pegging
the pervert

Tina was sitting in the bedroom with her girlfriend Hayley. Tina was thirty-five years old with reddish brown hair and hazel eyes, she had light freckles on her face under her eyes and dimples on both of her cheeks when she smiled. She was sitting on the bed looking through a swimsuit magazine. She liked most of the swimsuits that she saw but being five foot five she wouldn't be able to fit into most of them.

Tina had just recently divorced her husband Bradley. Finally she was able to find the nerve to tell him that she was interested in someone else and their marriage had run it's course.

Looking up from the magazine she was looking at she watched Hayley as she folded her clothes and put them in her dresser that she brought over, almost done moving into Tina's house Tina was glad she was there.

Bradley had been upset at first thinking that Tina had fallen in love with another man. When he found out that it was a female instead, he had been coming around to get his stuff always asking if he could join in or at least watch when the two women had sex with each other. He saw it more as a joke than anything else. Thinking that Tina would have her fun and call the divorce off.

Bradley shaved his head bald, he had an earring in one of his ears and he worked out seven days a week. Being almost six foot tall he had an amazing build and couldn't believe that Tina would leave him for anyone else.

“What?” Hayley smiled at her when she caught Tina staring.

“Nothing, it's still a dream that you are moving all your stuff in here.” Tina blushed, her thoughts melting away.

Hayley had light blonde hair and sparkling blue eyes. A little taller than Tina. She had big breasts and muscular legs. Wearing a pair of blue spandex shorts that showed off her firm ass Tina was getting turned on just watching her bend over and putting her clothes away.

“Well, it's all happening. Has Bradley finally stopped bugging you about watching or joining us when we have our fun time?” Hayley asked, winking at her and then laughing.

“He's always hounding me. He doesn't stop.” Tina rolled her eyes, she had thought it was funny at first but that was all he talked about like he was obsessed with the thought of joining or watching the two of them together.

“One of these days we should say yes. I've been thinking about it. If he wants to join there are things that he has to agree to. If he wants to watch, then he doesn't have to agree to anything. I don't mind showing off my love and talents to others. He will see why you left him for me.” Hayley told her lightly, going back to folding clothing.

Tina wasn't sure if she was joking around or not. She hadn't laughed about it and there was no smile on her face when she brought up the idea.

“You've got to be kidding me, right?” Tina asked, trying to make herself feel better if she knew whether or not she was.

“No, I'm being completely serious. It would let us come up with some new ideas that we haven't tried yet.” Hayley had a gleam in her eye that Tina hadn't seen before.

“We could make him do things that he would never do. Maybe all the years of marriage that Bradley and I have been through are finally going to pay off.” Tina tossed the magazine aside with a smile on her face.

“It will be tons of fun.” Hayley teased her in a sing song voice.

“That would be awesome.” Tina nodded her head. Thinking about all the times that Bradley had made her do when it was just the two of them. Things she didn't want to do at all in the bedroom. He still made her do them.

“Just thinking about this, you are turning me on.” Hayley admitted, putting the shirt down in the basket that she was holding in her hands.

“You should come over here and get some of that energy out then.” Tina told her, winking at her and laying down on the bed.

Tina was wearing a white shirt and spread her legs just enough to show Hayley that she wasn't wearing any panties.

Hayley licked her lips when she saw the bald pussy that was teasing her from the other side of the room. Her own pussy getting wet inside her shorts.

Hayley walked to the bed and crawled up on the foot of the bed and made her way to Tina slowly as Tina started unbuttoning her blouse, her firm tits bouncing out. Thankful that they were free.

“You are such a naughty little girl for me. No panties on under that skirt of yours. Your beautiful tits just bouncing out of your shirt. You are usually so modest.” Hayley whispered to her as she quickly stripped her shirt and shorts off.

“Having you finally move in here has done something to me. You bring out the best in me.” Tina admitted to her shyly. Blushing a little.

“Don't be all shy and innocent now baby. I know what you can do in bed. I know that you can be just as freaky as me.” Hayley moaned, getting on top of Tina quickly and bringing her mouth down to her tit. Biting down hard on her tit until Tina moaned out for her.

“You know what you should do?” Tina asked her, bringing Hayley's mouth closer to her tit. She wanted to feel the wetness of Hayley's mouth surrounding her complete tit.

