

So this was your plan all along.
What's so great about becoming me?

At least by becoming you, I
wouldn't have to struggle with my
identity and survival here.

If that's the case, then I have a better solution than becoming me.

What... what solution?
Don't try to fool me.

How could I fool you? If you become me, you'll have to pretend to be me every day and attend those annoying classes.

But if you become my daughter, you won't have to do anything and can live happily. Plus, you can become much younger. Isn't that better than becoming me?

Think about it carefully.

Your daughter... but do you
have a daughter?

It's because I don't have one that
I thought of this. You can wear
that female student mask from
before, and I'll adopt you.

A digital illustration of two women on a rooftop terrace. The woman in the foreground has long, wavy blonde hair and is wearing a white cardigan over a floral-patterned top. She has a somber expression. The woman behind her has short blonde hair and is wearing a shiny, black, asymmetrical dress. She is looking towards the first woman with a slight smile. The background features a brick wall, a black metal staircase, and a city skyline at sunset, with the Eiffel Tower visible on the right.

My husband and I have always considered adopting since we don't have kids. This way, it's a win-win.

But in this way, it looks like I'm getting the better deal.

You must want something
from me in return...

Hehe, you're right, but it's nothing major.

I just hope that after we switch back, before you put on that female student mask, you can undergo surgery to give me your big dick.

Ah? Are you serious?

Yes, the feeling of a man's dick is so good, I'm not satisfied yet. Besides, you won't need it anymore, right? Why waste something so enjoyable?

But this kind of surgery
costs a lot of money.

Okay... okay.

Don't worry, I'll handle the money.
You just have to agree to give me
your dick.

Months later

Ms. Liu, how are you feeling today? Any discomfort?

A 3D-rendered scene in a hospital room. A pregnant woman with blonde hair, wearing a light blue and white striped hospital gown, lies in a white hospital bed. She is looking towards a doctor who is standing by the side of the bed. The doctor is wearing green scrubs, a green surgical cap, and a white face mask. A speech bubble from the woman says, "Everything is fine, doctor. It just feels like I had a circumcision like a little boy." Another speech bubble from the doctor says, "Hahaha, you have a good sense of humor..." In the background, there is a medical monitor on a stand, an IV drip, and a wooden headboard. The room has orange walls and a white floor.

Everything is fine, doctor. It just feels like I had a circumcision like a little boy.

Hahaha, you have a good sense of humor...

...But you should still monitor
your morning erections and
urination patterns...

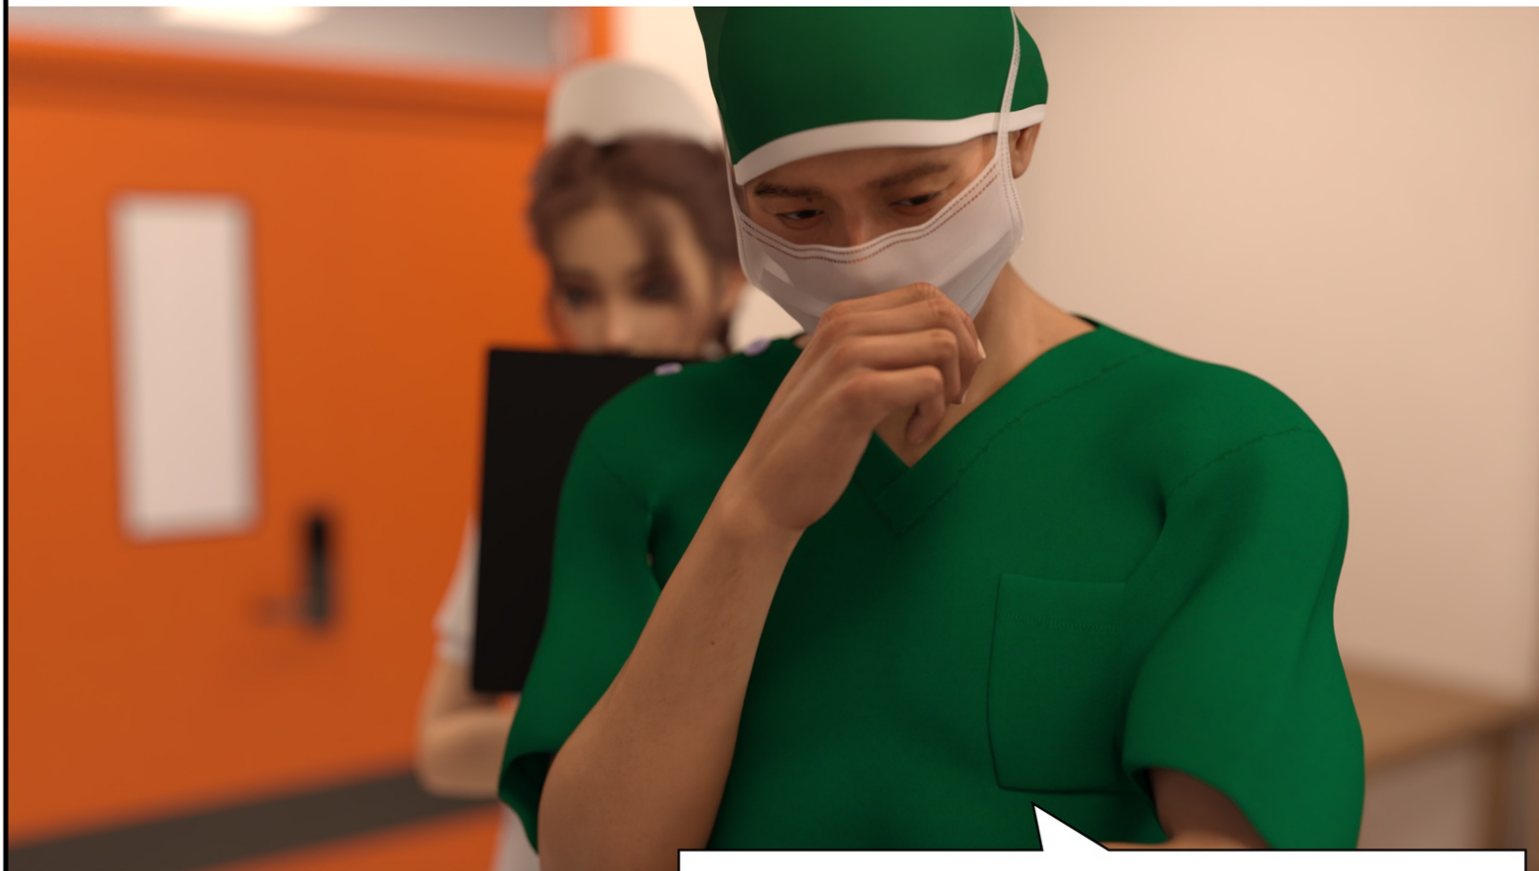

Yeah.

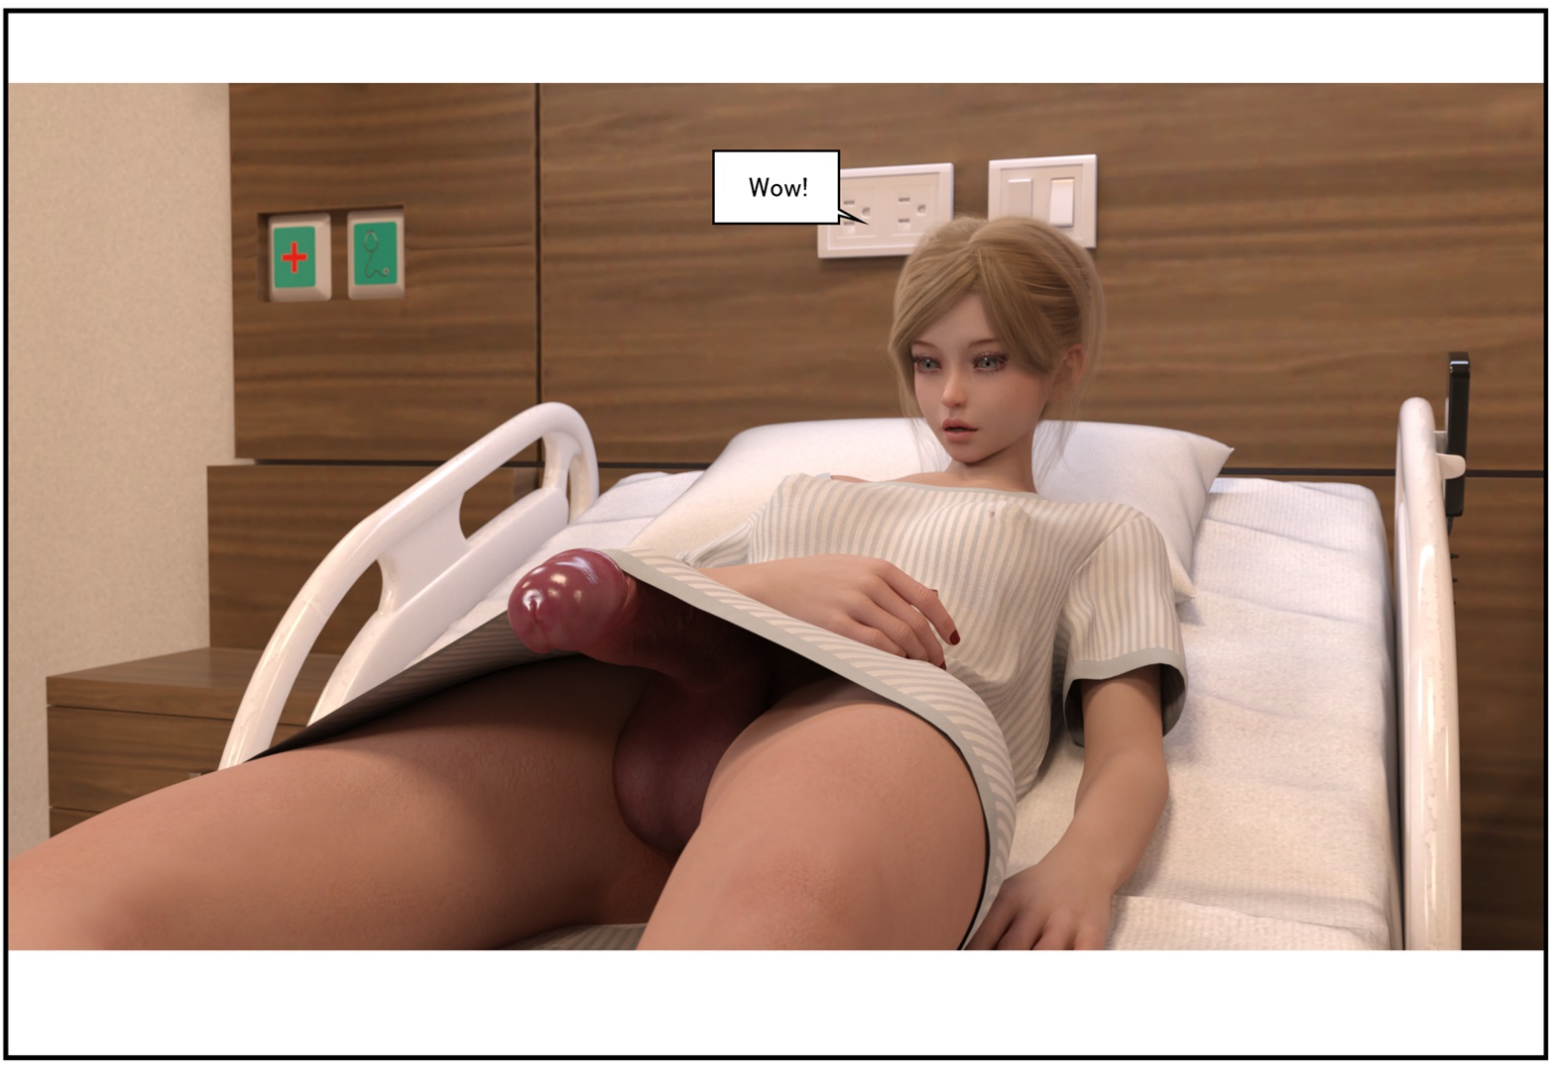

If there are no complications,
you should be able to leave the
hospital soon.

(Wow, the nurse's white
stockings are so sexy.)

Ahem... Ms. Liu, it seems I was overthinking. You're recovering even better than I expected...

Wow!

It's okay, Ms. Liu, this is a good sign, indicating that the surgery went very well. We won't disturb you anymore.

Sorry, doctor, I'm still not very familiar with the feeling of this new organ.

Understood, thank you, doctor.

Hehe, how can I not be familiar?
It's because I love the feeling of
a man's dick so much that I chose
to transplant it onto myself.

Ah~ with this dick and my own face, how many women can I sleep with and experience sex as a man?

Mmm~, why does the glans feel
even more sensitive than before?

A 3D-rendered woman with blonde hair is lying in a hospital bed, wearing a light blue and white striped hospital gown. She is holding a large, realistic-looking brown dildo with both hands, positioned between her legs. She has a thoughtful or slightly uncomfortable expression on her face. The background shows a wooden headboard with two white electrical outlets and a light switch. A white pillow is behind her head.

This strange yet familiar feeling,
clearly I'm masturbating, but it
feels like I'm playing with someone
else's dick.

