

Eternal dream

Chapter 31

Some time later
in the club room...

Wait, not
so fast!

Don't worry,
nothing will happen.

Ah...

You're already
well trained in
these things.

Ah...

Hngh!

Why am
I the one starting
again?

You suggested
we flip a coin, and
you lost.

Hngh!

Moan...

Next time
I'll have to come up with
something better.

Hmph!

Uwah...

That's not what I meant.

Ah...

Ah...

Nh!

Next time? We're not even done yet and you're already looking forward to the next time.

Nh!

Hngh!

Then what?

An hour later...

Going back to earlier, why did you kiss that guy?

I'm not going to judge you, if you wanted to try it, just say so. There's nothing wrong with being bi.

Really nothing?

I don't know. I don't remember any of it.

But I really don't remember anything.

I only remember some fragments.

Strange.

Could Hina-chan be lying to me?

But she was surprised by the photo herself. Besides, she would have tried to hide it from me.

Maybe she just got too into her role?

She probably added the photo and completely forgot about it, and she's too embarrassed to admit it.

In that case, I probably shouldn't pursue the subject.

Meanwhile...

Wow, it turned out much better than I thought.

If I didn't know, I would never guess it was cosplay.

happy

It looks like a real boys' school uniform.

You really have a talent for this.

And whose fault is that?

I couldn't allow such widespread rule-breaking.

But you didn't have to nitpick every little thing.

Angry

Don't exaggerate, you should make sure people don't break the rules too much, not punish them for nonsense.

It starts with small things. Before you know it, you'll end up in prison.

Maybe I did go a little overboard sometimes, but it was for everyone's good.

I have a silly question. Do you know how boys behave?

embarrassed

What's the difference between us and them?

Sure.

After all, I used to be a boy myself.

Huh?

Surprised

I have no idea how boys behave.

It was so long ago that I don't remember anything at all.

I can't even tell if it really happened.

Or maybe mom wanted me to be a boy and become the next emperor so badly that she convinced me of it.

But even if it's true.

Maybe it was just a strange dream?

Although there are other people who confirm it.

Even if I was ever a boy, I doubt there's anything left of it in me.

I'm covered in milk.

Yes, luckily your breasts broke my fall.

Ouch, are you okay?

That's good.

Wait, what?

Miu-chan, what are you doing?!

embarrassed

I'm savoring the moment.

You've really grown up.

I'm sure your boyfriend is happy to have a girlfriend like you. Hehe.

What? But I...

Some time later...

Don't worry, I explained everything to Yuri-chan.

I'll make up the hours next time.

The last thing I want is for him to see me at work.

Are you sure it's okay that you left work early?

I could have waited.

I'm sorry you had to leave work early because of me.

Wait, isn't this another date?

At least it's just karaoke.

I can't believe I have to go on another date with him.

Zero two is going to kill me, this time she's definitely going all out.

Excited

Wait,
karaoke?

Shocked

That means we'll
be completely alone in a
small room.

Where no
one and nothing
will hear us.

Goro's imagination...

Or maybe instead of karaoke, you'd rather hear my new song.

What do you mean? I can see you're in the mood for a little something.

Don't worry, no one will see us here.

Hina-chan, what are you doing?

Yes, I mean... what if someone sees us?

So, how about a quickie?

Because I can see that our little friend can't wait any longer.

I knew you would say that.

Excited

Let's get started then.

Nh!

Ah...

That's right.

You're the best girlfriend I could ever dream of.

Hngh!

At the karaoke club...

I'm sorry, but it looks like we don't have any rooms available at the moment.

Unfortunately, I could also try asking if you could join someone else.

I'm really sorry.

Are you sure there's nothing left?

No, thank you.

After a moment...

Shocked

What a surprise that it's you guys. You don't mind if we join you, do you?

Looks like I still have a chance to go on a date with Hina-chan.

We'll just make it a double date.

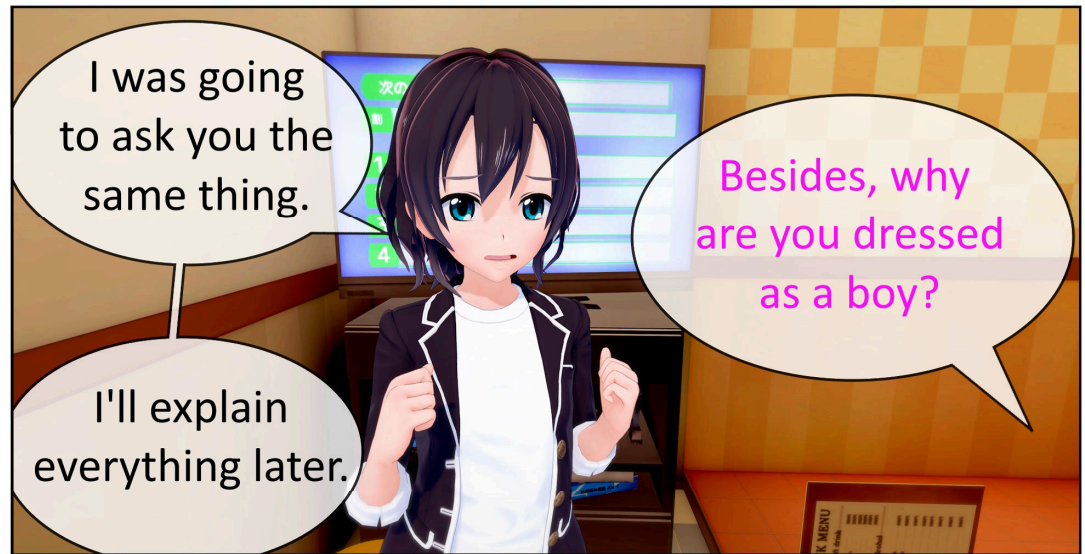

Shocked

No, sit down.

It'll definitely be more fun together.

If I show that I like his cousin, my chances with Hiro will definitely increase.

And a good relationship with her will definitely help me.

Eh...
What?

Surprised

All right.
Although I'm curious
why you're pretending to
be me again.

For now, just
pretend that I'm Hiro.

Just do it, please. I'll
explain everything later.

I'll explain it
to you later.

