

Capitolo 49: The best you can do

Art, Story and Editing by Giginho
Editing and Proofreading by Wrexstatic
<https://giginho3dcomics.blogspot.com/>

So tell me, what did you do to impress Lucia so much? She's only talked about you the last few days!

Really? I... I don't know... she talks about me? well...

What do you think?
She asked me to invite
you over to fuck.

Ok... let me tell
you this while she's not
here yet. I don't want to
cause problems for
anybody.

This was her
idea; if you don't
want me here, I'm
gone.

No, don't think about that! I just didn't expect you to be... well... we've been together for years and she's never asked me to have a threesome with a boy like you.

I expected someone more... striking.

Ah.

I didn't mean to offend you! I'm just curious. What is it about you she likes so much?

I don't understand that either.

Really? Let's see if you do after today.

Hey, you're here... you're so hot.

And you're overdressed.

You solved that problem quickly. Give me a moment.

Now close your eyes. Count to ten.

I don't know how many times we've played out this scene.

Nine... ten. May
I?

Mmh!

mmhnn!

Wow...

Let's see if I'm starting to understand you, boy.

What the...

And now what?
Are you going to fold
or go all in?

ARE YOU
KIDDING ME?

Not at all...
mmh...

Why do you need me with a guy like that?

I don't NEED you. I WANT you.

Then I'll do my best.

Just think about
having fun, okay? I'm so
horny, I'm going to cum
so easily.

You seem to be
horny too, luckily...

How could we
not be?

Come here darling...
titfuck me.

You don't mind waiting a minute, do you?

All the guys I know would pay to be here waiting. Take all the time you need.

Can I ask you something? What is it like being her boyfriend? Not just sexually... what's it like to hang out and do things with her?

It's like being the invisible man.
Nobody ever notices me: we had a
party last month and she's the one in
every single picture. And it was MY
birthday.

Not counting that,
it's wonderful.

I gave you a whole night
with all this goodness, just
for you. And you called your
buddy.

Well, we had fun,
didn't we?

A lot of fun. But now I want to know why you did it. And you're going to tell me, right?

I... aah... okay...

Tommy spends his nights
fucking Maria. Danny's going
at it with Miriam.

Really?

Didn't he tell you? I
don't think they've left his
house all week, I think she's
getting a taste for him.

And you called your
buddy. Did I do something
wrong?? Help me
understand.

I like to have an audience... and then... well, I'd never been alone with a woman. And with a woman like you being the first...

Do I scare you?
Come on... before your friend showed up, you never looked like you were in trouble.

And if all you wanted was an audience, why not ask Maria? She would have come running.

That's what I would have done.

The two of them together? I couldn't survive that... aah...

And then... I wanted my buddy to see you...

Aaah... so everything else wasn't planned?

mngghh!

mnmh!

Of course it
wasn't... aaah...
come on...

I... always finish what... I start...

Now I know that... and so does Danny...

You could have just asked Tommy and Carl...

Whdd!
Whdd!

They both know very well too, huh?

Now I get it. You like to be watched when you fuck and you like sharing a girl with another man.

You're just what I needed, my boy. Now I just hope that Nico likes you.

SBAM!
SBAM!
SBAM!

Your tits are
so fucking
perfect...

And you're even better when someone fucks you...

And now I'm going to ride you.

And now I'm going to ride you.

Let's show my lover
why I love fucking you
so much.

Let's do it.

HAVE YOU
SEEN THIS
WIZARD?

Don't make me look
bad though... Don't get
too excited.

Don't
worry.

No one has ever
fucked me better
than you two...

I can't wait to have
both of you in me
together...

Come here
darling.

mnh!

How many years did I dream of just TALKING to Lucia? And now she's riding me, while she sucks off her boyfriend...

I'm fucking her... while grabbing her breasts... it's wonderful...

And she wants to fuck me! ME! Not Tommy, not Danny! But me!

Thank you darling...
I'll take a seat for
now.

mmm!

It's just the two of us now... he'll just watch us.

I wish everyone could see me right now... my classmates, my friends... everybody.

Don't overdo it, kid...

Everybody knows I never had a girlfriend...

If they could see this, they wouldn't make fun of me anymore!

12:00

Ahahaha... he went through something similar, you know?

If you want... we can spread the word... aah... my God...

I think I'm starting to understand!! I've never seen a guy so relaxed with her on top... you have great self control.

I can't make him cum just by riding him... He's great... he never gets tired...

Wow... and you can do it with Maria too?

WHYDY!

WHYDY!

WHYDY!

WHYDY!

Not with her...

So I'm not alone...

But you can really work magic with her... I'd be begging her to stop by now...

No... this is so good...

You have no idea
how good this is for
me... aah...

Yes...
yes...

It's getting dark
outside too... you really
last too long...

WALLY!!!

CLICK!

Now I'm going to
make you cum, and
then I'm going to jump
on him.

Didn't you want us together? It seems like the perfect moment..

Fuck, yes!

Gladly.

