

Holly Page

Name: Mike Anderson

Profession: Plastic Surgeon

Height: 1,86m

IQ: 165

Age:31

Mike is a wealthy, successful plastic surgeon. He owns his own clinic situated in Beverly Hills where most his customers are rich women.

He wasn't always successful. He wasn't very athletic at that time, but he was very intelligent and put all his effort into studying.

Throughout school he was always picked on by the jocks. The popular cheerleaders joined the jocks by constantly making life difficult for Mike.

One day Mike had enough when a group of cheerleaders went too far. One of those cheerleaders was Holly Page! That day he promised her he would get back at her for making his life miserable. Not being able to do anything way back then; now was the time for his revenge plan. He joined the DollProject organization that gave him a few ideas...

Name: Holly Page

Profession: Exotic dancer

Height: 1,60m

IQ: 102

Age: 28

Unlike Mike, Holly didn't succeed as much in life. She was never intelligent and never focused on her future. Having rich parents though, she never really had any major money problems.

On the other hand she looked amazing! She is quite a small girl but for that she made up with her curvy, fit physique. She had no problem getting a guy to go home with her when she wanted to. She loved and still loves getting attention from all the men.

At the moment she is an exotic dancer working in a strip club waiting to be discovered to become a famous model or actress. This is her dream and would do anything to achieve it.

Mike sought out for her Holly Page, remembering all the horrible things she had done to him all those years ago. When he finally found her he hired a personal detective gather information on her.

When he was informed she was aspiring to become a model, he called her on the telephone to ask if she was interested in a photo shoot. This being Holly's dream, she was very excited about the news.

She was a little nervous that it was Mike who called. She remembered how much she bullied him, she didn't feel sorry for him but felt that it might get in the way of her getting the modeling job. However that wasn't going to stop her. She agreed to come to the interview that Mike proposed to see if she had what it takes to become a professional model.

The following day Holly entered Mike's apartment. She wore a tight dress showing off her stunning body. Knowing Mike from the past, she knew he wouldn't be able to resist her charm...

Wow! Look at this beautiful apartment. Looks like that nerd has done well for himself. He must be very rich, maybe I should seduce him.

He became really hot! And he's rich. I'm gonna go for it. I'm gonna seduce him He cant resist someone looking like me. And when he sees me naked he'll definitely want to have sex with me and give me the modeling job.

Hi sexy! It's soooo good to see you.

Hi Holly. It's been a long time.

So... you want to give me a modeling job? I must say you have good taste in women for you to recognize my talent.

I guess he forgot how horrible I was to him. HAHA. Lucky me

This bitch really thinks I'm going to make her a into a model. Lets see how she feels when I'm done with her. HAHA

HAHA, Holly, you haven't changed at all. It looks like you have got what it takes to become successful in the modeling business. However, that is only if you'll allow me to change a fewwww minor things about your body. You see, I'm a plastic surgeon. I would probably make your breasts a little bigger, and maybe a few other things.

If you want to continue then you just need to sign the contracts I have in my hand. Then we can proceed to the photo shoot upstairs.

That sounds fair enough. I'll sign if you have a pen.

What a fool! He will make me into a professional model and give me a free breast enhancement surgery! Of course I'll sign this, this deal cant get any better.

Holly signed the contracts without thoroughly knowing what she agreed to. Mike didn't tell her the whole contents of the contract and Holly was too dumb to read it carefully.

The contract Mike now had allowed him full possession of Holly's body. He would be able to perform up to 10 surgeries without it mattering if Holly wanted them or not.

Holly was happy! She didn't know however that she would be getting more surgeries than just a breast enhancement. She didn't think she would need more operations. She already looked pretty much perfect.

This is where we will hold our photo shoots. Lets see if you are a born model. You can change into your outfit behind the curtain over there.

I don't mind changing in front of you ;)

And... how do I look?