A little later...

I should do

I'll go crazy if I can't

A*Teens - Upside Down

Hey, maybe you should try next.

How do you know if you've never tried? I'm sure you have it in your genes.

Come on, do it for me.

No, thanks, I sing terribly.

I don't think it's just genes.

Especially since we don't share any genes.

Ah~okay.

Give it to me,
now I'll try.

No need,
I'll find
something
myself.

Sure, want me to
pick a song for you?

Strange, I didn't
know Saki liked
karaoke.

Maybe she wants
to have fun too.

confused

You watched me on TV?

Um... Thanks.

You were really amazing.

It was much better than what I heard on TV.

Of course, I even bought your album.

Um...

What is it?

On the way home...

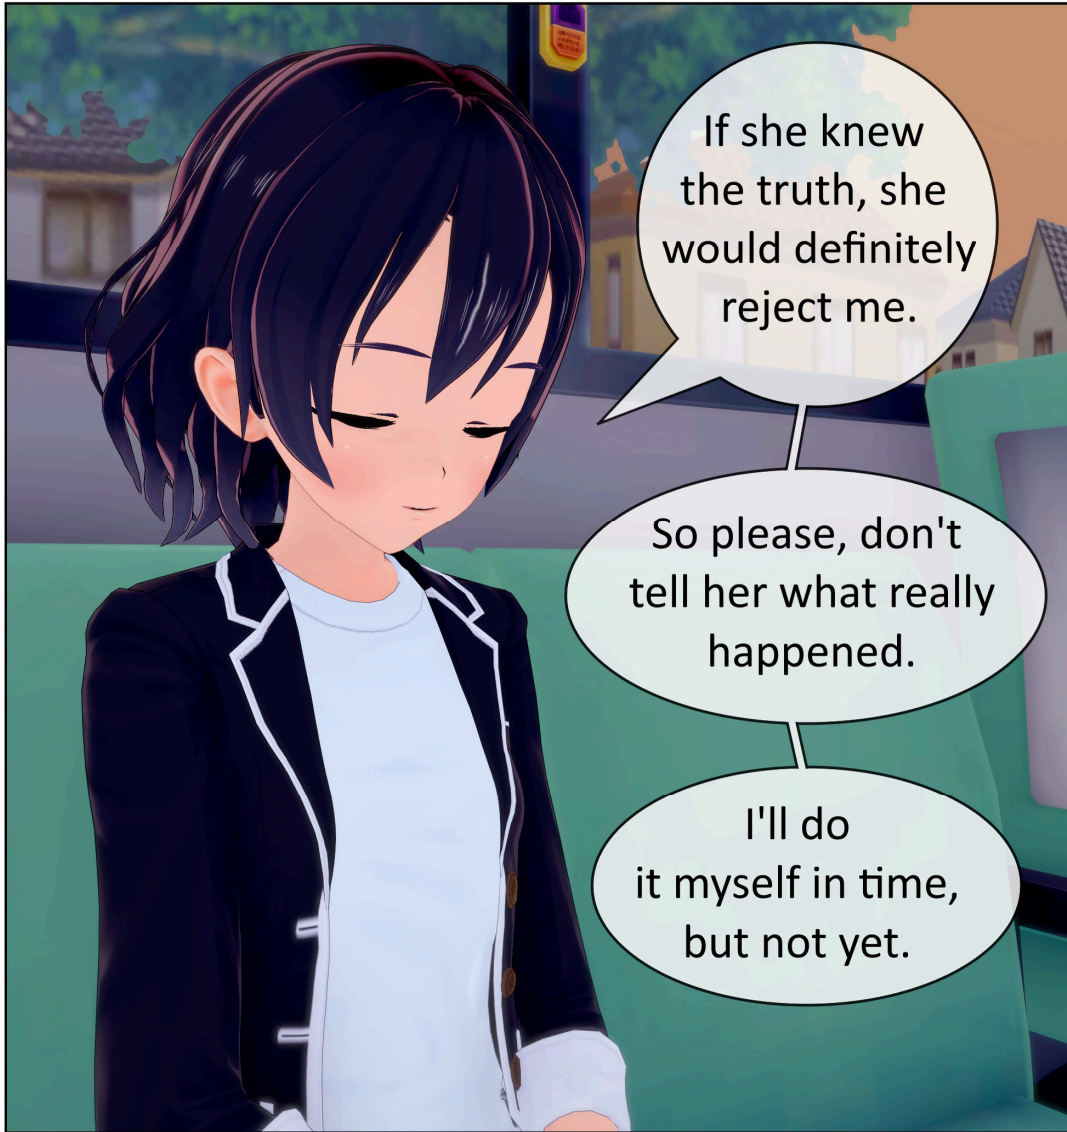

Shocked

You see, the truth is that I fell in love.

The only problem is that Ichigo loves you.

So I decided that since I had to pretend to be you anyway, I would just slip into your place.

So that I could be with her, at least in that way.

I already did, so you don't have to worry.

Why did I agree?

It's practically like giving up my old self.

Thanks. I promise I won't do anything stupid.

Surprised

Hehe.

I didn't expect him to agree so easily.

I guess Sora-san was right, he's not who he used to be.

Meanwhile, at Ichigo ...

Hiro never sounded like a girl, even when our class sang at the assembly a few years ago.

Besides, what's up with that photo Zero Two showed me?

Nothing here fits together.

confused

He always had a slightly higher voice than the rest of the boys, but he never sounded like that.

He looked like he had long hair and breasts. And now when I see him, he hasn't changed much except that his hair is a little longer.

Ichigo's imagination...

Can we stop
this already?

embarrassed

Maybe
you could at least let
me cut my hair.

She probably
forces him to wear
humiliating clothes.

But why, you
look so cute.

No way, you're
much cuter with
long hair.

Who knows
what other ways
she might be
tormenting him.

