Katie Kitten loved being the center of attention. Hosting a video web channel was perfect for her in this respect. People liked to look at the sexy chick simply prattle about something.

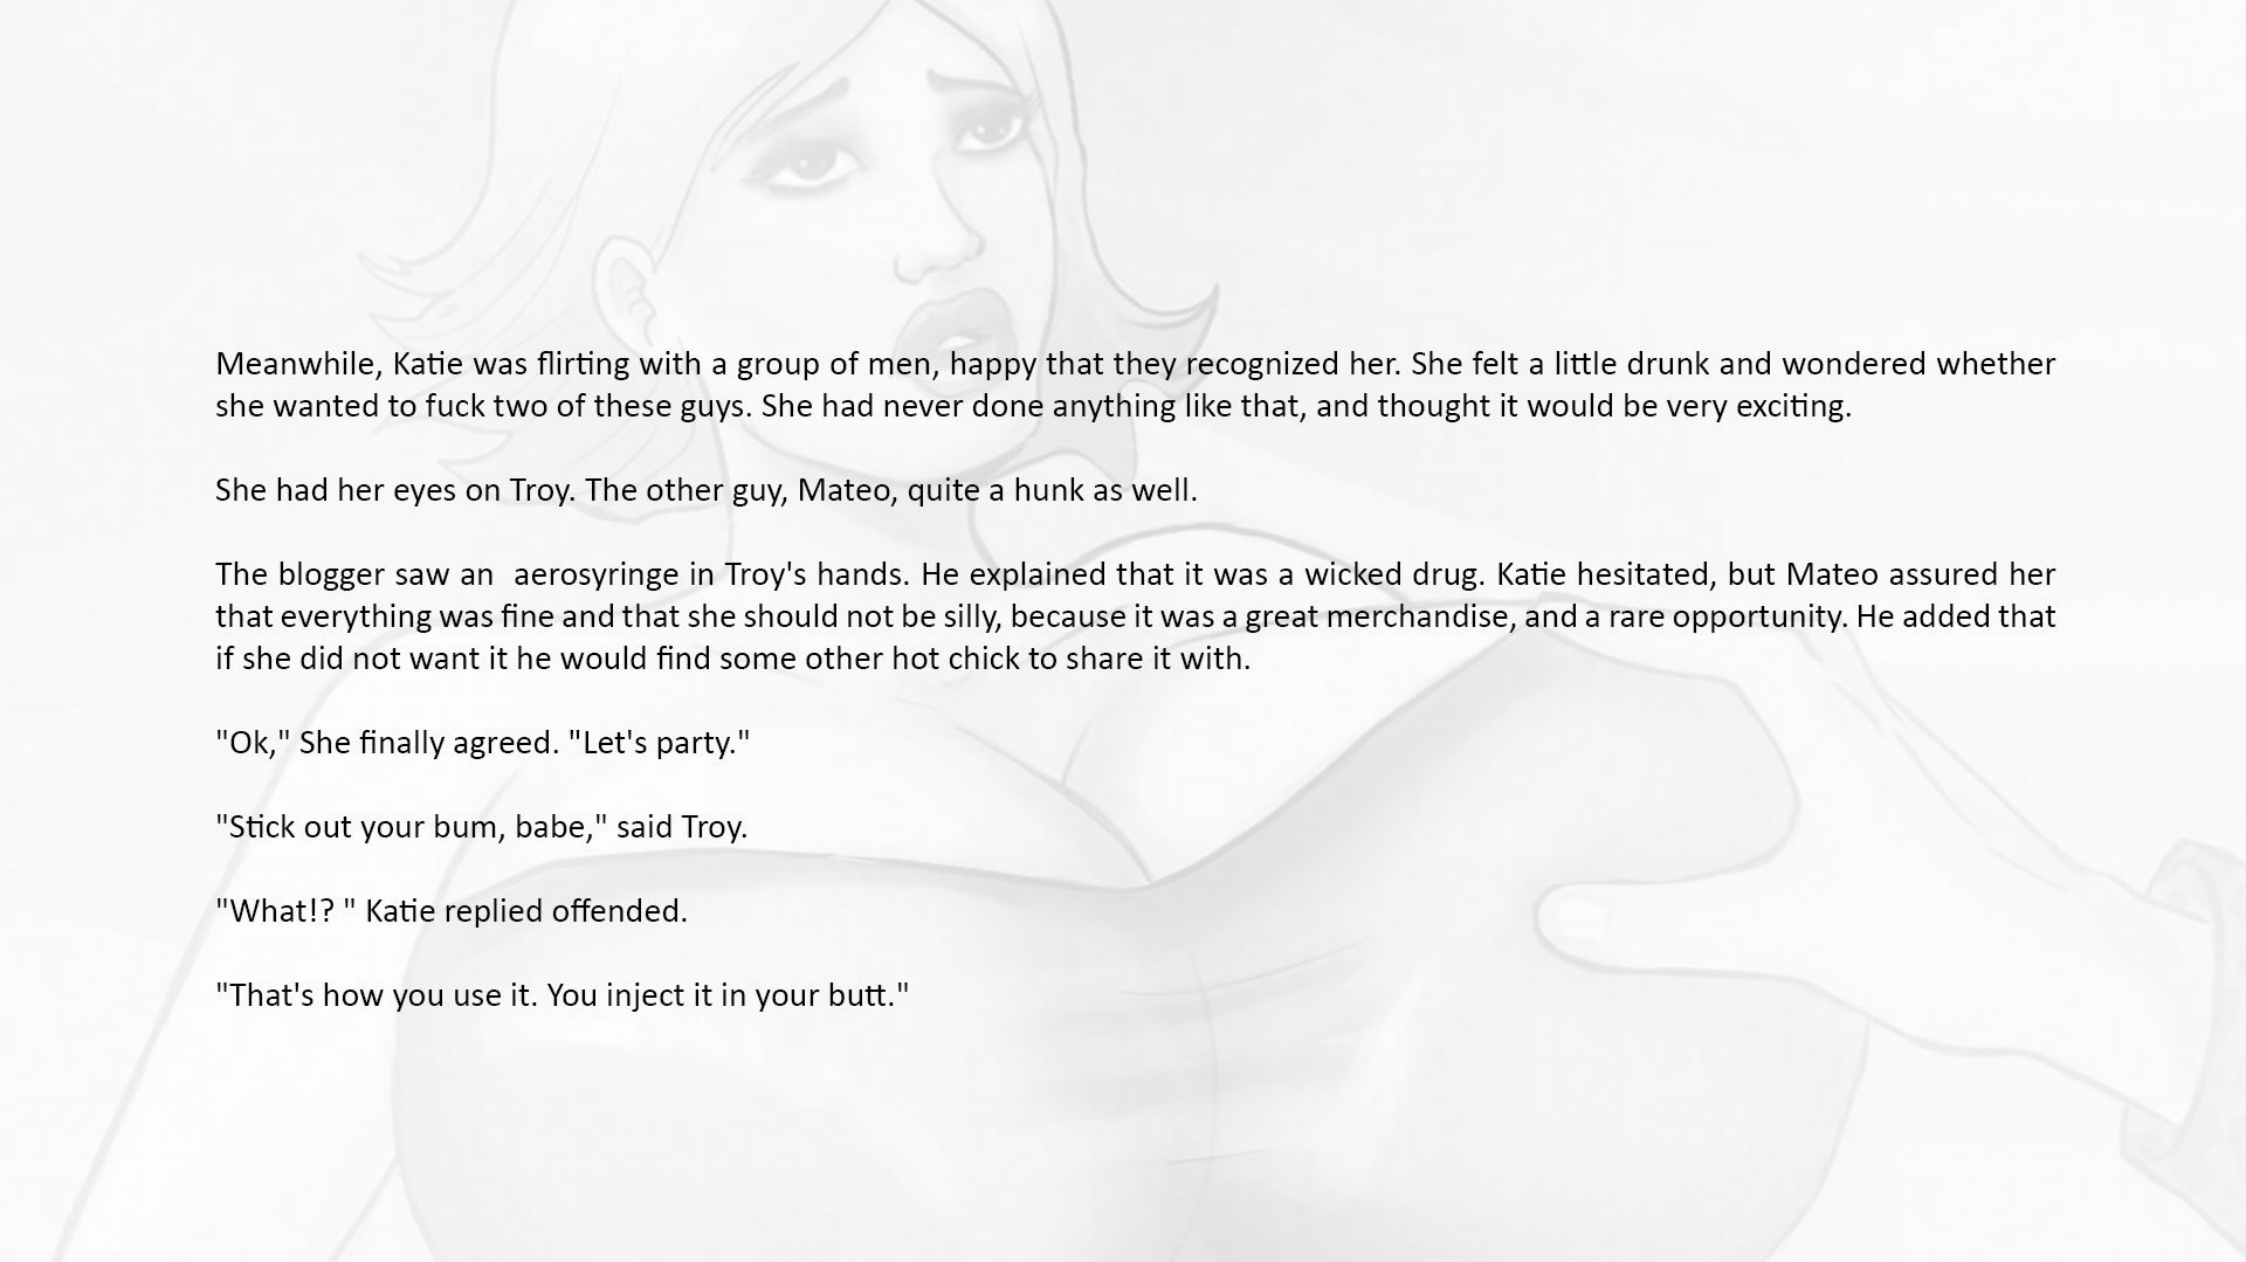

The think Katie feared the most was she would miss something, so when her friend Hannah invited her to a party full of 'real mafia guys' she agreed without hesitation.

It took her a long time to decide what to wear to make a good impression. She had heard that these guys' girlfriends really paid attention to their looks, so she had to make sure she wore the coolest, most fashionable outfit to be able to compete with them. She had never fucked with a real mobster and this idea seemed extremely exciting to her.

When Katie got inside she was captivated by the presence of so many good-looking, wealthy men. The moment she saw them she knew the night would be great. She also noticed some petite Asian woman eyeing her and she felt a little uncomfortable because of that.

The Asian named Thai-Ling thought that the young woman, Kitten, had potential. She was known for some silly video blog. Maybe she could get associated with *Blooming Lotus*. That would generate quite the publicity.

Meanwhile, Katie was flirting with a group of men, happy that they recognized her. She felt a little drunk and wondered whether she wanted to fuck two of these guys. She had never done anything like that, and thought it would be very exciting.

She had her eyes on Troy. The other guy, Mateo, quite a hunk as well.

The blogger saw an aerosyringe in Troy's hands. He explained that it was a wicked drug. Katie hesitated, but Mateo assured her that everything was fine and that she should not be silly, because it was a great merchandise, and a rare opportunity. He added that if she did not want it he would find some other hot chick to share it with.

"Ok," She finally agreed. "Let's party."

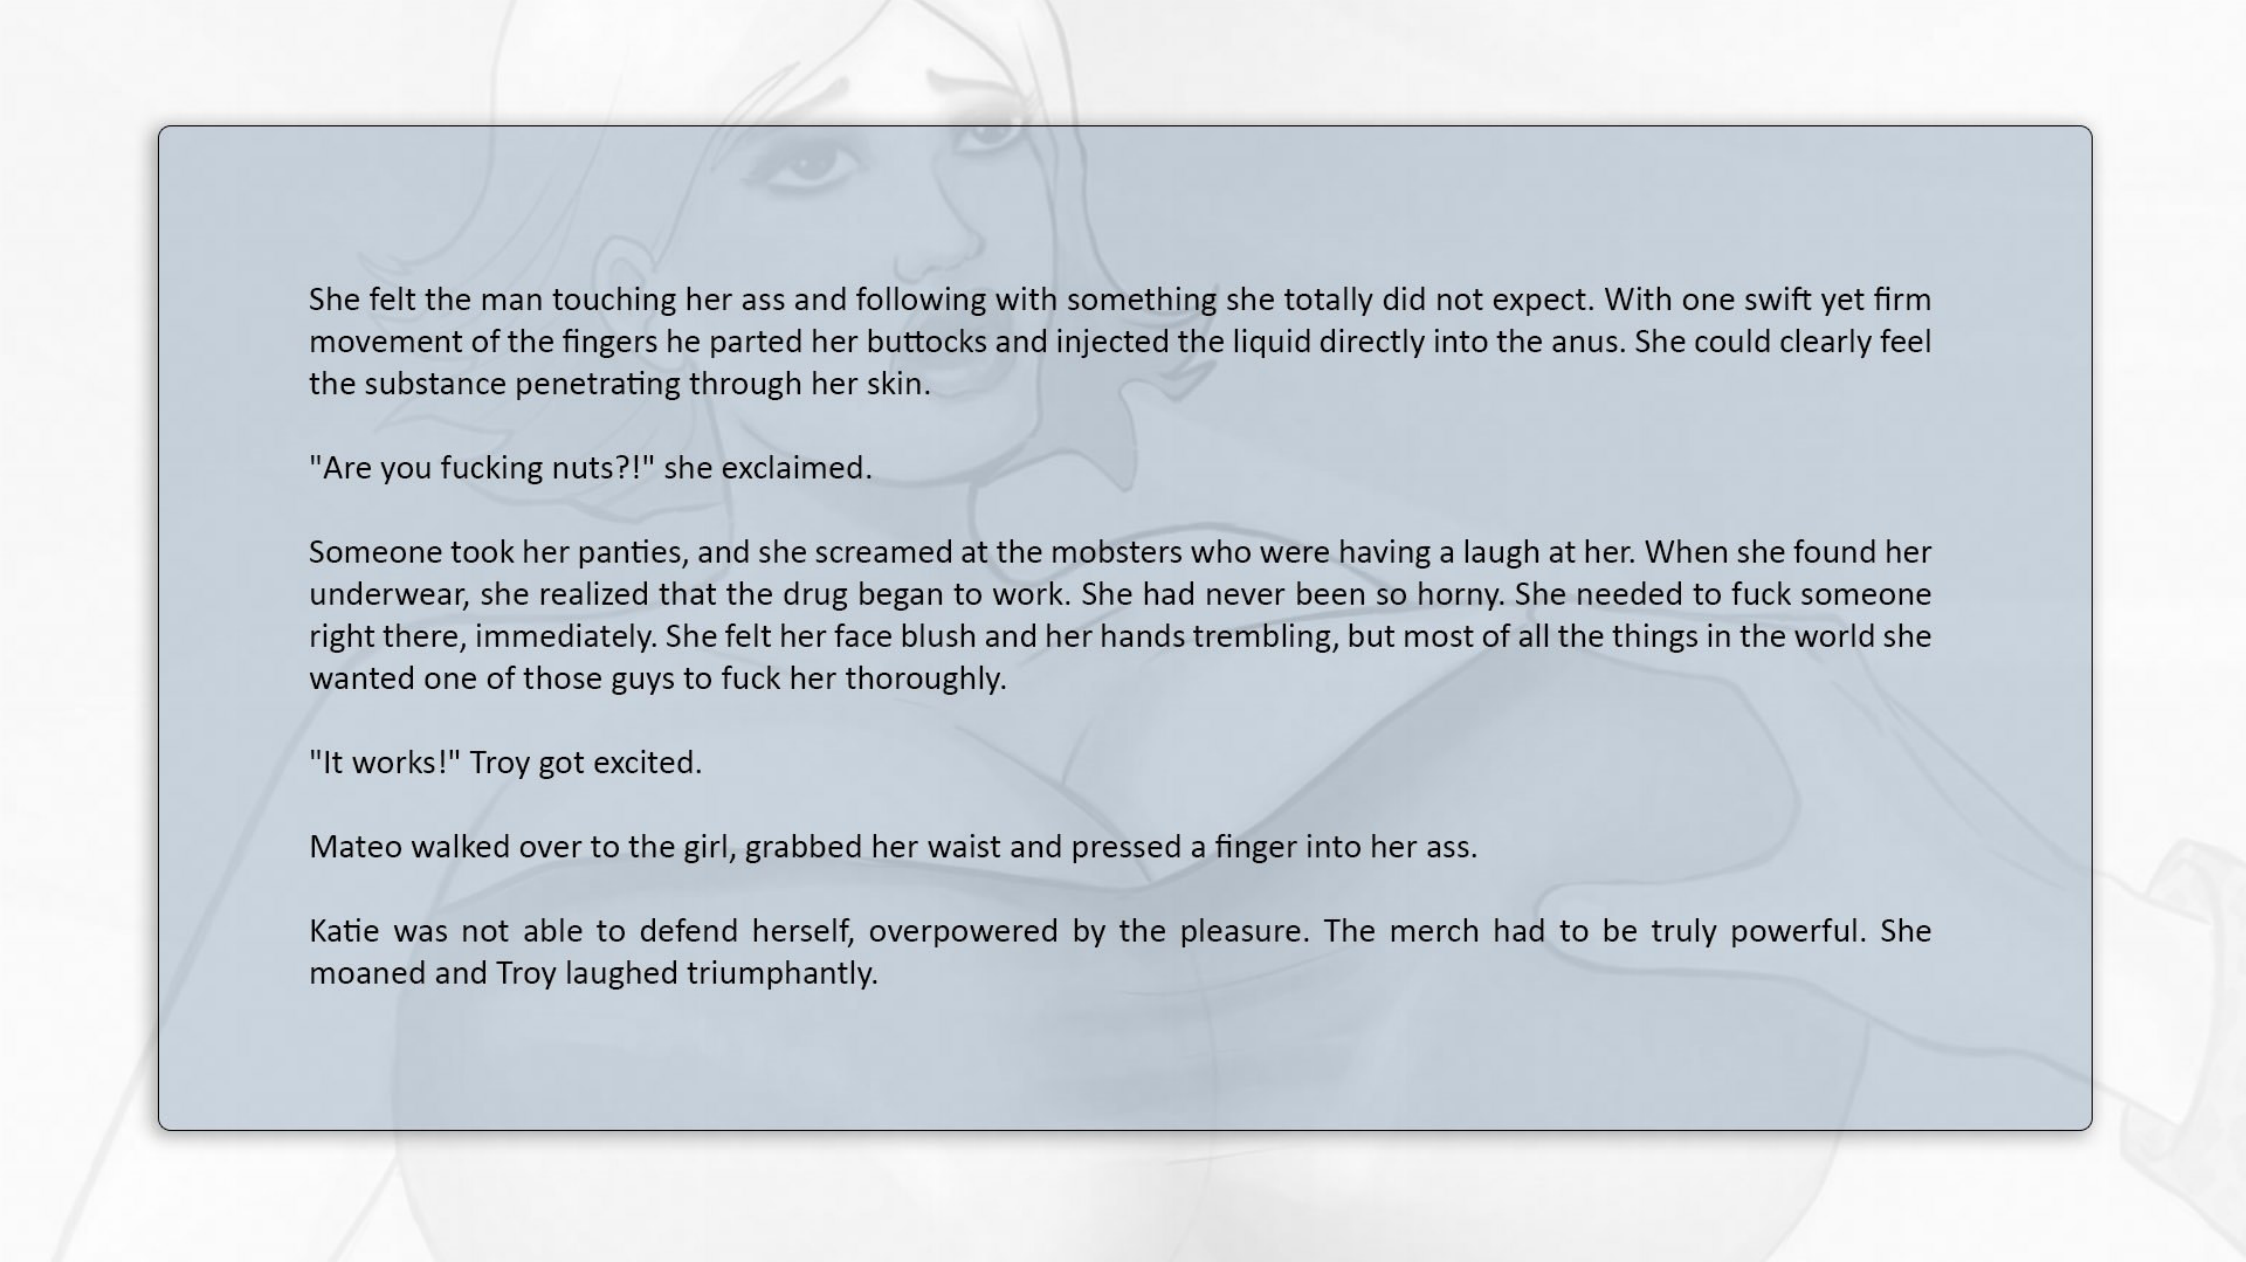

"Stick out your bum, babe," said Troy.

"What!?" Katie replied offended.

"That's how you use it. You inject it in your butt."

In the end, she agreed to go for it, and even felt arousal from the fact that everyone was looking at her bare buttocks.

She felt the man touching her ass and following with something she totally did not expect. With one swift yet firm movement of the fingers he parted her buttocks and injected the liquid directly into the anus. She could clearly feel the substance penetrating through her skin.

