

DING DONG

Great! Just when we were starting to have fun.

I'll be right back, Linda.

Yes?

Good morning, ma'am! A-hem...

My name's James and I'm here to show you something that will change your world!

Something so spectacular you won't believe your own eyes!

If I may come in, ma'am?

Aren't you a little young to be a salesman, kid? Anyway, I'm not interested in whatever you're peddling, so...

P-please, ma'am! It'll only take a minute of your time. Our products are high quality.

And our prices are REALLY low!

All right, all right, come in and do your thing. Just do it quickly, okay?

Thank you so much, ma'am!

I assure you that you won't be disappointed!

Who was at the door, Mari?

Just a salesman.

And you let him in? God, Mari!

He...

Look at him, Linda! He's so nervous. I thought we could get a good laugh out of it at least.

Well, kid, do your thing...

Eh, I-I don't...

I m-mean, I bring you something that will take your marriage to the next level!

We sell top quality lingerie and other adult items at great prices!

You won't find our designs anywhere else!

Lingerie? He's selling lingerie... door to door, Mari! Pfft!

Who the hell does that? HA HA HA!

Lorem Ipsum

W-well, we are the first company doing this.

I-it's great if you want to surprise your special man and don't have time to go shopping!

B-besides, well, eh...

Well, isn't that a little presumptuous?

I mean, what if my man really isn't that special? Or maybe I want to surprise a special lady!

We don't even know if that stuff is any good. What would you know about lingerie anyway? Unless...

Well, um... I...

You could... um... try some on... I guess...

WHAT!!!? How dare you! Oh, and I suppose you'll help us!!!?

Or do you just wanna watch!!!?

I think he just wants to watch, Linda!

You little perv!

T-that wasn't my intention!

I d-don't...!

I... just...

Please, I'll lose my job if I don't sell something today! This is my first job and I don't want to mess it up!

I'll do anything you say if you buy something from me!

So fucking pathetic.

Let's kick him out of here!

Don't be like that, Linda...

This has potential.

Well, since you're so desperate, kid... I know exactly what you're going to do.

In fact, if you do exactly as I say, I'll buy your most expensive set.

You're gonna do what you're told, right?

Yes, ma'am!

I'll do anything to get the sale!

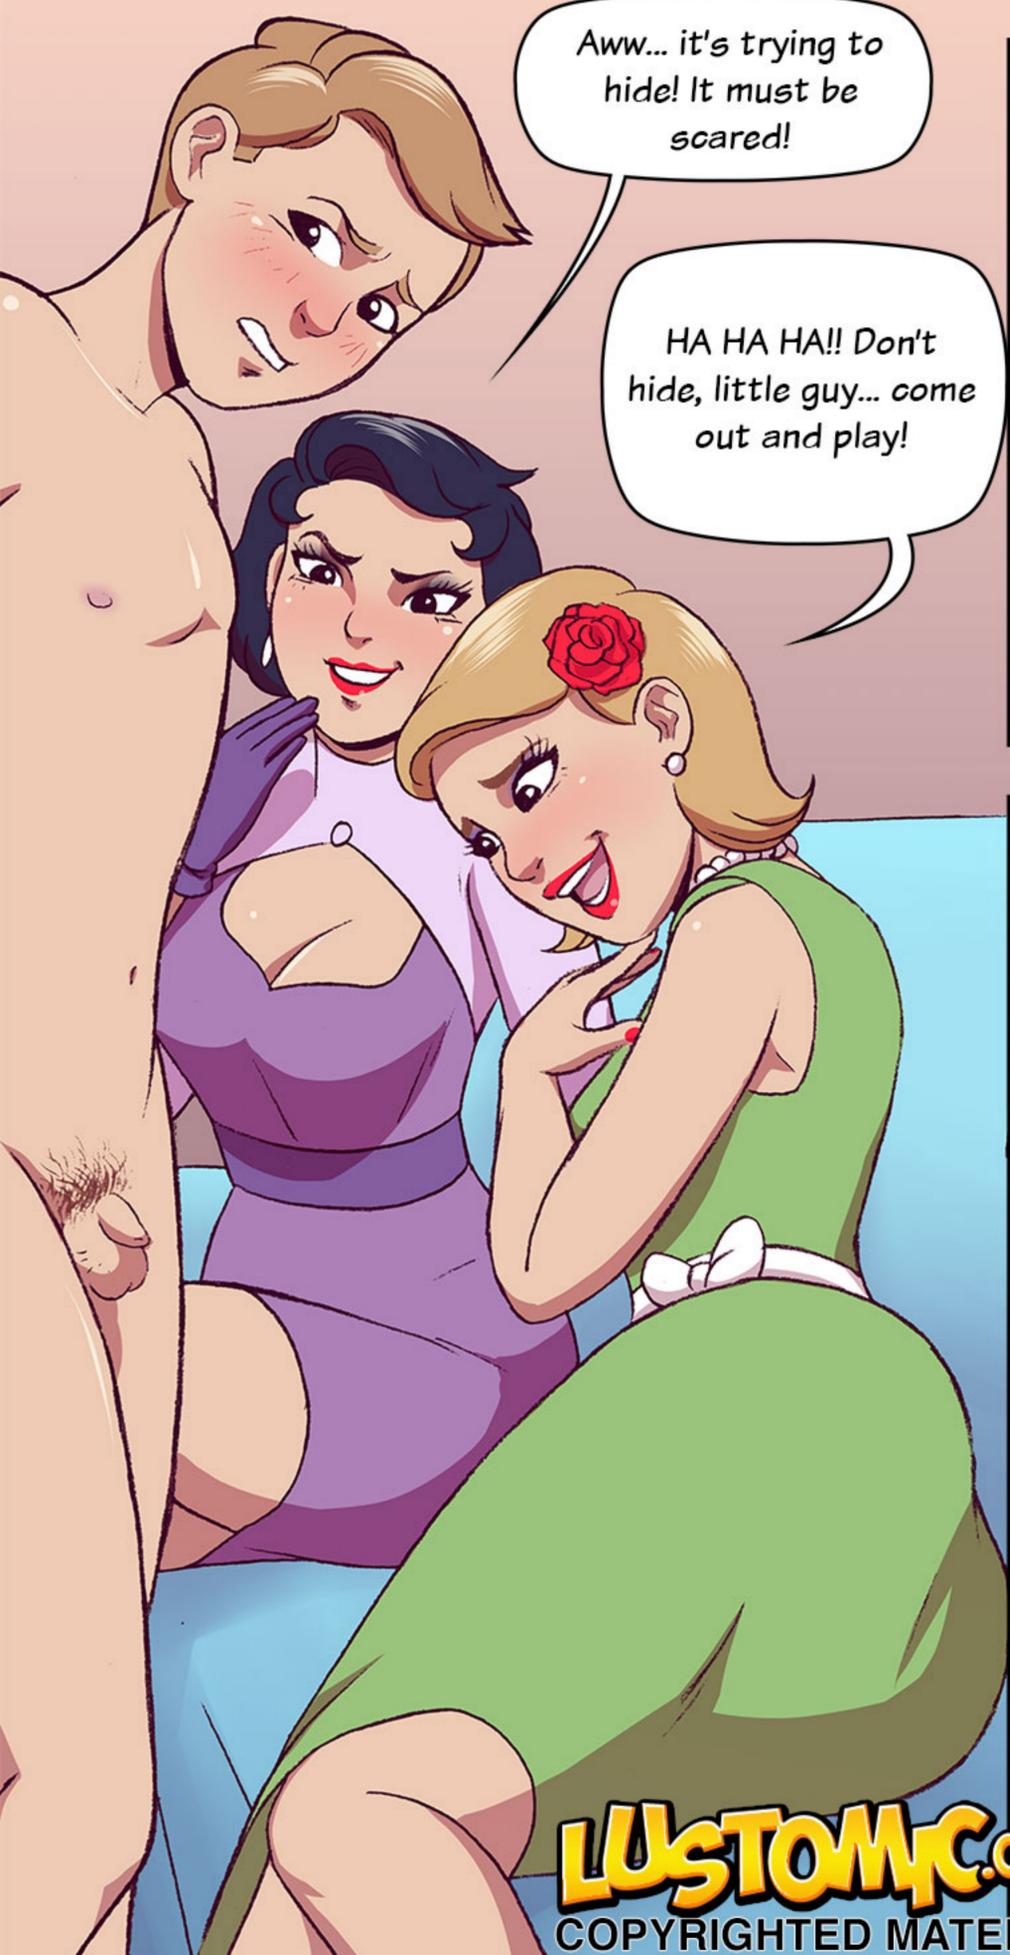

Um... I... I don't know about this...

Now, kid... or there's the door! Anyway... we want to see what else you got there!

He He He He

OH-MY-GOD! Look at that, Linda. It's so tiny! HA HA HA!

Aww... it's trying to hide! It must be scared!

HA HA HA!! Don't hide, little guy... come out and play!

I've got an idea! Maybe it would look bigger if we shaved it!

Let's find out, shall we? I'll get the shaver out.

A FEW MINUTES LATER...

Well, that didn't work out, but at least it looks better now.

Aww, it reminds me of when my two boys were babies!

b-babies?