Just wait until I'm done  
with you. In a few weeks  
you wont be so confident  
and eager to show off  
your body anymore...  
Muhaha

WOW! Uhhmm you look...  
good.  
Why don't you lay down on  
the bed so we can take a few  
pictures

Why don't I take off  
my top for the next  
shot?

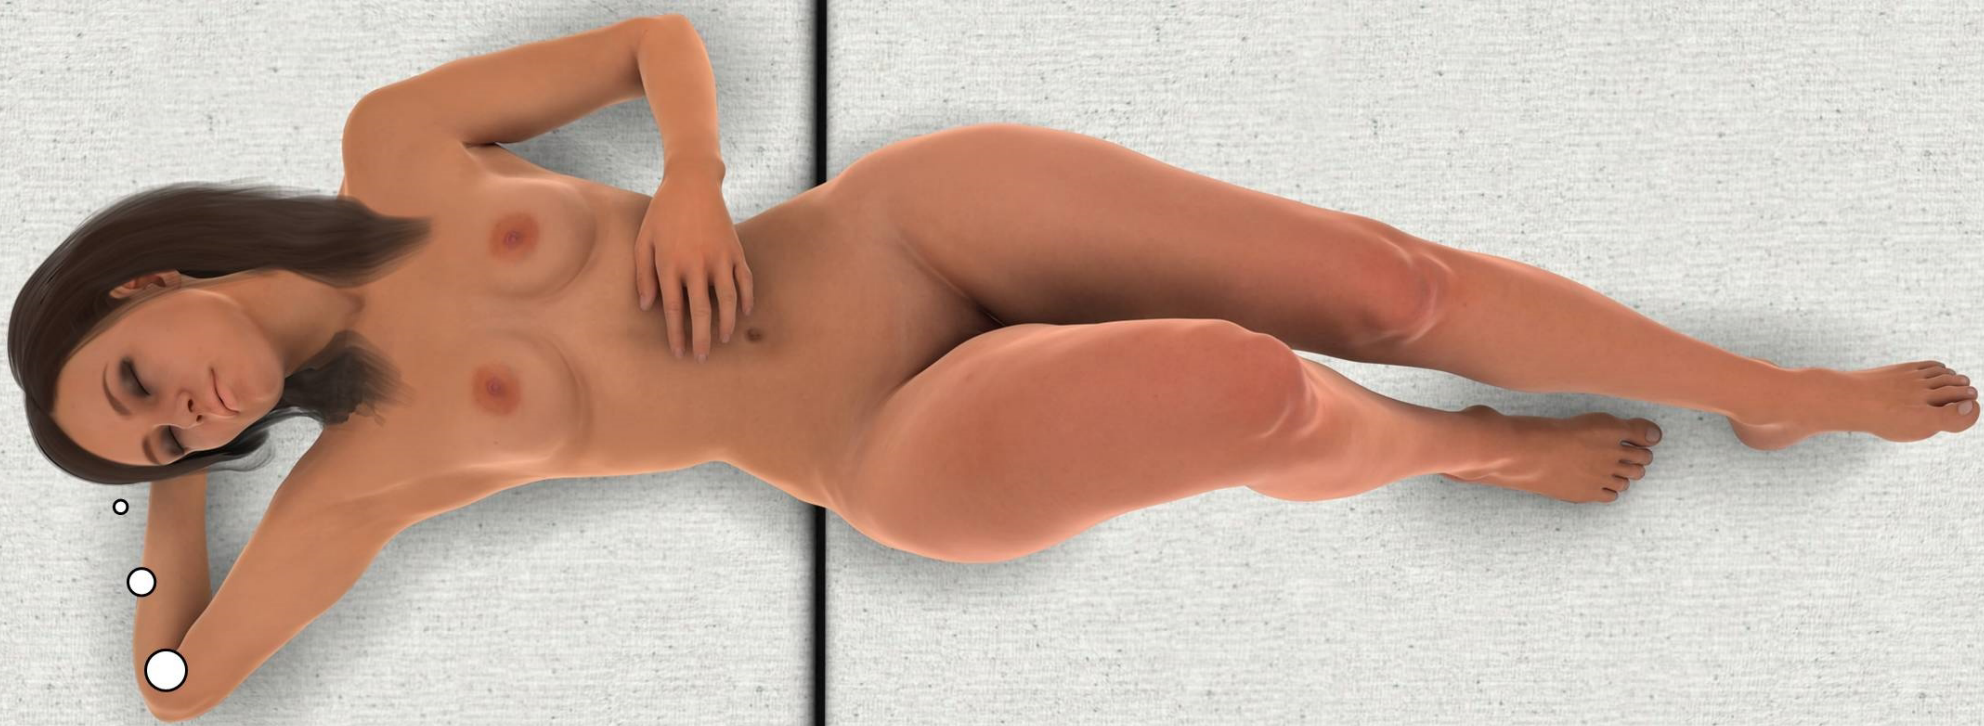

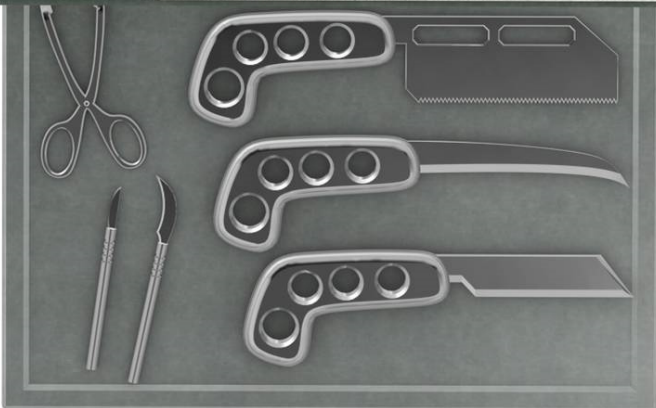

And.. Good wasn't it? I'm a natural model. When will the photos get published?

Haha! Not so hasty! You are indeed a natural. But there are still some improvements I want to make on your body. Come by my clinic tomorrow morning and I will make some improvements.

The next day Holly drove to Mike's plastic surgery clinic for her first operation. She didn't know for sure what was going to happen. She thought it would be breast enhancement surgery since that was the only operation Mike mentioned during the signing of the contract. She was nervous in a good way. She would love bigger breasts; especially if it would mean it would bring her closer to her dream – being in the spotlight as a supermodel.

When I wake up I'll look even more stunning and one step closer to being a supermodel.

A 3D rendered woman with extremely large breasts and thick thighs is sitting on a white surface in a futuristic medical or laboratory setting. She has long dark hair and is smiling while looking down at her chest. Her hands are resting on her breasts. The background features a white wall with a dark metal railing, two hanging green cylindrical containers, and a large medical monitor displaying green data. A speech bubble is positioned to her left, containing text.

WOW! I look hot! I must be at least a cup E or F! Aren't they too big? Nooo, they are perfect. They are very heavy though! I hope I don't get back problems.

Progress 

I love my new boobs doc! Lets show them off in today's photo session

Why don't you strip down to your lingerie and I'll take some shots.

Lets see if you like the next surgery just as much.. Muhaha

Let me show you my beautiful new big boobs

You want me to take off my panties too?  
Well, okeee sexy.

The doc must be making these nude shots for the Playboy magazine or something. Luckily I'm not a prude.

Yes doc!

I wonder what he will change next. But if the next operation is as successful as the first one my chances of becoming a supermodel will skyrocket! Hihi

Oke Holly. Put your clothes back on. You can go home early today because tomorrow it's time for your second operation

Tomorrow you'll be one step closer to looking like the dumb bimbo you really are...

Oke doc. Put me under.

I will wake up even more beautiful than I already am!

