Lin Xue, are you sure
you want to do
this? Don't force yourself.

Of course, Xiao Lu. I am your
fiancée, after all. I was too
pushy before. Tonight, I'll
listen to you~

What did you all talk about that day? You seem to have changed so much...

They said some profound things that made me reflect for a long time. I feel I need to make up for the mistakes I made before.

It's fine. I also did things wrong. You don't need to make up for anything.

So hurry up and get to it. Be careful, or I might change my mind and we'll sleep in separate beds~

•Breasts~

♥ Ah~

Xiao Xue~ Is it still comfortable?

Mhm~ It feels really good~ Today's a safe day~ It's fine to cum inside~

Nn~ Mmph~

Ah~ Keep going~ Just
like that~ I want more~

I'm... I'm gonna cum~

♥Ah~

♥Ah~

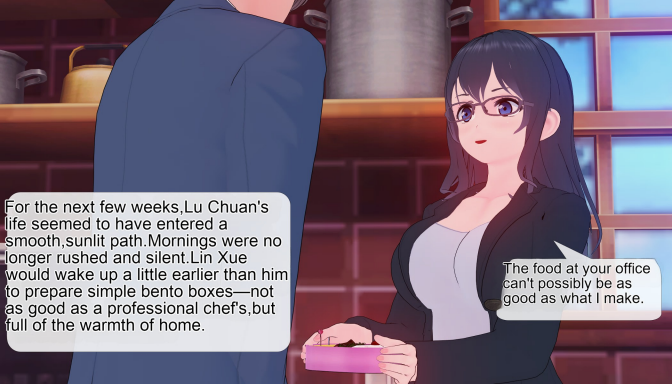

Oh~ So much~,It feels~ so
good,Ah~ I'm~ cumming

A person is lying in bed, partially visible in the top left corner. The bed has a light blue blanket. A speech bubble points to the person. The background is a dark purple wall and a dark purple floor.

Haah—So, shall
we continue?

I told you~, tonight
I'm all yours~

For the next few weeks, Lu Chuan's life seemed to have entered a smooth, sunlit path. Mornings were no longer rushed and silent. Lin Xue would wake up a little earlier than him to prepare simple bento boxes—not as good as a professional chef's, but full of the warmth of home.

The food at your office can't possibly be as good as what I make.

An anime-style illustration of a young man and woman in a romantic embrace. The man, with dark, spiky hair, is leaning towards the woman, who has long, dark hair. They are about to kiss. The woman's hand is resting on the man's shoulder. The background shows a window with a view of greenery outside. A text box is overlaid on the left side of the image.

Every time they left the house, they would kiss goodbye, like a deeply affectionate couple.

A person's legs are shown from the knees down, wearing blue trousers and white shoes with red tips. They are standing on a light-colored wooden floor. In the background, there is a light-colored wall with a rectangular frame and a wooden door frame.

I'm home.

Lin Xue had indeed drastically reduced her overtime. She left work on time at six and always made it home before Lu Chuan to prepare dinner.

Welcome home~ Would
you like a bath first,dinner
first- or... me first--

Every time Lu Chuan
returned home,he
was greeted by Lin
Xue's smiling face.

Xiao Xue,are you sure you want to do this?This is the living room,it'll get dirty...

Another part of Lin Xue's transformation was their daily non-penetrative sexual activity.She would actively help Lu Chuan relieve his physical urges in the living room.

Of course~ I make the rules, and besides, your little life is in my hands. I can play with it however I want~

The old Lin Xue was very resistant to non-penetrative sexual acts, seeing them as dirty, disgusting demands from Lu Chuan to satisfy his own desires...

Hubby's little meat stick is
so tasty~ I'll be counting
on you a lot from now on~

But now...

So good~ I'm
gonna cum~

Ah~ You made so much~
My clothes are all dirty
now,how annoying.

S...Sorry,it felt too good,I
couldn't hold back...

Hehe~ Just kidding.It's
getting late,I'm going to
take a shower.You go wait
for me in the bedroom first~

A close-up illustration of a person's legs from the knees down, standing on a blue floor with a white diamond-shaped checkered pattern. The person is barefoot. The skin is a light pinkish-tan color. The legs are slightly apart, with the right leg in front of the left. A speech bubble originates from the left side of the frame, pointing towards the legs.

Pfft~ Finally some private space. With my old body, I'd have never done that with that kid even if you killed me.

But with this
body, there's no sense
of discomfort at all. It's
really strange.

