

Dress Code Arrogance

Story by Cassierosewatson, Commissioned by Nicegent42

MONDAY MARCH 21ST 2022

In an office building in downtown Boston, the secretaries have just received a new dress code

Dear Staff,

Upper management has noticed a distinct lack of effort within the secretarial pool to adhere to the current dress code. As a result, upper management has approved a new dress code that all secretaries **must** abide by.

New Secretarial Dress Code

1. All skirts must be at least 6 inches above the knee
2. Dresses and blouses must show cleavage
3. Shoes must be high heels with at least 4-inch heels
4. Stockings must be worn at all times, pantyhose are not allowed
5. Attractive lingerie must be worn at all times in the office
6. Makeup must be flawless and unblemished at all times
7. Hair must be kept at least shoulder length and femininely styled

Regards,

Luke Robinson
Luke Robinson
Middle Management

Can you believe the executives around here actually passed this dress code? I mean it's 2022 for crying out loud! Just look at this.

chuckle

You girls complain too much.
There's nothing wrong with the new dress code.
In fact, it will probably improve the
atmosphere around here.

I think we all know that
the secretarial team have let their dress
standards slip over the last few years. This
simply elevates those standards back
to where they should be.

Really Luke? We all
know you had a hand in designing
this dress code.

What a pig.

*He needs to be pulled
down a peg or two.*

*Man I hate him.
He's so misogynistic.*

What is that supposed to mean?

You can't be serious? I can't do that!

You know what. You're on.

If you think it is so easy Luke, then why don't you put your money where your mouth is.

We all know the upper management are going on a retreat in a few weeks. I challenge you to adhere to the dress code for the entire week they are gone.

Why not? If it's so easy, a man like you should be able to breeze through the week.

WWHHHHOOOOOOOAAA!

No, no, no. Shorter steps, walk heel to toe and stop rushing. You're still trying to walk like a man.

No Luke, what is ridiculous is you making this bet in the first place. Now, we can't keep calling you 'Luke' whilst you're dressed as a woman.

But I am a man.
This is ridiculous.

Why not? It's not like I'm actually going to be a woman.

For all intents and purposes you are a woman for the next week, so you need a female name. Your mothers maiden name is Peterson right? So how about Lucy Peterson?

MONDAY APRIL 4TH 2022

2 weeks later, Luke begins his challenge to follow the secretarial dress code for a week.

I can't believe I'm doing this. But if this is what it takes to get those dumb secretaries to accept the dress code, then I guess it's a price I'm willing to pay.

Don't remind me. She went overboard on this. I mean look at this breast plate! It belongs on a playboy model, not a guy.

Urgh fine. Is this better? Lauren drilled it into me all weekend. Something about 'if you want to do something, do it right'.

Good morning Luke.. oh I'm sorry, *Lucy Peterson*. You look amazing by the way. Your ex certainly did a number on you.

I disagree, I think it looks great on you. However, your voice is not really the voice of a secretary.

LATER THAT DAY

Luke is forced to undertake 'menial' secretarial work, much to the delight of his male co-workers

Wow, get a load of the new girl.

Brad you dirty dawg. Always checkin' out the office hotties.

You know me, I can't turn down a fine piece of ass.

Ooohhh yeah. Just imagine that tight ass grinding on your cock. You know she knows how to work it.

This is bullshit. Why do I have to do the filing?! I'm their manager for Christ sake. I don't care if I am 'dressed the part', I'm no lowly secretary.

Stupid Cindy. Thinks that she can run the place whilst I'm doing menial secretarial work.

And the gall of that woman to take over my office. 'Lucy, we can't risk a client seeing someone dressed as a secretary in the manager's office.'

Just wait. Once this week is over she'll be working overtime every night for a year.

FRIDAY APRIL 8TH 2022

Luke enters his final day as 'Lucy' and Cindy congratulates him on making it through the week.

Ha! Thanks Cindy. Final day of the week and that means the final day of the challenge. Looks like you'll be wearing something like this on Monday.

Good morning everyone. How are my favourite office girls doing?

Good morning Lucy. I must say, you have taken this challenge seriously. You look like every man's dream secretary.

Damn, it looks like Luke really hasn't learnt anything from this week. If only-

Mr. Johnson!
What are you doing here?

Well there is some urgent business to attend to, so I had to leave the retreat a little earlier than expected.