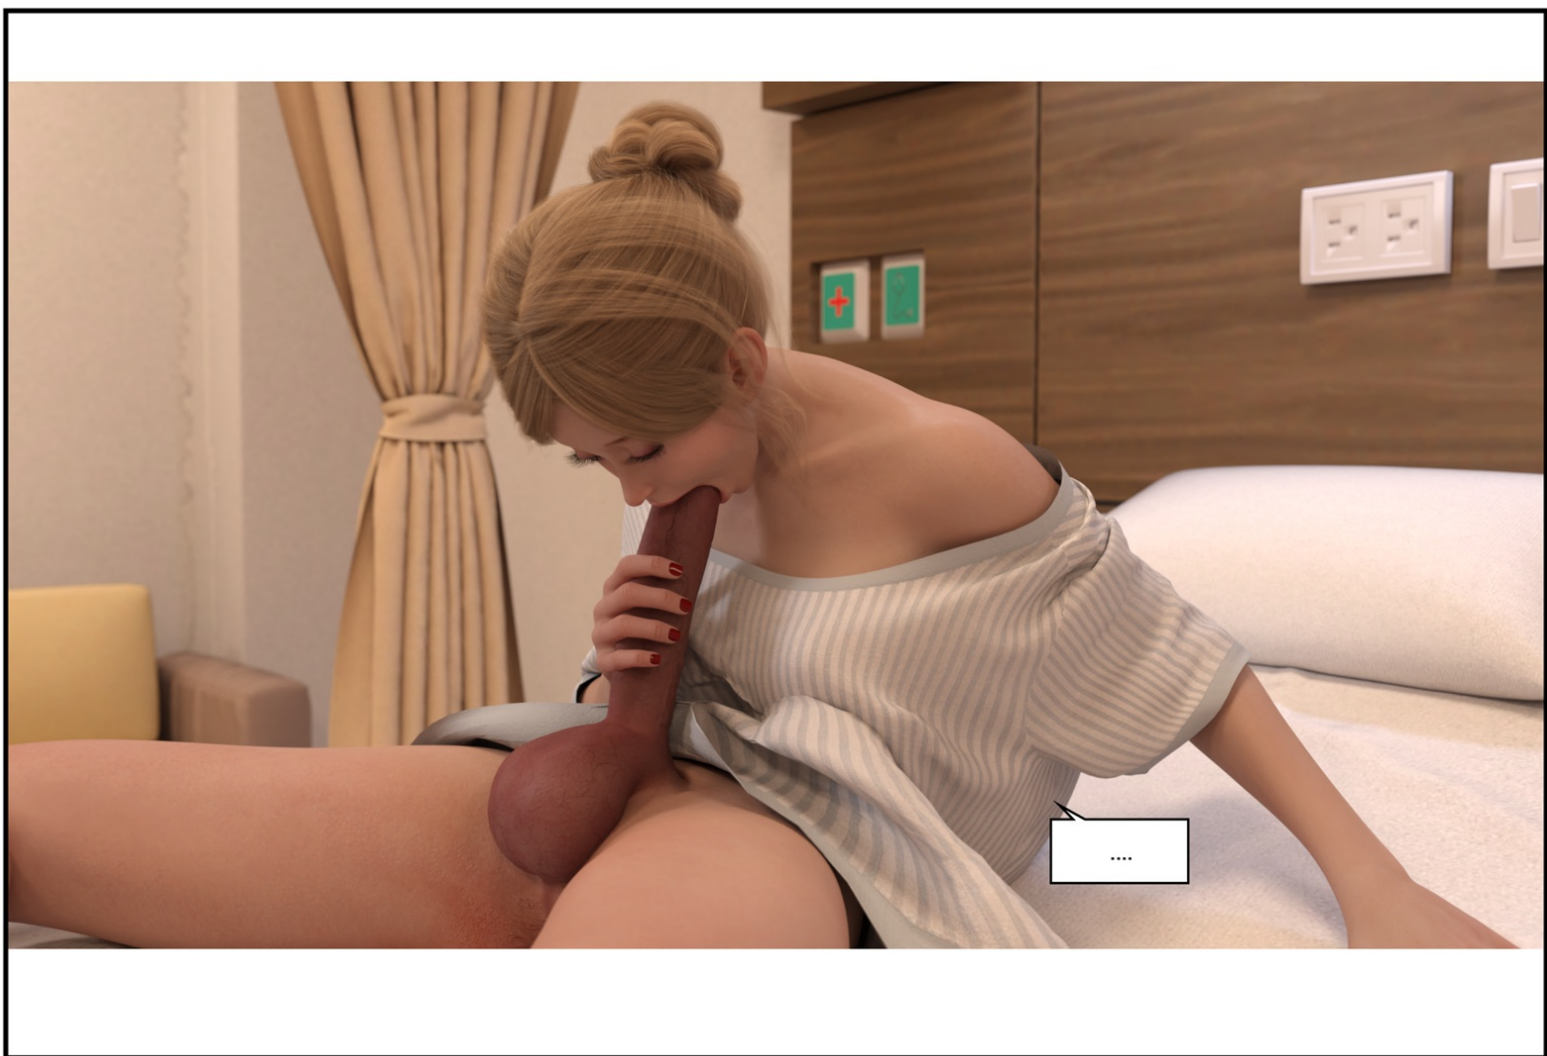

So this dick's urethra is so big...

And it's so long, I can almost
give myself a blowjob.

I really can lick it... this dick looks even bigger on my body.

AAH...

I can really give myself a blowjob,
I've truly transformed into a
huge-dick shemale.

I haven't ejaculated in so long,
the semen is so thick. I don't even
know if this is my semen or Nati's.

I wonder how Nati is doing.

Maybe it's because of the mask's
influence while wearing it, the
pleasure and mindset of a man
have deeply imprinted into Liu
Wanna's brain...

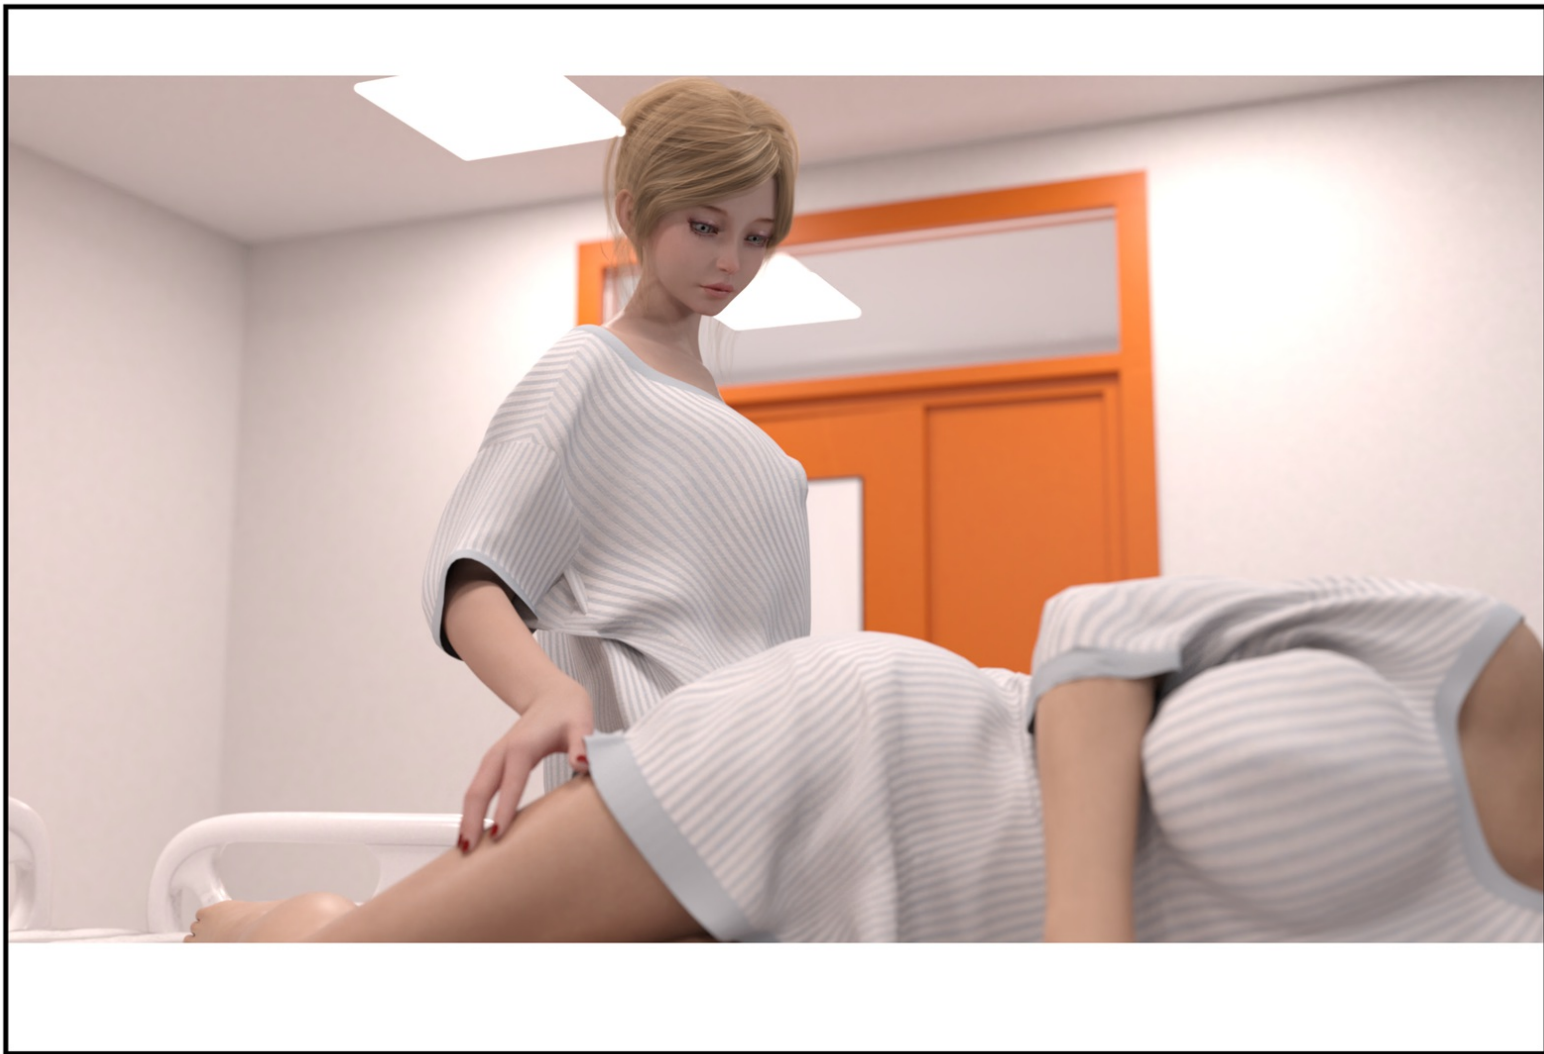

So she wanted to switch organs
with Nati after switching back.
She would rather become a
shemale to enjoy the pleasure of
dominance and conquest.

Still asleep.

It's been a long time~

Feels as smooth as before...

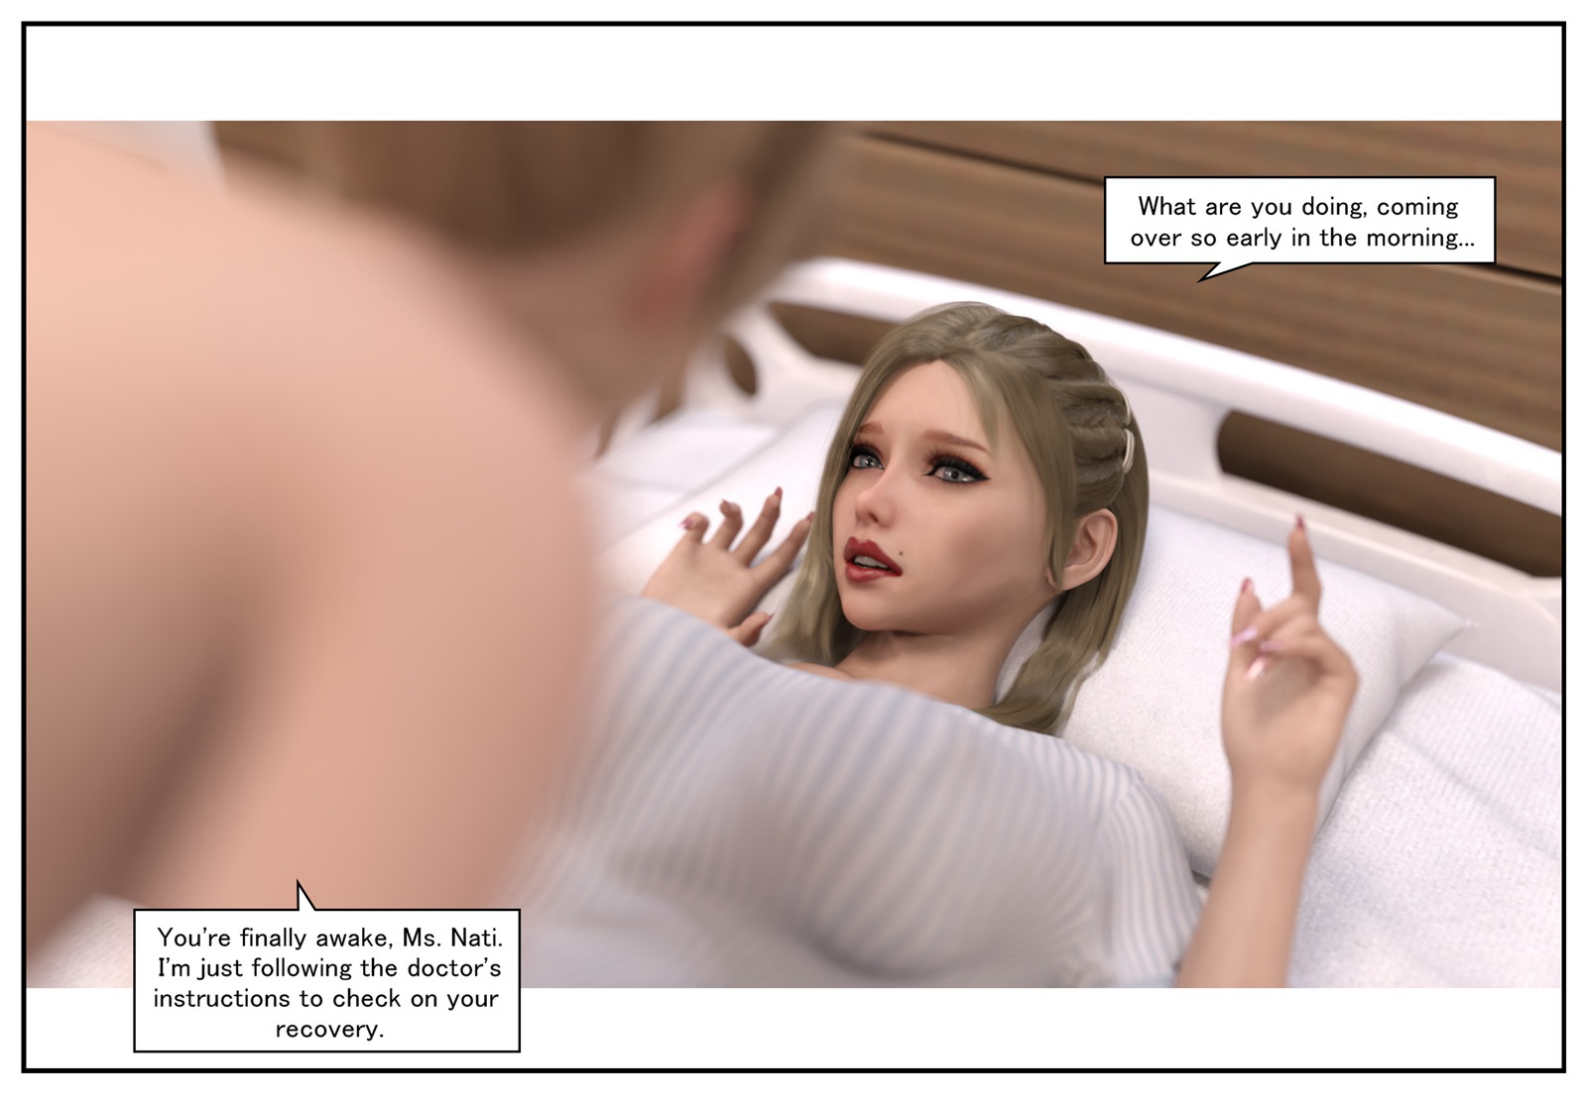

Hmph, still not awake? It's already wet inside.