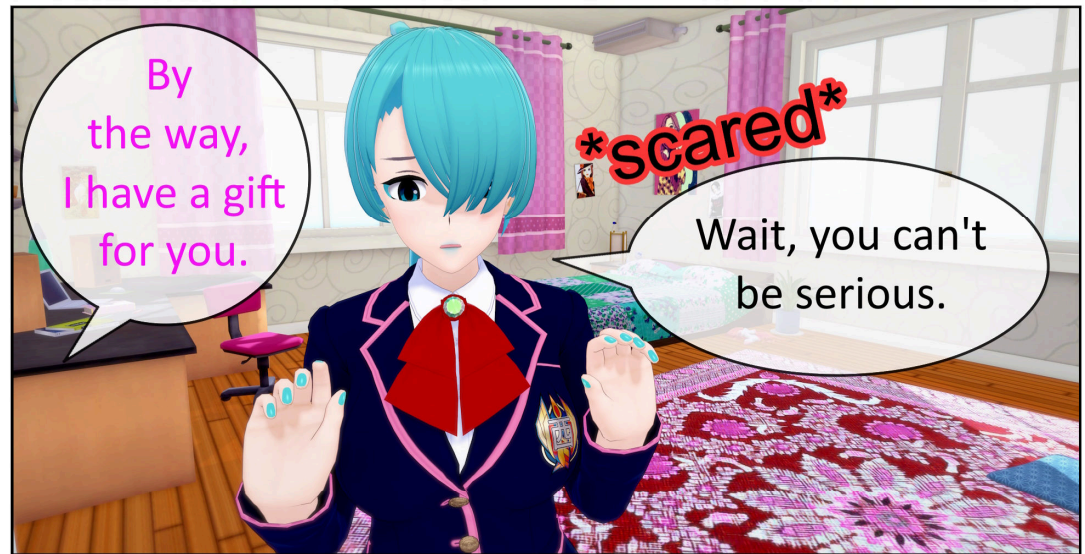

She
definitely treats
him like a toy.

Imouto -
younger sister.

Calm down, I'm
almost done.

You'll see
how beautiful you
are now.

My adorable
Imouto.

It will hurt a little at first, but you'll like it later.

You still have two of the three holes.