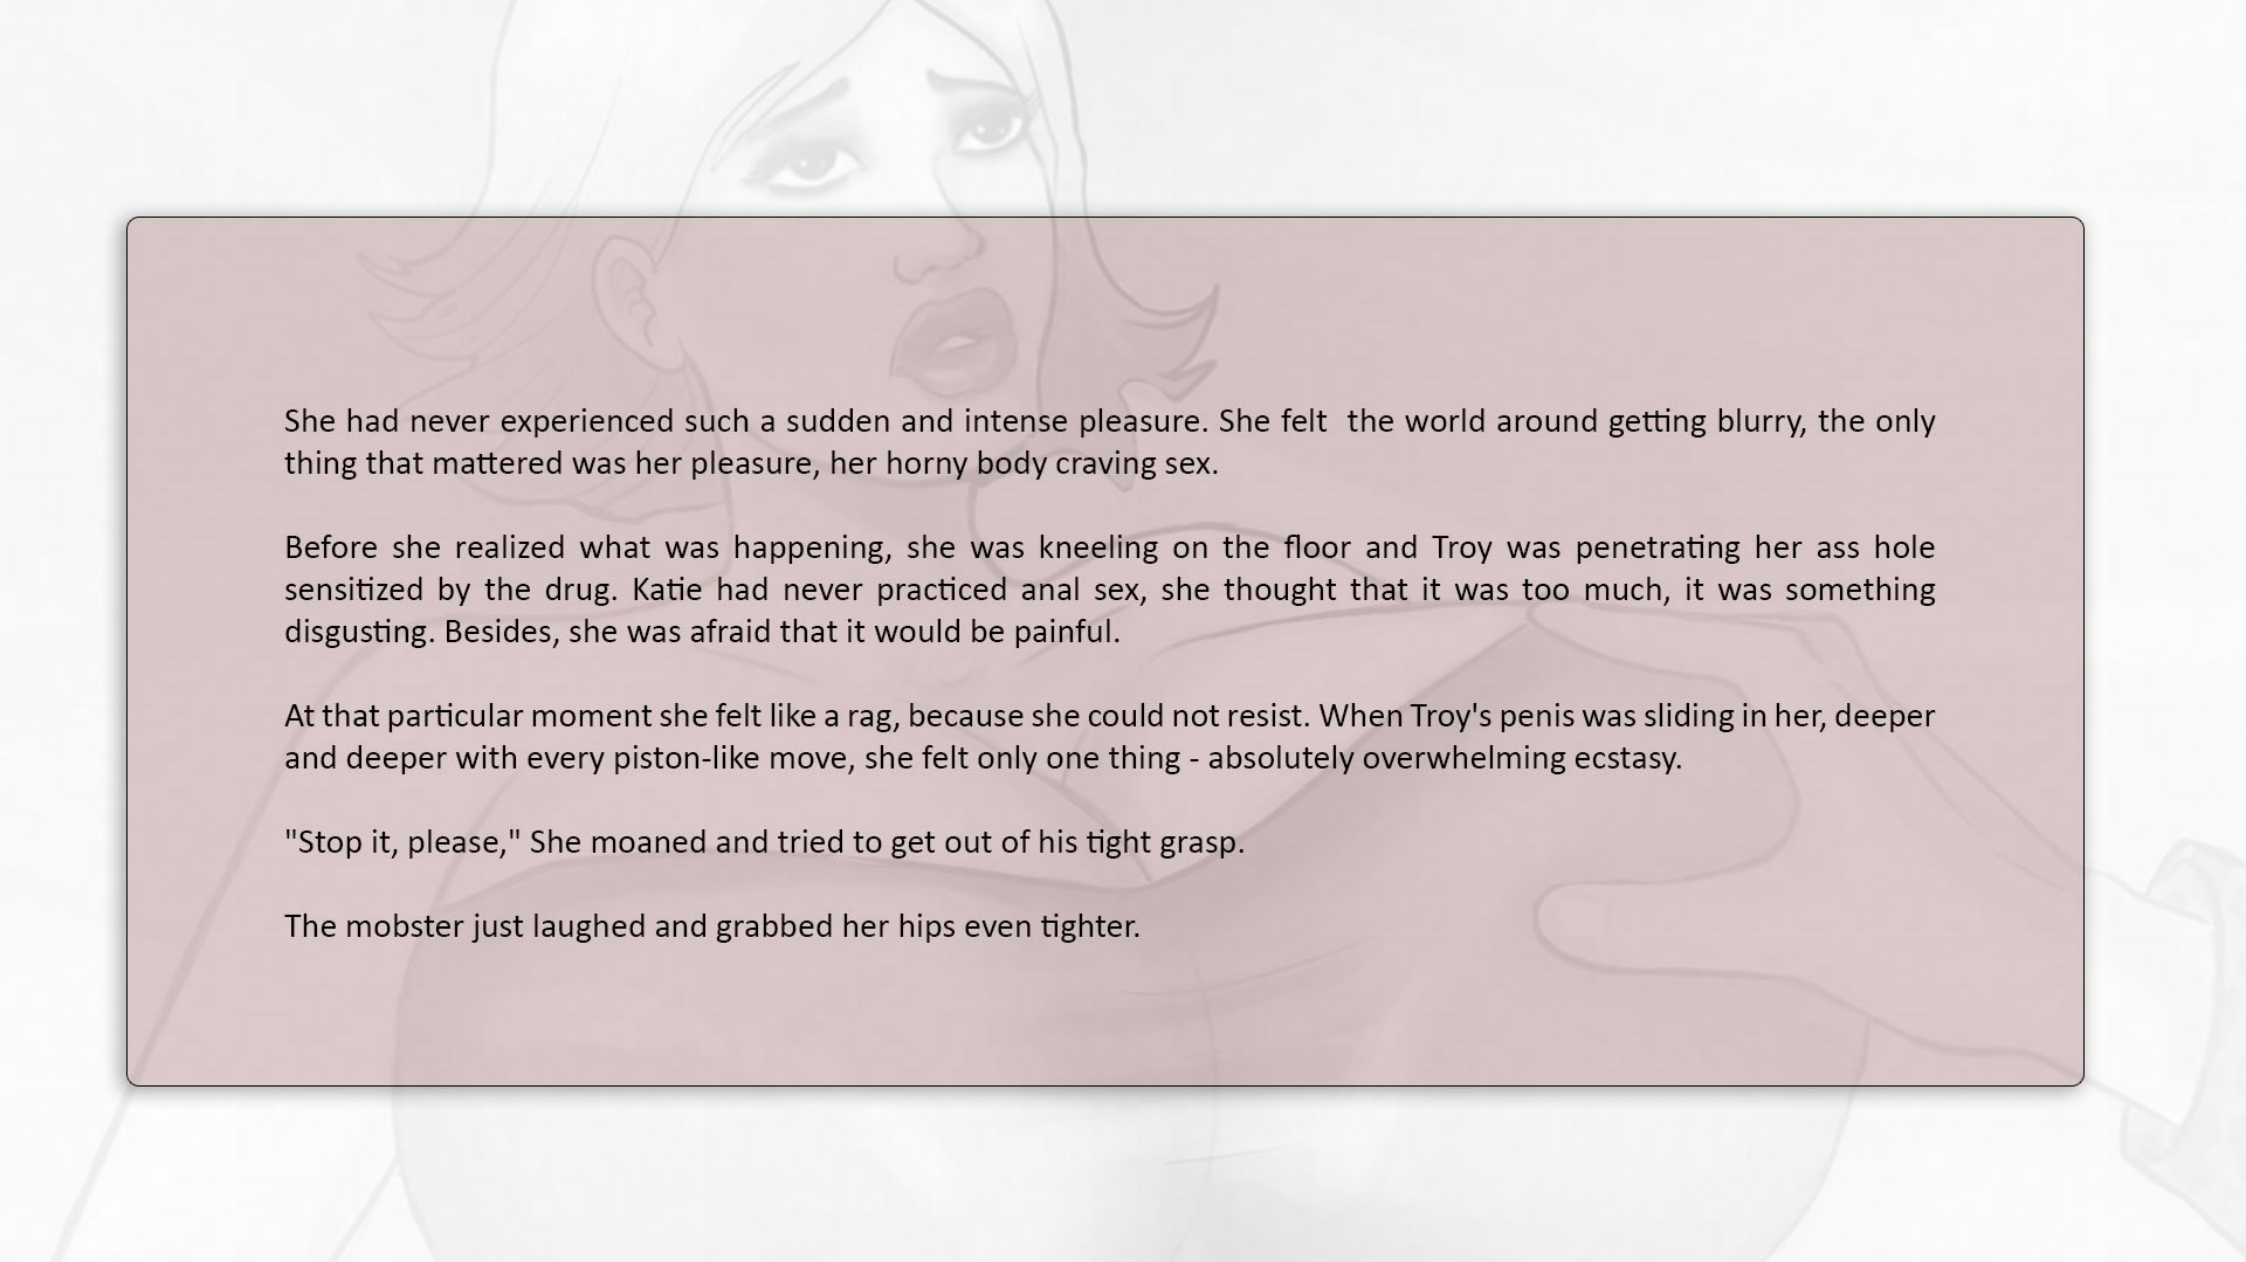

"Are you fucking nuts?!" she exclaimed.

Someone took her panties, and she screamed at the mobsters who were having a laugh at her. When she found her underwear, she realized that the drug began to work. She had never been so horny. She needed to fuck someone right there, immediately. She felt her face blush and her hands trembling, but most of all the things in the world she wanted one of those guys to fuck her thoroughly.

"It works!" Troy got excited.

Mateo walked over to the girl, grabbed her waist and pressed a finger into her ass.

Katie was not able to defend herself, overpowered by the pleasure. The merch had to be truly powerful. She moaned and Troy laughed triumphantly.

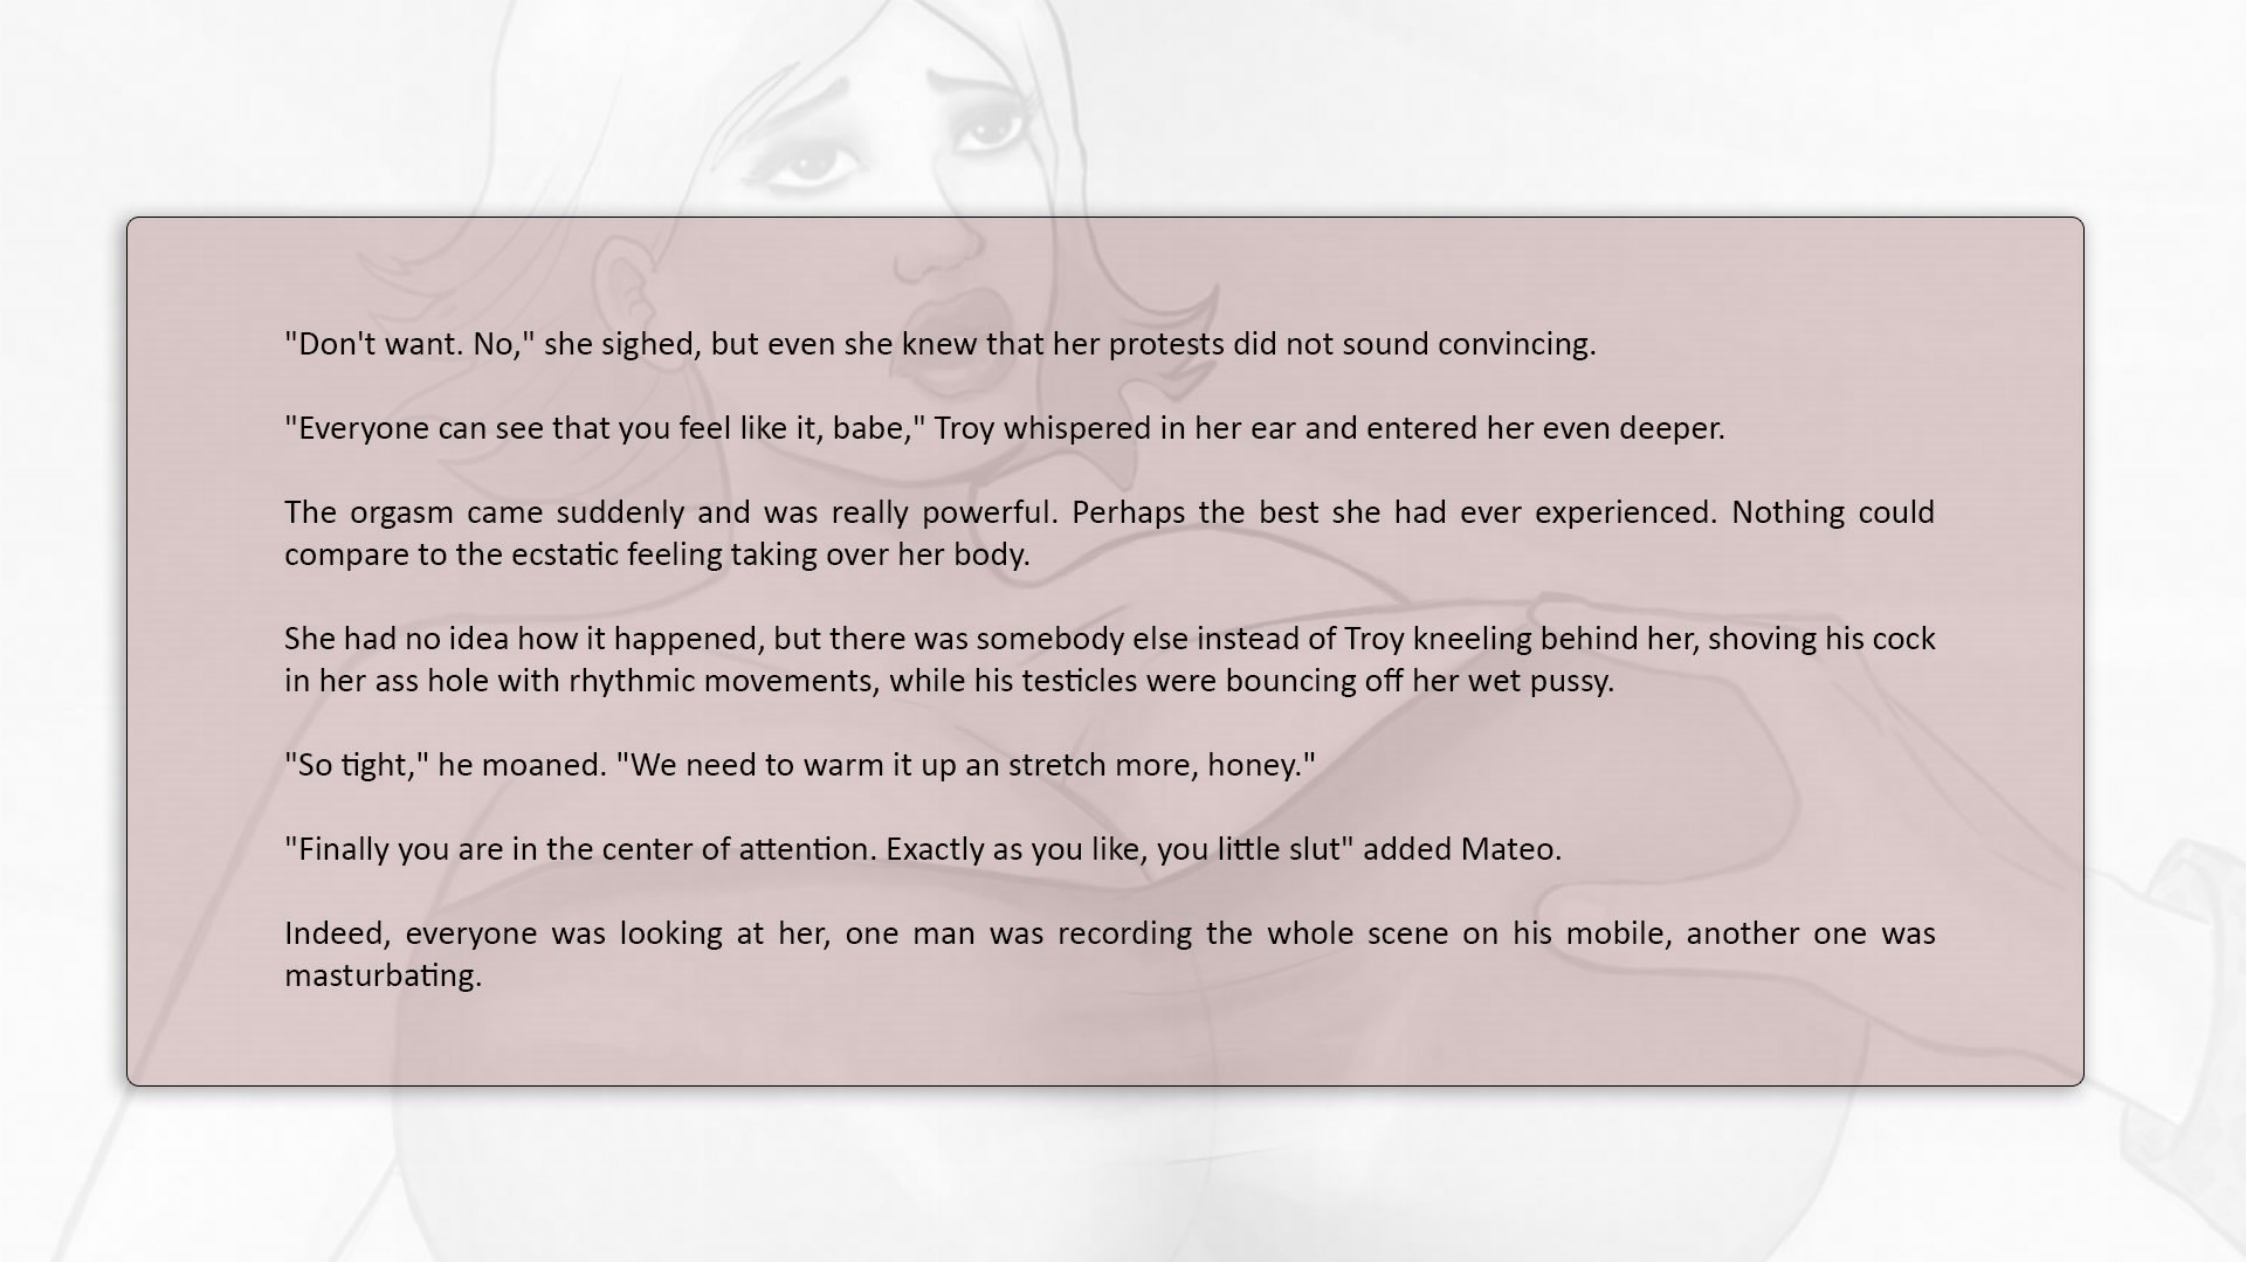

She had never experienced such a sudden and intense pleasure. She felt the world around getting blurry, the only thing that mattered was her pleasure, her horny body craving sex.

Before she realized what was happening, she was kneeling on the floor and Troy was penetrating her ass hole sensitized by the drug. Katie had never practiced anal sex, she thought that it was too much, it was something disgusting. Besides, she was afraid that it would be painful.

At that particular moment she felt like a rag, because she could not resist. When Troy's penis was sliding in her, deeper and deeper with every piston-like move, she felt only one thing - absolutely overwhelming ecstasy.

"Stop it, please," She moaned and tried to get out of his tight grasp.

The mobster just laughed and grabbed her hips even tighter.

"Don't want. No," she sighed, but even she knew that her protests did not sound convincing.

"Everyone can see that you feel like it, babe," Troy whispered in her ear and entered her even deeper.

The orgasm came suddenly and was really powerful. Perhaps the best she had ever experienced. Nothing could compare to the ecstatic feeling taking over her body.

She had no idea how it happened, but there was somebody else instead of Troy kneeling behind her, shoving his cock in her ass hole with rhythmic movements, while his testicles were bouncing off her wet pussy.

"So tight," he moaned. "We need to warm it up an stretch more, honey."

"Finally you are in the center of attention. Exactly as you like, you little slut" added Mateo.

Indeed, everyone was looking at her, one man was recording the whole scene on his mobile, another one was masturbating.

Katie felt like a slut and really wanted to stand up for herself. However, one thing stood in the way. Her pleasure was too intense. Soon after that, she would not think about anything else. It didn't matter. One after another, the mobsters benefited from her aroused ass hole and she surrendered to the orgasmic sensation.

