

Christina Owen

Name: Mike Anderson

Profession: Plastic Surgeon

Height: 1,86m

IQ: 165

Age:31

Mike is a wealthy, successful plastic surgeon. He owns his own clinic situated in Beverly Hills where most his customers are rich women.

He wasn't always successful. He wasn't very athletic at that time, but he was very intelligent and put all his effort into studying.

Throughout school he was always picked on by the jocks. The popular cheerleaders joined the jocks by constantly making life difficult for Mike.

One day Mike had enough when a group of cheerleaders went too far. That day he promised them he would get back at them for making his life miserable. Not being able to do anything way back then; now was the time for his revenge plan. He joined the DollProject organization that gave him a few ideas.

One of those cheerleaders was Christina Owen! She would be his second victim after Holly Page.

Name: Christina Owen
Profession: Unemployed
Height: 1,67m
IQ: 105
Age:27

Christina had it easy throughout school. With her natural, cute appearance she always persuaded guys to buy and do stuff for her. She had no problem sleeping with them if that's what it took. Like this she skated through life depending on her looks and getting everything she wanted.

Christina still looked very youthful. It looked like she hadn't aged since she was 18. She had good genetics but also kept in shape by working out twice a week.

Many boyfriends (at the same time) took care of her and therefore she never had money problems. Christina wanted more however. She wanted her own money to buy beautiful cars and a luxurious apartment. Not having a job and not being very bright she knew she would have to find a rich man.

