

Emma's Descent

A Tale of Corruption

Synopsis

Emma's Descent continues the provocative journey of Emma, after securing her biggest sale in *The Closing*. Now, after experiencing a short-lived elation from her recent success, Emma faces a new challenge—her boss, Jess, has taken a special interest in her.

As Emma rises in the real estate world, she is forced to confront the darker side of her ambition. Torn between personal fulfillment and professional dominance, Emma slowly descends into a world of control, lust, and submission.

With each step, Emma loses pieces of herself, her desires shifting from affection and connection to a ruthless pursuit of success, even at the cost of her freedom. Will Emma break free from this descent into the shadowy power dynamics of the real estate world, or will she surrender completely to the game?

How did I end up here...again?

Success doesn't feel as sweet when there's no one to share it with.

Sigh

He wasn't just another client... for the first time in ages, I actually felt something real.

With him, it wasn't just sex... it felt like a glimpse of something more, something I haven't had in years.

If I could just have that again... maybe there's still hope for me.

Will...

Mmmh
Oohh

That evening...

I'm not really sure why I came here, but... I just couldn't stop thinking about you.

Emma! What are you doing here?

That's one way to put it. But... that's not who I am, Will. I don't usually act like that. I was just... caught in the moment.

Yeah, I've been thinking about you too. Things got... intense, didn't they?

Neither do I. I don't know what came over me... but I'm not that rough with anyone else.

He thinks I'm ashamed of it.. but I'm not. That was the first time in so long I felt something real. I need him to know that.

You didn't hear me complaining, did you? I liked it... more than I expected.

I guess we both surprised each other. How about we sit down? I've got some wine here.

Well, we definitely skipped the small talk last time. So, what brought you into real estate?

I feel like we don't know much about each other, beyond... you know.
laughs softly

Yeah, I can see that in you. You're not someone who likes to sit still, are you?

It's complicated... but I guess I just wanted a challenge, something that would keep me on my toes.

After a while

That sounds nice. It's nice to relax after such a long day...

Well, how about we take a break from all the serious stuff and dance a little?

I haven't danced like this in forever.

You look like a natural.

This feels... easy. Like I'm actually enjoying myself for once..

Throb

Throb
Throb

Why does this feel so good? It's been so long since I felt this... alive.

Take me...
whispering

I need to have
you... right now.

Do you think this... is something we should keep going?

I don't know, Emma... it's intense between us, but... is that what you want?

It wasn't just the sex, Will. I felt... connected to you. That doesn't happen often for me.

So, what do we do now? Should we try this out for real?

I'm free tomorrow. How about dinner?

I think we owe it to ourselves to see where this goes... maybe over a real date this time?

Perfect

The next day

Emma, can I see you at my office?

Emma, you've done well. Selling that house proves you're ready for the big league now.

Thank you, Jess. I worked hard for that one.

And that's why I want to talk about your future. Let's have dinner and discuss how you can really move forward.

Today? I actually have plans... could we do it another time?

No, today's perfect. It's a great opportunity, Emma. You don't want to miss this.

Damn... I don't wanna postpone my first real date with Will... but can I really pass up a chance like this?

Alright then...

Hey, Will... I've got some bad news. My boss wants me over for a business dinner.

What?!

Really? Can't you reschedule?

I'm so sorry... can we push our date for another day? I promise I'll make it up to you.

Ok. Let's do it Friday.

What the hell, Jess? All this attention on Emma? What's so special about her?

You're stepping out of line, Karen. You don't get to question me.

She's giving Emma everything. What happened to me being her favorite?

I've been loyal to you. I deserve more than being pushed aside for her.

Loyalty? Get on your knees and prove it, Karen.

This isn't right... but I can't lose my place. I can't let Emma take this from me.

Good girl...

Later that day

I can't stop thinking about Will... about what we could have. It felt real, like I could actually have a chance at love again.

But Jess's offer... I've worked my ass off in this business for years. This could finally be my break..

This could change everything. But what if I ruin things with Will before they even start?

I hope I made the right choice... I gotta get ready.

That evening

Emma, you made it! Come on in, make yourself at home.

Thanks, Jess... I wasn't sure what to expect. I hope this is adequate.

Relax, it's just dinner. You've got nothing to worry about tonight.

Why do I still feel so out of place? I should be excited about this...

Please, let's seat and have a drink.

I prefer it like this, just the two of us.

Aren't more people coming?

You seem a little tense, Emma.
Relax, tonight's just about
unwinding. no pressure.

I guess I'm just not used to all
of this. you know, the attention,
the success.

You've earned it. You deserve
to enjoy yourself a bit. Trust
me, this is just the beginning.

Thanks Jess.

Let's eat.

I've been really impressed with your performance lately, Emma. I think it's time you stepped up into a more important role at the agency.

Really?

You've proven you can handle the big sales. As one of my protégés, you'll have access to the wealthiest clients we deal with.

That sounds... amazing. What do I have to do?

All I ask is that you trust me, Emma. Let me guide you, and be one of my girls. I'll take care of everything else.

Oh... I can do that.

One of her girls? What does she mean? But... this is my chance. I can't say no.

By the way, Emma, you're looking stunning tonight. I can see why our clients are so drawn to you.

Oh, thank you...

Let's open another bottle, shall we? We're celebrating your future, after all.

laughs

After a while

I think I've had too much wine...

So naive.

You're fine, sweetheart. Just lay down for a while, relax... the couch is right here.

It's been a long day, you deserve to rest a little.

I'm sorry Jess...

Just stay there as long as you want. I'll be right back.

It's already kickin' in.

