Kate haven't heard from Linda for a long time, so she tensed up after receiving a message from her: *I need to meet with you, it's important.* What could it be about this time? Was Linda finally going to explain what was going on in her life?

Kate preferred not to consider the possibility that her friend had gained even more weight since their last meeting. She was still shocked how much Linda has changed-- she used to be so slim and slender and now her butt and boobs became so prominent, full and huge that they seemed bigger than Kate's whole body.

On the day of the meeting Linda sent her a text with an address. When Kate got there, it turned out to be a rather dingy, dark alley and she shivered with anxiety. She couldn't fathom why her friend had chosen such a dodgy place.

Kate decided to check if she'd actually arrived at the right address on her smartphone. After gazing at a map for a few seconds she raised her head and noticed an immensely fat figure walking in her direction. Her every step showed how difficult it was for her to move-- her gigantic breasts swayed, her huge butt wobbled and shook. Even from this distance Kate heard her panting and moaning.

"Linda?" whispered Kate.

"I know..." said Linda. "I know I have changed... again."

Kate stepped closer, gazed at her friend for a while, then groaned and covered her mouth with her hand.

Linda's face was pink and sweaty from exertion, her monstrous boobs rising with every breath and her erected, swollen nipples were visible under her top. She nervously shifted from foot to foot setting her massive ass in motion.

Kate was so shocked that she was rendered speechless. She imagined how hard it must be to live with such a huge, heavy body. It was clear that even taking a few steps was extremely difficult with such prominent shapes.

"You're... You've changed so much!" Said Kate.

"I know!" Exclaimed Linda. "I've gained so much weight again! I'm so fat and heavy now! I never thought I'd become so huge! You have no idea how burdensome it is for me... My tits keep dragging me down... They're so big now that I can't even sit at the table, you know? My buttocks are so gigantic, I don't fit in chairs. And all the time I feel sluggish and tired," she blurted out.

Kate shook her head in disbelief.

"I'm afraid I'll become even bigger," confessed Linda. "I just eat and fuck all the time..."

"But... why?" Asked Kate. "You don't want to be fatter, do you?"

"I just can't control myself," groaned Linda. "I eat more and more and still am insatiable. I'm getting bigger every day. Kate, I have no idea when this is going to end! What if I finally become so gigantic that I wouldn't be able to get out of bed and I'll just be resigned to wait until someone brings me more food or fucks me? I know I shouldn't eat so much, but I just can't resist!"

Kate blushed violently and tried to calm down.

"Even I can't believe I'm devouring such huge portions of food," said Linda tearfully. "And I'm wet and horny all the time... I could fuck all day long, you know? My pussy is constantly hungry and swollen, I always want to be filled with a hard cock, I cum over and over again and I still desire more..."

Kate was taken aback, not only by what her friend was saying, but also by the shameless way she did it. A few months back Linda would've been humiliated and embarrassed by such a confession, but now she seemed turned on by her own words.

Kate saw desire and hunger in her eyes. She noticed that her friend looks around nervously, as if searching for someone who'd fuck her.

"What has happened with you?" Asked Kate.

"Well... It's a bit... complicated. But there's something else I need to tell you. Mister von Köhler says he wants me to have even bigger tits," blurted out Linda. "Even bigger implants... I'm going to the clinic tomorrow to see them. See how gigantic my boobs already are? How can he expect me to get bigger ones? They're going to be so enormous!"

"He really wants you to get even bigger implants?" Asked Kate.

"Oh, yes," replied Linda nodding her head. "He says he wants me to be spectacular..."

"But... It's just mad!" Exclaimed Kate. "How can he?..."

But her friend looked around nervously and raised her chubby hand to silence her.

"Kate, listen to me carefully, this is very important," She panted. "I don't want to be so huge. I don't want to be used for sex and fattening. You have to--"

Linda fell silent, because she just noticed a van stopping nearby. The doors opened and Greta stepped outside.

"We've been looking everywhere for you!" She shouted out. "Mister von Köhler got so worried. You must be starving, right?"

Linda's lips started to tremble and she looked at Kate with frightened eyes, as if her friend could rescue her.

Kate felt a wave of fury flooding through her body.

"Have you been following her?!" she shouted at Greta. "You have no right to stalk her! I have no idea what Linda did for Mister von Köhler, but she's just quit, got it? And her name is not Patty! Get out of here right now, neither of us wants to see you ever again."

