

Hasuki Yahachi

Name: Hasuki Yahachi

Age: 22

Height: 1,60m

Weight: 50kg

Hasuki Yahachi is the most deadly assassin of the Japanese Yakuza mafia clan. Being the eldest daughter of the clan leader and heir to the Yakuza empire, she was trained at a very young age to exterminate anyone that defied her clan.

When she became of age at 18 years old she was ready for extreme and life threatening missions against the enemy; the Katana clan.

Hasuki quickly climbed the ranks as she killed many Katana clan members without hesitation. Her small, light, thin stature made her able to move like a shadow. She was fast, agile and no enemy could match her skill with a blade.

Now having a lot of experience, she was promoted as the leader of the assassins that led the fight against the rival clan.

When Hasuki received intel that the Katana clan were making a move to transport their vast fortune to a safer location, she saw the opportunity to cripple their rivals once and for all.

Like a shadow she broke into the Katana clans headquarters with ease. It was almost too easy! Something didn't feel right... There were no guards, or alarms.

Suddenly a metal cage fell to the floor, trapping her! She was stuck.

Footsteps slowly came closer. Then entered her arch nemesis... Misuki Momoyama. The eldest daughter and heir to the Katana clan.

Looks like you took the bait
Hasuki! Haha, now we can start
having fun...

If you think torturing me will
make me give away the secrets of
my clan you're highly mistaken!

Lets see how much the Yakuza clan
really values their heir and most well
trained assassin...
We have a nice plan to rid you of the
dignity and honor you have.
Lets start with little...modifications...

What is she up to?

Lets start with the first modifications! HAHA! I cant wait to see your face when you wake up. This will be so much fun!

What the hell! They inserted breast implants! What kind of sick joke is this? Why would they do something like this?...

Progress 

Put on the lingerie we provided for you and start posing Hasuki; we are going to take some pictures.

Pictures? What are you doing?
What are you up to?

Haha! Well, I suppose there is no harm in telling you. Since torturing you the regular way will not get us anywhere, I came up with a plan to either bankrupt, or humiliate the Yakuza clan.

Since you are the figurehead and pride of the Yakuza, we decided to turn you into a voluptuous bimbo step by step. The Yakuza clan will be humiliated publicly and the Katana clan will dominate from now on.

Or... your clan can give us the 50,000,000 dollar ransom money, to stop the modifications and get you back...

Lets see what is more important to them... Their pride or their money...

After each modification we will take some photos of the new you and put it online for everyone to see. The only way to make it stop is for your beloved clan to pay the ransom.

Now start posing or we will make you.

This is fucked up! My clan will never let this happen to me.

A set of pictures were taken of Hasuki and were uploaded to the internet and sent to the Yakuza.

They were given 24 hours to wire the 50,000,000 dollars or Hasuki would undergo another modification.

After 24 hours... No response

Looks like your beloved clan isn't paying up. Oww well, lets get started on another body part ;)

You wont get away with this!

Damn my ass hurts! They stretched the muscle way too much by inserting massive implants!

Progress 

Start posing with that big ass bitch. And don't forget to smile in the camera. HAHA!

SLAP!

I cant wait for the Yakuza to pay the money. I'm gonna escape!

You're slow Hasuki! Must be all that silicone weighing you down. Haha.

My body isn't used to this extra weight on my ass and breasts! I can barely keep my balance.

SMACK!

Try to escape all you want. You wont get anywhere with that
slow body of yours.

And by the way. The last 24 hours are up and the Yakuza still
haven't transferred the money.
Sooo, ready for another modification? Haha.

Why are my lips so swollen? Just how much fillers did they inject into them? They are soo soft...

And my eyes feel irritated. My vision is blurry.

Progress 

A 3D rendered woman with long black hair, large breasts, and a slender physique stands in a room. She is looking towards the camera with a neutral expression. Her hands are on her hips. To her right is a stone fireplace with a fire burning inside. The room has a wooden floor and a dark wood wall on the left. A thought bubble is positioned above her head, and a speech bubble is positioned below the fireplace.

This is so damn humiliating...

Smile Hasuki. And show of those big breasts of yours.