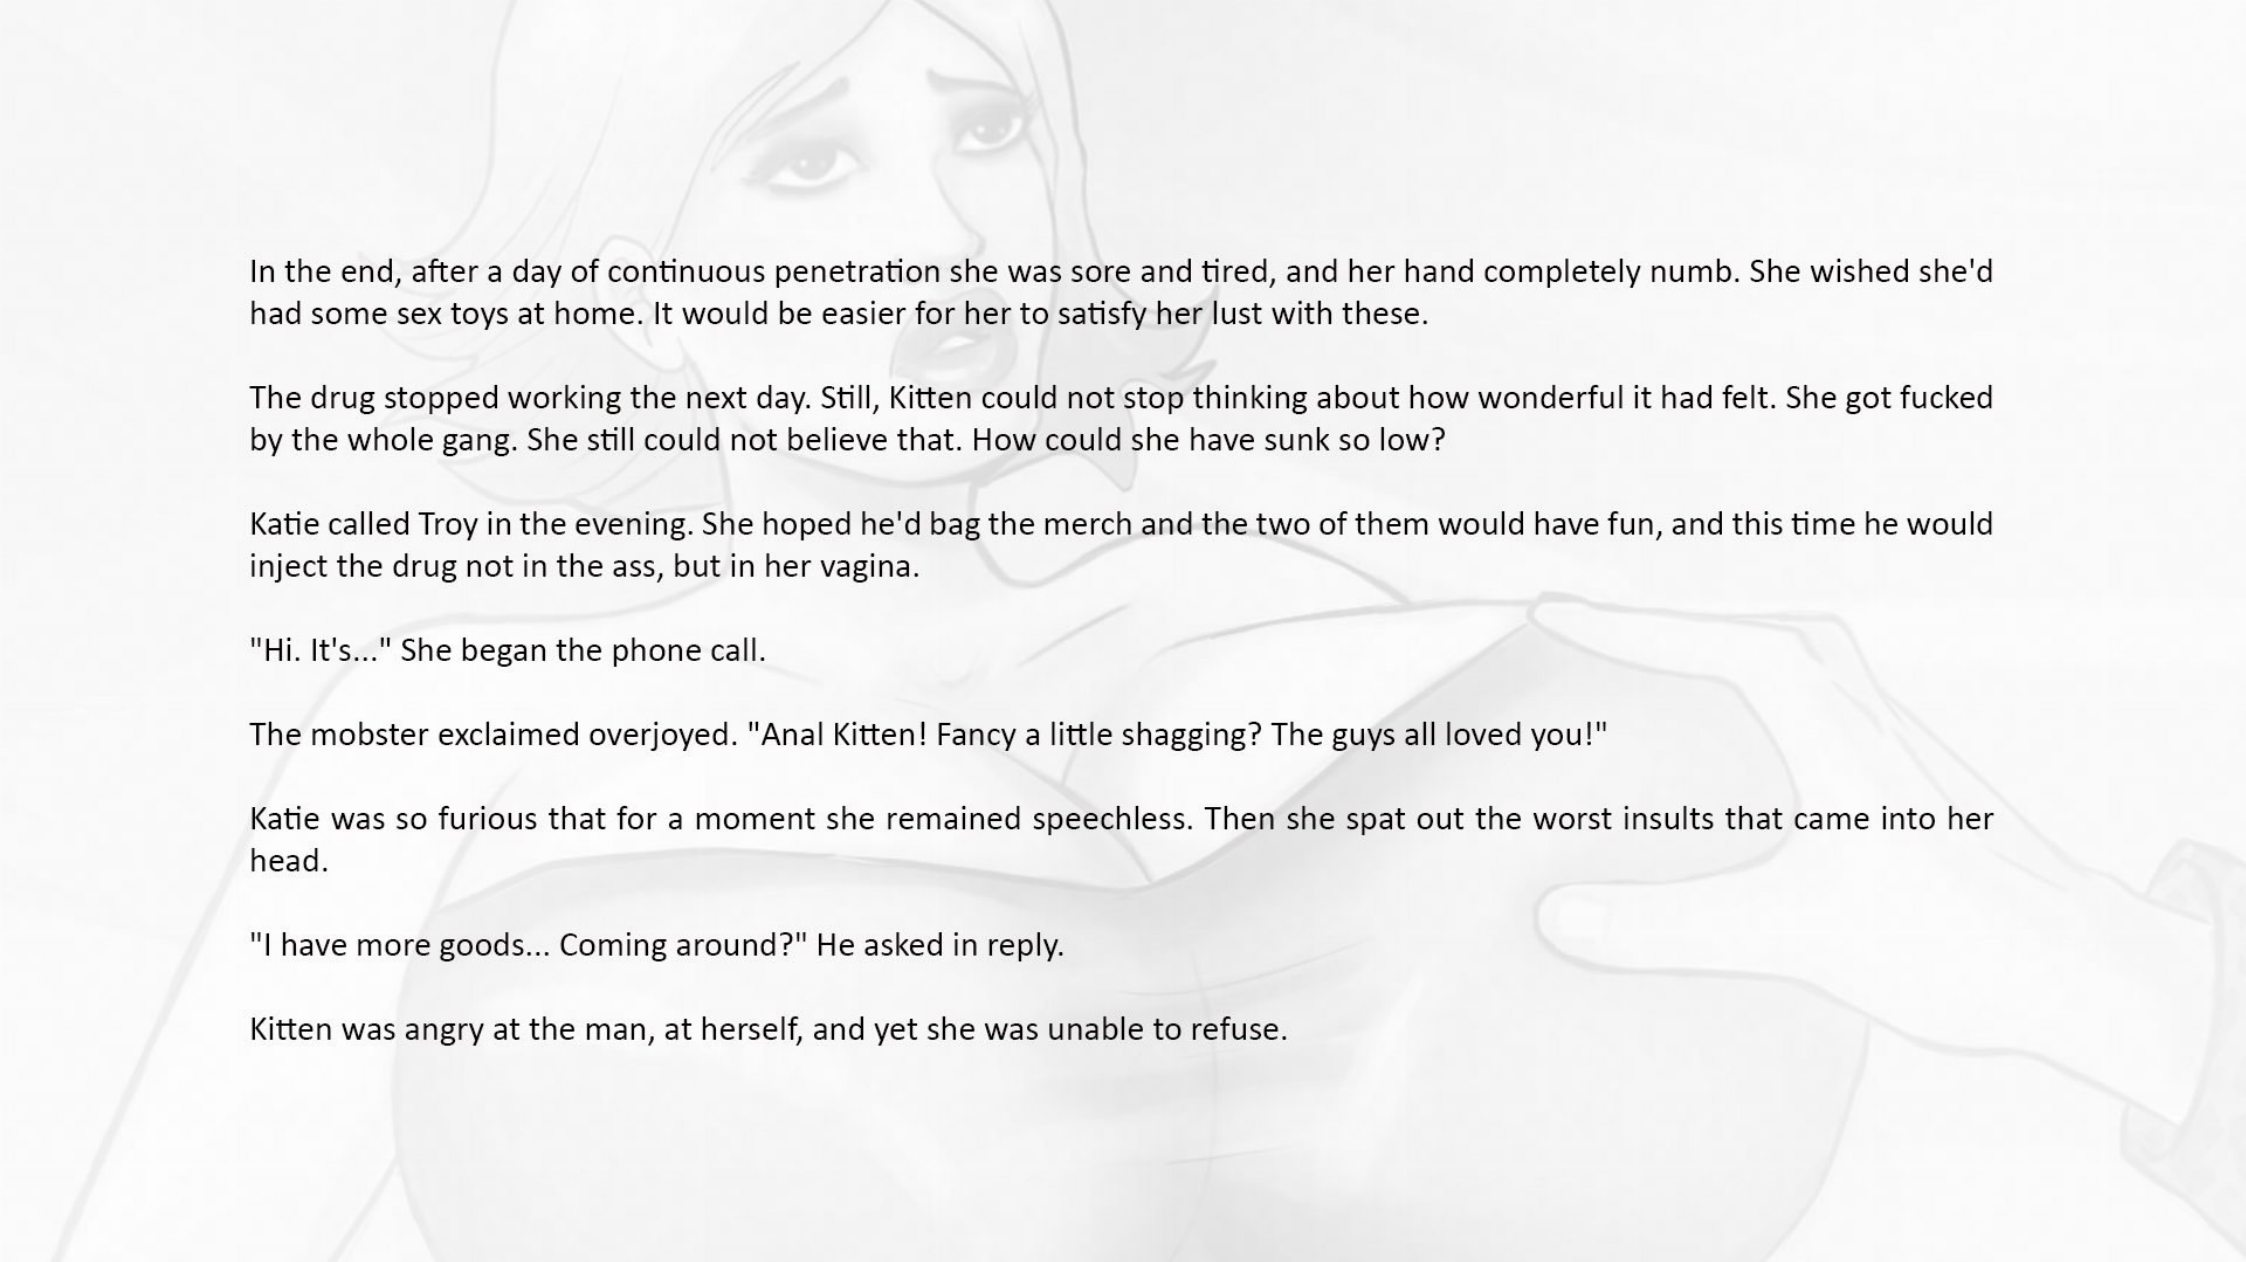

The next morning she woke up numb and sore. Her ass hole was red and sensitive. Despite that, Katie slid a finger inside and sighed with pleasure. She moved it inside the hole, and then added the second finger. Soon another one followed.

She knew that she behaved like a total slut at the party. She felt bad about it and she was too ashamed to think about what had happened, yet she could not stop caressing her ass. She had never thought that sex could be so enjoyable. That night she was on a heavenly trip and she really wanted more.

Her butt still hurt, but the pleasure was more intense than the pain. The drug in her body had obviously weakened, but it was still very, very pleasurable.

In the end, after a day of continuous penetration she was sore and tired, and her hand completely numb. She wished she'd had some sex toys at home. It would be easier for her to satisfy her lust with these.

The drug stopped working the next day. Still, Kitten could not stop thinking about how wonderful it had felt. She got fucked by the whole gang. She still could not believe that. How could she have sunk so low?

Katie called Troy in the evening. She hoped he'd bag the merch and the two of them would have fun, and this time he would inject the drug not in the ass, but in her vagina.

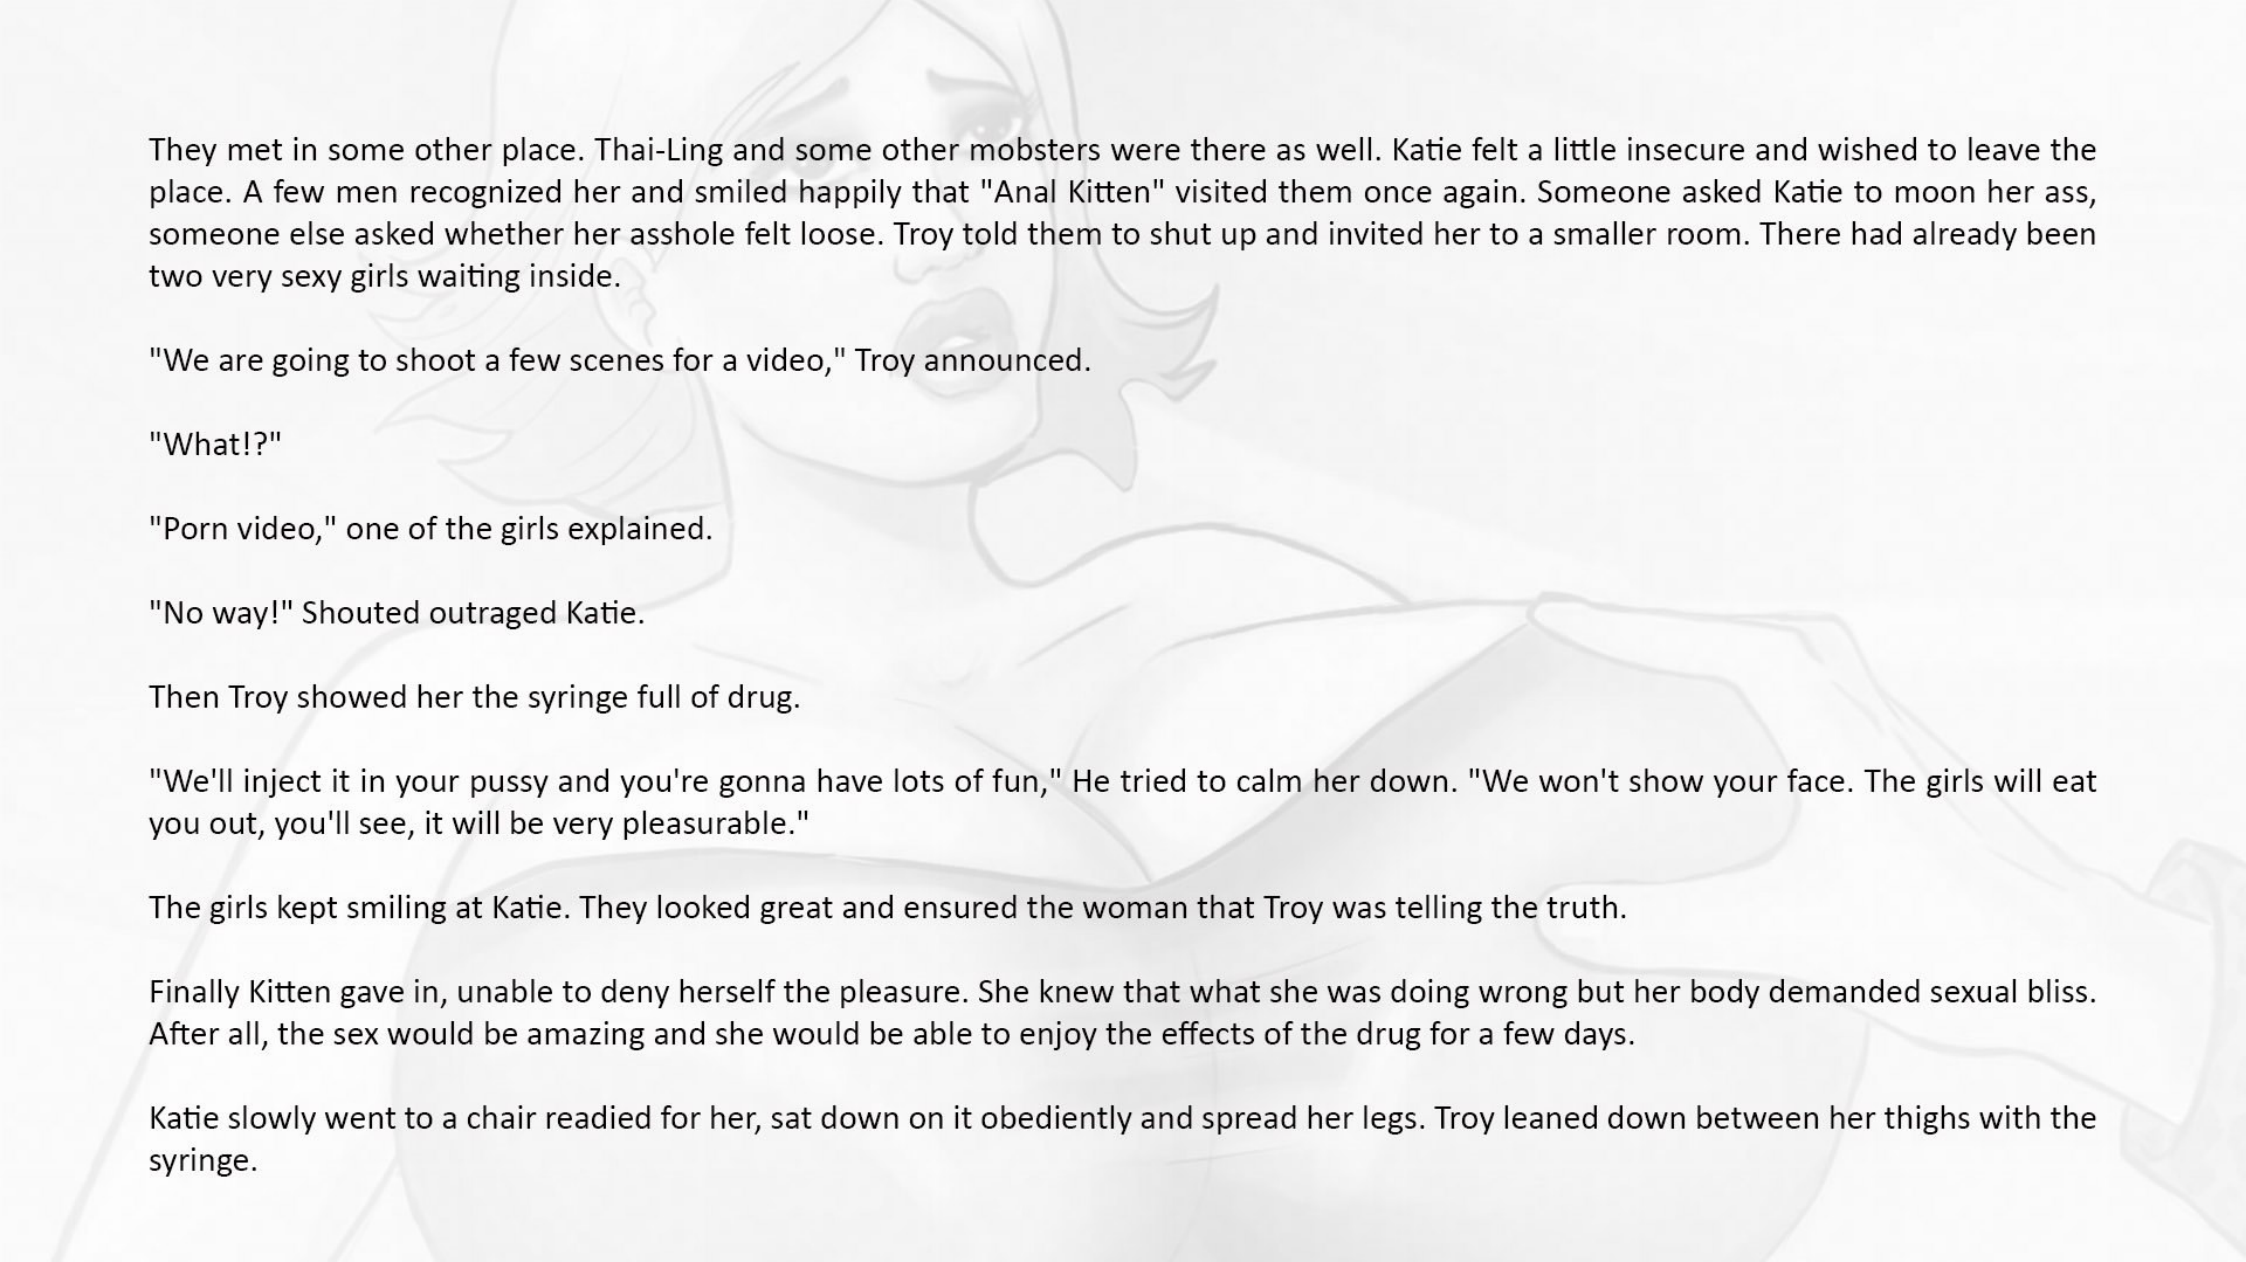

"Hi. It's..." She began the phone call.

The mobster exclaimed overjoyed. "Anal Kitten! Fancy a little shagging? The guys all loved you!"

Katie was so furious that for a moment she remained speechless. Then she spat out the worst insults that came into her head.

"I have more goods... Coming around?" He asked in reply.

Kitten was angry at the man, at herself, and yet she was unable to refuse.

They met in some other place. Thai-Ling and some other mobsters were there as well. Katie felt a little insecure and wished to leave the place. A few men recognized her and smiled happily that "Anal Kitten" visited them once again. Someone asked Katie to moon her ass, someone else asked whether her asshole felt loose. Troy told them to shut up and invited her to a smaller room. There had already been two very sexy girls waiting inside.

"We are going to shoot a few scenes for a video," Troy announced.

"What!?"

"Porn video," one of the girls explained.

"No way!" Shouted outraged Katie.

