

Hi. I'm Dan. or Danny. That's not important, I'm bad at starting this. Well here goes...

I'm back on dating apps... I've tried pretty much everything at this point...  
countless swipes but almost to show for it. I've gone out with a couple nice girls  
here and there but it's always been a disaster. Guess I'm just bad with women...  
I can't find stuff to talk about.

But then I met her. Let me tell you about last night.

I was doing my usual swiping for the evening when I saw this goth looking girl.

"A bit insecure about my height. I don't like most people."  
A bit cynical I thought. There's no way a normal looking guy  
like me would ever match with a badass looking girl like this.

I did like her looks nevertheless. A couple piercings. Dark makeup.  
She didn't include any pics that showed anything other than her face.  
And Bam! It's a match!

I started with a simple "Hi" like an idiot... But she replied almost instantly. I couldn't help myself so I asked about her height. "About 7 feet, maybe a bit over, I dunno I haven't measured in a while" There was no way she was an 7 foot tall giantess I thought. "U there?" I nudged myself off my daydreaming as I realized I'd been staring at her picture for 5 minutes. I asked what does she mean she hasn't measured. Surely a 22 year old girl wouldn't grow taller anymore. "Yeah it's pretty weird huh? I think I'm still getting taller. I don't really notice it." "But hey you wanna meet znife?"

That's weird. We barely chatted at all. Maybe I was being catfished?  
I agreed nonetheless. So I got ready to go to a local bar.

It was really cold and bright outside. Fall was making it's first moves and winter wasn't far in the future. I approached the front entrance and saw a figure in front of the place. As I got closer I began to notice her features. Her head was over the door frame. Skintight black jeans on what looked like strong legs, definitely a fit girl. Was that her?

It had to be.

"V-valeria?" I stuttered and instantly felt stupid...  
She turned her head. And nonchalantly said hi to me.  
I felt like she definitely wasn't too interested in people.

You wanna go in? It's surprisingly cold out here...

Oh. I hadn't noticed. Yeah sure.

We sat down by the bar. Good lord the way her figure sank on the bar stool that was too tiny for her. We ordered a beer for each as she turned towards me and crossed her legs. I finally got a good look at her face as she brushed her dark hair out of her face. Exactly like the picture, I thought.

crazy beautiful... Though that wasn't the only thing I glanced at, obviously.

Slowly but surely I got into conversations with her and she started to open up a little. We ended up talking for a couple hours I think. She told me about still living at home with her mom, our music tastes, different beers, things that irk us, etc.

It went way better than I thought. I figured she would have been a quiet girl but I was delightfully wrong! After a couple hours seemed to pass in 15 minutes it was getting late and we decided to call it a night.

We ended the night with a hug. And by hug I mean she pulled my face in to her humongous boobs... Not so shy about that height of hers, I wondered.

A cinematic scene in a dimly lit bar. A woman with dark hair, seen from the back, wears a black lace-trimmed dress. A man with short brown hair, wearing a black mesh shirt, leans in towards her. In the background, a long wooden bar is illuminated with a warm orange glow, and a chair with a pink seat is visible.

Thanks for the night. Feels good to get out of the house once in a while...

s-sure...