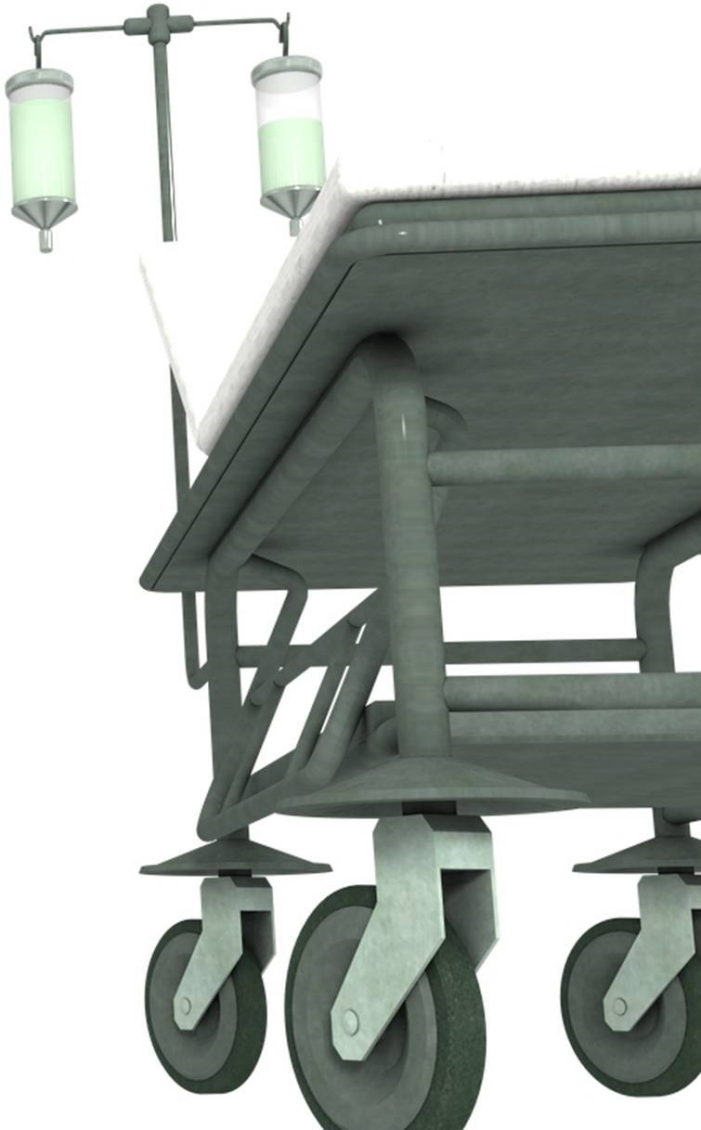

Please stop this...

Ready for another round? Looks like your clan doesn't care much about you... Haha.

Come on! I look like such a cheap slut with this haircut... You can barely recognize it's me...

OMG! Why am I walking on my tip toes? I can't walk properly! They modified my feet!

Progress 

Do you like your new look Hasuki? You look like a completely different person. HAHA.

The surgeon shortened your Achilles tendons... so from now on you'll only be able to wear high heels. You'll have trouble keeping your balance at first, but you'll get used to it eventually.

A 3D rendered woman with long, straight purple hair stands in a room. She is wearing a white, revealing outfit consisting of a short-sleeved top with a deep V-neckline and a matching pair of shorts. The outfit has large, irregular cutouts on the chest and midsection, revealing her skin. She is also wearing black high-heeled shoes. Her right hand is raised to her head, and her left hand is on her hip. To her right is a stone fireplace with a fire burning inside. The room has a wooden floor and a dark, patterned wall on the right. A thought bubble is positioned to the left of the woman.

Misuki will pay for making me look like a prostitute!

I hate this.

I will get my revenge Misuki!

And how do you plan on doing that?
I'll see you when you wake up from your next surgery. HAHA

WHAT THE FUCK! What did you do to my pussy?! It's swollen up so much! And my lips are hanging out like they attached weights to it or something.

Progress 

For the next shoot we are going to use this dildo to test that new pussy of yours.

Have you realized you're constantly wet down there? That's because we've injected your glands with an aphrodisiac making you horny all the time.

We also enlarged your clitoris with a silicone injection making everything super sensitive down there. Enjoy.