Moments later

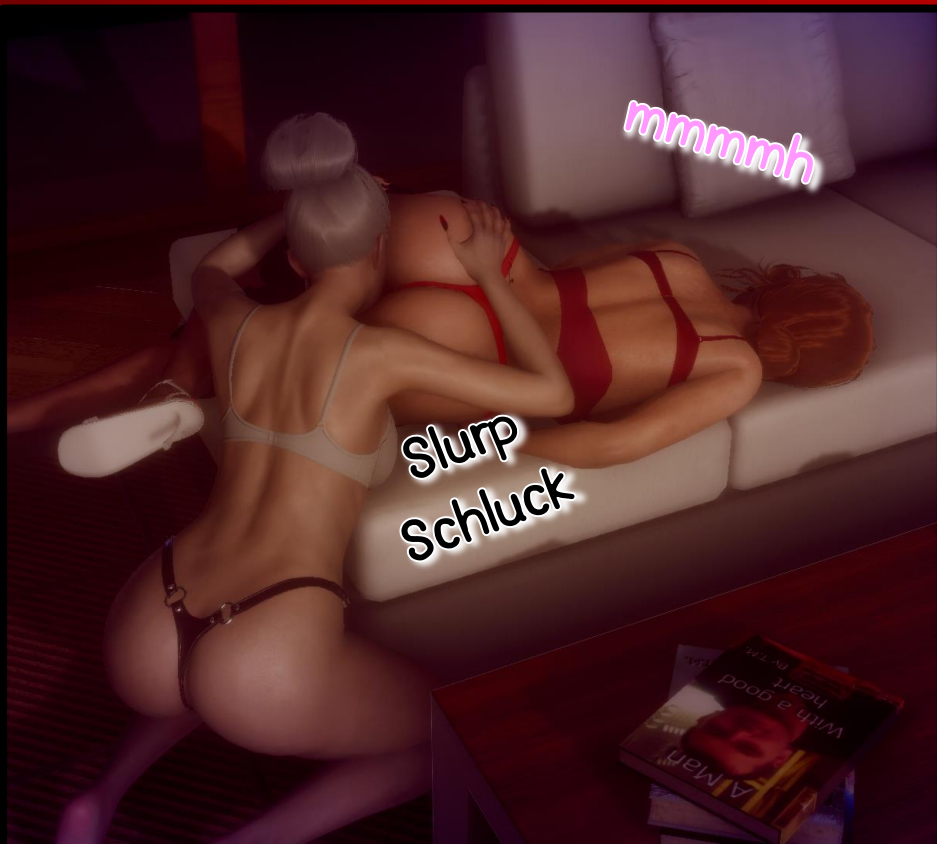

Jess... what... what are you doing?

Squelch

What has she done to me?

Well, that was quite a night, wasn't it? I hope you enjoyed your first taste of what it means to be one of my protégés.

Now, go home... take the rest of the week to think about everything and recover. If you're ready to fully embrace this, come back on Friday night for your initiation.

Trust me, sweetheart... it's going to be unforgettable.

Ok...

What... what just happened? I can't even think straight... Did I really let her do this to me?

While this was happening

Hi there... You must be Will. I work with Emma. Heard she stood you up, and that's no way to treat a handsome man like you. So, I was wondering if you'd like some company instead?

Uh... Emma's colleague? I... wasn't expecting anyone.

Why is she here? What's her deal?

Well... I was about to head to bed, but... sure, come on in. We could have a drink.

Bed, so early? The night is so young...

Thanks...

Here, make yourself comfortable. I'll grab a bottle of wine. Let me hang your coat.

What... what are you doing?

Shit... she's practically naked.

Relax. I'm here to give you a good time. Why don't you sit down?

Like what you see?

Throb
Throb

I really don't think we should... I mean... Emma...

She's so hot!

THROB

Oh, don't pretend you don't want this...

This is wrong.
I should stop
her.

STRETCH

Wait... please, stop...

Mmmh

Oh god,

Mmm, you're so big... no wonder
Emma's holding back.

Now I'll show him
what a real woman
can do.

What's wrong with me?

Will... I can't let this ruin things with him. But if I say no to Jess, will I lose everything I've worked for?

While at Stone's room...

Wanna do this again?

What? Now?

No silly! How about tonight? My place...

I'm not sure I can...

You won't regret it, I promise.

I can't say no, right? I'll be there.

That afternoon

I should message him... just to say hi, right?

But what if he thinks I'm too needy?

I can't believe I postponed our date... for Jess. What does that say about me?

I felt a connection with him, but what if he doesn't feel the same way?

I should wait. I don't want to come off as too eager.

In the evening

I was starting to wonder if you'd resist. Come on in... We've got things to take care of.

Uh... I wasn't sure if you were serious... You look... amazing.

Keep it cool Karen... He's already yours...

I know. Come, we've things to do...

What the hell am I doing? This is crazy... But I can't take my eyes off her...

I think I need some convincing today.

Huh?

Throb

Get down on your knees, baby. I'm not letting you inside until I'm convinced you deserve it.

Why is this turning me on so much?

Yeah, that's it...

Karen...

I've never felt like this before... I can't stop... I don't want to stop

I think I've found my perfect fuck toy. You'll be mine whenever I want, won't you?

You'll give me everything, won't you? Every. Last. Drop.

I'm yours...all yours...

We're gonna have so much fun baby.

Whatever she wants... I'll give it to her. I've never needed anyone like this.

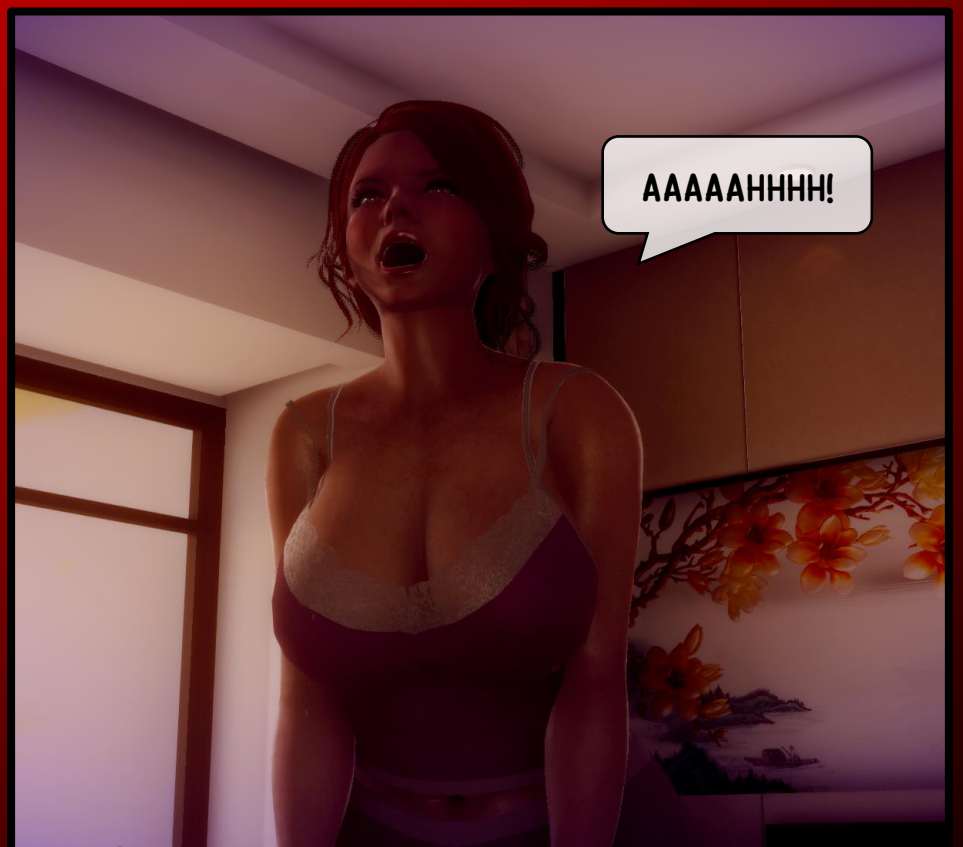

Later that morning

Maybe... maybe I can still make this work. Will and I... we had something real, didn't we?

