ALL CHARACTERS DEPICTED ARE 18 YEARS OLD

AGH!
My back! Gosh,
making portal
gates is so
tiresome. But...

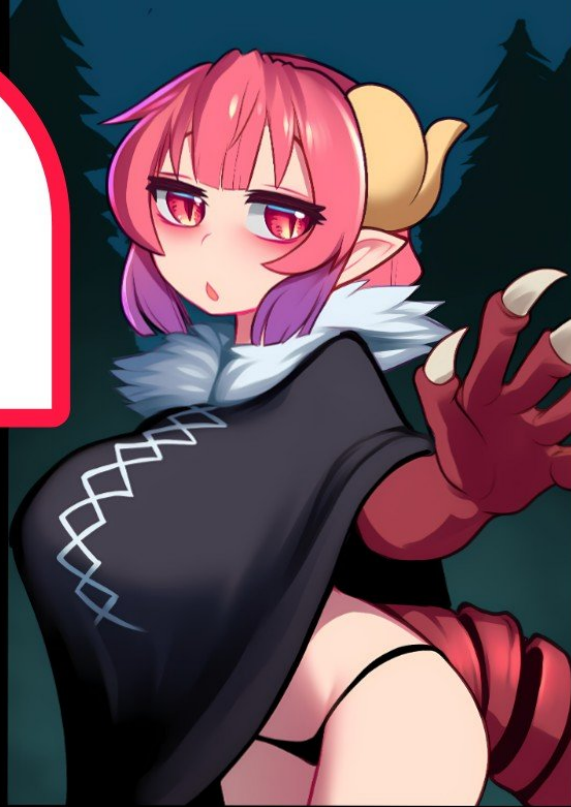

**AFTER A
DEVASTATING
DEFEAT FROM
TOHRU, ILULU
PORTALLED HER
INTO A CLEARING
EXHAUSTED AND
DUMBFUNDED
ABOUT TOHRU'S
NEW
COMPANION.**

That human...
was about to
convince Elma to
help and save
Tohru.
Who are they?

**DAMN YOU,
TOHRU!**

It appears that ever since Tohru banished me, she put up a barrier to keep me out.
Damn you, using such an advanced spell.

No matter, I know an advanced spell as well, a forbidden one.

One that will allow me to enter through Tohru's barrier.
Hehehe!

Now, how does that spell go again?
Oh, right!

"SPEAKS FORBIDDEN SPELL"

AS IN THE ORIGINAL TIMELINE, TOHRU NEVER ERECTED A BARRIER TO KEEP ILULU OUT, BUT SHE FOUND A WAY TO GET PASS IT. TO WHAT SORT OF SPELL DID ILULU CAST AND WHAT ARE THE CONSEQUENCES TO THIS MINOR CHANGE?

**MEANWHILE AT
MISS
KOBAYASHI-SAN'
S APARTMENT,
TOHRU SENSED A
TROUBLING
DISTURBANCE...**

What was that?! It
felt like
something
ominous was
trying to enter my
barrier? I hope
Ilulu didn't get
through.