Thank you Cindy. And who pray-tell is this office beauty?

Pleasure to meet you Lulu.

I must say that I'm glad someone around here has taken Mr Robinson's dress code to heart. Speaking of, where is Luke?

Lu-Lu Lucy, sir. Lucy Peterson.

Nice to m-meet you t-to, sir.

Well in that case, it's good to have you back sir.

Lulu is a new hire who just started this week.

Weeks? What the hell Cindy?!

Luke? He's ummm.
He's away. Yes, he had a family emergency.
He had to go back home. Said he'd be away
for a couple of weeks.

God dammit.
I need his assistance on
the Nicholson file.

Right, I'm going to need
someone to stay back. You. Lulu was it?
I need you to stay late tonight to help me
with this urgent business.

Y-yes sir. O-of course.

FRIDAY APRIL 8TH 2022

Mr Johnson is furious his retreat has been cut short, whilst 'Lulu' gets some terrible news.

Y-yes sir?

Y-you're firing me. I-I mean you're f-firing Luke?

What the f*ck?! What am I going to do now? I've relied on this job for so long, and now he's going to blackball me!

Son of a-! Lulu, get in here.

I need you to draft a termination letter. Robinson's work on this Nicholson file is atrocious. It seems he spent more time on the dress code than he did on his actual work.

Yes. That good for nothing lay-about only got a job because his family used to own the business. He's been mooching off this company for years now and he won't work in this town again if I have anything to do with it.

Thank you Lulu. Now that that's out of the way I think we need to get properly acquainted, don't you?

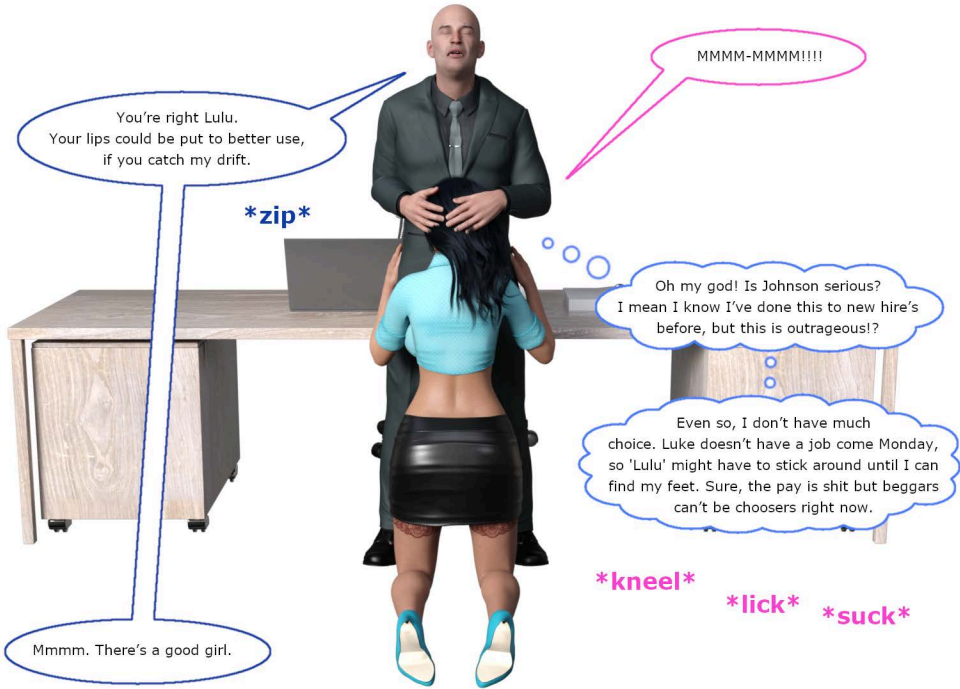

You are very pretty Lulu. A pretty girl like you will go far in this business, if she has the right attitude.

H-heres the l-letter, sir.

S-sir?

grab

kiss

You're right Lulu.
Your lips could be put to better use,
if you catch my drift.

zip

MMMM-MMMM!!!!

Oh my god! Is Johnson serious?
I mean I know I've done this to new hire's
before, but this is outrageous!?

Even so, I don't have much
choice. Luke doesn't have a job come Monday,
so 'Lulu' might have to stick around until I can
find my feet. Sure, the pay is shit but beggars
can't be choosers right now.

kneel

lick

suck

Mmmm. There's a good girl.