I could just say no to Jess. Walk away from it all, start fresh with him.

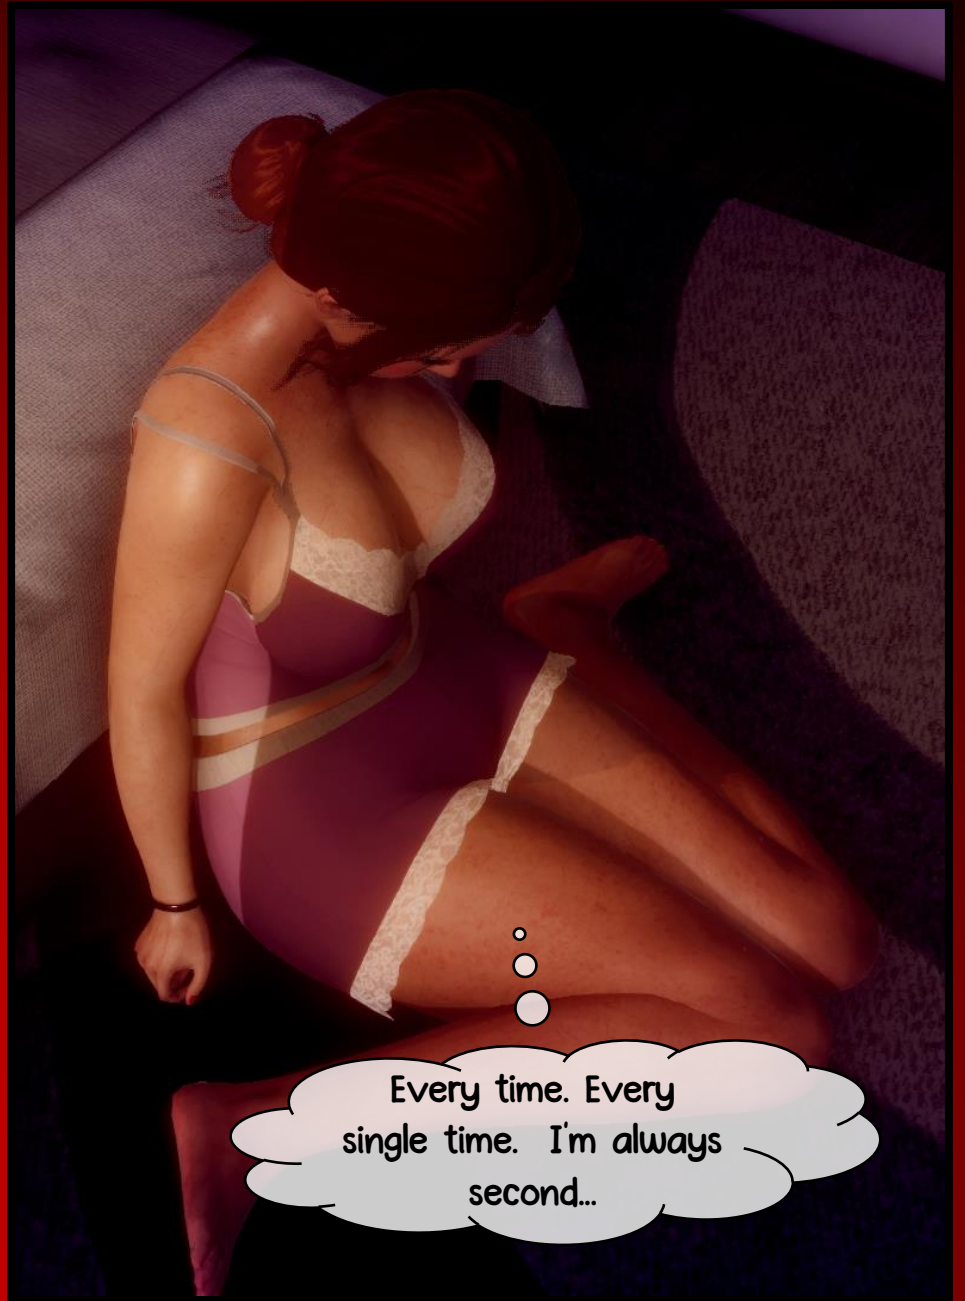

But Jess... What she's offering me... Can I really throw that away?

Fuuuck! What is the right thing to do?