**ELSEWHERE IN
THE CITY, A
YOUNG WOMAN
NAMED KAIDA IS
WALKING HOME
FROM WORK
AFTER GETTING
OFF THE
SUBWAY.**

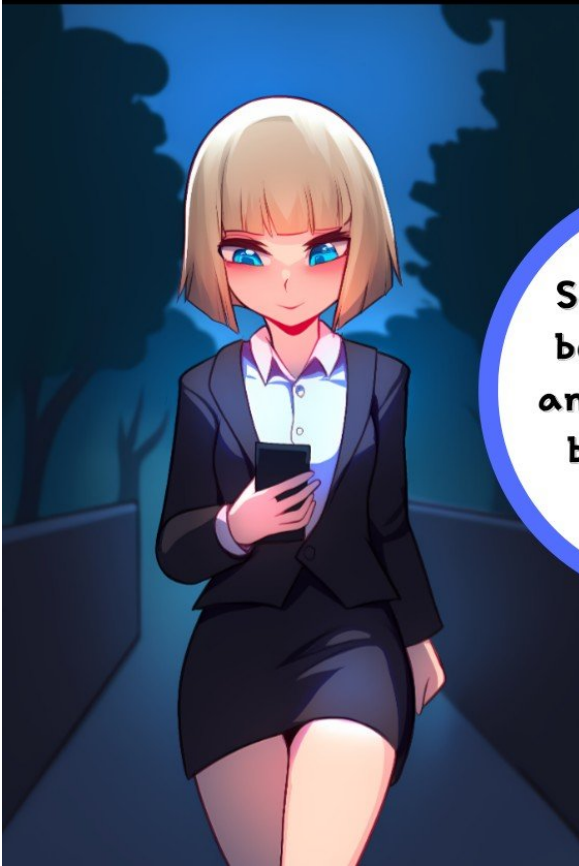

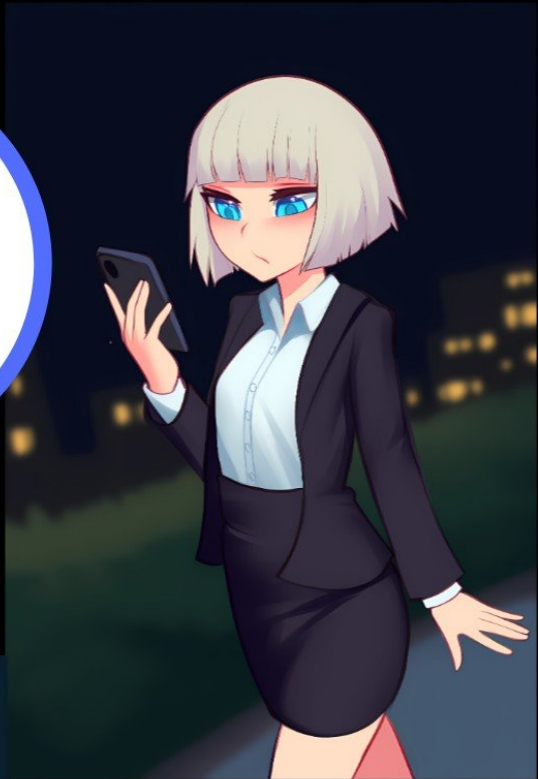

Hmm... Hmmm...

Let's see here...
Where is it...
Aha! Here it is,
the new game
Burst Forth!
Choro-gon ☆
Breath!

A bunch of my
coworkers have
been playing it,
and one of them
managed to
convince me to
install it.

So far, it has
been very fun,
and I hope I can
beat my high
score.

HOWEVER...

*This is an odd feeling...
I have never taken a form like this before, but
it was the only way to pass through Tohu's
barrier.*

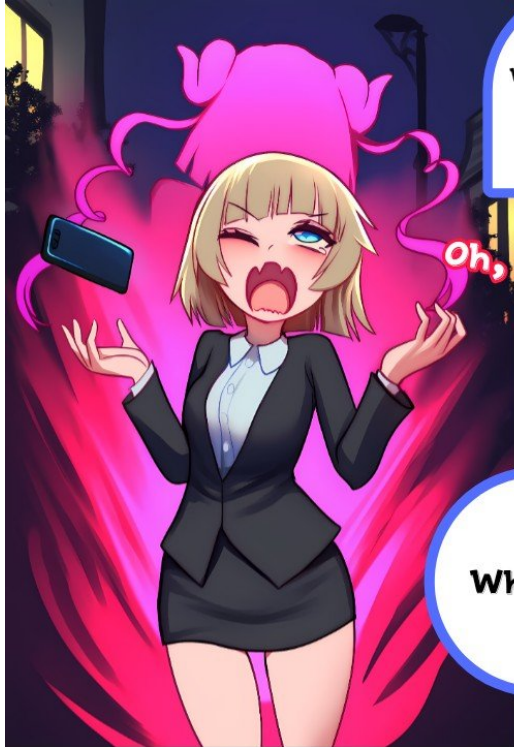

Now I need to find
a vessel...
Hmm...

oh?!