Greta raised her eyebrows and cast Kate a superior look.

"We're not stalking anyone," she said calmly. "Mister von Köhler was worried as Patty is hungry and needs a cock. We know her appetite is insatiable, right, Patty?"

Greta opened the door of the truck--it's interior was full of food.

Linda's eyes widened with shock and horror, but Kate noticed something else in her gaze-- desire.

"So much?" Moaned Linda.

Her body started to tremble and she didn't avert her eyes from the food.

"Mister von Köhler thought that his piggy ran away, because he was not feeding her good enough," said Greta. "That's why he's doubled your portions of food to win you back. Mister von Köhler is hoping you'll forgive him and accept this gift," she said pointing at the dishes inside the car. "He promises he'll feed you much better from now on."

"Let's go," said Kate clutching Linda's arm and dragging her in the opposite direction.

But Linda would not move.

"Don't tell me you want to go with her!" Shouted Kate.

Linda seemed to be hypnotized. She stared at the food and trembled even more violently. She licked her lips and pushed a strand of hair off her forehead with her plump hand.

Then she started to walk towards the car.

"Too much... It's too much" She kept saying. "They're going to fatten me even more. I'm going to be enormous!"

Every step cost her a lot of effort, but the closer she got, the more excited she appeared.

"So much food! How fat am I going to become after eating such portions?" She murmured but kept putting one foot in front of the other.

As she approached the van, her whole face glowed with desire-- her lips parted, her eyes sparkled and chubby cheeks reddened.

"You can't!" Exclaimed Kate. "Have you gone mad? You just told me that you don't want to eat so much, that you didn't want to be so fat... Don't do it!"

Patty moaned and gasped with every step. She clambered into the vehicle and started eating at once. She paid no attention to anything around her, except the dishes in front of her.

And still she kept repeating:

"It's way, way too much food... I'm going to grow so fat... So big..."

Her voice sounded a bit muffled as her mouth was full of food.

Greta nodded her head to Kate and got into the car, that left a few seconds later.

Before and After

Patty was sitting in the clinic's waiting room thinking about the implants she was just about to see. How big were they? Otto said they'll be enormous... She felt an unpleasant squeeze in her stomach every time she imagined how gigantic she was going to become.

When the doctor invited her into his office she stood up clumsily and gasped. She was so full again... Her protruding belly was stuffed with food she had devoured for breakfast. She had eaten so much again!

Mister von Köhler was already inside the room. He was smiling and appeared so satisfied, that Patty shivered. She knew what this must mean.

"Just look at them!" He said pointing at the implants.

And then Patty noticed them. She was so shocked, she took a step back, covered her mouth with her hand and widened her eyes. It seemed like there was not enough air in the room and she could not catch her breath. She felt a cold sweat covering her skin and her whole plump body started trembling.

"They're not for me... Are they?"
She asked.

"Of course they're for you,
piggy!" Said Otto.

His eyes were sparkling with
excitement.

"The biggest implants the doctor
agreed on. Made specially for
you! Oh, you're going to look so
incredible with them. I just can't
wait!"

The room whirled before her eyes
and all the colors blurred.

"So... So... huge..." She
murmured.

"I told you they'll be big." Otto
sounded irritated. "Haven't you
been listening to me? Have you
been so consumed by eating and
fucking you didn't pay attention
to what I was saying?"

"I didn't expect... that they're going to be so... so... enormous," answered Patty. "How am I going to move with them!?"

"Oh, you can barely move already," said Otto waving his hand impatiently. "The implants must be this size, because you got so fat. You shouldn't have eaten so much, right? Should have exercised some control over your appetite. Such a huge, greedy piggy like you needs humongous tits."

Patty felt her head spinning. She could not avert her gaze from the implants.

"How am I going to live with them?" She asked. "I'm going to be so heavy and clumsy... They're going to immobilize me!"

"I'll take good care of you, piggy," Otto assured her. "Don't worry, I'll bring you as much food as you like. I'll fuck you regularly, I promise. What else do you need? Food and sex are the only thing you care about anyway."

"But..." Patty started, but had no idea what to say next.

She knew that Otto was not to be persuaded.

She had to face it-- she landed herself into this situation, because she could not control her appetite. She was a fat, greedy piggy.

"Are you excited?" Asked Otto. "You'll be just spectacular, believe me. We need to go back home to feed and fuck you. That's the only way to make you feel relaxed."