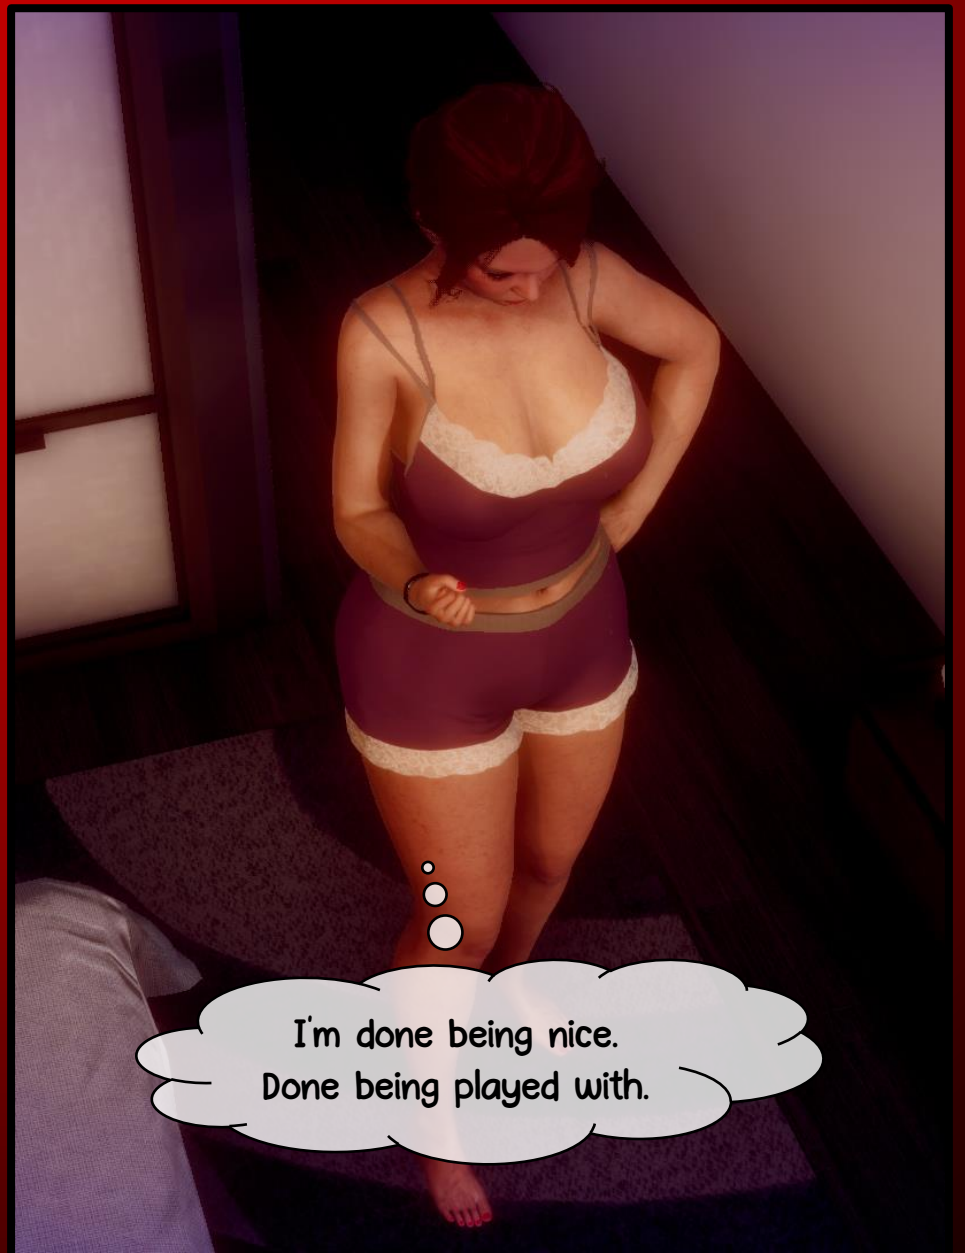

I should've known. I should've seen this coming. I'm such a fool.

Every time. Every single time. I'm always second...

She wants to humiliate me... rub it in my face? Fine. I'll show her. I'll take everything.

I'm done being nice. Done being played with.

If Will wants Karen, fine.
Let him have her. I'll be
the one on top.

Jess will see. I'll
become her favorite,
and I'll make Karen
regret ever crossing
me.

In the evening

You're early. But I guess that's a good sign. or maybe you're having second thoughts?

Second thoughts? I've had nothing but second thoughts since I agreed to this... But now there's no turning back now.

trembling
I'm ready.

You don't sound ready, Emma. This isn't a game. It's serious...

I told you. I'm ready.

If you want this, if you want to be in my world, you need to prove it.

This feels so...wrong...

mmmm
mmhh

Is that all?

No point in stopping now...

I can feel you fighting it... Just let go, Emma. Feel it... enjoy it. It's what you really want

You've got potential... but it's still just the beginning.

Did I really do this?

This is it, there's no going back now. But what am I even holding on to? Will? The woman I used to be? Maybe Jess is right... maybe this is who I need to become.

Now you'll go to bed, wear what I chose for you, and I'll show you what it means to truly be one of mine.

Moments later

You look lovely, Emma.
But you didn't put on
everything, did you?

Are those really
necessary Jess? I
told you I'm ready.

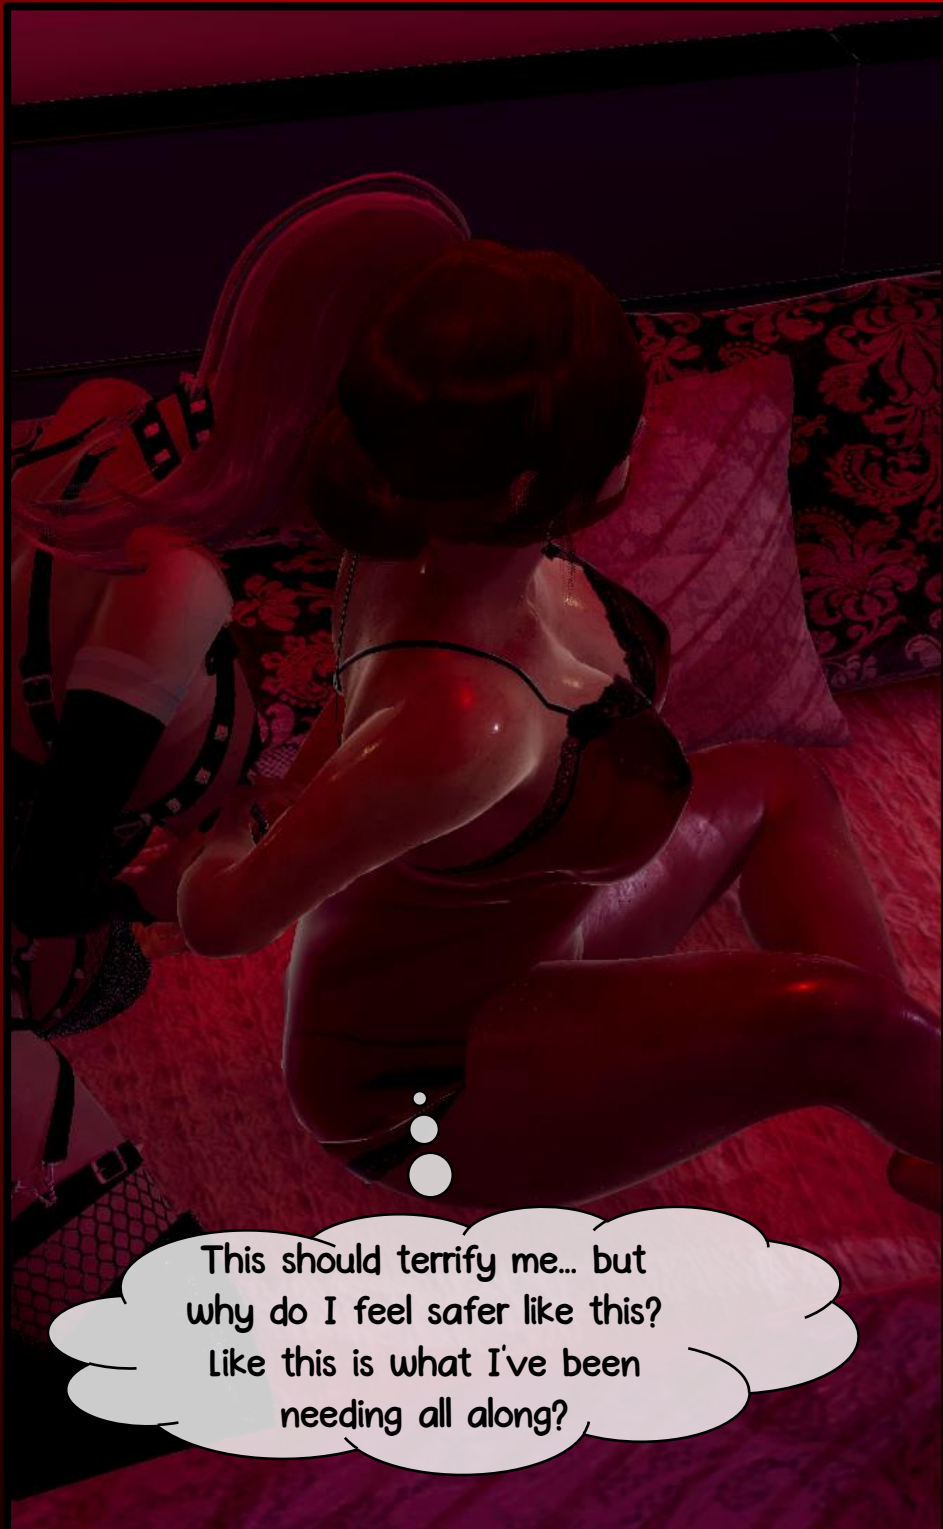

This isn't just about words. You have to surrender
completely, Emma. You need to give yourself to
me, every part of you. I don't take anything less.