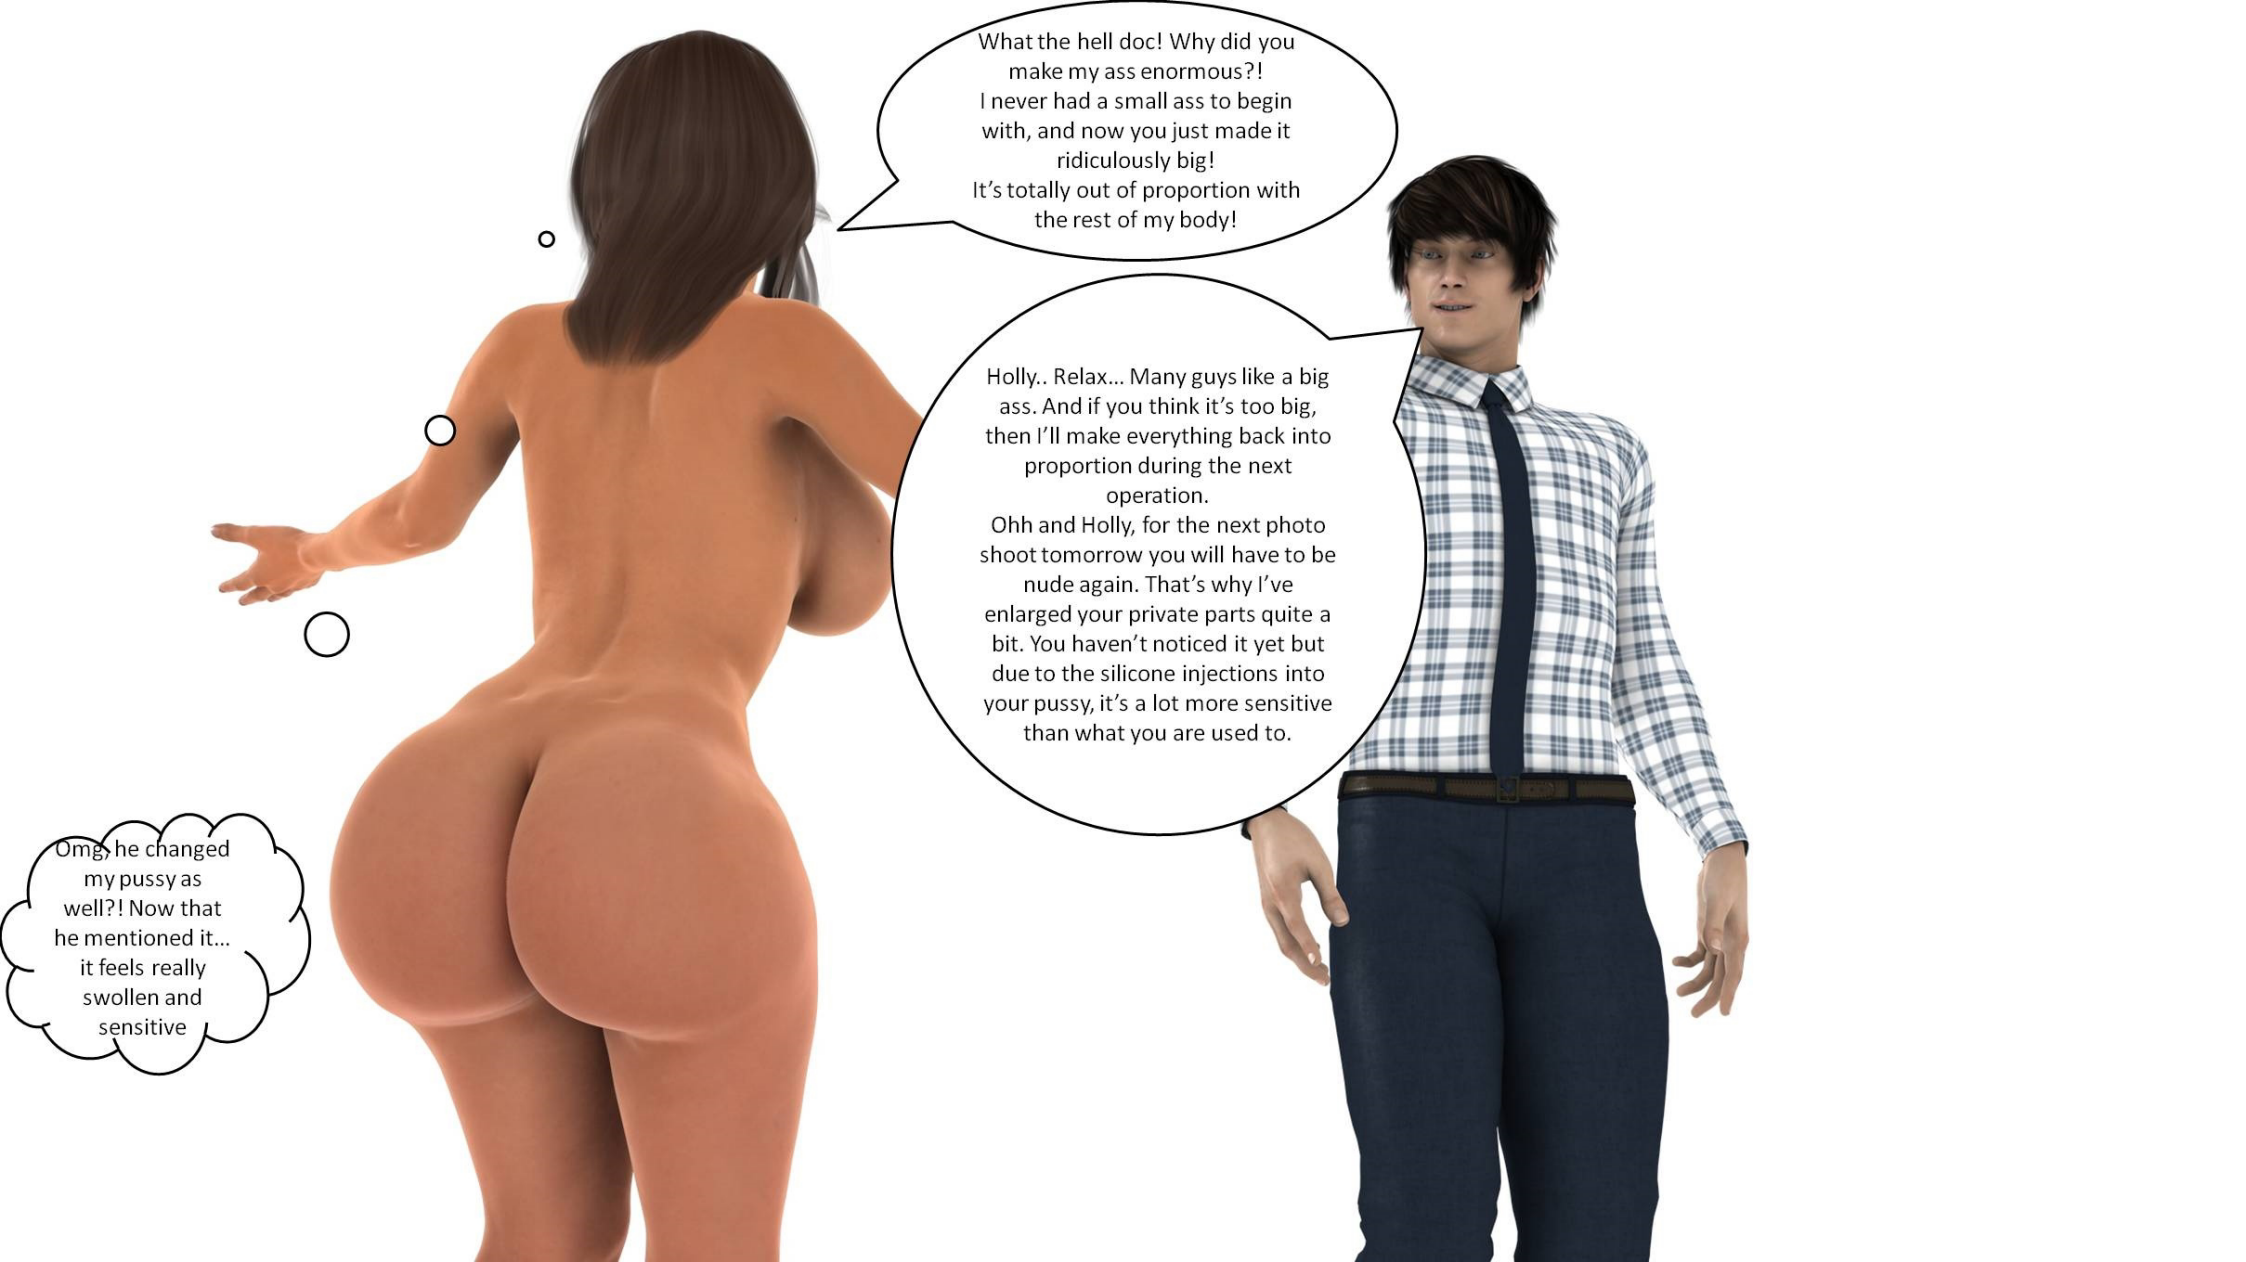

Yawwwwnn. That was a deep  
sleep.  
What did the doc do? I don't see  
anything different...  
What the hell am I sitting on?  
HUH! Is that my ASS?!

OMG my ass is a friggin huge! Why did the doc enlarge my ass!? This looks awful!

I look like a white chick with a black ass. It looks totally unnatural.

Bounce...

What the hell doc! Why did you make my ass enormous?! I never had a small ass to begin with, and now you just made it ridiculously big! It's totally out of proportion with the rest of my body!

Holly.. Relax... Many guys like a big ass. And if you think it's too big, then I'll make everything back into proportion during the next operation.

Ohh and Holly, for the next photo shoot tomorrow you will have to be nude again. That's why I've enlarged your private parts quite a bit. You haven't noticed it yet but due to the silicone injections into your pussy, it's a lot more sensitive than what you are used to.