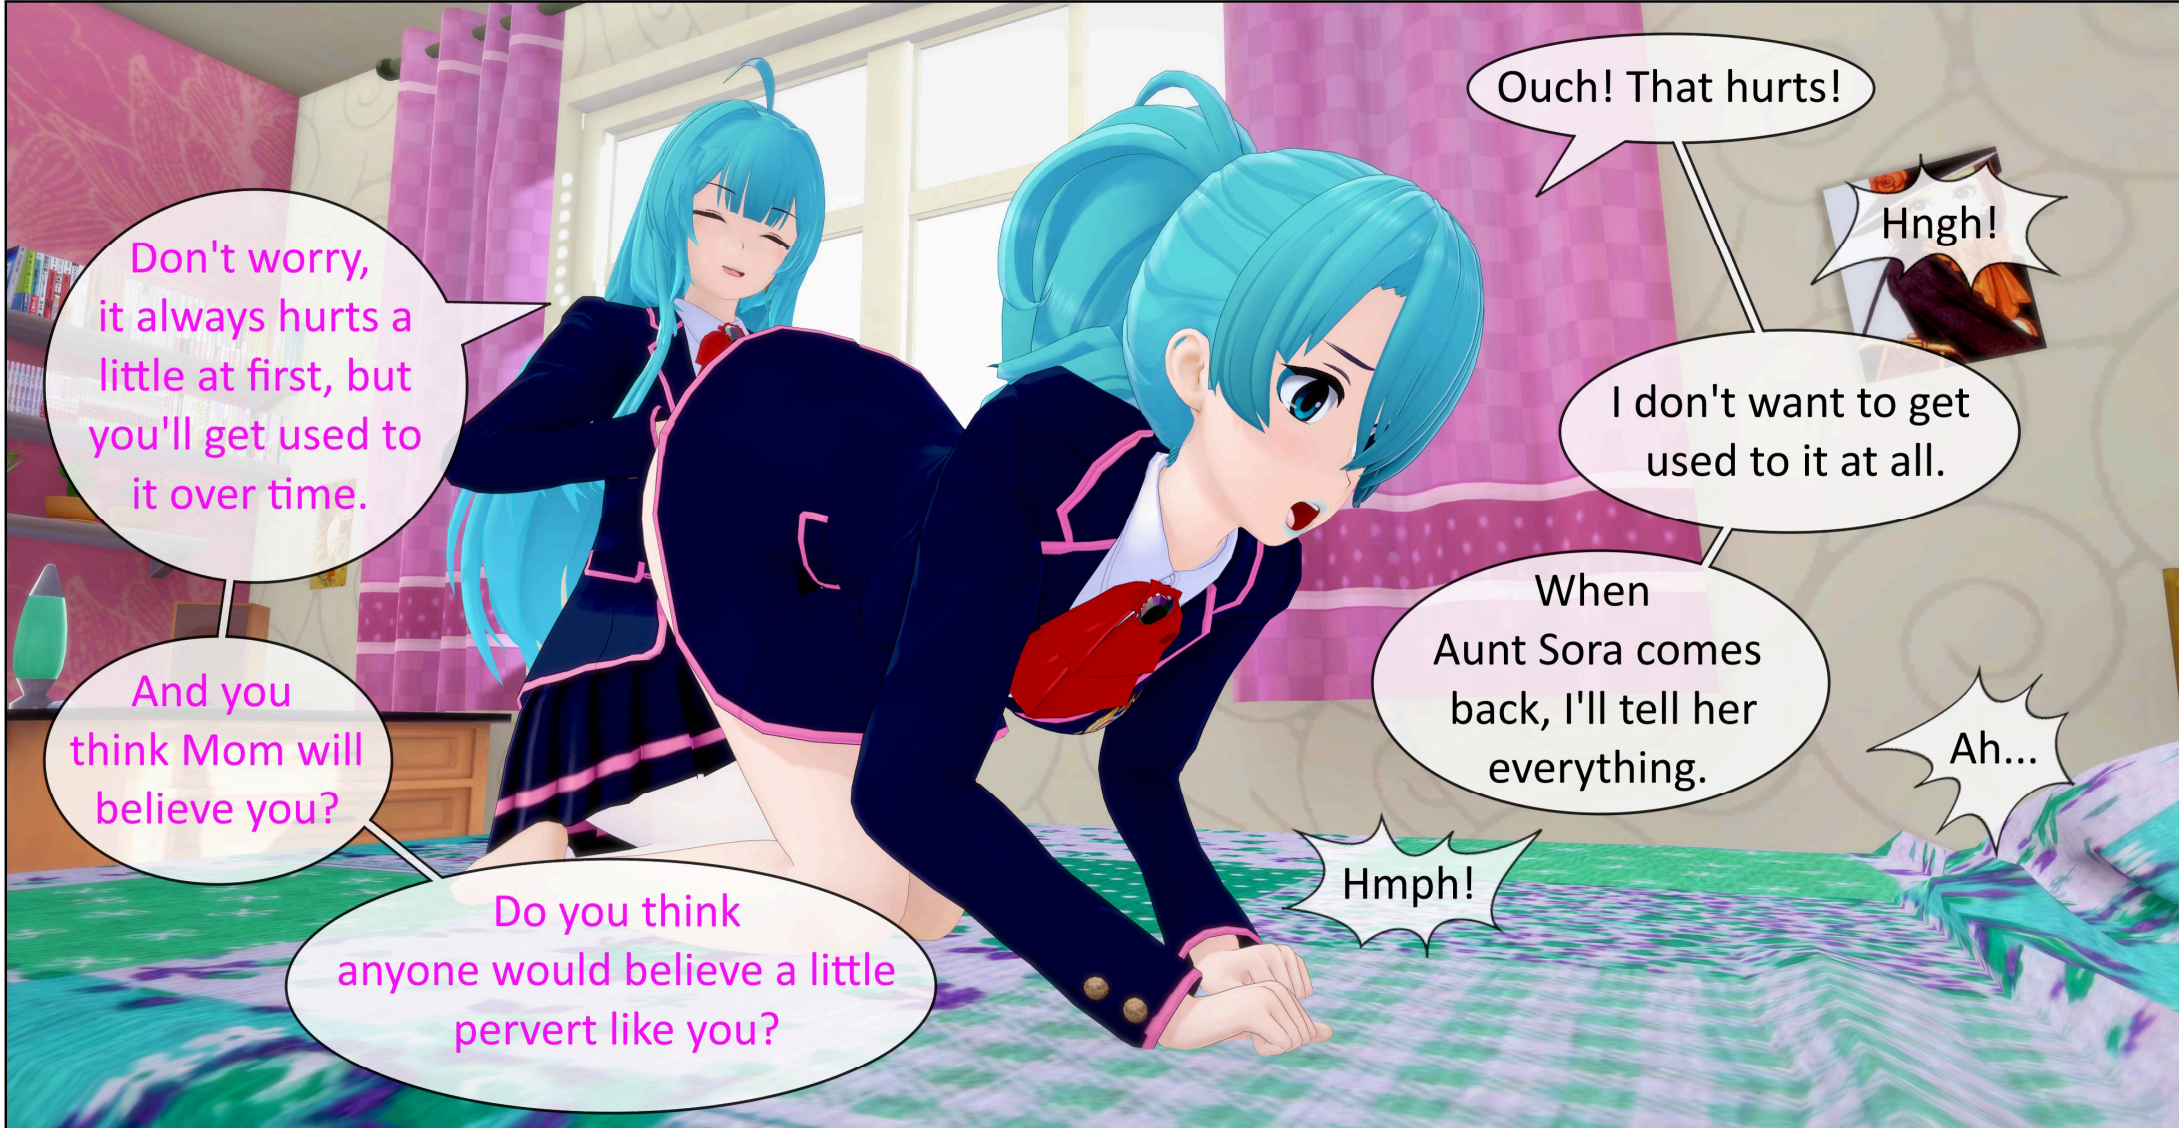

You're quick to catch on, Hibiki-chan.

Besides, where do you want to put it? I don't have a vagina.

Two? Wait, you don't mean...

Surprised

Hibiki-chan?

Don't worry, it always hurts a little at first, but you'll get used to it over time.

And you think Mom will believe you?

Do you think anyone would believe a little pervert like you?

Ouch! That hurts!