Time to come
out and take
a shower.

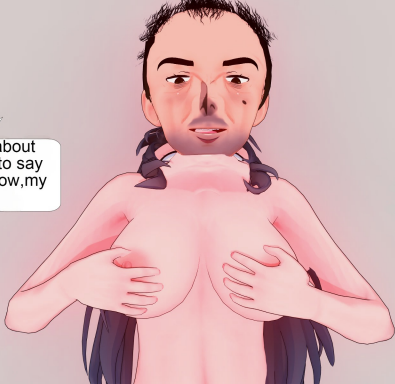

I wonder what that kid Lu Chuan would think if he knew he just had sex with a wanted criminal,haha~

Sigh~ That's about
enough. Time to say
goodbye for now, my
little treasure.

Tianbiao's body, stuffed in a bodysuit all day, was always caked in foul sweat and grime. Thanks to Lin Xue's affluent lifestyle, I can enjoy a comfortable bath every day.

A man with dark hair, wearing a black wetsuit, is holding a nude woman from behind. They are in a bathroom with a tiled wall and a sink. The man is looking over his shoulder at the woman. A speech bubble is overlaid on the left side of the image.

Using Lin Xue's identity and body,I
can not only escape legal
punishment but also fully enjoy life.As
for that Fu Chuan who deeply loves
his 'wife',he can just stay content
being my ATM and stress-relief tool.

Baby~ Are you done in there~?It's been an hour.

I'm just getting
dressed~ Wait a
little longer, okay~?

A close-up illustration of a person's legs from the knees down, wearing yellow flip-flops with white polka-dot soles. The person is standing on a dark red carpet. To the left is a blue door, and to the right is a dark brown wall.

Honestly~ You get so impatient after just an hour apart. It's not like I'm going anywhere.

Hehe~ I was just worried about you~

Hmph~ You're such a smooth talker, always saying the sweetest things.

An anime-style illustration of two young women lying in bed. The woman on the left has short black hair and is looking up at the woman on the right. The woman on the right has long black hair and blue eyes, and is holding the hand of the woman on the left. They are both smiling. The background is a soft, out-of-focus purple and blue.

Xiaoxue, you look so beautiful tonight.

You say that every day~
Oh, right, I've decided to quit my job.

What? Quit? But you
just got promoted! And
you've always loved
your work...

I've been thinking a lot these past
few days. I was too obsessed
with my career before, neglecting
our home, neglecting you. For this
family, for you, I'm willing to
change.

An anime-style illustration of two young women lying in bed. The woman on the left has long, dark hair and is looking up at the other woman. The woman on the right has short, dark hair and blue eyes, looking down at the first woman with a concerned expression. They are both under a white blanket. A desk with a computer monitor is visible in the background.

This is so sudden... But
are you sure? I don't
want you to give up
your dreams for me.

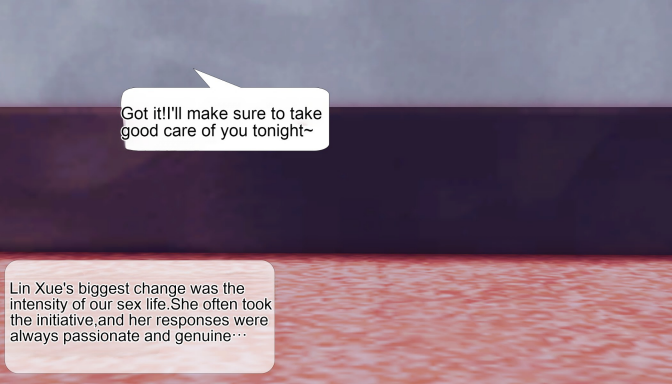

It's not giving up, it's a
choice. I chose something
more important—our
family. Besides, didn't you say
you'd take care of me for life?

Since you don't want to talk
about it,we'll chat later.Right
now,let's get down to business~

I just got out of the bath, so
my body's in peak condition~
Don't lose your nerve now~

Got it!!I'll make sure to take
good care of you tonight~

Lin Xue's biggest change was the
intensity of our sex life.She often took
the initiative,and her responses were
always passionate and genuine...

But all of that was just a facade.

Xiao Xue!! I'm home, come
give me a hug!

No way, you've had way too
much to drink! You know I
hate it when you drink.

If you hate me
drinking, why aren't you
angry? Why are you
holding me like this?

Because I love
you! You dummy.

