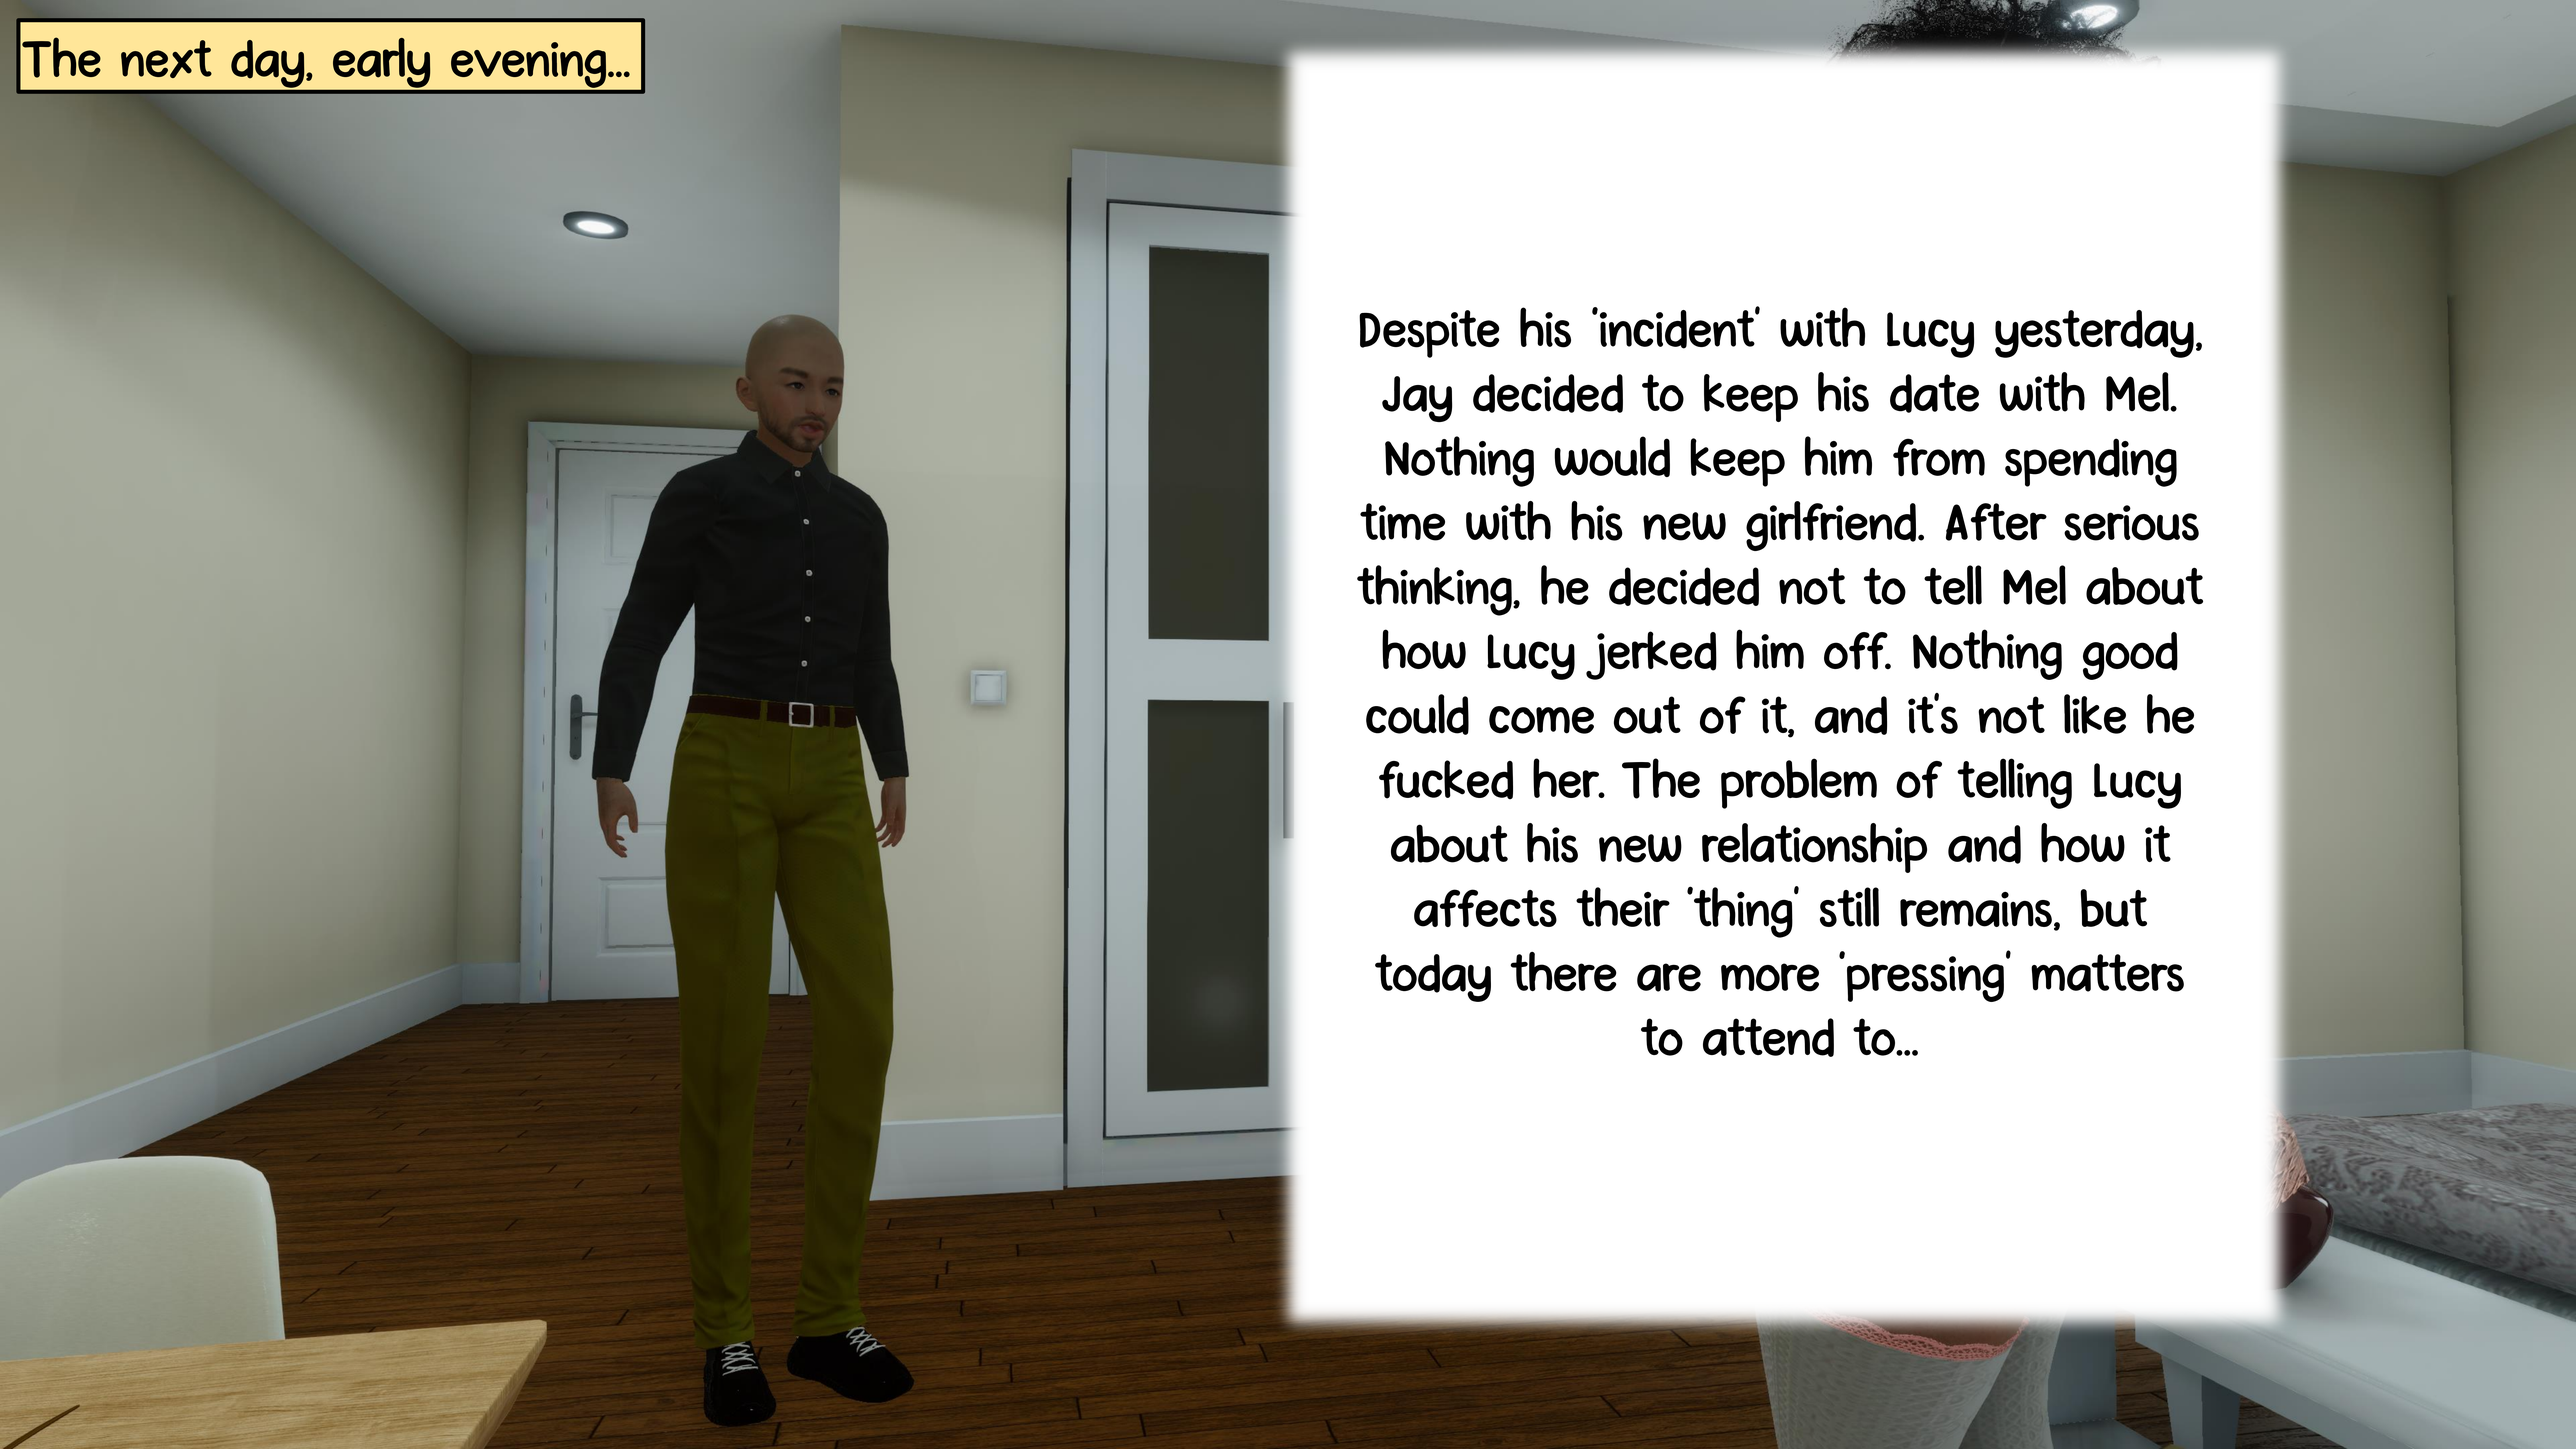
What am I gonna do?