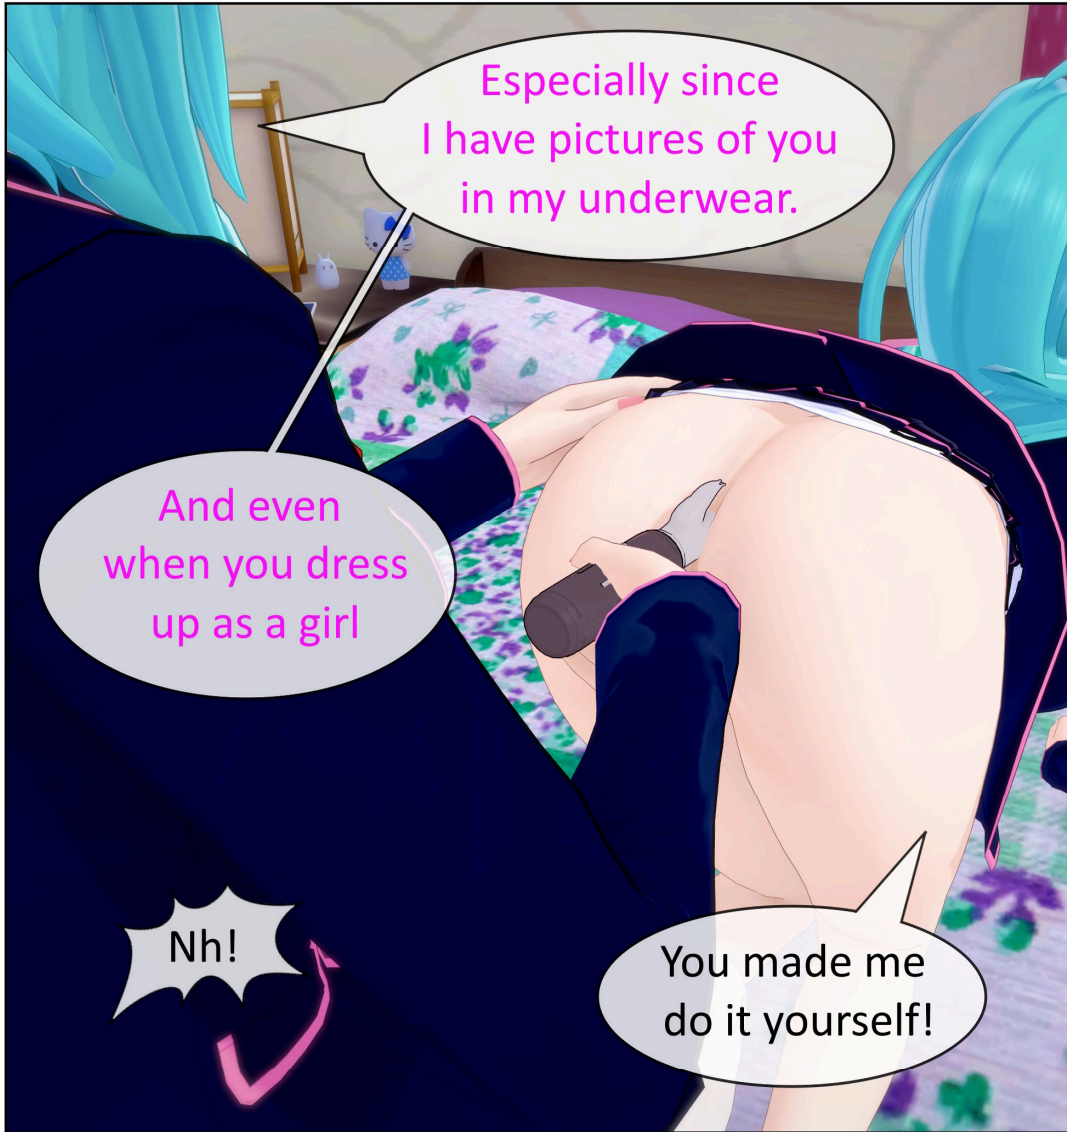

Hngh!

I don't want to get used to it at all.

When Aunt Sora comes back, I'll tell her everything.

Hmph!

Ah...

Especially since I have pictures of you in my underwear.

And even when you dress up as a girl

Nh!

You made me do it yourself!

Ah~ Hibiki-chan, you're just the perfect toy.

I'll never give you to anyone

Excited

And in time, I'll make you my sweet little sister.

Uwah...

Back to reality...

I can't let that happen.

Mad

I have to save Hiro from that snake and from becoming a girl.

Although I don't know why, but the thought of two girls doing it with each other turned me on a little.

Well... Even if Hiro-kun became a girl, I would still love him.

embarrassed

But wouldn't that make me a lesbian?

The next day...

You're running away from work even though your shift has just started.

She tried to call you for half an hour to find out what was going on.

Can you tell me what you're doing?

You don't ask anyone if you can, you just call my daughter to tell her.

Not to mention that s he's not your boss, I am.

I'm so sorry,
but I really had to
leave urgently.

I don't
care about your
apology.

As of today,
you're fired.

As for your
career as an idol,
that's over too.

Just as I thought.

Well... I've already talked to Sora about an alternative punishment. One that you would remember just as long as being fired.

The only condition is that you have to agree to it.

Of course I agree.

Great, then we've reached an agreement.

Six weeks later...

Okay, now pretend you're looking behind you.