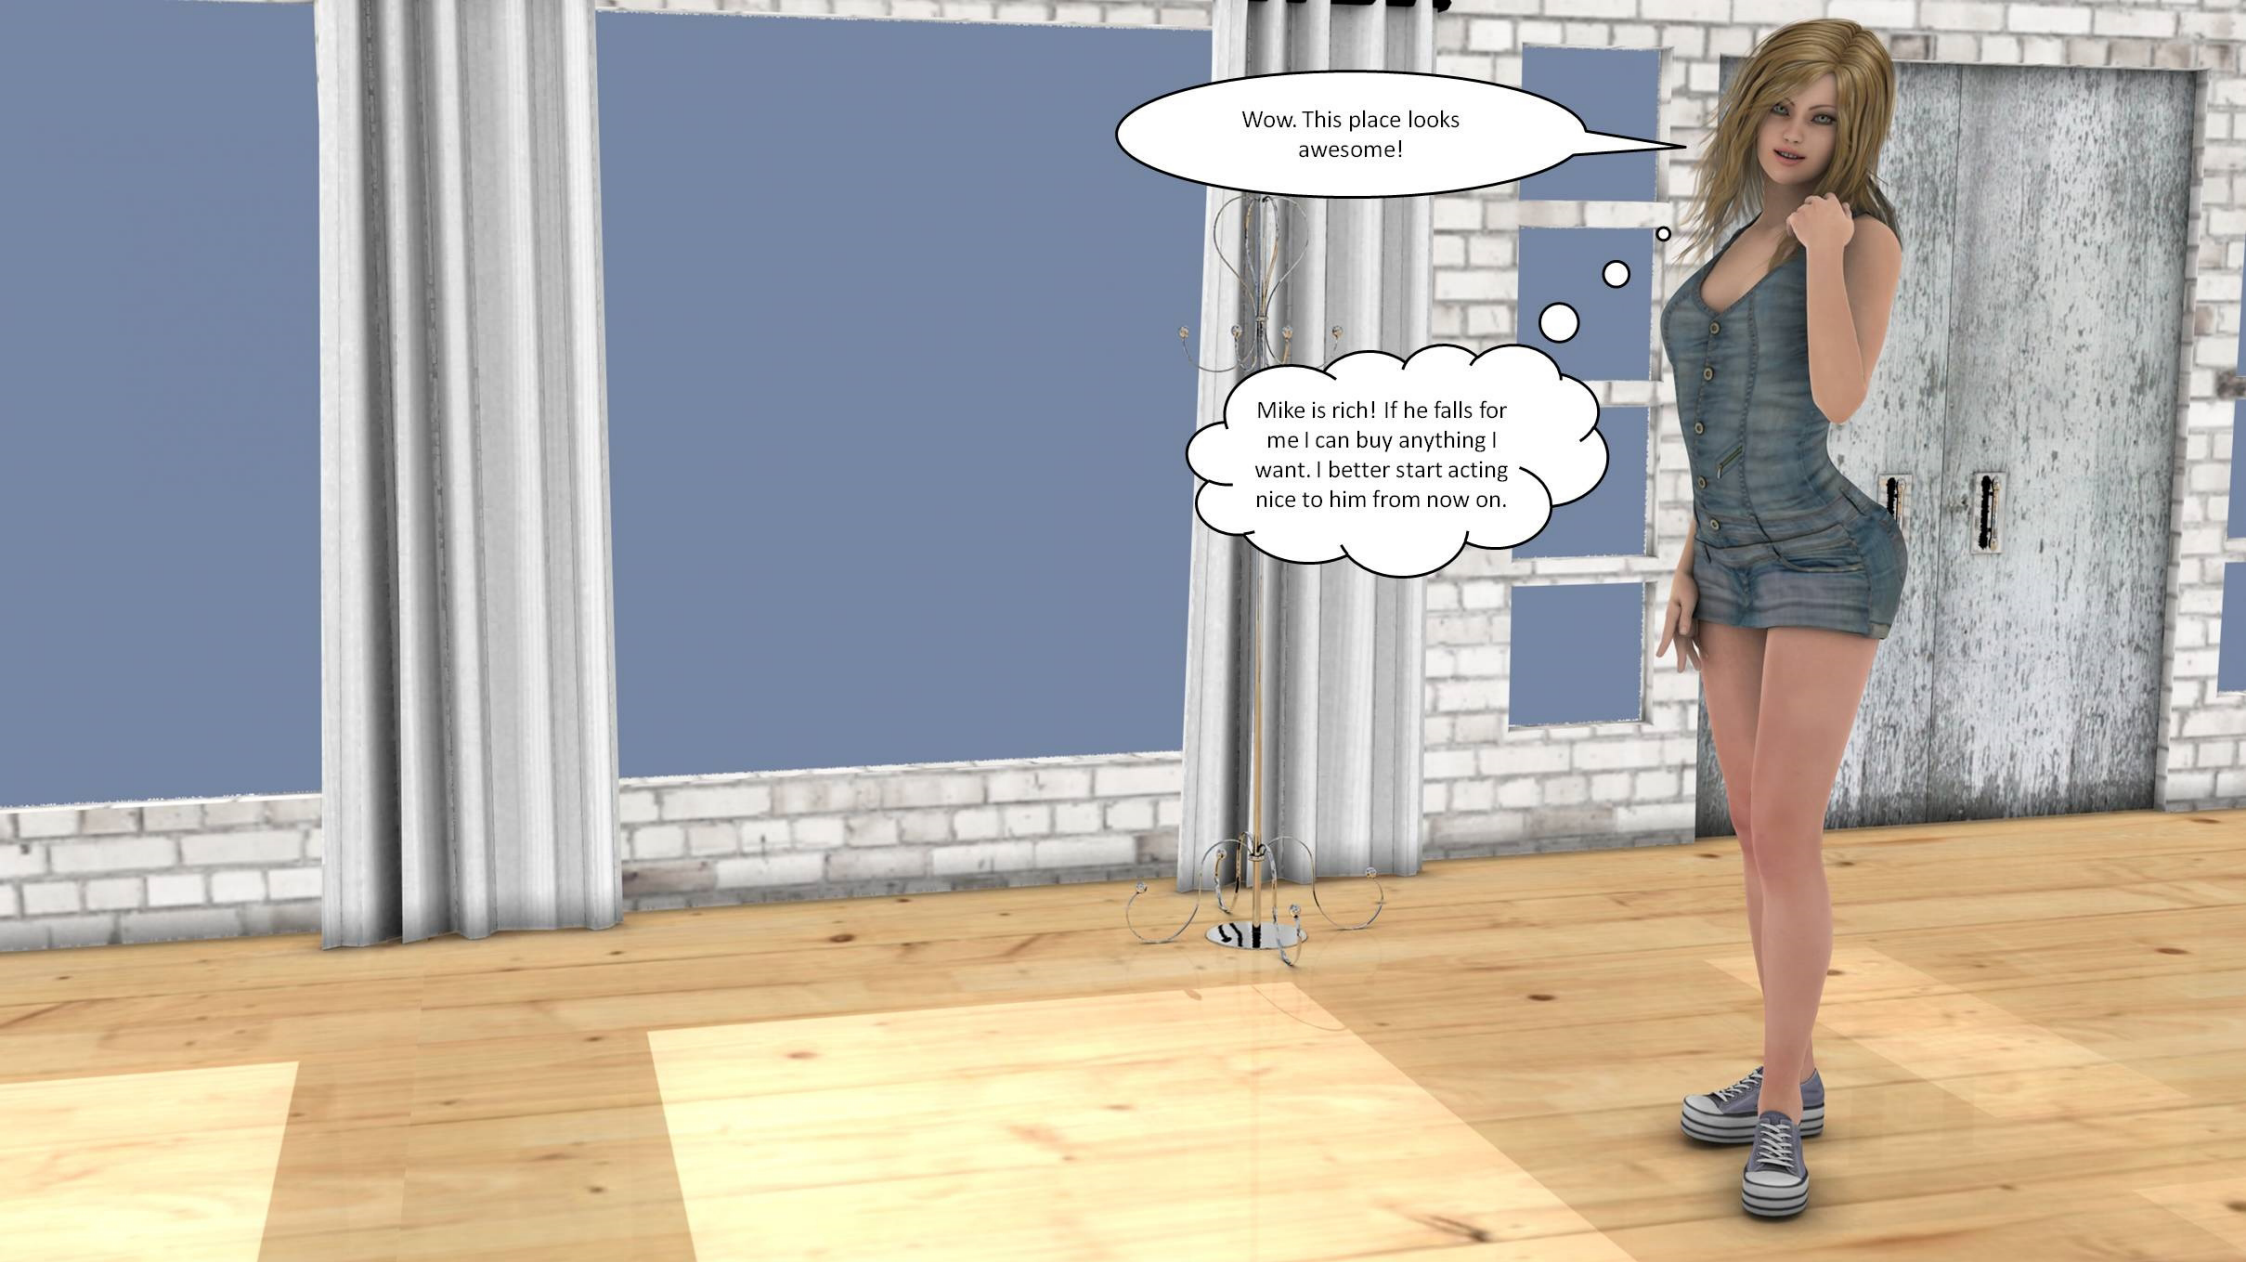

That's when Mike called her with a proposal...