FRIDAY NIGHT - 11PM

A traumatised Luke relays the events of the evening to his ex, Lauren.

Are you serious?! The macho Luke Robinson gave his boss a blowjob after getting fired and blacklisted? Wow, what a week you've had!

You could always share here with me. I could use a housemate, however it would be strictly on my terms. Plus, I'd be able to help you with your disguise so you're less likely to be found out.

Don't joke, Laura. I don't know what I'm going to do. I won't be able to get another job and I certainly won't be able to afford my apartment with a secretary's salary.

I-I guess. I don't have any other options. Thank you Lauren, you're a life saver.

FRIDAY APRIL 22ND 2022

Luke is trying to continue working on his clients, the newly promoted Cindy has other ideas.

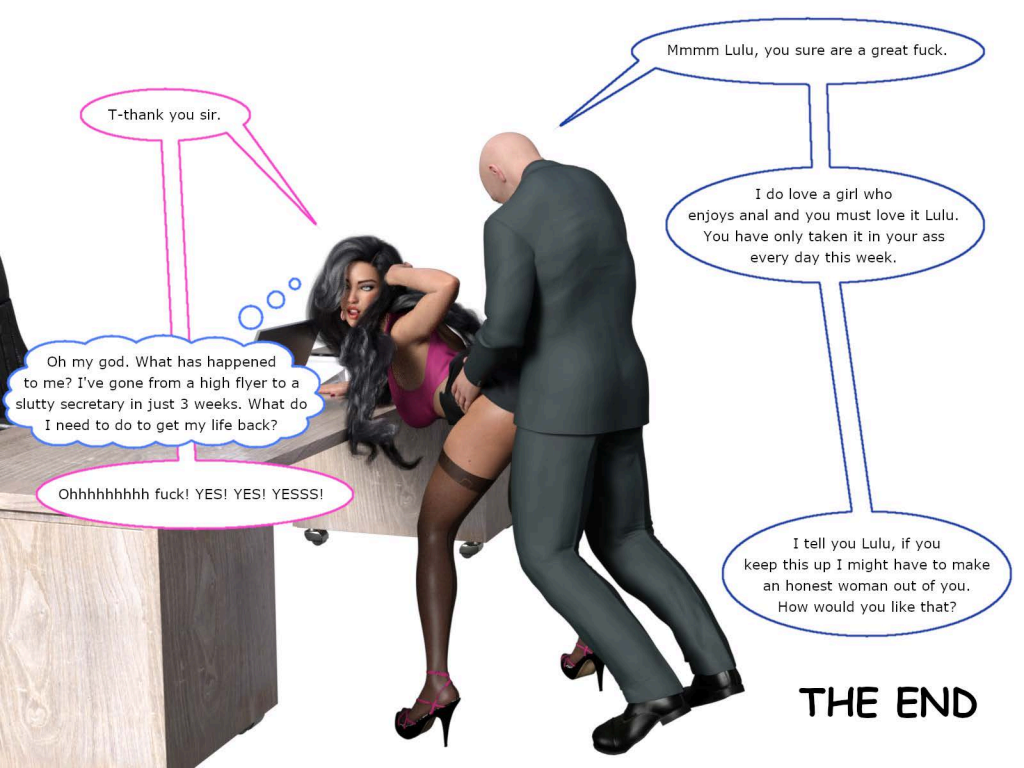

Lucy, do I need to remind you that it is not your job to work on client reports? This is my job now that Luke has left the company. Your job is to fetch the coffees, answer phone calls, and file paperwork.

Sorry, I can't let a lowly secretary work on a client file. It's not your job. Your job is to do what you're told.

Lulu, my office, now.

Come on, please Cindy. Just let me work on something, I beg you.

Oh no. Not again.

T-thank you sir.

Oh my god. What has happened to me? I've gone from a high flyer to a slutty secretary in just 3 weeks. What do I need to do to get my life back?

Ohhhhhhhhh fuck! YES! YES! YESS!

Mmmm Lulu, you sure are a great fuck.

I do love a girl who enjoys anal and you must love it Lulu. You have only taken it in your ass every day this week.

I tell you Lulu, if you keep this up I might have to make an honest woman out of you. How would you like that?