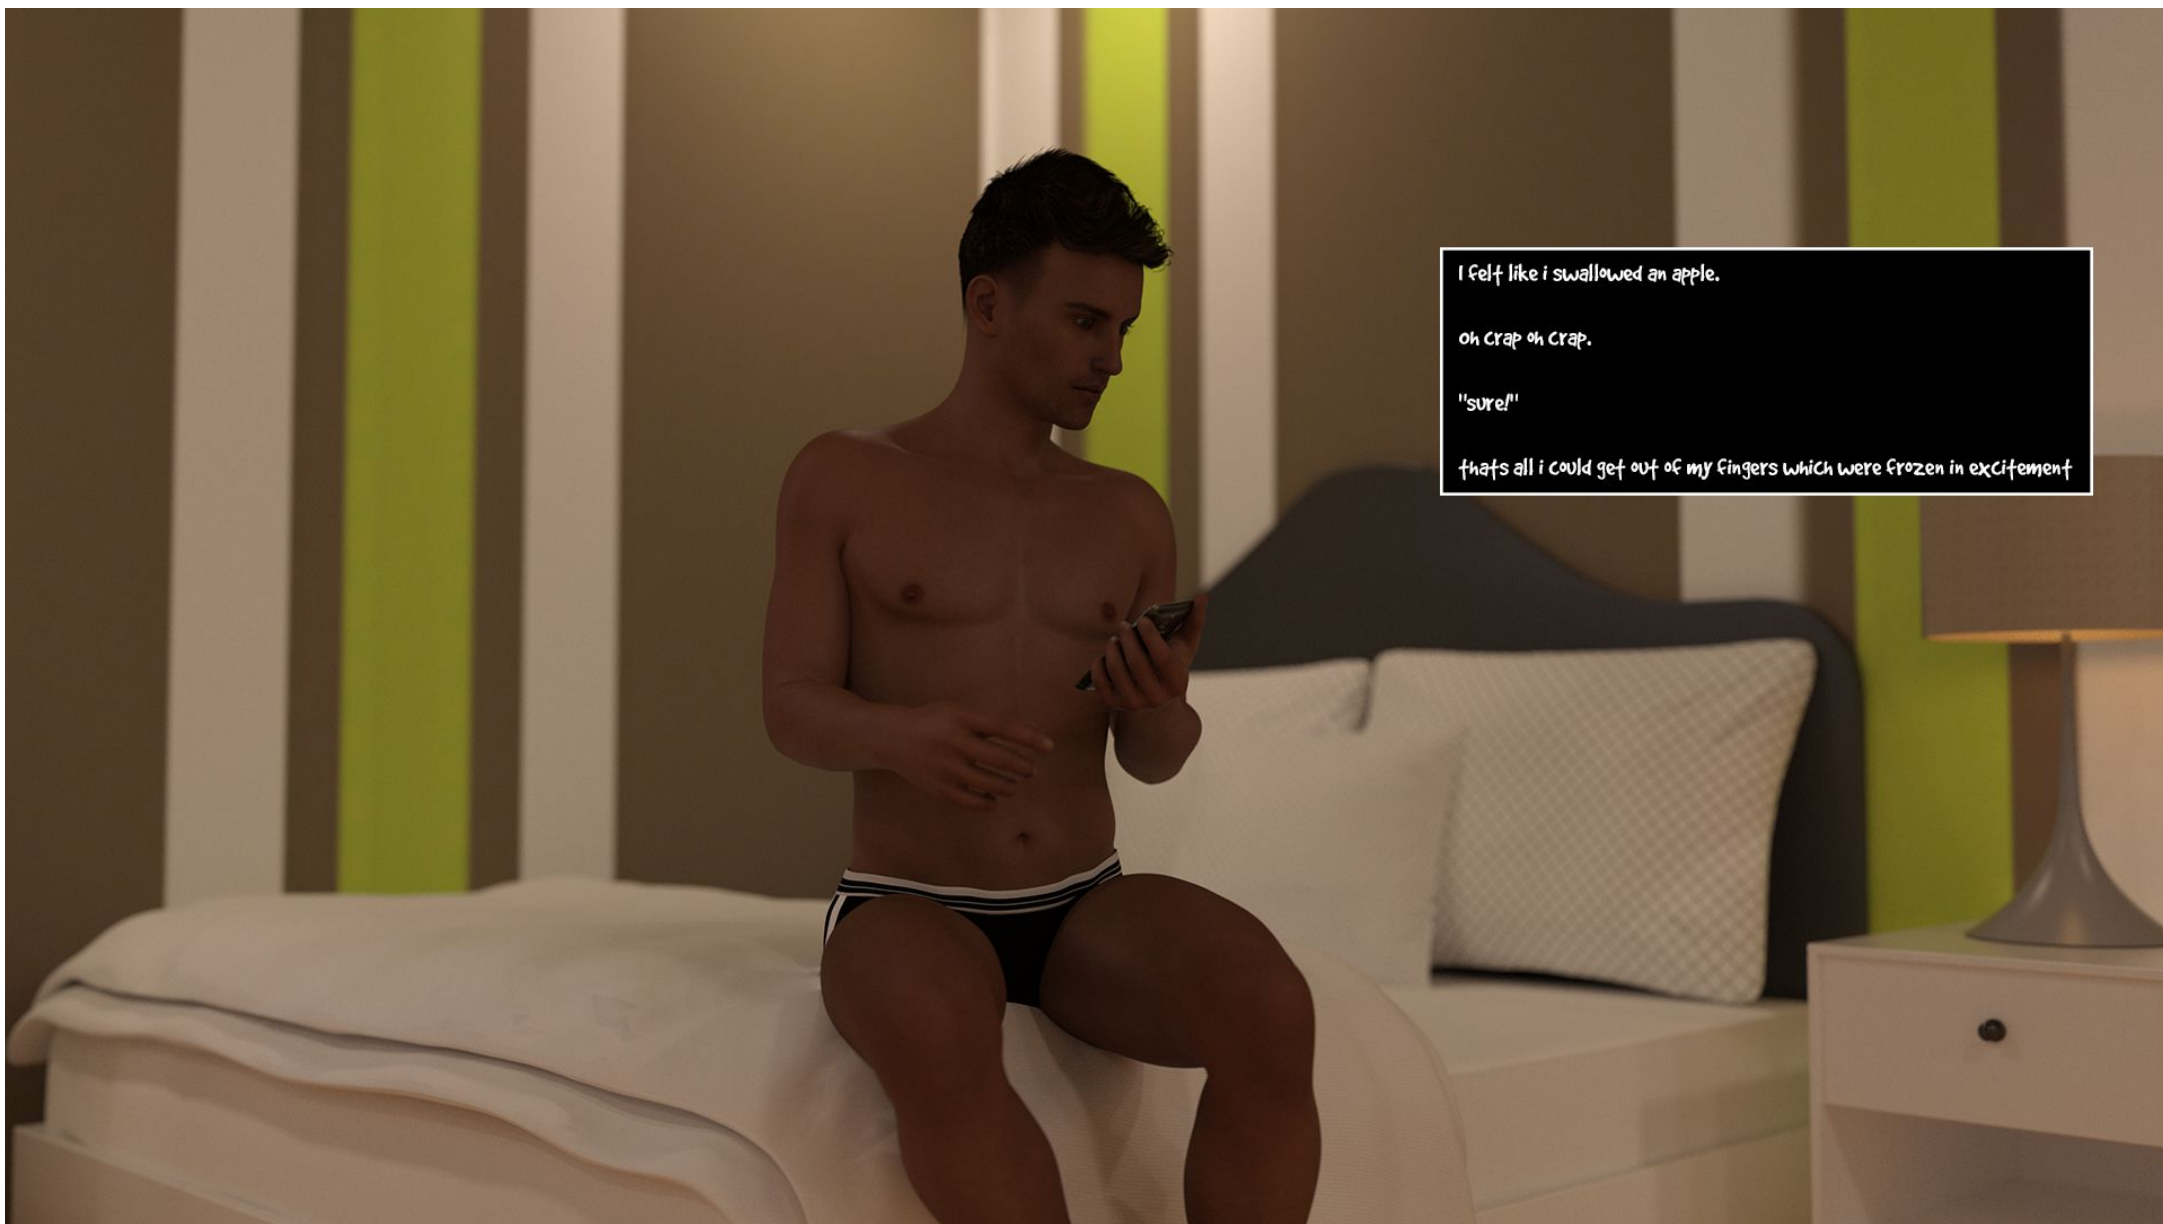

Couple days later...

We'd been texting a lot for the past couple days but today's been quiet.

Up until now.

"Wanna come over? My moms gone for a couple days."

I felt like i swallowed an apple.

oh crap oh crap.

"sure!"

thats all i could get out of my fingers which were frozen in excitement

Uhm... uhm... I scrambled for clothing.  
What should I wear?  
All black? Yep. She'll like that

Alright. Ready. No big deal. Im going to an insanely hot girlfriends place.  
Her moms not home. Noooo big deal....

Her apartment was huge. She opened the door in some casual clothing though even baggy shirts follow her every curve. She also wore some pretty high heels to further exaggerate her features and height. She doesn't seem to mind the comfortability issues with heels if she walks around her own apartment in them. To be honest I really like it.

Hey! You found the place!

Heh yep. Nice place!

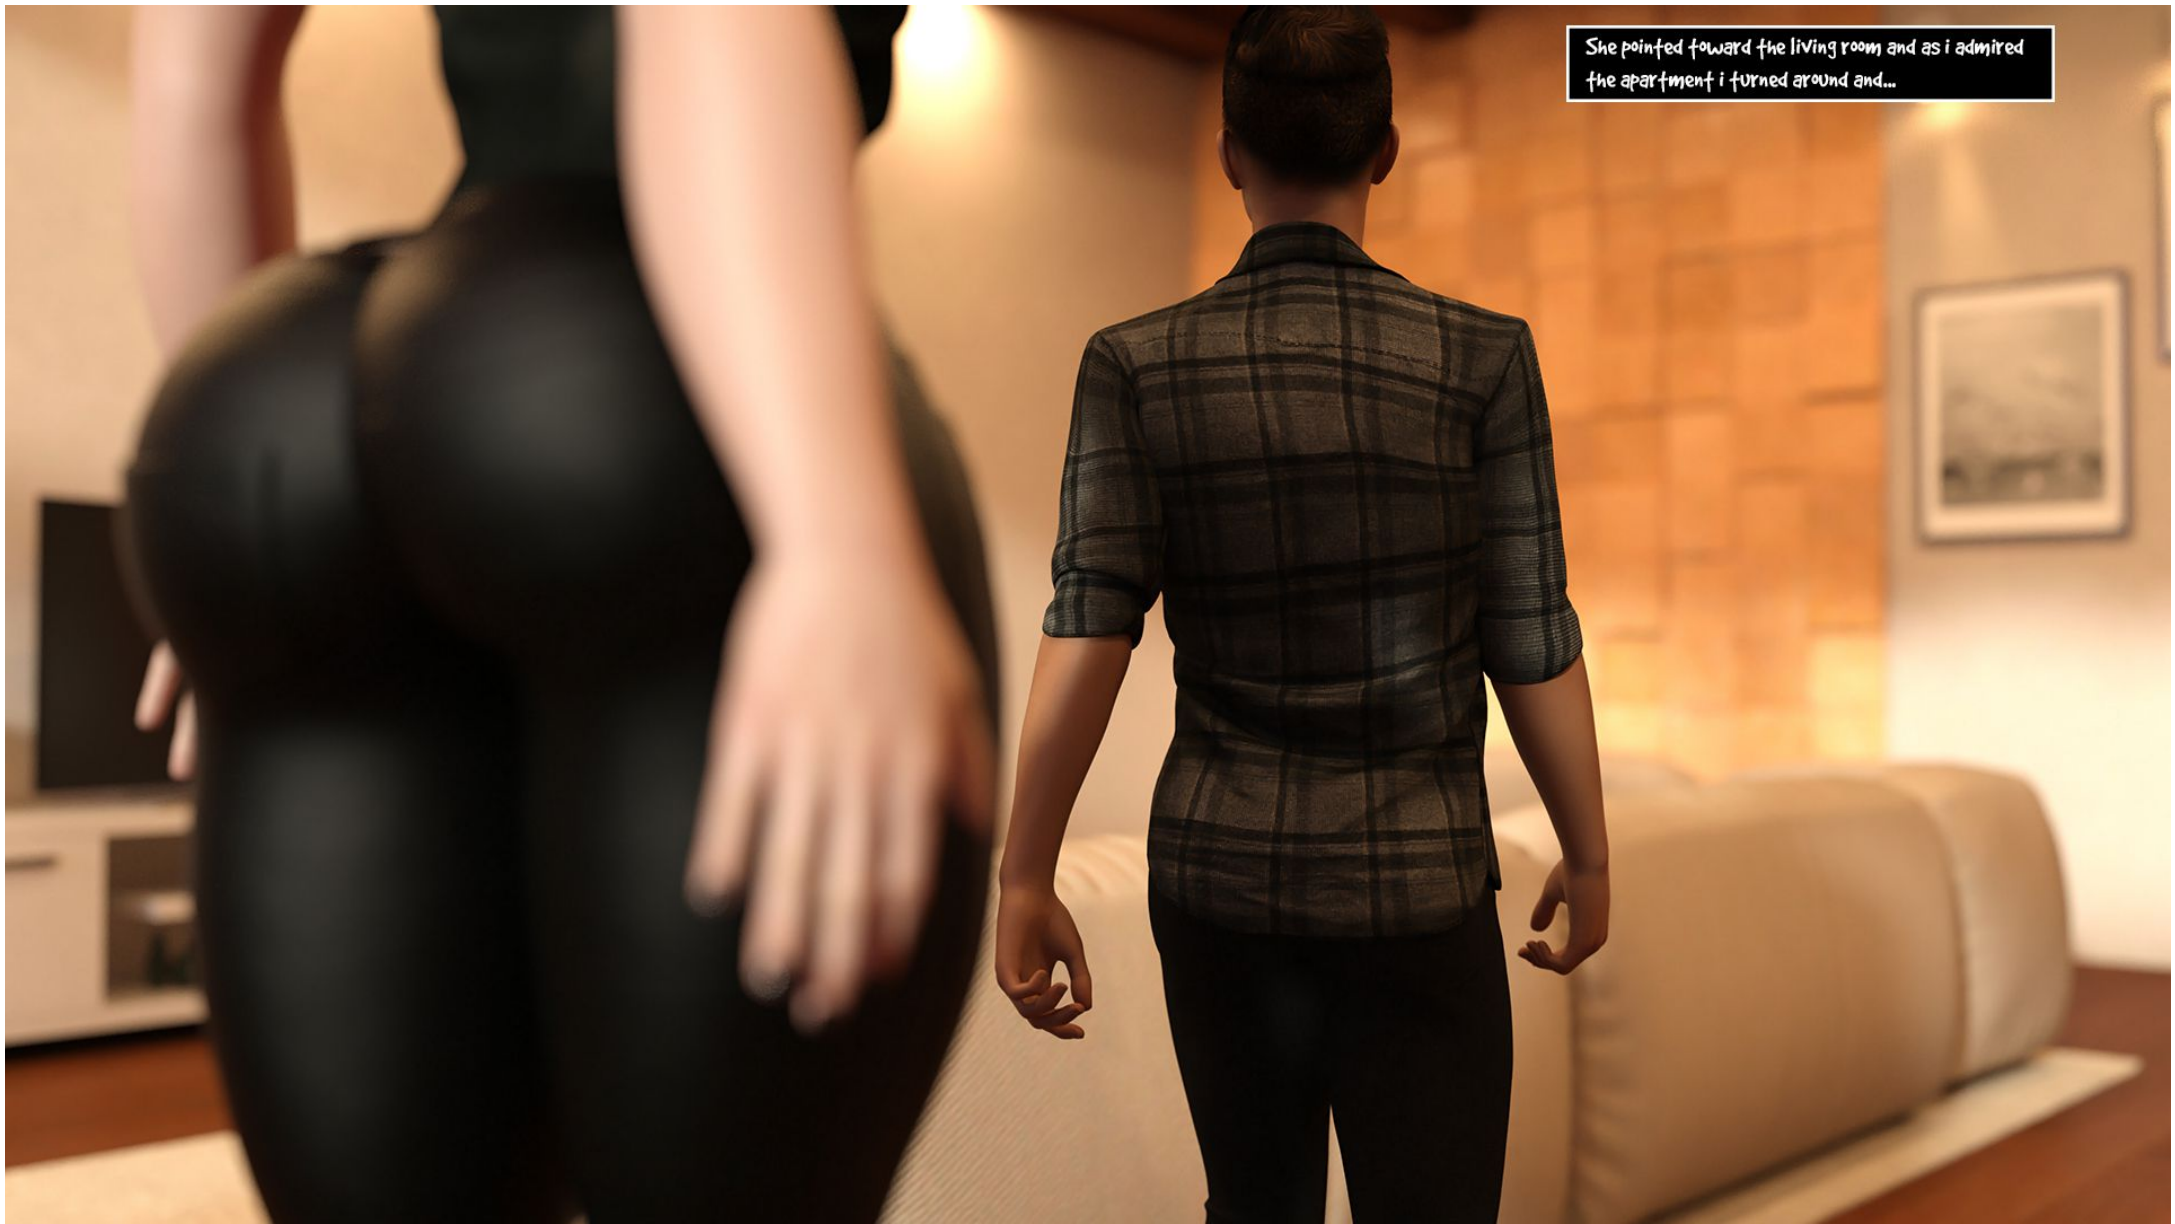

Yeah it's built a bit bigger than normal for my.. Uh, family.