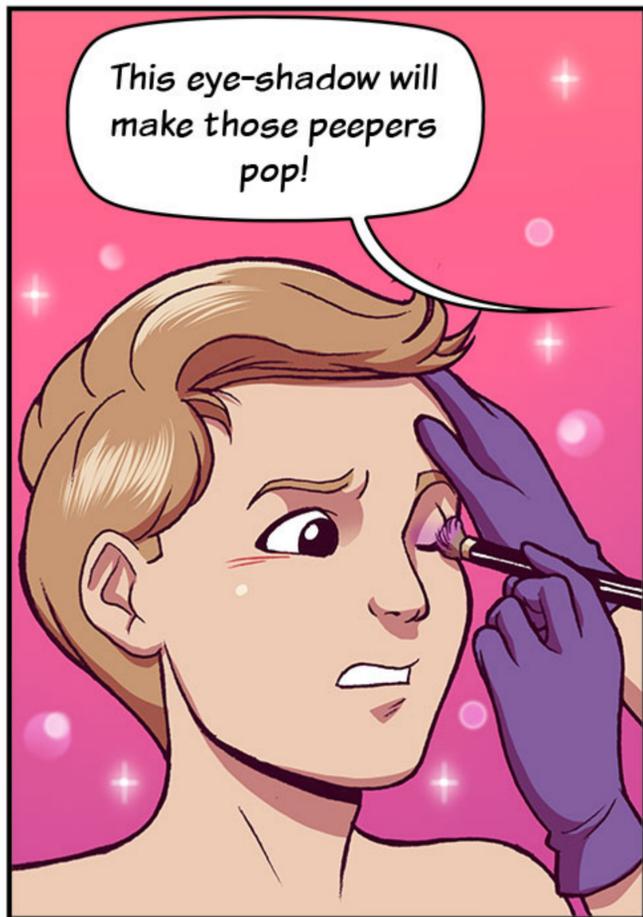

That's enough about that little thing! We need to make you pretty!

What!?

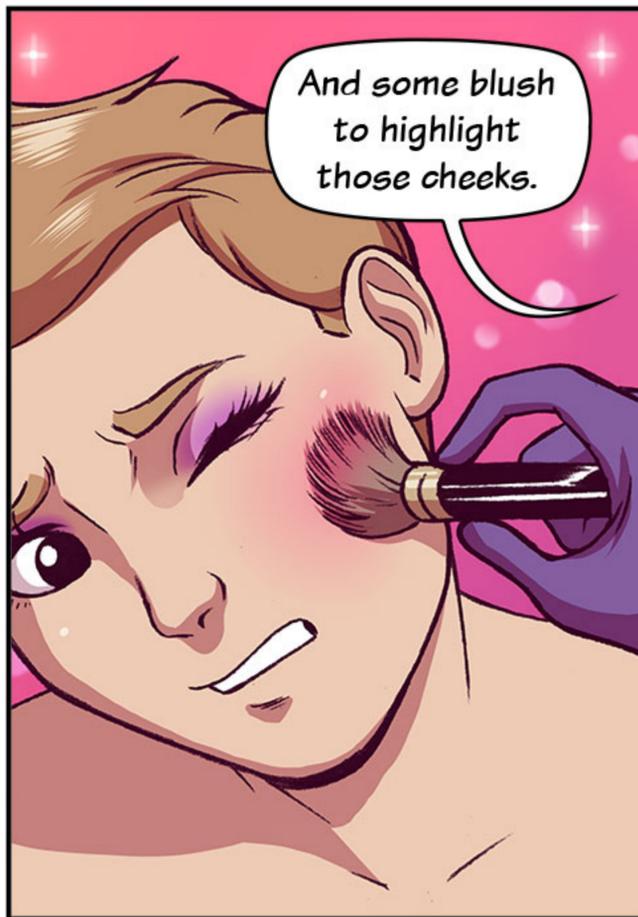

You thought we'd want to see lingerie modeled by a man... a-hem... we'll... you get idea?

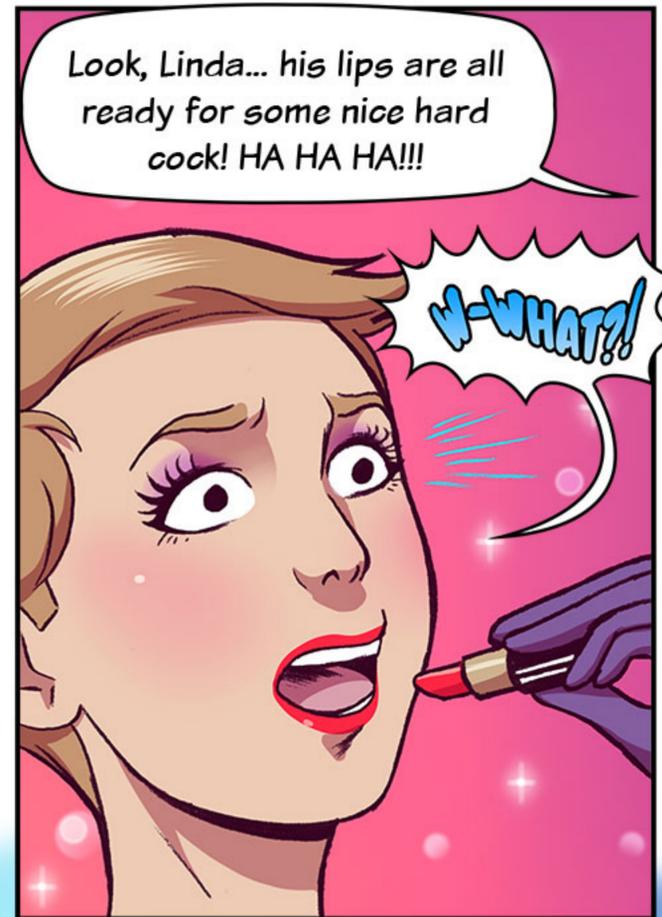

Now stay still while I apply foundation to your face.

This eye-shadow will make those peepers pop!

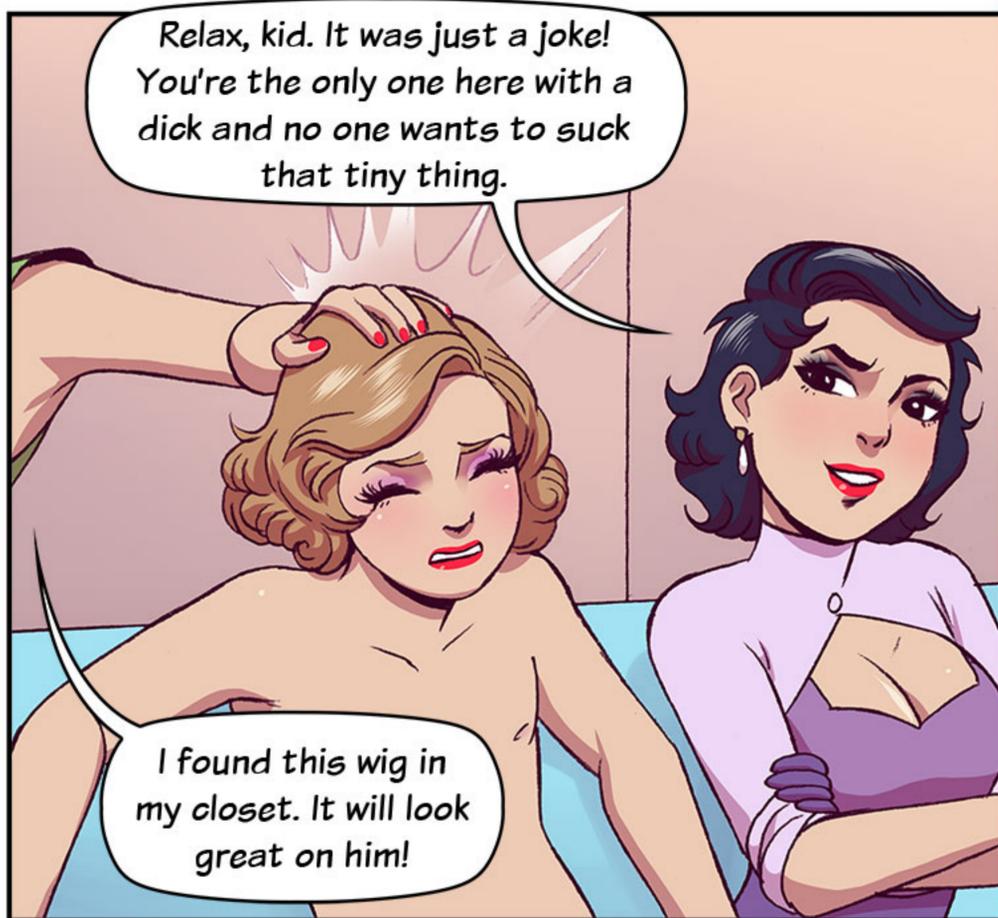

And some blush to highlight those cheeks.

Look, Linda... his lips are all ready for some nice hard cock! HA HA HA!!!

W-WHAT?!

Relax, kid. It was just a joke! You're the only one here with a dick and no one wants to suck that tiny thing.

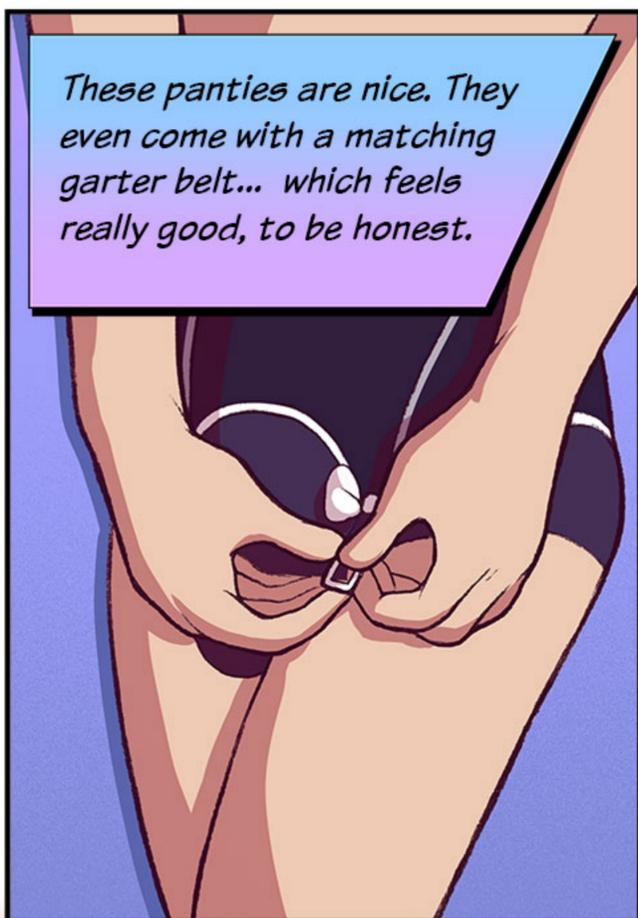

I found this wig in my closet. It will look great on him!