“Mmmm?” Hayley asked, her eyes closed and her mouth full of smooth skin as her tongue felt for Tina's nipple that was getting hard in her mouth.

“You should go down and lick my pussy. I've been waiting for that all morning. Watching you fold the laundry and bending down so that I can see that sweet

little ass of yours dancing around in your shorts.” Tina moaned in her ear.

Hayley's eyes lit up at the idea of going down to Tina's pussy and licking her until she came. That was one of the favorite things that she did. Tina's pussy was always so wet when she went down and started licking it. She didn't even have to touch Tina, before messing around she could go down to Tina's pussy and it was always ready for her. Soaking wet and waiting for Hayley to shove her tongue deep inside of it.

Tina had her eyes closed as she kept a good grip on Hayley's hair as Hayley kept her mouth wide open pressed against Tina's tit, sucking on it like she was going to get some kind of sweet surprise from Tina's tit.

“Um, I came to pick up the rest of my things.” They heard a male's voice standing in the doorway.

Hayley took her mouth away from Tina's tit and looked up towards the doorway. Standing there with his face flushed from what he was seeing was Bradley.

“Oh, um, I didn't hear you come in the house.” Tina's eyes grew wide. Never had Bradley seen her do anything sexual with Hayley. It had been his first time.

“I knocked like three times downstairs and then I used my key. I didn't mean to interrupt anything.” Bradley explained to her quickly. Moving his eyes to Tina whose body was exposed when Hayley got off of her. His cock hard in his shorts already. He had heard them talking while he was out in the hallway. Talking about their pussies being wet and talking dirty to one another. He couldn't help but be quiet and poke his head in through the bedroom door to watch them for a

few seconds. Wishing that he could sit in and watch without sneaking around.

Hayley walked over to the bedroom doorway and gave him a smile. Tina, sitting up on the bed not bothering to put clothes on or even bring her hands to her private areas. She had an idea of what Hayley was going to do.

Tina had been comfortable being naked around both of them. Her soon to be ex husband she had been married to and Hayley her sexy lover had both seen her naked. She didn't have anything to hide when they had seen her naked numerous times.

Hayley couldn't help but smile at him when she got up close to him. Bringing a finger to the side of his face and tracing down his face gently to his jaw line she began rubbing herself against his body.

Bradley where his tank top his pecs were getting hard through the thin material as he felt her hard nipples rub against him. Inside his kayki shorts his cock was starting to get hard when she pressed her pussy against him and wrapped her arms slowly around his neck.

“I hear that you want to come join us Bradley.” She whispered in his ear. She knew that black men had bigger cocks than white men did. She had seen it for herself.

“Yes. I would love that so much.” Bradley admitted, putting his arms around her waist and rubbing his hard cock against her through his shorts.

“I think that would be very hot myself. See Tina and I were just about to play with each other when you walked in. I am sure that you saw more than what you are telling us. How about you come over to the bed and we'll talk about it?” Hayley asked him as she moaned sweetly in his ear when his cock pressed against his shorts and rubbed against her pussy.

Bradley nodded his head when she took her arms away from his neck, letting her go so that he could watch her walk to the bed. Grinning as he watched her smooth, firm, ass swaying side to side as she walked slowly to the bed.

He watched as she crawled onto the bed and shook her ass at him. Tina slapped her ass, making a loud smacking noise throughout the bedroom. She was turned on and she knew that Bradley was turned on just as much as she was when he came walking towards the both of them.

“First, before you can actually have some fun with us. With our nice, tight, pussies you need to let us play with you.” Hayley cooed at him, teasing him as she brought Tina's mouth down to her tit and Tina began sucking her tit, keeping her eyes on Bradley.

“Fuck, you guys are really hot. Making my cock want to cum in my shorts already.” Bradley kept his eyes on Tina as she was sucking another woman's tit.

“Good, that's a good answer sweetie. Are you willing to do exactly as we tell you? It's going to be a lot of fun.” Hayley whimpered at him, moaning loudly as Tina was suckling away at her tit as if she was going to take it out of her mouth any time soon.

“I will do anything for the two of you. Looking like little sluts. I love how Tina's sucking your tit like that. Your pussies I am sure are really wet.” Bradley cleared his throat and began talking with confidence.