Patty didn't say anything. It all felt like a dream. She clumsily followed Mister von Köhler out of the room. At the door she turned her head, glanced at the implants once again and let out a long, soft moan.

Patty was lying in the corner of Mister von Köhler's office and fervently massaging her warm, soft breasts. She looked at Otto with misty, bleary eyes, licked her lips and moaned.

Mister von Köhler was working at his desk, not paying her any attention.

At one point he stood up, which sent chills of anticipation down Patty's spine. She looked at him pleadingly and her cheeks flushed even more.

"I can smell your horny pussy," Otto said to her.

Patty bit her lips and started to caress her massive boobs still more avidly.

"Fuck me, please," she sighted.

Otto laughed and shook his head.

"I've never seen such an insatiable, horny piggy like you," he marveled.

Patty moved her hips as if they were having sex already.

"Come on, tell me what you've become," demanded Otto.

"I'm a fat, horny piggy," moaned Patty. "I'm only good for fucking... I want to eat and fuck all the time."

"Exactly. You lie around and imagine my cock filling your moist pussy," said Otto.

Patty shivered and felt juices from her pussy dripping down her tights.

Otto took off his clothes and stood naked before her.

Patty admired his erect penis with fascination and longing, as if it was the only thing in the whole world that could satisfy her.

"You look at the table laden with food the same way, don't you?" Commented Otto. "Your appetite is just marvelous. Even now, when you've become so fat, even though you're afraid of gaining more weight, you can't control yourself."

Patty reached out her trembling hand to him.

"Please... I need a fuck... I need an orgasm... That's the only thing I'm good for."

Otton briefly touched her gigantic boobs, then moved his hands down on her soft belly and prominent ass.

"You've fattened up so much, you know? Can you even remember how slim and light you were before?"

Patty sighed and rolled her eyes.

Otto caressed her dripping labia and then penetrated her with one swift push. She was so hot and wet inside...

Patty tensed up, started to shiver and cried out with sudden pleasure.

Otto admired her soft, shapely curves wobbling with his every push and felt his penis becoming bigger and harder. He relished at her enthusiastic, wild reaction.

Patty was letting out long, sultry moans, while fondling her massive boobs with trembling hands and avidly moving her round hips, which made her buttocks bounce and shake.

Otto felt her pussy tighten on his penis intensifying his experiences.

"You can't stop eating and this will make you even bigger," he whispered. "You're my horny piggy and soon you'll become so gigantic, you'll only be able to lie and wait for someone to feed you or fuck you."

"Oooch... More... More, pleeeaaase..." Groaned Patty. "I'm going to... cum..."

Otto clenched his hands on her ass and pushed her as hard and deep as he could.

The office filled with her ecstatic yells. She flexed all of her muscles and sighed until she was out of breath, then relaxed for a few seconds, inhaled loudly and greedily like a drowning person, and sunk into the blissful delight once again.

When her orgasm ended, Otto gave her no time to rest. He rubbed her swollen clit with his fingers and moved inside her even harder.

"You'll cum for me one more time," he said. "You'll orgasm until you completely run out of steam. Your life will be filled with constant desire from now on. You want more... More food and more fucking."

"Yeeesss..." Sighted Patty. "Don't stop..."

"Think about how much weight you've gained," said Otto. "Think how heavy and clumsy you've become. Even taking a few steps is a challenge for you now. Even though all your clothes are huge, you can barely fit into them. You eat so much that you'll grow even bigger, your tits will be so monstrous that they'll pin you down to the bed, your ass so gigantic, you'll not fit into any chair. You'll be barely able to move, but still you'll want to eat more, because you've turned into my fat, horny piggy."

Patty's skin was glowing with droplets of sweat. There was a smell of her arousal in the air. Otto's words seemed to reach her from a great distance. Another, even more powerful orgasm was building up between her legs. Patty was gasping and panting with emotion and effort.

Otto took a dildo into his hands and slid it between her buttocks into her second hole, making her pussy even tighter.

Patty froze, overwhelmed by ecstasy. The toy in her ass filled her to the limit and gave her a new kind of pleasure that forced her to relax and give in to bliss. She wanted to delay the orgasm, because the tension between her thighs seemed too intense to bear. She held her breath, but she was not able to restrain herself even a second longer.

"Just like that..." Moaned Otto.
"My fat piggy can't control her appetite. You'll cum for me once again... And then you'll get hungry and you'll want to eat more, fuck more..."