The next day, early evening...
Despite his 'incident' with Lucy yesterday, Jay decided to keep his date with Mel. Nothing would keep him from spending time with his new girlfriend. After serious thinking, he decided not to tell Mel about how Lucy jerked him off. Nothing good could come out of it, and it's not like he fucked her. The problem of telling Lucy about his new relationship and how it affects their 'thing' still remains, but today there are more 'pressing' matters to attend to...

Mel! You look...
Hi baby...
Continues...

Do you like it? I wasn't sure what to buy for our first night

I love it... You're gorgeous, Mel.
Oh, you're so sweet Jay!

But weren't we going out for dinner?
I thought we could order room service...

Or we could skip that and go straight for dessert...
Oh Mel...

How does that sound?
Good...

Let's do it right here...
Fuck she's so wild!

You're so hot Mel.
I wanna feel you deep inside me Jay.

Ooooh, it's so big!

You like fucking my tight pussy with that big dick don't you?
Why? Don't you like it?
Stop teasing me Mel...

It's hard enough for me just to hold it, and your dirty talking makes it even harder...
But I don't want you to hold it... Let it go baby... We have all night for us...

Yes! That's it Jay!
Fuuuuck!

You make me cum so fast...
I love that baby... Take me to bed.

Mel, I...
I want more...

I don't wanna stop now...

I want it like this...

Oh Mel...

Is this good?

It hurts... But
I like it...

Keep going.

I love you so much Mel...