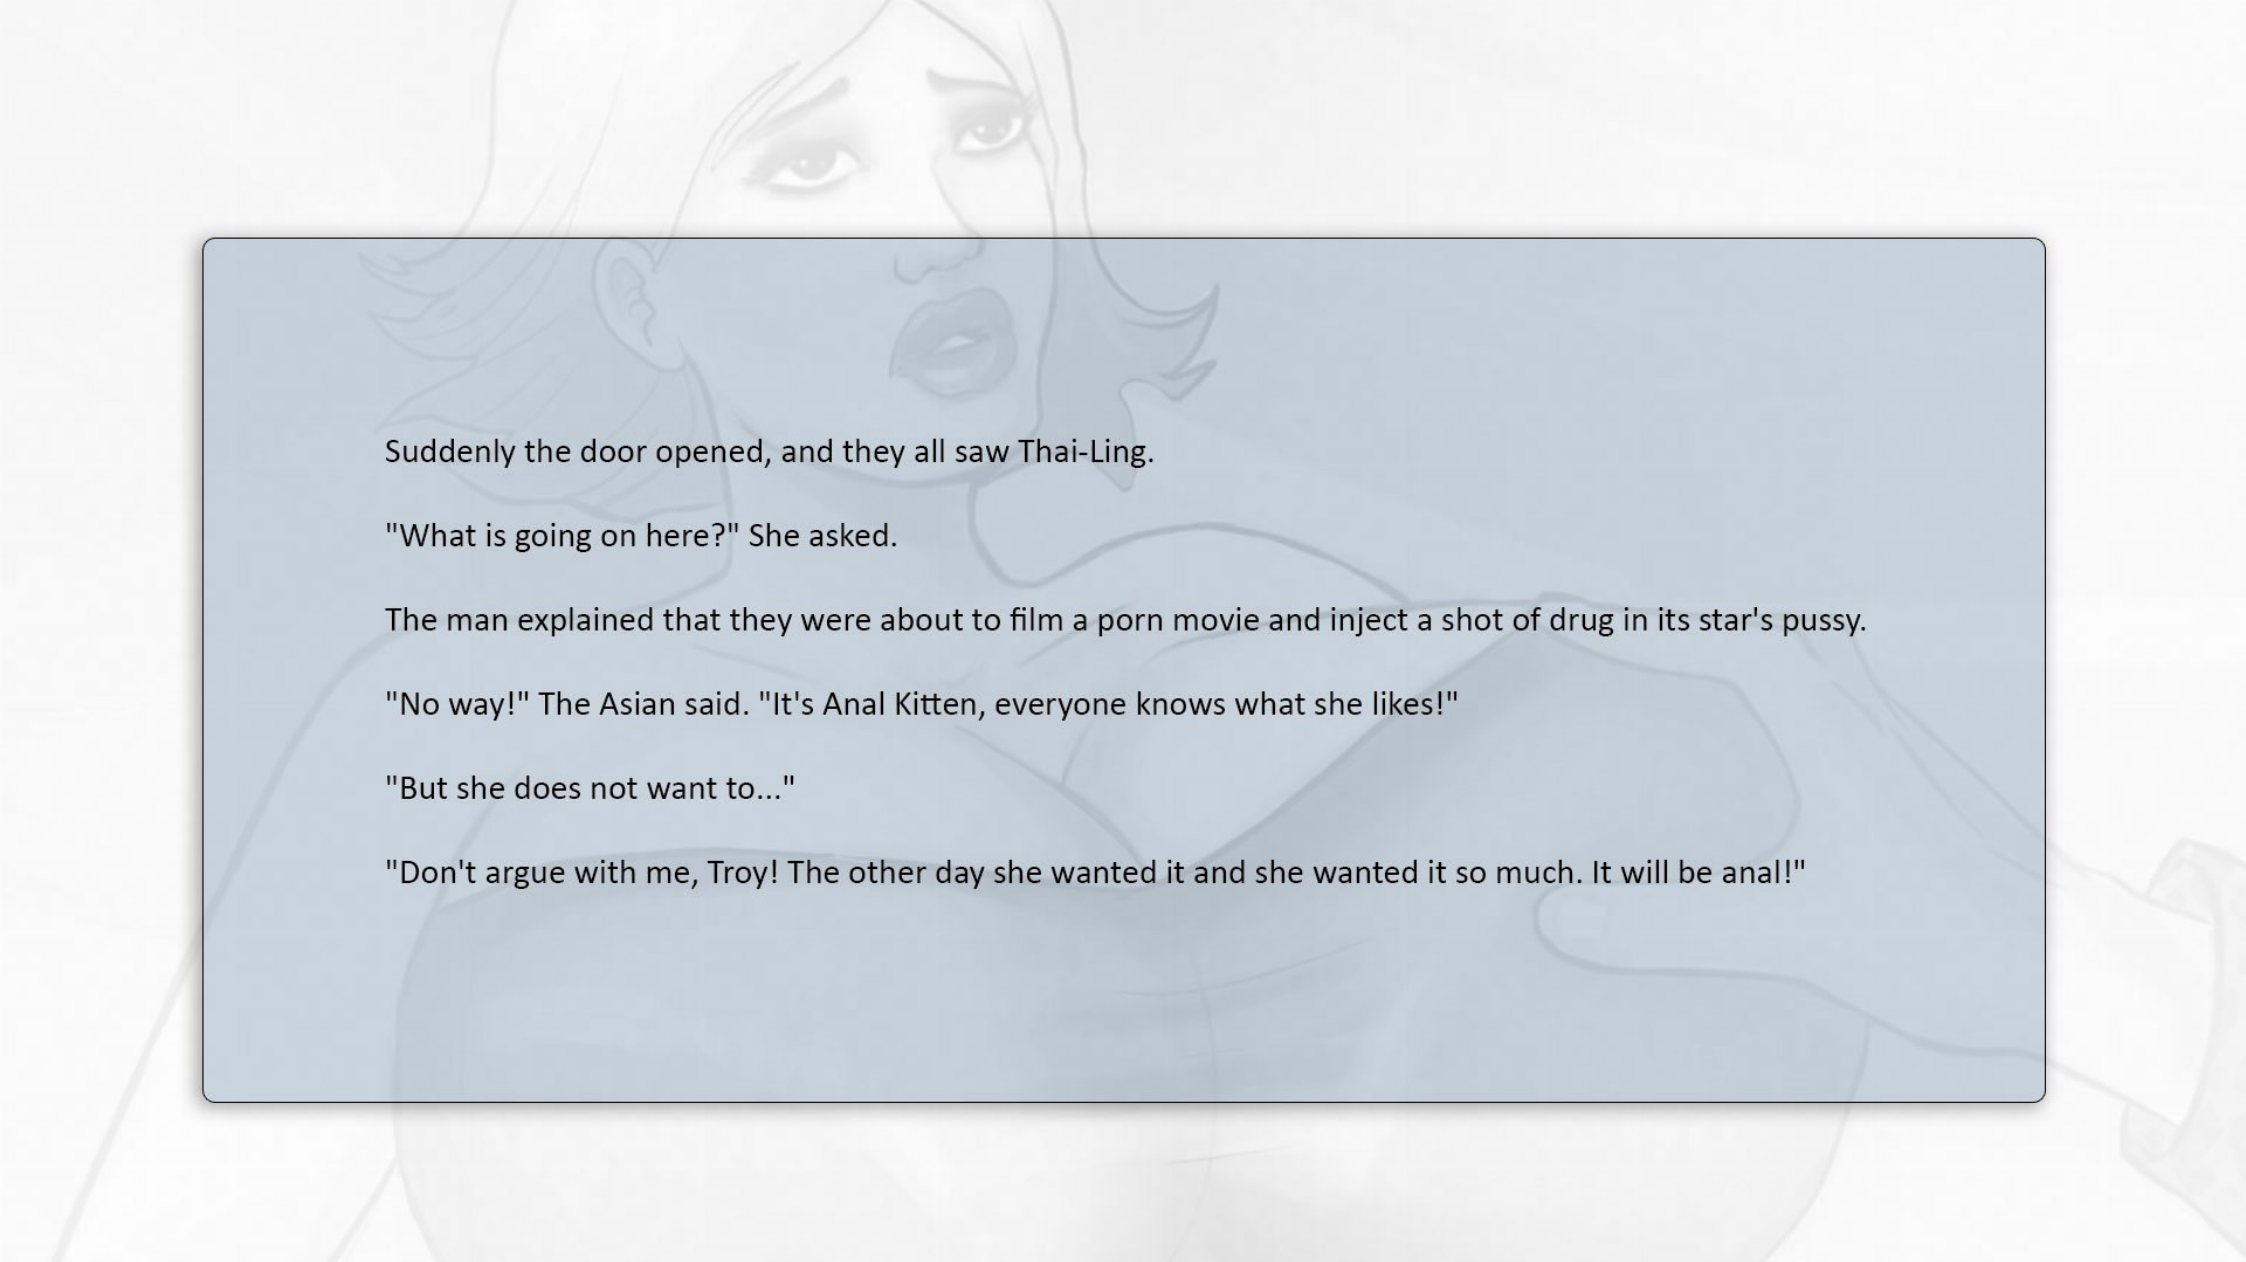

Then Troy showed her the syringe full of drug.

"We'll inject it in your pussy and you're gonna have lots of fun," He tried to calm her down. "We won't show your face. The girls will eat you out, you'll see, it will be very pleasurable."

The girls kept smiling at Katie. They looked great and ensured the woman that Troy was telling the truth.

Finally Kitten gave in, unable to deny herself the pleasure. She knew that what she was doing wrong but her body demanded sexual bliss. After all, the sex would be amazing and she would be able to enjoy the effects of the drug for a few days.

Katie slowly went to a chair readied for her, sat down on it obediently and spread her legs. Troy leaned down between her thighs with the syringe.

Suddenly the door opened, and they all saw Thai-Ling.

"What is going on here?" She asked.

The man explained that they were about to film a porn movie and inject a shot of drug in its star's pussy.

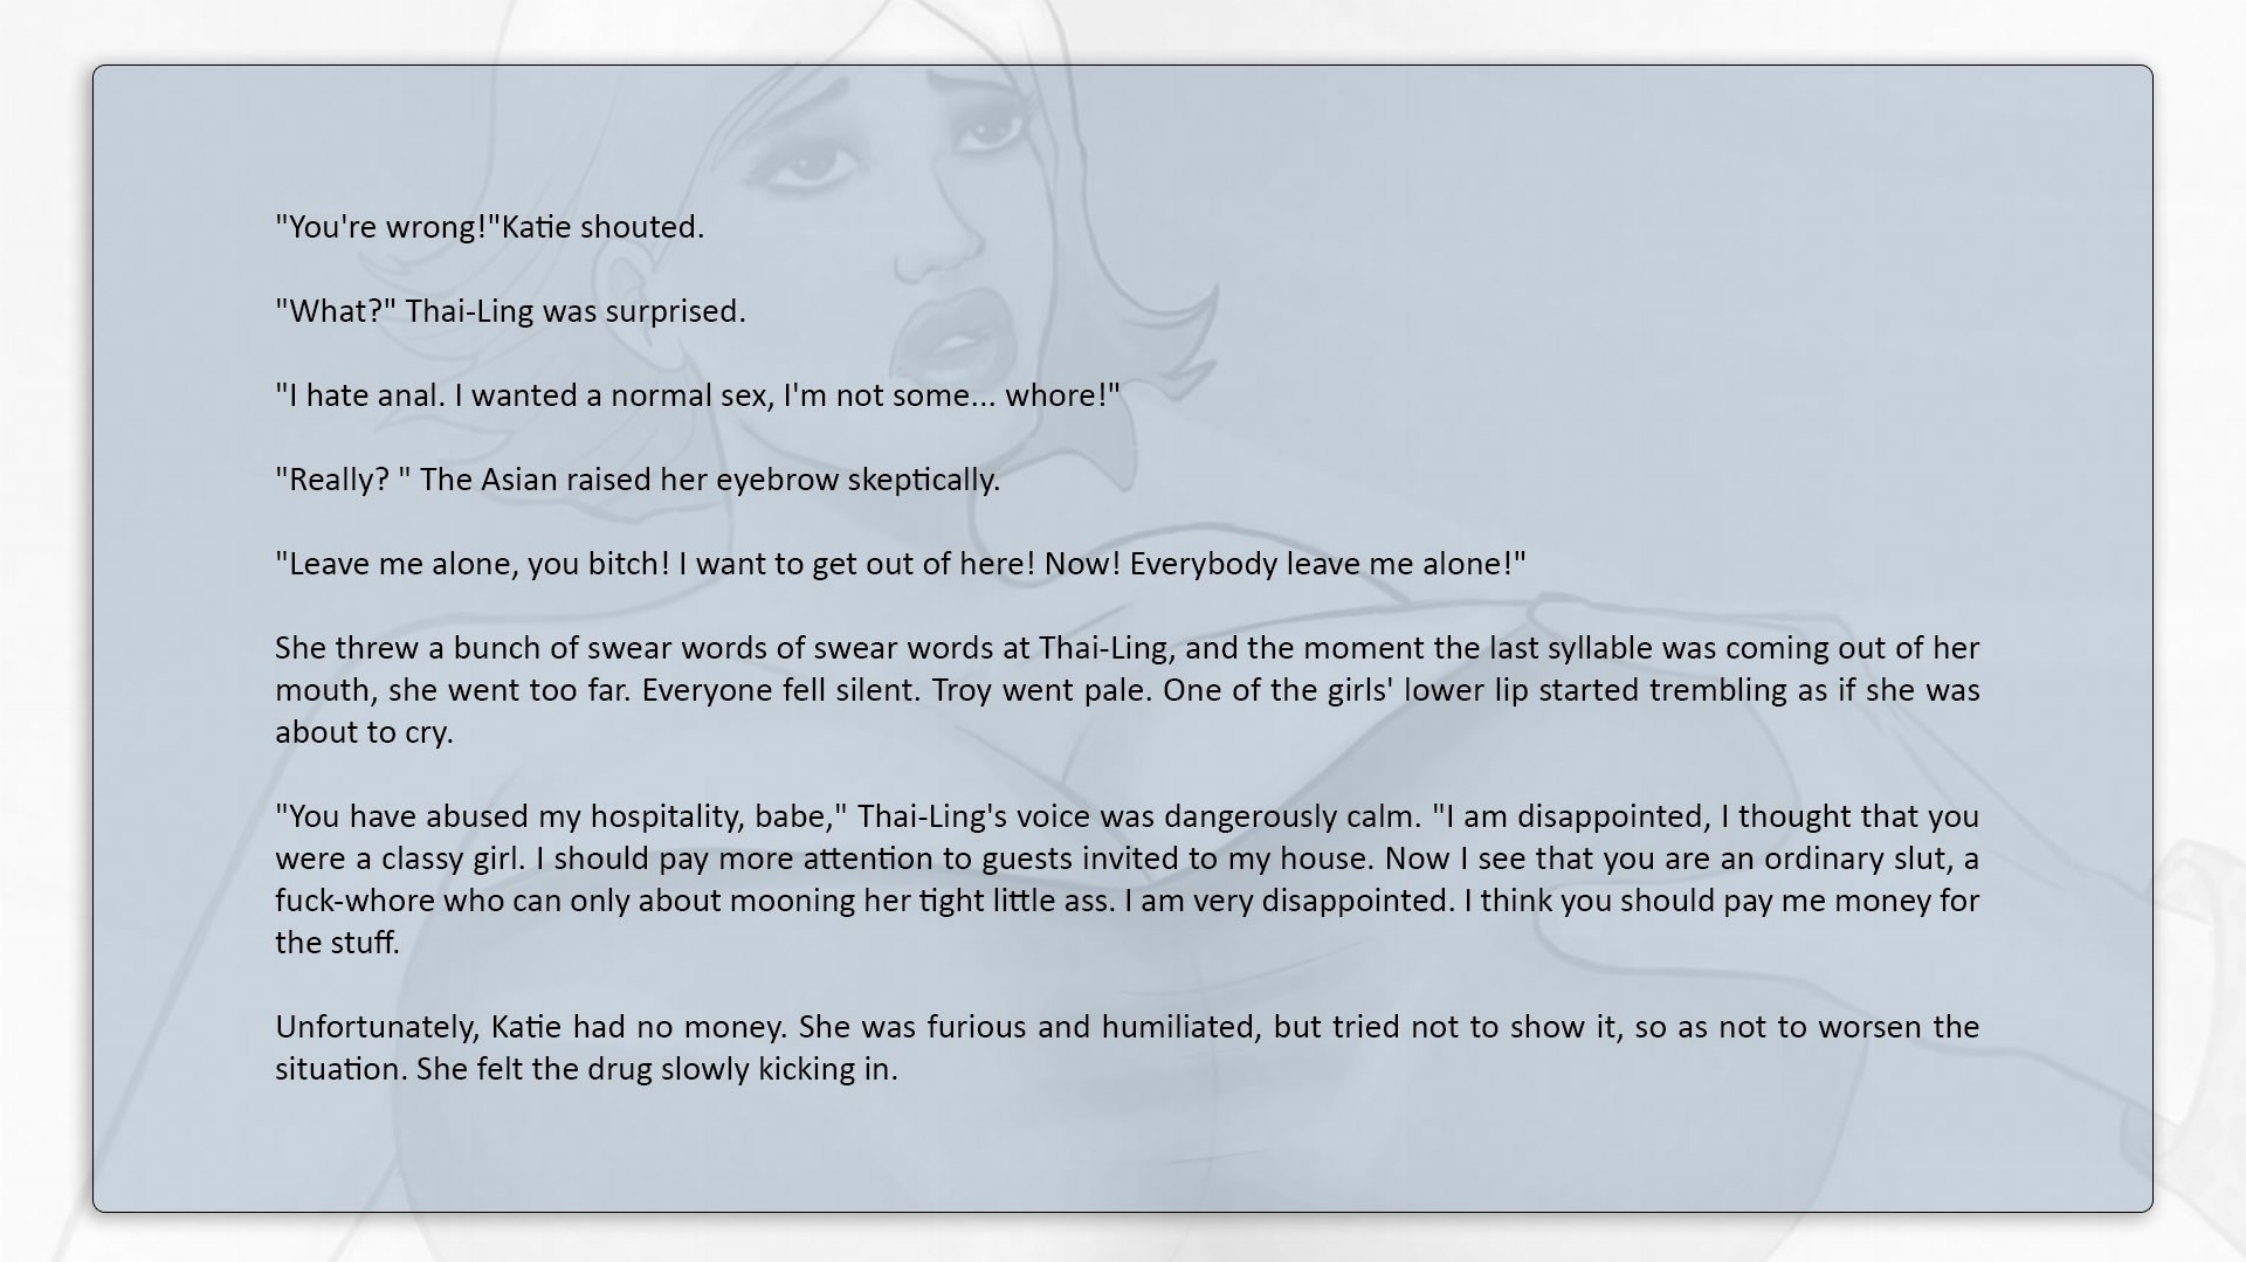

"No way!" The Asian said. "It's Anal Kitten, everyone knows what she likes!"

"But she does not want to..."

"Don't argue with me, Troy! The other day she wanted it and she wanted it so much. It will be anal!"

The girls strapped Katie to the chair in a flash. She struggled and screamed when Troy injected the drug between her buttocks. She felt the dose filling the body. Tears of helplessness and rage flowed down her cheeks.

"You're wrong!" Katie shouted.

"What?" Thai-Ling was surprised.

"I hate anal. I wanted a normal sex, I'm not some... whore!"

"Really?" The Asian raised her eyebrow skeptically.

"Leave me alone, you bitch! I want to get out of here! Now! Everybody leave me alone!"