Huh?
What is that?
Is that a
shooting star?

Perfect!

AAAHH!!!

AAH!!
What the hell
is happening
to me!

Oh, I'm sorry...

What?!

*I needed someone so I
could have a physical
form, but who knew
that...*

*... you would be
so perfect!*

Who... are....
you!?!

**I am Ilulu, a dragon,
and you should feel
honored that you have
been chosen.**

GRRRAH!!
How should I feel
honored when you
are taking over my
body!

Silence human!

I am a chaos dragon, and you will serve me in my revenge!

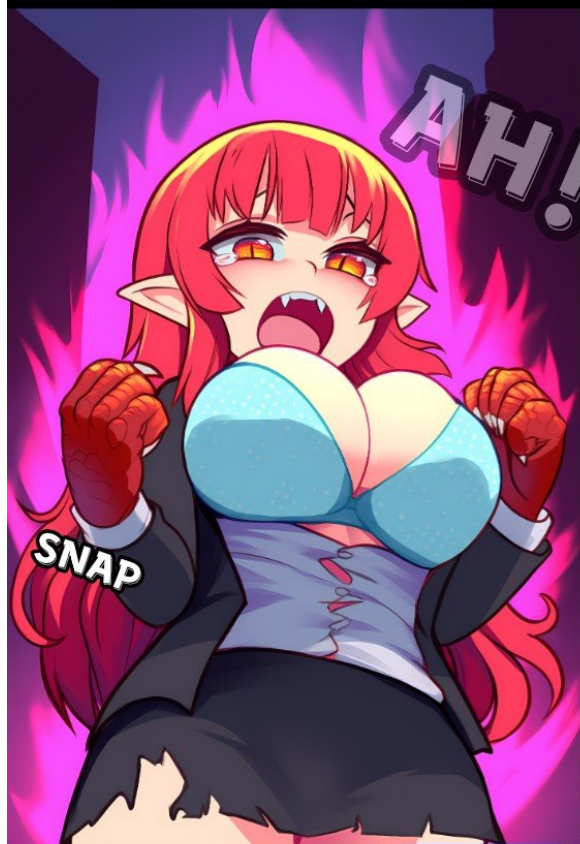

Good lord! My breasts are getting bigger! Please!

NO!

Chest is too tight...
Getting hard to breathe...

How big are my breasts going to get! I can't see my...
AH!

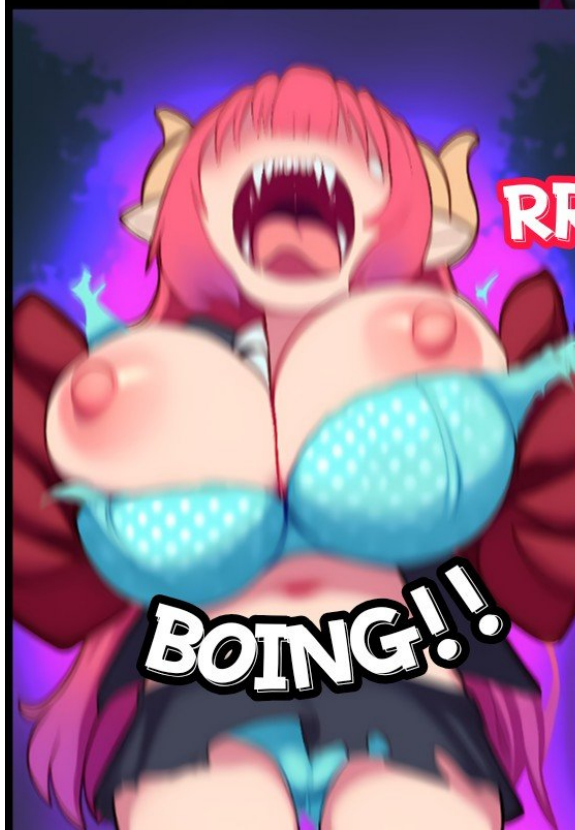

AAH!
My head! It feels like someone is pulling my head apart!
But...