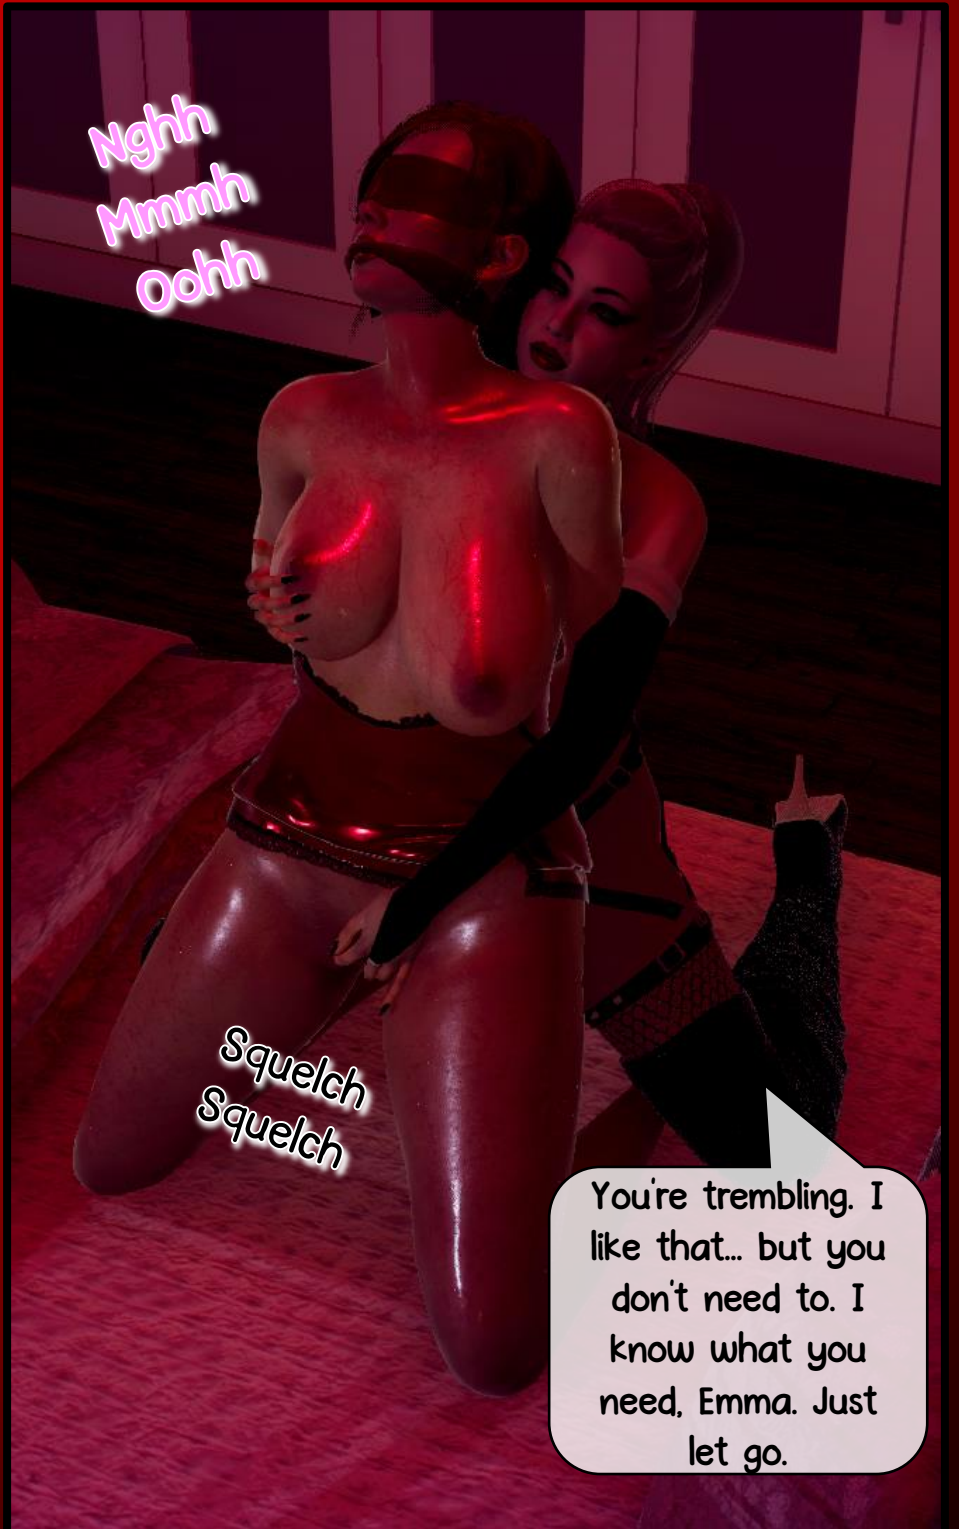

Shackles. A blindfold.
What am I doing?
Why does part of
me... want this? Why
am I trusting her?

You can't hold back.
If you're mine, you're
mine completely. Trust
me, Emma. I'll take
care of you. But you
have to give yourself
to me first

This should terrify me... but
why do I feel safer like this?
Like this is what I've been
needing all along?

Nghh
Mmmh
Oohh

Squelch
Squelch

You're trembling. I
like that... but you
don't need to. I

You're doing so well. I can feel how wet you are already. Your body's telling me everything I need to know, even if you're not.

Mmmph!
Nngh!

I can't... I can't think anymore. All I feel is her tongue... her hands... This is wrong, but I don't want it to stop. Please... don't stop.

You're almost there, aren't you? Come on, Emma... let go. Let me hear you. You've never had this much pleasure before, have you?

No... never. Why does it feel this good? She's right... I've never felt this much... pleasure before.

You taste even better when you cum. Look at you... you're shaking. Your body knows it belongs to me now.

Squelch

I... belong to her? Did I just let her...? I did... And it was good. So good.

Schlick

AAAAAAHHH!