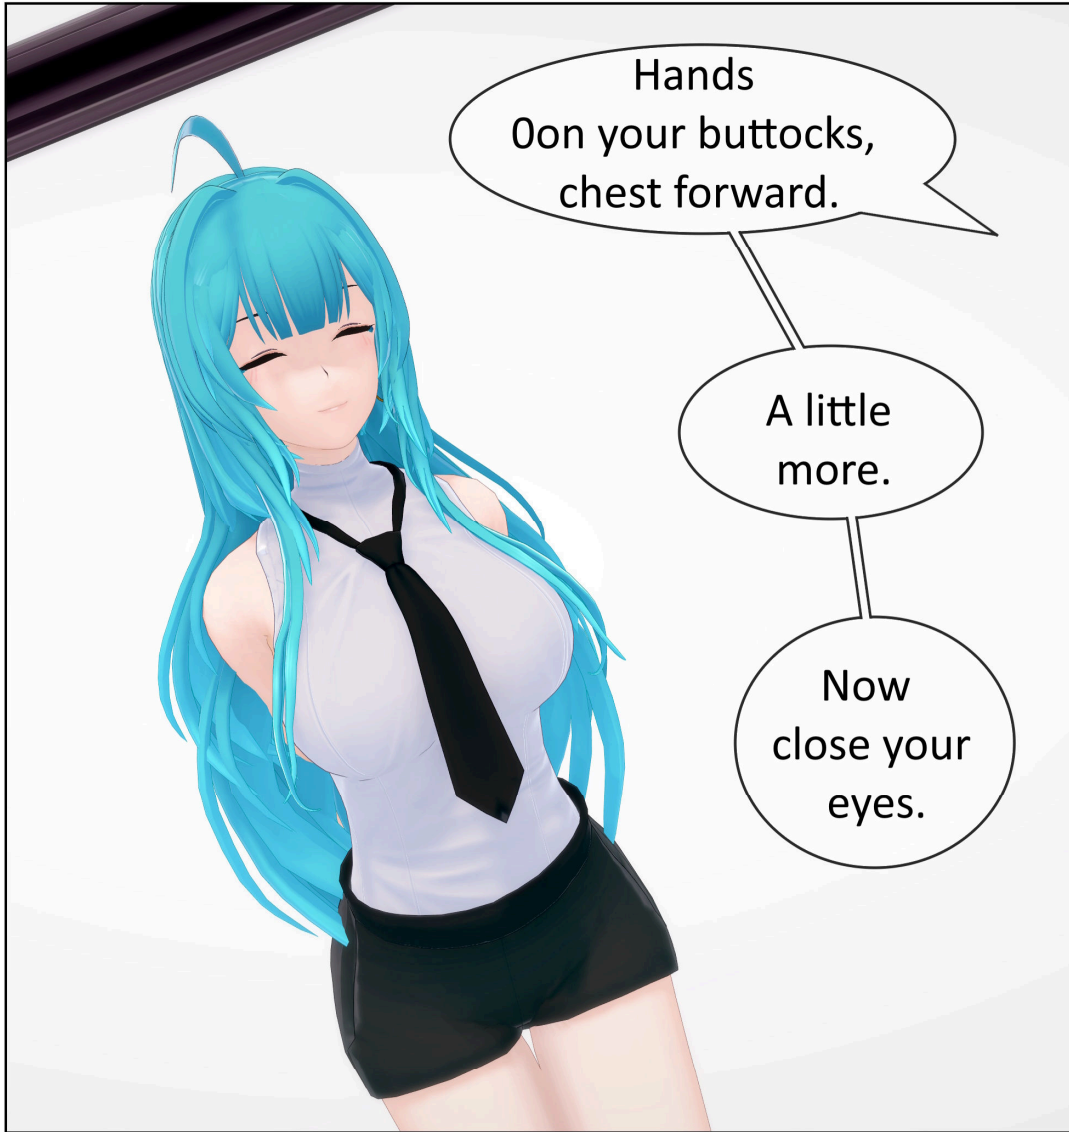

Tilt your head a little.

Now smile and don't move.

I understand that this was supposed to be a punishment I would remember for a long time.

But this was a bit excessive.

The doctor said that I will have to be careful when sitting down for at least the next two to four weeks.

Not to mention that I now have a whole month of schoolwork to catch up on.

I will definitely remember this for a long time.

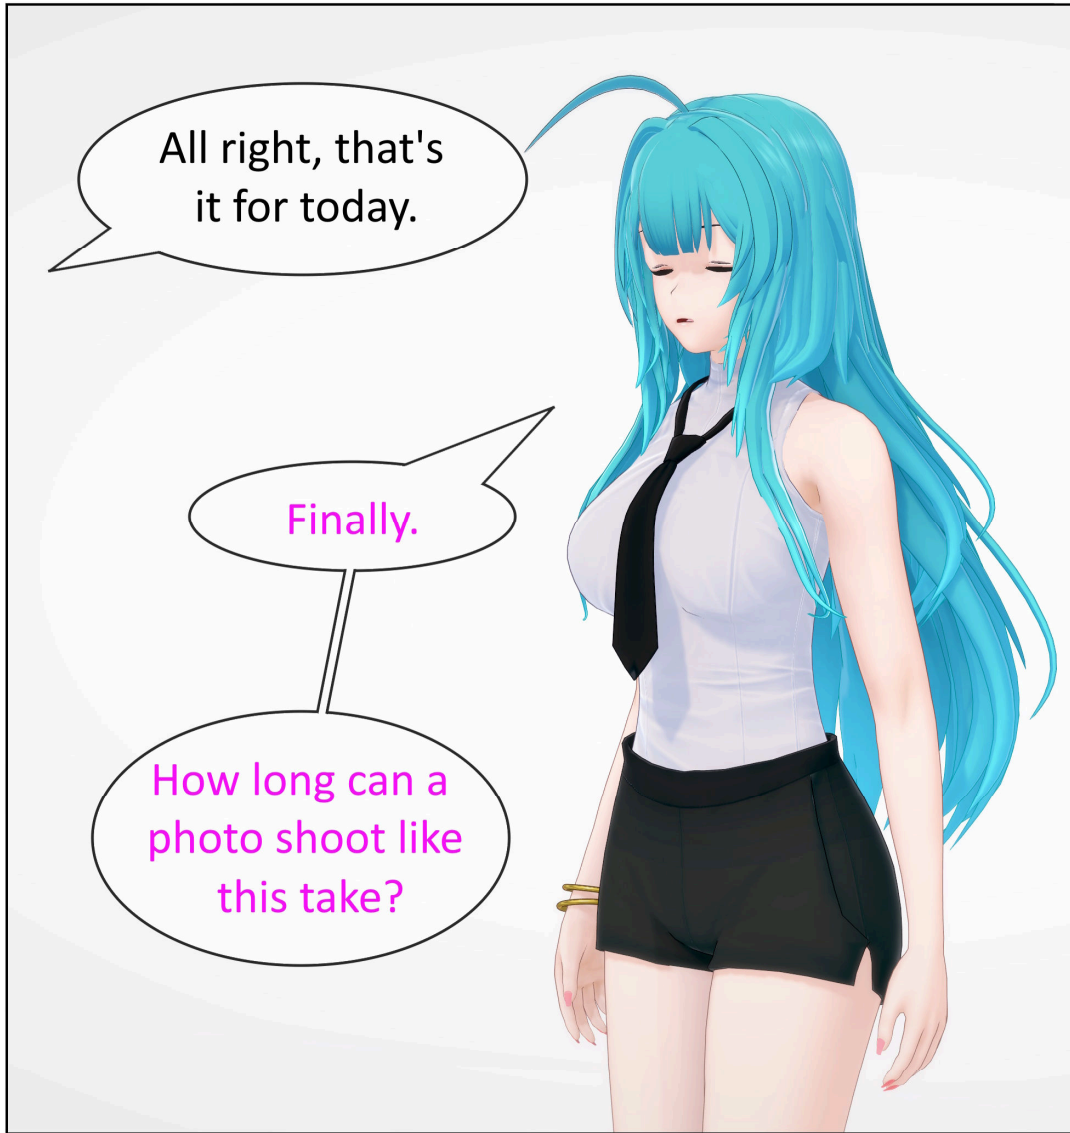

If I had known
it would be like this,
I would never have
agreed to it.

But I couldn't
let myself be fired,
I need a lot of money
to fix it later.

Although so far,
everything I do goes in the
opposite direction.

Now put both legs to
the side, rest your right hand
on the chair and put your
left hand on your thigh.

Exactly,
now make a face
as if you know
something.

Of course they do. Where do you think all those photos in magazines or even album covers come from?

Besides, fans are always eager to buy photos or posters of their favorite idols.

I never thought that idols also take part in photo shoots.

Somehow, I can't imagine someone having my poster in their room.

Meanwhile...

Man,
when I told you
to find out some
information about
her, I meant what
she likes.

Not buying
her a poster.

Shocked

Are you
her boyfriend
or a fan?

And done,
great, right?

happy

Maybe I should
buy that acrylic
figurine too.