Mike having done his research on Christina knew she needed money. Therefore he called her with a job proposal that of course seemed too good to be true. Christina therefore couldn't refuse. He offered her 5000\$ for every day she would keep Mike company. Mike knew Christina was very superficial and easy just like she was in school and would accept without hesitation.

Christina knew that she was basically asked to be a prostitute for a few days. Why else would someone pay her so much money. She wasn't shocked however. She loved sleeping with guys and this time she would be paid 5000\$ a day. She slept with guys for much less and therefore agreed immediately.

What Christina didn't know is that Mike had a lot more planned for her. She would now get what she deserved for making Mike's life throughout school a living hell.

Wow. This place looks awesome!

Mike is rich! If he falls for me I can buy anything I want. I better start acting nice to him from now on.

Hi Chris... long time no seen. I've got the contract for you to sign right here. I've told you the important details over the phone. You will be spending time with me for exactly 7 days. For each day you'll get 5000\$. That means after a week you'll get 35,000\$ total. Sounds good right? If you sign we start tomorrow.

We have a deal sexy.

WOW. 35,000\$ in just one week just to basically sleep with him. No problem. He looks hot now. I would sleep with him for free... hihi

I'll see you tomorrow
sexy, and I'll bring a
present for you.

Mike knew his revenge would feel great. Christina would finally get what she deserved after all those years.

For too long she had lived depending on just her good looks. He would take away what she valued most; her youthful, tight body.

Hi sexy. Meet me upstairs in 5 minutes.

You've wanted to have sex with
me for a long time haven't you?
Today is your lucky day.

You like my schoolgirl outfit sexy? ;)

She hasn't aged at all since all those years. Damm she looks pretty hot actually.

Well, too bad that is going to change. Just wait until I'm done with her.
Muhaha

You like my tight ass baby?
I'm wearing crotchless
panties just for you.

Come lay down next to me baby.

You've waited a long time to see this haven't you? ;)

A 3D rendered scene featuring a woman with long, wavy blonde hair lying on her side on a light-colored sofa. She is wearing a black studded bracelet on her right wrist and is looking towards the camera with a slight smile. A speech bubble is positioned near her head, containing the text "Choose any hole you want doctor ;)". The background shows a dark surface, possibly a table or floor, and a window with blinds.

Choose any hole you want
doctor ;)

