have told you later anyway...

Oh, I see... He's always been quite reserved...

Speaking of you instead...
you're single, aren't you...
you're gorgeous, darling!

Well technically... well...
in theory... I can't really-

Oh, I'm sorry... did I hurt you?
Was I too rough?

NNNGHHH... Oh fuck
no... the last stage...

A person is shown from the waist down, wearing black jeans. Their right hand is on their hip. A large, prominent bulge is visible in the center of the jeans. A speech bubble in the top right corner contains the text "Here he goes... Oh my God... MMNNNN". The word "BULGE" is written in a stylized, white, comic-style font with asterisks on either side, positioned over the bulge. The background shows a modern interior with a grey sofa, a floor lamp, and a large window with a city view.

Here he goes... Oh my

A comic-style illustration of a woman's midsection and legs. She is wearing very shiny, black, form-fitting pants that reflect light. Her left hand is on her hip. A speech bubble in the top right corner contains the text "AAHHHHHH... Jesus what a feeling... I think I'm... all woman...". A sound effect "*TWITCH*" is written on the right leg of the pants. The background shows a modern interior with a large window looking out at a city skyline, a light-colored sofa, and a floor lamp.

I'm sorry I made a mess....

You know, maybe we can
start over... I see you're
excited to be here with me
anyway... I can't let you go
away like this...

While Vick's away, maybe...
we can spend some time
together. Do you have any
ideas?

too tight...

A woman with short black hair and large brown eyes, wearing a black spaghetti-strap dress, stands in a hallway. She has a surprised expression, with her mouth slightly open. She is holding several shopping bags. A speech bubble above her head contains the text "Who the hell is that?".

Who the hell is that?

A woman with short black hair and large brown eyes, wearing a beige spaghetti-strap dress, stands in a hallway. She has a surprised expression, with her mouth slightly open. She is holding several shopping bags. A speech bubble above her head contains the text "A woman here?".

A woman here?

A woman with short black hair and large brown eyes, wearing a beige spaghetti-strap dress, stands in a hallway. She has a surprised expression, with her mouth slightly open. She is holding several shopping bags. A speech bubble above her head contains the text "I'M SORRY!".

I'M SORRY!

I'M VICK! I'm sorry, I drank breast milk and became a woman... I couldn't feed the babies... so I breastfed them myself... And... I fucked Derek... I couldn't resist... I was curious...

Is that you, Vick? Nothing
surprises me anymore...

The kids are sleeping
and doing well... I'd
say he did that well...

MMMMMNNNN... you came out really hot, you know... we never said our relationship was open, but I think that's clear...

A woman with short, dark, wavy hair and bangs is looking down into a small black handbag with a gold zipper. She is wearing a black, low-cut, spaghetti-strap dress and a small gold hoop earring. She has a slightly open mouth and a look of anticipation or nervousness. She is standing on a balcony with a glass railing, overlooking a dense city skyline with many skyscrapers and a body of water in the distance. The scene is brightly lit, suggesting daytime.

Let's see if I have it...
I always have one in
my back... here I come
girls!

I was a little jealous when you made
those moans... I wanted to try it too...
now I can't go back to how I was
before... it will be too late...

You're a slut girl, you
know... what tits you've
grown... MMNNNN

A woman with short, dark, wavy hair and a black spaghetti-strap dress is looking down into a black bag with a gold zipper. She is holding a purple sphere inside the bag. She is standing on a balcony with a glass railing, overlooking a city skyline with a river and a bridge. A speech bubble is in the top right corner.

HERE IT IS! Maybe
it's not too late,
Vick... take it, see if it
shines...

I love you...

* SMOUCH *

An anime-style illustration of two young women with dark hair and orange eyes. They are both unclothed and looking intensely at a glowing purple orb held by the woman on the left. The woman on the right has her hand near her chest. The background is a plain, light color.

It's throbbing... what do I do... I'm going to miss that feeling...

It's your choice Vick...

PULSATING

CRACK

Too bad, as much as I
like you Vick, I was really
horny for the female
version of you...

I apologize again girls
anyway... I couldn't look
after the kids alone... and
I drank Alex's milk which
still worked...

MY MILK? Oh my God, I
have magic boobs...

HER MILK? God, Alex,
you're such a perv... I
wonder what sick desire
you had for me...