Oh? I thought you lived just with your mom.

I do. I'll talk about it later...

She pointed toward the living room and as i admired  
the apartment i turned around and...

You nervous?

A little..

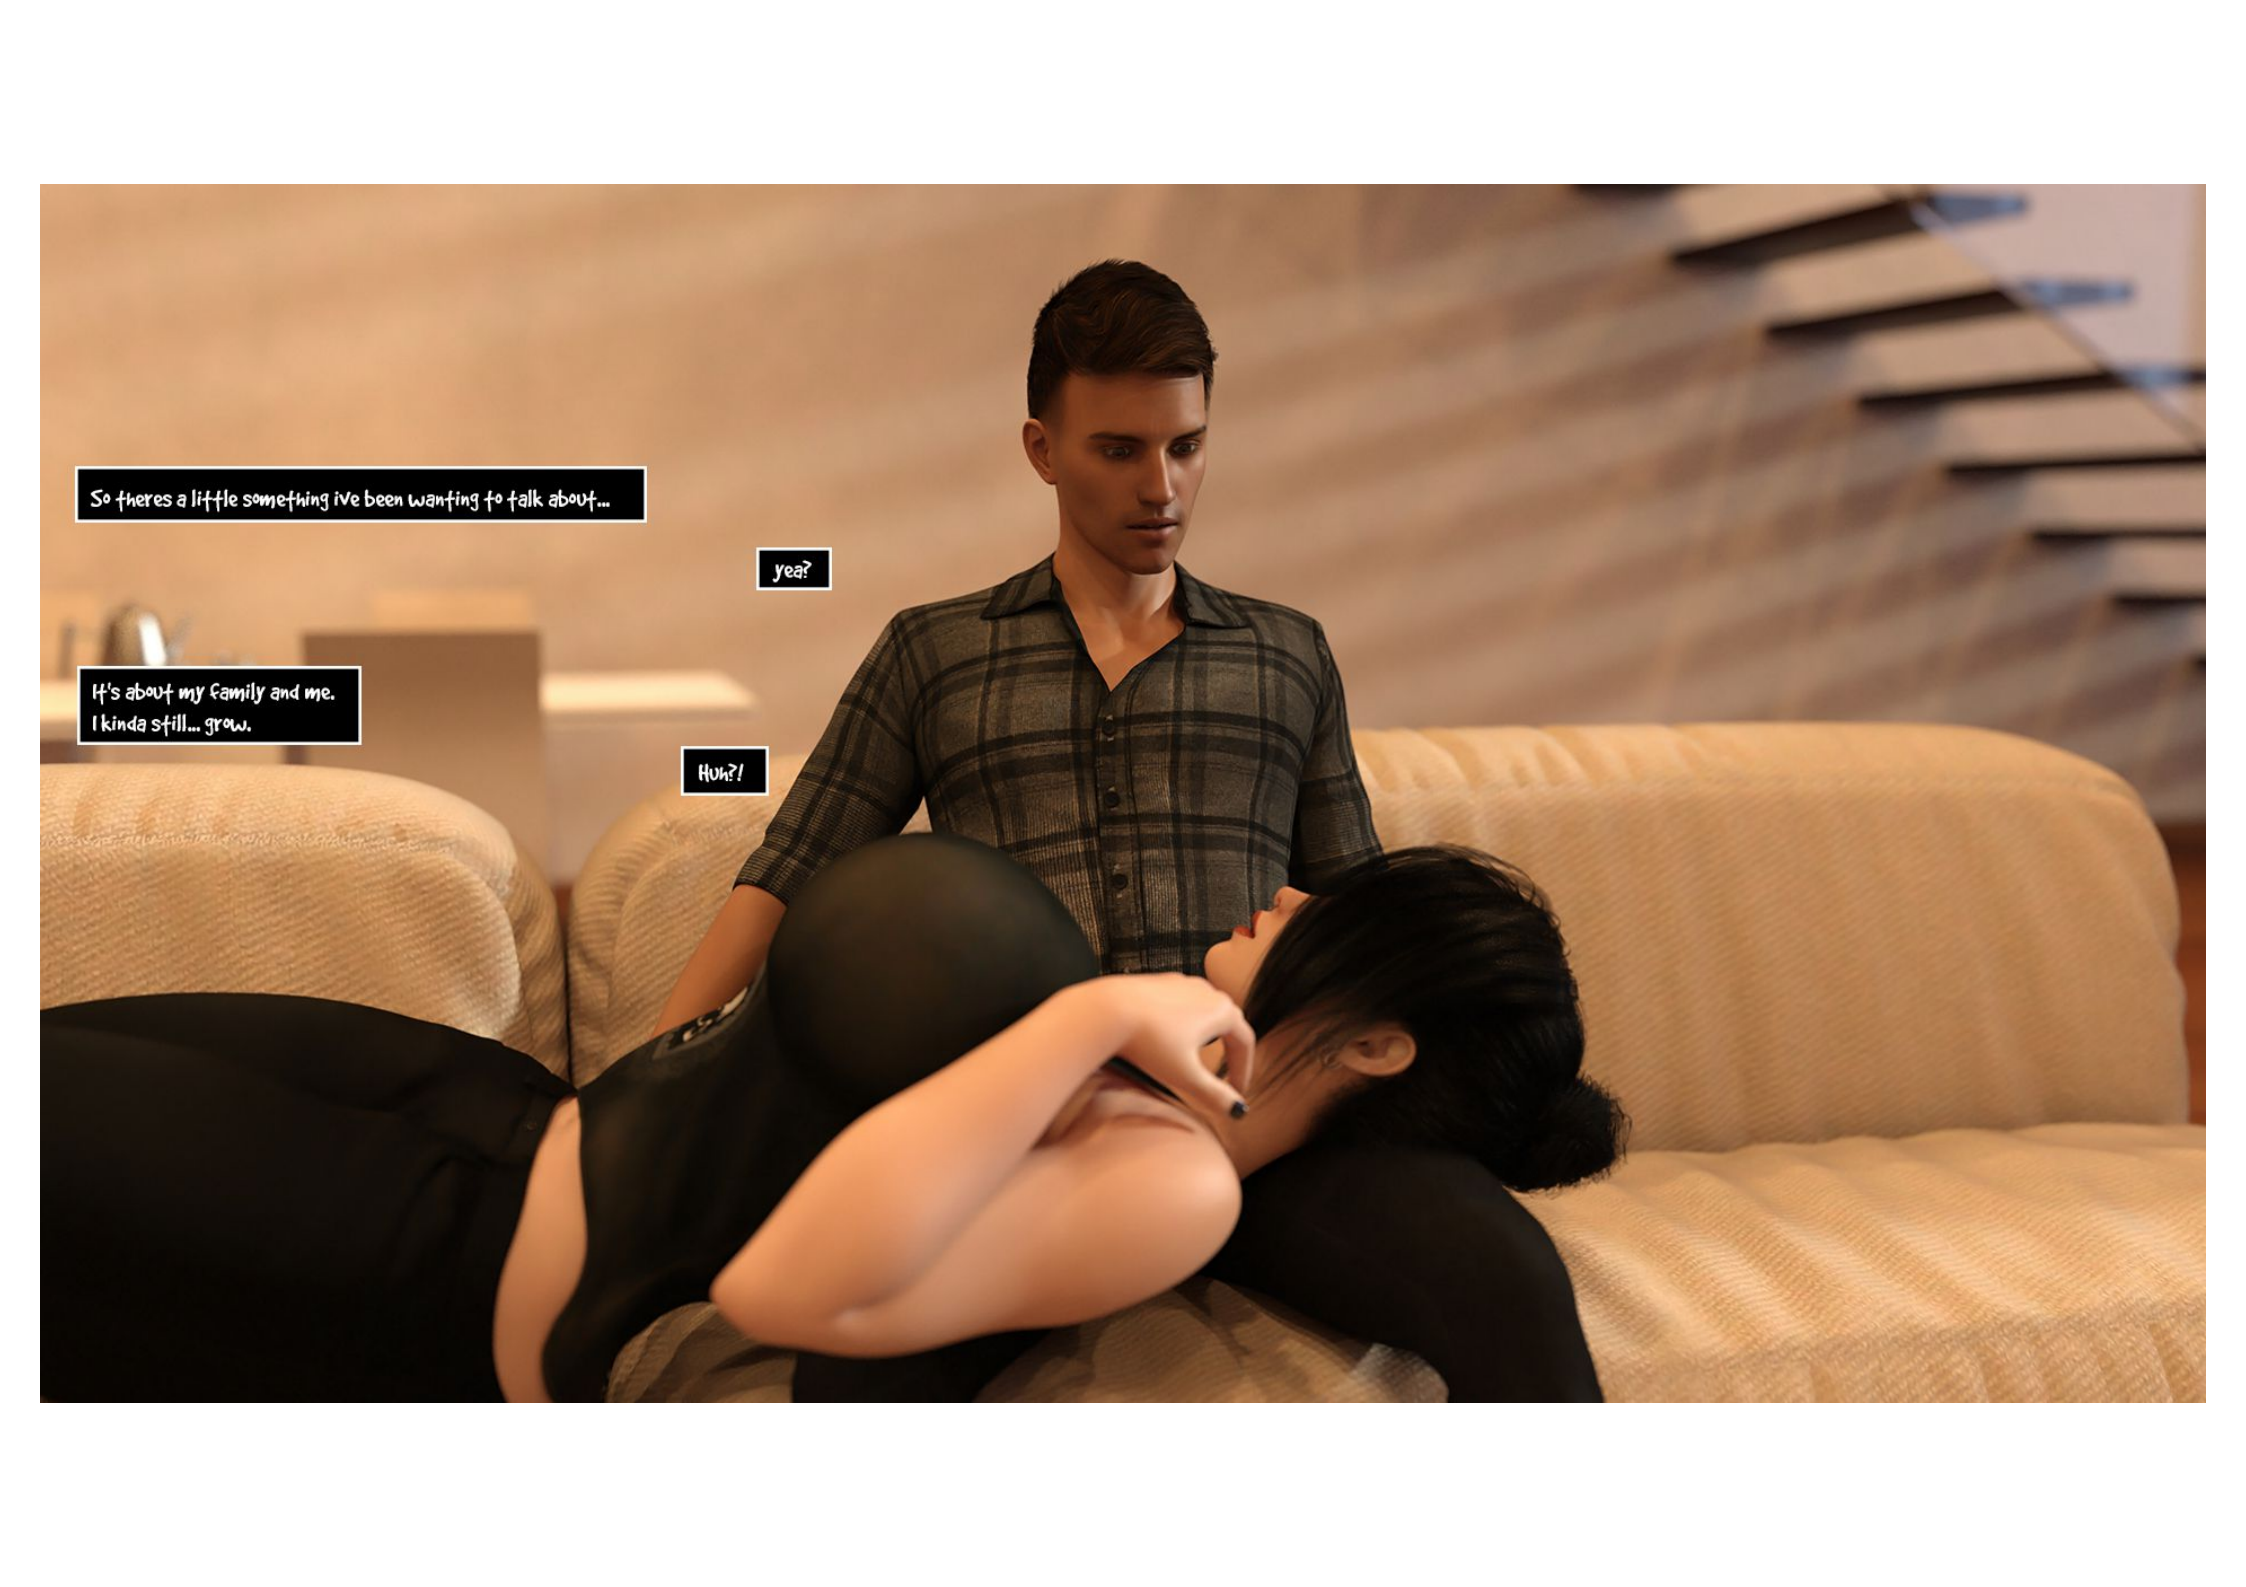

(Thats a lie. My heart rate is more like  
i just ran a marathon.)

That was nice...

You wanna watch a movie with me?

oh, Sure!

A man with short brown hair, wearing a dark plaid button-down shirt, stands