Now put on your best lingerie, princess!

What the fuck am I doing!? My boss said these clothes would sell themselves!

These panties are nice. They even come with a matching garter belt... which feels really good, to be honest.

And these nylons feel fantastic!

I didn't know they were so soft and silky.

They're pretty tight, too. However, they aren't uncomfortable at all. Mmm...

Actually, it feels like a second skin!

Oh, these sheer gloves are just as silky! Nice!

I've never worn high heels before. I do love the way they look on girls, tho. They're very tight. Oh shit... I'm...

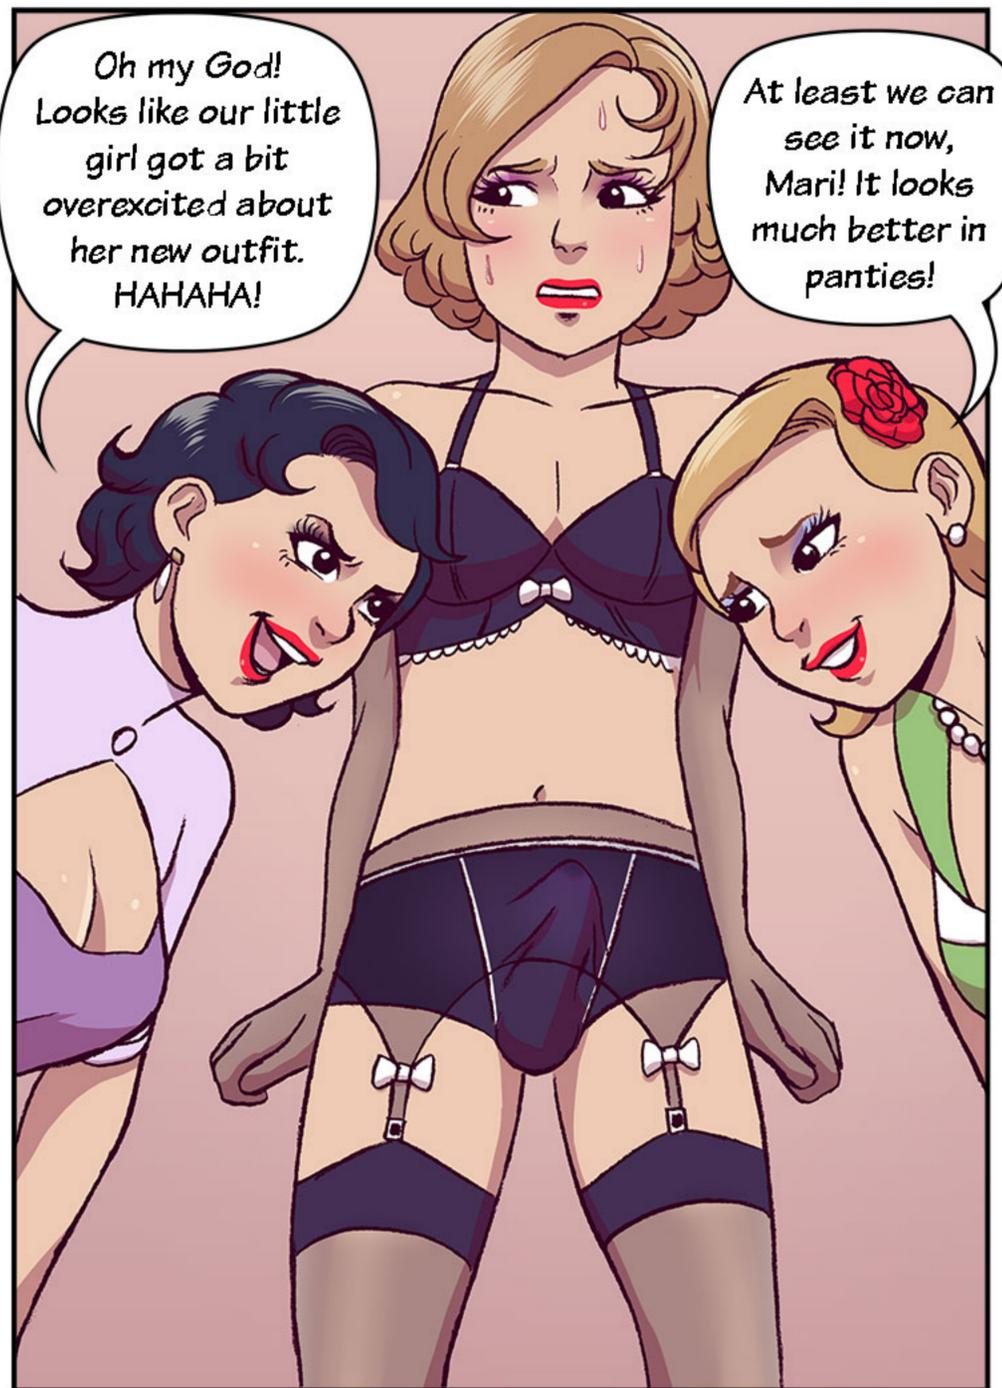

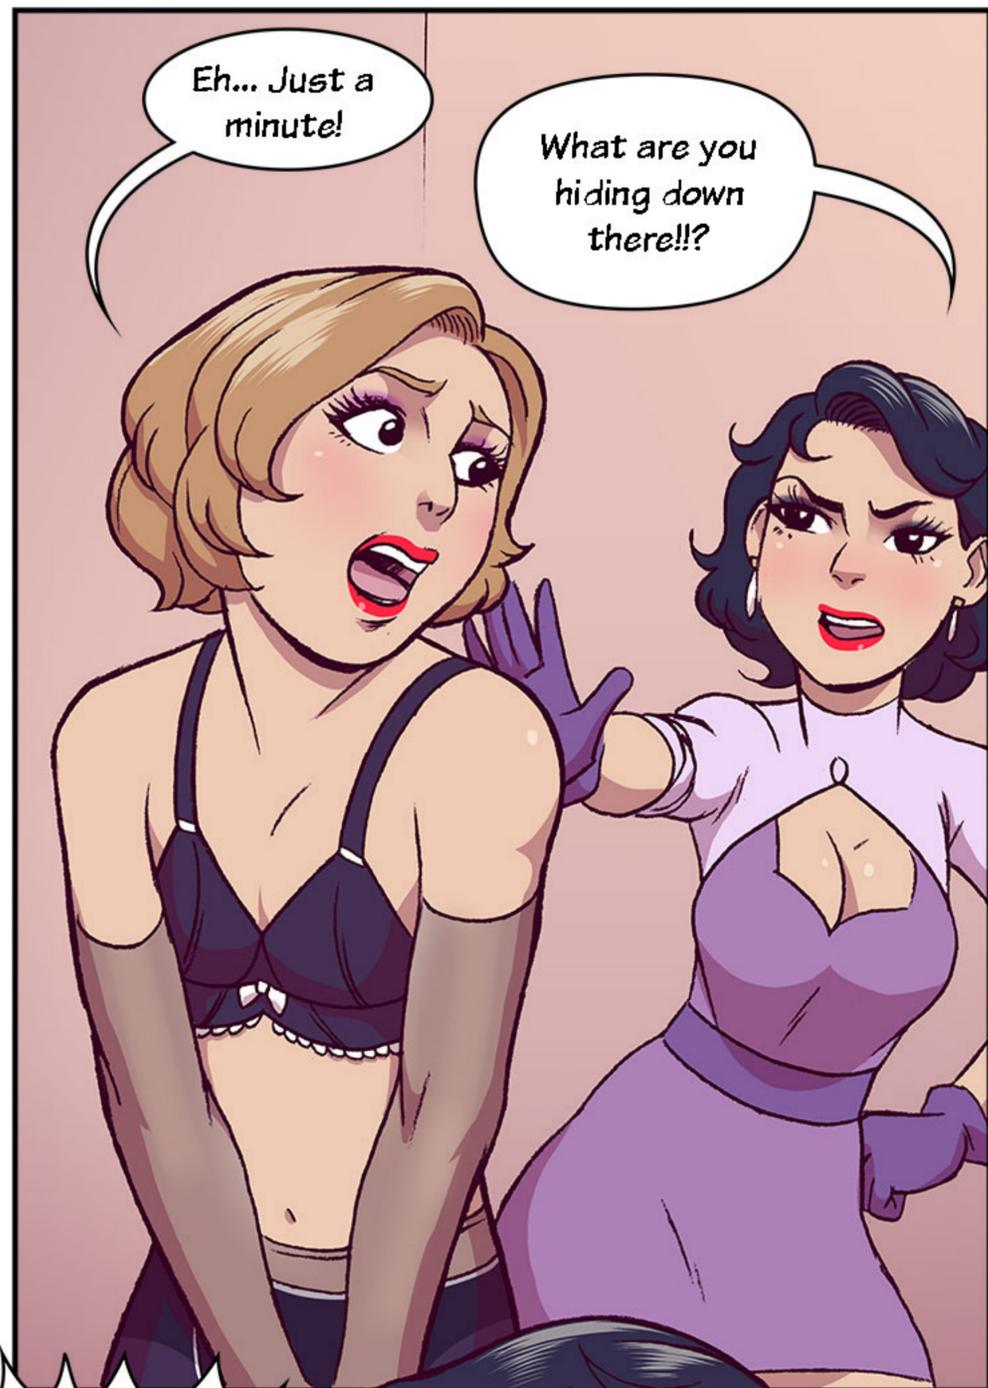

... getting a...