I love you too Jay... Now get on top of me.

Like this?
Just like that.
Do you like it?

Yeah... I think I'm gonna cum again...
Oh I love it... Cum inside me baby

Fuuuck!

Did you like that?
You're amazing Mel.

You're still a bit hard...

Wanna make love to me again?
I can't Mel...

What are you doing?

Please...
There... He's super hard again.

I can't get enough of you Jay.

It's still too sensitive Mel... I...

Shhh... I'll be gentle with you... <giggles>

Yes! Let me do it!

Give it to me Jay!

Don't hold back!

How did I do?
This is the best sex I ever had Mel...

Good. 'Cause you're gonna do it again...
What? Are you crazy?

As long as you're hard enough to penetrate me, I'm not letting you go Jay

Fuck me Jay!
I want it!

You're teasing me too much.
Are you gonna punish me?

Maybe I should fuck you hard!
Really?

And shove this dick deep inside you.
Aaaaahhh!

Spread your legs Mel.
Oh baby...

Am I hurting you?
Don't stop...

This is the best night of my life

Meanwhile...
I'm glad we went out honey. I was needing this.
Me too, dear. I'm sorry I've been absent.

Time for the main event now... Are you ready?
Sure am.

Moments later...
So? What do you think?

Damn honey! You're so hot!

Are you gonna fuck me now?
Hell yeah!

Oh Mary... That feels so good!

Turn around honey... Time to take some dick
About time...

That's it! Keep thrusting! Harder!
Slow down honey!

What's wrong with her? I've never seen her like this...
Make me cum! I'm almost there!

Huunnghh!
What the fuck?!?!?!

Fuck Mary... That was something...
I can't believe this...

He's not even trying to please me anymore...

Moments later...
<ringing>

Hey... Is this a good time?

For you, honey... Always. What's wrong?

It's Tim... I... <crying>
Breathe honey... Tell me what happened.
For months he's been distant. We barely fuck anymore... And today, I put a lot of effort in planing this romantic night...

It's like he doesn't care anymore...
You know Tim, he's been always too focused at work...

I know, but it's different now... It's like I'm not even there... I feel so lonely Bella...

Listen, why don't we get together next weekend? I can come by...

I'd love that... He's going away for a month again... I could use the company...
Great, then... I'll leave Cathy with a babysitter and I'll sleep at your place. Ok?
It's a date then... Thanks for listening Bella...

I'm always here for you Mary... Any time.
Bye now, good night.
Bye honey.

What was that?

A friend, needing to talk...

Another guy would be pissed for the interruption.
Shut up! This might even be good for you...

Huh? How come?

Oh, ok... Is she hot?
She may need your services soon...

Yeah, don't worry. And you're gonna do it for free...
Wait, what?

You're not charging her. Think of it as an investment, and I'll be in your debt...
You let me fuck your ass and we have a deal...
Ok, but take it slow...

Fuuuck!

You're so tight.

<moaning>

Fuck you're hot... Get down.

That's it!
Take it!

I'm gonna cum!
Keep going! Faster!

Fuuuck!

That was hot!

That was fun...
Your ass is the best I had. Damn, woman.
Glad you liked it... So, do we have a deal?

Yeah, sure. Let me know when.
Good. See you at the gym then.
Yeah... Can't miss your work out!

And while everyone was getting some...
Where the hell is he?

I can't belive he stood me up...

I'm so horny!

Aaaahhh!

I hate this...

The next morning...
Morning, sleepy head.

Huh?... Mel...

Sleep well?
Very... I love sleeping next to you.

And to see your face first thing in the morning... Perfect!
You're so sweet!

Oh
baby...

I want you...

Take me
like this...

It's so hard...
I'm crazy for you Mel...

Oh Jay...
Ooooh...

Does it hurt?

Yes... Go slow...

Like that?
Still hurts...

Better this way?

Yeah... But
it's too tight...

Lay down...
It'll be
easier...

Much better! I love it like this...

Me too... Too much

<giggles>
You're gonna
cum again
aren't you?

I can't hold it!

AAAHHH!

I'm sorry Mel... You're to hot for me...
Don't be sorry Jay. I love that you can't resist me...

I love you so much.
I love you too.

What are we gonna do about Lucy? I don't want to share you with her.
I've been trying to talk to her, but it's not easy...

Maybe it's better if I talk to her... We're family, she'll understand...
Are you sure?
I'll invite her to sleep over next weekend and I'll do it.

Thanks Mel...
Nothing's gonna come between us Jay...