Whatever~ You'll
have to make do on
the couch tonight.

Hic~ Xiao Xue, you're the best~

Xiao Xue~ I love you, I
really, really love you...

I know, dummy. I
love you too.

I love you... Xiao Xue, so...
don't go back to how you
were before... Can you
stay like this forever?

I won't change. I'll always
love you like this.

Just like this... don't... go
back... don't... go back...
snore——*snore*

Silly child,I won't change
back.That old Lin Xue will
never come back,never again...

I never get tired of looking
at this face. It's so beautiful
even without makeup.

Hey, Lu. Time
to get up.

A young man with short, dark brown hair is lying on his back on a light blue and white checkered surface. He has a surprised expression, with wide eyes and a slightly open mouth. A speech bubble is positioned above his head, containing the text "Huh?Am I at home?". The background is a soft, out-of-focus light blue.

Huh?Am I at home?

I drank way too much with the client last night. Sorry for the trouble, Xue'er. I didn't do anything too crazy, did I?

Not at all~ You just said some strange things.

By the way, are you
dressed for work? Isn't
today your day off?

No~ I'm meeting
an old friend today.

Don't worry about
me. Go buy
something. You
should relax a bit too.

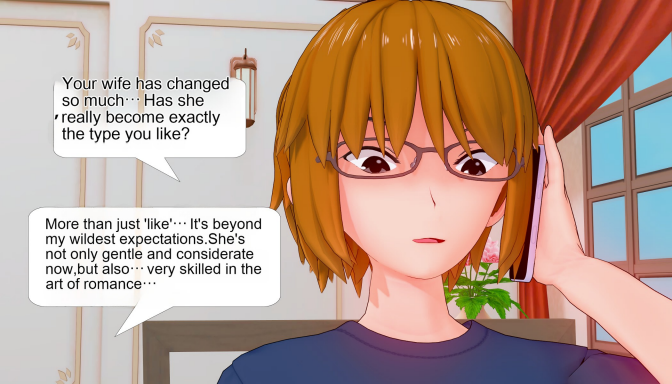

O-okay... See
you tonight then.

Shopping District

Shen Huan! Are you free tonight? I absolutely have to treat you to a fancy restaurant. If it weren't for that consulting agency you recommended, Su Jin and I might be preparing for divorce by now.

No need to be so formal between brothers. I'm just happy to see you so content.

A young man with short, wavy orange hair and black-rimmed glasses is shown from the chest up. He is holding a black smartphone to his right ear with his right hand. He has a neutral expression. He is wearing a dark blue t-shirt. The background is an indoor setting with light-colored walls, a window with red curtains on the right, and a small potted plant on a table behind him.

Your wife has changed
so much... Has she
really become exactly
the type you like?

More than just 'like'... It's beyond
my wildest expectations. She's
not only gentle and considerate
now, but also... very skilled in the
art of romance...

A person is shown from the back, wearing bright pink, shiny-looking underwear. They are standing in a room with light-colored walls and a wooden floor. A speech bubble on the left contains a question, and a speech bubble on the right contains a response.

Oh~ So, your wife is...
adventurous in bed?

More than just
'open-minded'...
It's, well... Tsk tsk, I never
knew she had this side to
her. Just the other day, she
actually took the initiative
to use her mouth...

Really? Lin Xue is that wild? I'm so jealous of you. But let's reschedule dinner for another day. I'm playing with a puppy right now.

Hehe~ I wondered why it was so noisy, I thought you were at a bar. Alright then, let's get together sometime. *Click*

Master, is this
still comfortable?

Lin Xue... That guy Lu
has nothing but praise
for you. How could you
cheat on him?

That guy's just an ATM. A few sweet words and he's completely smitten. You're the one who's really my husband, Huan~

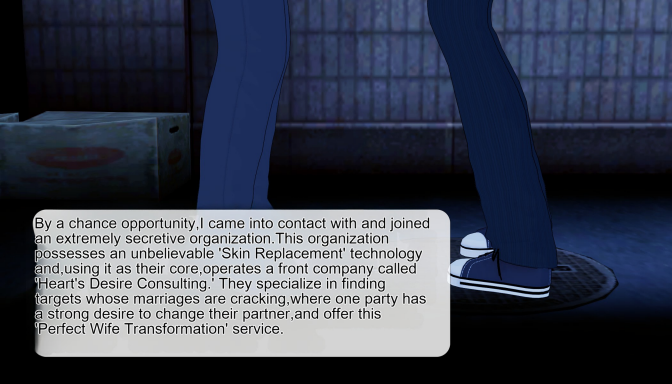

Lin Xue, hearing you say that is very gratifying. Keep licking~

I never thought the day would come when you, Lin Xue, would beg to serve me. Back then, I tried everything—gifts, romance, even groveling to please you. But your eyes were only for Lu Chuan.