A FEW MONTHS LATER

Luke is still stuck as a 'Lulu' the secretary at his old office, although there have been a few 'improvements'.

Lulu. In my office now.

Oh gosh, what now? It's been 3 months since I started here as Lulu full time. How much more can I be expected to take?

I mean I now have real, perky D-cup tits. Lauren somehow convinced me that Mr. Johnson would get suspicious if I didn't respond when he was touching my breast forms.

Then she paid off the doctors to give me liposuction and add the fat to my ass and hips. So now I'm the stereotypical bimbo secretary with huge tits and a fuckable ass.

Between Lauren at home and Mr. Johnson here at work, I can't seem to regain control of any aspects of my life.

Y-yes sir.

Ahh Lulu, there is someone I want you to meet. He's a dear friend of mine, we go back many years now. Back to when this company first began.office now.

I've been telling him all about you and your skills Lulu. He's been very impressed with what I've told him about your dedication and willingness to try new things.

Lulu Peterson, meet the former owner of this great company, Edward Robinson.

Wait, is that who I think it is? Oh no, it can't be-

DAD! What the hell is he doing here?

Lovely to meet you Lulu. Johnson here has told me a lot about you.

Lulu, Mr. Robinson here has important business to attend to for this company so I want you to accompany him back to his place this evening and be on hand to fulfil his every wish.

T-thank y-you, sir.

Oh shit, has Mr. Johnson told my father about what he does to me every day? I'll die if he ever finds out that the girl Mr. Johnson fucks on a daily basis is really his son.

Y-Yes, sir. O-o-of course.

I can't let him find out it's me. What would he think of his son if he knew that he had been forced to disguise himself as a woman.

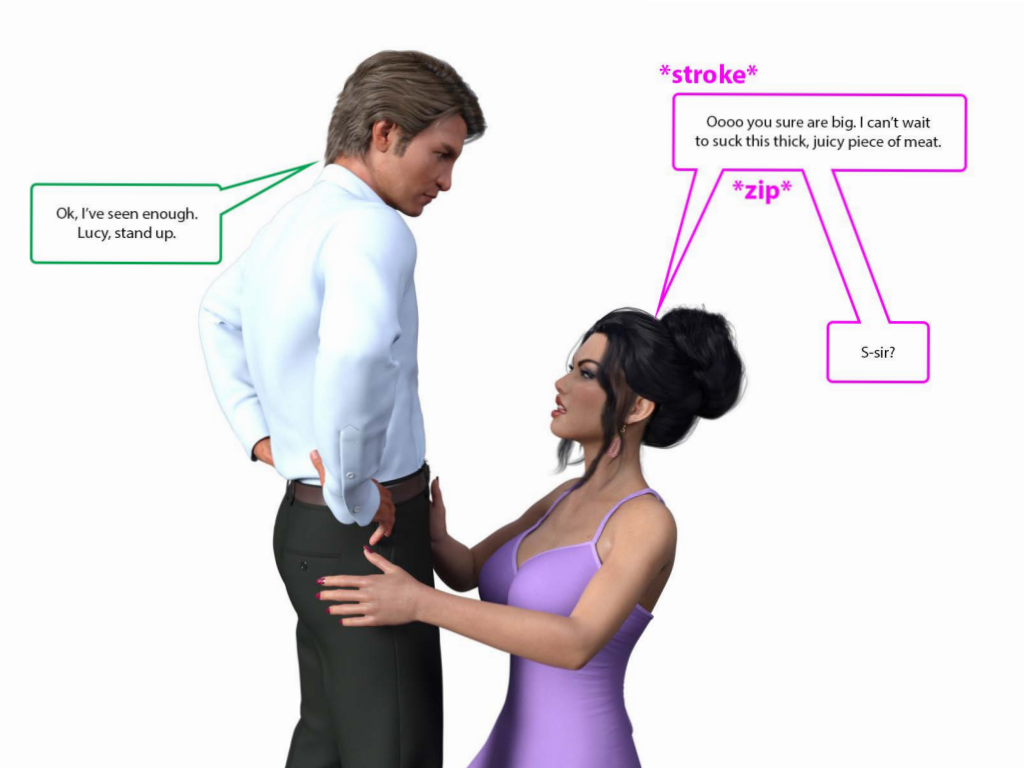

I must say Lulu, you are the most strikingly beautiful woman I have seen in a long time.