Even Otto was amazed by the force of her next orgasm. Patty completely lost control-- she moaned, yelled and trembled, clenched her fists convulsively and rolled her eyes. Her whole plump body was wobbling and shivering.

Otto sighed, gazed at the cumming woman and reached his orgasm too.

Later, he left her panting and gasping on the floor in a pool of sex juices. After, he put on his clothes and returned to his work.

"You're probably hungry and horny already, am I right?" He inquired after a few minutes. "Already fantasizing about my cock, even though you just had two orgasms that almost made you pass out."

"It was... so pleasant... so good..." Whispered Patty.

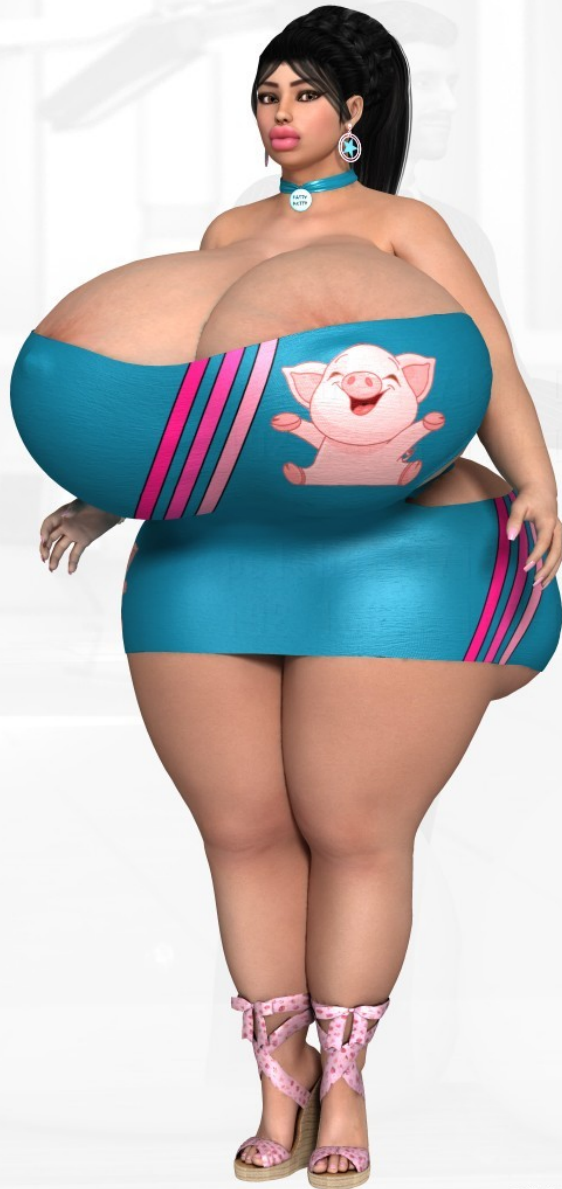

"Think about all the food the cook is preparing for you right now," said Otto. "About all those fat and sweet dishes, with which you're going to fill your stomach this evening."

Patty moaned in reply.

"We both know you won't be able to refrain from eating it all."

Before and After

An invitation to Otto von Köhler's residence both concerned and puzzled Kate. She spent a long time mulling it over in her mind, not able to make a decision. Linda's work for that man appeared so mysterious and unsettling.

At last, her curiosity won. She had to find out what was going on behind the locked doors of Mister von Köhler's residence.

She felt her stomach squeezing with anxiety when she was standing in front of the house. Her heart was beating rapidly, her breath was shallow and uneven.

Crazy visions of what she might find inside were flying through her head.

Nobody opened, so Kate pushed the doorbell once again. After a few minutes she started to consider walking away.

Then, at last, the door slowly opened.

She jumped and cried out.

In front of her stood Patty, sweaty and breathless. Kate stared at her figure with dismay-- at her enormous, heavy breasts, gigantic buttocks, full thighs... Kate let out a long sigh and instinctively took a step back.

"I know..." Moaned Patty wiping a drop of sweat off her temple. "I'm much, much fatter than before... You had to wait at the door for so long, because getting here from the living room took me ages."

Kate wondered how much food her friend has to devour to gain weight in such an alarming speed. Compared to Patty, Kate seemed tiny and skinny, even though once before it was the other way round.

Patty invited her inside and they walked down the corridor. She took every step heavily, slowly and with huge effort. She paused every few seconds, rested and gasped for breath.