Mmm~

Still pretending to sleep? You're already moaning from pleasure.

A woman with long, wavy blonde hair and blue eyes is lying in a hospital bed, looking up at a blurred figure in the foreground. She has a small mole on her left cheek and is wearing a white hospital gown. Her hands are raised, with fingers slightly spread. The background shows a wooden headboard and white pillows.

What are you doing, coming over so early in the morning...

You're finally awake, Ms. Nati. I'm just following the doctor's instructions to check on your recovery.

How is it? My tongue is still flexible,
right? Your new organ is already
secreting a lot of fluids.

It shows that you're recovering well, just like my dick. Looks like we can proceed to the next step.

This is the feeling, hahaha,
the dick feels so good.

Ah, go a bit slower...

A 3D-rendered scene depicting a medical examination. A woman with blonde hair, wearing a blue and white striped hospital gown, lies on her back in a white hospital bed. She has a pained or uncomfortable expression on her face. A doctor, seen from the back and wearing a white lab coat, is leaning over her, performing an examination. The scene is set in a hospital room with wooden paneling visible in the background.

Yes, that's the expression, your dream woman's pussy! Feels good, right?

Ah, feels so good, so good.

In a few days, after being discharged, you can wear the female student's mask and go through the adoption procedures with me.

Okay...

Ah, my pussy feels so good!

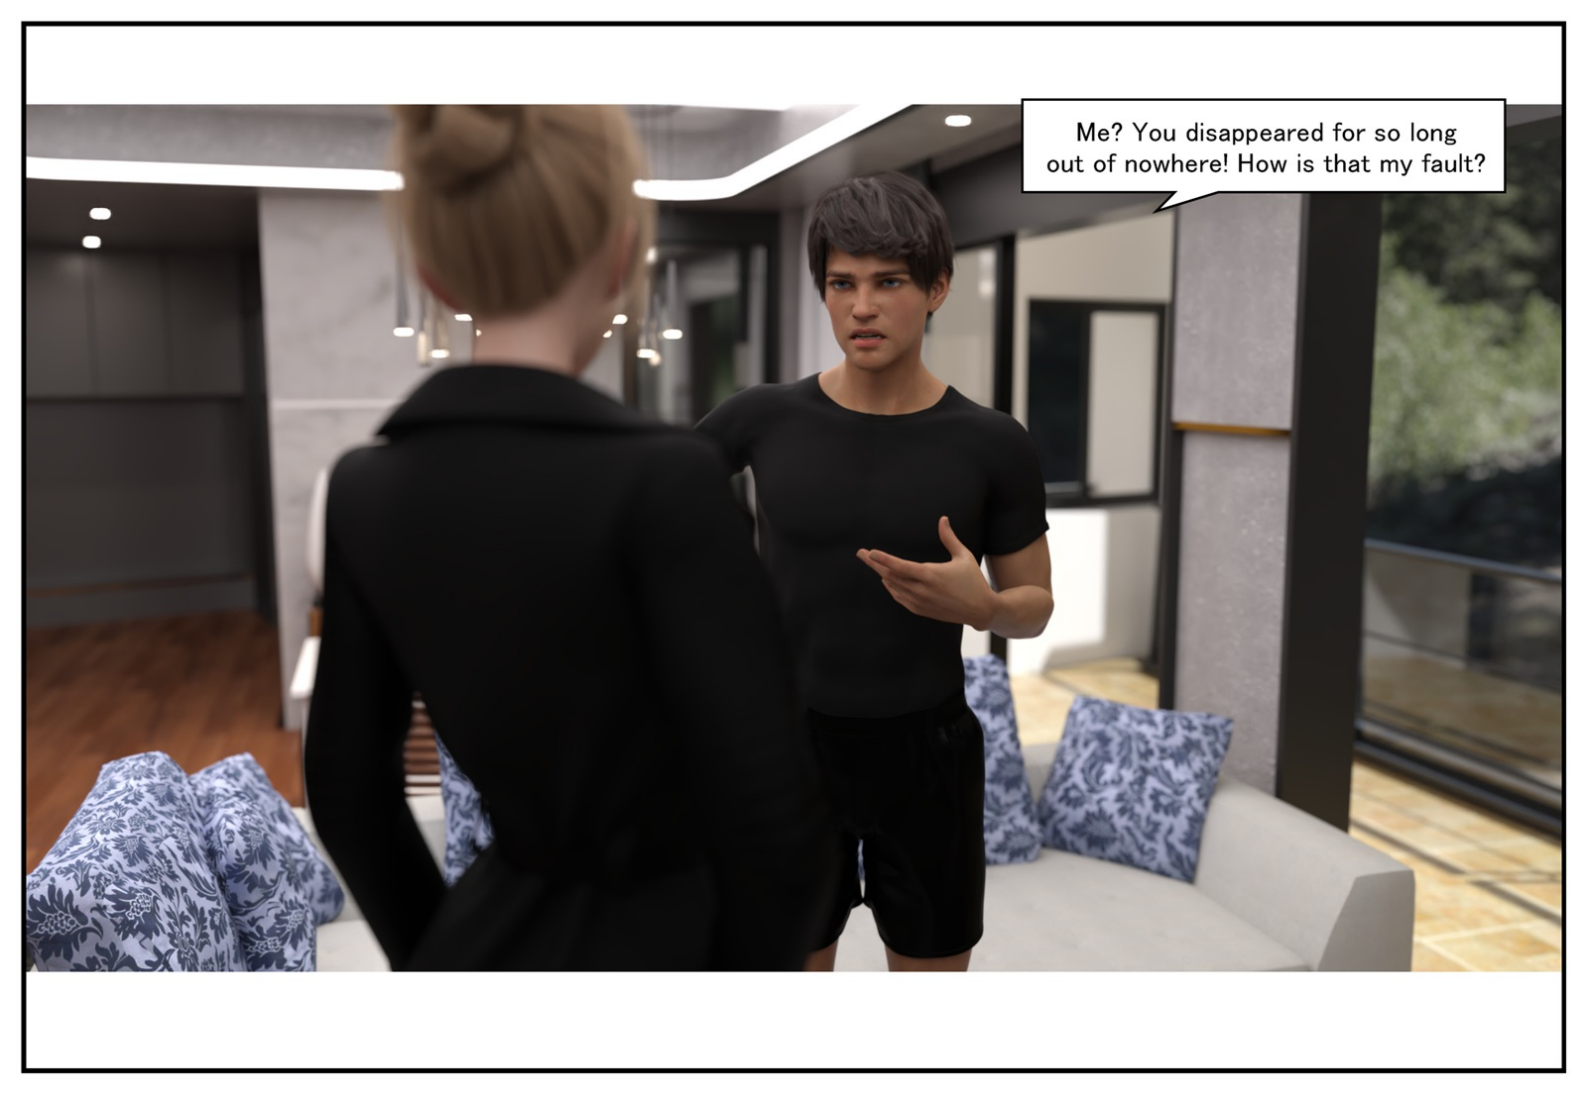

A week later

No! This is too outrageous,
disappearing without a word for
that long! Do you know how
worried the whole family was?

Why are you yelling? Don't you know why I disappeared?

A man with dark hair, wearing a black t-shirt and black shorts, stands in a modern living room, gesturing with his right hand as he speaks. He is facing a woman whose back is to the camera; she has blonde hair tied in a bun and is wearing a black blazer. The room features a light-colored sofa with blue and white patterned cushions, a wooden floor, and large windows in the background. A speech bubble is positioned above the man's head.

Me? You disappeared for so long out of nowhere! How is that my fault?

Stubborn as a mule, look at what
you've done. Do you think no one
will find out?

Where... where did you get this video...?

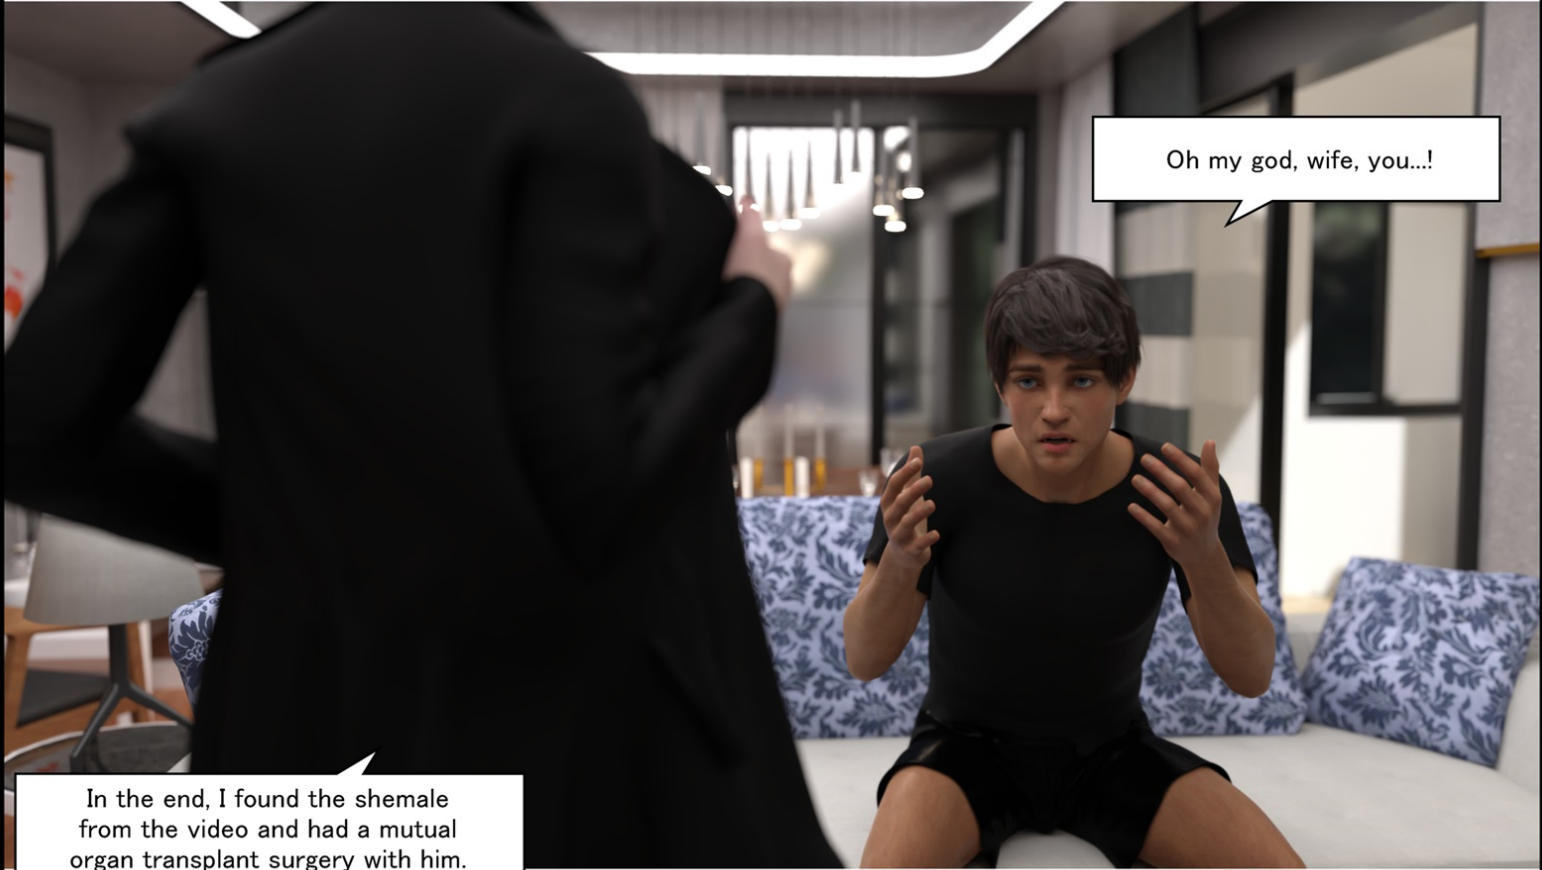

I'm sorry, wife, it's my fault... I...

You wouldn't admit it without solid evidence. But... you don't have to blame yourself too much.

What?! Wife, are you going to forgive me?

Not only will I forgive you, but I also
have to thank you for opening up
a new world for me.

Oh my god, wife, you...!

In the end, I found the shemale from the video and had a mutual organ transplant surgery with him. Now, husband, you don't have to go out looking for shemales...

How do you like my big dick,
husband?

Your wife is a shemale
from now on.

Husband, look at all I've done for you. You have to be obedient from now on.

Come on, take off your pants, let me show you my dick.

I've heard you always wanted to try the pleasure of anal but couldn't get over it mentally?

Let your wife satisfy you today.

Can you feel my love, husband?

Ahhh, wife, at least use some lube!

One day, on a flight

Mrs. Wang, the meals and drinks
have been served, and the
passengers are mostly asleep.
Can I take a break?

No passengers causing trouble?

No.

Good, but you shouldn't rest yet. Take the next shift for me.

But... but.

What but? If you don't accumulate more experience now, how do you expect to pass the probation evaluation?

Go on, if it's boring, clean the toilets too.

I see.

The next day

Xiao Mei, get up, why are
you so tired today?

A 3D-rendered scene inside an airplane cabin. Two female flight attendants in black uniforms with gold epaulettes and stripes are shown. One is sitting on a white bench, looking down with a sad expression. The other is leaning over her, also looking down. The background shows the interior of the plane with wood paneling and overhead storage bins.

You don't know, on yesterday's flight, Sister Ling targeted me again. I did the work of three people alone.

And today, she assigned me this morning's flight.

Wang Ling is too much. I need to
find a chance to teach her a
lesson.

Just rest today. Come,
let sister massage your feet.

(Xiao Mei's feet... I can't, just
looking is making me react down
there.)