A woman with short, dark, wavy hair and bangs is shown from the chest up. She is wearing a black, low-cut, spaghetti-strap dress. She has a small gold hoop earring with a blue gemstone in her left ear and a small silver stud in her right ear. She is smiling slightly and looking towards the viewer. The background is a high-rise balcony with a glass railing, overlooking a city skyline with several skyscrapers under a clear blue sky. The woman's hair is dark brown or black, styled in a short, layered cut. Her skin is fair with a slight blush on her cheeks. The dress is a solid black, form-fitting garment with thin straps. The balcony railing is made of dark metal or wood. The city below is densely packed with buildings, and a few taller skyscrapers are visible in the distance. The sky is a clear, pale blue.

Anyway, if that's the case... it might not be the last time we see a female Vick... you know, I can create as many purple spheres as I want hehe

You are fantastic auntie

Oh shit yes...

The next day...

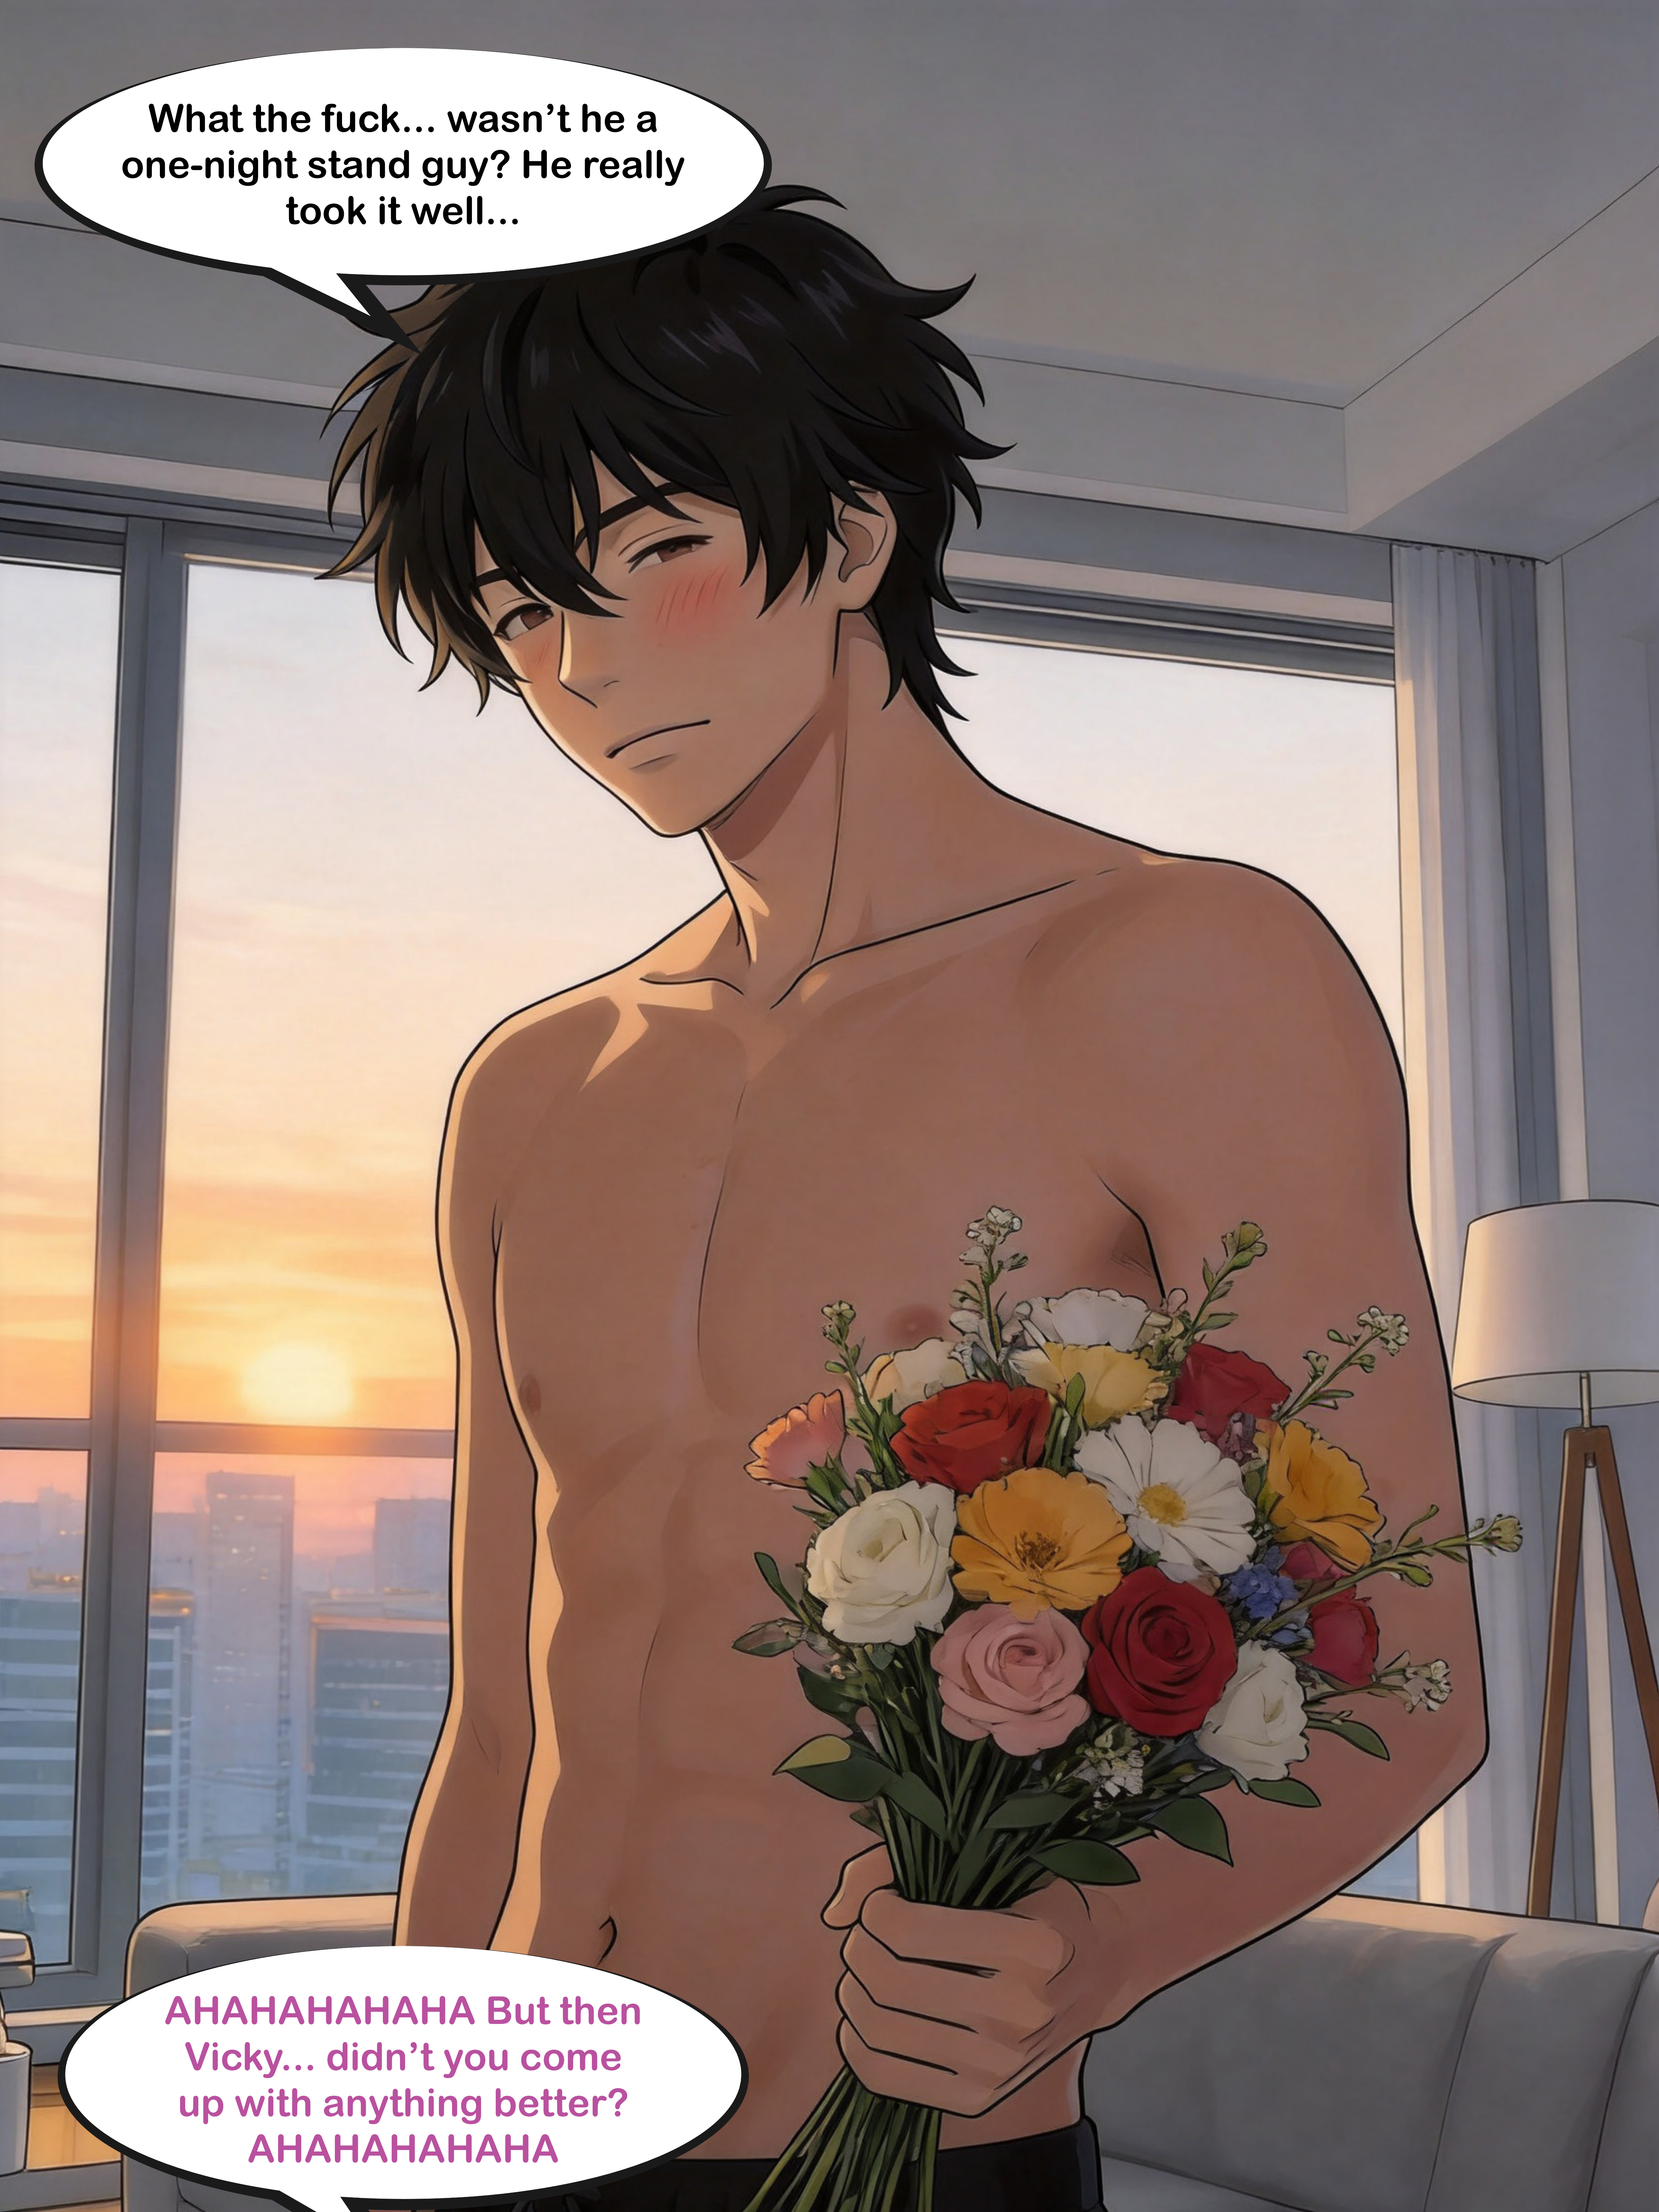

Hi, excuse me, is Vicky home?
She's already left, right? Well,
send her this bouquet of
flowers from me. My number's
inside. Thanks, see you later.

...

Yes?

Hey Vick you can definitely get Vicky this bouquet of flowers right hahahaha... i think he fallen in love with you?

What the fuck... wasn't he a
one-night stand guy? He really
took it well...

AHAHAHAHAHA But then
Vicky... didn't you come
up with anything better?
AHAHAHAHAHA

That night...

Suck it all Vicky...

SUCKING

It's fucking amazing...

The end...