... a ...

... BONER!!!

Such a tease, Linda!

Come on, girl! Let's see!!!

I want a big, sexy smile, baby!

Oh, my... so cute and sexy! You could pass as a lingerie model... if it weren't for that little tent in your panties!

I love sheer panties! They're not only sexy, but they also let us see his cute butt in detail.

However, that ass would look a lot better if it were more pink, you know what I mean?

Show us some skin, cutie! And be careful with those nipples.

They're so hard you could pop a balloon with them!

This is fun and all, but there must be something else we can do with our little lingerie doll, Mari.

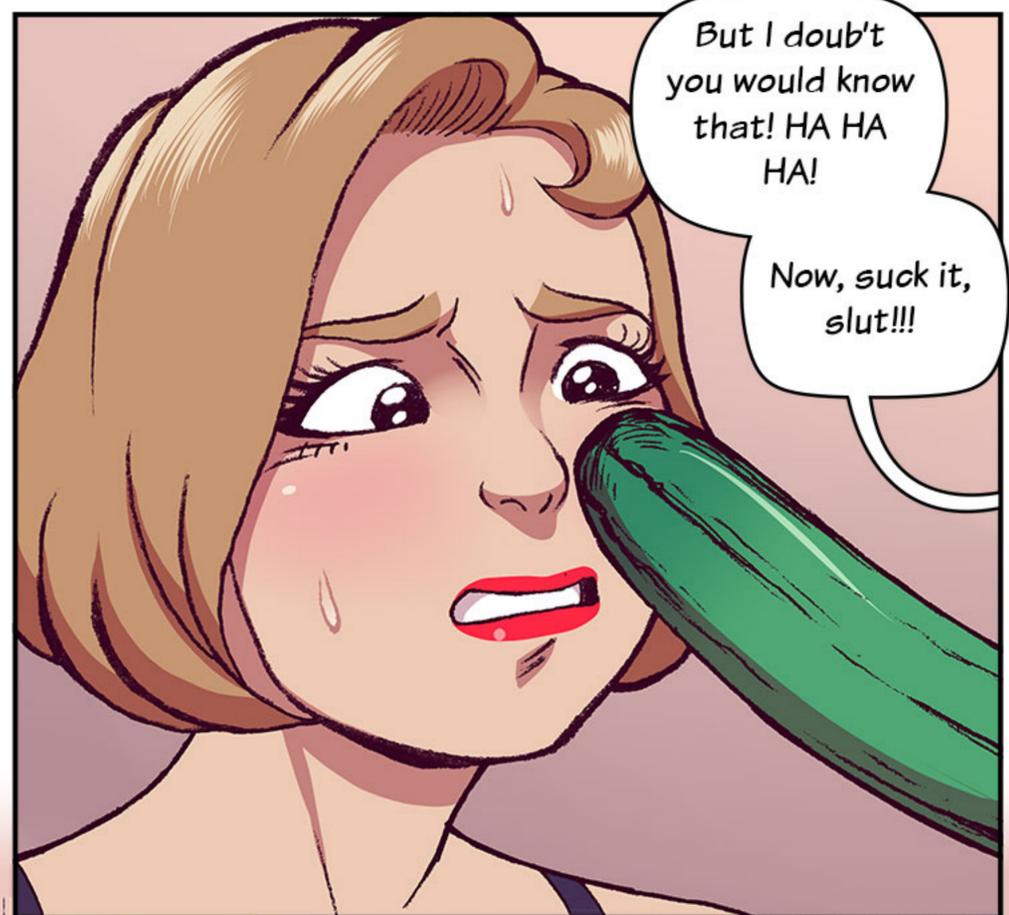

Go the kitchen and find something to play with!! Something as big as your hubby...

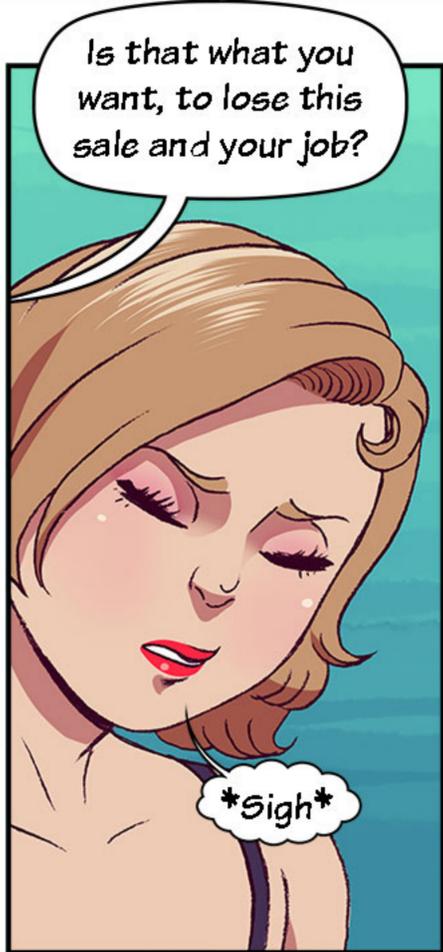

Oh Mari! You're the worst!

Mhmm... and I know exactly what to do with her!

That's enough. I think it's time to take this to the next level!

Next level?

That's right! Let's see if this outfit can go all the way!

On all fours, girl... show us that ass!

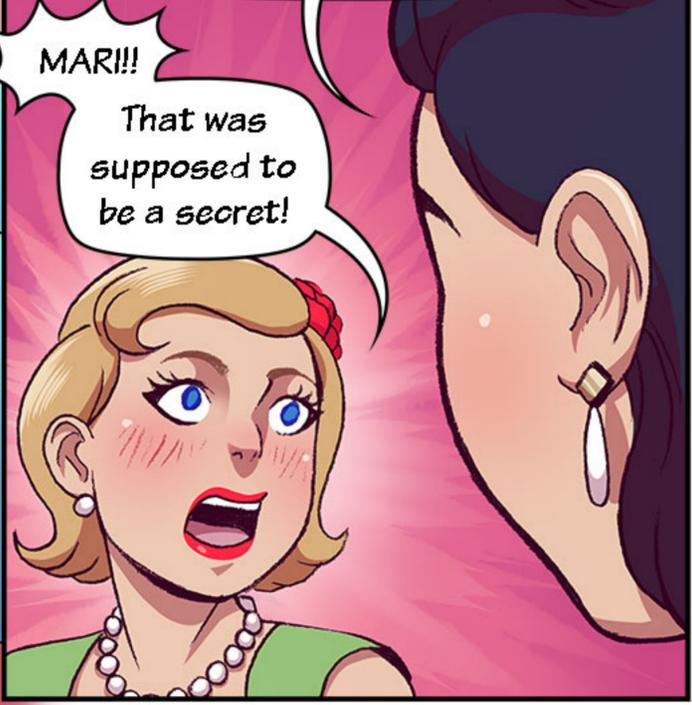

How obedient you are, baby!

Just for that, I'll do you a favor.

Oh my gosh! I can see his... you know!

Hey Linda...

The other day you told me that sometimes you like to take it in the ass, so I guess you have some lube, right?

MARI!!!

That was supposed to be a secret!

Don't be such a prude and give me some lube, will you?

All right, all right!

SOME TIME LATER...

Open up!

I know you want it! SLUT!!

Hey Linda! Have you ever seen a man being fucked in the ass?

No, I haven't!

Well, she's not really a man... but it'll have to do! HA HA HA

In three...

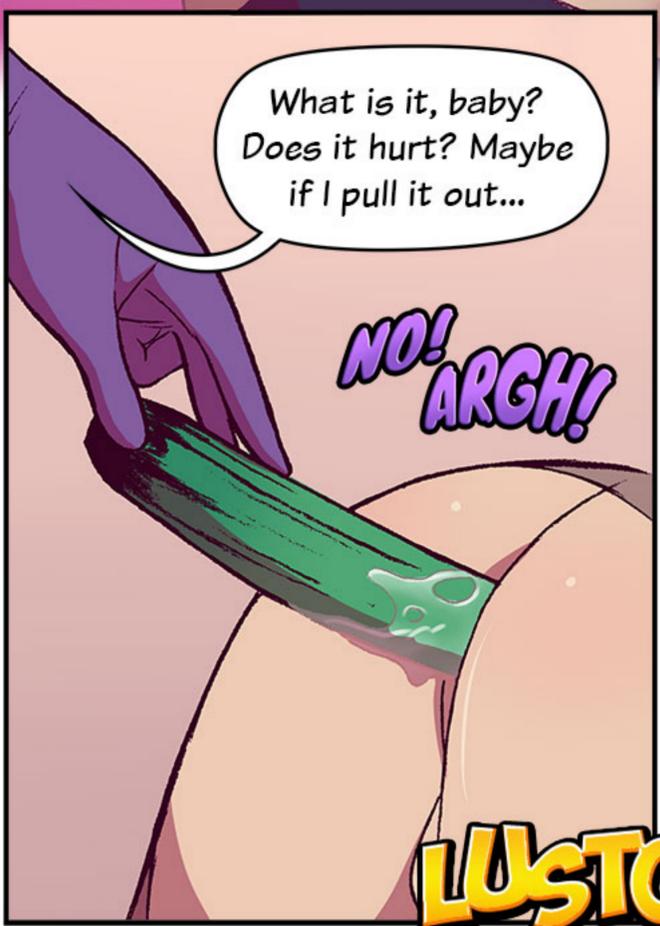

... two...

... one...

...NOW!!

AAAAAAAUGH!  
OOW! OOW!  
OUCH!

What is it, baby? Does it hurt? Maybe if I pull it out...

NO! ARGH!

Or does it feel better all the way inside? Mhmm...

OOW! OUCH! OUCH!