Kate could not avert her sight from Patty's wobbling body. She could not believe that anyone can have such monstrous boobs and vast ass, even though she had them right in front of her eyes.

There was not only exhaustion in Patty's moans and gasps, but also... arousal. Kate was pretty sure she could smell her wet pussy.

They were almost in the living room, when Patty hesitated, looked at her friend with hazy eyes and licked her lips.

"Listen... There's something I want you to do for me," she whispered.

"Of course! I've told you I want to help," Kate assured her earnestly.

After months and months of helplessly observing her friend losing control, she felt relief and joy washing over her.

“Just tell me what to do,” she said clutching Patty's chubby arm. “Anything you want.”

Patty seemed surprised, but also pleased by Kate's eagerness.

“I need you to lick my pussy,” she said. “Make me cum, please... I can't take it any more... I need a fuck...”

Kate's face turned pale and her trembling lips parted.

“You're kidding. Right?” She said hoping that this was a joke, an extremely silly, out of order one, but still. Anything seemed better than accepting that her friend was serious.

“I'm begging you, I need it sooo much,” Patty whined.

She was glaring at Kate imploringly.

Then, Otto's voice interrupted them:

“Here you are! Good to see you, Kate.”

Kate was not able to utter a sound. She just couldn't understand what happened to her friend and why she'd changed into that fat, insatiable woman.

Patty's constant hopeful gaze was making her feel even more uncomfortable.

“Just let me cum already!” Patty turned to Otto. “Please, I'm begging you, it's unbearable! I need your big, hard cock... Please....”

Otto gave her an indulgent, albeit a bit amused look.

“You're embarrassing our guest, Patty,” he said.

Kate could not listen to this perverse nonsense any more.

“Will anyone explain what the hell is going on here?!” She demanded. “You have no right to keep her here. Linda, let's go. Now!”

But her friend was not paying her any attention, just staring pleadingly at Otto and massaging her immense boobs.

“Why are you like this? Why?!” Demanded Kate.

“Oh, it's very straightforward, really,” chuckled Otto. “Show her, Patty.”

Silence fell. Patty blushed and averted her gaze.

Patty gave her friend an uncertain look and bent over. She wasn't wearing panties. Both of her sex holes were dripping with juices, swollen and filled with vibrating dildos.

Kate felt cold sweat cover her skin and sensed arousal building up between her thighs, against her own will. The scene before her eyes was so perverse and kinky, that it made her head spin. She had no idea what to say or how to react.

Otto smiled noticing her bewildered, shocked expression. She was so innocent. Yet...

“You look pale,” he said. “Have a drink.”

Kate accepted the glass automatically, without making any conscious decision and drank, taking greedy gulps.

She'd never tasted anything so delicious. Every swallow was blissful and delightfully tasty. Kate was so taken aback, for a moment she forgot all her anxiety and worries. She felt content and just never wanted the drink to end... It made her whole body vibrate with longing for more...

“Tasty, right?” Commented Otto.

Kate finished the drink and considered asking for one more, but the view of Patty's massive, stuck out ass, filled with vibrators made her decide against it.

"These dildos keep Patty aroused all the time, but she can't reach her orgasm," Otto explained.

"It's too much..." Groaned Patty and rolled her misty eyes.

She stretched her hand out towards her pussy, to take the toy out and finally free herself from the unbearable tension, but she was not able to reach it.

Kate watched her friend desperately trying to touch her dripping hole, but her gigantic tits and ass got in the way.

"This has to end," said Kate decisively. "You can't keep her here!" She yelled.

She took her friend by the arm and started dragging her towards the door. Patty sighed with every step and glanced at the man.

"But... you were supposed to fuck me..." She moaned. "You promised! I'm so wet and horny..."

"Come on!" Kate hissed.

Patty was so heavy, that Kate's efforts to drag her to the exit amounted to nothing.

"I've never been so horny," moaned Patty. "Will you fuck me?" She begged her friend. "It doesn't have to be a very good fuck, you won't even have to try, I just want you to rub my pussy... I'm so horny I'll cum hard anyway..." Her whole face lit up on this very thought.

"We need to get out of here," Kate repeated. "This place is no good for you."

"I can't masturbate, because I'm not able to reach my pussy... And I need this orgasm so much!"

Otto observed them with a mocking smile on his lips.

“Nobody is keeping Patty here,” he said. “She can leave whenever she wants.”