Are you nervous? I hear that you give the best head, maybe that will calm your nerves.

T-thank you, sir. You're t-too kind.

No, no, no, no, no.
This can't be happening. Can I really blow my own father just to keep my disguise? I don't have a choice.

Mmmm, that sounds amazing, big boy.

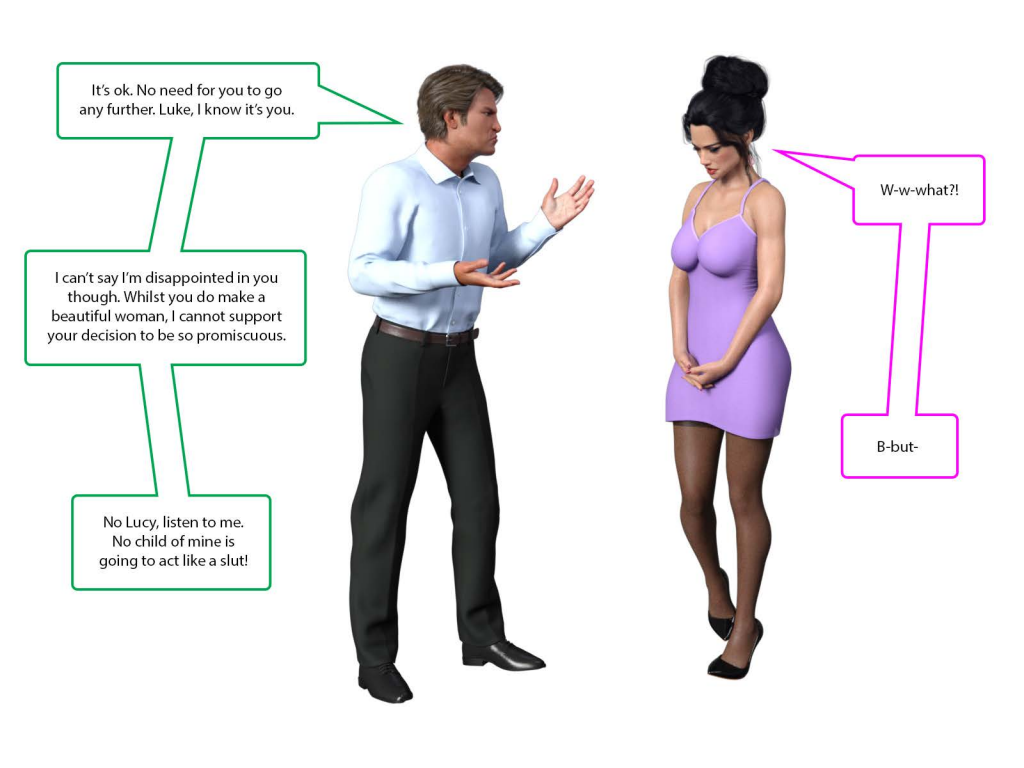

Ok, I've seen enough.
Lucy, stand up.

stroke

Oooo you sure are big. I can't wait
to suck this thick, juicy piece of meat.

zip

S-sir?

A man with short brown hair, wearing a light blue button-down shirt and black trousers, stands on the left. He is gesturing with his hands as if speaking. On the right, a woman with dark hair in a bun, wearing a purple spaghetti-strap dress and black heels, looks down with a sad expression. The background is plain white.

It's ok. No need for you to go any further. Luke, I know it's you.

I can't say I'm disappointed in you though. Whilst you do make a beautiful woman, I cannot support your decision to be so promiscuous.

No Lucy, listen to me.
No child of mine is going to act like a slut!

W-w-what?!

B-but-

You've been forced? How exactly have you been forced?

No, father, you have it all wrong. I don't want any of it. I've been forced into this.

Well it started with a bet and then Mr Johnson came back early from the executive vacation...

A FEW MOMENTS LATER

After a lengthy explanation, Edward shuts down Luke complaints

You expect me to believe all of that? Lucy, if you want to be a woman, that's ok. I'll fully support you in your pursuit to become who you want to be.

What I won't support is for you to become the office tramp. It will drive a wedge through our family and cause irreparable damage. I won't have that.

THE NEXT MORNING

Edward visits Lauren with a plan to get Lucy back in the family.