“If you play your cards right we could both be your sluts today Bradley. Neither one of us have any plans to go anywhere.” Hayley whispered to her, biting down on her lip and giving him a smile, pretending to act shy.

“Like I said I would do anything as long as I get some type of reward when I am done being ravaged by the both of you.” He nodded his head, standing in front of them. Thinking he was the luckiest man on earth.

“That's good baby, that's really good. Okay sweetheart take your mouth away from my tit and grab that wooden chair in the corner. I am going to get some things from under the bed.” Hayley looked down at Tina, she didn't want Tina to stop sucking her tit but she knew there would be more time for that later after Bradley was gone.

Tina did as she was told, giving her a sad look. Hayley wanted to grab the sides of Tina's face and bring her mouth down to her pussy at that moment. She loved how Tina looked so innocent, like it was her first time.

“Come on baby, before my pussy cums right here on the bed before we get to play with one another.” Hayley almost begged her as she cleared her throat.

Tina walked over to the closet door and grabbed the wooden chair, placing it in the middle of the bedroom floor.

“Take his clothes off.” Hayley instructed her, as she got off the bed and grabbed a few things from under the bed that she had placed there that morning.

“That's right, undress me. You know, like you use to do?” Bradley asked her, waiting for her. His cock had made a small wet spot at his crotch.

Tina smiled at him and unzipped his shorts, sliding both his boxers and shorts down to the floor. Looking down at his amazing cock she had once loved sliding in and out of her pussy though he was extremely big for a black man she complained about how big he was. Then remembering why she didn't stay with him for a long period of time. Bradley didn't care if he had hurt her or not, he just did what he needed to do in order to get off. Not caring if he got off before she did, when he was done he was done and that was it until the next time.

“If I had my way you would be undressing yourself. I'm not doing this for you. I'm doing this for Hayley. I like to make her happy now if you hadn't noticed that.” She laughed at him, watching him step out of his shorts and take his own shirt off.

“Okay Bradley, sit down in the chair and make yourself comfortable.” Hayley told him, putting the box on the bed and taking out a few things that neither Bradley or Tina could see.

“What exactly are you going to do to me?” He laughed, staring at Tina's naked body wishing that he could shove his hard cock into her and make her cry out for him.

“You'll see.” Hayley laughed with him. Thinking it was funny as well.

Turning around and facing the both of them she had some rope in her hand. Walking over to Bradley she had him put his hands behind the chair so that she could tie his hands tightly together, making sure his arms were tight around his back as well so that he couldn't just get up from the chair and walk a way.

“Ouch, don't you think that's just a little too tight?” He asked her, not laughing this time.

“From what I hear Bradley you like it rough, so rough is what you are going to get.” She laughed slightly at him.

Once he was tied to the chair Hayley slid the chair across the room so that it was right up against the bed. She was going to start out easy and then if things went right she would invite him over for more play time.

“I want to shove my wet pussy down on that hard cock of yours. What do you say Bradley, will you let me slide your cock into my wet pussy?” Hayley moaned at him, getting ready to straddle him. Her pussy was getting wet seeing just how big he was. Her pussy could take it all, she knew that it could.

“I would love that white pussy grinding down on my cock.” He told her, giving her permission. Looking over at Tina to see if she was mad.

Tina just smiled and gave him a wink. She knew that Hayley loved her. No one could take her away from Tina. Especially not someone like Bradley.

“That's a good answer. Tina get the strap on and put it on for me.” Hayley told her lightly.

Tina turned away from the two of them and quickly went to go put it on. She couldn't wait to have some fun. She always loved watching the black strap on going in and out of Hayley's small pussy. It always turned her on. She knew when Hayley would get off because she would see the white pussy juice all over it.

“What are you going to do with that?” Bradley looked concerned.

“Don't you worry about that baby. Do you want my wet pussy on your cock or not?” She asked him, making sure that he kept his eyes on her.

“Yes, fuck yes. I think that you might be tighter than my ex wife.” Bradley nodded his head up and down quickly.

“Good, so you just let us take care of you and you will take care of us.” Hayley winked at him. Bradley again nodded his head as he watched Hayley's tits come closer to his face as she started bringing them closer to his mouth as she began sitting down on his hard cock and letting it slide into d her pussy without complaining.