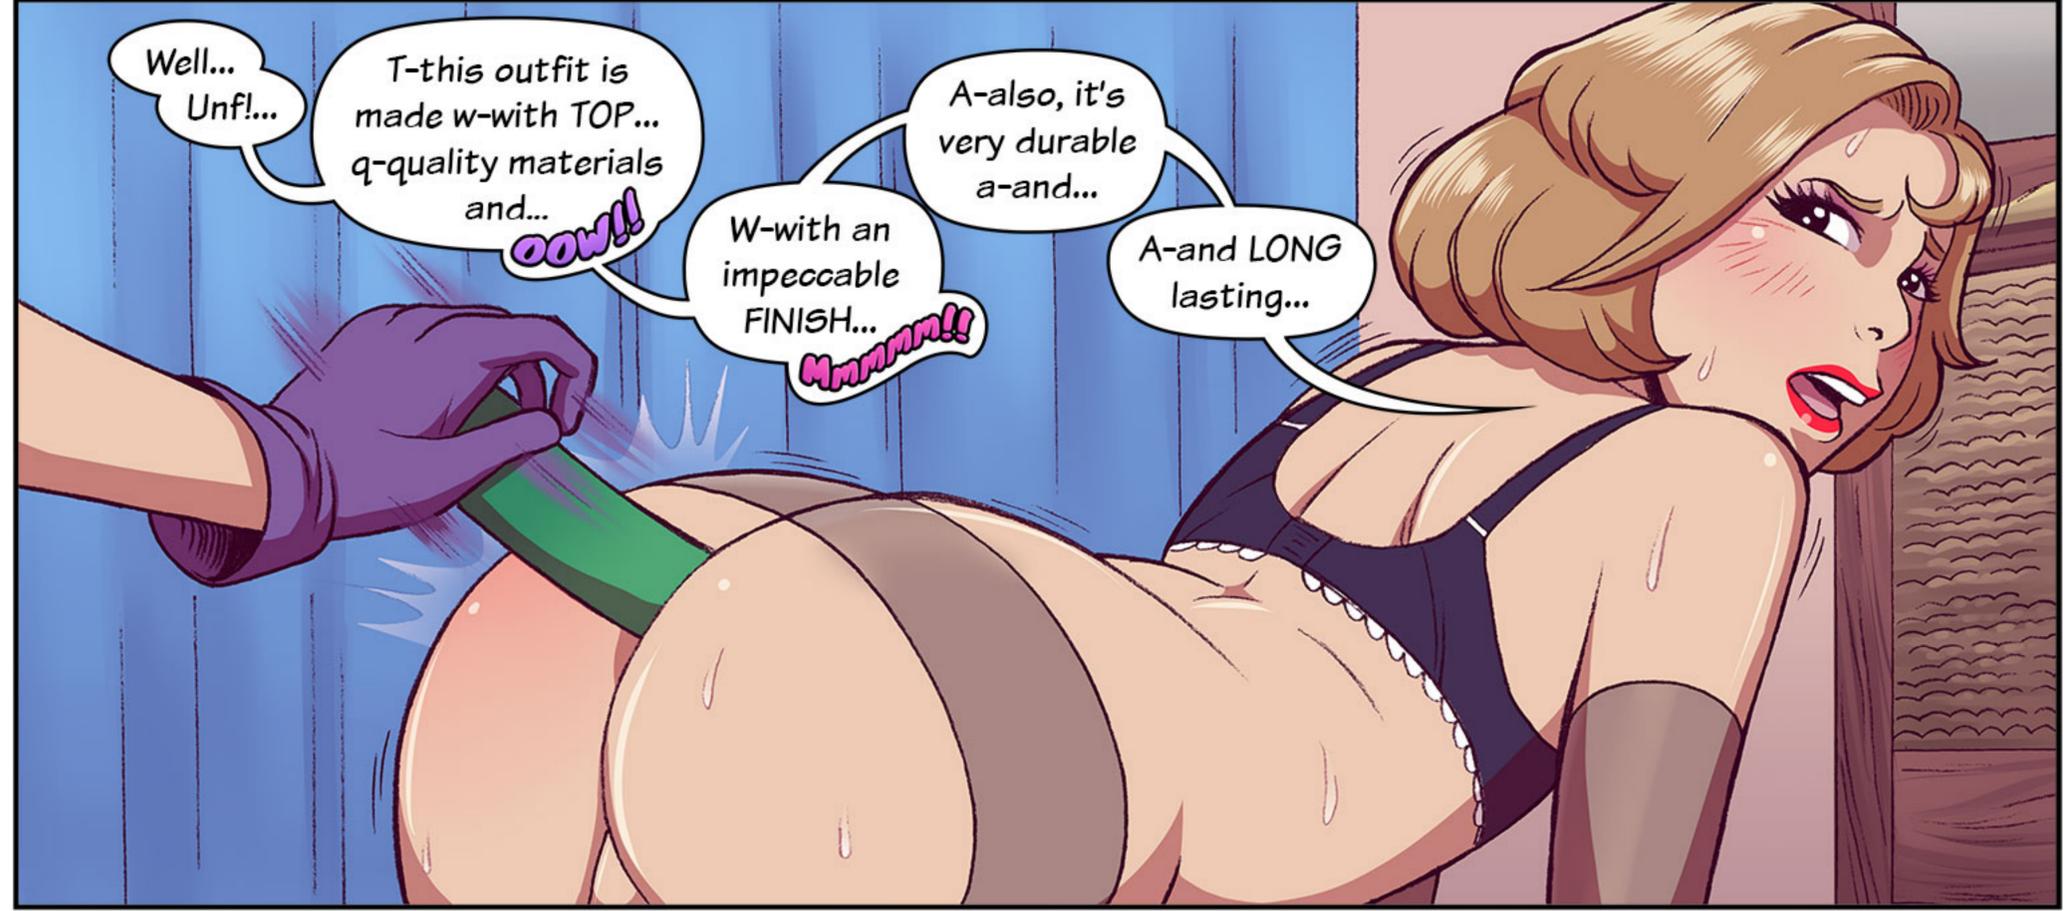

What the hell! I'll slide it in and out until you like it, bitch!

Hey, isn't this sissy supposed to try and sell us something?

You're absolutely right, Linda!

Come on, bitch, tell us how good that outfit is and why we should buy it!

**SLAP!!**

Well... Unf!...

T-this outfit is made w-with TOP... q-quality materials and... **oow!!**

W-with an impeccable FINISH... **Mmmmm!!**

A-also, it's very durable a-and...

A-and LONG lasting...

Meh, I'm not convinced. I mean, what about the accessories?

I know what you mean. This bitch can do a much better job.

In fact, I'm beginning to think you just don't want to sell us anything...

Put a little effort into it, girl!

What the...?

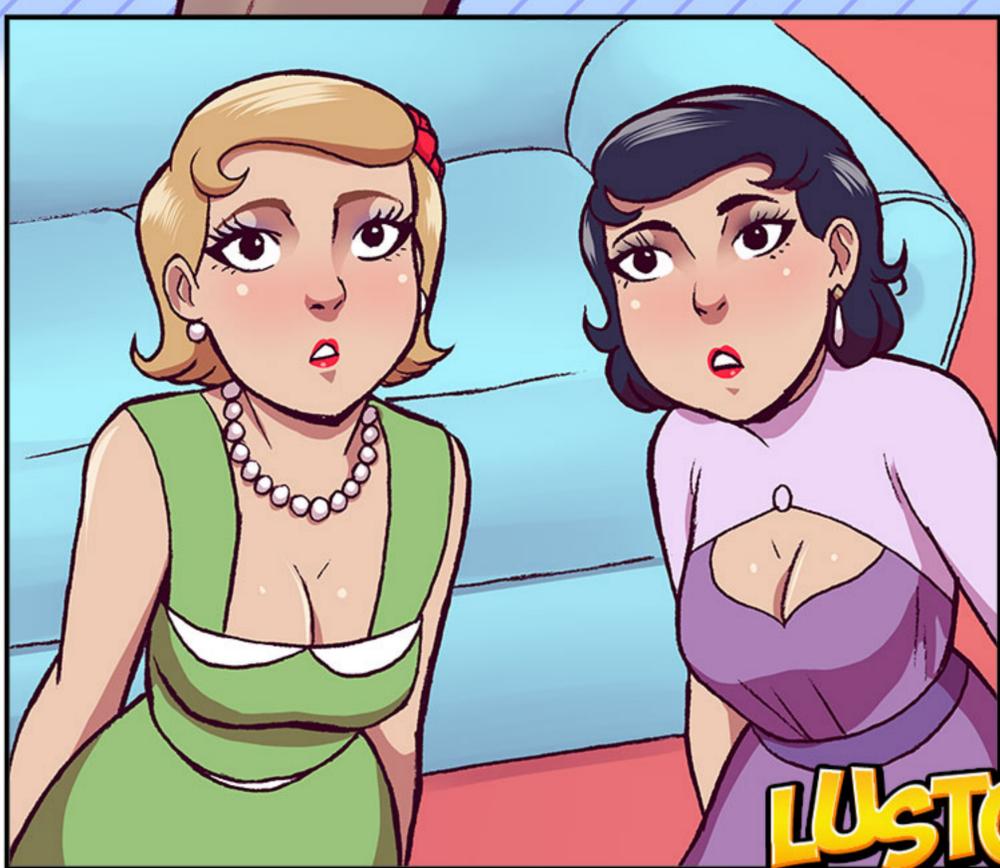

**SLAP!!**

Yes, yes... as you can see our lingerie is very durable, even in the most heated scenarios!

You never have to worry if your partner likes it rough... you'll stay sexy the whole way through!

Spanking, hair pulling, deepthroat, you name it. This outfit can withstand anything.

Being a slut has never been so glamorous!

You just need to look the part, darling!

Like a professional lady! This skirt fits you like a glove!