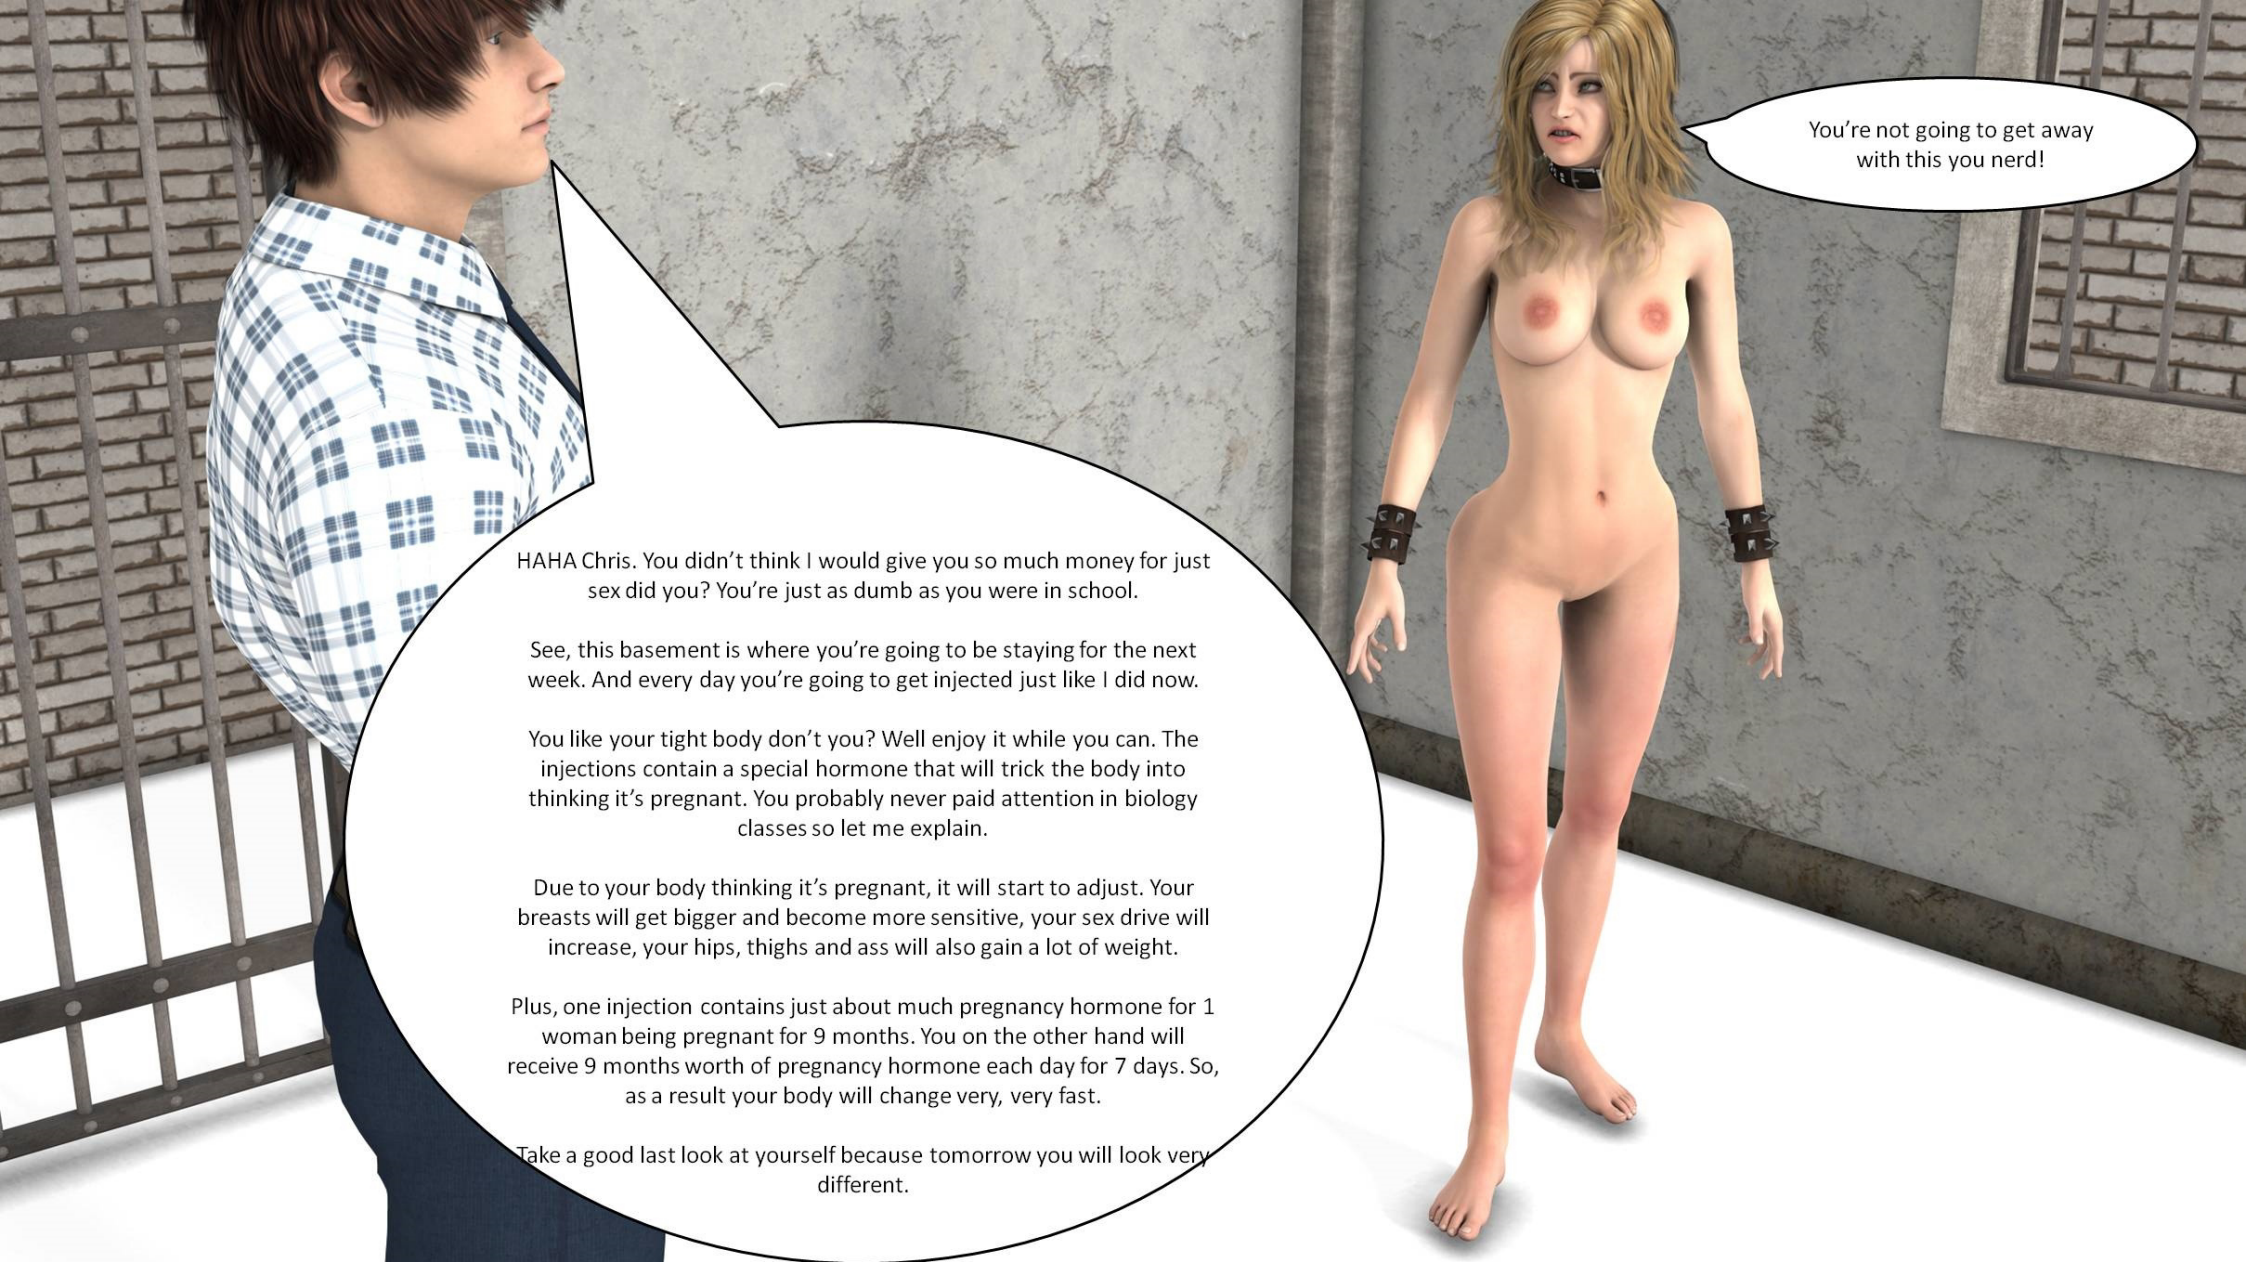

Chris. I want to show you something downstairs. Follow me.

Ohh I'm excited. A present maybe

What the hell is this creepy
place doc...

Auw! What the hell was that?!
What did you inject me with
doc?

HAHA Chris. You didn't think I would give you so much money for just sex did you? You're just as dumb as you were in school.

See, this basement is where you're going to be staying for the next week. And every day you're going to get injected just like I did now.

You like your tight body don't you? Well enjoy it while you can. The injections contain a special hormone that will trick the body into thinking it's pregnant. You probably never paid attention in biology classes so let me explain.

Due to your body thinking it's pregnant, it will start to adjust. Your breasts will get bigger and become more sensitive, your sex drive will increase, your hips, thighs and ass will also gain a lot of weight.

Plus, one injection contains just about much pregnancy hormone for 1 woman being pregnant for 9 months. You on the other hand will receive 9 months worth of pregnancy hormone each day for 7 days. So, as a result your body will change very, very fast.

Take a good last look at yourself because tomorrow you will look very different.

You're not going to get away with this you nerd!

Day 1

Pfff, what the hell am I supposed to do now? I'm going to be here for 7 days...

Maybe I can try
to escape...

Day 2

Omg. I feel my body changing. My ass is getting softer. My hips and thighs are bloated. And my breasts! My breasts are sagging so much.

Looks like you became a lot more curvy Chris. Imagine that this was just 1 injection. How big would you get after 6 more!? Muhaha Now turn your fat ass around because your second dose of pregnancy hormone is waiting.