A 3D-rendered female flight attendant with blonde hair, wearing a black uniform with yellow accents, including a pilot's cap and a scarf. She is sitting and holding her right leg with both hands, looking down at it. The background is a simple, light-colored wall.

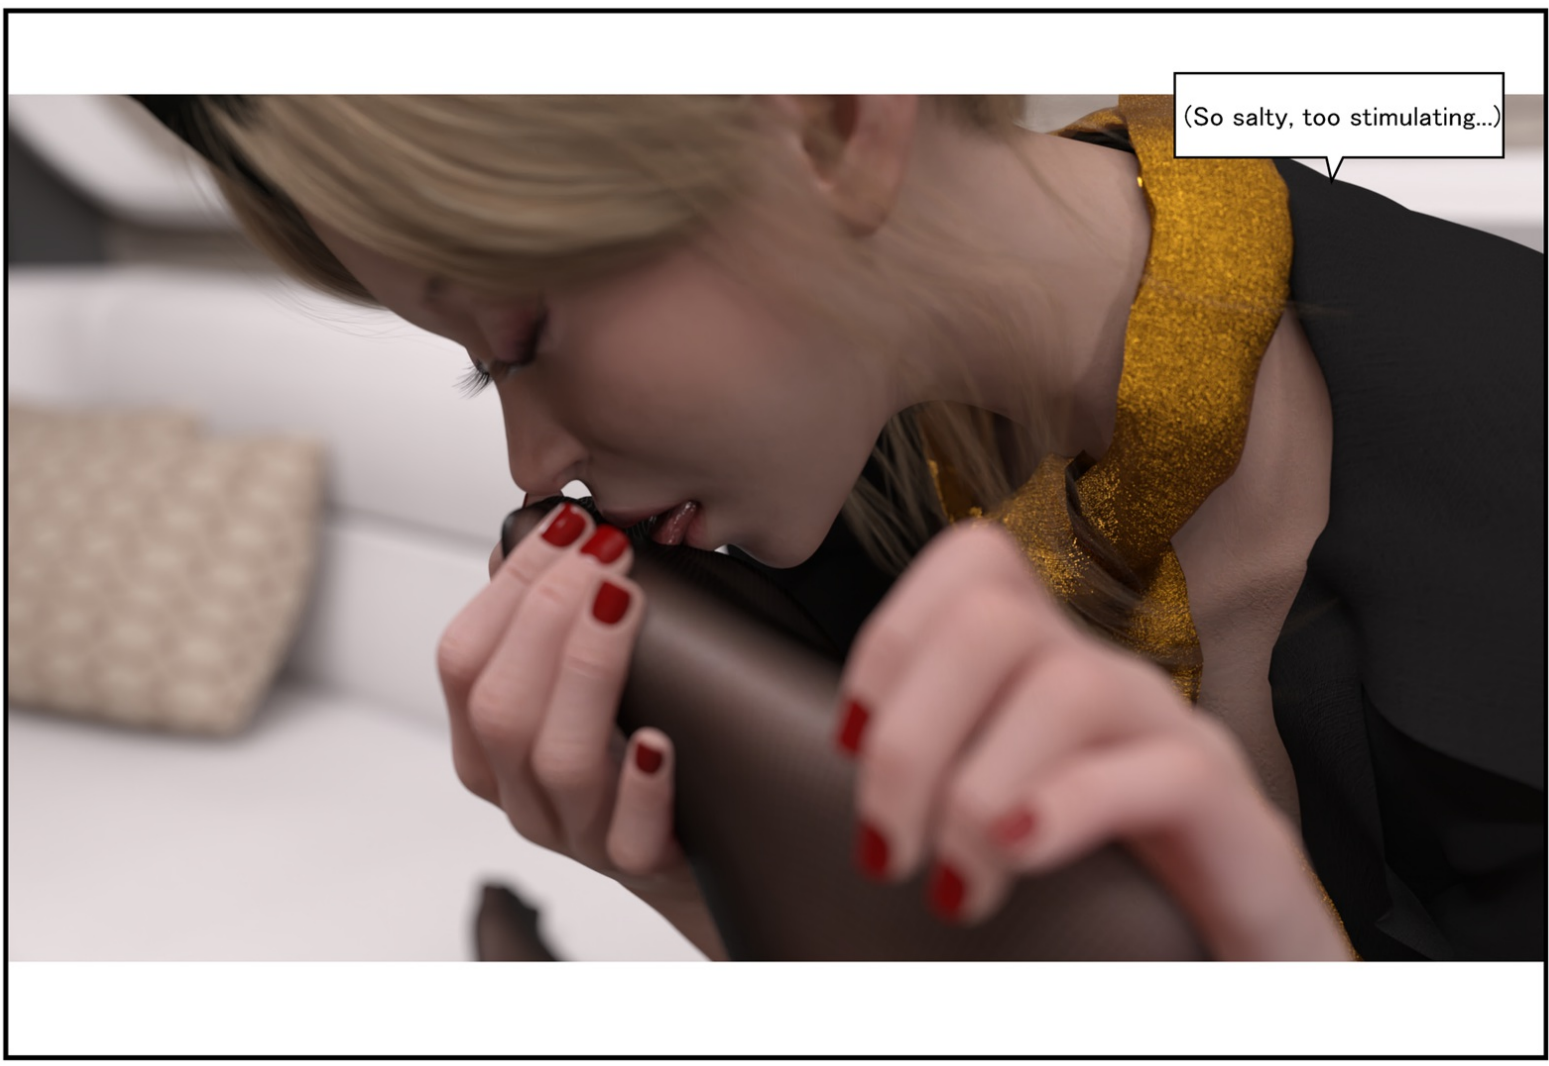

How is it, Xiao Mei, comfortable?
(She shouldn't turn around, right?)

Yeah~, if it weren't for you,
I would've resigned long ago.

(Ah, the smell is so strong, she
probably didn't change her
stockings last night.)

(This smell is too intoxicating,
I can't hold it anymore!)

(So salty, too stimulating...)

(I can't, I've already cum in my panties.)

Sister, do my feet smell?

No, I was just thinking about how
to teach Wang Ling a good lesson...

Sister, you're so good to me.
If you were a man, I'd want to
marry you.

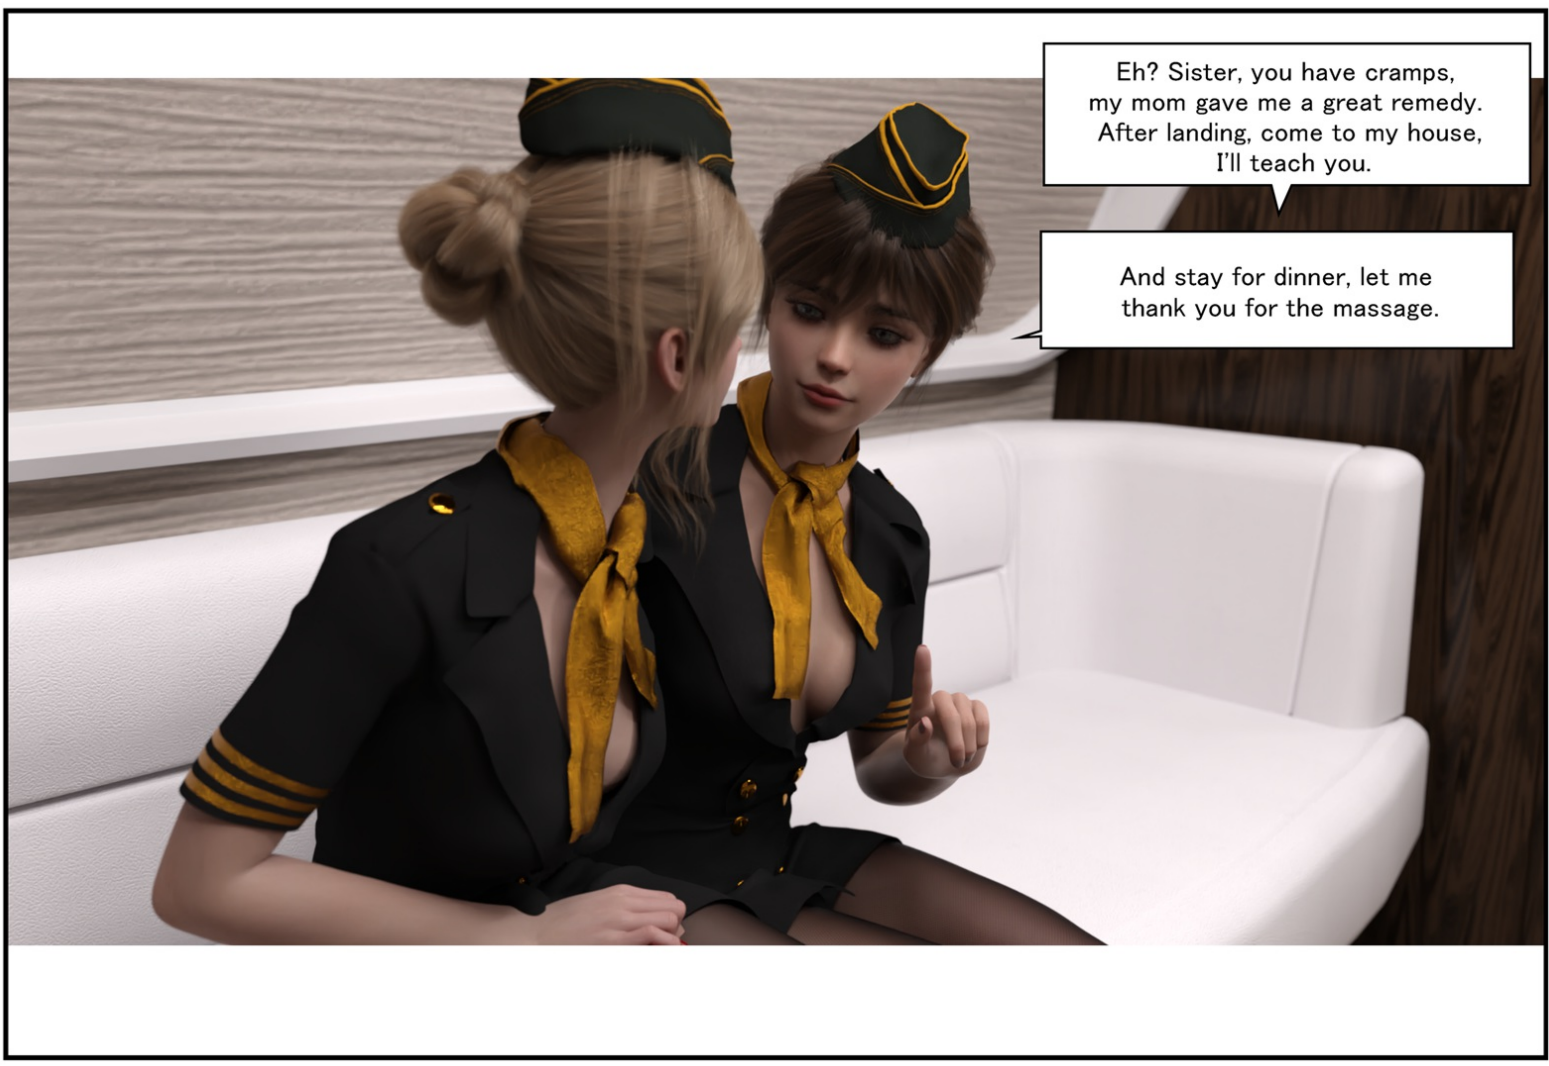

Wow, so fragrant. Her breasts
pressing against me, so soft.