“Mmmm, your cock really is thick baby. Fuck yea, my pussy could cum after a few thrusts.” Hayley moaned closing her eyes.

“Yeah, mmmm baby that would feel good on my hard cock. I would love your white pussy to spill your pussy juices all over me.” Bradley talked dirty to her and wanted to fuck her until she begged him to stop. The way he had done with Tina.

“Keep your mouth open baby. Keep that hot mouth of yours open and let Tina slide that big, black cock she's wearing into your mouth.” Hayley grunted as she began sliding her pussy up and down on his cock harder and harder each time.

“Wait a minute, hold on.” He told her, not sure he wanted to play her game anymore.

“What's the matter?” Hayley whined at him.

“I don't suck cock.” He told her sternly, not caring that her pussy was much tighter than Tina's by far. He wasn't going to have some fake cock or any cock in his mouth.

“Then I guess you don't want to play with us.” Hayley sighed, pretending to get up from his cock, before doing so she pressed his cock completely inside of her.

“Maybe for just a couple of minutes.” He muttered, and groaned surprisingly as she just slammed her pussy down onto his hard cock and was whimpering in his ear about how much she loved his cock.

Tina smiled at him as she slid the long dildo into his mouth. She heard Hayley moaning for her, calling out her name as if Tina was shoving the dildo up inside her pussy. Knowing that Hayley liked it rough.

“That's right baby, shove that hard cock deep inside his mouth. It looks so fucking good, you know how I like it.” Hayley moaned louder as she grabbed onto her own tits

Hayley knew all about the sexual embarrassments that Bradley had made Tina do to him. She didn't keep anything from her. Hayley saw it as Tina's way to get her revenge if that was what she wanted to do and that's what she was thinking as she watched Tina shove the dildo deep into his mouth. As she kept shoving her wet pussy up and down on his cock. Knowing that she was going to cum soon. She would do what he did to Tina and just leave him hanging.

Tina began shoving the dildo in and out of Bradley's mouth slowly at first and then faster and harder each time she called out Tina's name. Wanting the dildo deep inside her own pussy, begging for it.

“That's right Tina, pretend you are shoving it into my pussy. That you are on top of me and fucking my little pussy with that big cock!” Hayley hollered out as she was gasping and grunting her pussy getting ready to cum.

Tina heard Bradley gag on the dildo as she shoved it as hard as she could deep inside his mouth. Smiling at him, keeping her eyes on him. He looked at her and winked. Nothing could make him feel bad about what he had done to her.

“Fuck his mouth hard baby. Fuck it harder!” Hayley whimpered loudly as her pussy came all over his hard cock. Bringing her pussy down faster and faster as she came all over him. Each time she lifted her pussy off his cock she could see her pussy juice dribble down his cock, making a trail down to his balls.

Gagging more and more on the dildo was shoved into his mouth he didn't think that it was much fun anymore for him. Now Tina was doing it out of anger, going back to when he use to shove his cock, forcing it further and further down her throat until he came in her mouth, making her gag and choke when his cum filled the back of her mouth.

Hayley got off of Bradley and tapped Tina on the shoulder to take the dildo out of his mouth. Having to tap her at least three times to get her attention.

Tina slipped the dildo out of his mouth and saw some pussy juice going down Hayley's leg slowly, she got down on her hands and knees and licked between her legs so that she could capture the sweetness in her mouth.

“Love how she does that Bradley and I don't even have to ask her to do it.” Hayley grinned at him, giving him a wink.

“Very nice, ladies. Now, want to get my cock off for me so I can leave the two of

you alone?” He asked her.

“No, I don't think so sweetie. If you come back tonight we can have more time to play. I want to play with my soon to be wife. Come back later this evening and we will make you cum like you've never cum before.” Hayley promised him, going to the back of the chair and untying his hands.

After Bradley left the girls started giggling to each other. Tina was still hot and horny as she tackled Hayley from behind and brought her down to the floor. Rubbing her wet pussy all over Hayley's ass cheeks.

“Oh my, does momma want to get her pussy off?” Hayley asked, feeling the wetness of Tina's pussy spreading across her ass cheeks.