in a living room. He is looking down at a woman who is lying on her back on a light-colored sofa. The woman has dark hair and is wearing a black top. She is looking up at the man with a slight smile. The background shows a staircase and a lamp.

So theres a little something ive been wanting to talk about...

yea?

It's about my family and me.  
I kinda still... grow.

Huh?!

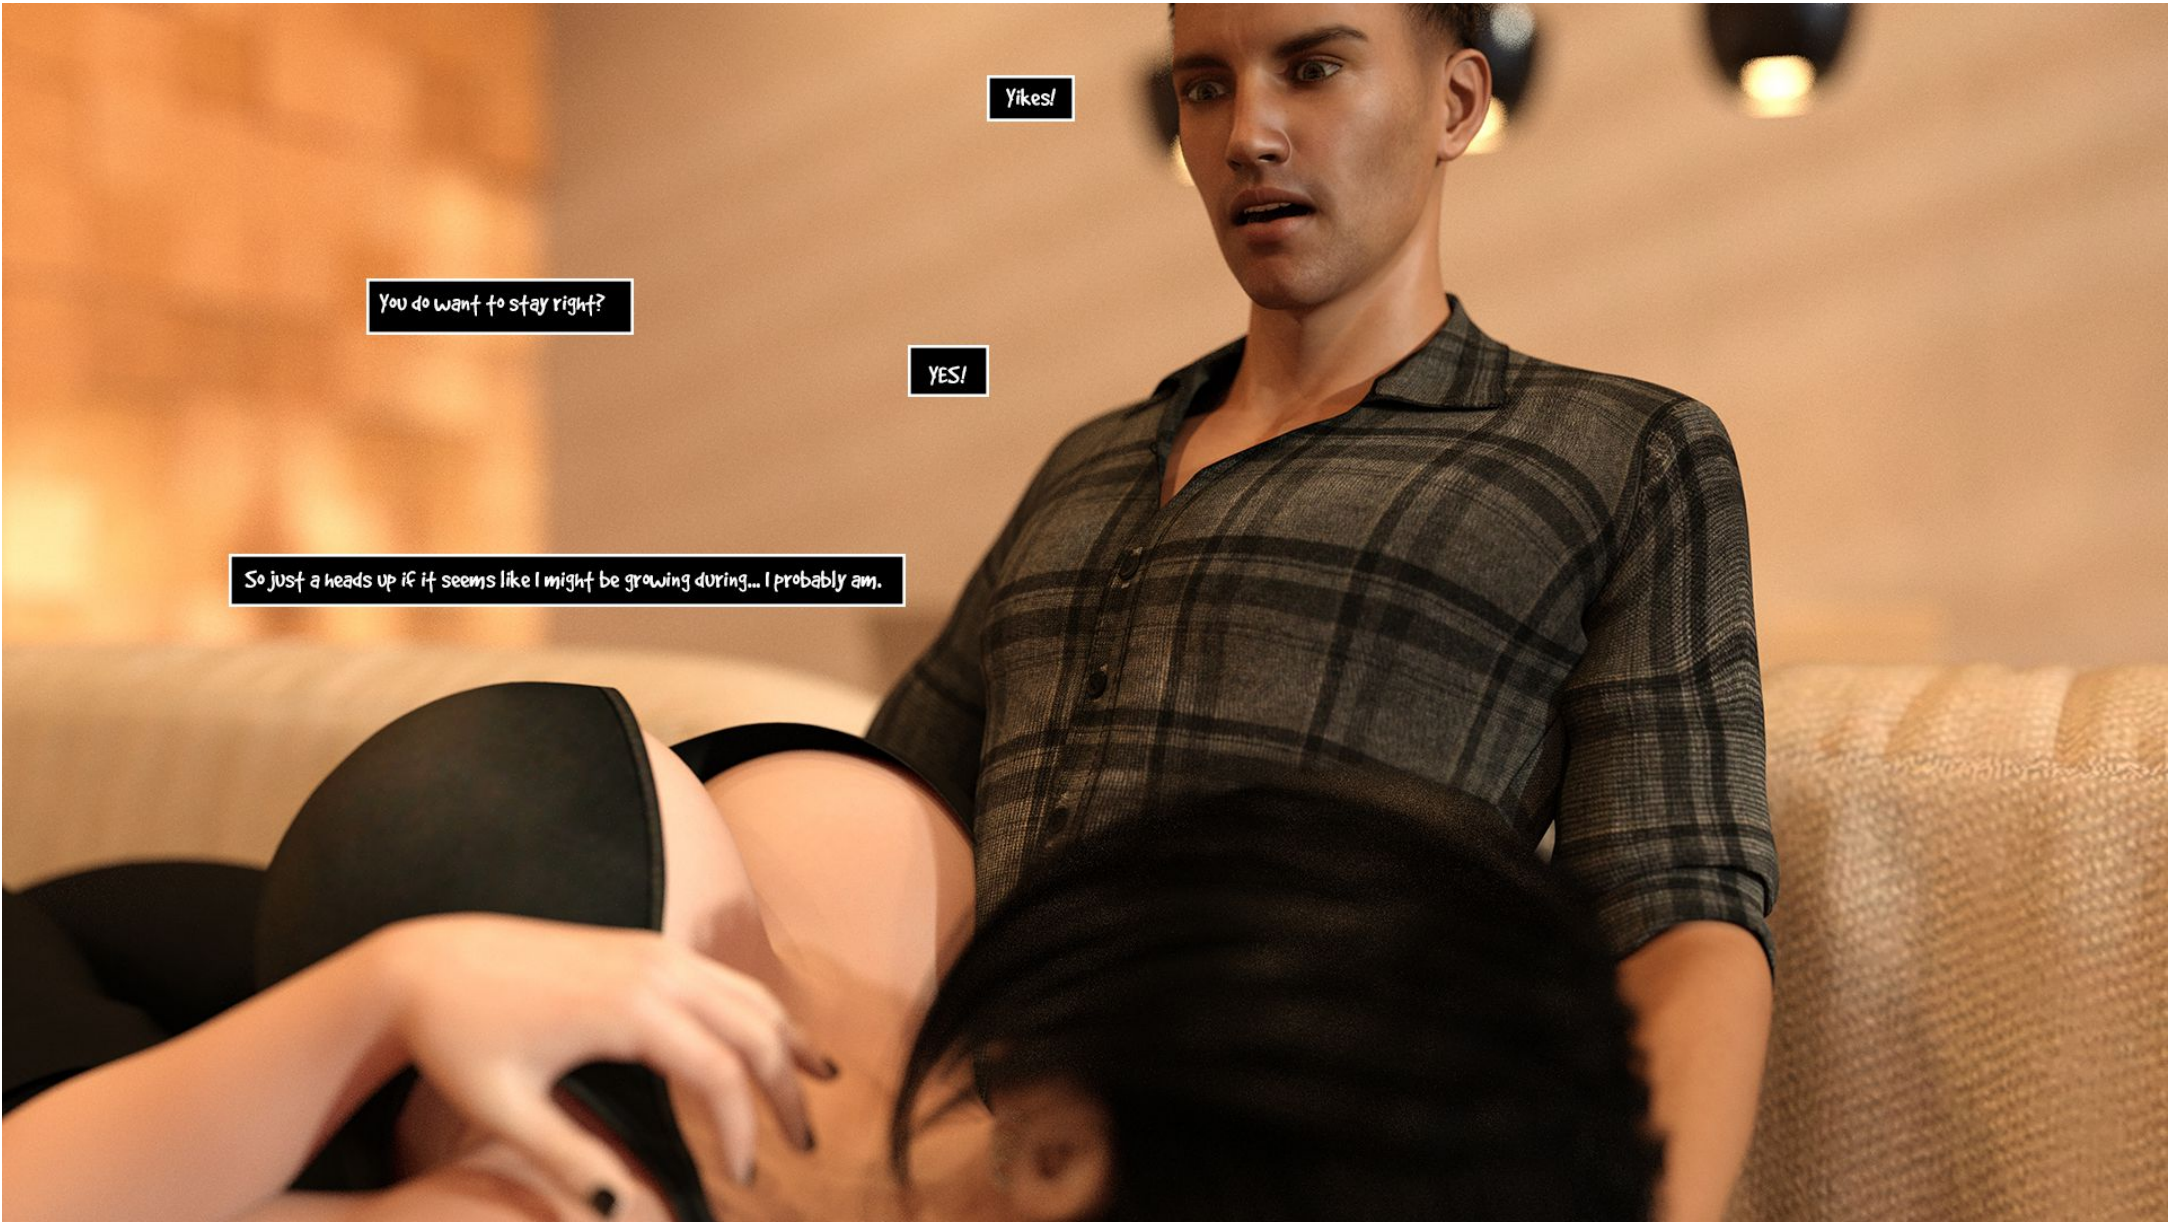

How is that possible?