mn, I want to have sex with Xiao Mei so b

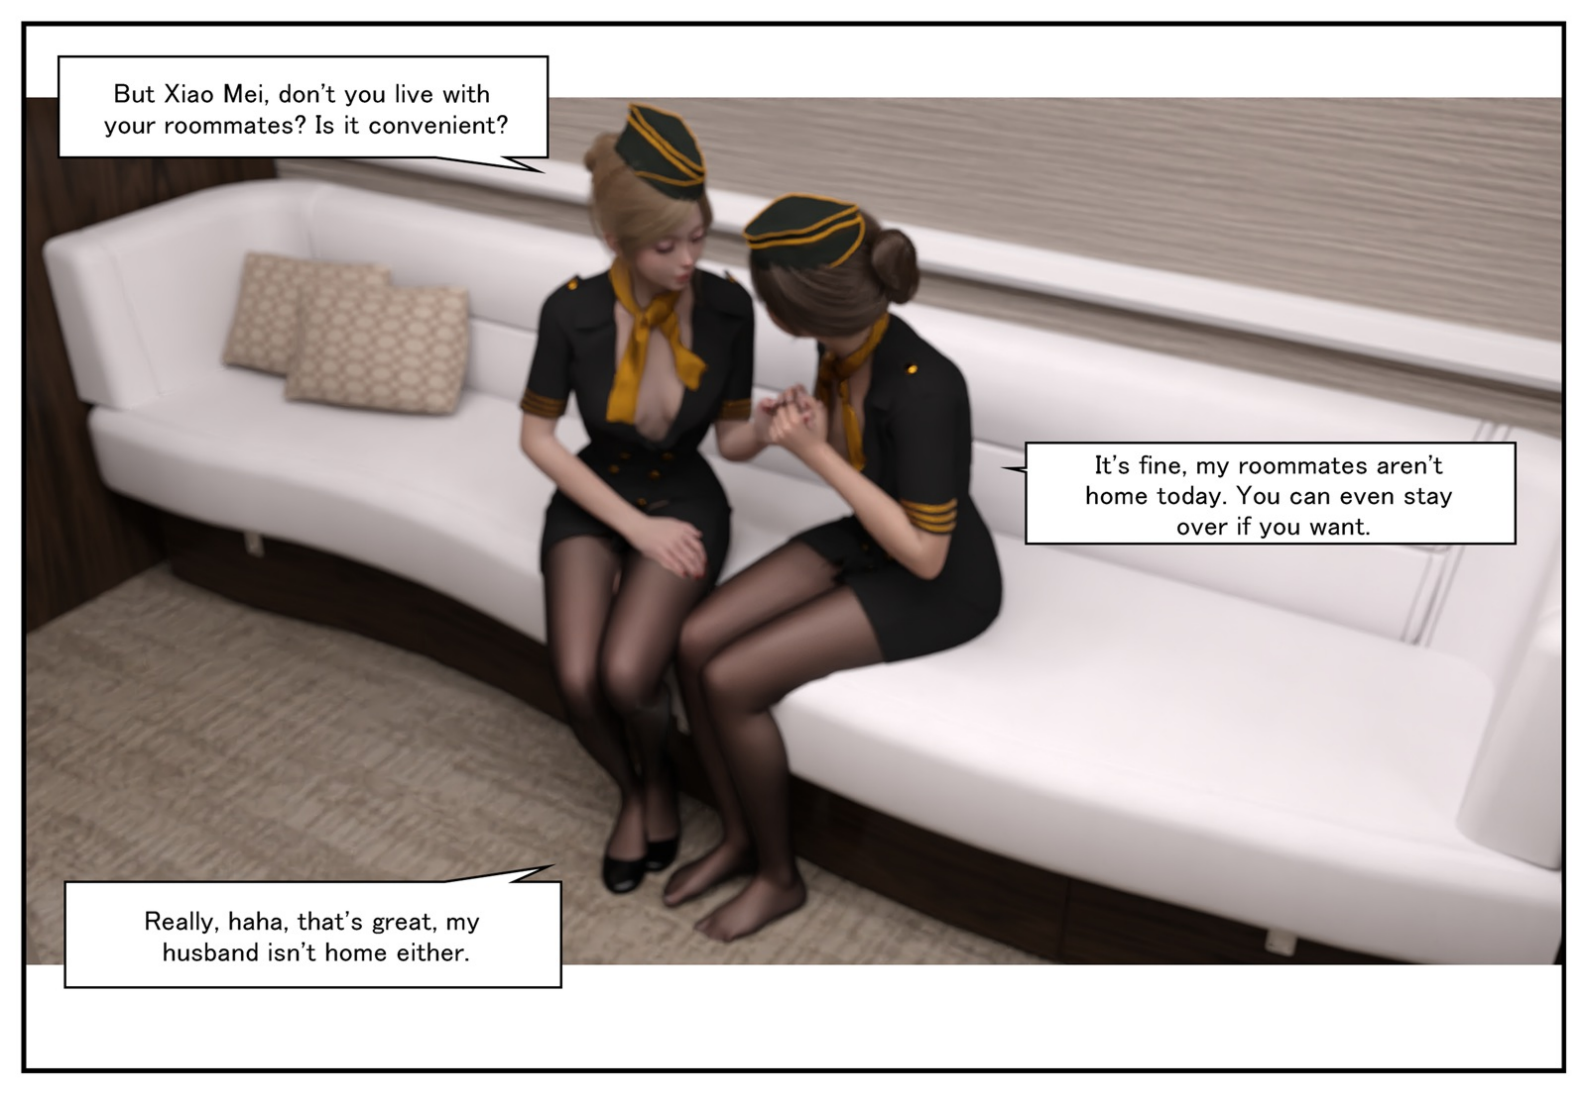

Hmm? Sister, is your stomach uncomfortable?

Ah, yes, my period is here,
a bit of cramps.

Eh? Sister, you have cramps,
my mom gave me a great remedy.
After landing, come to my house,
I'll teach you.

And stay for dinner, let me
thank you for the massage.

A 3D-rendered scene showing two female flight attendants in black uniforms with yellow scarves and caps. They are sitting on a white, curved sofa in a modern interior setting. The woman on the left is looking down at her hands, while the woman on the right is looking at her. There are two patterned cushions on the sofa behind them. The floor is covered with a light-colored, textured carpet.

But Xiao Mei, don't you live with your roommates? Is it convenient?

It's fine, my roommates aren't home today. You can even stay over if you want.

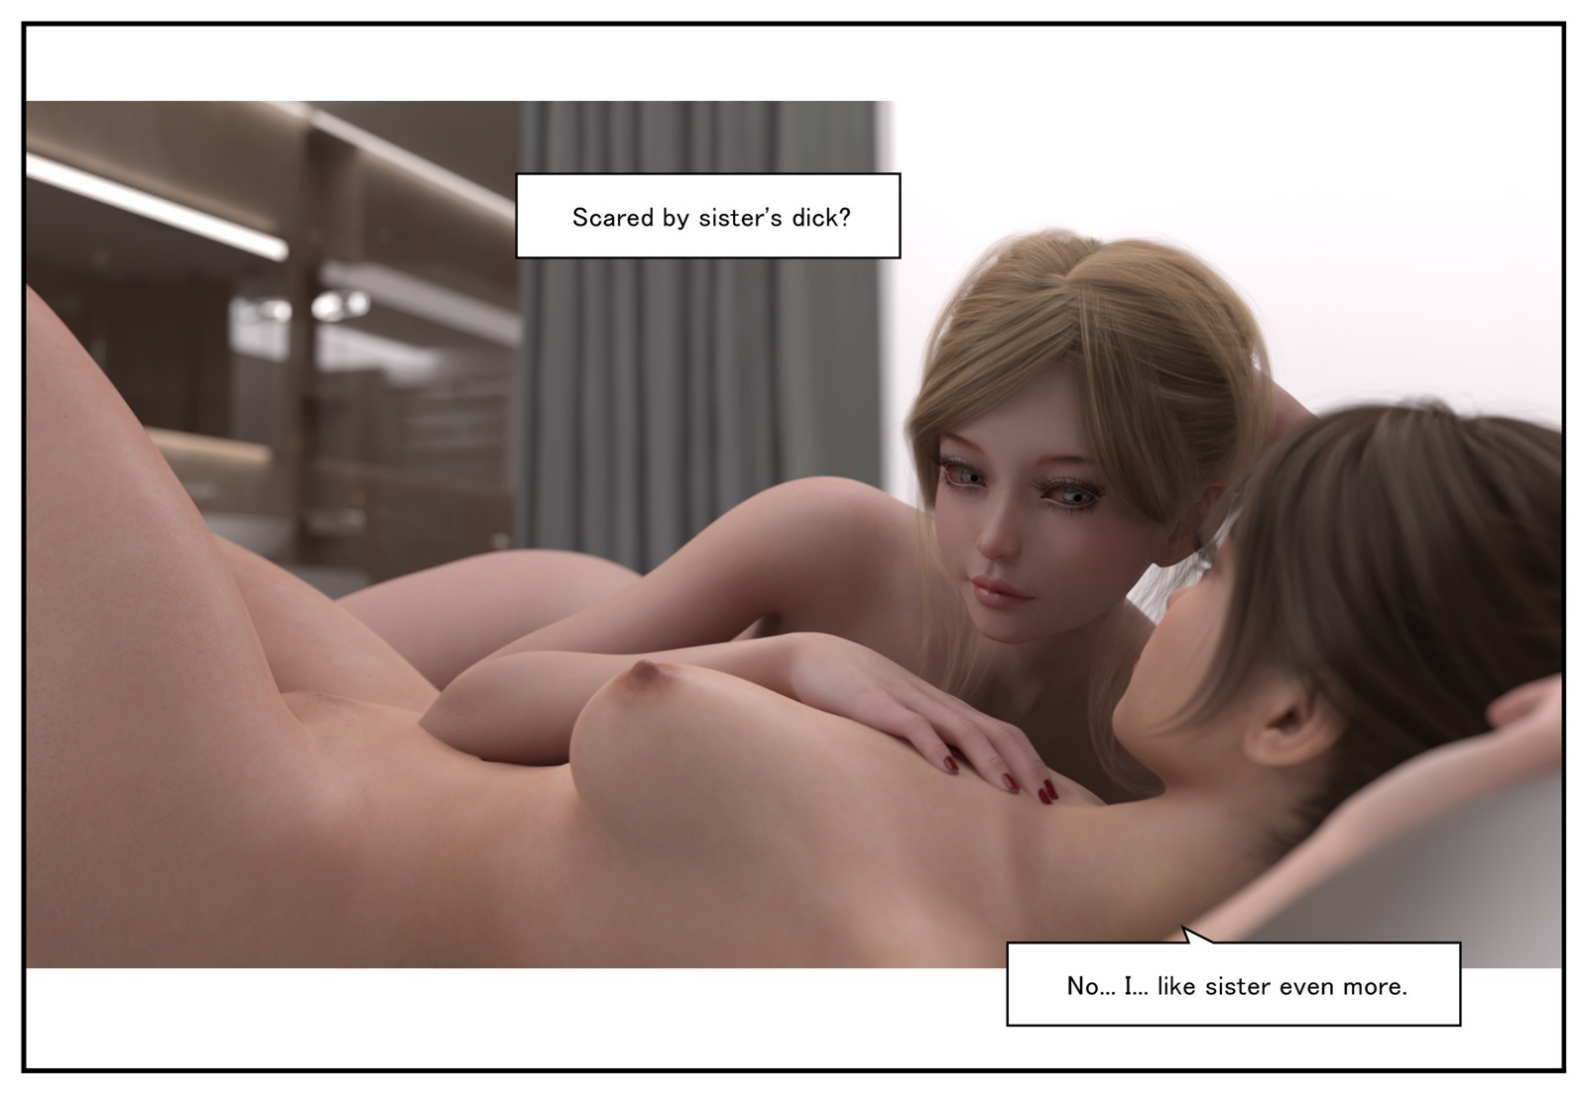

Really, haha, that's great, my husband isn't home either.

Later that afternoon

So sister, have you always had
a boy's parts down there?

Yes, even though I've always looked
like a girl, I've always had this
down there.

Scared by sister's dick?

No... I... like sister even more.

Then you must keep this secret,
so sister can love only you.

Mmm~ I won't tell anyone.

Sister, I... I want more.

Meanwhile

Hello, is anyone there?

Phew, scared me to death. Looks like I remembered correctly, Jin is also on a business trip tonight, and sister-in-law should have a flight too.

Sister-in-law~ I'm going to
borrow your sexy underwear.

Wow, she even has such
naughty clothes...

Sister-in-law has such a pretty face and body. Brother, you are so lucky.

The only flaw might be that her chest is a bit small. Luckily, when I made this skin, I made her breasts bigger. I'm such a genius.

Ahh, sister-in-law's panties,
the scent is so strong.

It must smell exactly like
my pussy right now...

I can't take it, my pussy
is getting so wet and itchy.

H-honey? What are you doing?

Ah? Jin? Why are you back!

Ahh~ I can't, it feels so good,
my mind is blank.

A woman with blonde hair, wearing a black lace bodysuit and thigh-high stockings, is sitting on a light-colored sofa. She is holding a white lace cloth in her right hand. To her left is a white wooden chair with a slatted back. The floor is made of light-colored wood. A large, dark blue, out-of-focus object is in the foreground on the right side of the frame. A speech bubble is positioned above her head.

Wait wait, Jin, let me explain!

Alright, go ahead, tell me
what's going on.

Brother... brother... it's me, Xu Liang. I was wrong, I shouldn't have played with sister-in-law's skin.

You little brat! Didn't you tell me before that you couldn't make a full skin, only masks?

Don't rush, brother!
Let me explain first!

When you came over, it was true that we couldn't make a full skin, but after finishing the masks, we made a breakthrough.

So, in a way, you should be thanking me.

So I'm not making a sample with the data that my sister-in-law left before, testing it out by wearing it, and bringing it over here so that you can try it out for yourself too.

Crap, damn..Must try it then.

Damn, brother, control yourself a bit, you're too hard.

I'll adjust it... It won't break, will it?

No, it won't... But I'm afraid no one can stay calm while wearing such a beautiful skin like sister-in-law's.

So tight...

It's like this when a man wears a woman's skin, especially when the woman's body is as small as sister-in-law's.

Wow, the breasts already have weight.

Come on, brother, let me help you put on the headgear and fully become your sister-in-law.

嗯...

Damn, slow down.

You can adjust the rest yourself.

It really fits just like the mask and becomes exactly the same. But why do I feel that Wan Na's breasts weren't this big?

Hey, I took the liberty of making them a bit bigger for sister-in-law, according to my preference.

Good boy, helping me fulfill my dream?

A woman with blonde hair tied in a bun stands in a modern living room. She is wearing a white lace strapless bra and matching white lace underwear. She is looking down at her hands, which are positioned near her waist. The room features a white dining table, a blue and white patterned sofa, and a large window with white curtains. A speech bubble is visible in the upper right corner of the image.

Is this the underwear you were
licking when you came in?

I'm sorry, I couldn't hold back just now.

Couldn't hold back for a second?
It looks like you've been trying to
hold back for a long time.

Tell me! Do you often fantasize
about your sister-in-law?

But you're so cute now.

So you admit it?

No, absolutely not!

Xu Liang, if you tell the truth today, I won't be angry...