Kate pulled her friend's arm so forcefully that Patty lost her balance and heavily fell on the floor. There was a ripping sound and her dress tore apart. Her whole body rested on her enormous, soft boobs. Her ass filled with toys stuck out in Otto's direction.

Kate tried to lift her friend up, but Patty was way too heavy for that, and besides, she was not trying to cooperate at all, she was only interested in finally reaching her longed-for orgasm.

“Patty does not wish to go anywhere, she's happy here, right?” Asked Otto.

The woman nodded her head enthusiastically and tried to touch her swollen pussy once again.

"Fuck me, I'm begging you," she whined.

"See, Kate? She wants to be here," said Otto with an air of someone presenting a conclusive proof for his statements.

Then he knelt next to Patty.

"Yes, please, touch my pussy, that's what I want!" she moaned.

Kate has never witnessed anything so perverse. Her emotions paralyzed her and she felt dazed and confused. She was only able to watch Otto sliding his hand between her friend's enormous buttocks and moving it rhythmically. Patty at once started to move her hips greedily.

"Oh, yes, don't stop, that's exactly what your fat piggy needs," she groaned. "It feels sooo good... More... More..."

Kate noticed her own nipples erecting and stiffening, and her pussy getting moist and hot. She couldn't believe that this kinky scene affected her this way.

Patty's face was tense with pleasure. Her soft, massive body shivered and wobbled.

Otto squeezed her enormous butt and started to move his hand even faster.

"So good..." Murmured Patty.
"I will... I'm just about to..."

But Otto drew his hand back.

Patty froze for a second, and then begged him to keep fondling her.

“Nooo... Why did you do that?! I was so close already!” She cried out in anger.

There were tears of fury and disappointment in her eyes. Her uncontrollable desperation was absolutely staggering.

“You horny piggy needs to fuck! Please, please... It was so great!”

Kate felt a cold chills down her spine. She'd never seen anyone demand sex this way. It appeared that she can burst into tears at any moment.

“Are you still convinced that Patty wants to get out of here?” Otto asked her.

Kate felt like running away, but her legs would not move. A tiny part of her mind was jealous of Patty's overwhelming lust and arousal.

“I just... need... to... cum!” Sighed Patty.

Otto slid his hand between her buttocks with a swift, sudden movement.

"Yes!" Cried out Patty triumphantly.

She reached her orgasm a few seconds later. The whole room seemed to fill with her pleasure--blissful moans, ecstatic trembling of her muscles, her grimaces of delight, the smell of her pussy and perfume.

Kate felt her own body react with arousal and felt furious with herself.

"I want to cum one more time," groaned Patty. "Let me cum once again. I've been so horny all day long... This is the first time you fucked me today! I need your cock..."

Otto smiled at Kate. Then he started to move his hand, that was still stuck between Patty's soft buttocks.

"I take good care of her, see?" He said.

"How did this happen?..." Whispered Kate.

Otto saw her lips move, but didn't hear her words, because Patty was screaming too loudly.

Kate wanted to leave, but was unable to move a muscle. Her body appeared tense and heavy, so instead of running away she watched Patty tremble with orgasmic ecstasy once more.

She haven't even noticed Greta approaching her. She had a can of spray in her hand.

Kate snorted with ironic laughter.

"You're naturally chubby, so you have great predispositions... Just look how much pleasure awaits you," said Greta pointing at Patty.

"No way," replied Kate.

"But we're such terrible hosts," continued Greta feigning embarrassment. "We didn't even offer you anything to eat! Are you hungry?" She asked and pointed at the table laden with cookies, doughnuts, muffins and sweet drinks.

Kate shook her head in disbelief. This whole evening seemed too surrealistic. Her friend was just having sex with Otto, and Greta offered her something to eat with the air of a polite hospitality as if this was a casual social arrangement.

"No, thank you," Kate said coldly.

Then Greta nodded her head, approached the table and used the spray on the food.

There was now an amazing, mouthwatering scent in the air and Kate thought about the drink she accepted from Otto earlier.

She's never smelled anything so seductive and irresistible. This food must taste so delightfully... She felt saliva fill her mouth. For a few seconds she stood tense and frozen, looking at the dishes. She could almost feel the sweet icing of the doughnuts on her tongue and taste the chocolate melt between her lips.

“Maybe... Just a bit,” she mumbled.

“Of course,” agreed Greta and offered her the plate.