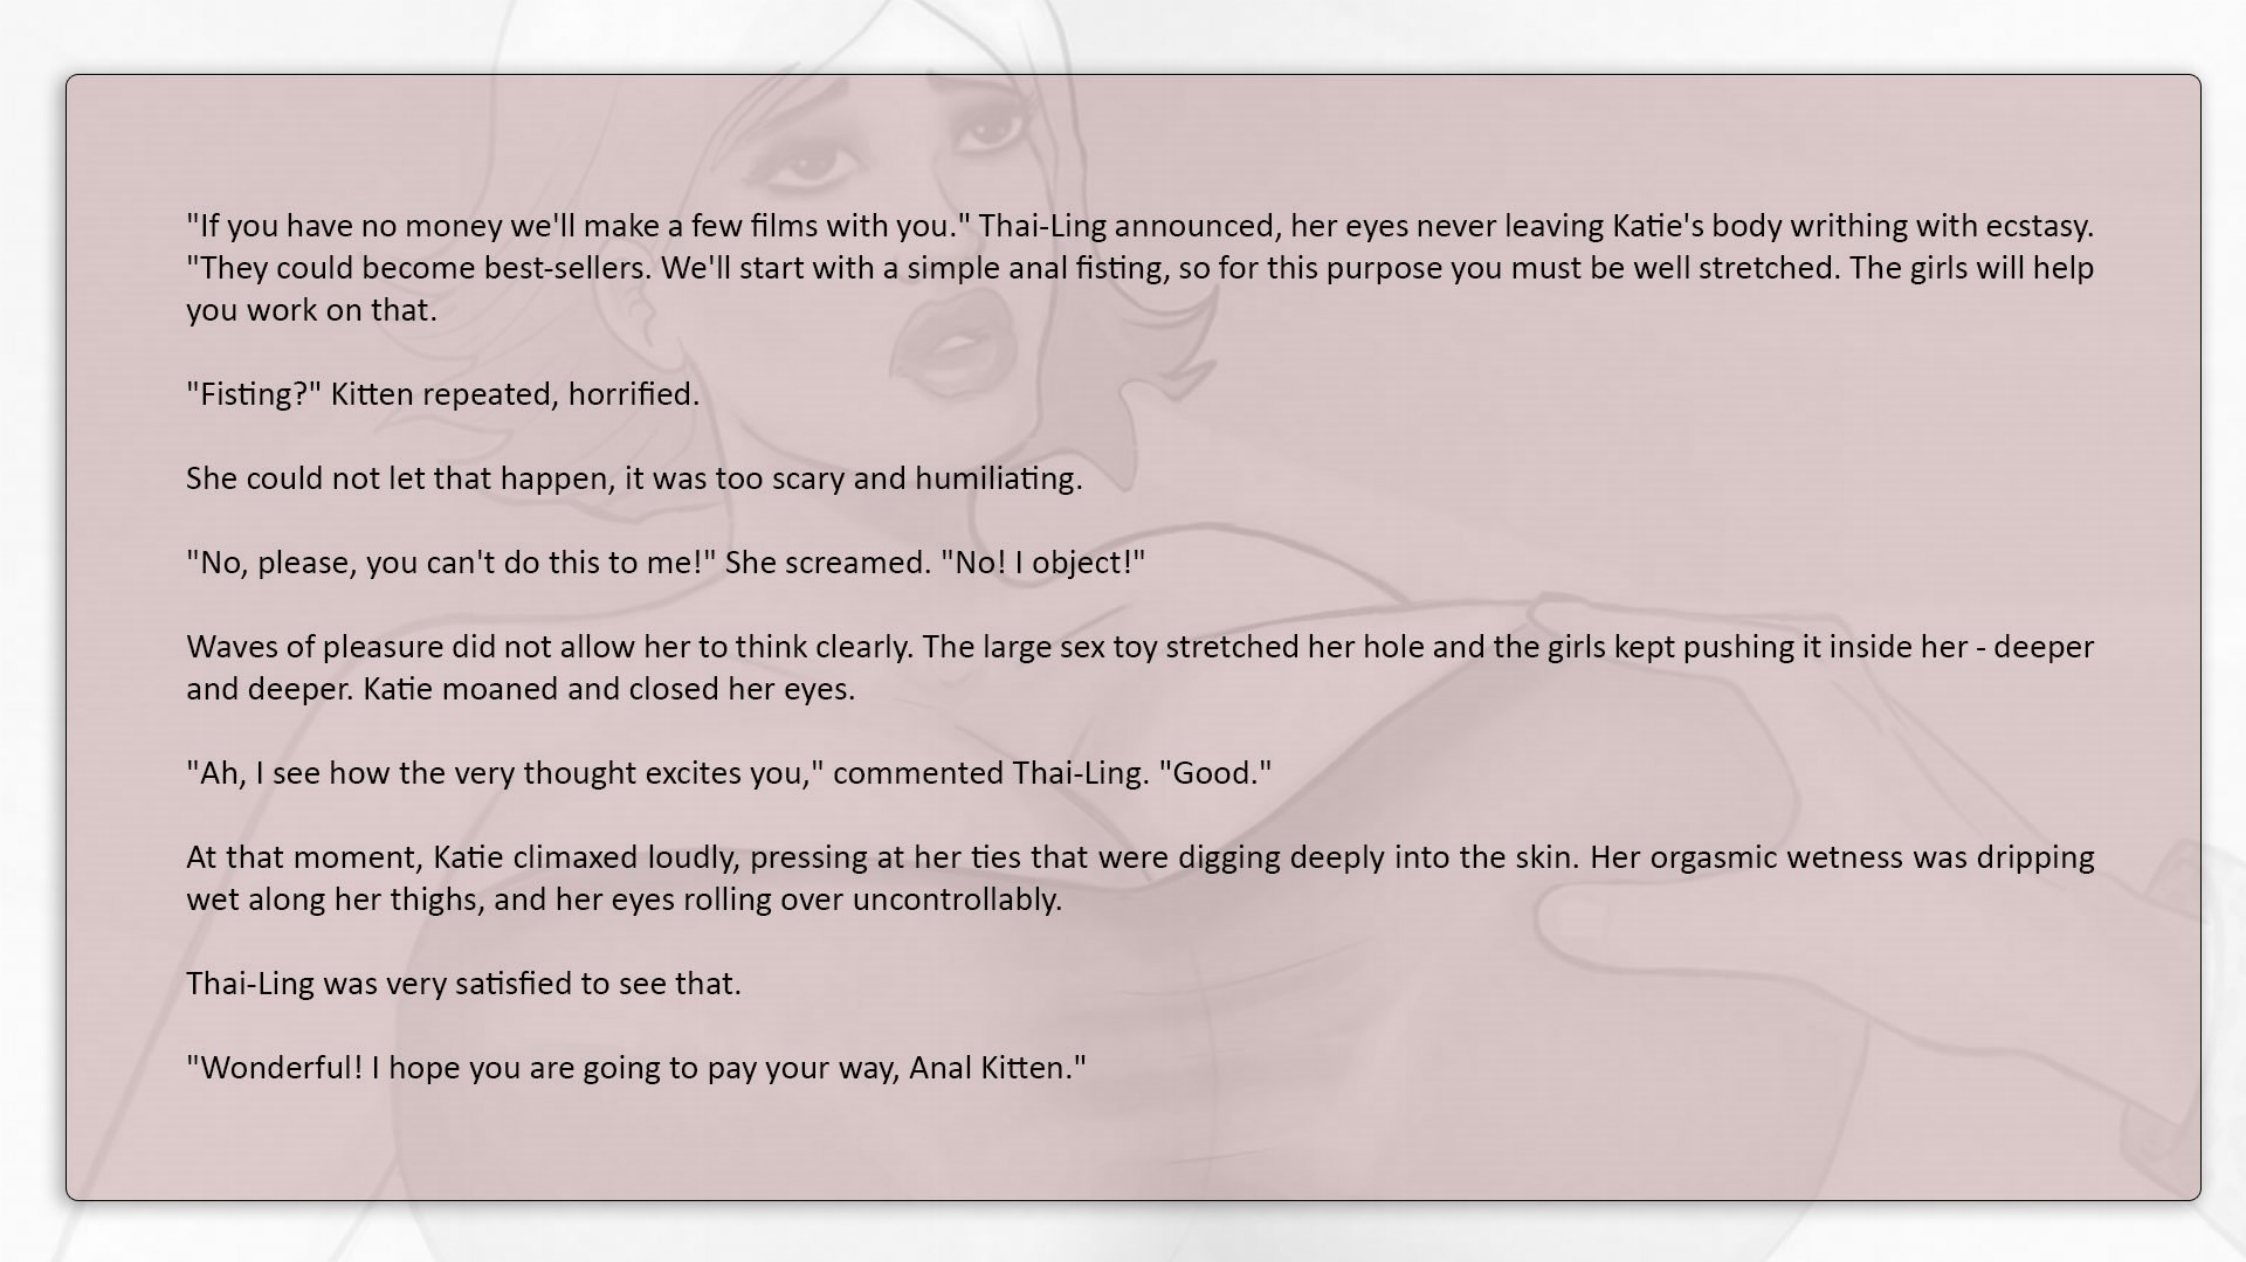

She threw a bunch of swear words of swear words at Thai-Ling, and the moment the last syllable was coming out of her mouth, she went too far. Everyone fell silent. Troy went pale. One of the girls' lower lip started trembling as if she was about to cry.

"You have abused my hospitality, babe," Thai-Ling's voice was dangerously calm. "I am disappointed, I thought that you were a classy girl. I should pay more attention to guests invited to my house. Now I see that you are an ordinary slut, a fuck-whore who can only about mooning her tight little ass. I am very disappointed. I think you should pay me money for the stuff.

Unfortunately, Katie had no money. She was furious and humiliated, but tried not to show it, so as not to worsen the situation. She felt the drug slowly kicking in.

One of the girls pressed her finger between Kitten's buttocks. Katie was not able to think, all she wanted was more of that. She hoped that soon she would feel something bigger inside her. The other girl brought a big dildo and Kitten looked at it hungrily. After a while she was moaning loudly with pleasure, as the toy was being pressed against her sensitive hole.

A faded, light-colored illustration of a woman's face and hands is visible in the background. The woman has long hair and is looking slightly to the side. Her hands are positioned as if she is holding or supporting something, with fingers spread. The overall style is soft and artistic, serving as a background for the text.

"If you have no money we'll make a few films with you." Thai-Ling announced, her eyes never leaving Katie's body writhing with ecstasy. "They could become best-sellers. We'll start with a simple anal fisting, so for this purpose you must be well stretched. The girls will help you work on that.

"Fisting?" Kitten repeated, horrified.

She could not let that happen, it was too scary and humiliating.

"No, please, you can't do this to me!" She screamed. "No! I object!"

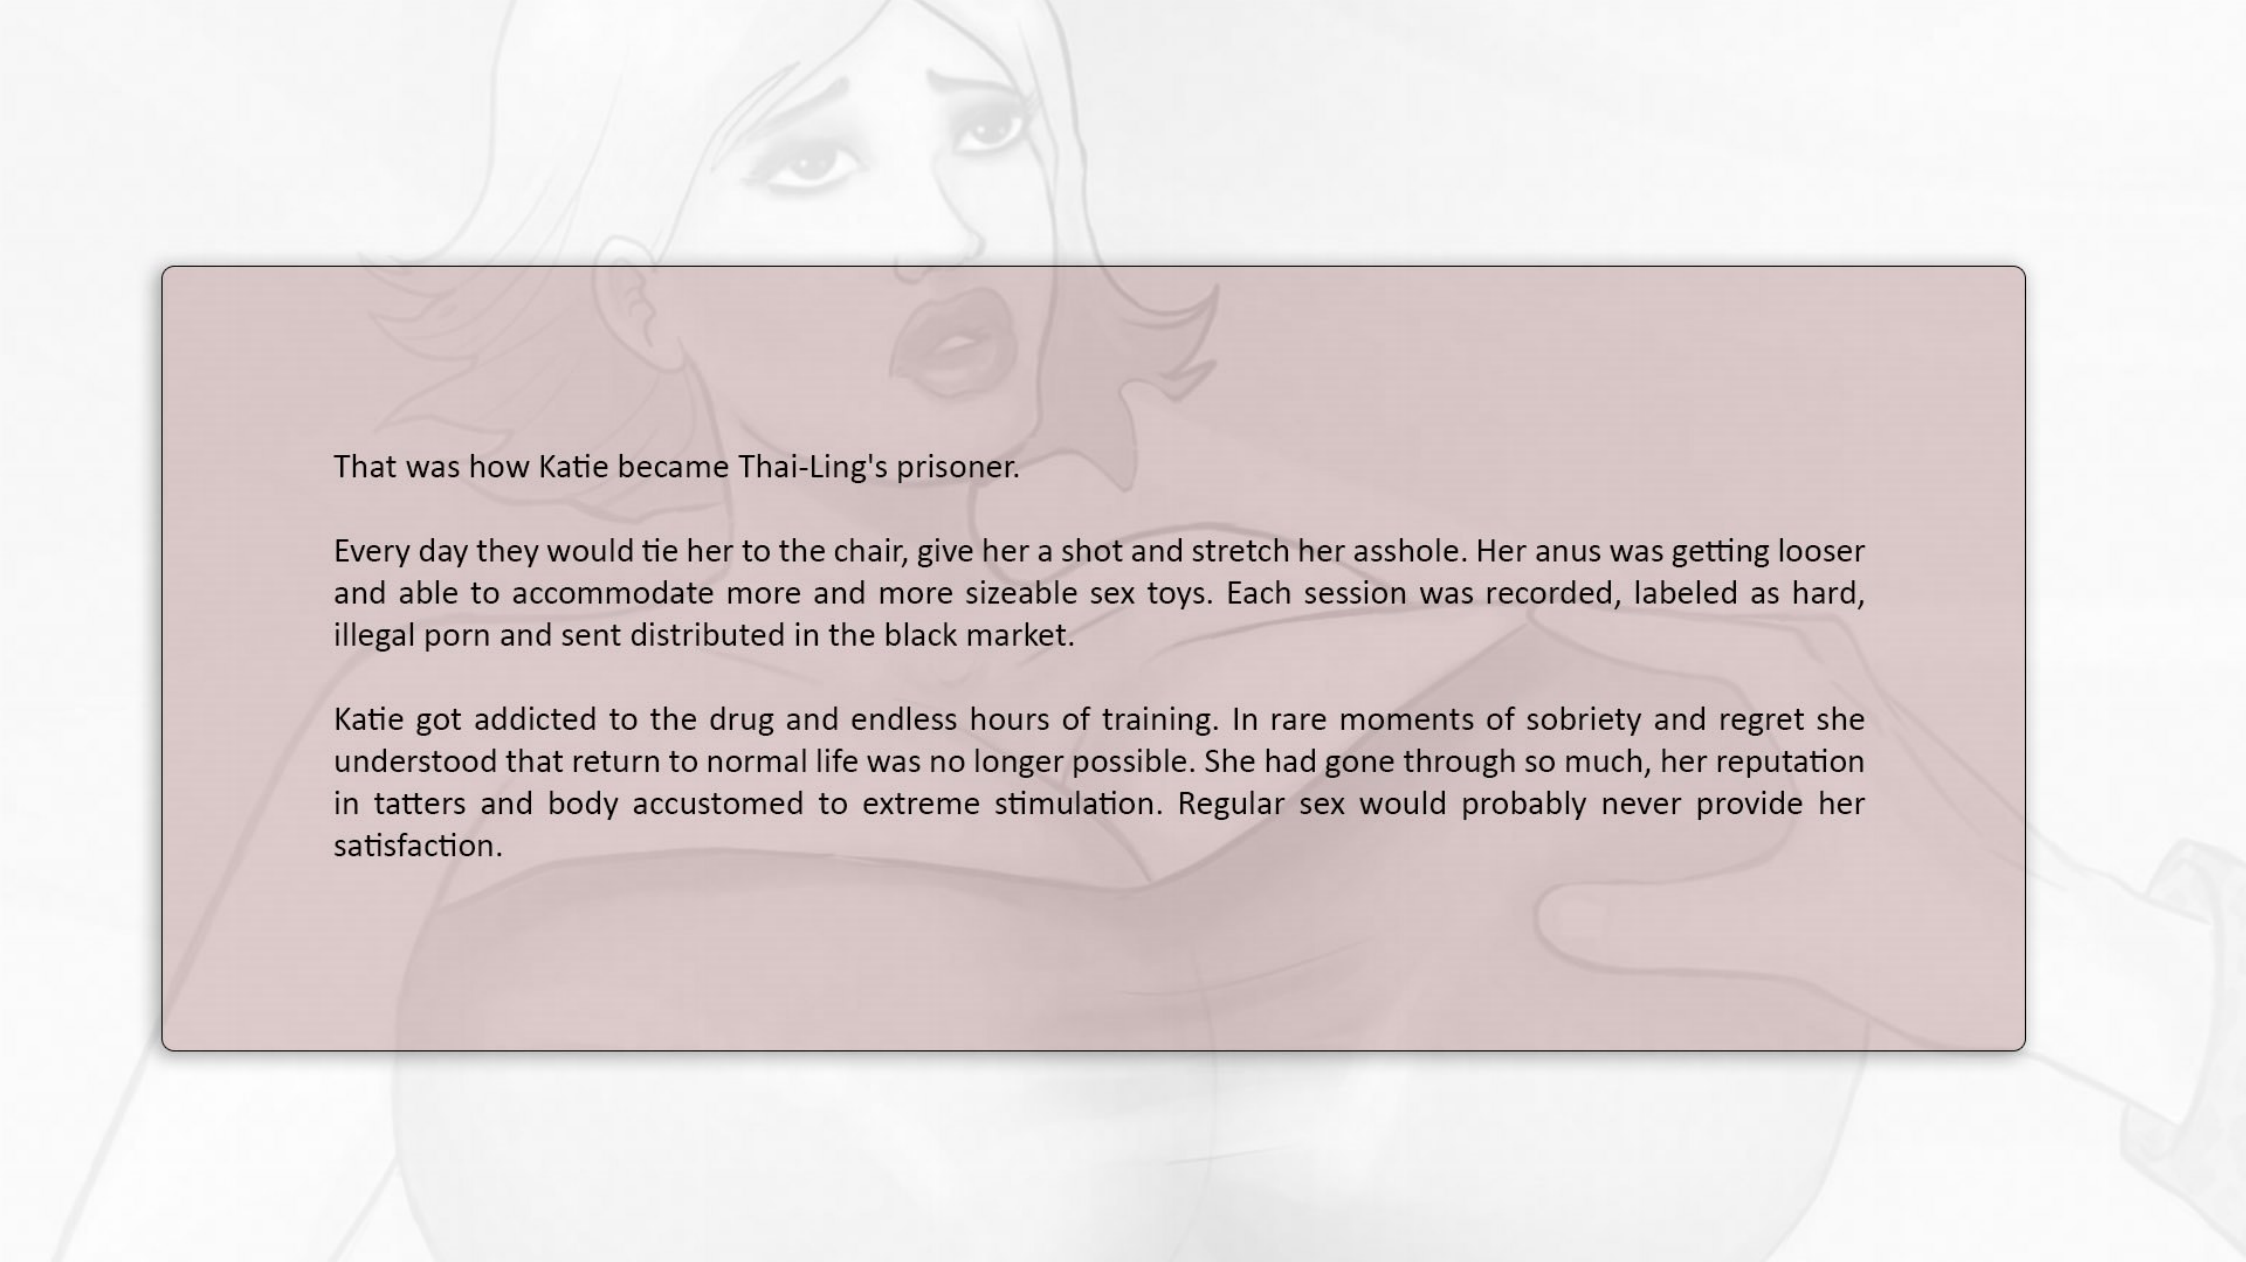

Waves of pleasure did not allow her to think clearly. The large sex toy stretched her hole and the girls kept pushing it inside her - deeper and deeper. Katie moaned and closed her eyes.

"Ah, I see how the very thought excites you," commented Thai-Ling. "Good."

At that moment, Katie climaxed loudly, pressing at her ties that were digging deeply into the skin. Her orgasmic wetness was dripping wet along her thighs, and her eyes rolling over uncontrollably.

Thai-Ling was very satisfied to see that.

"Wonderful! I hope you are going to pay your way, Anal Kitten."

That was how Katie became Thai-Ling's prisoner.

Every day they would tie her to the chair, give her a shot and stretch her asshole. Her anus was getting looser and able to accommodate more and more sizeable sex toys. Each session was recorded, labeled as hard, illegal porn and sent distributed in the black market.

Katie got addicted to the drug and endless hours of training. In rare moments of sobriety and regret she understood that return to normal life was no longer possible. She had gone through so much, her reputation in tatters and body accustomed to extreme stimulation. Regular sex would probably never provide her satisfaction.