Hello Lauren. I must say you are looking lovely. It's too bad that Luke couldn't keep a lovely lady like yourself. But then again, I guess we know why now.

It seems that our Lulu has made an error in judgement when she set up her documentation. She made a completely new identity for herself, with absolutely no connection to Luke Robinson thereby removing herself from the family.

Good morning, Mr Robinson. So nice of you to drop by.

It is. Now, we need to come up with a plan to get Lucy back in the family and I think I have the way to do it, but it requires your skills.

Since Luke and Lucy are now technically different people. The only way to get Lucy back in the family would be if she 'married' Luke.

How terrible.

Oh? Do tell.

A man with dark hair, wearing a light blue button-down shirt and black trousers, stands on the left. He has his arms crossed and is gesturing with his right hand towards a woman on the right. The woman has blonde hair in a ponytail, wearing a green sleeveless top, a black leather skirt, and green sandals. She has her hands clasped in front of her. The background is plain white.

I need you to make it look like Luke & Lucy are married. So wedding photos, forged marriage certificates. The works. We need everyone to believe that Luke & Lucy are married. I know how talented you are with your artsy work, so I'd like for you to be able to do this, if you can.

Please Lauren, call me Edward.

Ok. So what do you need from me?

T-thank you, sir. That's very kind of you. Of course, I'd be happy to help.

A FEW MONTHS LATER

Lauren gets her ex-boyfriend, Lulu, ready for her wedding day.

What do you mean? Of course it's real. I'm marrying Luke, the love of my life.

Ahhh my darling Lulu. How wonderful it is to see my daughter finally making an honest woman of herself.

chuckle

Lulu, you make such a beautiful bride. It's a pity this isn't the real thing.

laugh

Ohhh Lulu, ever the sarcastic one. Although it does make sense. Luke loved nothing more than himself, so it's kind of fitting that he's getting married to himself!

Dad, is this really necessary?

But, all these people?
Who are they?

Of course. For you to be back in the family,
you have to marry back in. Your silly mistake
with your documentation saw to that.

They're paid actors. As is your
future husband up ahead. Don't
worry, we'll Photoshop Luke's face
on when we print the photos.

Well done, Lauren. Your Photoshop skills are quite something. These photos turned out quite magnificently. It's official. Luke & Lucy are now happily married.

Oh my goodness. What a day.
I've never been so exhausted
in my life. Thankfully the day
is over and I can finally relax.

What? Why?

Uh-uh. Get up missy.
We're not done yet. We still
have to get a couple of shots
of you in your lingerie.

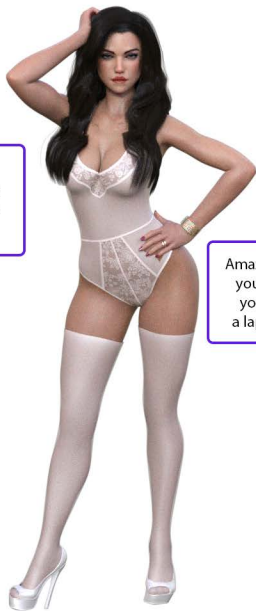

For your loving husband on your
wedding night. Obviously he wanted
to capture the moment just before you
consummated the marriage. Typical Luke.

sigh

giggle

Perfect honey,
you look so sexy.
Luke would love
these photos

Amazing. Now imagine
you're about to give
your new husband
a lap dance? That's it!

A MONTH LATER

The Robinsons are in mourning following the 'death' of Luke.

How has my life come to this? Here I am waiting for my own funeral as the grieving widow.

The photos that Lauren created from my 'wedding' were so realistic, even I was starting to think that I really was married to Luke.

I'm not sure how they pulled all this off, but my father and Lauren have somehow made my life as Lucy permanent. There is no way for me to return to being Luke Robinson now.

I'm sorry for your loss.

I'm so sorry to hear about Luke.

I'm so sorry, he was so young.

Not only do I have to say goodbye to my life as Luke, I have to put up with all of these people I don't even know sending their condolences.

I mean, where are all the people I know? My co-workers, my classmates, people I used to hang out with. None of them seemed to have turned up, except for the entire secretary pool, and they know who I really am.

A SHORT TIME LATER

Lauren gives Lulu some home truths about her past behaviour.

I just don't get it, Lauren. Why didn't anyone I know show up?

Get what? What is there to get?