... I'm starting
to feel turned
on...
Feel really
good...
And I want...

TO BE FREE!!

RRROOAAARRR!!!

AAAHH!!!
That felt
amazing! So this is
what an orgasm
feels like?
Now...

OH!

SNAP!

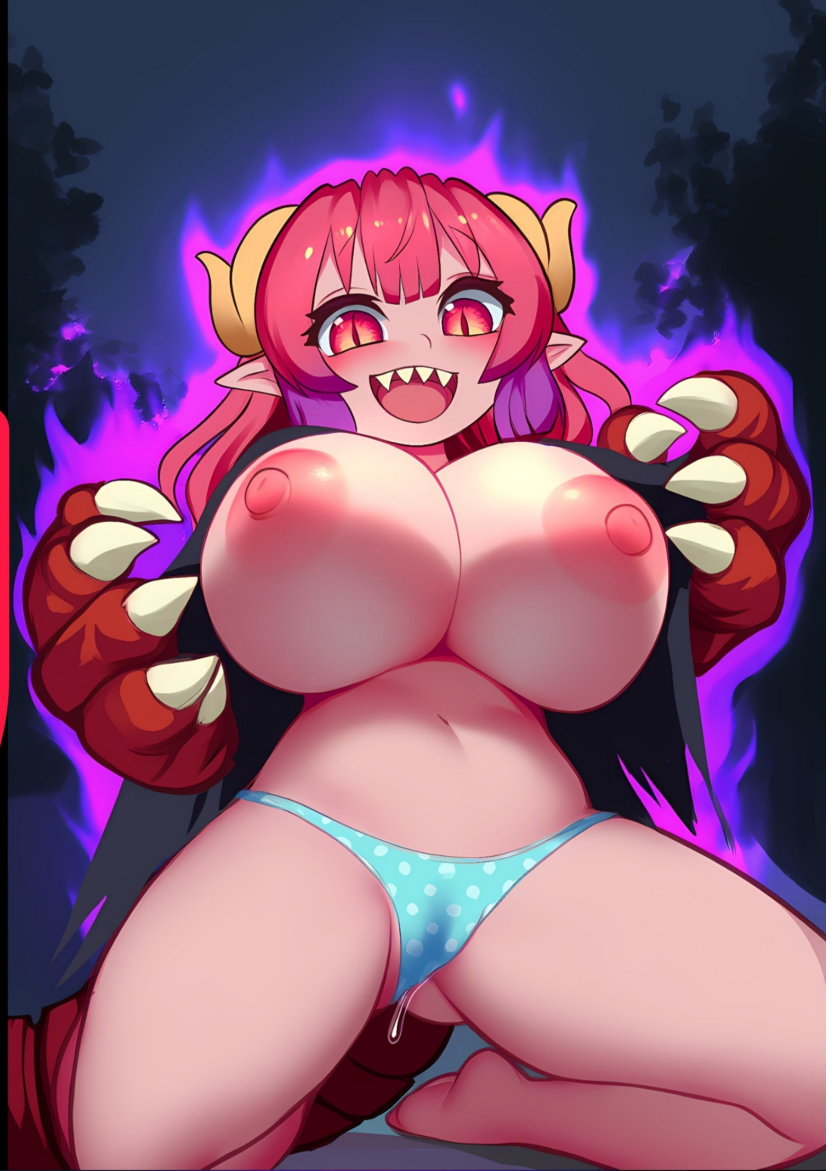

"PANT"