The day you accepted Lu Chuan's confession, I felt like a complete clown. Why does Lu Chuan get to have everything? Why does Shen Huan have to live in his shadow?

A person's legs, wearing blue trousers and white sneakers with black laces, are shown from the knees down. They are standing on a circular metal manhole cover. The background is dark and industrial, with a brick wall and a concrete block visible. A white text box is overlaid on the lower left.

By a chance opportunity, I came into contact with and joined an extremely secretive organization. This organization possesses an unbelievable 'Skin Replacement' technology and, using it as their core, operates a front company called 'Heart's Desire Consulting.' They specialize in finding targets whose marriages are cracking, where one party has a strong desire to change their partner, and offer this 'Perfect Wife Transformation' service.

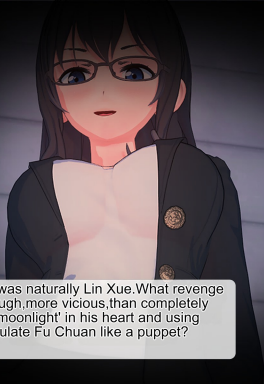

Right at that moment, Tian Biao, having committed a series of major crimes, became a nationally wanted fugitive—a stray dog with his life hanging by a thread. Shen Huan secretly contacted him.

If Brother Tian's in trouble, I'll definitely help.

The price for rebirth was said to be astronomical. If Tian Biao paid nearly all the dirty money he had accumulated over the years, the organization could find him a suitable 'skin'—a vessel he could occupy long-term—allowing him to change his face completely, escape pursuit for good, and even enjoy a brand new life.

The best candidate was naturally Lin Xue. What revenge could be more thorough, more vicious, than completely replacing the 'white moonlight' in his heart and using her identity to manipulate Fu Chuan like a puppet?

I told you to call me
Xiao Xue!Who's Tian
Biao?! I don't know him!

Alright,alright,my dear
Xiao Xue.With acting skills
this good,it's a shame
you're not an actress.

If you're calling me 'dear,' then
don't be so reserved. Hurry up
and fuck me~ This body feels
really good, you know~

I'm only wearing this outfit
for you~ Such a lewd body
was born to be a slut.

I can't see a trace of Tian Biao at all. It seems the skinsuit has quite an effect on you. Well, since my dear sister-in-law says so, I'll gladly oblige.

I'm going in!

An illustration of a person from the waist down, wearing a blue swimsuit. They are lying on their back. Two hands are placed on their back, and two pink-gloved hands are placed on their buttocks. A speech bubble from the left hand says "I'm going in!".

So... so good, don't
stop... you're so
much better than my
useless husband...

Ahh~

Ah♥~

Ahh~

Ah♥~

Don't stop~

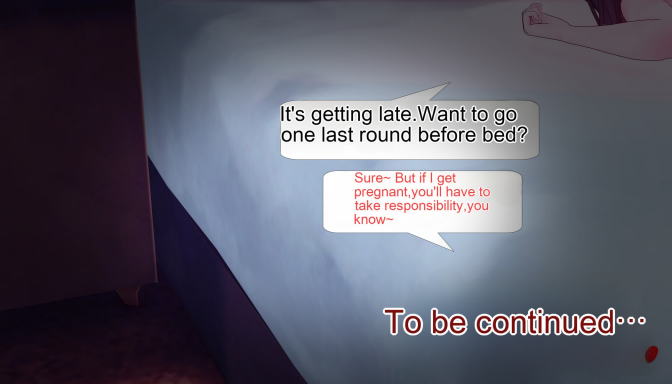

I'm... I'm gonna cum again~

Remember, play the part of the good wife well. Don't slip up. As for Lu Chuan... I want to watch him drown, little by little, in your sweet embrace.

Don't worry, Brother Huan, I know what to do. This kind of life... is way better than being on the run.

A person is lying in bed, partially visible in the top right corner. A speech bubble originates from their head area.

It's getting late. Want to go
one last round before bed?

Sure~ But if I get
pregnant, you'll have to
take responsibility, you
know~

To be continued...