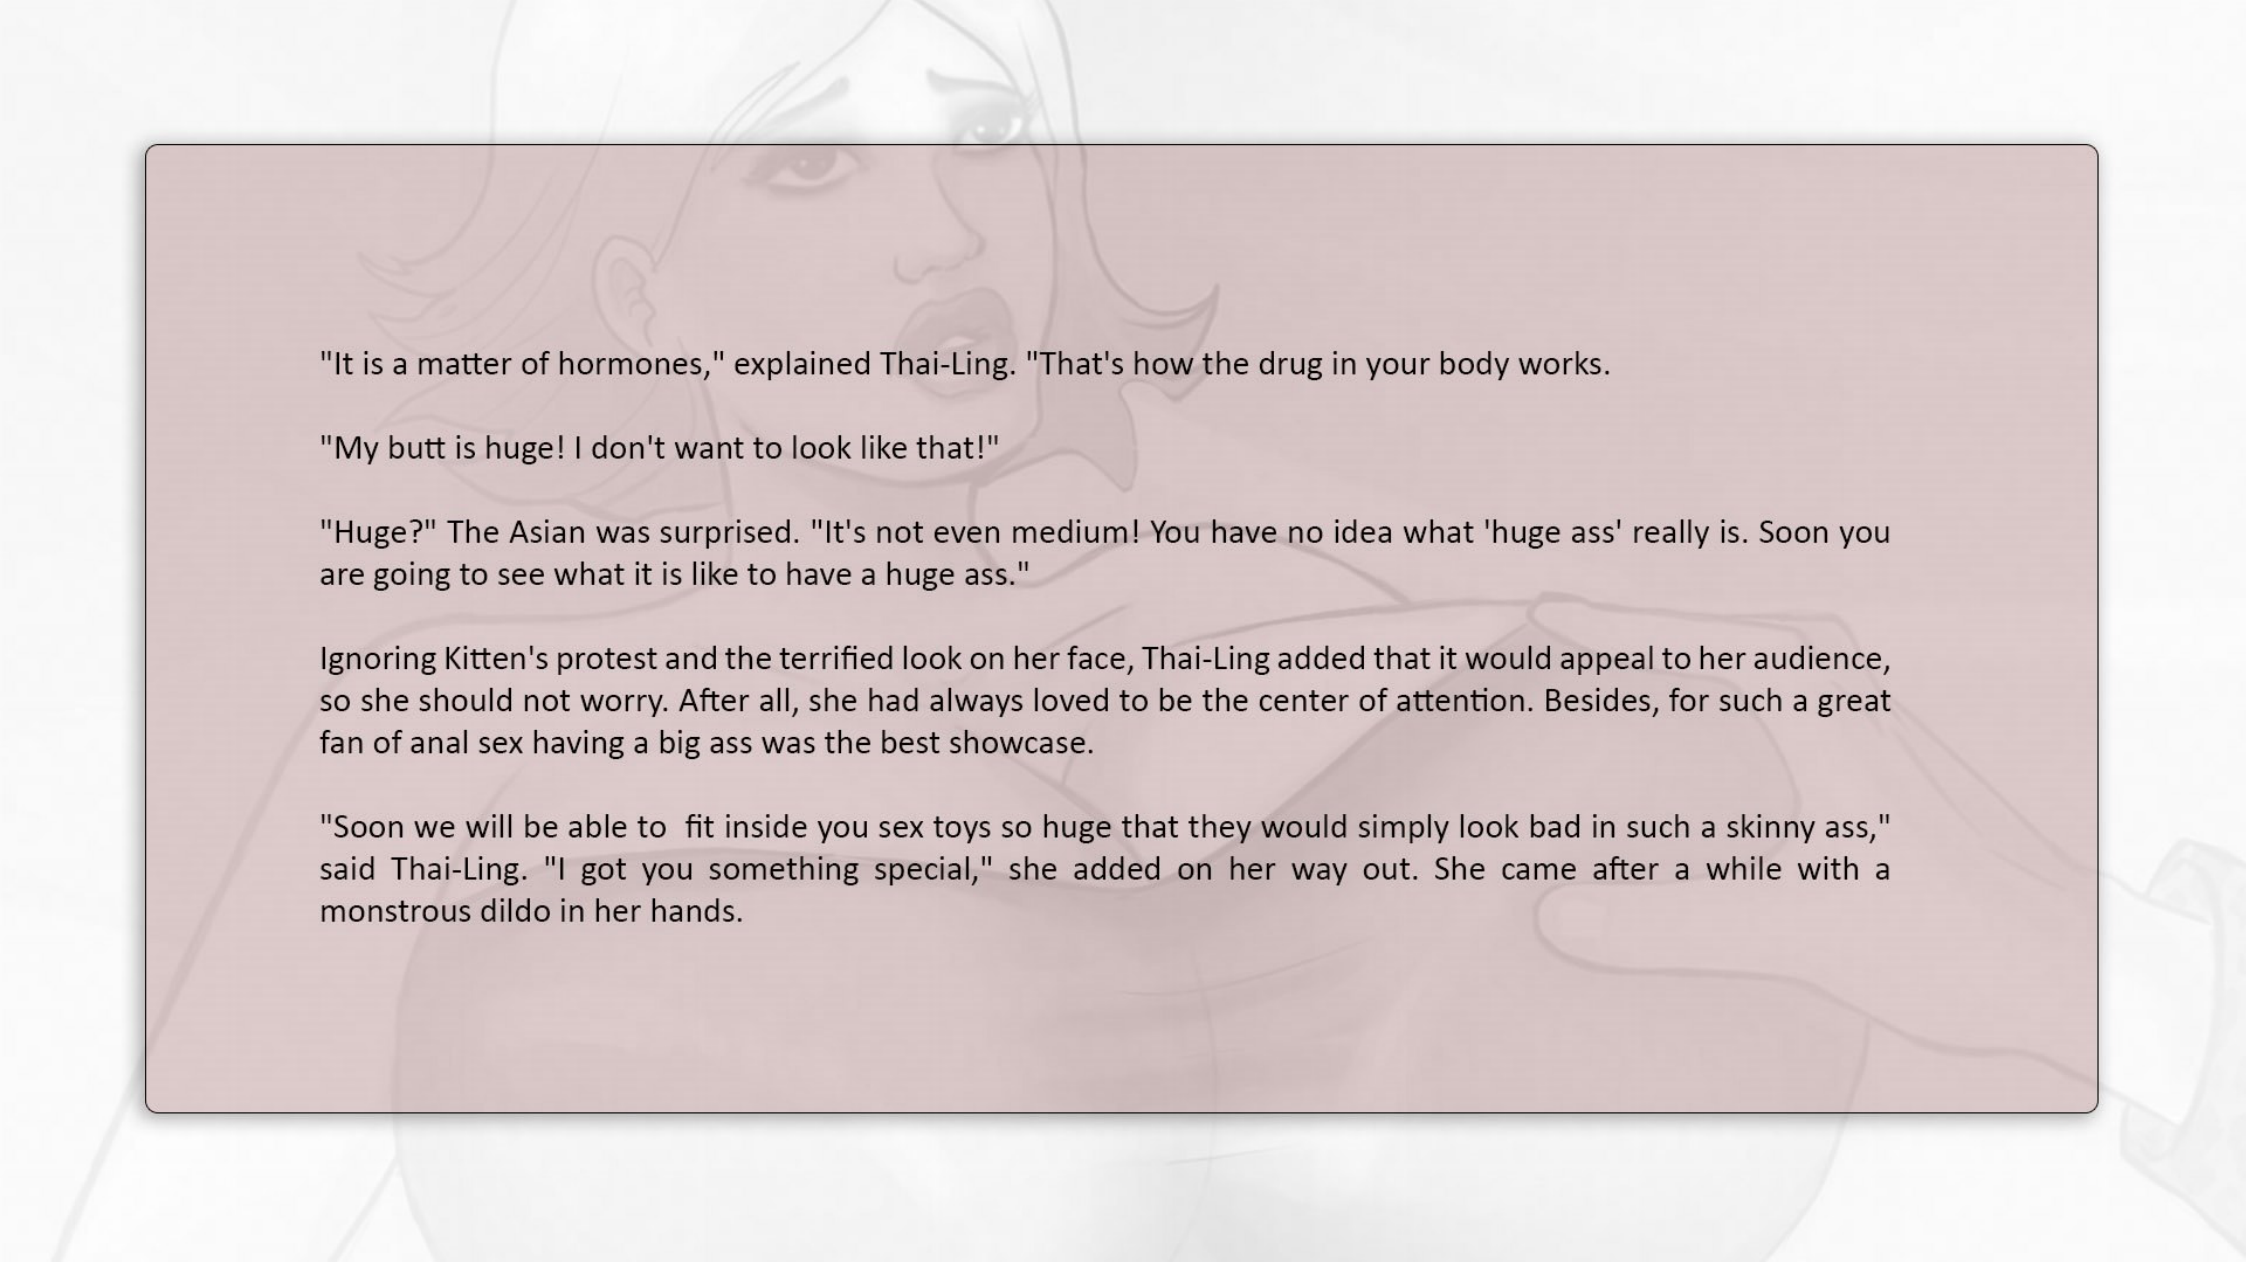

She quickly realized that the pants were getting tight. She looked in the mirror and noticed that her ass was much larger than before. She could put on weight, but her fat would also show on the abdomen. However, only her buttocks had become more prominent.

Katie measured her ass size every day and, to her own horror, she discovered that it was not an illusion. She was growing up at a rapid pace. Katie preferred not to think about how she would look in a few weeks' time.

*Before & After*

"It is a matter of hormones," explained Thai-Ling. "That's how the drug in your body works.

"My butt is huge! I don't want to look like that!"

"Huge?" The Asian was surprised. "It's not even medium! You have no idea what 'huge ass' really is. Soon you are going to see what it is like to have a huge ass."

Ignoring Kitten's protest and the terrified look on her face, Thai-Ling added that it would appeal to her audience, so she should not worry. After all, she had always loved to be the center of attention. Besides, for such a great fan of anal sex having a big ass was the best showcase.

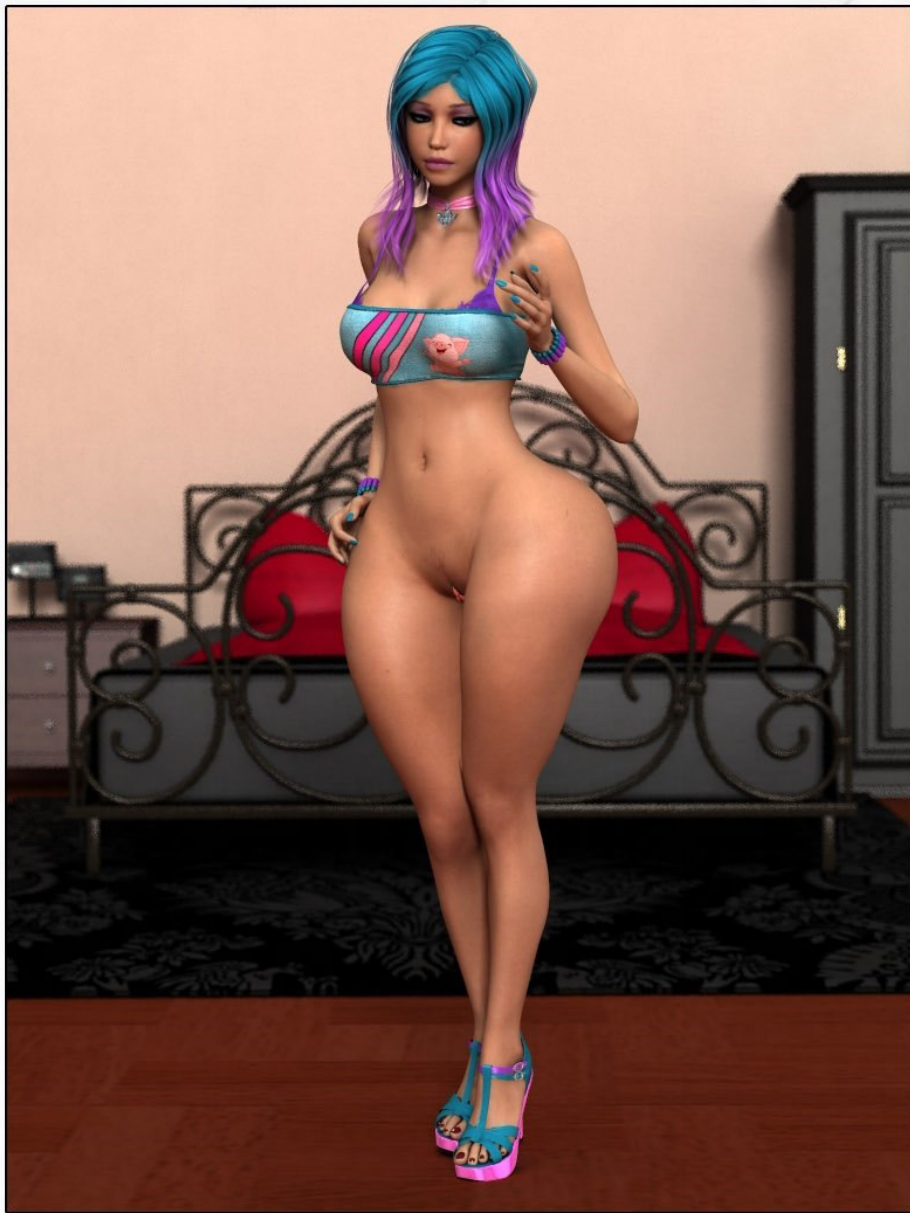

"Soon we will be able to fit inside you sex toys so huge that they would simply look bad in such a skinny ass," said Thai-Ling. "I got you something special," she added on her way out. She came after a while with a monstrous dildo in her hands.

"I think that finally you're up to the task."

"No way!" Katie screamed.

In response, the Asian only laughed.

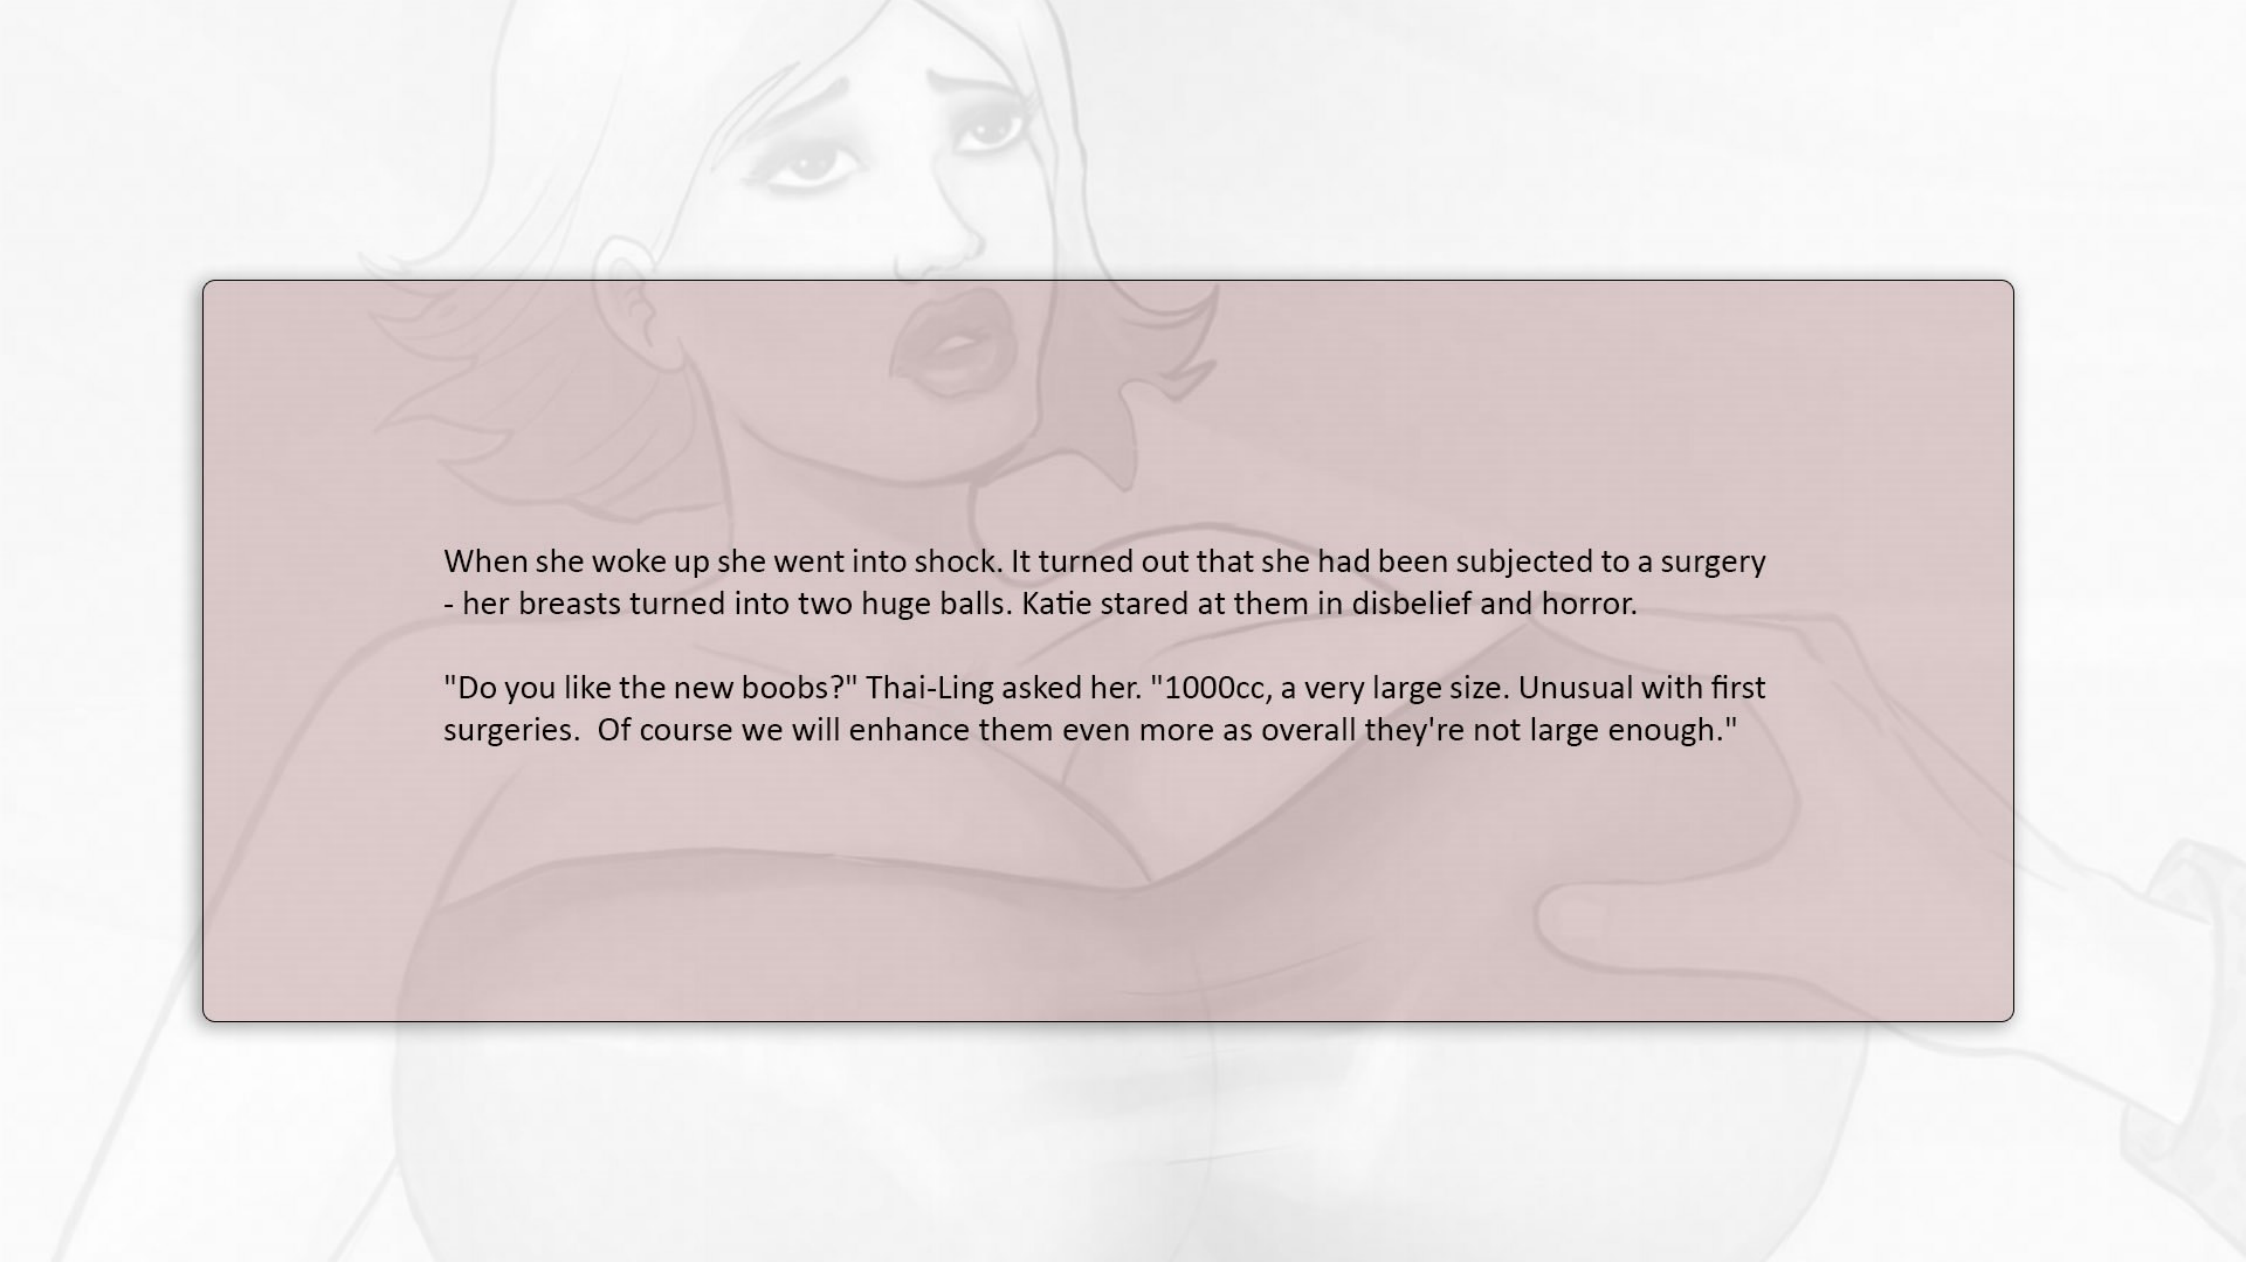

Katie was exhausted after each session - she was drenched in sweat, aching, fainting from pleasure, with trembling muscles and unable to think straight. She had no energy for anything more, and her life was filled with workouts and sleep only.

One day her training session took longer, because Thai-Ling insisted that Katie's hole extended too slowly. Katie had no idea how many orgasms she experienced that day. She only registered that the sex toys inserted in her ass were huge and that at some point her body could not stand the intensity and she lost consciousness.

*Before & After*

When she woke up she went into shock. It turned out that she had been subjected to a surgery - her breasts turned into two huge balls. Katie stared at them in disbelief and horror.

"Do you like the new boobs?" Thai-Ling asked her. "1000cc, a very large size. Unusual with first surgeries. Of course we will enhance them even more as overall they're not large enough."