Please Mike. Stop this! I swear if you let me go now I wont tell anyone. Please don't inject me again with this stuff. Don't make me even bigger.

Wow, your ass has gained a lot of weight. I'm curious how it will look tomorrow.

Omg, I cant get fatter than I already am! What is everyone going to think of me!

Day 4

Look at me... I look like a cow with these massive sagging boobs. I can't show myself in public like this...

Why are my hips and things still growing? They can't get any bigger than they already are could they? I hate my legs now... There are no jeans that can fit thighs this big...

My ass is fucking huge! I don't think I've ever seen an ass so big. These fucking injections are ruining everything. I cant even walk normally without it jiggling like crazy.

Day 6

Tomorrow will be my last day. I cant wait to get out of here and be done with all this. I look ridiculous...

My ass just wont stop growing. I still haven't gotten my injection today. I'm not letting mike give me more hormones. My thighs and ass are already way too big as they are now.

My boobs are soooo heavy! I can barely stand up straight. I can't believe Mike didn't even give me a bra. My boobs have no support and are sagging so much.

My nipples are really sensitive. I look like a cow with nipples this big.

Progress 

Progress

mmm.
Anything...

Please Mike. I'll do anything; just don't give me more of that pregnancy hormone...

Well oke Chris. If that's what you want. But to compensate I've got something else in mind for you. I just need some time to set it up. Tonight we will start. Muhaha

If you don't get in there now I'm going to give you three injections Chris! Choose which one you prefer.

There's no way in hell I'm getting in that thing! Fuck you Mike!

Omg three injections! I'll become so big I wont be able to move. This choice is impossible!