Yeah It was the same with my mom i think.  
It kinda happens in quick bursts.

I have no idea... But it seems to happen when  
I uhm... get excited.

Excited?

Uh-huh. You didn't think I told my mom was  
home just so you'd leave before the morning?

Yikes!

You do want to stay right?

YES!

So just a heads up if it seems like I might be growing during... I probably am.

A man and a woman are in a living room. The woman is sitting on a light-colored sofa, looking up at the man. She has dark hair and is wearing a black top. The man is standing next to her, looking down at her. He is wearing a plaid shirt. The background is a warm, dimly lit room with a fireplace and a framed picture on the wall.

So... Do you like... being bigger?

Hmm Interesting, Danny. Getting all into the subject.  
I thought you'd be more freaked out. or not believe me at all.  
In all honesty. It was disturbing at first, starting to be over 6 feet.  
But now I'm getting into it. Makes me feel sort of powerful.

A man and a woman are shown in a close-up, medium shot. The woman, on the left, has dark hair pulled back and is wearing a black tank top. She is looking down and slightly to the right. The man, on the right, has short dark hair and is wearing a dark plaid shirt. He is looking towards the woman. The background is a warm, orange-toned wall with some blurred lights.

Yeah! I'm getting a strange feeling  
like you're into tall girls as well

Powerful huh?

Huh... Guess I am?

A woman with dark hair in a bun, wearing a black tank top and black pants, is sitting on a light-colored couch. She has very large breasts. A man in a plaid shirt is sitting next to her, looking at her. The background is a warm, orange-toned wall with framed pictures.

Good! Cause there's no telling how big I'll get you know.

Seriously?!

I'm just kidding. I'll probably be same as my mom.

Well now I'm curious.

About my mom?

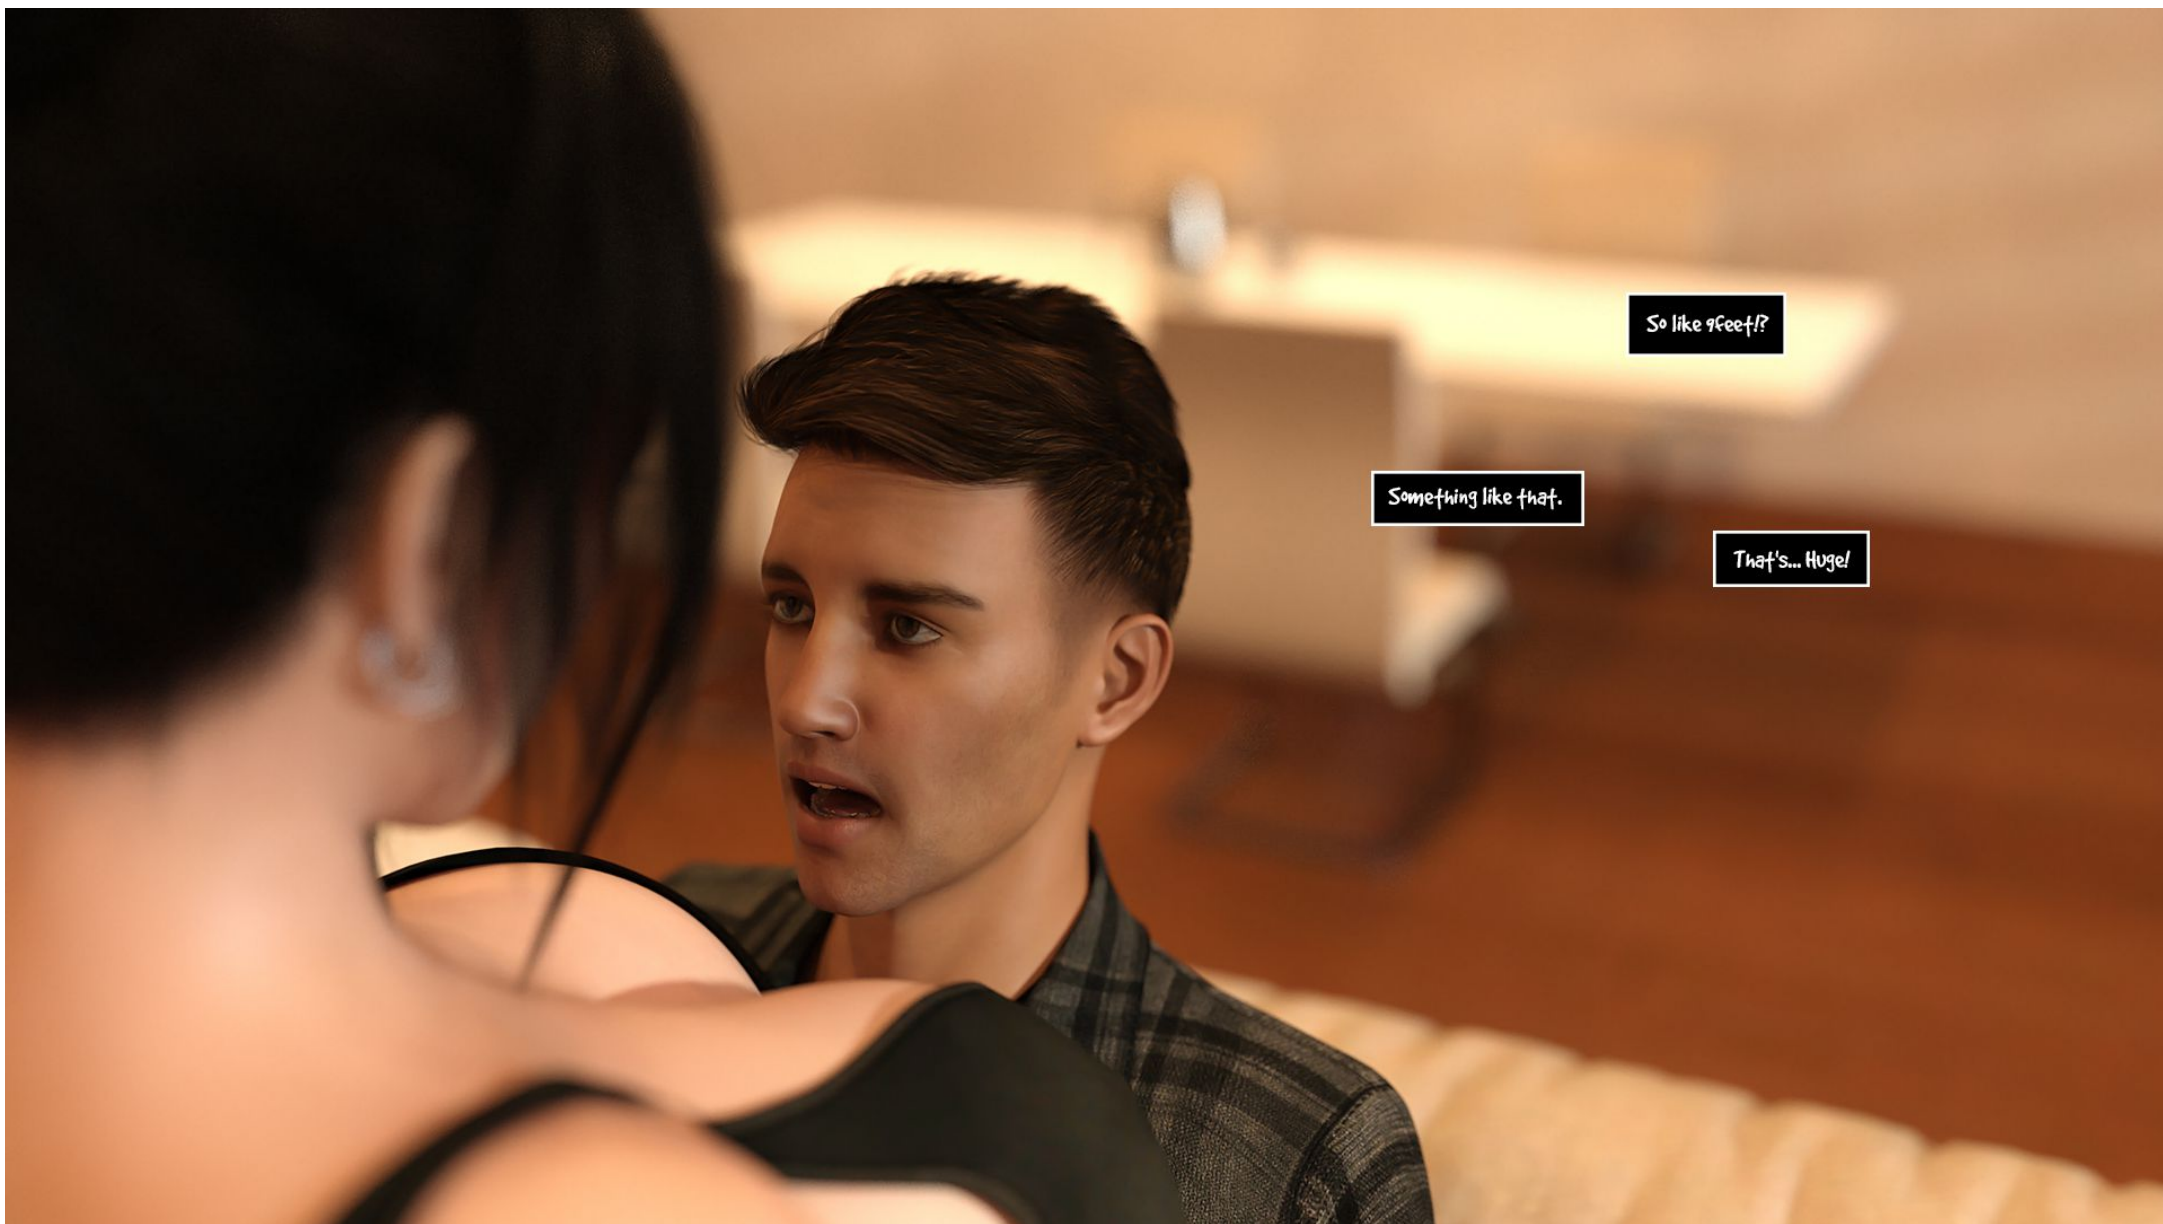

Careful, she'll seduce you!