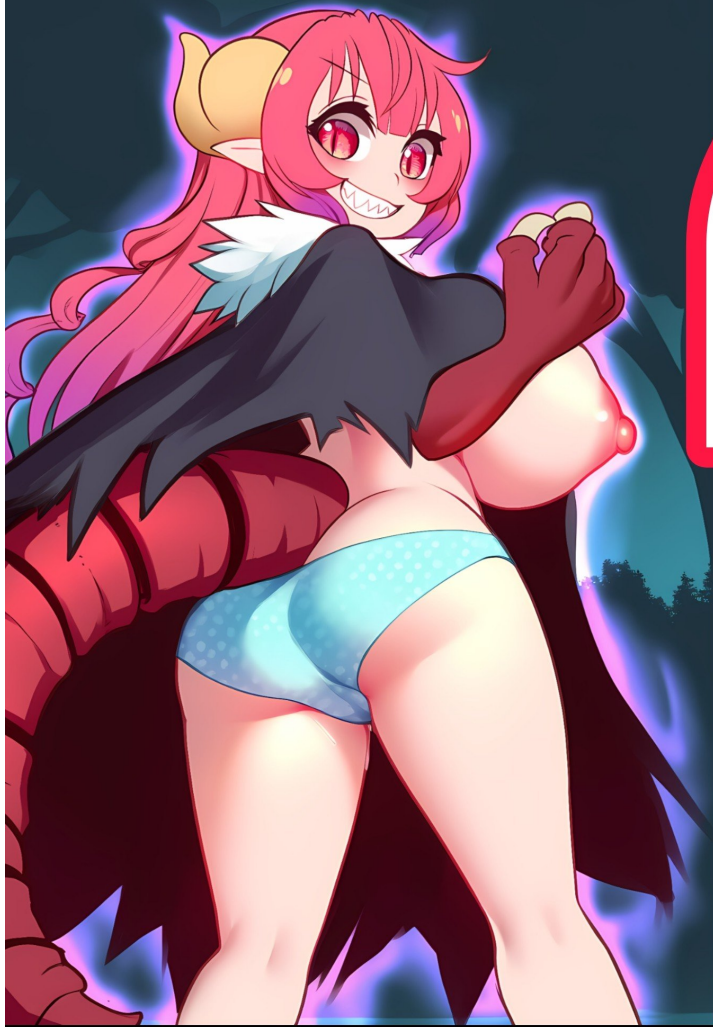

AAAHHH ♡!!!!

Oh my!!

It worked! That elder chaos dragon was right! This spell does work on humans, and it helped me get past Tohru's barrier.