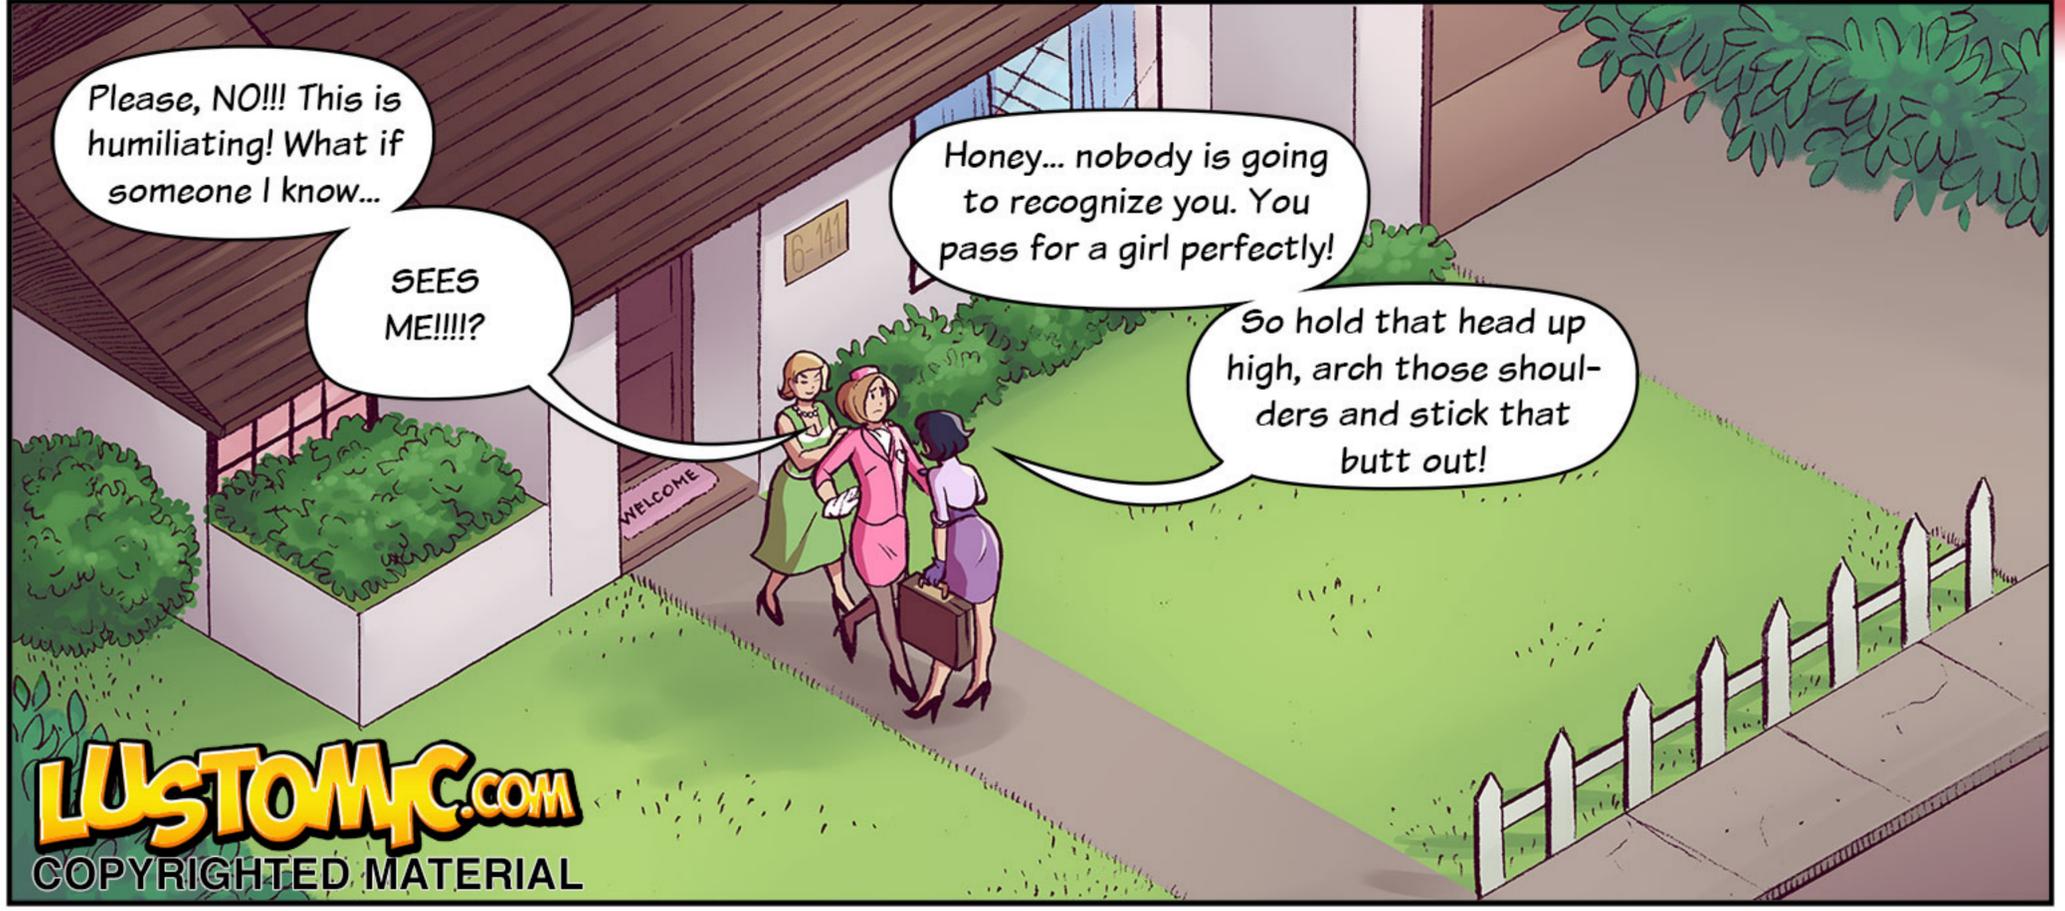

...And a proper hat. Now you're ready to go door to door, girl!

W-what?! I can't go outside like this!

Why not? You look cute and sexy. Believe me, you're going to sell like crazy!

Isn't that what you wanted?

Please, NO!!! This is humiliating! What if someone I know...

SEES ME!!!!?

Honey... nobody is going to recognize you. You pass for a girl perfectly!

So hold that head up high, arch those shoulders and stick that butt out!

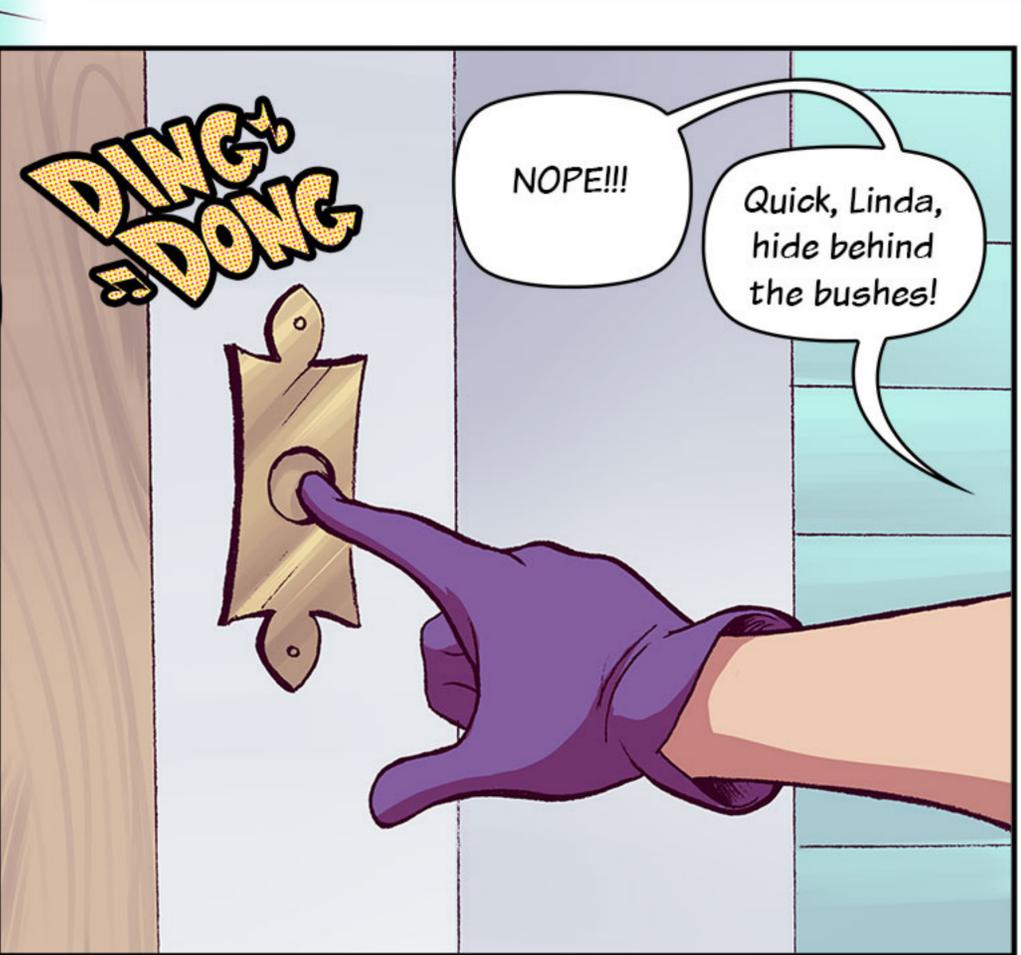

Come on, this is ridiculous!

Don't worry, you'll do great. Just smile and do your thing!

Please! Can we just go?!!!