Why, you look great after the surgery.

Where did you get that idea? You look great, and I'm sure your boyfriend will like it too.

Has he seen you after the surgery?

Do you really think so? I think I look strange.

embarrassed

Yes, my boyfriend... He...

Not yet. We've talked, but he hasn't seen me yet.

In any case,
I wish you a speedy
recovery.

For the time
being, we will try not to
overload you until you
have fully recovered.

The boss said not
to give you any heavy
work for now.

I have to do
something about it so that
people stop thinking that
Goro is my boyfriend.

It's humiliating
every time I hear it.

Besides, I'm with
Zero Two and that's
who I love.

It's good
that at least work
will be a little easier
for me.

On the way home...

So how was your first day back at work after the operation?

Pretty good, they'll only be giving me lighter tasks for a while.

concerned

That's good news, the doctor told you to take it easy until everything heals.

Yes, I just hope it's really temporary.

Of course, it's just fat after all.

Over time, your body will simply absorb it and there won't even be a trace.

Really?

Surprised

So I
won't have this butt
permanently?

That reassured
me a little. Because
I was already worried
about how I would look
when I was a man again
with a butt like that.

Especially
since I still have to get
rid of the implants from
my breasts. I don't want to
be a man with breasts
or a big butt.

Yes, especially
if you keep
exercising. They're
not implants.

Of course not.
Everything that's been
done so far can be
reversed.

Don't worry,
that definitely won't
happen.

It's hard for me to imagine being a man again now.

Of course not, it's just... I think I've gotten used to it a little.

I think you're right, after all, it will all take some time.

But I'm sure it will pass.

Do you plan to remain a girl permanently?

Definitely. But for now, it's better not to step out of character, especially since you're doing so well.

Probably. So for now, focus on what's happening now, Hina-chan.

A little later...

It's definitely going to take a while.

I'm starting to worry that I'll finish college before I'm a man again.

I don't even have a plan for how to achieve that.

How am I supposed to tell everyone that I'm a man?

I think I'll listen to mom for now and focus on the here and now.

I'll worry about it later.

A few moments later...

Because I always wear hair extensions, I didn't even notice that my hair had grown quite a bit.

But definitely longer than a typical guy's hair.

I think one of the first things I'll have to do is go to the hairdresser.

Although they're still much shorter than with the extensions.

Now I understand why I always had so much regrowth. I completely lost track of time.

I have to admit that I even like the way I look now.

It's a little hard for me to believe that this is really me.

I have a feeling that it's going to be a really big challenge.

I've become a girl that I normally wouldn't even have a chance with.

embarrassed

Although it's much harder for me to imagine being a boy again.

You're just pretending to be Hina-chan to avoid trouble.

Don't forget that.

Calm down, you're a boy, not a girl.

Angry

And as soon as this is over, you'll be a boy again.

Even if you look like a girl now, it's only temporary.

In Hina-chan's room...