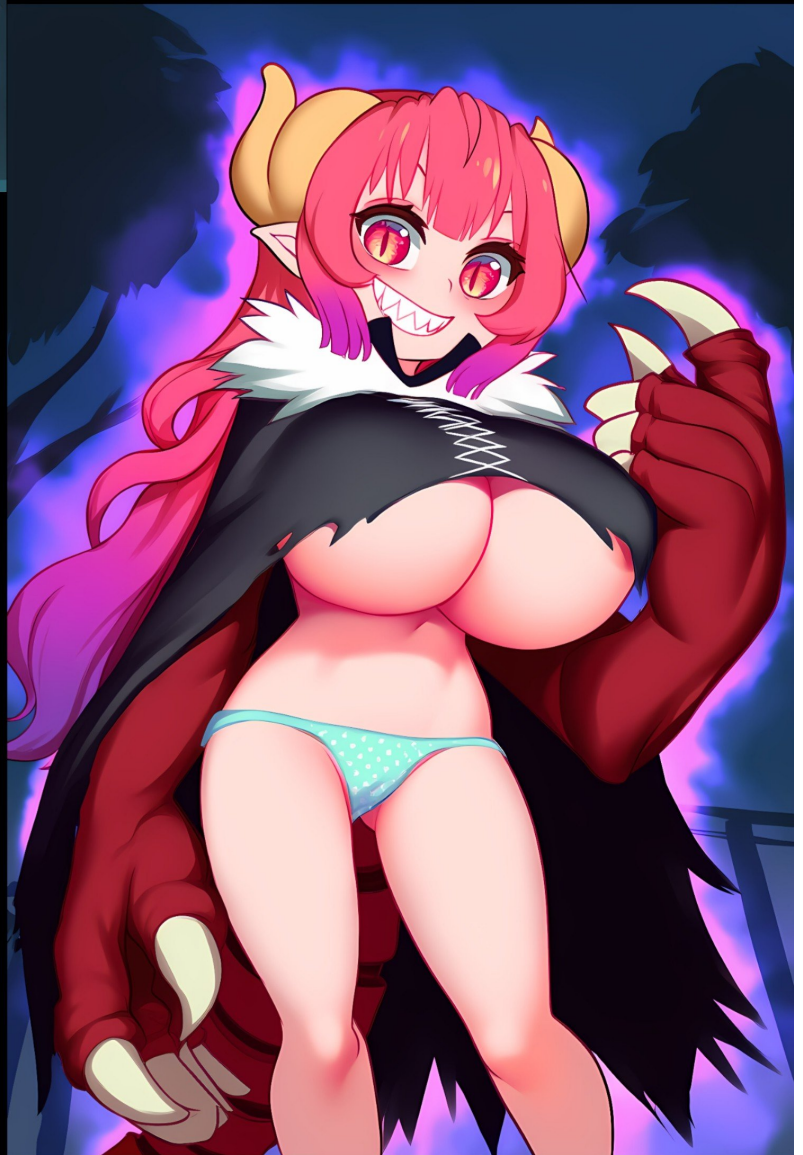

Plus, I think I have gotten stronger and bigger than before!

I'm not looking too bad with this new body! Let's try a clothing spell.

Not bad at all! This human did have a cute outfit, and her underwear looks really nice on me. Making me...

... feel rather odd?
What is this? A
human emotion? And
what is this desire to
rub myself?

This is amazing,
and I'm feeling
really hot like my
flames are
consuming me!

AH! AH!
Stupid human
underwear is in
the way!

AAH!
Much better! Now
I can continue and
I feel
something...

FLOSH

COMING!!

FLOSH!

EVEN THOUGH ILULU SUCCESSFULLY BYPASSED TOHRU'S BARRIER AND ATTAIN A VESSEL THANKS TO A PARTICULAR SPELL. HOWEVER, ILULU IS UNAWARE OF THE SPELL'S SIDE EFFECTS AND IT'S EFFECTS ON FEMALE DRAGONS.

"HEAVY BREATHING"
That felt amazing!
I've never felt anything like it...
but I want more.

A female urge...
the urge to mate...
the urge to find a human male.

MEANWHILE,
FURTHER INTO THE
CITY PARK, THERE
WAS A YOUNG MAN
JOGGING ALONG
THE PARK PATH BUT
HE WAS UNAWARE
THAT HE WAS BEING
STALKED BY THE
NOW NYMPHOMANIA
ILULU.

Ooooh...
A human male! I
finally found one!
So delicious!

Oh, hello there,
little one!

Huh?