He He Ha Ha

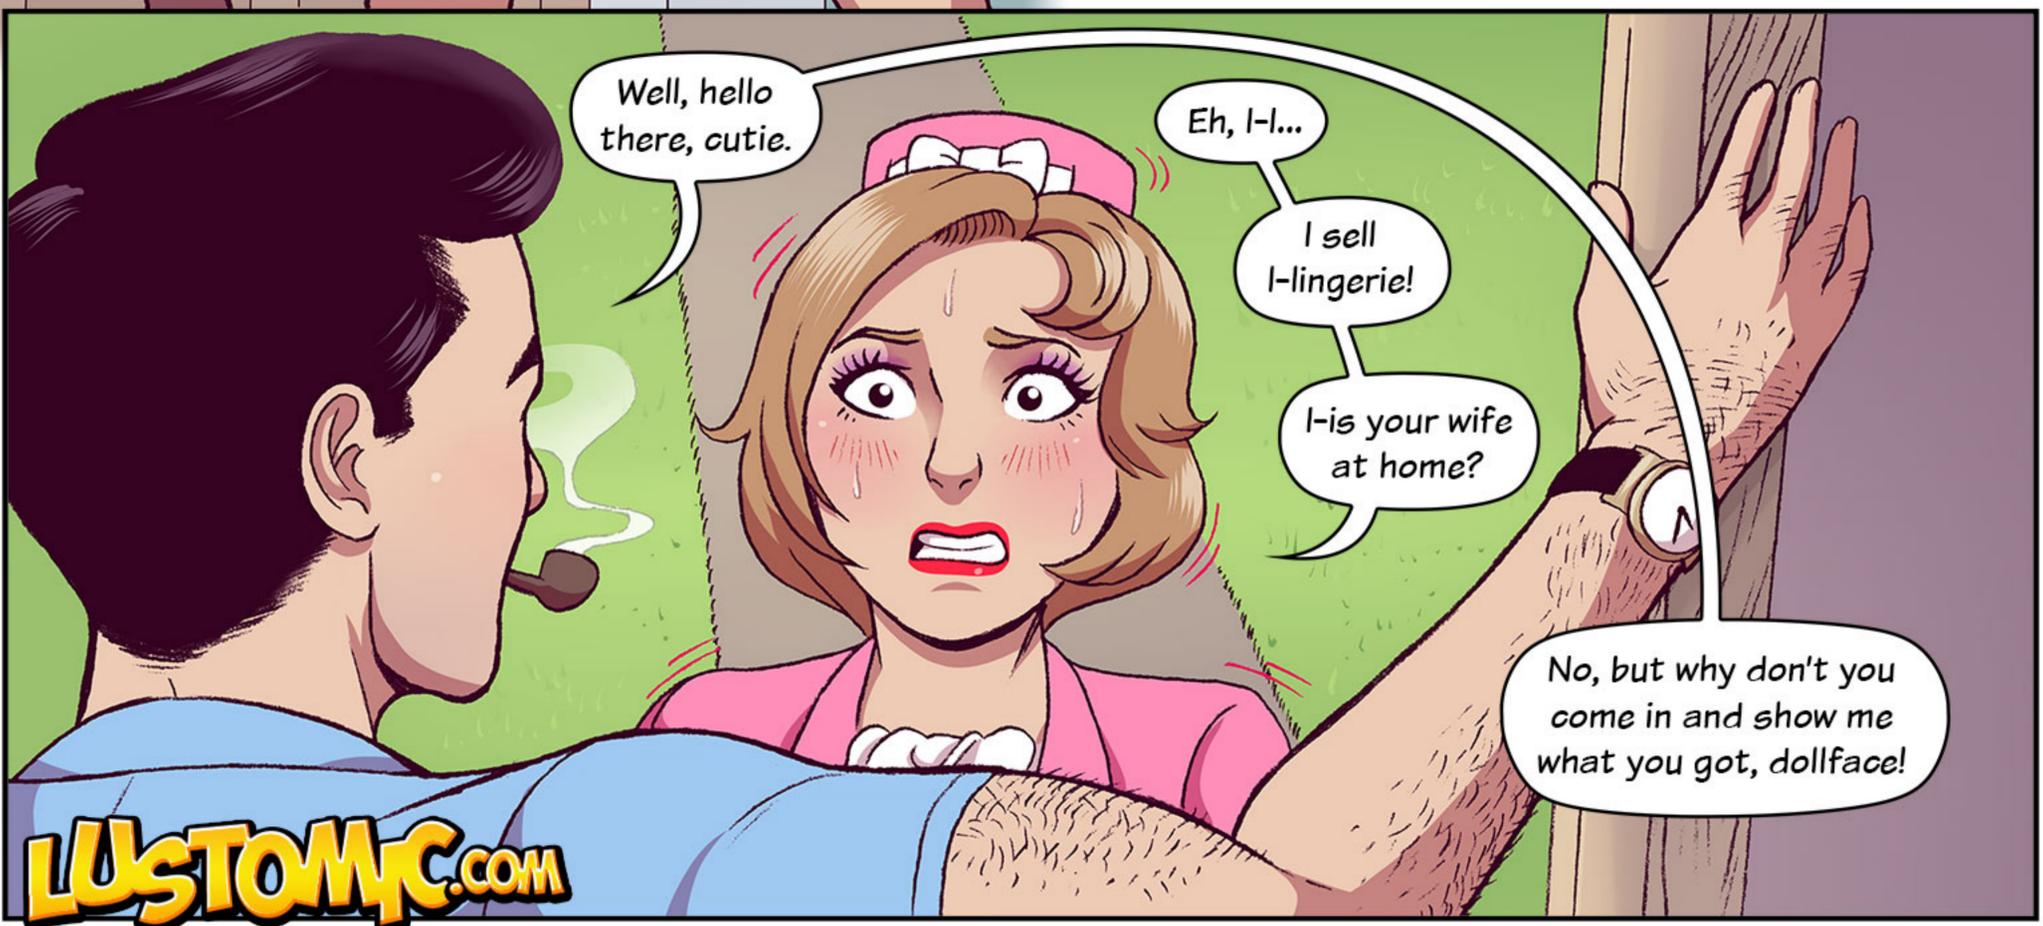

**DING DONG**

NOPE!!!

Quick, Linda, hide behind the bushes!

Wait! Don't go!!! I... I...

Well, hello there, cutie.

Eh, I-I...

I sell I-lingerie!

I-is your wife at home?

No, but why don't you come in and show me what you got, dollface!

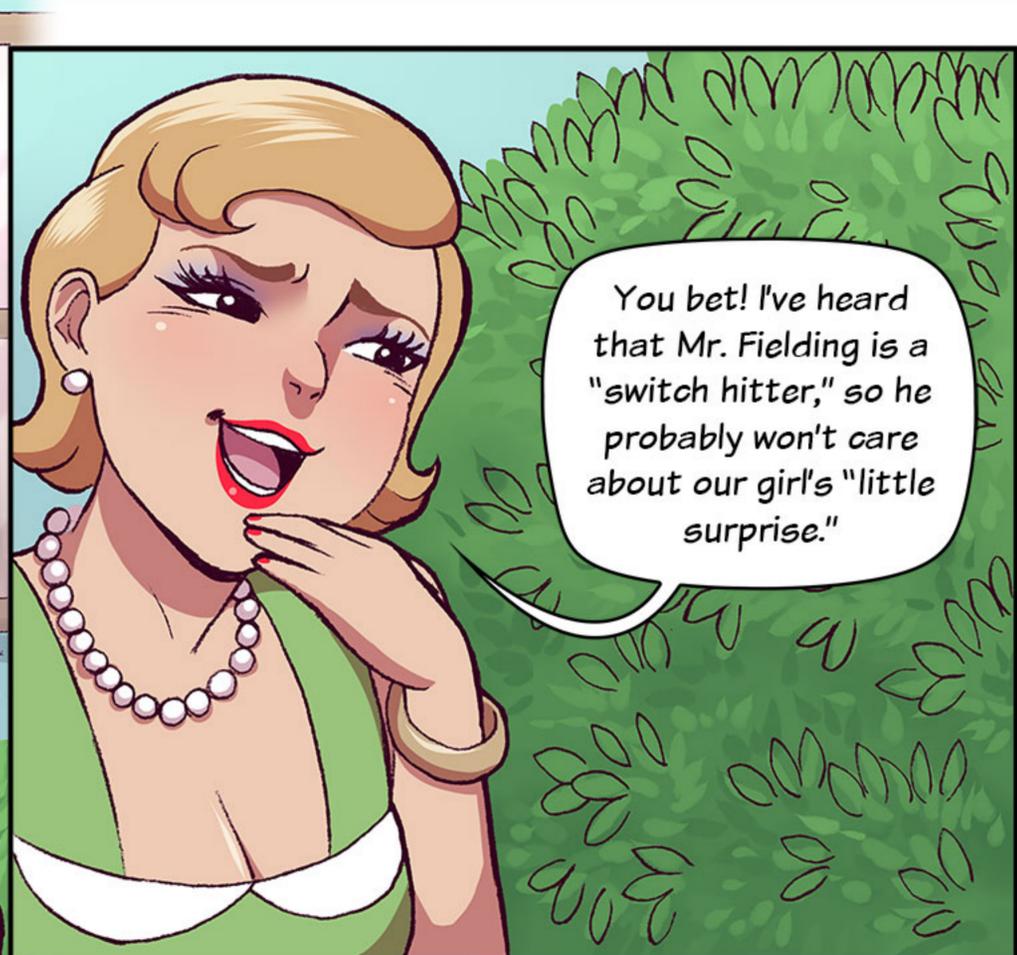

Please, come in...