My pussy is so wet! The dildo is sliding in so easily...

This actually feels pretty good....

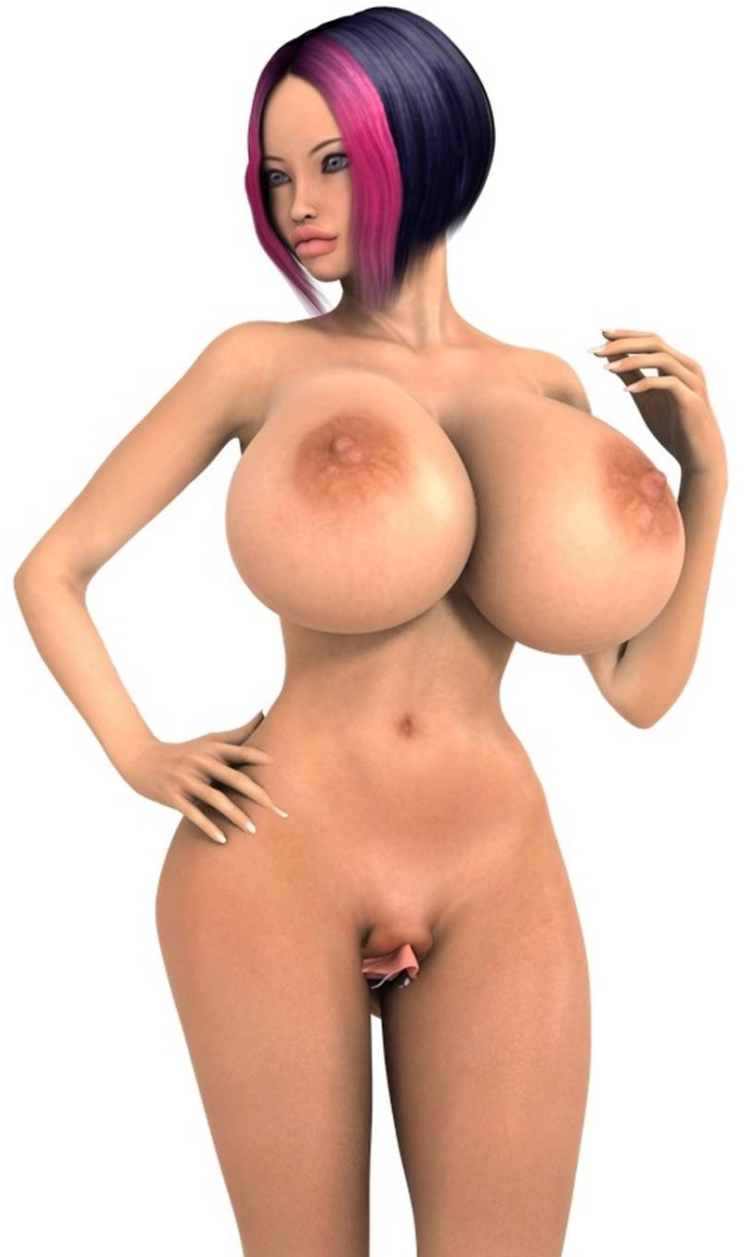

Do you have any requests what we should change this time? Or do you want it to be a surprise?

This is insane! They are so heavy! This looks ridiculous. Before they were just big, now they are watermelons! This cannot be happening!

Progress 

Show off those big fake breasts of yours Hasuki! Lets see if the Yakuza will pay after they see you like this...

These breasts are way to big.
I've got to take them off.

I look so fake! They've got to stop this!

We've still heard nothing from your clan.
Maybe we need to turn you into something more extreme?
Maybe then they'll cave.

More extreme!?! You cant be serious?

Progress 

Take them out... please. This is ridiculous....

Having trouble walking with that weight on your chest. We had to have implants of that size specially made. I even tried to carry one of them.... But it was too heavy. Haha

And we made your nipples a little bigger too... or else they would just look way to small for those breasts

Help me...