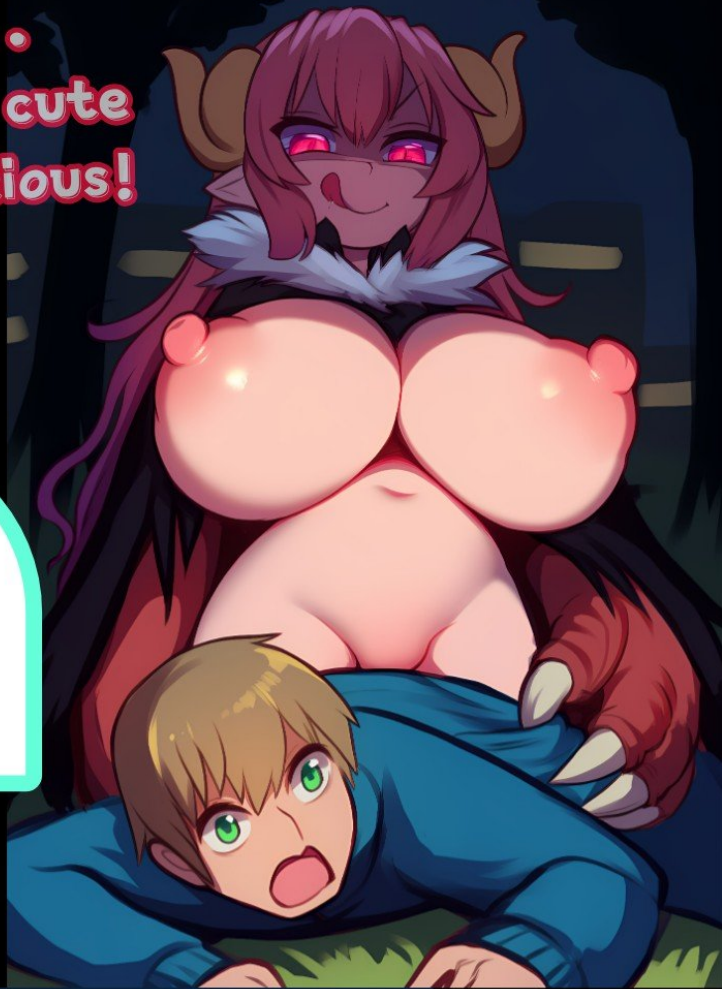

Mmmmm

Hello miss...
What the
fuck!

Awww...
He looks so cute
and so delicious!

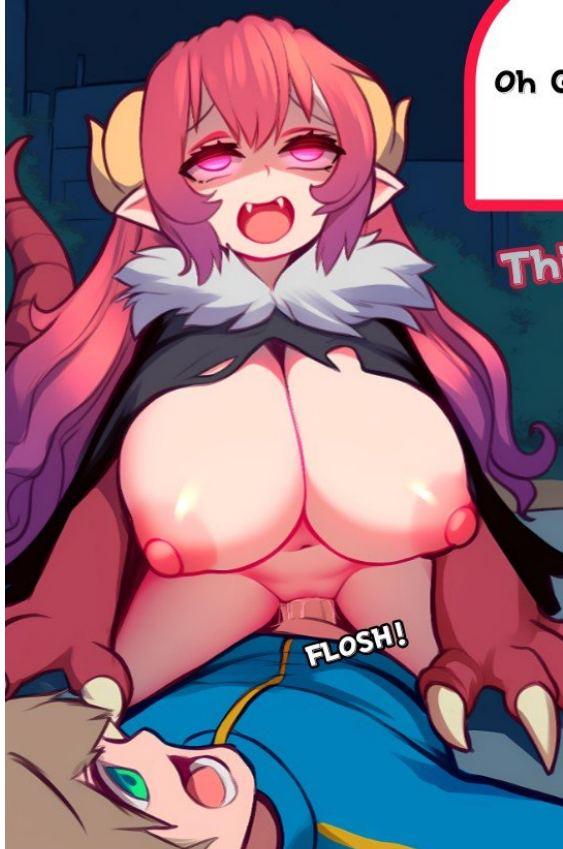

Get off me!
Who and what
the hell are
you!

I'm Ilulu, a dragon
and be honored
human that I am
about to mate
with you!

Oh God!
Somebody help
me!

Oh God ♥!

This is so much better than before!

FLOSH!