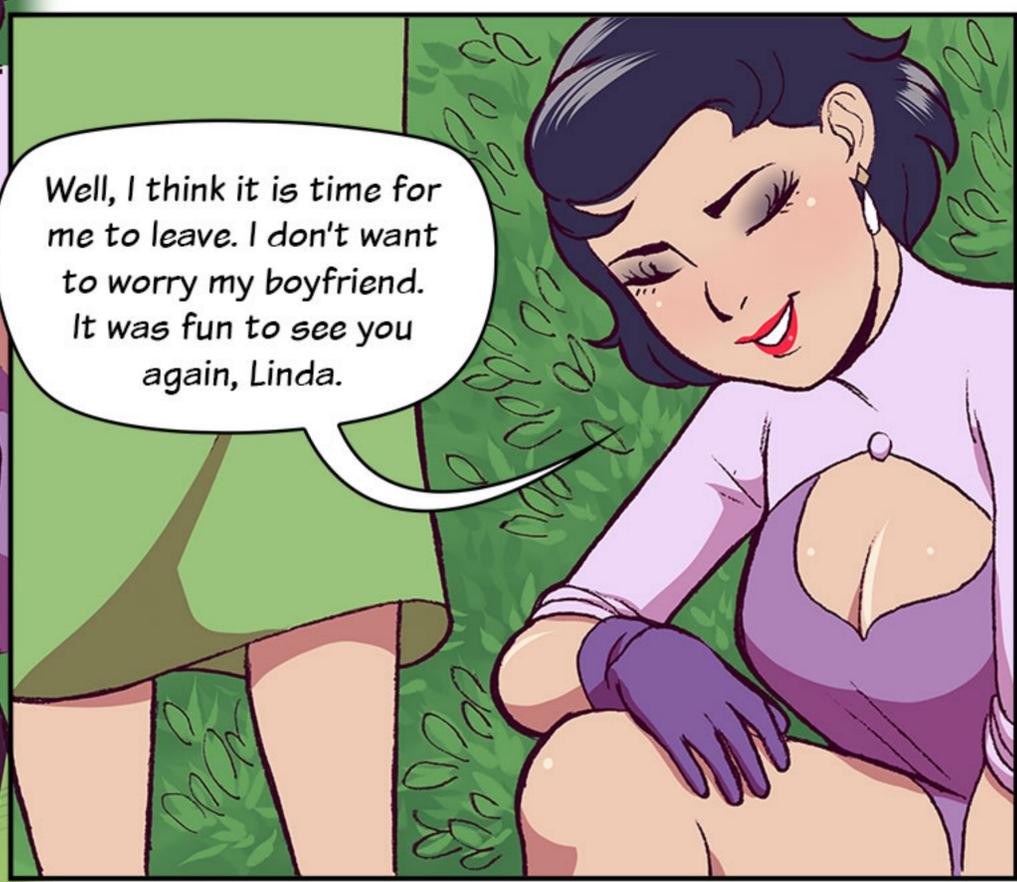

H-hey!

I'm sure those two will have a good time together!

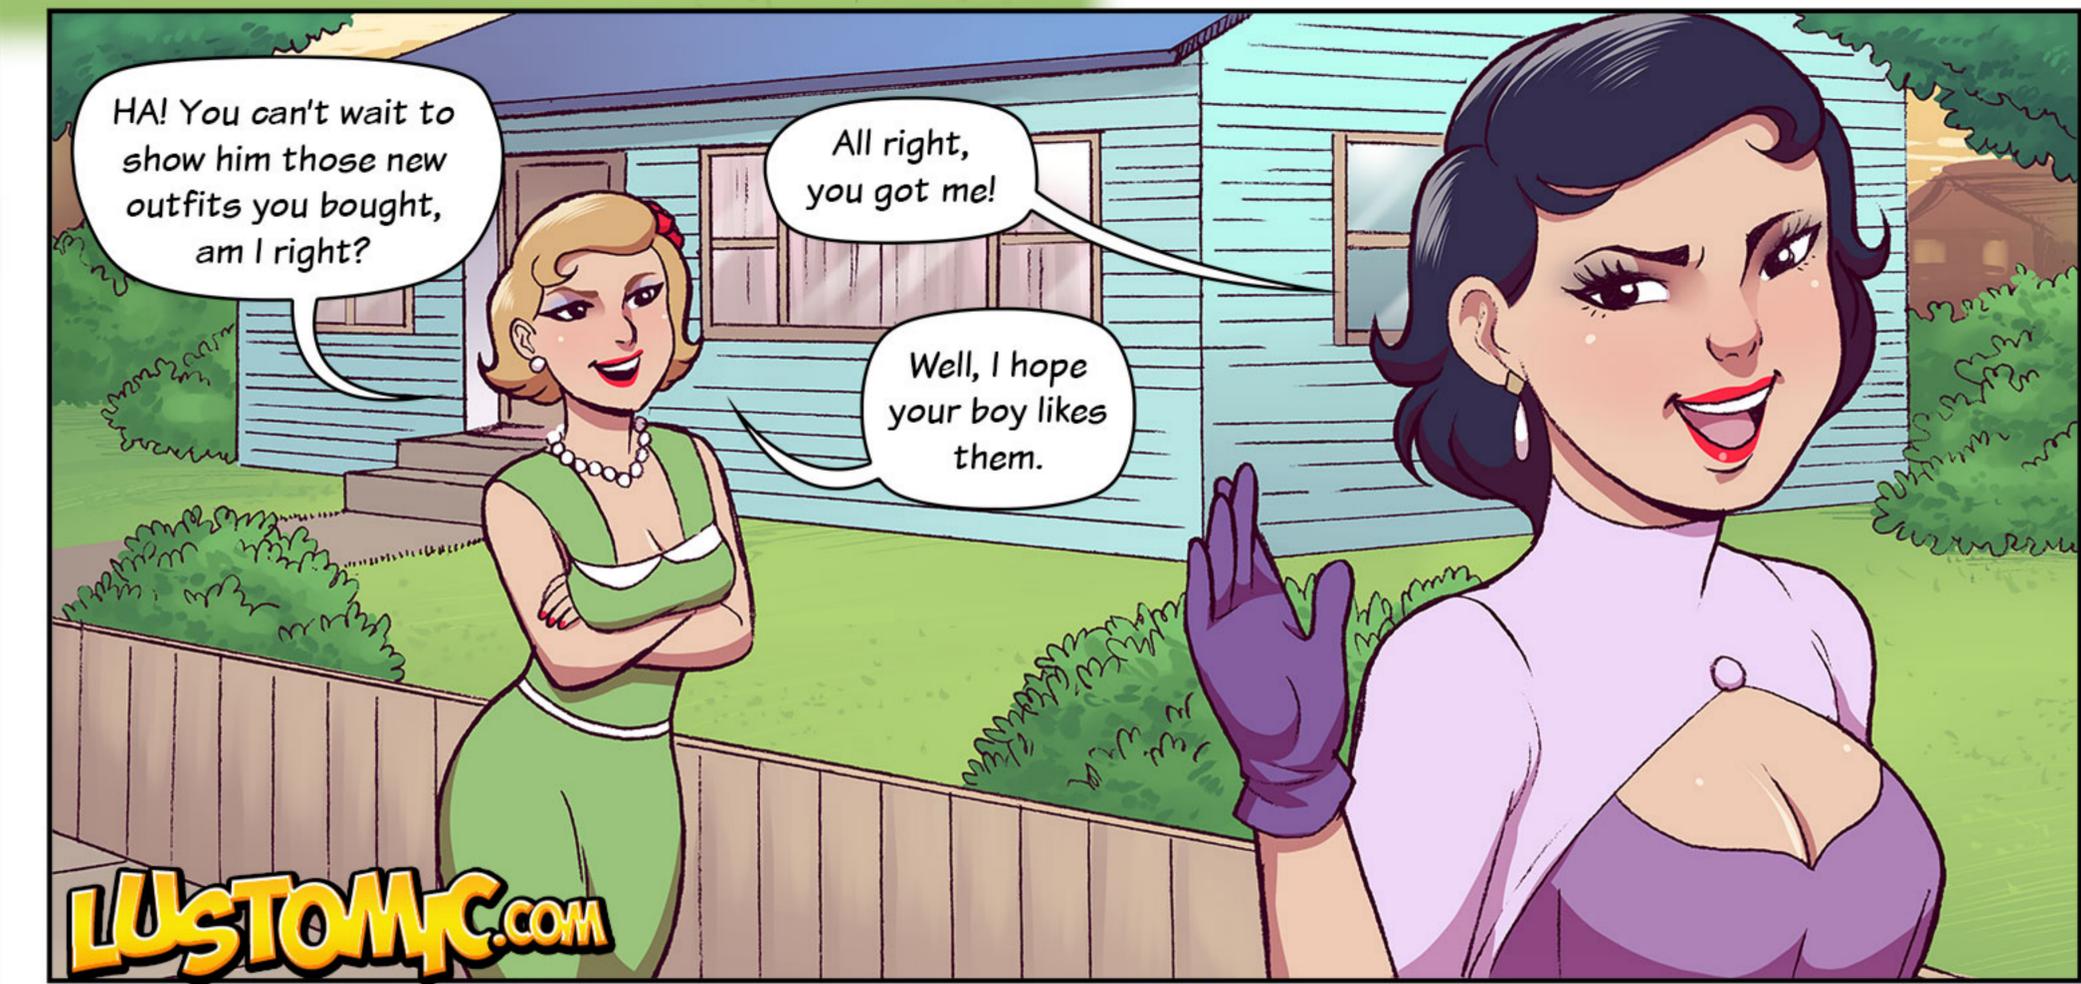

HA! HA! HA!

You bet! I've heard that Mr. Fielding is a "switch hitter," so he probably won't care about our girl's "little surprise."

Well, I think it is time for me to leave. I don't want to worry my boyfriend. It was fun to see you again, Linda.

HA! You can't wait to show him those new outfits you bought, am I right?

All right, you got me!

Well, I hope your boy likes them.

"Oh, believe me,  
he'll love it..."

LATER THAT DAY

AT MARI'S HOUSE

Don't be so lazy, slut!  
Stick your tongue in  
there deeper!

Yes, Mistress.

Good  
boy!

That's enough,  
slave!

Go put on the pink  
set and get my  
strap-on ready!

Immediately,  
Mistress.

You look so hot,  
honey... I'm going to  
fuck you all night  
long!