Omg, he changed my pussy as well?! Now that he mentioned it... it feels really swollen and sensitive

**Progress** 

**Progress** 

Of course Holly. Your outfit is over there. Put it on so we can start. And to make it up to you I've booked you to host a television program next week. Everyone will see you and you'll be on your way to becoming a celebrity. But before that I'll have to operate on you some more so that you'll look your best for everyone.

Lets get this photo shoot over with doc! The faster we are done here, the faster you can take these friggin implants out of my butt!

If he changes my ass back to normal I'll look perfect for TV and I'll be famous! Every guy will want to be with me then! Hihi

Omg, I hate my new butt .I can barely fit my giant ass through the shorts.

And why did Mike have to pick an outfit that barely covers my ass?! I don't want people to see me like this...

Lets get this photo shoot over with...

A few more photos and I can go home. I cant wait until the operation tomorrow so that Mike will take out these giant friggin implants in my butt.

Enjoy my big ass while you can guys. Tomorrow I'll have my beautiful natural ass back again.

Little did Holly know about Mike's revenge plan. Mike had no intention of taking out any implants out of Holly's body. Well, that's not entirely true.... you'll see what happens

Only two more days until my break through on television! I cant wait! But first lets get my ass fixed.

What the fuck! You've got to be kidding me!

This is a nightmare! Why did Mike take out my breast implants and put bigger ones in?! I look like a friggin cartoon. They are sooo heavy! I can't live like this...

Doc! What the hell did you do? I look like a freak! Are you trying to turn me into an oversexed bimbo or something? Look at my breasts and nipples... I've never seen anything so crazy! How am I supposed to walk with two giant melons attached to my chest... They are insanelly heavy! I have to carry them because I will tip over otherwise. On top of everything, you didn't even take out my butt implants!