You really don't get it, do you?

Not many people liked Luke. You were an insolent shit of a kid, a truly terrible friend and one of the worst bosses someone could work for. Luke, the reason people hung around with you for so long was because you had money. Well, your family has money.

No one really liked hanging out with you. It took me way too long to realise all of this before I finally broke things off with you. You were a terrible boyfriend, but luckily I have a new man who treats me like a queen.

You do? Who?

You're what?!

M-Maid of honour?

Hello Lucy. We have some news we'd like to share. We didn't want today to be too miserable, so we have some good news. Lauren and I are getting married.

We're getting married! And Lulu, I would obviously want you to be my maid of honour.

A FEW MONTHS LATER

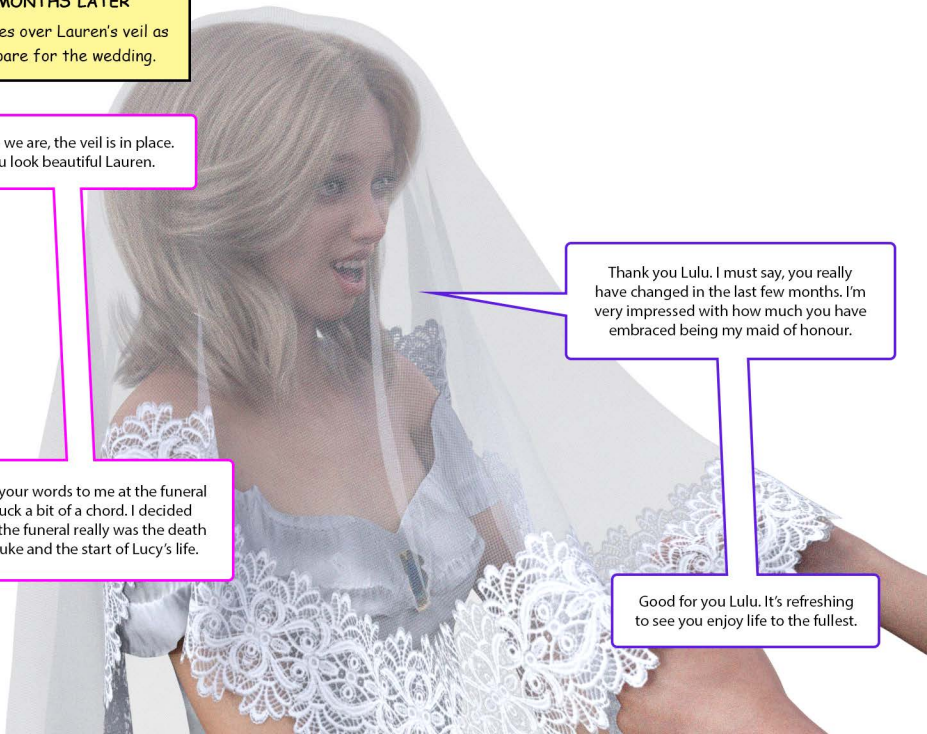

Lulu fusses over Lauren's veil as they prepare for the wedding.

There we are, the veil is in place. You look beautiful Lauren.

Well your words to me at the funeral struck a bit of a chord. I decided that the funeral really was the death of Luke and the start of Lucy's life.

Thank you Lulu. I must say, you really have changed in the last few months. I'm very impressed with how much you have embraced being my maid of honour.

Good for you Lulu. It's refreshing to see you enjoy life to the fullest.

That's very wise, and as your future step-mother I will happily help guide you through the next phase of your life.

Thanks Lauren. It's hard to know that I've let a lot of opportunities to be happy go already, I just want to make the most of the opportunities in front of me.

Thanks. It's going to take a bit to get used to calling you step-mum though.

giggle
giggle

A FEW HOURS LATER

Lulu is pondering her life when the next step falls in her lap.

I can't believe this is truly happening. My ex-girlfriend married my dad. On the one hand, I'm happy for my dad, he seems truly happy, but on the other hand I can't help but feel jealous that this should have been my life.

I should be the one here getting married to Lauren. She was so caring towards me and I just threw that back in her face, like I did to everyone who was somewhat nice to me.

Now I'm more likely to be a bride than a groom. I've already been a fake bride, am I going to be a real bride one day too?

Oh shit!

plop

THE END