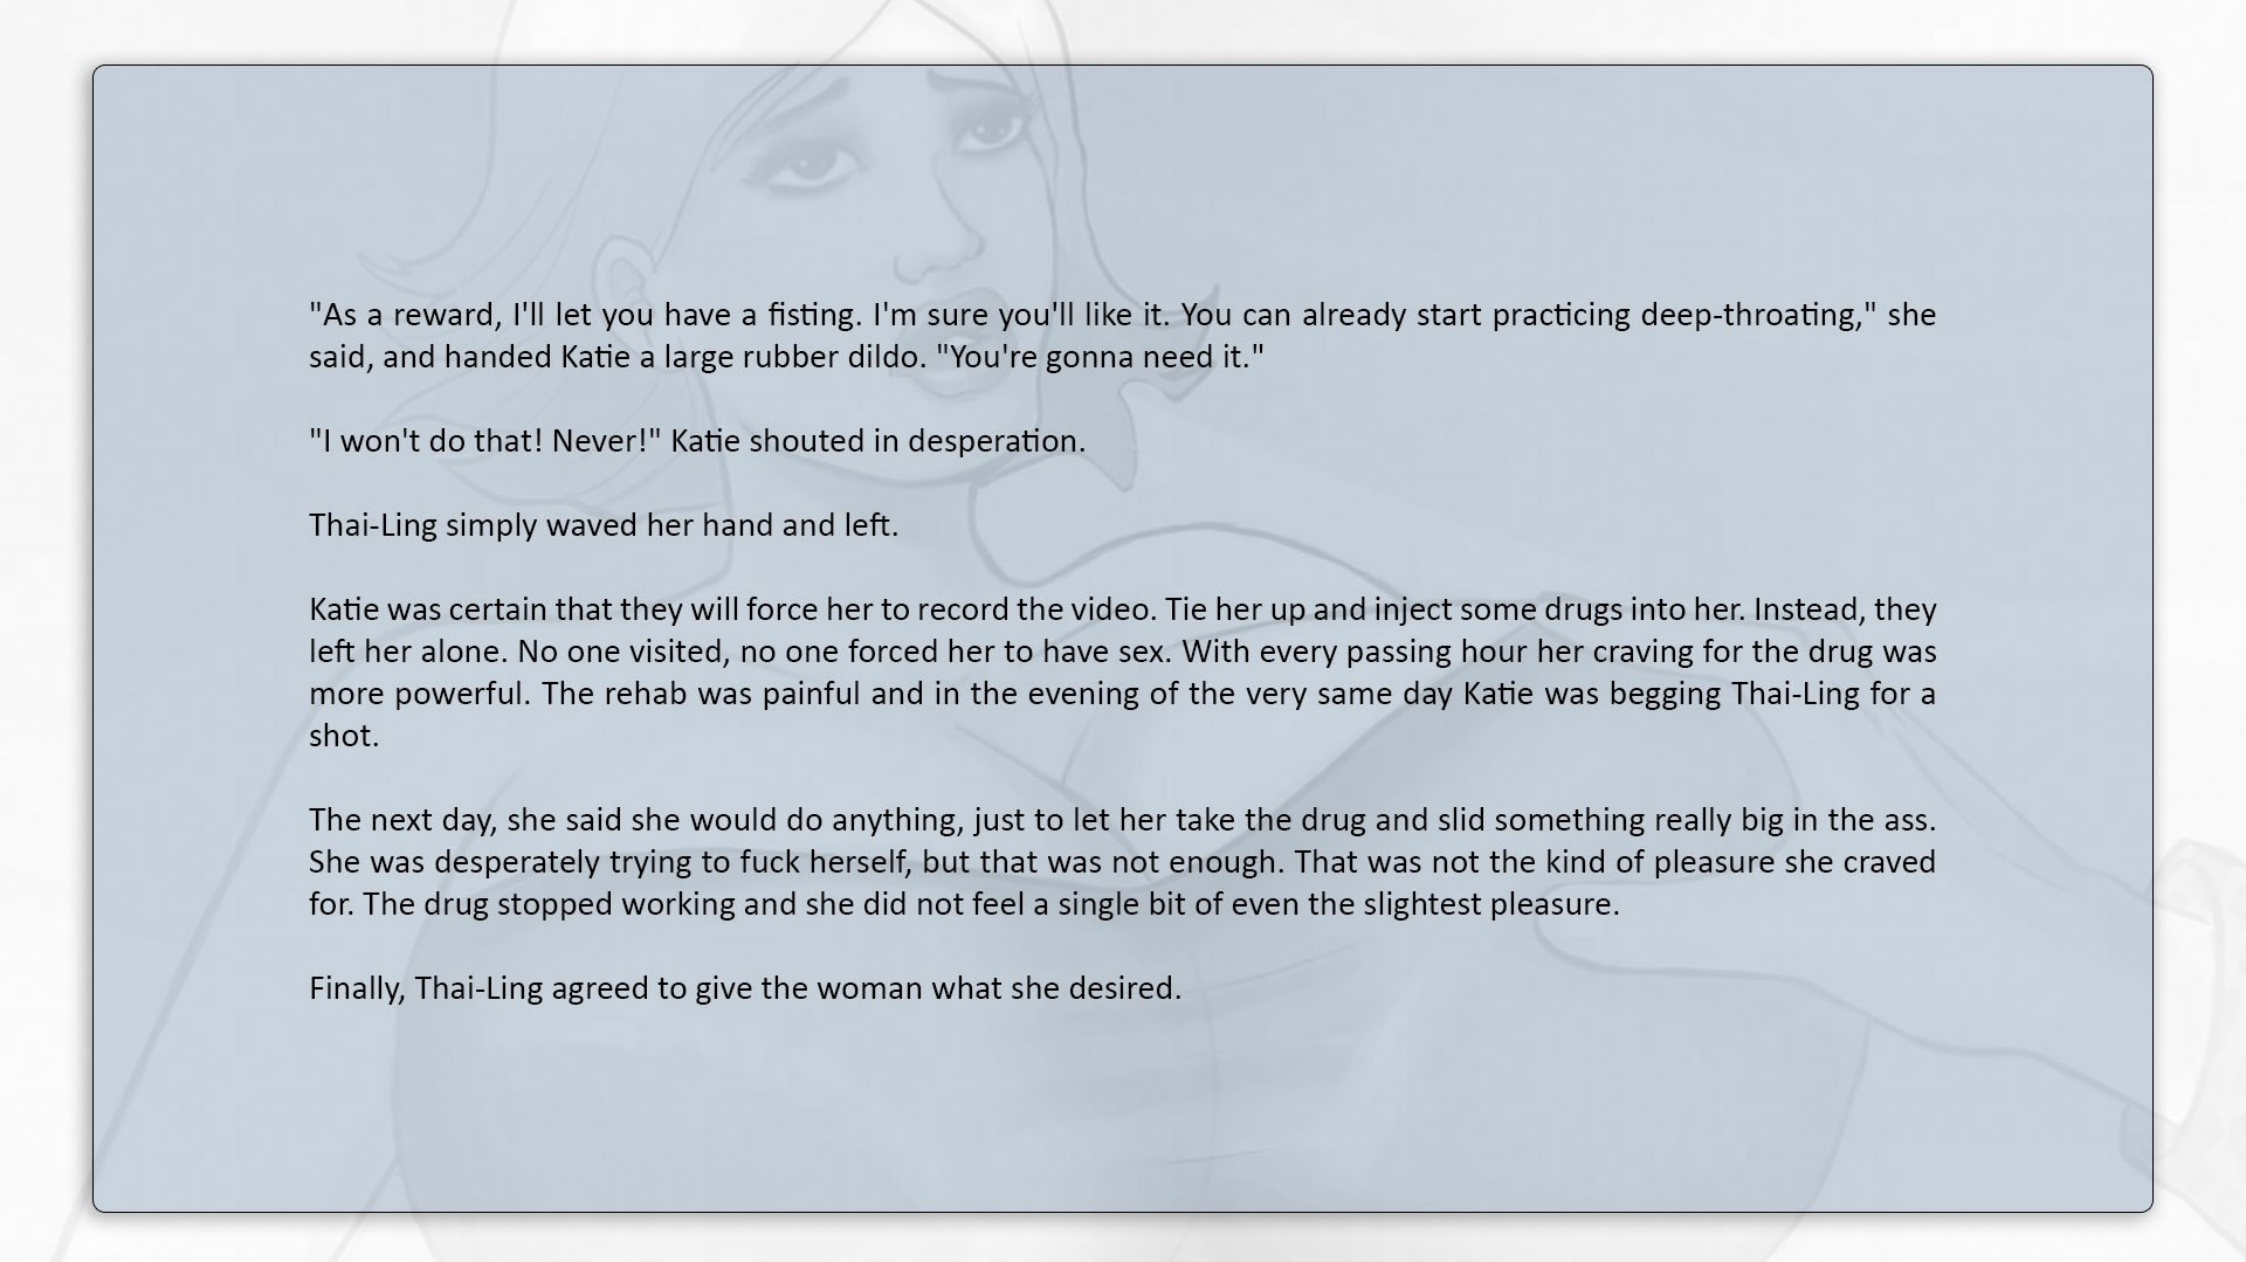

Katie wanted to say something but she immediately went speechless because she realized that something was wrong with her lips. She touched them with a fingertip - they seemed swollen and inflated.

"I've been thinking what to do with you. Her tormentor said. "We will create the new video series, it will be called Gang Bang Anal Kitten. Even you can guess what it means. I think you will enjoy it, especially since you love gang bangs so much."

"What have you done to me ?!" Katie screamed looking at her new body.

"You have always loved to be the center of attention. I'm just helping you. Relax. Hmm, listen, your asshole is too big, too stretched now, to record a quality anal gang bang video, so I thought that instead suck all the guys' cocks. For that you need voluptuous cock-sucking doll lips. And voilà! Here they are!"

"I won't do it!"

"As a reward, I'll let you have a fisting. I'm sure you'll like it. You can already start practicing deep-throating," she said, and handed Katie a large rubber dildo. "You're gonna need it."

"I won't do that! Never!" Katie shouted in desperation.

Thai-Ling simply waved her hand and left.

Katie was certain that they will force her to record the video. Tie her up and inject some drugs into her. Instead, they left her alone. No one visited, no one forced her to have sex. With every passing hour her craving for the drug was more powerful. The rehab was painful and in the evening of the very same day Katie was begging Thai-Ling for a shot.

The next day, she said she would do anything, just to let her take the drug and slid something really big in the ass. She was desperately trying to fuck herself, but that was not enough. That was not the kind of pleasure she craved for. The drug stopped working and she did not feel a single bit of even the slightest pleasure.

Finally, Thai-Ling agreed to give the woman what she desired.

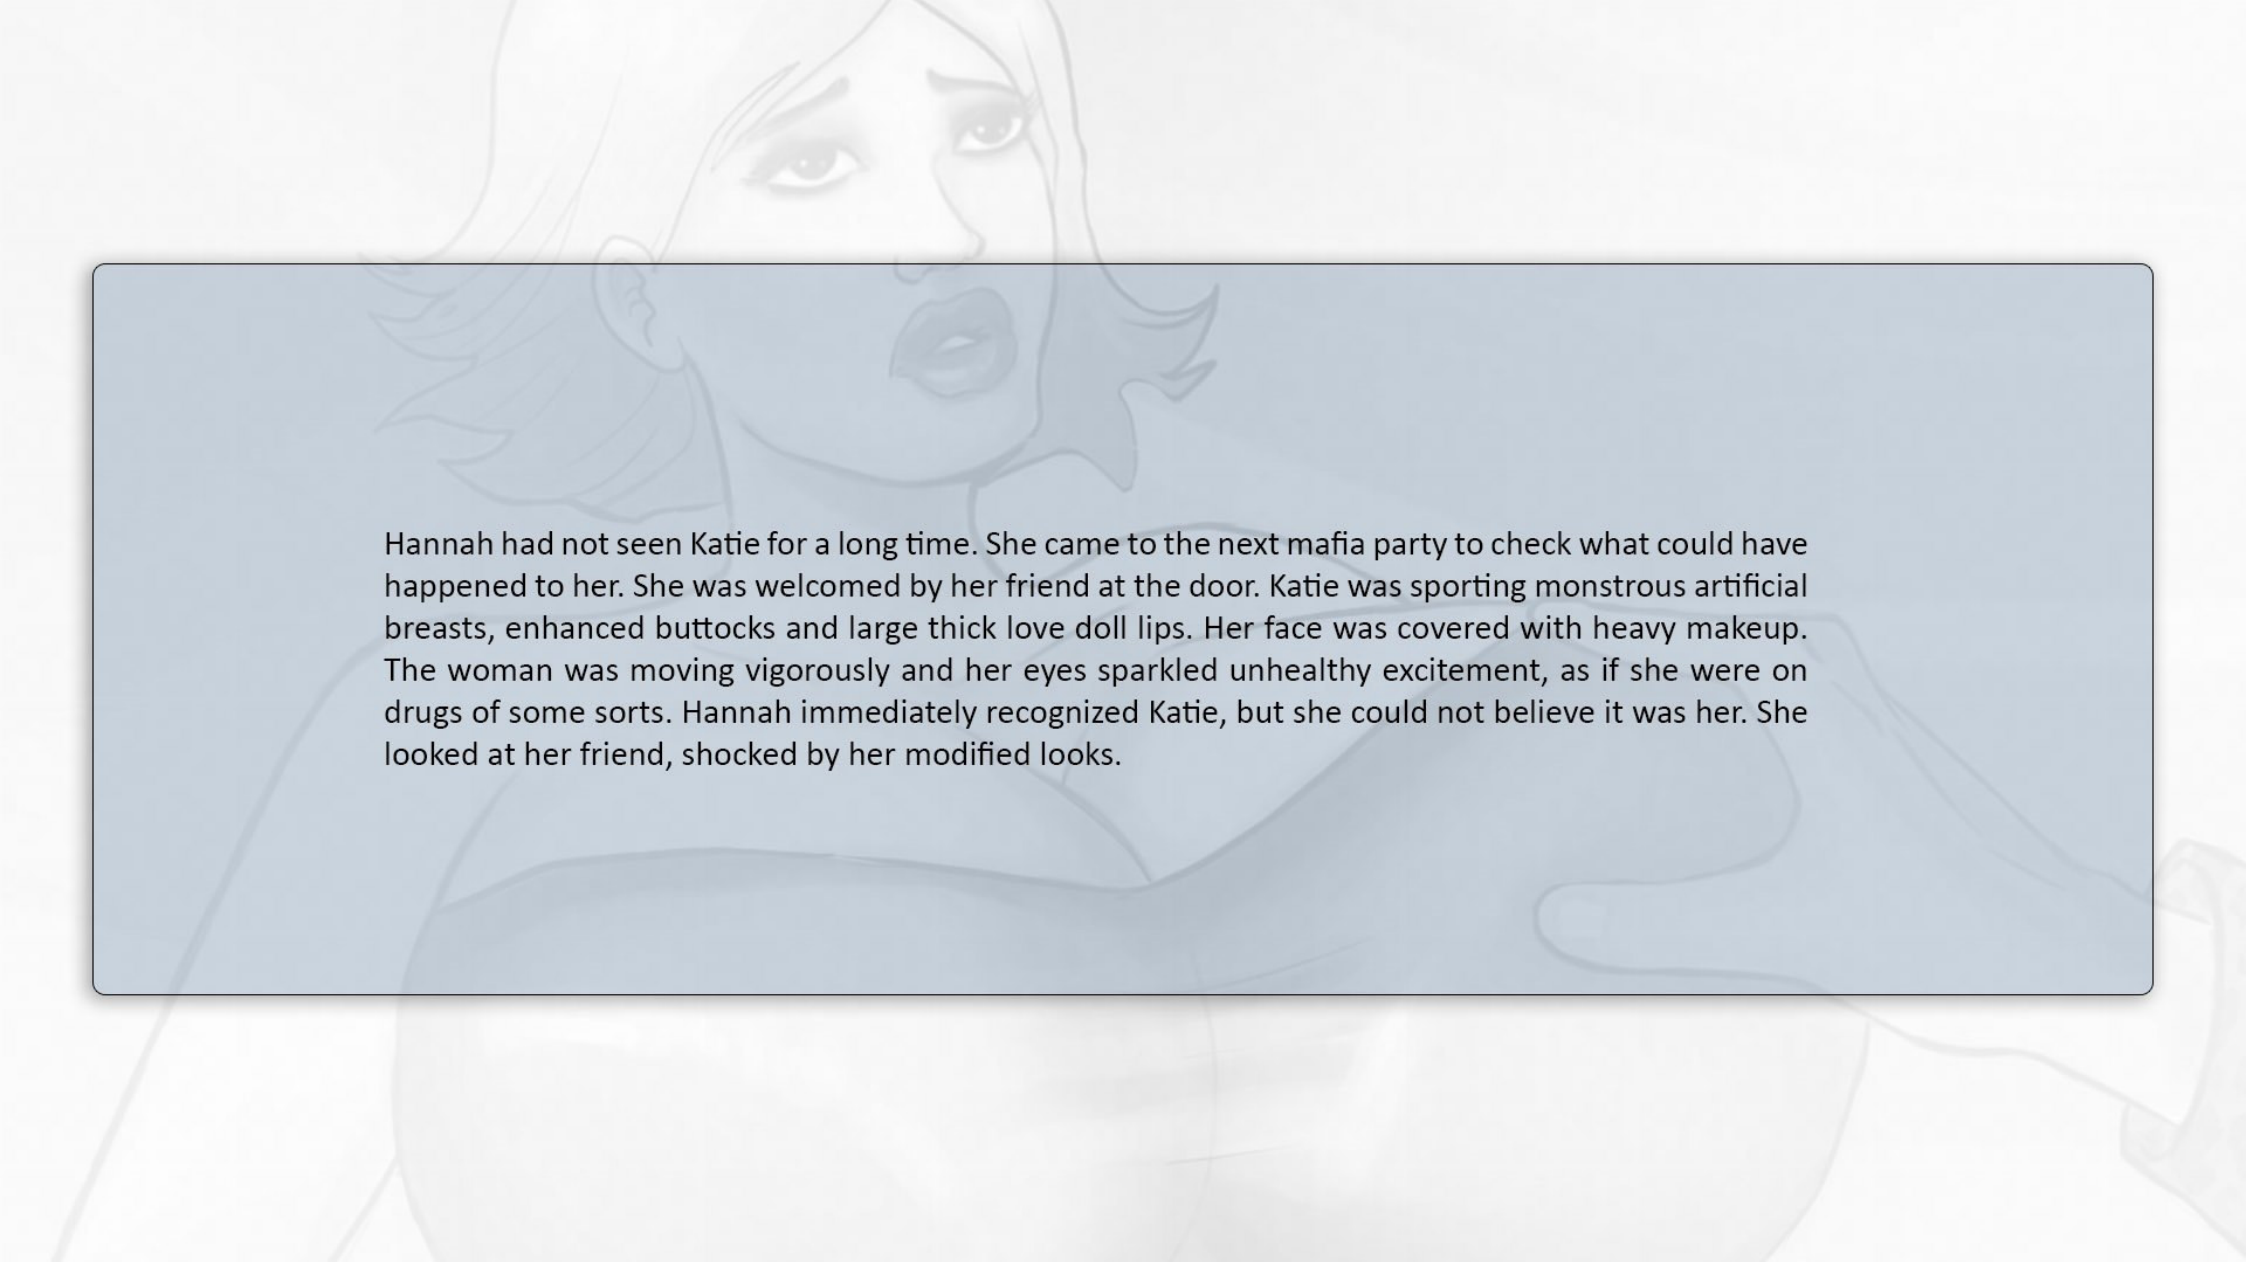

Katie sucked and fucked all the men, obediently swallowing sperm, thinking about the reward that was waiting for her. Her knees were aching from kneeling on the floor for so long. She had a sore throat, a stiff jaw and swollen lips, which made them look even bigger and more voluptuous.

*Before & After*

Hannah had not seen Katie for a long time. She came to the next mafia party to check what could have happened to her. She was welcomed by her friend at the door. Katie was sporting monstrous artificial breasts, enhanced buttocks and large thick love doll lips. Her face was covered with heavy makeup. The woman was moving vigorously and her eyes sparkled unhealthy excitement, as if she were on drugs of some sorts. Hannah immediately recognized Katie, but she could not believe it was her. She looked at her friend, shocked by her modified looks.

"What ... What happened? " Hannah asked and put a hand on her friend's shoulder.

Katie smiled excited. She was very pleased to see her friend.

"Anal Kitten is so horny," she said and squeezed her huge fake boobs. "She needs to feel something big in her big horny ass."

"What ?! What are you talking about?"

"My new, plump lips are perfect for sucking. I will lick and caress your pussy," Kitten kept encouraging Hannah. "It will be the best pussy licking in your entire life. You will not regret it. Just promise that when we're done you will fuck my ass heavily. Please ..." She moaned. "I need it. Sit on the couch...there...take off the panties...you will not regret the pleasure."

The girl bent down and stuck her buttocks out toward Hannah, positioning a huge puffy fuck-hole right in front of Hannah's eyes.

"Slide a fist down there... Or maybe not... slide two," Katie moaned. "Thai-Ling forbade me to do it by myself."

Hannah was so terrified and shocked that she stood motionless. She had no idea what to do.

One of the mobsters joined the girls and pointed at Katie's bent body.

"This babe is well modified, eh?" He started to talk.

"Oh no, this is just the beginning," the other guy commented. "Boss has special plans for her. I heard that she was going to inflate her lips and tits to ridiculous size. Much larger than now. She will become our Blowjob Anal Kitten."

Hannah let out a stifled shriek, looked at Katie with shock, turned on her heel and fled.

The men just shrugged their shoulders.