And I want to talk to you about what you did to my pussy! Thanks to you enlarging everything down there everything is super sensitive. I cant even have normal sex.... I cum after like a minute and I'm horny all the time. Change me back!

I'm so sorry Holly. You said because of your giant butt implants you looked out of proportion... so I made your breasts bigger. Now your curves are back into proportion. I thought you liked having big breasts. Look, I can't operate on you today; we have your nude photo shoot in an hour.

I'll tell you what. Tomorrow morning the first thing I'll do is change you back like you want. Like that you'll be perfect for your breakthrough on TV that same afternoon. Does that sound good?

Oke doc! You better make me normal again so I can present myself on TV.

Does this bitch really think I'll change her back. I cant wait to see her face after I'm done with the surgery tomorrow. Everyone will see her as the bimbo she really is. Muhaha But first lets take care of the photo shoot.

If he doesn't turn me back to normal tomorrow, the whole country will see me on TV like this!

A woman with long brown hair, wearing a grey, long-sleeved, form-fitting dress and black high-heeled boots, stands in a bedroom. She is looking towards a man whose back is to the camera on the left. The room features a window with dark, heavy curtains, a bed with a tufted headboard, and a nightstand with a lamp. A speech bubble is positioned above her, containing text.

Oke doc! Lets do this photo shoot quickly. I want to spend as little time in this body as possible. My back hurts like hell, and I look ridiculous.

Why did you put a dildo in front of me doc? I'm not using that. Especially not when your going to take pictures.

Look Holly, all models need to sometimes do something they don't want to. Plus you signed a contract. If you want to leave at any moment that's fine by me. But, do know that if you quit now I wont remove the implants from your ass and breasts tomorrow and I'll cancel your job hosting a TV program. Then you can say goodbye to ever being a celebrity

Wow, my pussy is really sensitive. This actually feels really good.

This feels great. The pleasure is so strong. What did the doc do to my pussy to make it sooo damn good. I could do this all day long...

Maybe when I do this  
the doc will want to  
have sex with me... In  
gotta have a penis  
inside me.

Do you like this pose doc? ;)

Are you ready for your last operation Holly. Once you wake up you'll be exactly how your supposed to be.

Yes doc! Make me beautiful for TV.

Huh... I don't feel much different. My  
ass implants are still there, my breasts  
haven't gotten any smaller, my pussy is  
still insanely sensitive.... Huh... what  
did the doc do?  
Wait a minute... my face!

Please let me be dreaming... please let me be dreaming... This cant be happening. My lips, I can barely talk properly!

I look like a cheap fucking bimbo. Why did Mike do this to me. I'm supposed to be on TV this afternoon. I can't go on looking like this.

What the fuck am I supposed to do now? No one will take me seriously. I look like a prostitute...

HAHA look at you. You look like a cheap ass prostitute with a plastic surgery addiction! I must say, you resemble a blown up Barbie doll. You're going to get constant attention from a lot of guys, that's what you wanted right. And with that enlarged sensitive pussy I gave you you're going have to sleep with many men to satisfy your needs.

Good luck on television in a few hours. I'm sure it'll be an episode a lot of people are going to remember.

Progress 

You think you can get away with this you  
nerd! I'm going to the police!

And tell them what? You signed a  
contract saying that you wanted this.  
Plus, who is going to believe someone  
looking like a cheap bimbo.  
Good luck with the rest of your life Holly.  
Muhaha

You'll hear from my lawyer Mike!

Holly, like she said went to the police and her lawyer to bring Mike to justice but none of them believed her and took her seriously. Who would believe a bimbo over a well respected plastic surgeon.

Mike had gotten his revenge on Holly. However there were 3 cheerleaders left that had made Mike's life miserable. Now that Holly was take care of it would be time for one of them to get what they deserve. Who would be next to feel Mike's revenge.....

That cheerleader's name is.....  
You will find out in the next story.  
To be continued.....