Gosh, you're so easy to mess with!

She's a couple feet more than me...

What?!

Oh... So how tall is she?

So like 9 feet!?

Something like that.

That's... Huge!

Yeah she's cool. I'm getting kinda tired.. you wanna go to bed?

Gulp.

okay...

let's go!

A woman with dark hair tied back is seen from behind, wearing a black, form-fitting bodysuit with a skull emblem on the lower back and black lace underwear. She is standing in a bedroom, with her left leg raised and resting on a dark wooden dresser. A man in a plaid shirt is sitting on the edge of a bed, looking at her. The room has warm, orange-toned lighting. A mirror on the dresser reflects part of the woman's back.

She started undressing right in front of my eyes next to her bed.  
I couldn't believe my eyes...

You sure aren't shy about your looks huh?

No bra... Huh

You like them?

Yes... Theyre, not surprisingly, really... Big...

Good, cause your tiny head will  
be between them a lot.

Yikes..

It's... God yes!  
It's happening!

I couldn't believe it... The weight getting heavier on me.  
The feeling of her booty expanding under my grip.  
The sheer size slowly making it impossible for me to hold on to all of it.

oh my gosh... That was fantastic!

I-im glad you enjoyed.

Shortly after, she fell fast asleep, her boob alone covering my chest.  
I could feel the weight getting off and then increasing as she breathed slowly.  
It was like a warm, firm and so, so big pillow. Shortly after, I fell asleep,  
hypnotized by her slow breath on me.

The next morning I woke up from what felt like the best, deepest sleep I'd had in years. Usually when sleeping next to a new person I couldn't sleep too comfortable. With her it was different due to reasons I can't fully explain myself.

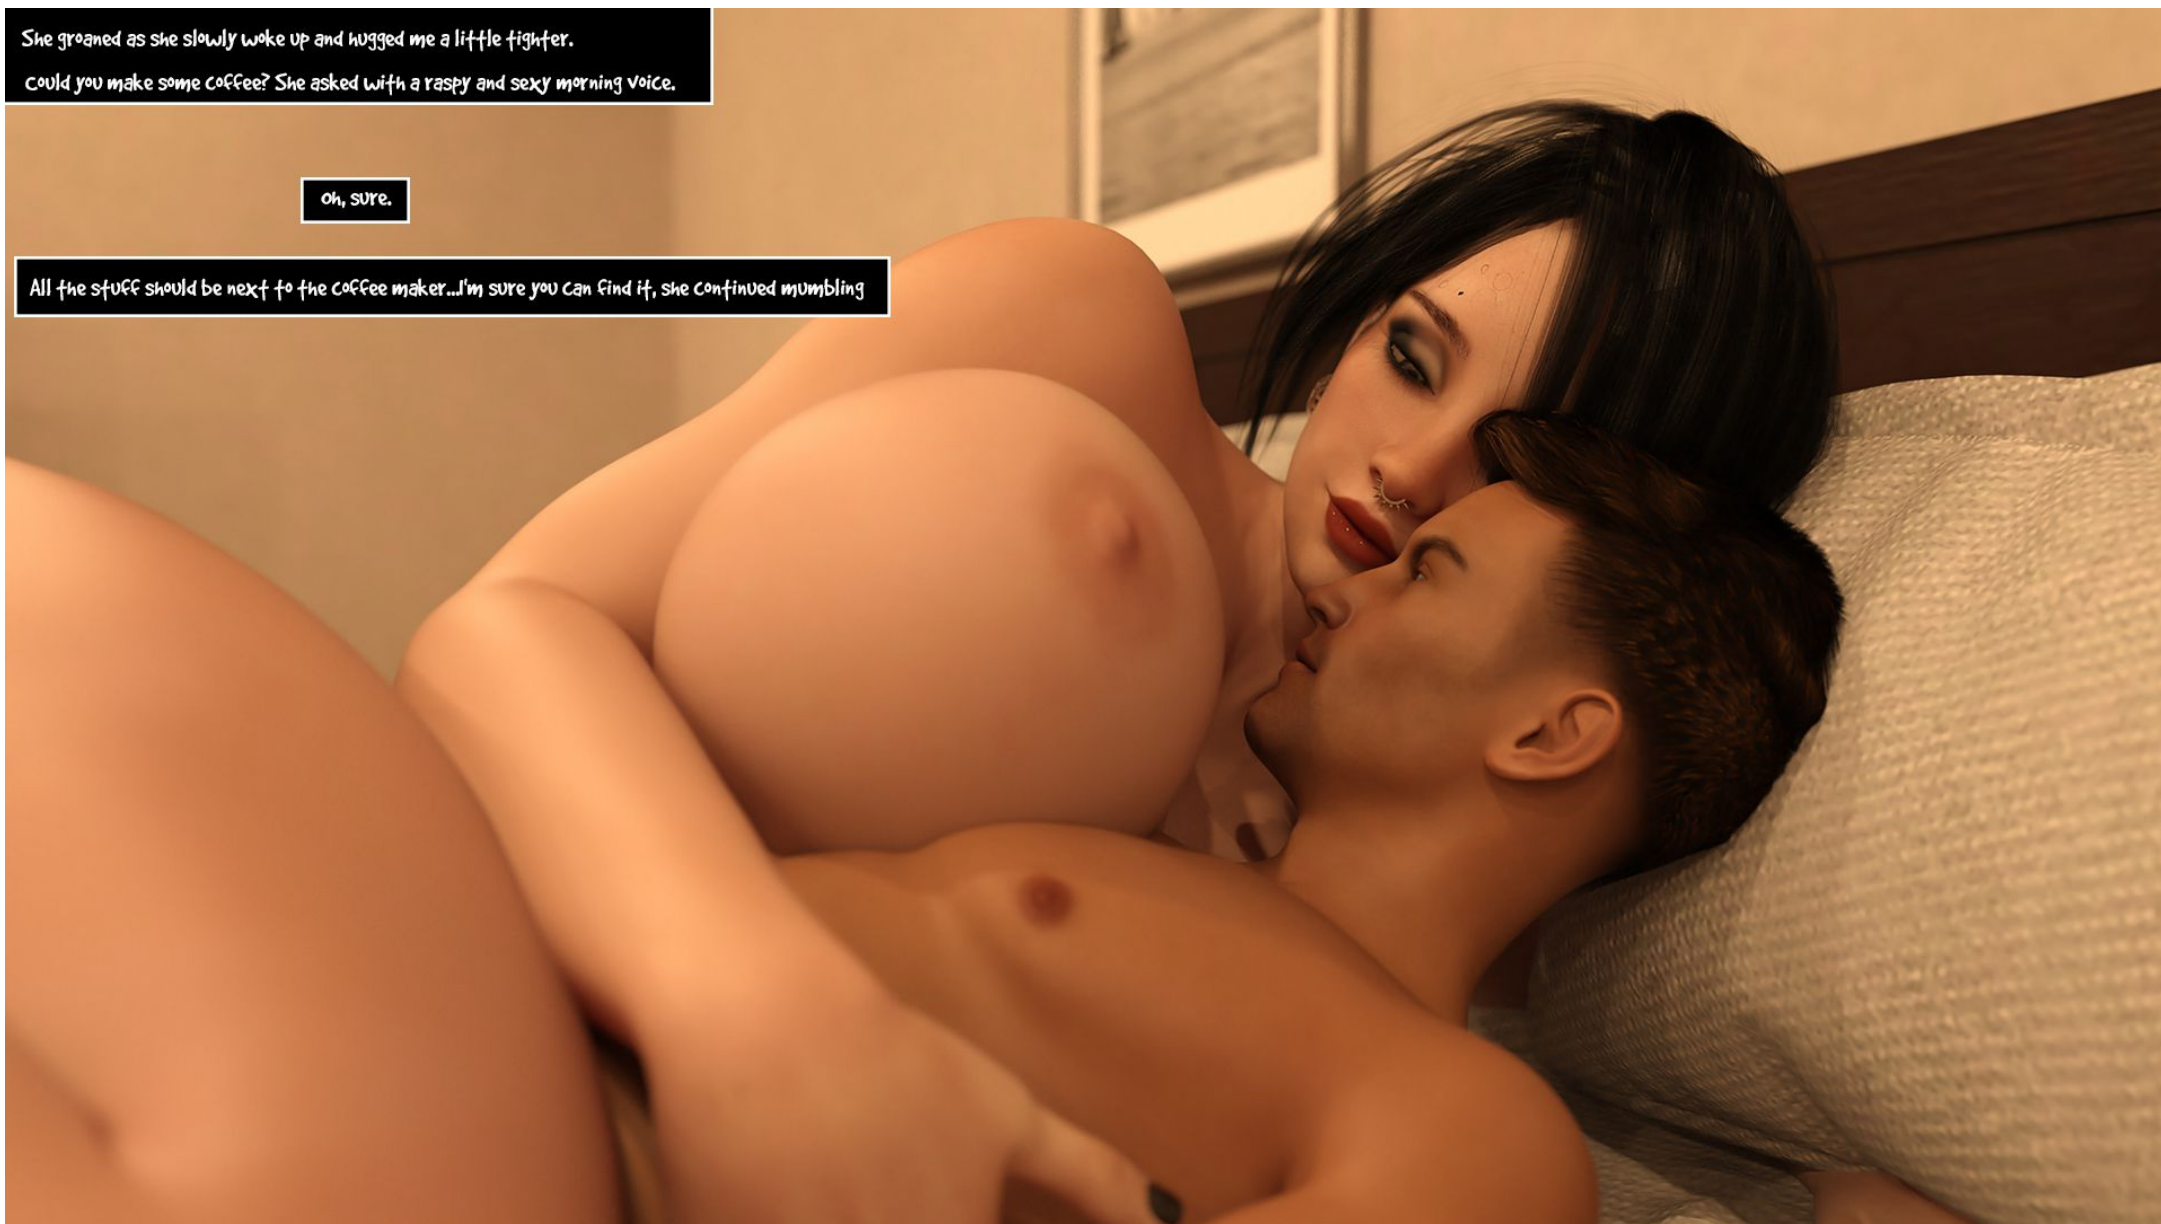

She groaned as she slowly woke up and hugged me a little tighter.