“Yes, please get my pussy off. Please. I want to fucking cum hard for you Hayley. Seeing you on his cock like that and grabbing your tits. I want you so fucking much right now.” Tina whimpered.

“Take control sweetie. Be rough with me so your pussy can cum nice and hard. I want to see your pussy squirt knowing that I'm the one getting your pussy to cum like that.” Hayley told her, not getting up from the rug.

Tina got off of her and rolled her over roughly, slamming her own naked body down on Hayley's. She started rubbing her pussy up and down Hayley's moaning and whimpering. Loving how wet Hayley's pussy still was for her.

“That's right, fuck my pussy with yours. Rub it honey, rub it hard. I love that look of control in your eyes when you're really horny for me.” Hayley encouraged her.

“You like this pussy rubbing hard on yours don't you? My pussy wants to get off in your mouth. I want to rub and grind my pussy against your mouth so fucking hard right now. I love that fucking tongue of yours sliding in and out of my nice wet pussy. You want my pussy in your mouth baby?” Tina asked roughly, not smiling. Seeing the sexy look that Hayley was giving her, nodding her head up and down quickly and sliding her tongue in and out of her quickly.

Tina moaned loudly and brought her pussy to Hayley's mouth, bringing her pussy down hard on her mouth she began grinding and making humping motions as she felt Hayley's tongue assault her pussy. Knowing it wouldn't take long for her pussy to cum now.

“That's right baby, assault this little pussy. This pussy wants you to make it cum. Fuck Hayley, this pussy will always be yours keeping tongue fucking me, don't stop!” Tina yelled at the top of her lungs, breathing heavily the harder she was grinding her pussy into Hayley's mouth.

A few minutes later Tina was moaning loudly, bending her body back just a little so that she could move her hand behind her and start finger fucking Hayley's pussy. Shoving two fingers in and fucking her with them as hard as she could until Hayley moaned loudly.

Tina came hard in Hayley's mouth, sliding her hips back and forth as fast as she could until there was no more pussy juice cumming out of her.

“That's a good girl baby. Good girl.” Tina whispered, both girls sweaty..

Tina got off of her and helped her up from the floor. They began kissing and touching each other's tits, gently massaging them for a few minutes before heading into the shower.

After dinner the girls went back up to their bedroom and sat naked with each other. That's what they did when they both had a day off, leaving the curtains and shades up. Not caring who looked in and saw them naked. It was better than wearing clothing and they loved looking at each other and touching each other as they passed in the hallway.

“You think he'll show up tonight?” Tina asked, really hoping that he wouldn't as she reached out one of her hands, taking her fingers and flicking Hayleys tit gently.

“I know he will but we will keep to the plan. He wants that cock of his to get off it will. He will get off and cum all over the bed after we have our fun of course. You could see it by looking in his eyes that he will come back. I know he's furious that he didn't get to cum today.” Hayley promised her.

“Why exactly are we doing this?” Tina whispered, looking down at the bed spread.

“You need to get it out of your system of what he did to you Tina. We are going to do the same exact things he did to you that you didn't like. In order for us to move on together and be closer you need to get it out of your system.” Hayley whispered to her, putting a hand under her chin and gently lifting it until Tina was looking into her eyes.

“Hey girls, I'm here!” Bradley hollered from downstairs. He had let himself in again. Tina had to remember to grab the keys from him before he left for the night. He couldn't just keep popping in and out like it was still his house. Though they had to share it until the divorce and the final judgement she still wanted the key.

“Up here in the bedroom, make sure your cock is hard and ready for us!” Hayley hollered back, giving Tina a wink and moving herself so that she was right at Tina's pussy as Tina made herself comfortable against the pillows and spread her legs.

When Bradley entered the bedroom he saw that Hayley was licking Tina's pussy fast, he groaned and grabbed his black cock and began stroking it.

“Don't play with your cock Bradley, we won't have anything for ourselves to play with.” Hayley got up from Tina's pussy as Tina went to grab for her and shove her face down more into her pussy so that she could grind her pussy against Hayley's mouth again.

Tina got up from the bed too and they both stood in front of him. Tina got down on her hands and knees and began sucking and licking and his cock. Sucking only at the tip of his cock and stroking the length of him as Hayley watched her.