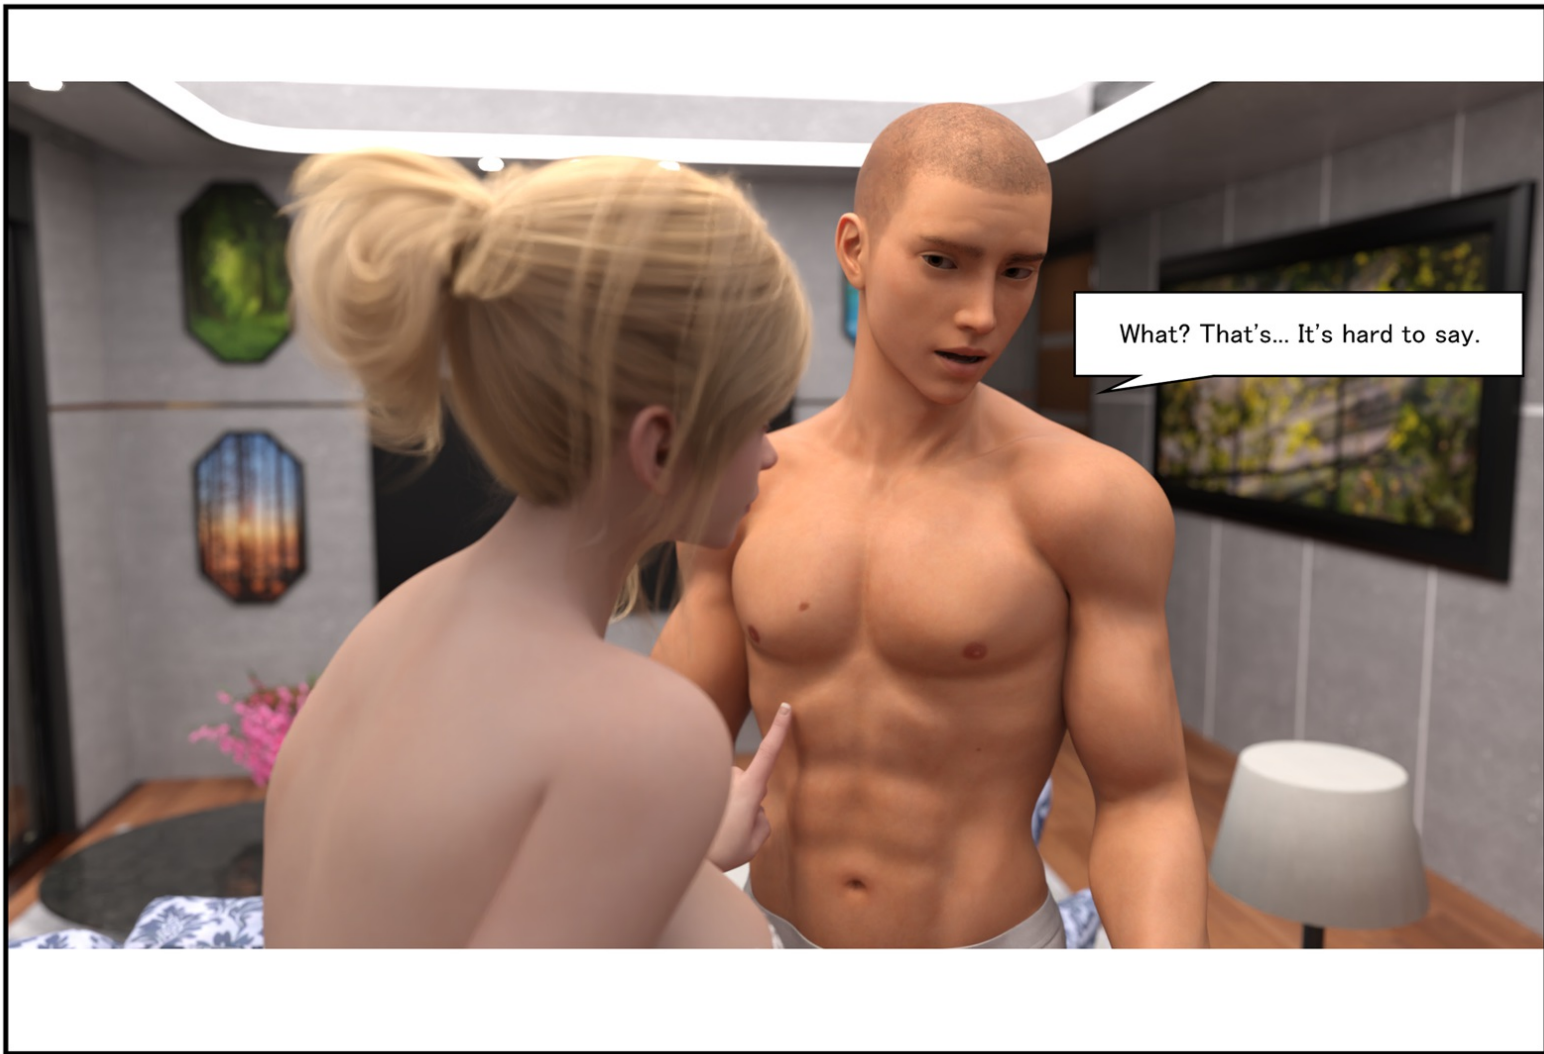

I might even give you some
benefits as your sister-in-law.
But only for today.

Okay, fine. I... I admit, I did fantasize about sister-in-law!

Then show me how you usually fantasize.

What? That's... It's hard to say.

What? What are you doing?

What are you talking about, Xu Liang? Today, my husband isn't here, only your sister-in-law is home alone.

You can do whatever you want
to your sister-in-law.

Xu Liang, do you... fantasize about
your sister-in-law every time you
see her?

But but.. that' s because you
look so sexy in black stockings.

I'm going in.

Ahh~

God, what a feeling!

Xu Liang, harder, I... so good.

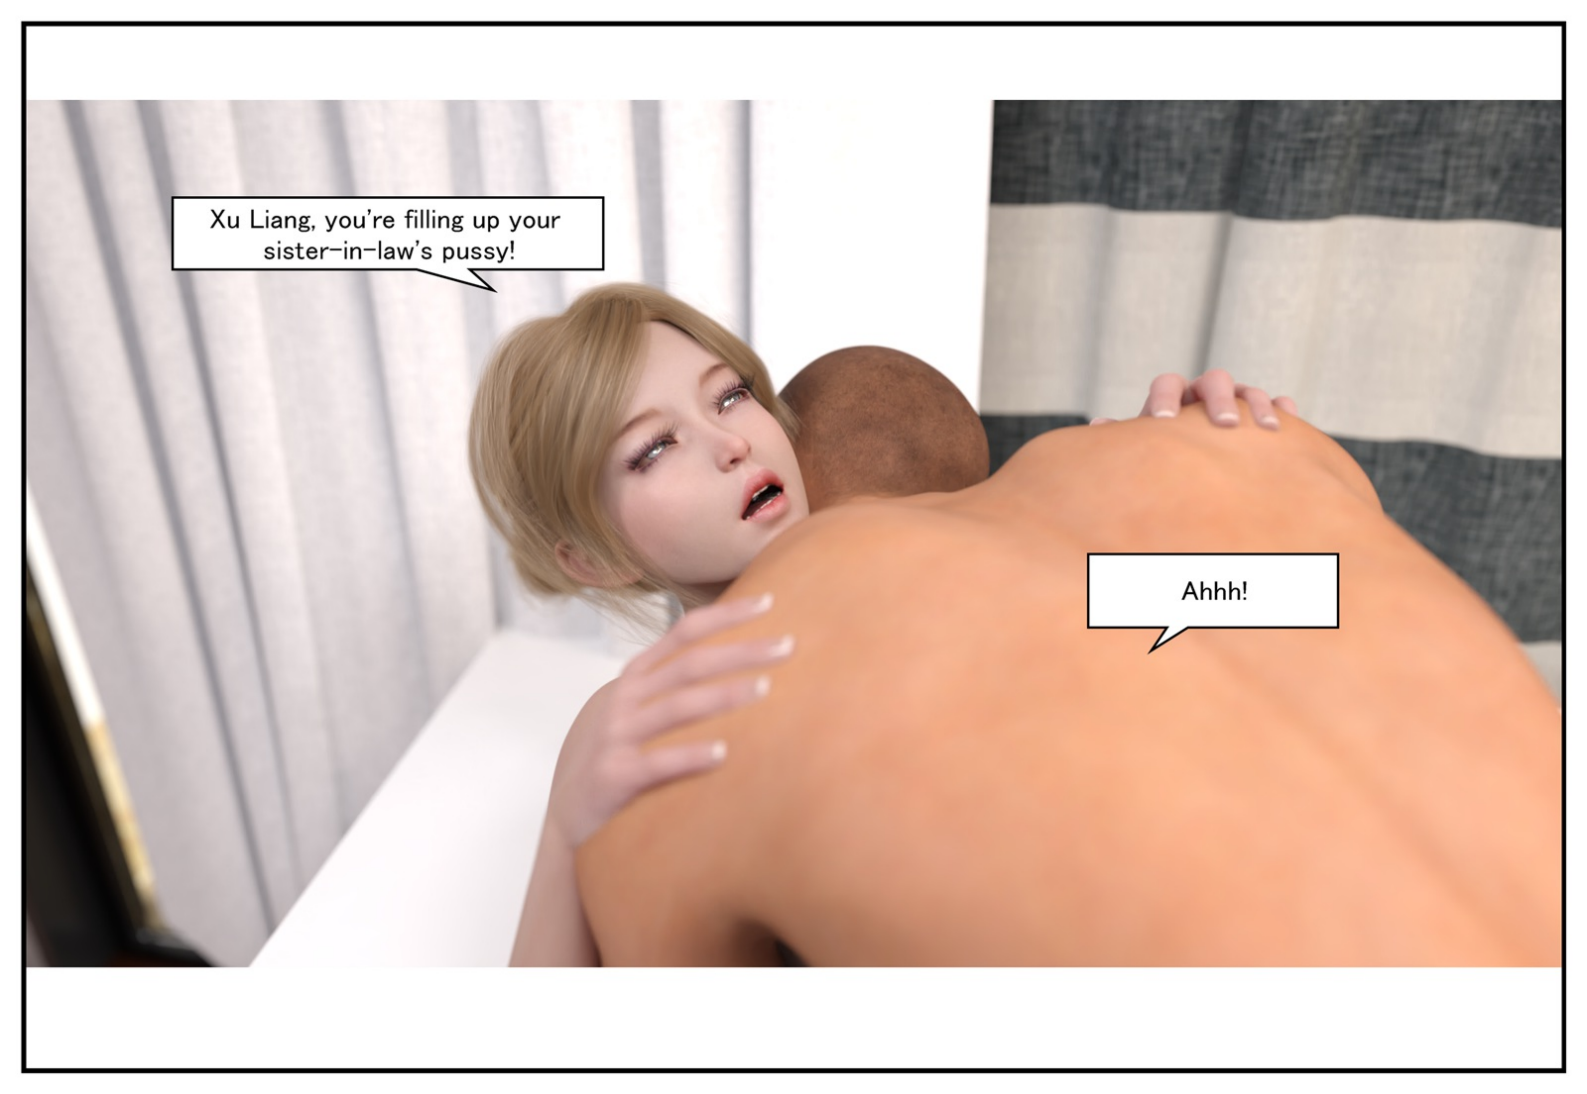

Ah, Xu Liang, you're even
more vigorous than my husband.

Uh-uh~

A woman with blonde hair is embracing a man from behind. She is looking over his shoulder with a surprised expression. The man is shirtless and has his back to the camera. They are in a bedroom with a bed and curtains visible in the background.

Xu Liang, you're filling up your
sister-in-law's pussy!

Ahhh!

Ha... ha... Oh my god, it feels
so good.

How did you cum so much?

I never thought I'd end up cucking myself... but it feels amazing.

Hey, you're not planning to
take this skin back, are you?

No, no, you can keep the skin.

Next time, no fantasizing about your sister-in-law, got it? (Your sister-in-law's dick is thicker than yours now, do you still dare to fantasize about her?)

If you can't take it, come find me.

The next day

Last night was amazing. Doing it with Xiao Mei, a fresh graduate intern, was incredible, completely incomparable to a man's ass.

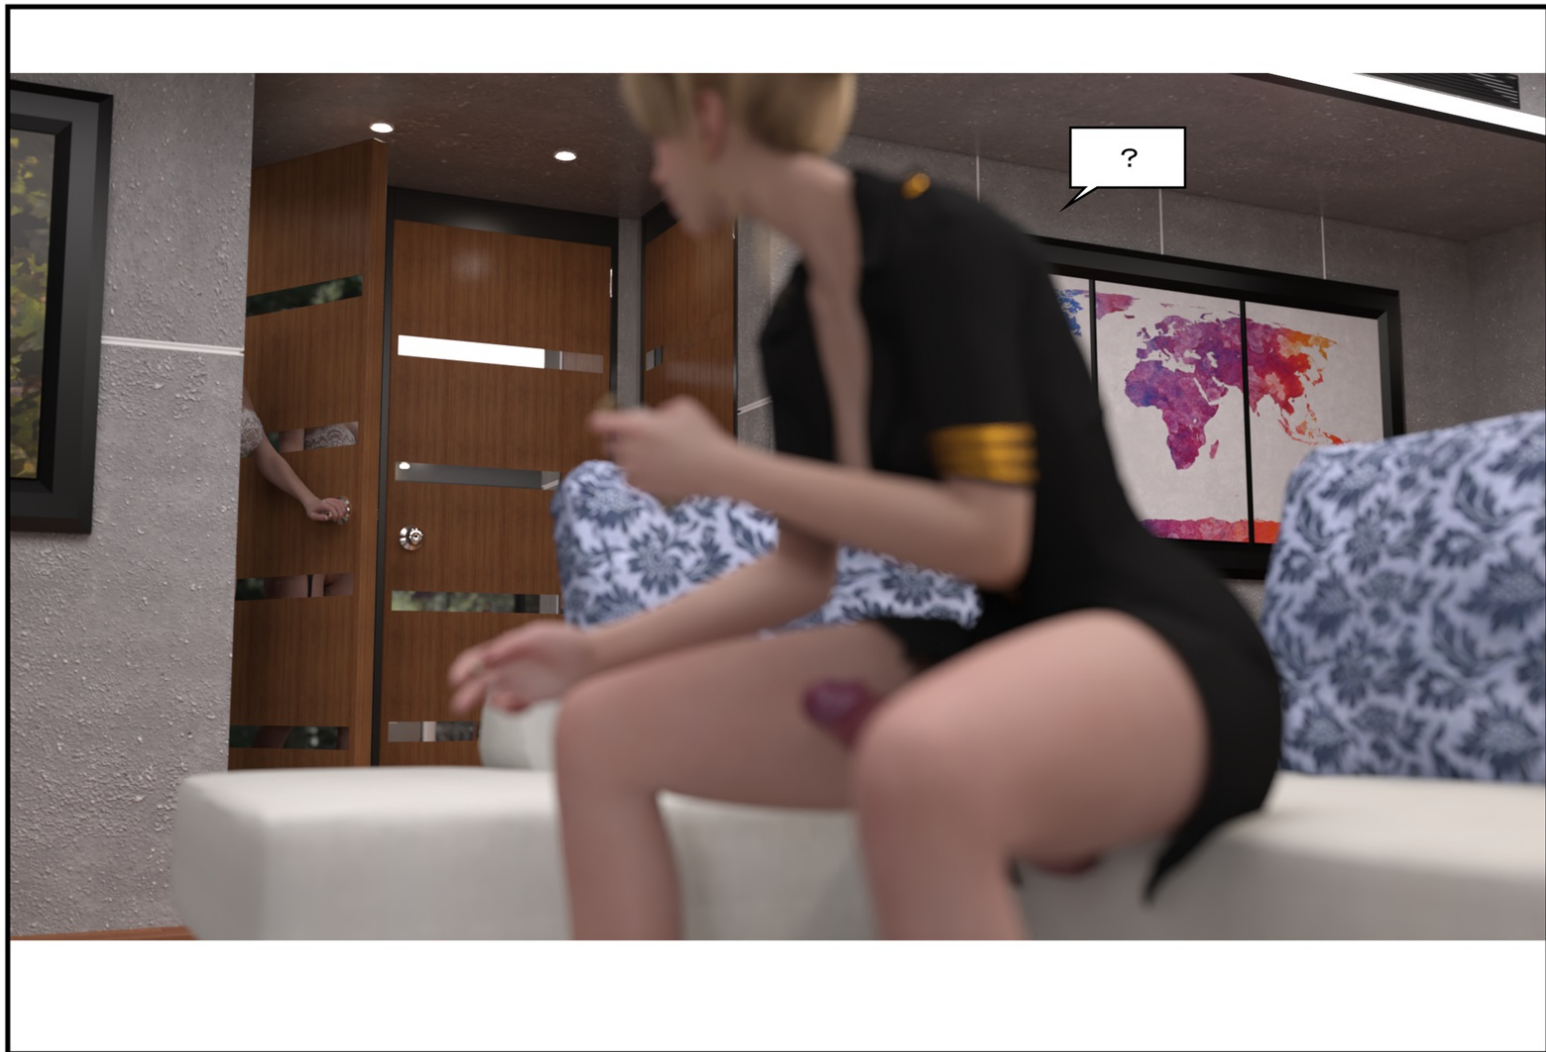

Indeed, going back as a flight attendant with a dick was the right choice.