Could you make some coffee? She asked with a raspy and sexy morning voice.

Oh, sure.

All the stuff should be next to the coffee maker...I'm sure you can find it, she continued mumbling

I slowly got up and went downstairs...

As I turned I saw something that made my jaw drop...  
A literal amazon goddess! This had to be a joke,  
this lady must have been 14 feet. It had to be her.

The mom. Yikes!

oh hello!  
You must be Danny?

Uh. Yeah that's me.

Valeria has talked a lot about you!

I... Uh... This is embarrassing...

Oh not at all. Don't worry about it. You should have seen me in my younger years.

I think it's great she has a healthy sex life!

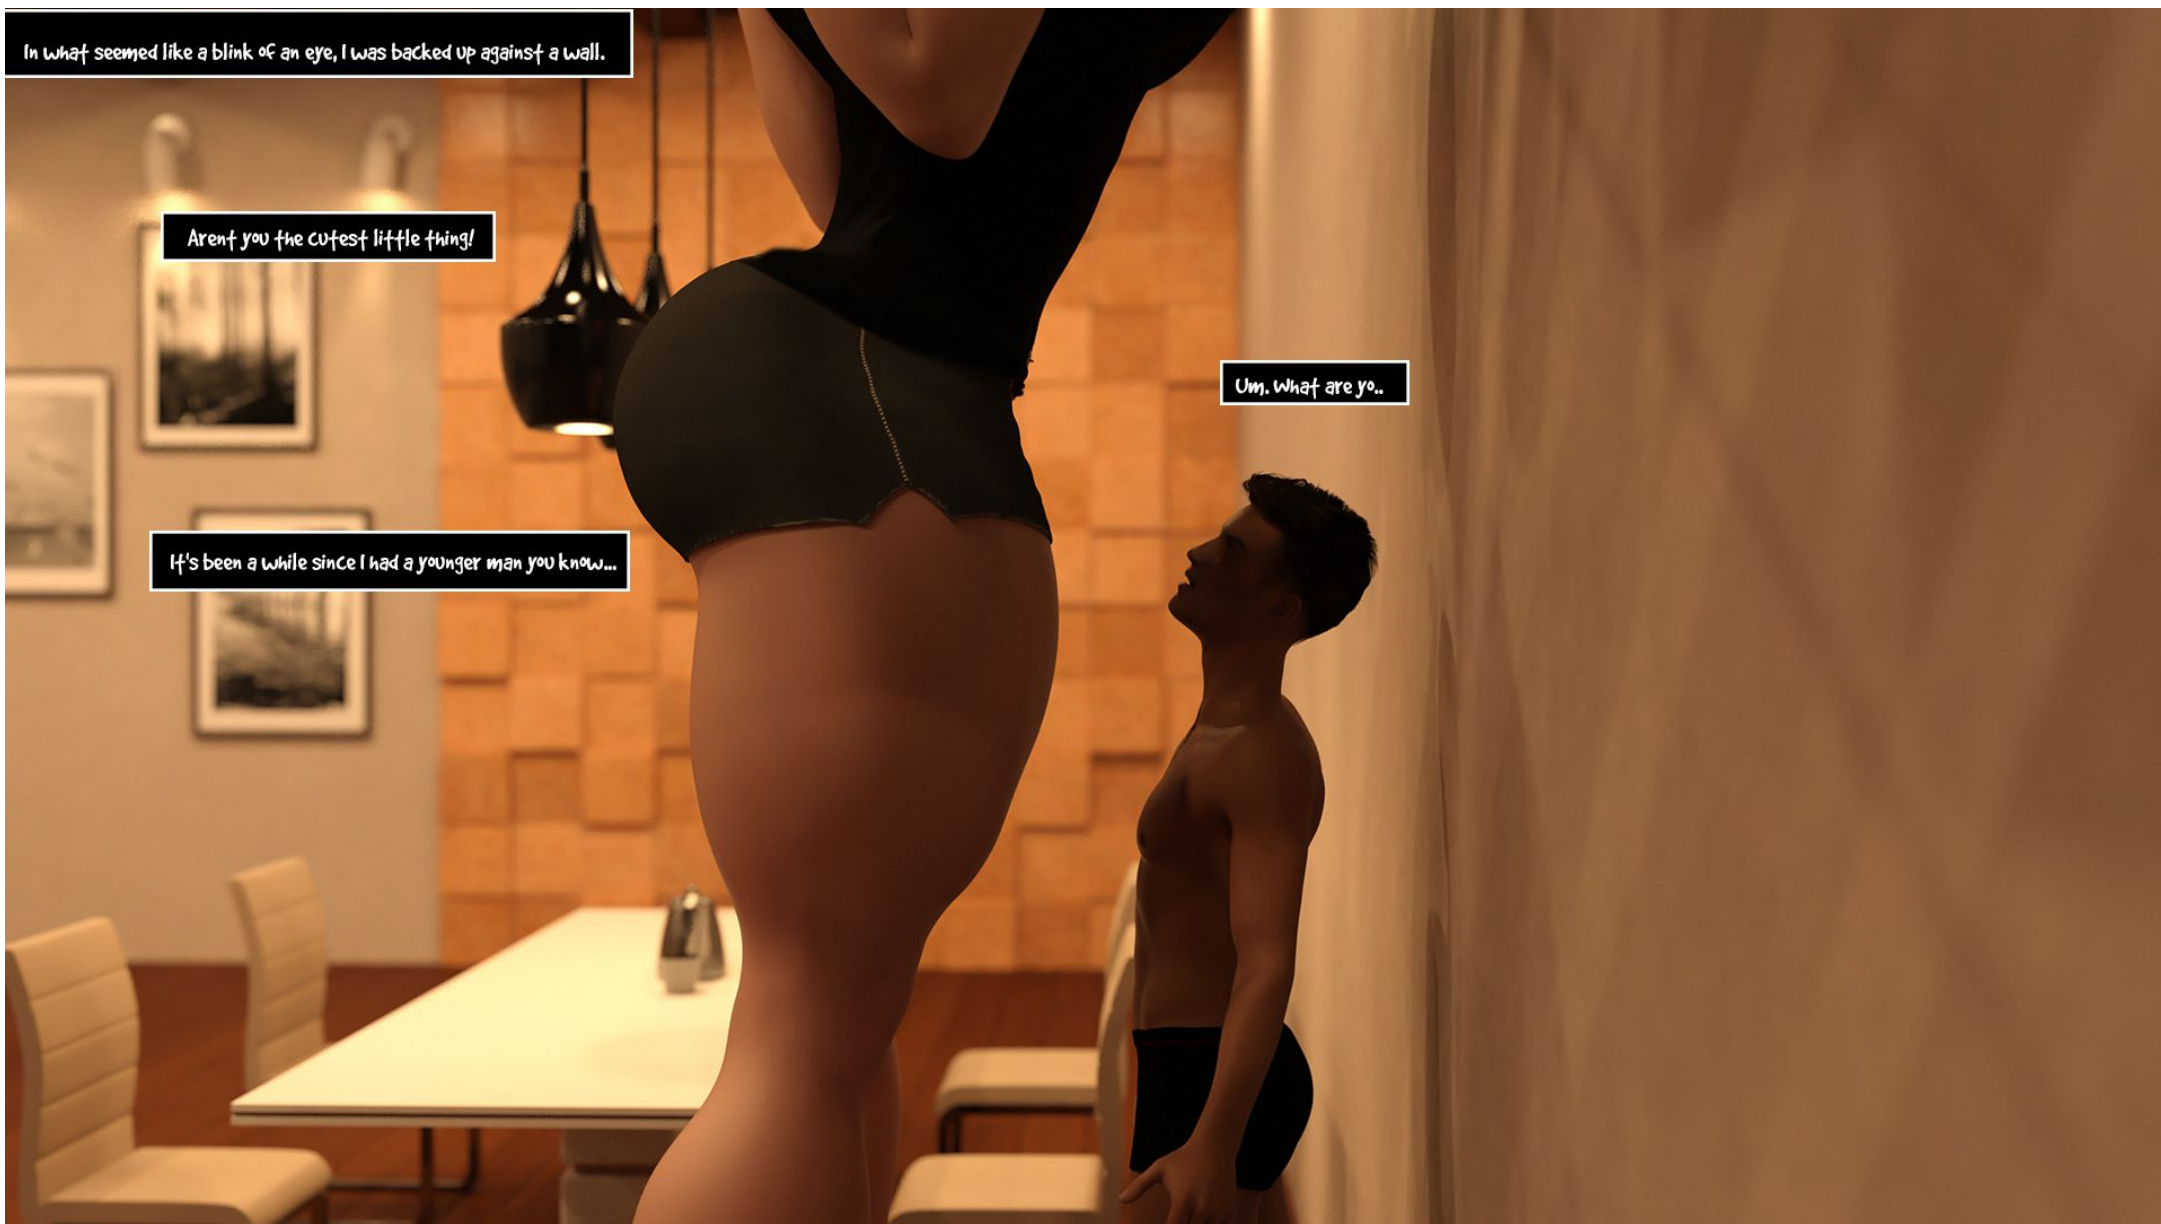

Um...