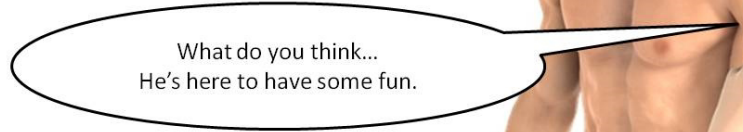

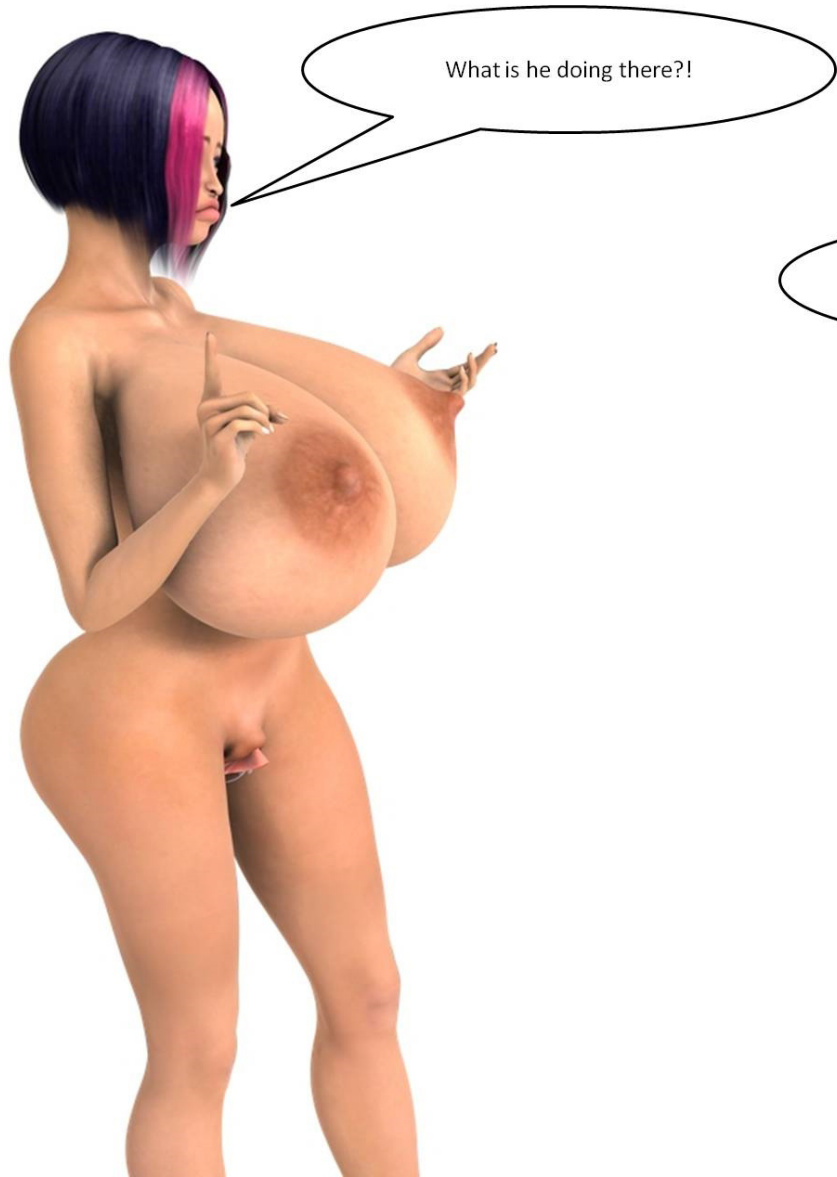

A 3D rendered female character with extremely large, exaggerated breasts. She has short hair with a gradient from black to pink. She is standing in a room with a wooden floor and a stone fireplace with a fire. A thought bubble above her head contains the text "I can't stand up straight with these breasts....".

I can't stand up straight with these breasts....

I hate this...

Stop! It's too big... It wont fit!

This feels soooo goood....

Look like you love getting fucked
Hasuki!

No I don't...

For a full week Hasuki was constantly fucked by nearly the entire Katana clan.

At first she resisted but the pleasure of her enhanced pussy was too great. She had gotten addicted to the pleasure... constantly wanting and needing more.

When Misuki realized Hasuki had become completely brainwashed she knew it was time to let her go back to the Yakuza.

You can go home now Hasuki.
Lets see if your clan will take
you back like this. Haha!

End