Mmm, look at you... still shaking, still panting. You came so hard for me, Emma. I knew you'd enjoy yourself.

You did well. Better than I expected. But now, Emma... It's your turn.

Jess...

Show me you're really ready to be one of my girls.

I have to... No, I want to. I want to feel that power, to give her what she wants. I'm... ready.

Good girl...
that's it.
Just let
yourself...
go.

I can't believe
I'm doing this...
but... why does it
feel so right? It's
like I'm melting
into her... losing
myself...

Slurp
Schluck

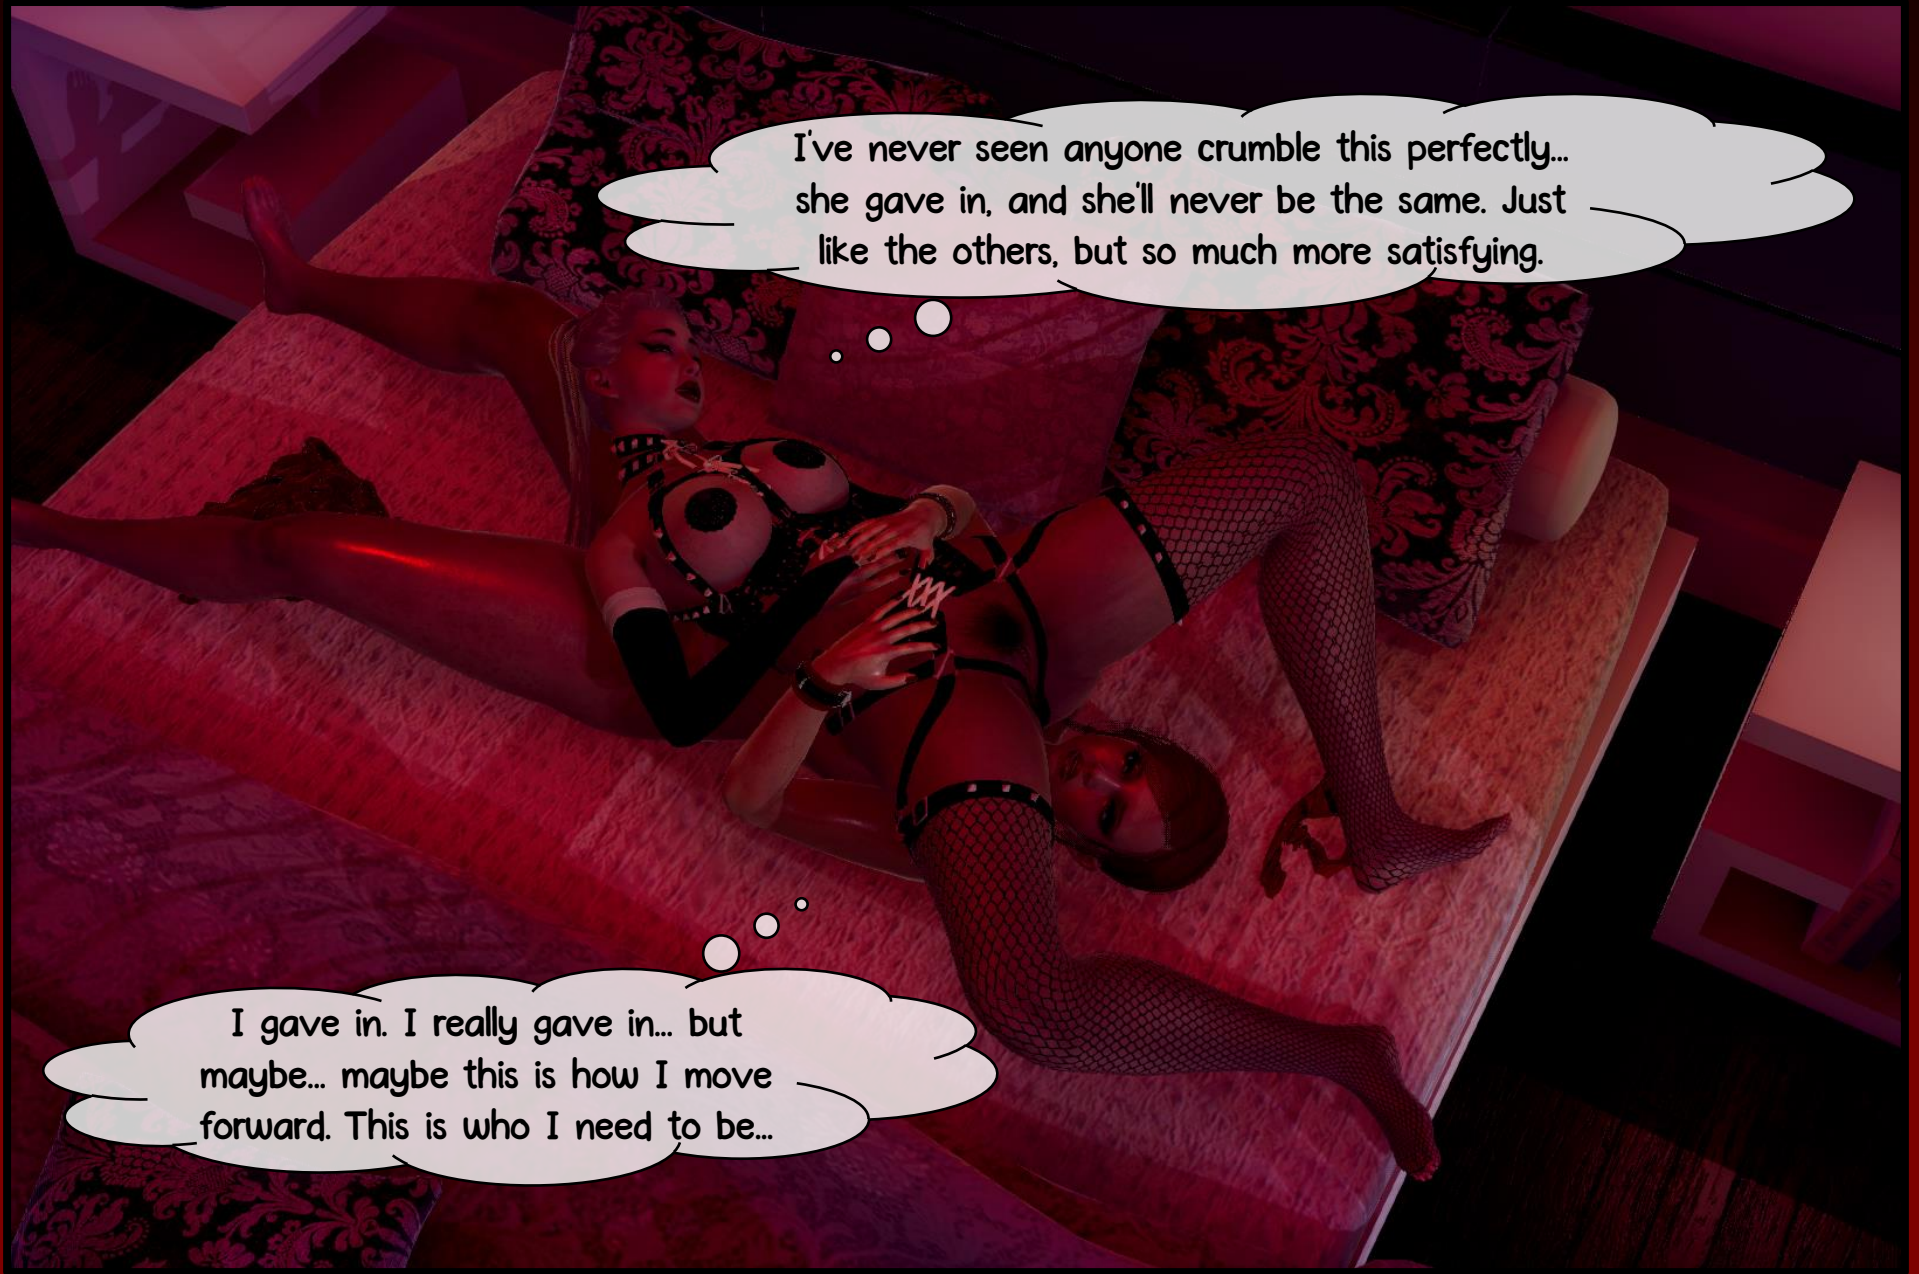

Squish

Ahh
AaaaaH

That's it Emma,
Don't stop!

Every taste, every sound she
makes... it's pulling me deeper...
I shouldn't want this, but I do...
God, I really do...

I've never seen anyone crumble this perfectly... she gave in, and she'll never be the same. Just like the others, but so much more satisfying.

I gave in. I really gave in... but maybe... maybe this is how I move forward. This is who I need to be...

Now that we're on the same page, Emma... it's time to take this a step further. Now you give yourself fully.

What... There's more...?

I ordered this toy just for you.

I see it all Emma. The fear, the desire, the need.