I also need to find a way to get Wang Ling, that slut. She's quite cheap, but her body is really sexy, and she has big breasts.

Just thinking about it makes my dick hard.

Oh my god! Who... who are you?

I... I am Liu Wanna, who are you?

How is that possible? I'm clearly Liu Wanna.

Look at your dick, you shemale.
Where did you come from,
pretending to be me in my house?

Liu Wanna never thought she would find herself in such a situation. But as this Liu Wanna said, with her current erect dick, it was hard to prove she was the real Liu Wanna. If she really called the police, she would be at a loss for words.

I..I.

Hahaha, scared to death,
aren't you?

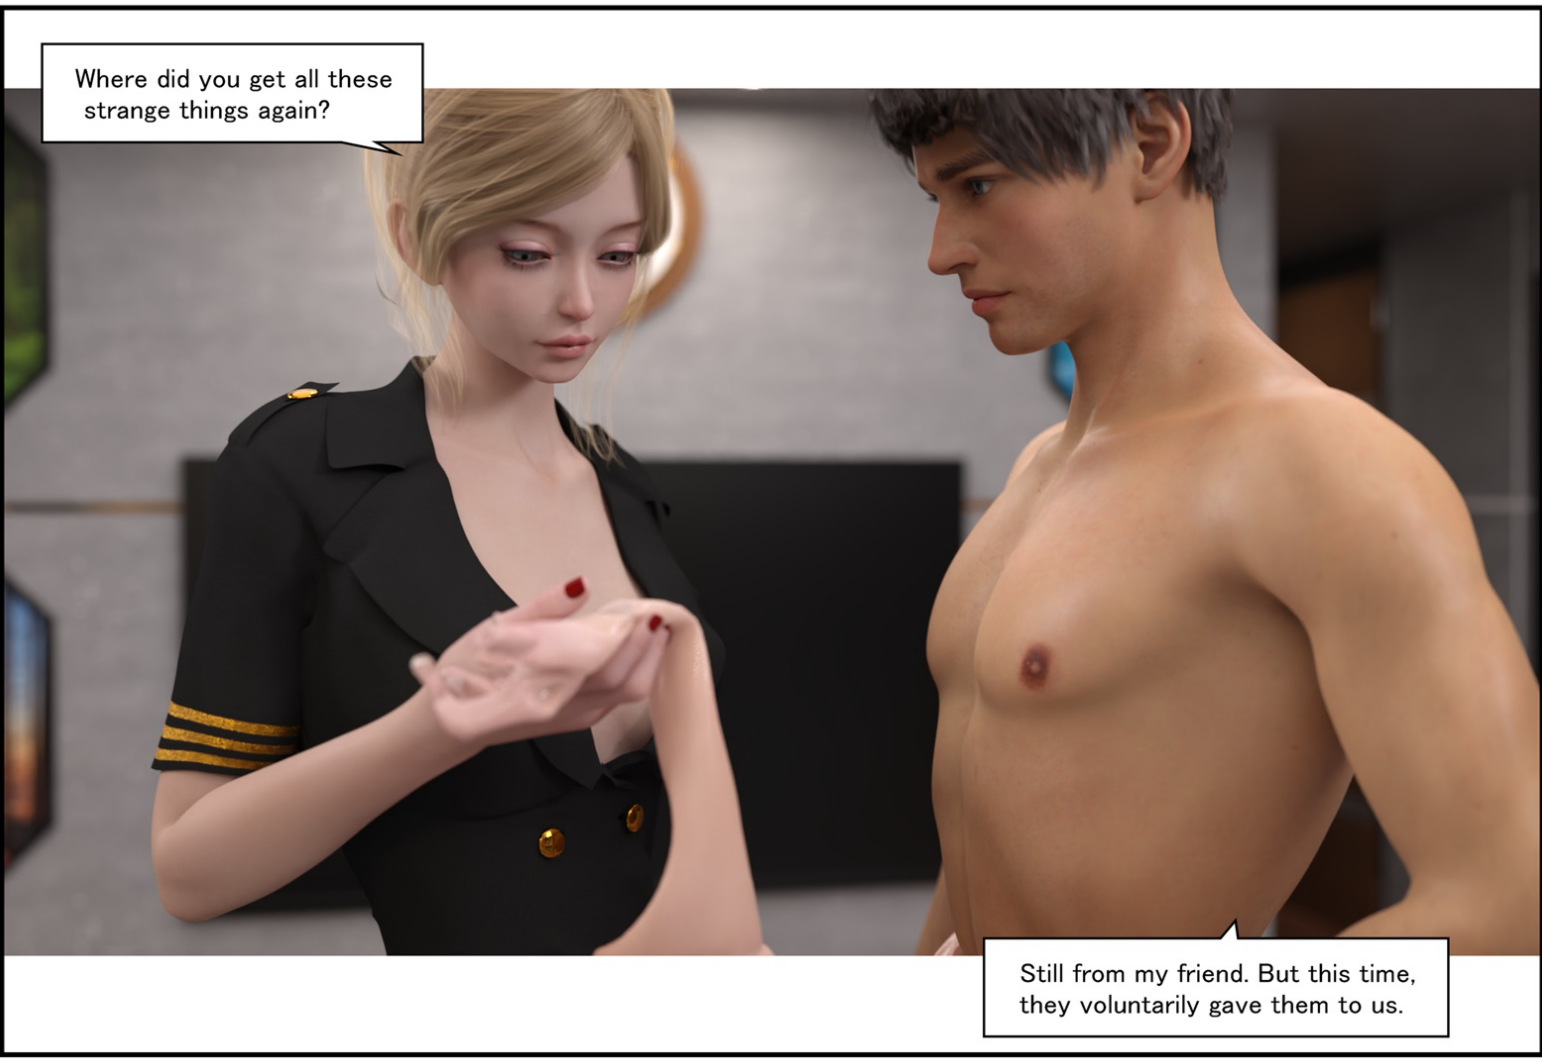

Who are you really?!

Alright, alright, I'm just teasing you.

It's me.

Where did you get all these strange things again?

Still from my friend. But this time, they voluntarily gave them to us.

Is that so? Then why did you take
it off? Didn't I play the role well?
Put it back on and continue.

Now that I'm back, isn't it time
for you to perform well?

A 3D rendered woman with blonde hair tied back, wearing a black uniform with a white lace collar and gold buttons. She is looking slightly to the side with a soft expression. The background is a grey wall with several octagonal framed pictures of nature scenes.

Honey... even if you want to be on top, there's no need to make me wear your uniform.

Come on, Ms. Liu, let me, this imposter, satisfy you with this big dick.

It's still you, who likes to start
with the mouth after playing
with many shemales.

I must say, your dick-sucking skills are much better than your pussy-licking skills.

Feels so good, I can't take it,
I'm going to cum.

How did you cum so soon?
I haven't even had my fill yet.

Don't underestimate my dick, okay?
It's much better than yours. I'll
fuck you until you beg for mercy.

But first, come here, let me see.

Whoaaa.

So sexy, they even made my
breasts bigger?

Ah, honey, these breasts
are super sensitive.

Still calling me honey? My dick is so big, and you look more feminine than me now. Shouldn't you change what you call me, hmm?

Yes.

How is it? My dick is much
thicker than yours!

Yes, yes, husband's dick feels so good~

You seem to enjoy playing my role.
How about occasionally going to
work as me?

Yes~, from now on, I'll be your flight attendant wife, Liu Wanna.

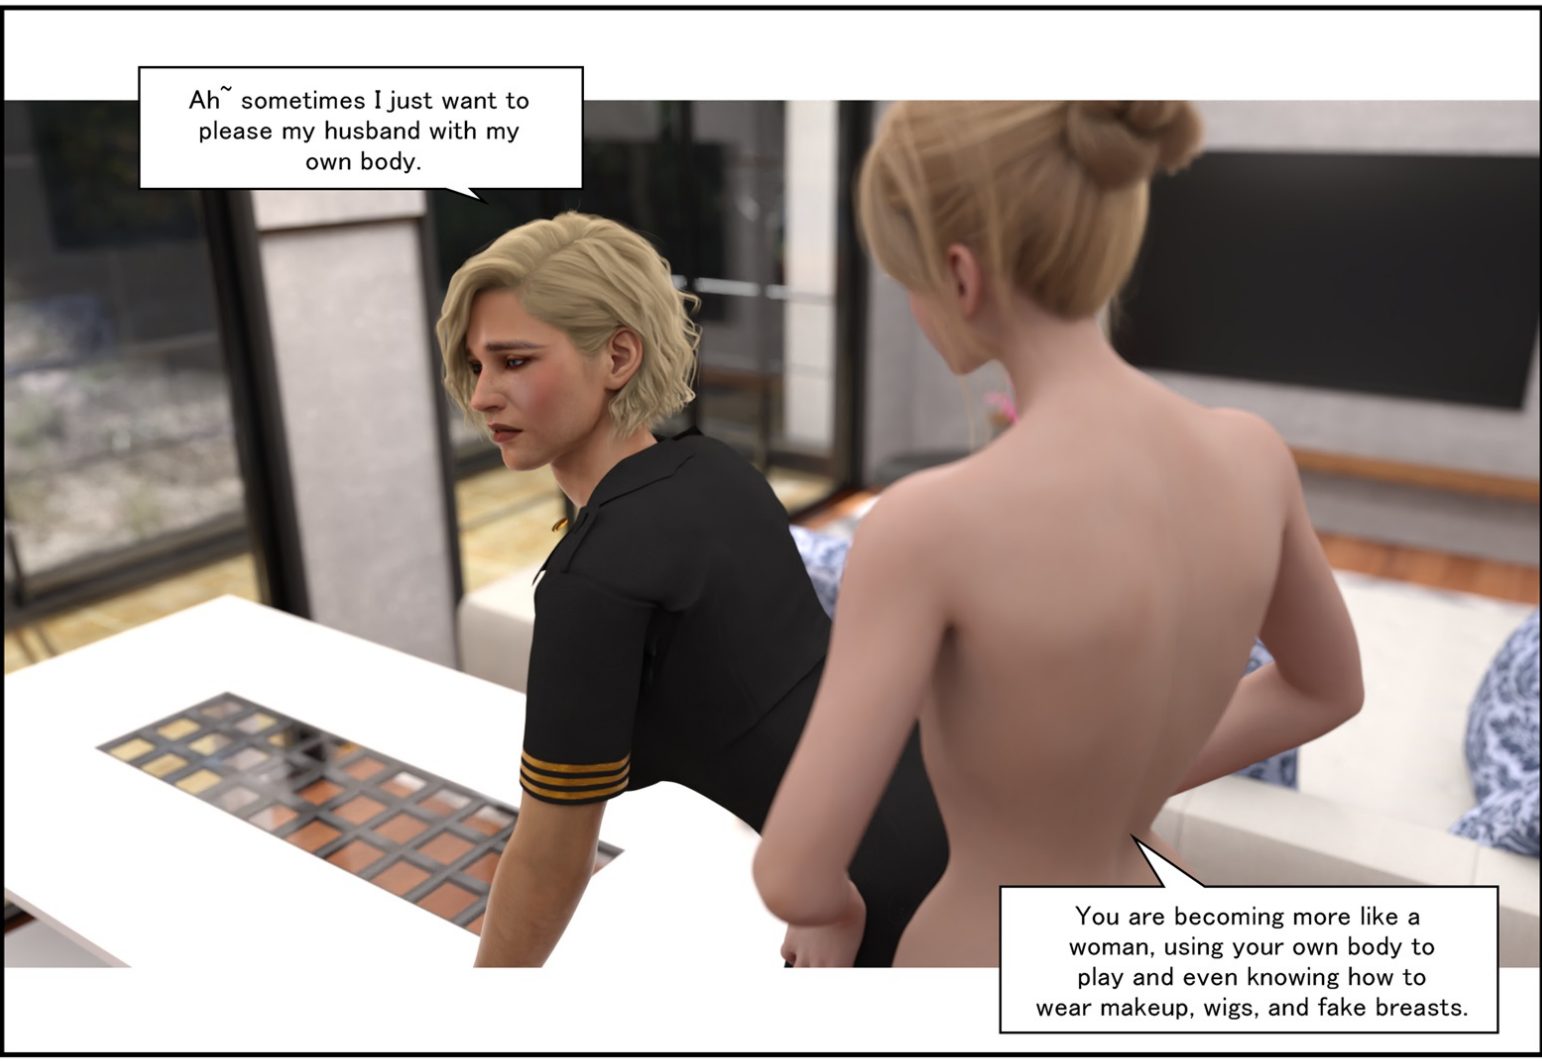

Okay, husband, fuck Nana
to death~

Not even wearing the skin today?
What's wrong? Got tired of wearing
my skin too?

Ah~ sometimes I just want to
please my husband with my
own body.

You are becoming more like a
woman, using your own body to
play and even knowing how to
wear makeup, wigs, and fake breasts.

You just love the feeling of being
fucked in the back, don't you, slut?

Ah~ I love being fucked by
my husband in the back.

A 3D-rendered scene depicting a woman with blonde hair tied in a bun, sitting on a white sofa with blue floral patterned cushions. She is nude. A man with blonde hair, wearing a black shirt with yellow stripes on the sleeves, is kneeling in front of her, looking down at her. The background shows a modern interior with large windows and a balcony.

Come on, clean your
husband's dick with your mouth.

Mmm~

Put my skin back on later.
I have important things to do on
tomorrow's flight.

The next day on the plane

Xiao Mei, I thought of a way to help you teach Wang Ling a lesson. You can treat her the way she treated you, and she will have to endure it silently.

Sis, don't joke around. Wang Ling would never silently endure it.

I know you're good to me, but you don't have to go so far for me.

What, you don't believe your sister can do it? I can turn you into Wang Ling and her into you.

Ah, sis? Are you serious?
You really have a way to do this?

If you really can, of course, I want to try. I hate that woman. I really want her to experience being bullied.

Then don't be surprised by
anything you see next, just do
as I say.