Now that you're firmly in place Chris, I'll tell you something. See your ass, thighs and breasts look like that of a pregnant woman, except your stomach doesn't. So we're going to fill it up with a damn lot of water to make it look like you're carrying something in there.

It wont hurt because I put an anesthetic in the water, but it'll feel pretty uncomfortable. HAHA We have the whole night to fill you up with about 5-6 liters of water. We don't want to fill you up too fast; or it'll damage your insides. Water will enter your body at about 0,5 liters an hour so you have enough time to get accustomed to the full feeling. Now, lets jam that hose in that tight little asshole of yours ;)

You're sick! You're not going to get away with this!

Lets turn on the water shall we.
Water is coming in at 0,5 liters an hour. Soooo, let me see, I'll
come turn off the hose in 10-12 hours. It's 10PM at the
moment so I'll see you at around 9AM. Lets hope I don't
oversleep, we wouldn't want you to explode now do we.
HAHA
Goodnight Chris, and drink up.

10PM day 6

Omg I feel the water entering my ass! It's so cold.

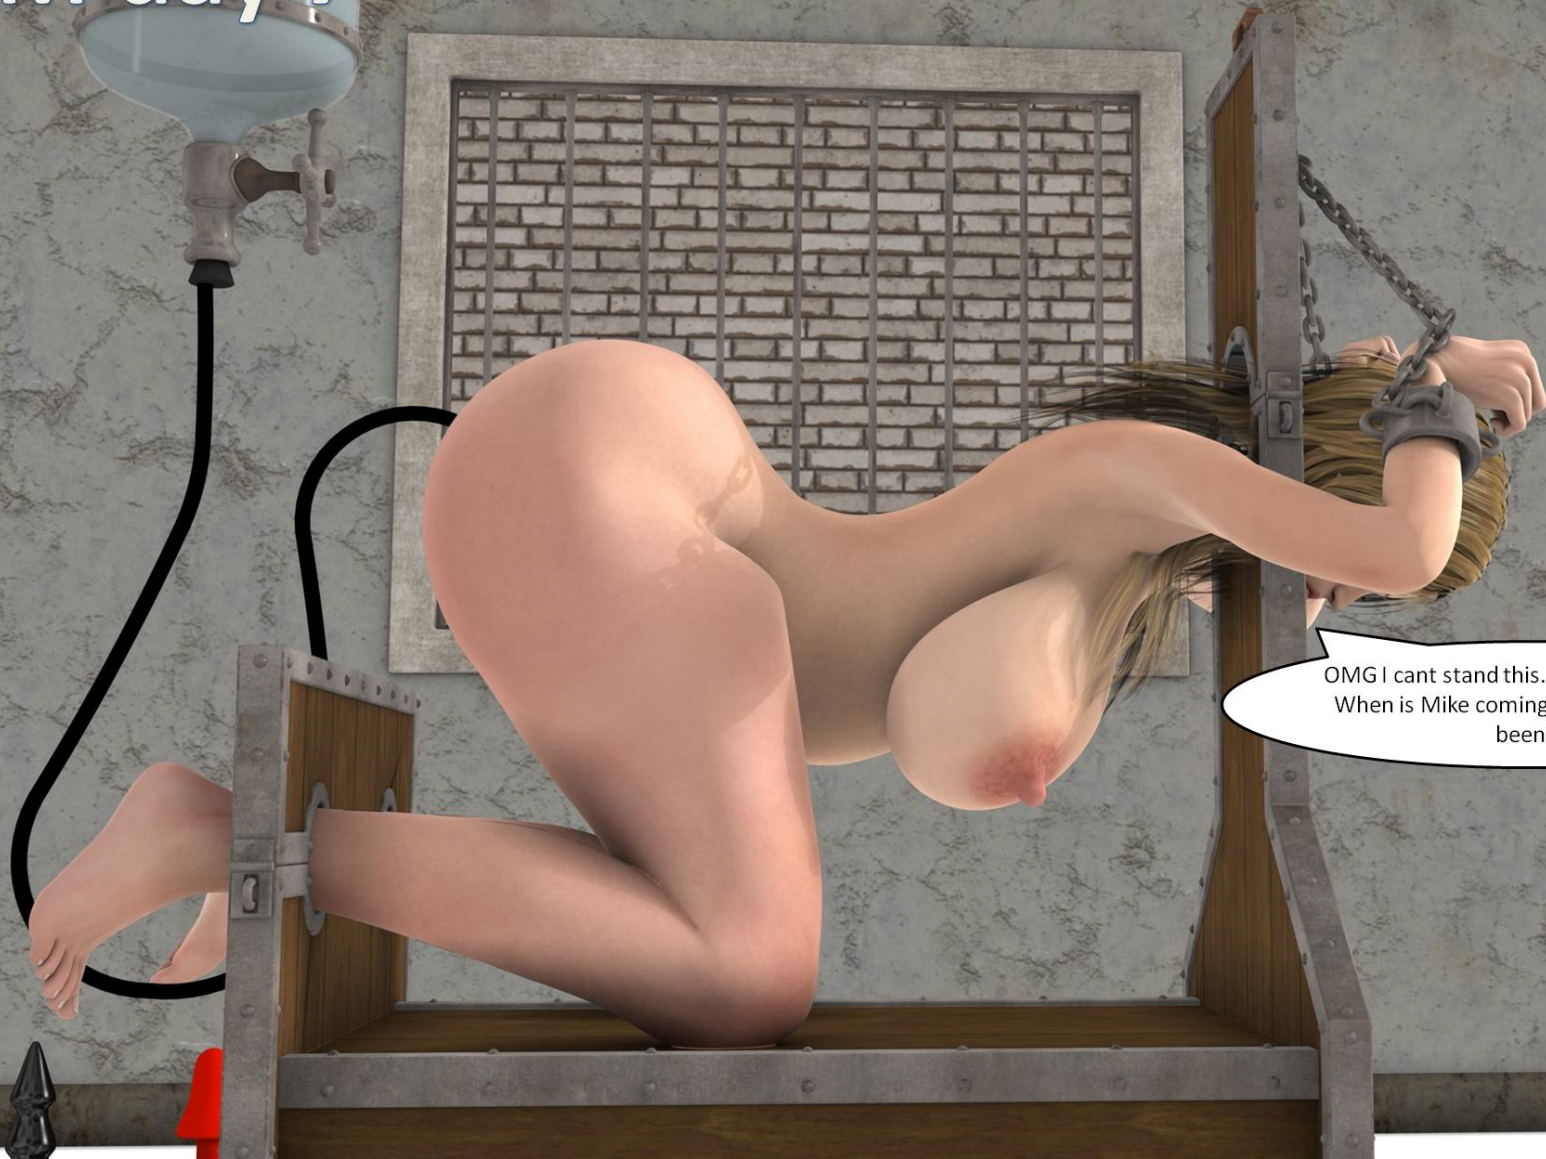

11PM day 6

I can't push out this damn hose! 'm
already starting to get full!

1AM day 7

OMG I cant stand this. I'm feeling so full!
When is Mike coming? How long has it
been?

4AM day 7

I feel like I'm going to explode! Help me please!

6AM day 7

I'm so heavy! How much water am I carrying in my ass?