“Suck my tits baby. Suck mamma's white tits.” Hayley told him, getting closer to him as he nodded his head eagerly.

He latched onto her tit while he pinched and squeezed the other one. Happy that they both came to him willingly. Thinking he made a good decision in showing

back up.

“That's right baby. You want both these pussies don't you? You want my pussy again?” Hayley whispered in his ear as she bit down hard on his ear.

He grunted his approval of what she was whispering to him. He wanted both their pussies like there was no tomorrow. Wanting to fuck them with his hard cock on the bed. This time he was going to get off and then watch them eat each other's pussies. That was what he was imagining as his eyes were closed and he continued suckling hard and fast at her tit.

He knew that Tina would allow him to lick her pussy one more time before the divorce was final. She couldn't tell him no not even when he took it.

“Alright baby, let us start pleasuring you on the bed. I would love to have you on your back for us. Your big, thick, cock standing straight in the air. We want to ride that cock. Can I shove it in my ass this time? You want my white, tight, ass?” She asked him as she felt his suckling slow down so that he could open his mouth and take her tit out of his mouth like he was told to do.

“I want to fuck your white ass until I cum in it. I want to cum all night.” He told her, looking at the both of them as Tina got up from her knees.

“I knew you would want my big cock again honey. If everything goes well we could live here together. The three of us.” He suggested, only looking at Tina this time.

“Maybe. Hayley really has a thing for you and I both. She loves big, black, cocks and she loves white small pussies like mine. She gets the best of both worlds.” Tina played along. Thinking it was going to be hard but it was quite easy to pretend.

“Lay down on the bed and we'll get started.” Hayley told him, reaching under the bed like she had done earlier that day.

Bradley quickly got onto the bed and spread his legs, putting his hands behind his head and relaxing. Waiting for one of the girls to suck his cock.

“Close your eyes.” Hayley told him.

“Kinky girl are you? Is that why you love her so much Tina?” He asked, closing his eyes quickly.

Tina didn't answer him as Hayley gave her the blindfold to put over his eyes. She did and tied the back of the blindfold as tightly as she could around the back of his head. He didn't complain, he only had a smile from ear to ear.

Hayley took the strap on and put it on herself this time, she grabbed a ball that was attached to a belt. The ball was placed in the middle and she got a big paddle from under the bed as well. She couldn't wait until she ran it across his ass and slapped it as hard as she could.

“Roll over on your stomach first baby. We want to give you a back massage.”

Tina whispered in his ear and licked the side of his neck. Moaning his name like she use to do when they were first married.

“Oh yeah? That sounds really sexy Tina. I want to fuck your pussy like I use to. Will you let me fuck your pussy?” He asked her, doing as she said.

“We'll see big boy.” Tina grunted, rolling her eyes and shaking her head glad that he couldn't see her.

Hayley got up on the bed and laid down on top of his back. Pressing her tits against his shoulder blades and playing with his balls gently.

“Mmm, whose that on top of me right now? I feel your hard nipples running against me. Brushing and rubbing against my back. It feels good.” He moaned, hoping that it was Hayley. He loved how she touched him. He liked it a lot more then Tina touching him.

Hayley didn't say anything. Taking her hands away from his balls she spit on the end of the dildo to get it wet and began slowly shoving it into his ass.

“Whoa! I didn't agree to this.” He hollered, wanting to get up but feeling one of the girls shoving his head down into the pillows keeping him where he was.

“You said you would do anything if you could join in with us. Right now you are the main attraction for the both of us.” Tina whispered in his ear. Reminding him he did agree to do anything.

“This is crap. I didn't agree to have a fake cock up my ass!” He hollered at her, his face red when he removed her hand from the back of his head.

“You agreed to do anything we wanted you to do. Now here comes your reward. While I'm fucking you with this hard dildo Tina's going to sit on the pillows that you are on right now and spread her beautiful legs for you and you get to taste her pussy once more before you completely part ways.” Hayley told him sharply.

Tina got up on the bed and spread her legs for him, her pussy right in front of his face. He could smell her sweet pussy and a smile came across his face again.

“How does it feel to have someone tell you what to do again?” He moaned as he tried licking at her pussy but he wasn't getting anywhere.