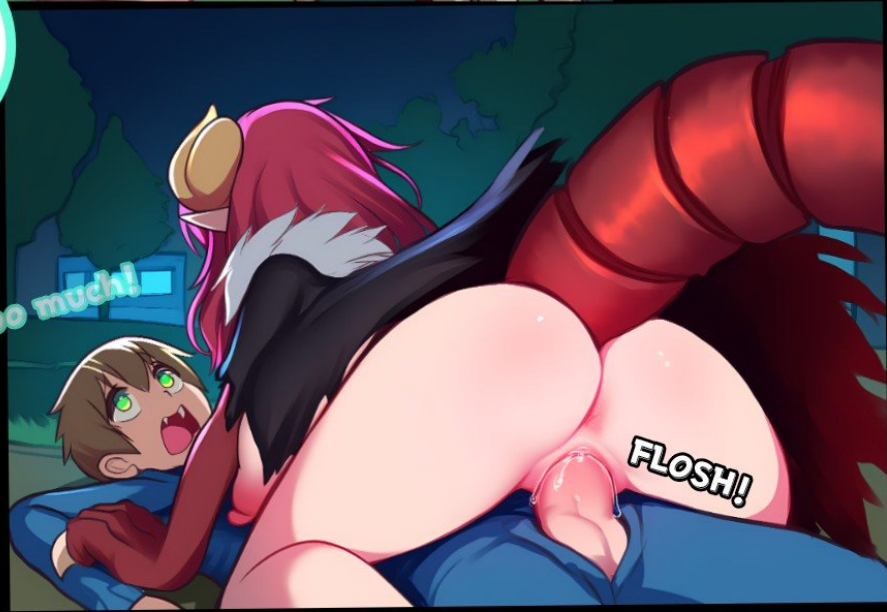

FLOSH

AAH!!

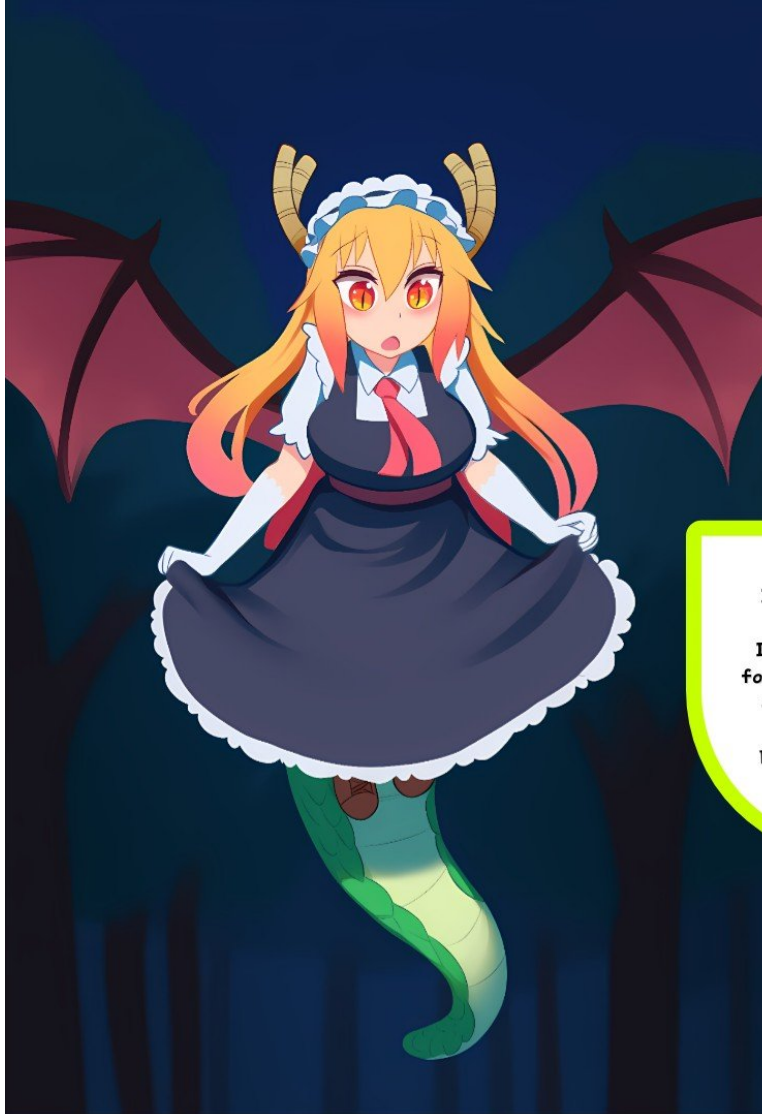

Ooooooh...

Please stop!
You're hurting
me!

FLOSH!

She's too much!

**DURING ILULU'S
ONSLAUGHT,
TOHRU WAS
INVESTIGATING
THE DISTURBANCE
IN HER BARRIER
AND TRACED IT TO
THE CITY PARK.**

I know I sensed it
around here...
I hope Ilulu hasn't
found a way into the
city knowing her.
Just wait, Miss
Kobayashi-san, I
will...

**WHAT THE
HELL!!**

TO BE CONTINUED...