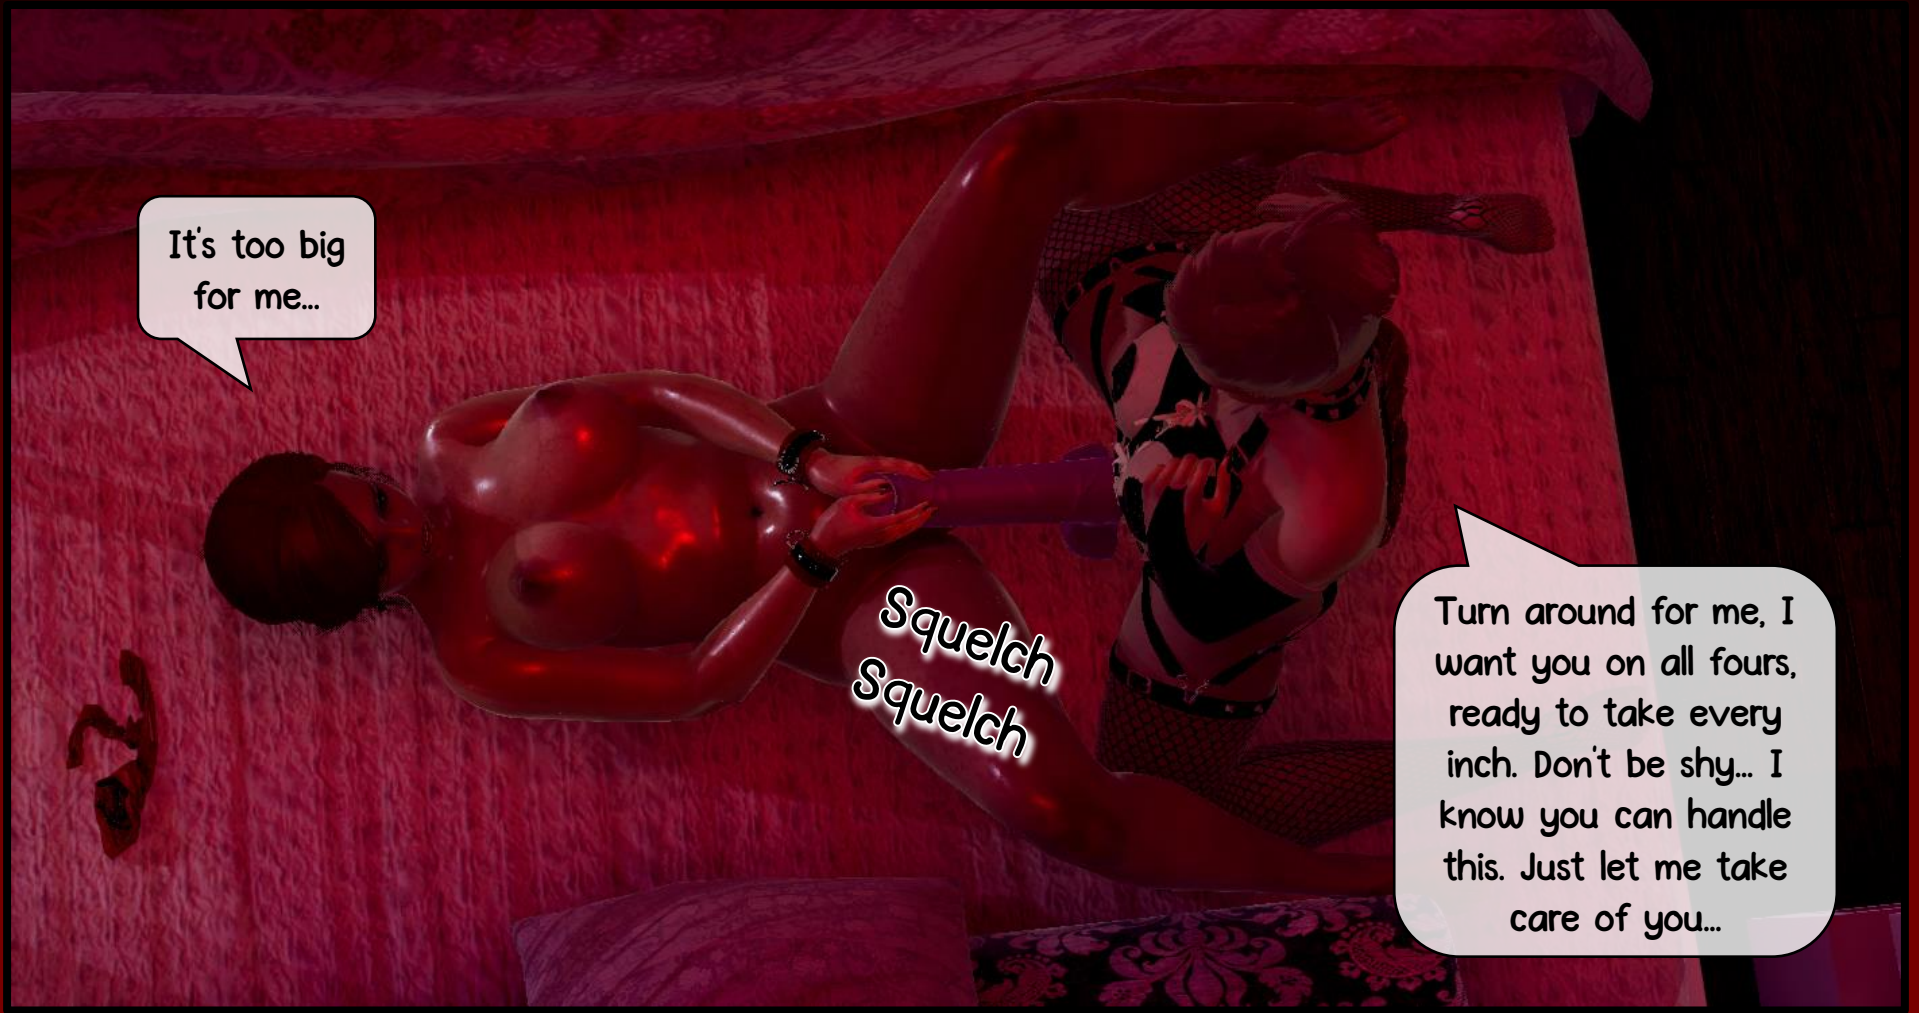

Oh God, it's massive... she can't be serious...

It's okay to want it. It's okay to let go... I'm going to give you everything you need.

She can see right through me... as if she knows what I need better than I do.

It's too big for me...

Turn around for me, I want you on all fours, ready to take every inch. Don't be shy... I know you can handle this. Just let me take care of you...

Squelch

You're going to love how this feels...

Oh, Emma, I have no intention of stopping. You're mine now, and I'm going to make sure you never forget it...

Aaahhh
Yesssss

Some time later

Have you had enough, Emma?
Or do you still need more?