8AM day 7

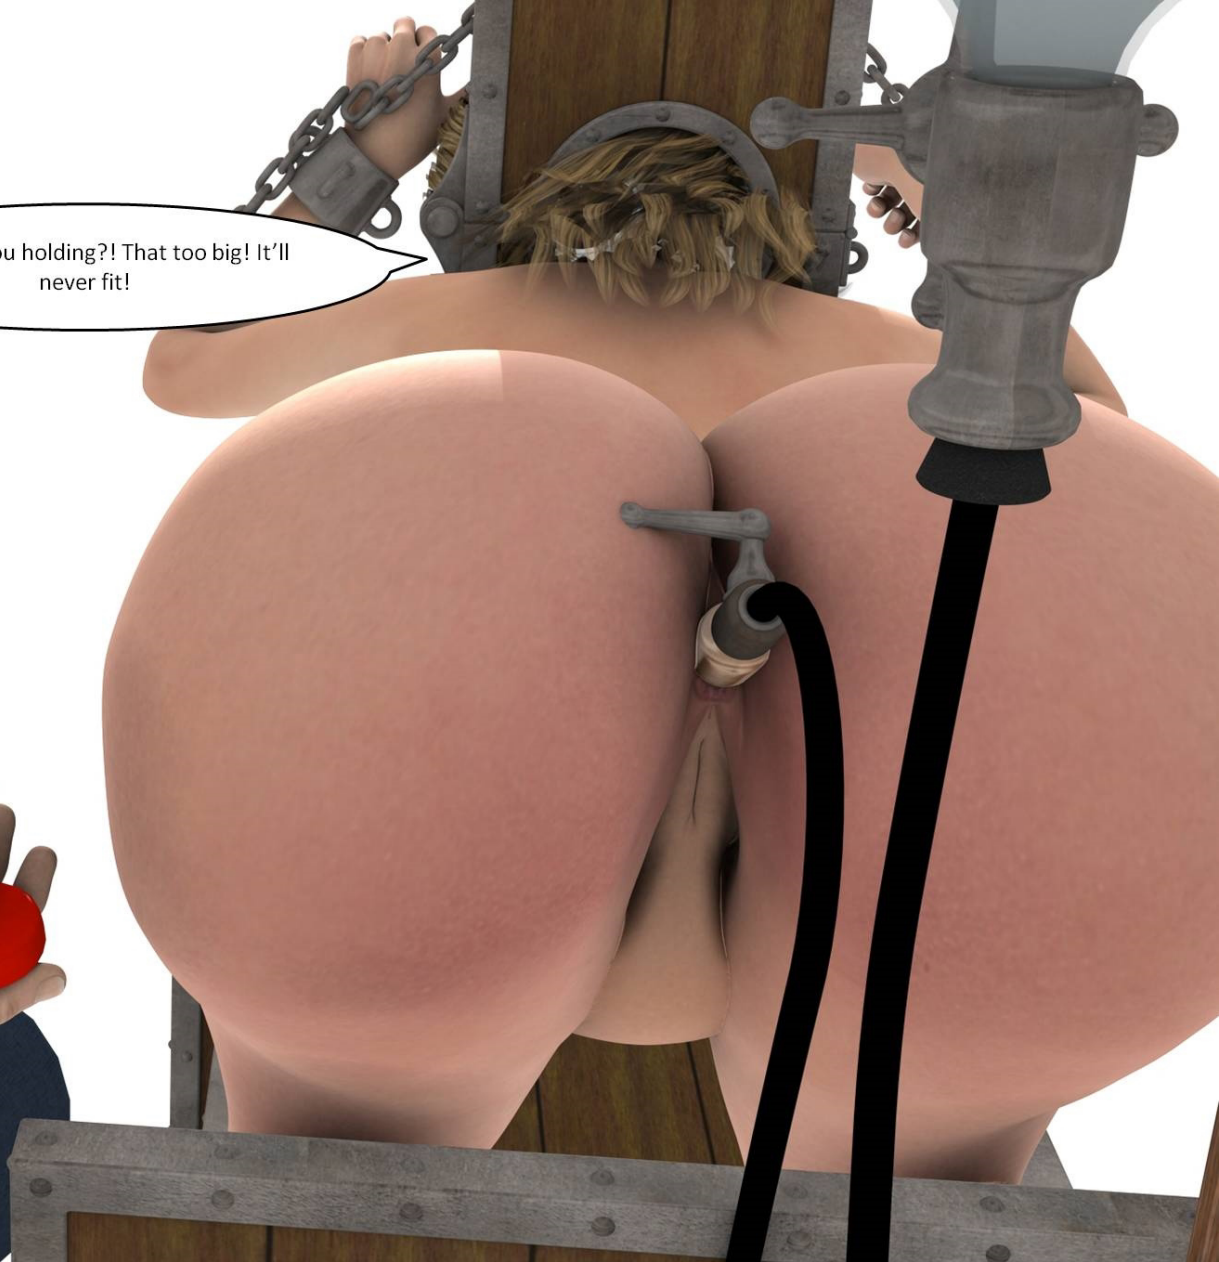

How is it going Chris? It's 8AM. It looks like you're enjoying yourself. Should I come back in 2 more hours?

Please Mike, turn off the water and let me go to the bathroom. I didn't get any sleep...

I'll untie you in about 15 minutes Chris.
Let me first just plug you up.

What are you holding?! That too big! It'll
never fit!

HAHA you look like you're 9 months pregnant Chris! How much water did you drink down there?!

You know, I can't wait to tell you but I put the pregnancy hormone from the injections in that enema water. As long as that water is inside you, you'll continue to grow even bigger. HAHA

I got to take out this friggin plug! I can't release the water with that damn hormone inside like this. I won't become any bigger than I already am!

What the hell! The plug is stuck. I cant get it out!

Ohh yeah! I didn't tell you yet. That plug wont be coming out so you can stop trying. The plug is made out of soft rubber that can easily change shape. That's how I got such a large thing inside your ass in the first place. However, but when it comes in contact with water, that soft rubber becomes hard as rock making it impossible to take out. Don't worry though, the material will soften up in a few days, you'll probably be able to take it out then. Until that time get used to that massive belly!

You're not going to succeed in taking out the plug. Now are you coming upstairs or do you want to stay here a few days longer?

Congratulations Chris. You made 35,000\$.
Hope it was worth it. HAHA
You can get dressed and go home
whenever you want now. I threw away
your normal clothes, so you can wear your
schoolgirl outfit.

A 3D rendered female character with long blonde hair, wearing a red and black plaid skirt and black garters. She is standing in a kitchen with white brick walls and wooden beams. Her breasts are extremely large and are dripping with milk. She has a surprised expression on her face. A speech bubble is positioned above her head.

What the hell! I'm dripping milk from my breasts! How is this possible?!

I didn't think this would happen. I guess I gave you so much pregnancy hormone that you're lactating. Hopefully it'll stop in a few weeks. But until that time, maybe you should get a breast pump or something..

I cant go out like this. My tops are going to get soaked in minutes! The milk is pouring out and isn't stopping.

I better get out of here before Mike changes his mind.

My stomach, breasts and ass is killing me!

A woman with long blonde hair, wearing a white short-sleeved top, a black corset-style bodice, a red and black plaid skirt, black fishnet stockings, and black thigh-high boots with straps, stands in a room with white brick walls and a wooden floor. She is looking down and to her right. A thought bubble is positioned above her head, and a speech bubble is in the bottom right corner. The room features a large window with blue panes, a wooden door, a staircase with wooden steps and black railings, and a small table with a lamp.

I hate how I look. What am I going to do from now on? I can't show myself in public like this. But first I gotta figure out a way to get home and remove this frigging plug from my asshole.

Bye Chris. Have a nice life.

Christine got what she deserved. No longer could she rely on her fit physique to get whatever she wanted. Her life had been turned upside down just for a measly 35,000\$.

There were 2 cheerleaders left on Mike's radar. With Holly and Christine down, it would now be time for the next one to feel Mike's revenge.

What would happen to the next one...
To be continued...