In what seemed like a blink of an eye, I was backed up against a wall.

Aren't you the cutest little thing!

It's been a while since I had a younger man you know...

Um. What are yo..

I was just... gonna get some coffee...

oh sure! If you can get past me...

I don't think you could if you tried...  
My huge... sexy... massive body pinning you against the wall....

I could crush you to dust without a sweat...  
Just thinking about it makes me all hot.  
I'm far too big compared to you....

Won't you be my little pet?  
Imagine being squeezed between these huge bulging thighs...

Ha!

Well done!

You passed the test!

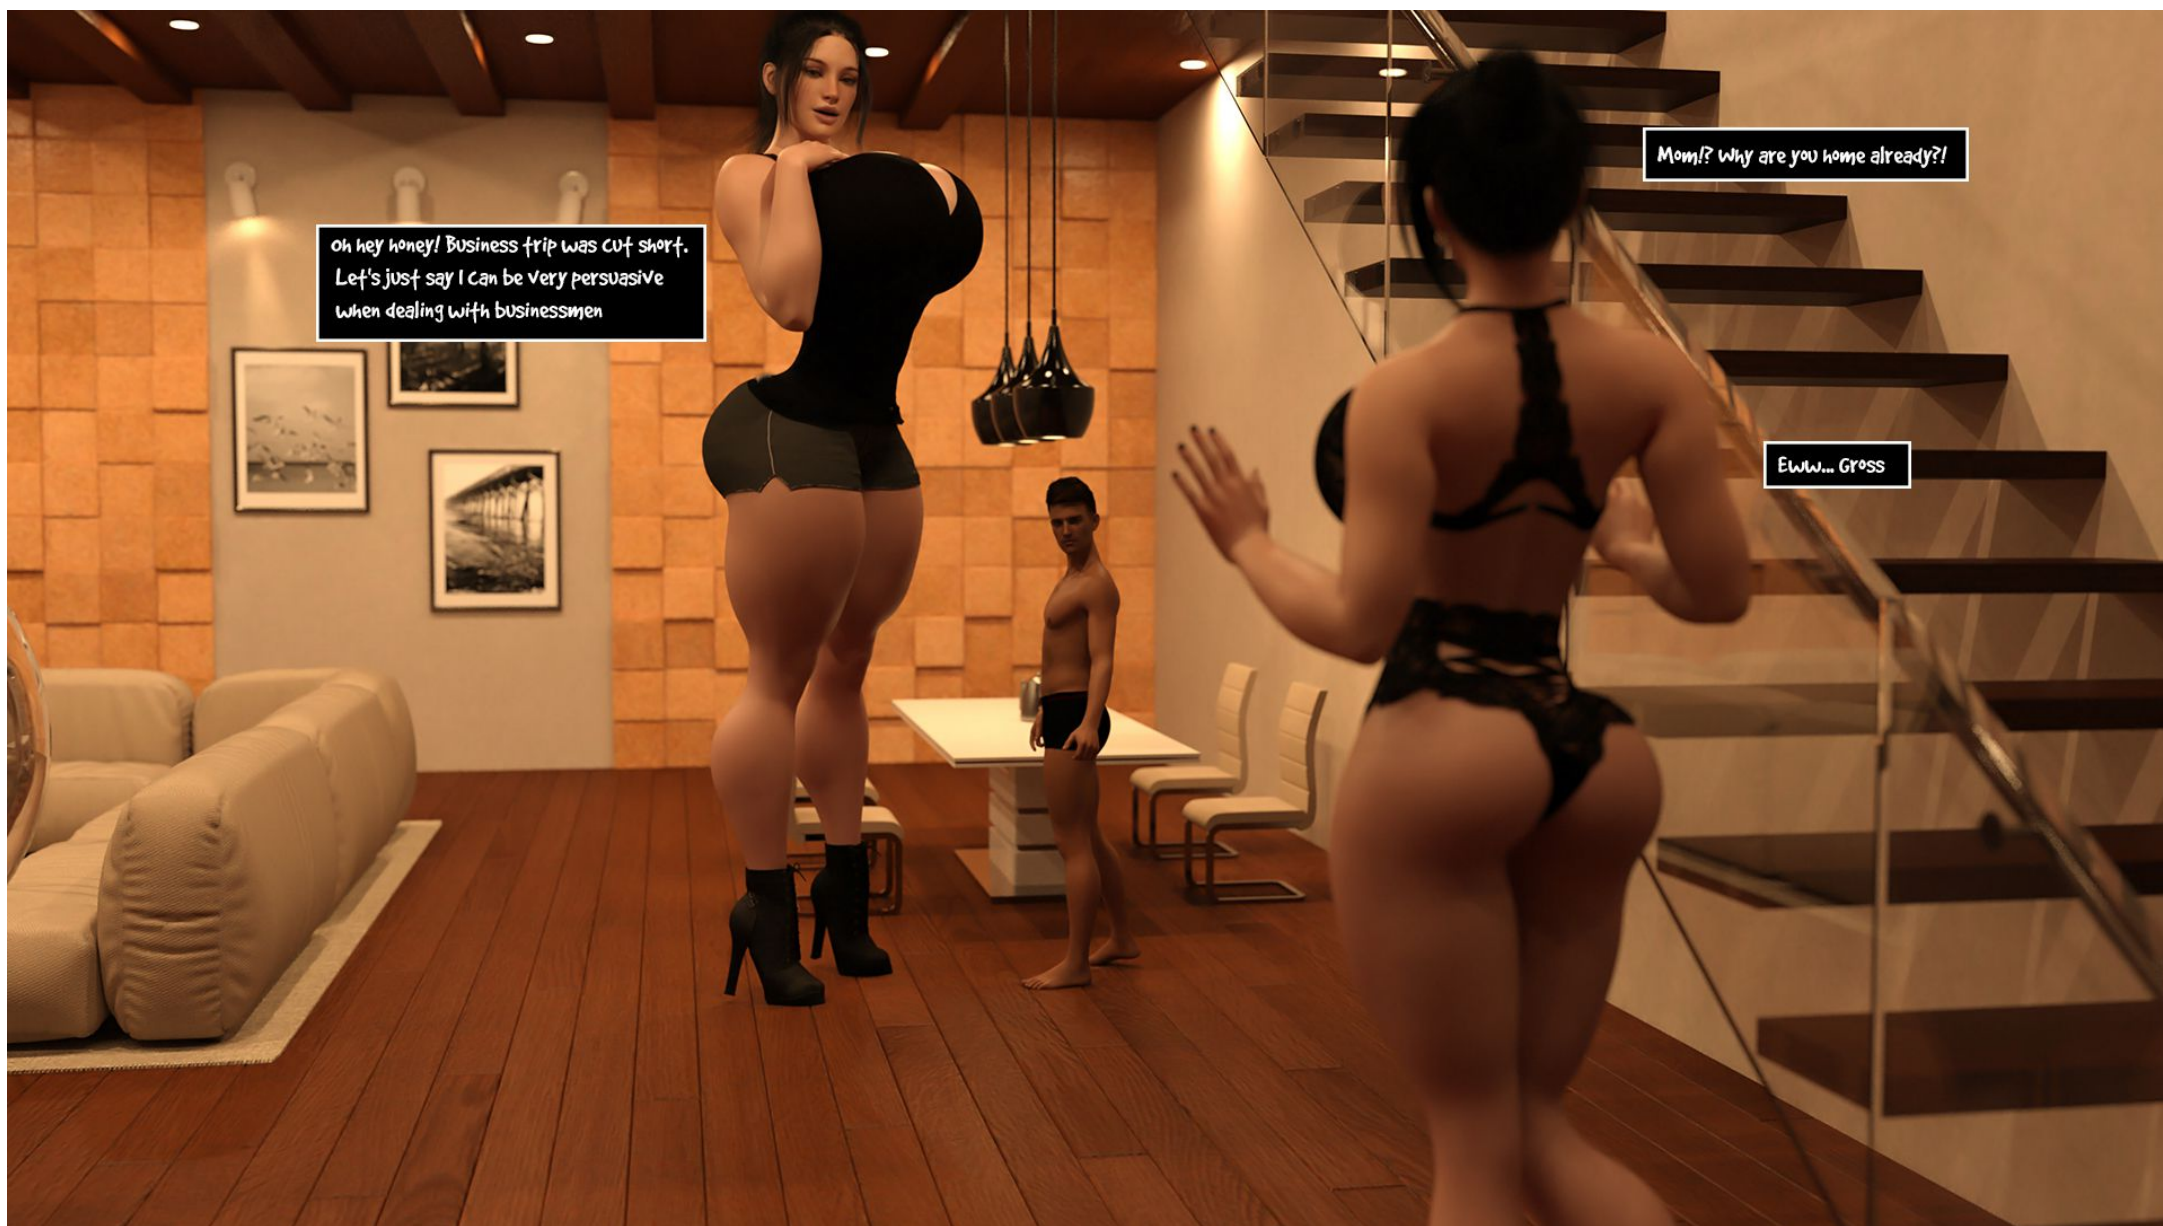

Erm... I just came to get some coffee for Valeria...

Huh?

oh I just like to tease boys who want to date my daughter. Not many make it through though.

I'm Veronica by the way.

oh hey honey! Business trip was cut short.  
Let's just say I can be very persuasive  
when dealing with businessmen

Mom!? why are you home already?!

Eww... Gross

I'm just kidding hun. I met Danny here.

Ha! He passed with flying colors.  
Apart from the morning wood...

Did you do that stupid test of yours again?  
I'm so sorry Dan... Shes a bit nuts.

C'mon let's put the coffee pot on!

oh gosh... Mom you're embarrassing me...