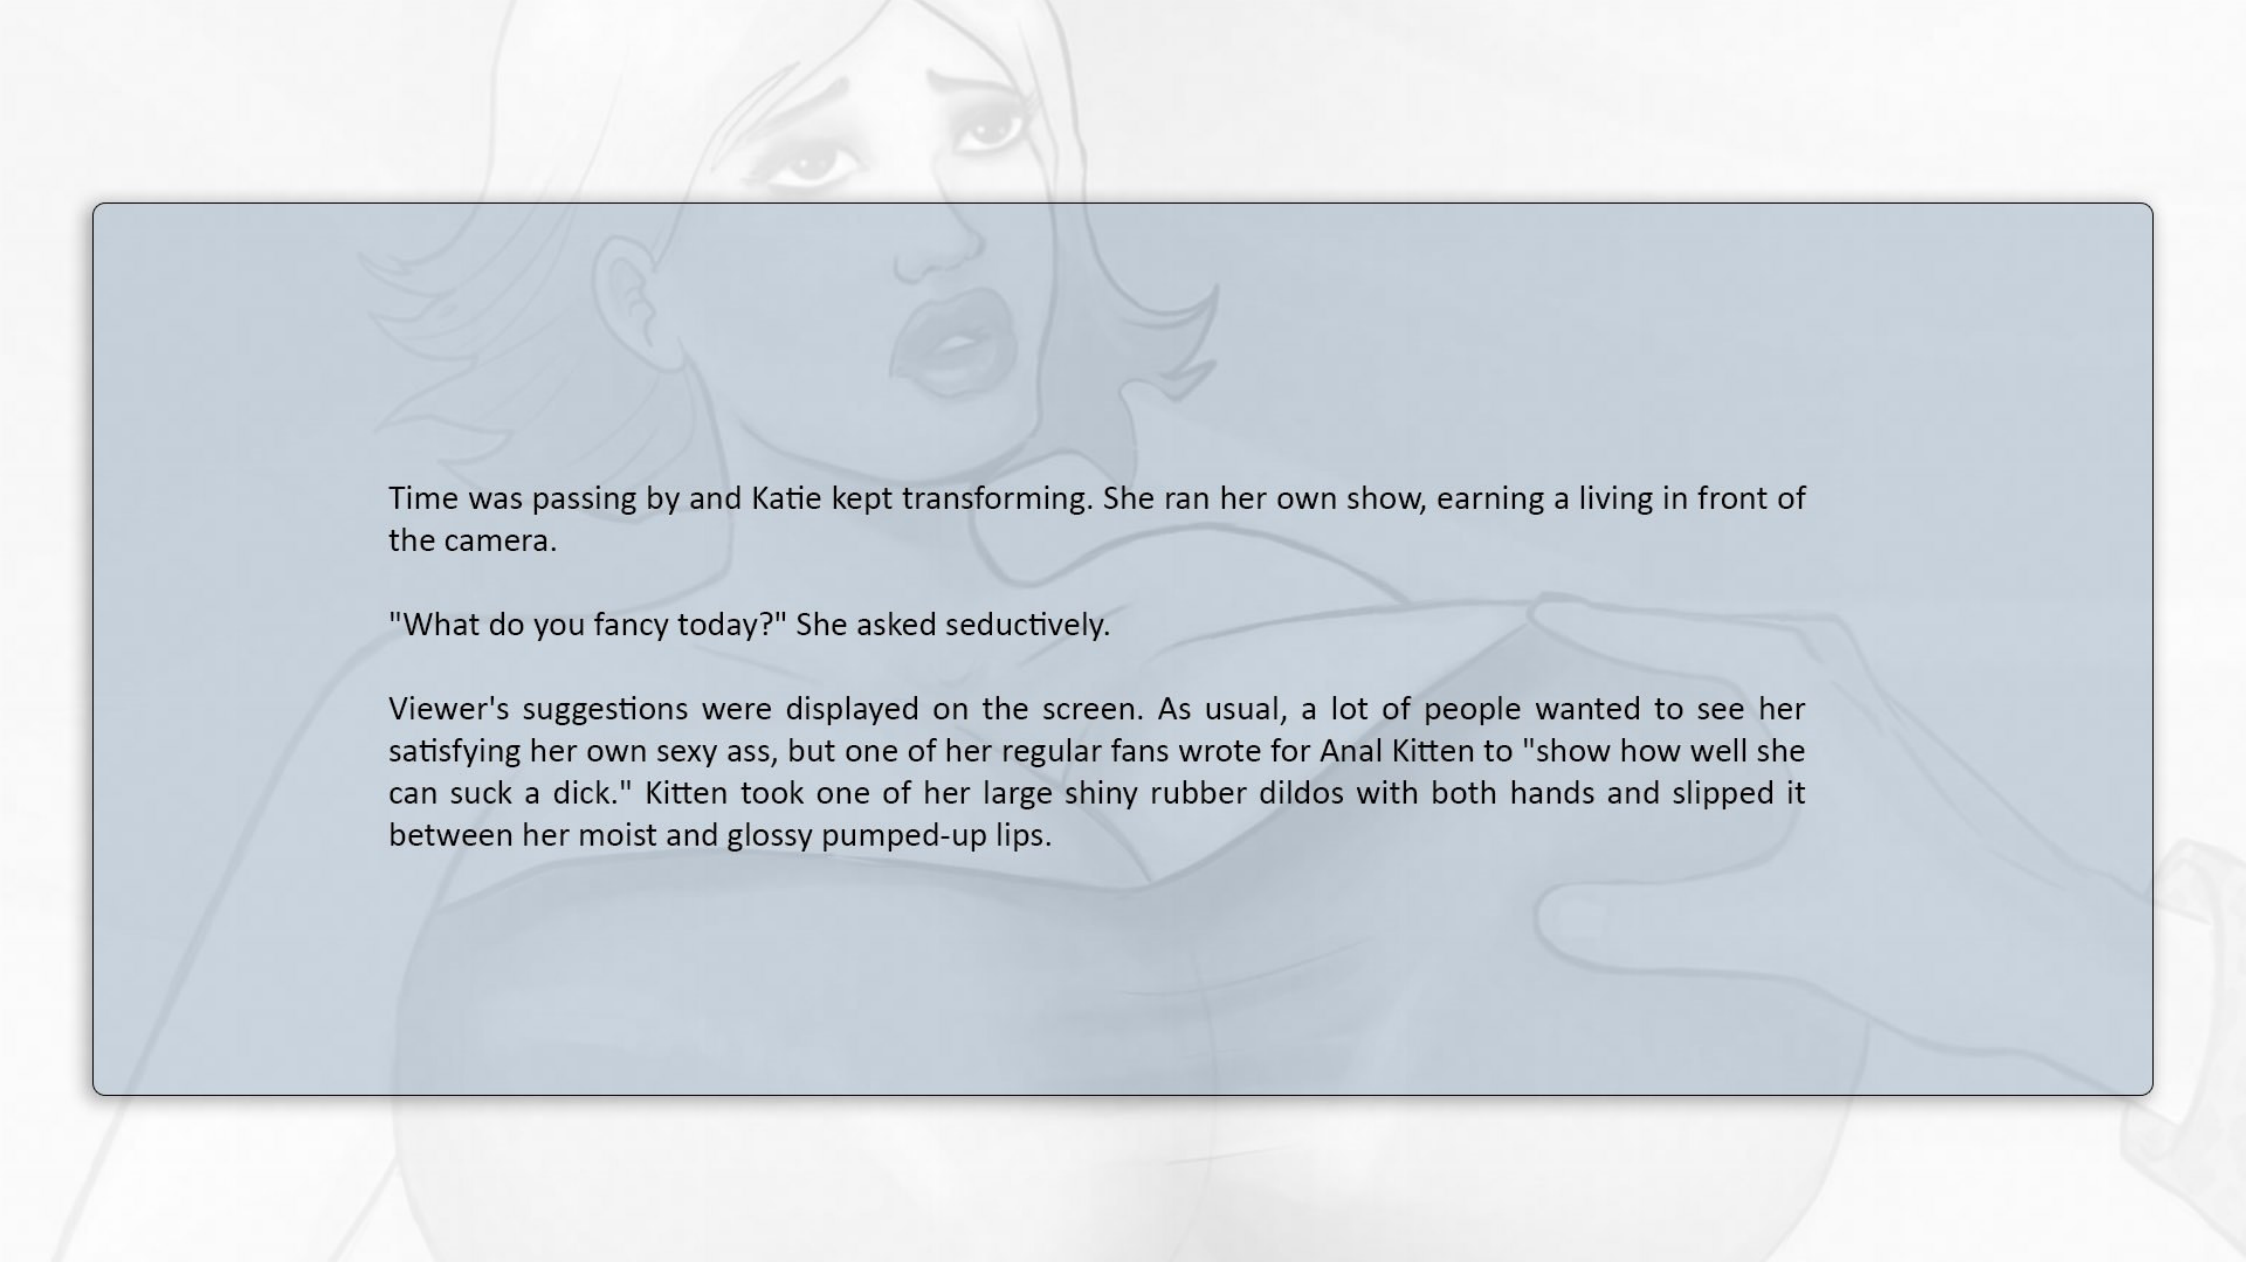

"To think she could have the best pussy licking in her life," one of them said.

*Before & After*

Since then, the gang bangs with Katie as the star were taking place more often. Anal Kitten was continuously enhanced to become increasingly fake. According to Thai-Ling's plan Katie's body was completely modified. Her boobs grew at a dizzying pace, filled with more and more massive implants, her lips reached huge size and buttocks were still growing on hormones. Katie moved with increasing difficulty since she had no time to get used to her huge shapes. Her skin barely held the implants and additional body volume of the buttocks. She did not mind, because all she was thinking about were drugs and being fucked in her expanding sex hole.

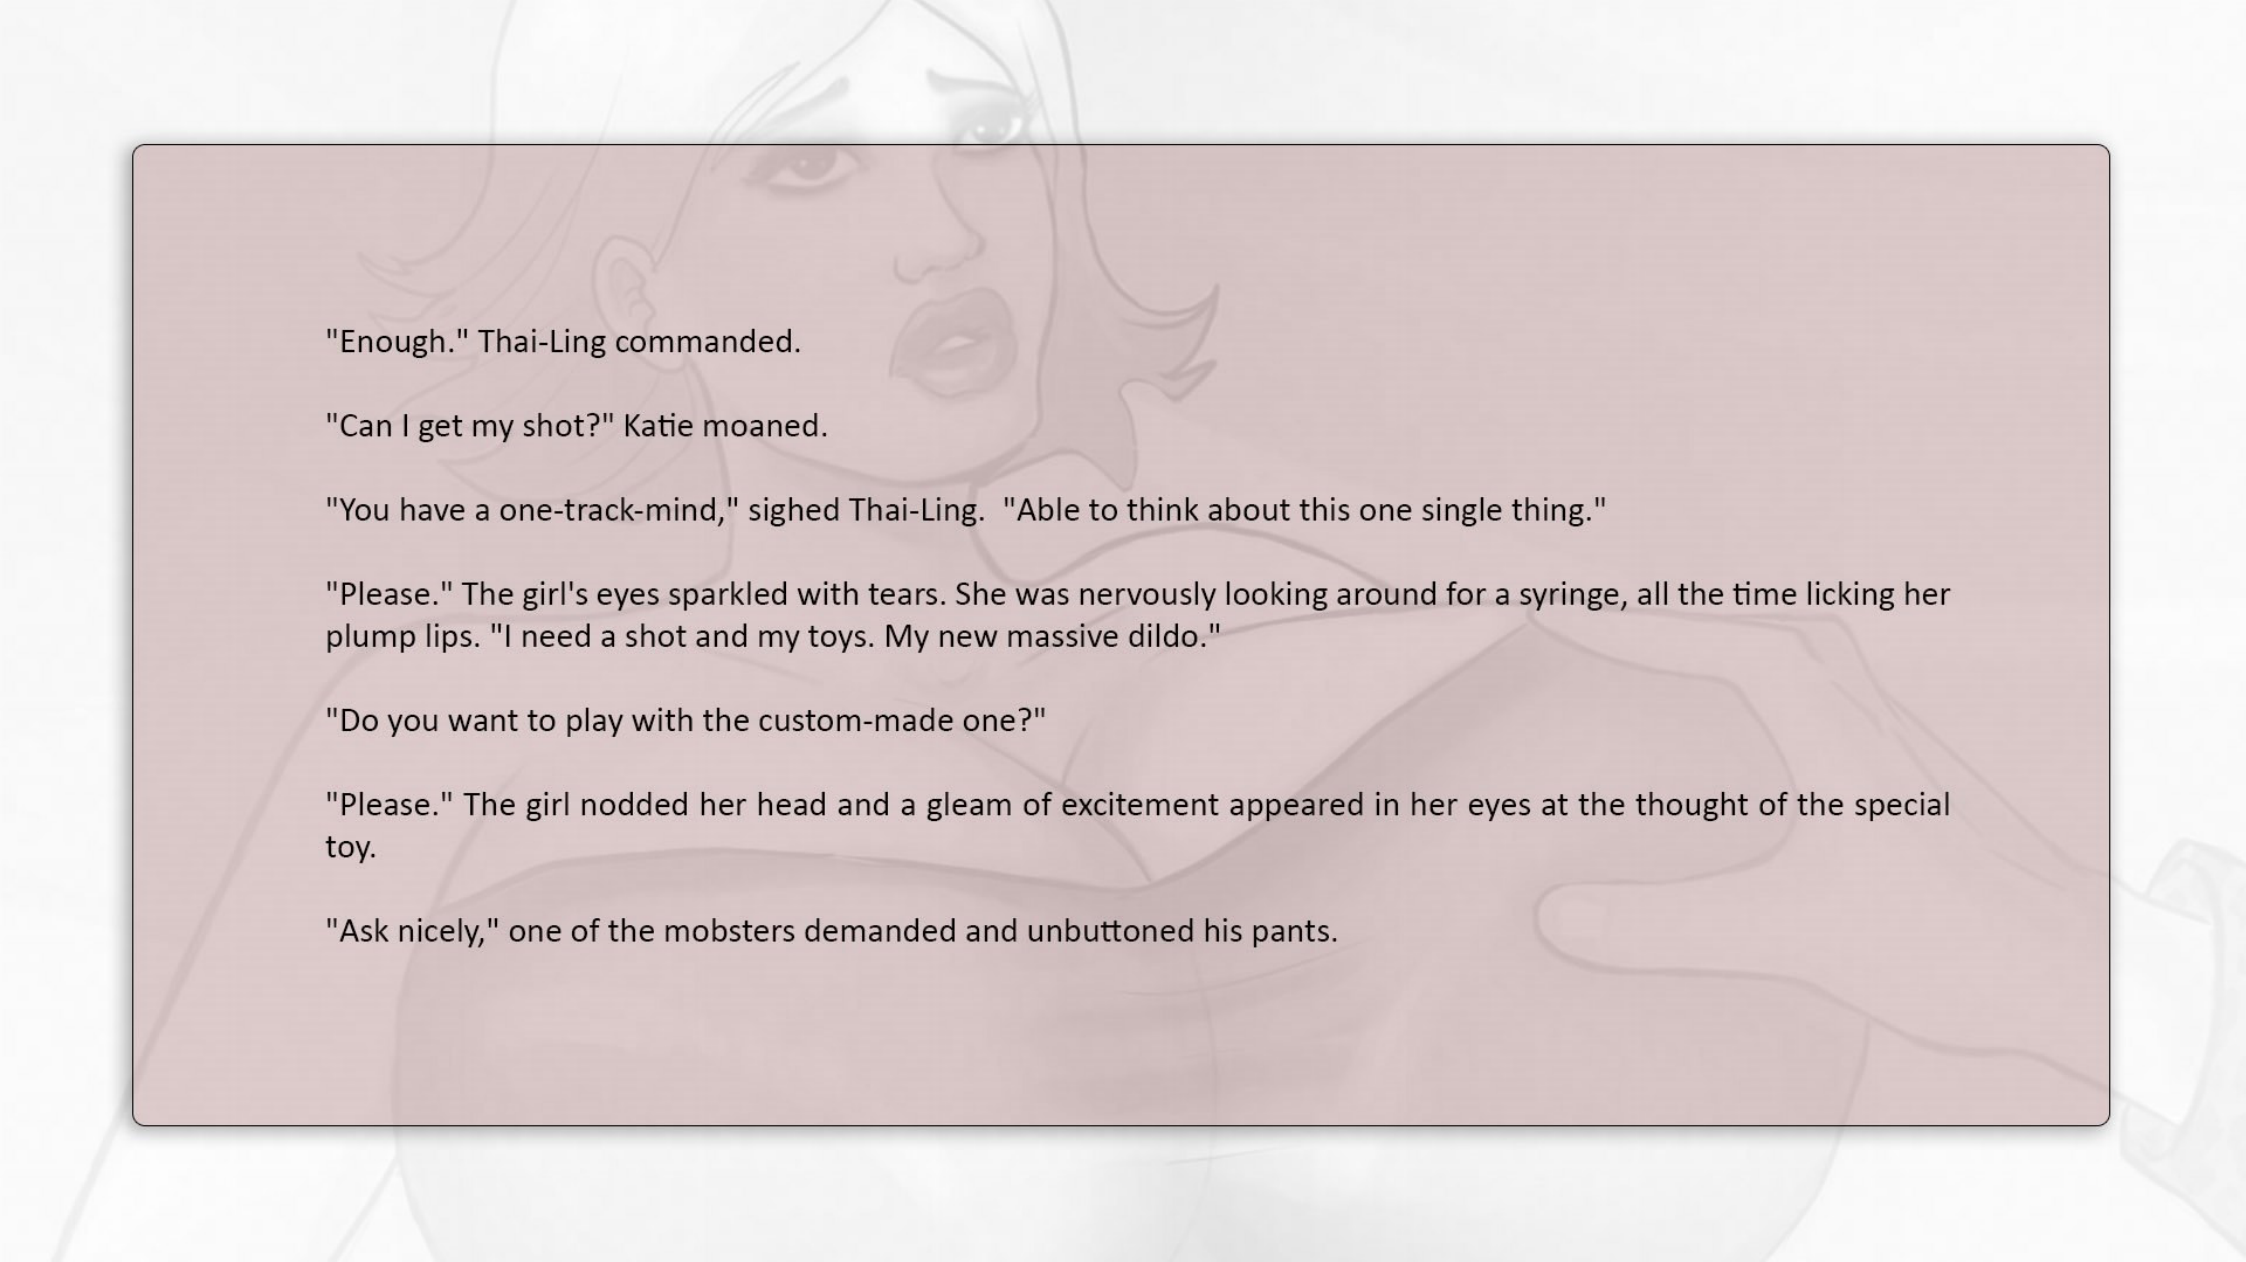

Time was passing by and Katie kept transforming. She ran her own show, earning a living in front of the camera.

"What do you fancy today?" She asked seductively.

Viewer's suggestions were displayed on the screen. As usual, a lot of people wanted to see her satisfying her own sexy ass, but one of her regular fans wrote for Anal Kitten to "show how well she can suck a dick." Kitten took one of her large shiny rubber dildos with both hands and slipped it between her moist and glossy pumped-up lips.

Katie moved her head, pushing the dildo deep into the throat, saline dripping from the corners of her lips. Her head was filled with one thought only - the reward waiting for her after the show. She tried to please the audience as best as she could, because that was what made Thai-Ling happy.

"Enough." Thai-Ling commanded.

"Can I get my shot?" Katie moaned.

"You have a one-track-mind," sighed Thai-Ling. "Able to think about this one single thing."

"Please." The girl's eyes sparkled with tears. She was nervously looking around for a syringe, all the time licking her plump lips. "I need a shot and my toys. My new massive dildo."

"Do you want to play with the custom-made one?"

"Please." The girl nodded her head and a gleam of excitement appeared in her eyes at the thought of the special toy.

"Ask nicely," one of the mobsters demanded and unbuttoned his pants.

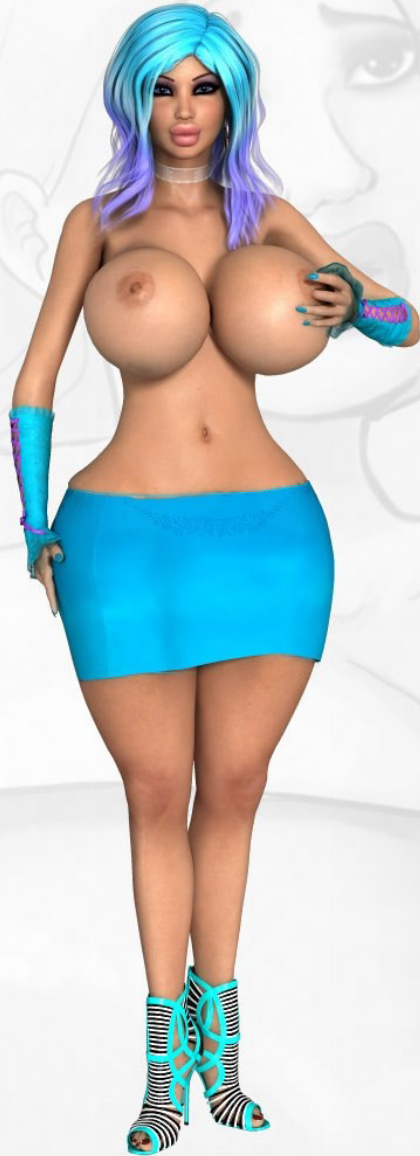

Katie immediately swallowed his cock with her large, thick lips and moaned softly, moving her mouth along his shaft.

"You're such a slut," he said. "You'll do anything to get shot, right?"

Thai-Ling looked at the custom-made dildo. It was really huge.