“Come on Tina, bring your pussy closer to his mouth. Pretend it's me licking your pussy. With each moan I will fuck him harder.” Hayley stated, trying not to take control of her like he had done.

Tina nodded her head and brought her pussy right up against his mouth as he stuck his tongue out of his mouth and shoved it into her pussy hole. He grunted loudly the second he tasted her pussy. He had always loved eating Tina, he would get a few drops of her pussy juice in his mouth and then take his big cock and fuck the hell out of her. Most times she would be crying when they were done because he had hurt so badly but he licked her wounds and did it all over again the next night. She didn't dare tell him no.

“Pretend its me Tina. Come on baby.” Hayley whispered.

“Oh, Hayley, that feels so fucking good. Lick my pussy baby. Lick my pussy faster.” She whimpered, throwing her head back against the headboard and closing her eyes. Wanting so much for it to be Hayley's mouth on her pussy she moaned louder and louder with each lick.

Hayley shoved the dildo in and out of Bradley's ass harder and faster the more she heard Tina call out for her.

“Fuck, you're hurting me!” Bradley screamed out, glad that he had the blindfold on because he had tears in his eyes. He had never had someone fuck him in the ass and not only did it hurt but it was embarrassing too.

“You don't like that baby? I thought since you loved doing it to Tina and making her hurt that you would want to know what it felt like.” Hayley explained to him.

Bradley's tongue froze as he tried to go back to licking Tina's pussy to forget the pain. That's what it was all about. He had hurt Tina and now he had to pay for it.

“No Bradley, keeping licking my pussy!” Tina hollered at him, grabbing him hard with both hands at the back of his head and began riding her pussy up and down his tongue.

“Yes, that fucking feels so good! Fuck I think that my pussy is going to cum for you! This time you can't pull that tongue of yours a way and have your way with me. My pussy juice is going to squirt all over your face!” Tina screamed at him, fucking his mouth more and more with her wet pussy. Her legs spread so far apart that she could feel his nose hit her clit each time she rubbed her pussy in his face, wanting her to get off more and more all over his face.

“That's right sexy momma, don't let him for air. Keep grinding that pussy for me. You look so fucking good up there. He's only another black man, make him tongue fuck your pussy! Make him do what you want for a change!” Hayley hollered to her as she got the big paddle, knowing that it was going to hurt his ass when she slapped him with it. She tossed Tina the toy that had the ball on it. The ball was to go into Bradley's mouth so that no one could hear him crying out in pain. The straps tied tightly behind his head.

Tina shoved the ball into his mouth and strapped it tightly around to the back of his head. She saw something nice and rubbery on the ball facing towards her.

You can rub that against your clit honey, rub it against your clit until you get off sweetie.” Hayley whined for her.

Grinning as she saw that Tina looked confused for a moment. Trying to figure out what it was. As Tina began rubbing her clit up and down the nub piece on the ball and began moaning Hayley began spanking Bradley's ass with the paddle that she had in her hand. Each time he cried out in pain she spanked him harder.

Bradley didn't know that the girls seemed to have it planned. He was furious when he found out that he was purposely being humiliated and that they had tricked him. He knew after they took the blindfold off of him that he wasn't going to have the girls suck his cock.

Finally when they were done they took the blindfold off his face and the ball out of his mouth. Hayley put the paddle back under the bed.

“You can get up now.” Hayley told him, laughing as she took the strap on off and realized that her pussy had cum and she knew that Tina's had cum. She got to spread her pussy juices all over the ball that had been in Bradley's mouth.

“Can I lay here for just a few minutes?” He asked her, really not wanting to get up from the bed.

“No, we are getting ready to go to bed ourselves.” Tina told him lightly, trying not to be impatient with him.

“Get up now.” Hayley commanded, he wasn't moving fast enough for her liking.

Bradley did as he was told and both the girls began laughing at him. The reason of why he didn't want to get up from the bed wasn't because he wanted to stay there with them. They wouldn't have to worry about seeing him again.

When he got off the bed the middle of the bed was soaking wet. Sometime during the torture that he had been through with the girls his cock had cum all over the bed at least two or three times by the size of the puddle.

The girls looked at one another as he quickly raced out of the bedroom, he could hear them laughing at him as he went into the bathroom to get dressed and run out of the house.

The End.