Got it, sis.

Sis, why do I have to take
off my clothes?

Wow, sis, what is this?

Didn't I say? Don't ask, just do as I say. Come here, I'll help you put it on.

Will wearing this really turn me
into Wang Ling? But will Wang Ling
cooperate to become me?

Don't worry, whether she wants to or not, by the time she realizes it, it'll already be on.

A woman with short, vibrant red hair is in the foreground, slightly out of focus. She is wearing a black strapless tube top and is looking towards the background. In the background, a woman with blonde hair, wearing a black dress and black heels, is walking away from the camera down a hallway. The hallway has a light-colored, textured carpet and dark wood paneling on the walls. A television is mounted on the wall to the right, displaying a brightly lit interior scene. The ceiling has recessed lighting.

Huh.

Hello~

Is there anything I can help you with?

There's a strange smell in the first-class restroom, can you check it out?

Of course, no problem, ma'am.

It's been fifteen minutes and she still hasn't come out. Looks like it worked.

Just kidding, there's no smell.
I sprayed a hallucinogen in there
earlier.

Luckily, my husband put the skin
on the plane beforehand. I'll just
help you put it on.

This thing is quite hard to get on alone.

I wonder how you'll feel when you wake up and find yourself turned into this subordinate you used to despise.

This flight will definitely be
unforgettable for you.

Phew, finally done. I need to quickly change your clothes. After all, your current body is much smaller than before.

How does it feel, the mature body
of a woman who's given birth,
compared to your young girl body?

Mm~ feels so good, Sister Na!

Sister Na? Hehe, you are now the oldest and most experienced Wang Ling in the flight crew.

Right, right, Na Na, fuck me hard.

Mrs. Ling, tidy up. We're still at work. I'll go check on the cabin.

You should also go see how 'Xiao Mei' is doing.

Mm~

A woman in a black, form-fitting dress stands in a modern bathroom. She is positioned in the center-left of the frame, facing away from the camera. The bathroom features a large mirror, a white sink, and a bathtub. In the background, another person is visible near the sink. The lighting is warm and modern.

How strange, today...

How did I suddenly faint at work?
Was I too tired?

Why were you in the first-class
restroom for so long? Were you
slacking off in there?

Huh? You?

You're Wang Ling, then... who am I?

Oh my god! Why am I Xiao Mei?

It seems I misunderstood you.
You weren't sleeping in there,
you were up to no good.

Oh my god!! What is going on?

You have ten minutes to get
yourself together and get back
to work!

I'm going to have some rest.

Damn it, damn it, damn it...

How did she turn me into this?
Not only did I become her, but
now I'm neither male nor female...

What's this muttering to yourself,
Xiao Mei? Are you unhappy that
I made you clean the toilet?

Ah, no, Mrs. Ling...
How could I dare?

That's good to hear. After you
finish cleaning the toilet, come to
the lounge. I have something to tell you.

Okay..

A woman with long, vibrant pink hair is lying on her side on a bed with a beige, ribbed blanket. She is wearing a black, form-fitting dress and white high-heeled sandals. She is looking towards the right side of the frame. Another person is partially visible behind her, mostly obscured. The room has a modern, minimalist design with light-colored walls and a dark headboard. A small, rectangular light fixture is mounted on the wall above the bed. The floor is covered with a light-colored carpet. The overall atmosphere is intimate and relaxed.

Don't you really need to keep an eye on those two? Is it okay for you to come here to rest?

It's fine. Xiao Mei is currently enjoying Wang Ling's body, playing with the transformed Wang Ling.

Goodness, only you could come up with that.

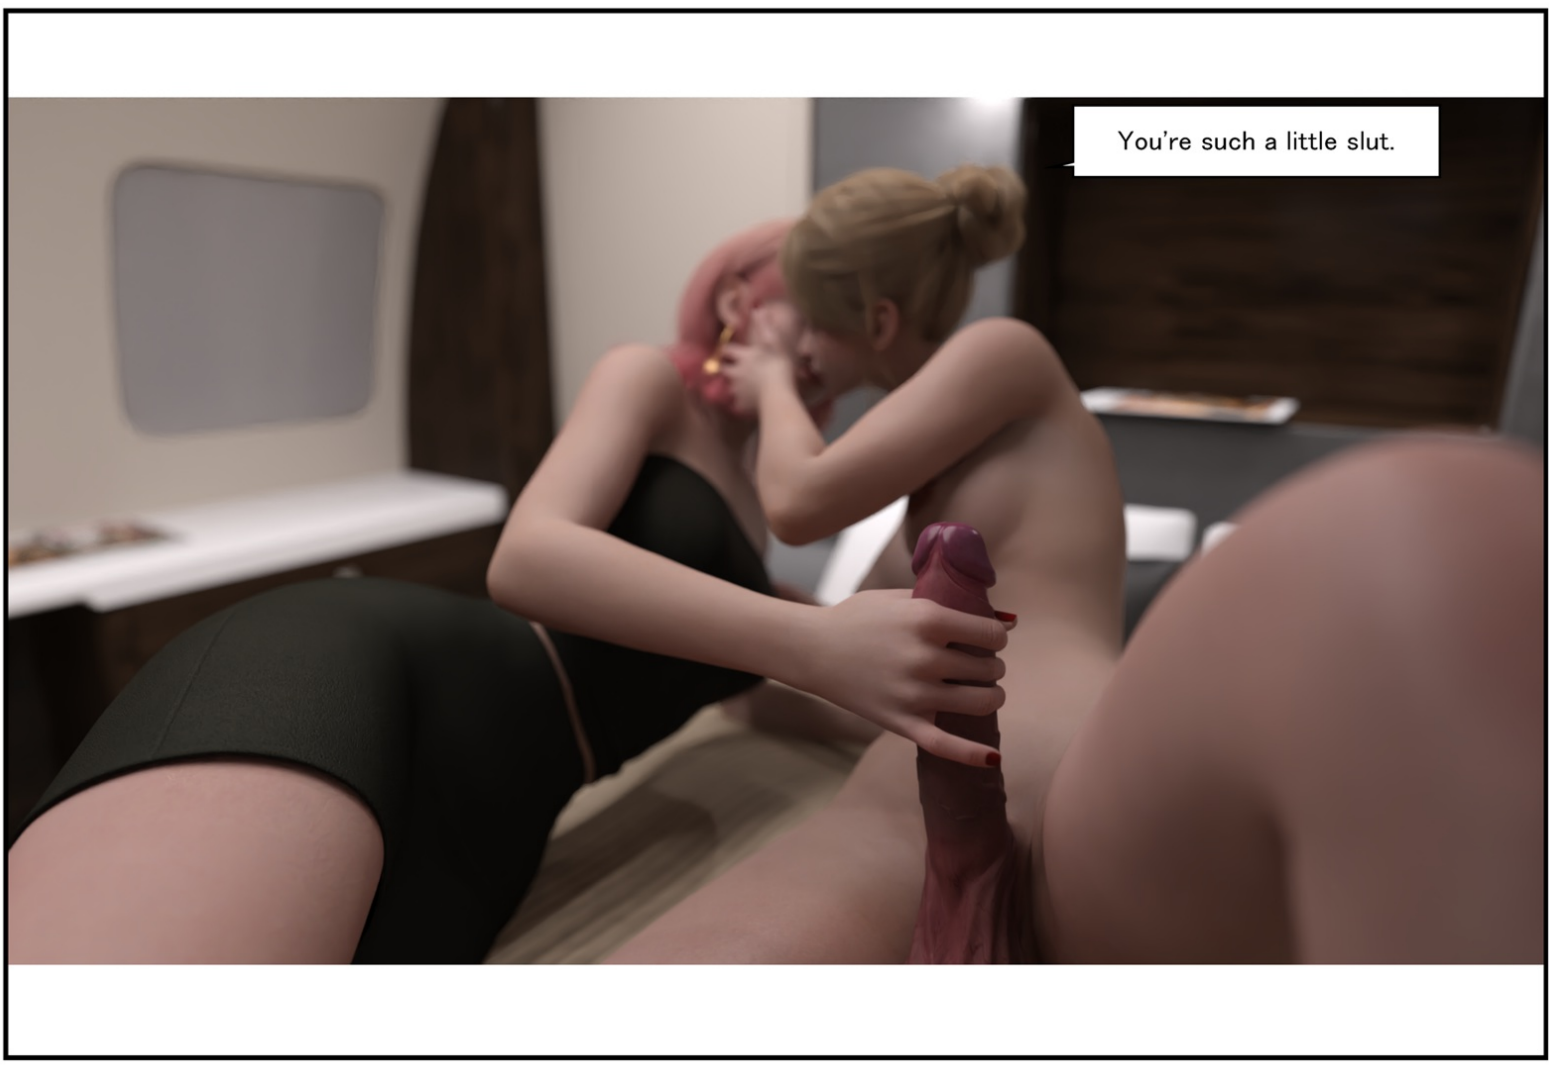

Don't worry about those two. Come on, give me a hand job.

Your dick has such a strong libido, stronger than a man's. Why don't we wait until we land and then play at the hotel?

There's still half a day before we land.

Is that so? Then instead of a hand job, why not reward my pussy with your dick?

You're such a little slut.

Xiao Mei, why... Why did you do this? Hurry and change us back.

A close-up shot of a woman with short, wavy blonde hair, wearing a black flight attendant uniform with a gold scarf. She is looking down and slightly to her left with a subtle, knowing smile. The background is a blurred interior of an airplane cabin.

Why? I was just afraid that passing my probation evaluation would be too difficult. I couldn't pass it on my own. Until I got full-time employed you'll help me perform well.

Uttill you can be full-time employed here? That's... another half a year. What about my child and husband?!

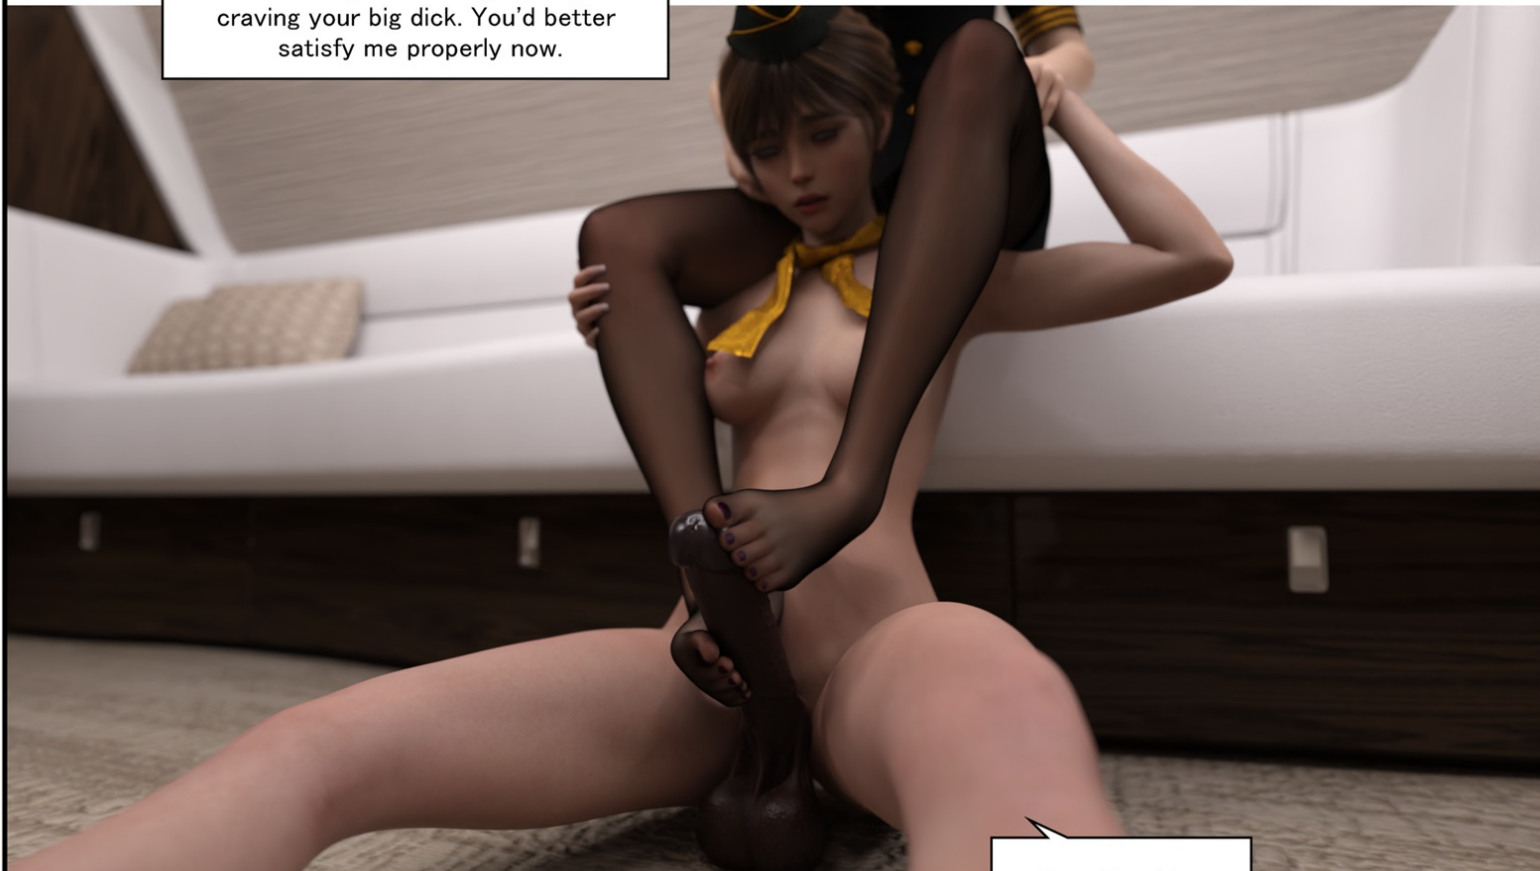

Xiao Mei, you're a recent graduate. Where would you get a child? I'll take care of Wang Ling's child and husband myself. You just need to focus on your position and worry about your job.

If you fail the confirmation and
get fired, be careful, you might
forever remain a shemale with
that big black dick.

Sister Ling, Xiao Mei understands.
Xiao Mei will follow Sister Ling's
words and work diligently during
this period.

Just in time, Sister Ling's pussy is craving your big dick. You'd better satisfy me properly now.

Fine, Mrs. Ling.

Mrs. Ling, Xiao... Xiao Mei is going in.

Ahhh, Xiao Mei, your dick feels too good. my slutty pussy can't take it.

.The True End.