You're sure? He's bigger than Danny... and Tommy... you'll feel him pushing...

I did say "Gladly".

A 3D rendered scene showing a person's hands on a person's back. The person being touched is lying down, and their back is the central focus. The hands are positioned on either side of the back, suggesting a massage or physical therapy. The lighting is soft and warm, creating a calm atmosphere. In the background, there is a framed picture of a deity, possibly a Hindu goddess, with a blue and gold color scheme. A speech bubble is overlaid on the right side of the image, containing the text "Bravo... that's the spirit!".

Bravo... that's the
spirit!

12:00

Here we are...

aaah... My
love...

Damn, what a sight,
nothing can beat this.

God... you're the best boyfriend in the world.

mnh!

mnh!

He is really huge, though... How does he not hurt her?

Every time he
thrusts in, he practically
pushes me out...

AWESOOOOOOME!!

WHY?!

WHY?!

WHY?!

She looks like
she's loving it...

**FUCK!
FUCK ME!!!
SHIT!**

WHDD!

WHDD!

WHDD!

Love... love...

Love... lift me up...
take me...

You wanna
see?

Did you... have THAT
in your ass?

My God.

Make me take
it all, my love, All
of it...

HAAAA!

Fuck, this is incredible.

Now it's time for you
to cum. Let me get off
you, darling.

Lucia... My God,
you're the best.

This is the greatest fuck of my life... Lucia...

You love it too?

If only we could find you
a girl to bring here, that
would be perfect.

Suck

Suck

After all this,
why haven't you
cum yet?

mmnghh!
mmnghh!

Come up here, sit
on my face.

ngggh!

Come on... let me
lick you.

CLICK!

Still not finished?
Fuck, I had time to get a
coffee.

slurp

slurp

mnnhh!

mnnhh!

Yeah... I'm cumming...

Great. I'm ready for my turn now.

Slurp!
Gulp!

MMMMHHH!!!

Suck

Suck

Aahhh... My God,
Lucia... I love this...

Darling, I'm exhausted thanks to you boys... can I sit down for a moment?

Sure, dear. Hop on and make yourself comfortable.

Mmh... really comfortable...

I also brought you something to drink...

*Come here Wally...
You don't want to miss
the show.*

*And I think you'll be
needed soon.*

*Gulp!
Gulp!*

Gulp!

Gulp!

Here, finish this.

Here, finish this.

You're so pretty...
I'd be content just to
come over and look at you
sometimes... that would
be enough...

You can if you
want... one more person
looking, one less...makes
no difference.

What? What do you mean?

I'll tell you later...

There are others
coming here to watch
them? Are they serious?

But today, I didn't bring you here to watch. If you're this hard, you should use it.

As you wish.

Get behind me
and put it in my
ass.

You really like it,
don't you?

Sure... a lot...
aah...

Yeah... now fuck my
ass, Wally!

Isn't this better than watching?

Yes... much better.....

MMPHH!!!

WHDD!
WHDD!

WHDD!

I could come here and do this every day...

h22!
h22!

I don't think she wants you to just be an observer, Wally...

When you're this good at fucking me, I want you to fuck me.

mmk...

She... likes... the way... I fuck...

hqa...

hqa...

hqa...

She is so tight, with him
inside too...

hqa...

hqa...

I'm fucking you, at your
place, with your boyfriend...
I'm awesome!

HAHA!
HAHA!
HAHA!

Yes, my love...
don't stop...
yeah...

Lucia... I'm almost
there...

Just take a breather, go to the bathroom for a moment. I have an idea.

Darling... when you're done,
could you leave us alone? I will
try to call our friend...

No problem, dear...
I'll go back to my place...
you'll join me there
later?

Sure... mmh... and
tomorrow I'll bring
Maria and Simo there
too...

HAHA!
HAHA!
HAHA!
HAHA!

You are so hot...

Aah... you're back?
I'll be with you in a
minute...

You don't mind if I
leave you guys to it? I've
got to head home...

You're not in a hurry too, Wally? I want you to stay here for a while...

Me? Sure... I'll stay as long as you want...

Great! Then I'll leave her in your capable hands. See you next time, Wally!

Next time?

Sure... there's no way Lucia wouldn't want an encore after a day like this.

Whenever you want! Until... until next time, then!

I'd like that very much.

Recently I found out that a guy I know often looks this way from the other side of the square using a telescope...

And sometimes, I've been able to send him a message to tell him to run to his window...

You tell him to watch? He's the voyeur you were talking about?

Yeah... Do you think that is hot?

Sure... Why are you telling me this now?

Because I'd like to see if he's home, if you don't mind.

What do you want me to do?

Push that seat over here.

I am going to
need my phone as
well, actually.

Let's see if the boy's home.

If I were him, I wouldn't leave my room, just in case. How often do you call him?

Once or twice a week... but, as far as I know, he's always watching...

LUCIA // 23.03

Good evening, Danny!
Are you home by any chance?

Do you find this exciting?

DANNY // 23.15

Lucia! Yes, I'm home! Do you have something for me?