... more... please...
need... more...

Good girl. Then I'll keep going until you can't
even beg anymore.

How many times has she
cummed tonight? Nine...
ten... I've lost count. She's
completely gone, just a
quivering mess... exactly
where I want her.

At dawn

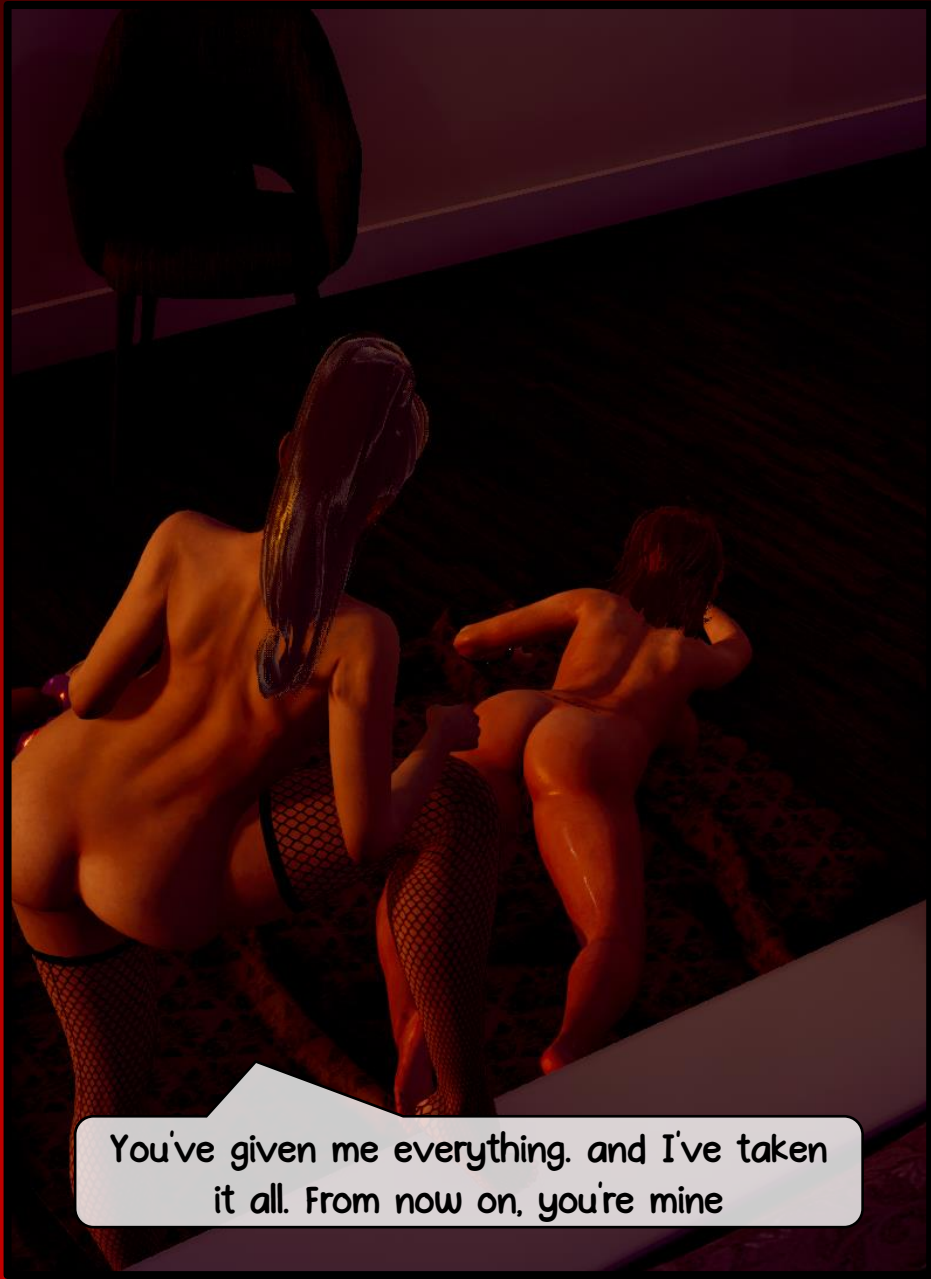

Look at her... limp,
barely able to make a
sound. She's completely
mine now. No
resistance, no
hesitation... just pure,
raw submission.

With her newly honed skills, Emma mastered the art of sealing every deal. Her charm, confidence, and relentless ambition made her unstoppable. No client could resist her persuasive tactics, and she quickly learned how to exploit their desires to her advantage.