LUCIA // 23.15

I was here with a buddy for a few hours...

And we thought you might like to watch the big finale.

DANNY // 23.16

Sure! I'm ready!

Gosh... can't you tell?

If you want to say hi,
he's looking at us.

Call him.

DANNY // 23.18

My friends only left five minutes ago... Perfect timing! ❤️

Wow... is he a new guy?

LUCIA // 23.19

Yeah, meet your future best friend.

Call him? You really are a pervert.

I want you to be able to use your hands.

LUCIA // 23.19

Are you home alone?

DANNY // 23.19

No, my parents are in the living room...

LUCIA // 23.19

Then I guess you want to grab some headphones. I think you want to have your hands free.

Hi, Danny boy! How long has it been since we last spoke? Maybe you still lived in this building?

We never talked, not even once. But we have been writing a lot lately.

No...

Never? Are you sure? My friend told me to call you. Maybe you want to thank him.

I don't know who you are, man, but I love you.

Don't you want to introduce yourself?

Why did he have to be a classmate? Of all the guys in this town...

Do you want to be silent? Okay, let's see if you can stay silent with me on top.

You know, Danny... the boy and I have been doing it again and again for the last three hours... we haven't even had dinner...

I've lost count of how many times I've come... and Wally is still here... as hard as when we first started... aah...

Wally! Damn, I was wondering... Is that really you?

Hi... Danny...

What? Do you know each other?

Yeah, we're in the same class... I can't believe it!
Are you having sex with LUCIA?

It's not that unbelievable...

It's not? Are you blind? Have you seen her?

Shall we close here? Is he someone you hate or a friend?

No, he's a friend... I'd rather he was a stranger, but I won't back out.

I can't hear you anymore!

Here we are...
ready to rumble,
Wally?

Give me your
best.

You want me to cum again, right?
Aaah...

hqa...

hqa...

Sure... Danny, are you in a hurry? This could take some time...

I can stay here all night.

Danny... Try not
to cum before he
does...

He's the one
fucking you, it won't
be difficult...

He might
surprise you...

I think I'd be cumming already if I had my face there...

Your buddy is great...

He must be... he's with you.

Would you like to try this, Danny?

hgg...

hgg...

I'd give everything to be in his place, Lucia... but at least I can watch...

I can't switch places... but I can give you a better view...

This should be good...

hqqq... hqqq...

Fuck, dude... how did this even happen? You being there with her...

He... plays video games with the right people... aah...

Video games?
Why didn't you invite me?

Oh... yes... yes...
fuck... Lucia...

HAHA!
HAHA!
HAHA!

SBAM!

SBAM!

SBAM!

God... God...
aah... haa...

Wally... I came like
a freaking train...
again...

And you,
Danny? Are you still
with us?

Yes... ah... I don't
know how...

You were good... you deserve a prize.

I already know what I want.

Oh, I know that too. You'll get it in a minute.

Where are you going?

Come here on the sofa.

Danny, why don't you go to your PC?

I can't reach the window from the PC.

Do you trust me? Go to your PC and start Telegram Web.

It's a great time to be alive for your friends, especially if they're called Danny...

A video call? Really?

I've never had streaming sex... and I want to try something new.

Danny? Can you see me?

Not yet... I can't believe it...

Now you can,
if I'm right.

Lucia... holy shit...
you're hotter than
the sun.

Nico wouldn't do the
same for you, so don't
get used to it... But it's
better than using a
telescope, right?

Don't forget about this when the next biology test comes around.

Hey! Don't use me to get advantages at school!

Don't look away until the end, and I'll do your homework all year long.

Fuck... this looks magnificent.

You can't imagine, Danny... She's the best.

And you're getting
even better at resisting
this...

mngghh!
mngghh!

My god... don't
move...

mngghh!

Ok, stop.

mhmh?

A 3D rendered scene of a woman with short black hair and a pearl necklace, standing in a bedroom. Her arms are raised behind her head. A hand is touching her left breast, and a pink vibrator is inserted into her vulva. The room features a bed, a desk with a lamp, and bookshelves.

Could you use your
tits now? It wouldn't be
a grand finale without
using them.

I thought you'd
never ask, I would love
to.

I'd love that too... I
feel like I could cry.

That's true...
Today, I didn't make
you cum like this... my
mistake.

Let's fix that.

FAP! FAP!
FAP! FAP!

He's giving it all too...

First man I'll make
cum remotely...

Don't stop... don't
stop...

FAP! FAP!
FAP! FAP! FAP!

ah!
ah!
ah!

You have made hundreds of men cum remotely, trust me.

Do you think standard jerking off still counts?

FAP! FAP!
FAP! FAP! FAP!

ah!
ah!
ah!

GOD... FUCK...
FUCK...

slurp!

FAP! FAP!
FAP! FAP! FAP!

ah!
Fuck! Fuck!
ah! ah!

What a wonderful day.
Yeah... yeah...
good guys... all
of you.

AAAAAHH!

HAHAHA!

END OF CHAPTER.