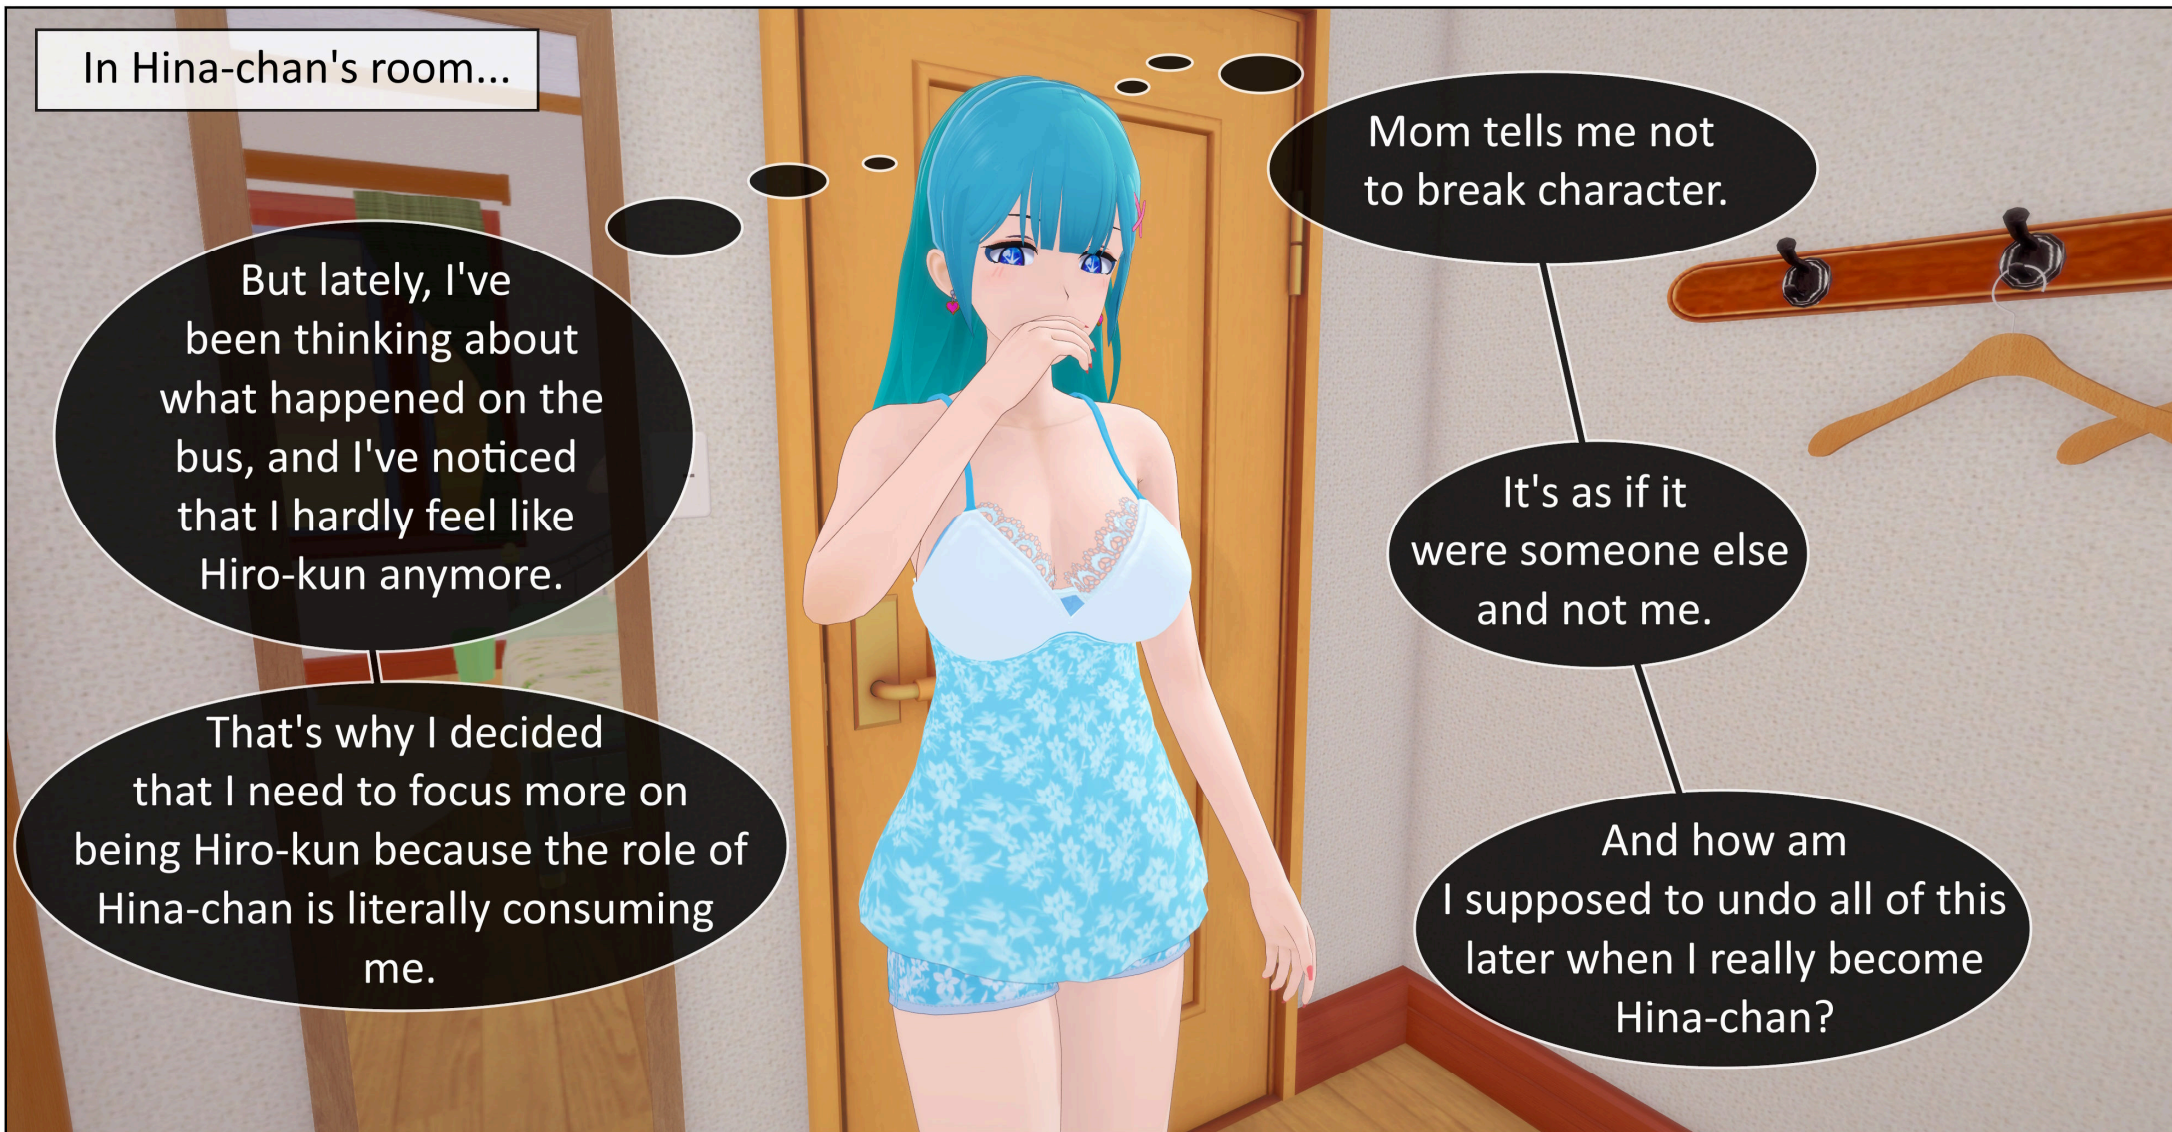

But lately, I've been thinking about what happened on the bus, and I've noticed that I hardly feel like Hiro-kun anymore.

That's why I decided that I need to focus more on being Hiro-kun because the role of Hina-chan is literally consuming me.

Mom tells me not to break character.

It's as if it were someone else and not me.

And how am I supposed to undo all of this later when I really become Hina-chan?

Except that I'm definitely better at being Hina-chan.

Do I really want to be Hiro-kun at all?

confused

I think I don't have to make a decision yet.

I just have to do it. But I should start being more careful not to get too into the role.

I just have to be careful not to forget who I am, and I have no control over pretending to be Hina-chan anyway.

The next day at
Mayumi-san's...

I didn't expect
him to actually
agree.

Apparently,
she has learned to take
responsibility for her actions.
Or maybe she just really
cared about her job.

I'm really surprised
by Hiro's behavior,
I'm sorry, Hina-chan.

I was almost certain she
would reject my proposal or
back out at the last minute.
I'm pleasantly surprised.

By the way, how
is she feeling?

She's almost back to normal.

That's good. I'm glad she got back on her feet so quickly.

Thanks. Hina is also trying really hard.

I'm generally impressed that despite her previous mistakes, you were able to guide her well.

I didn't expect such a change in behavior, but the punishment eventually did him good.

By the way,
did you buy what
I recommended?

Sure, she'll
be one step closer
to becoming a
full-fledged girl.

curious

Really,
what is it?

Yes, I'm sure
Hina-chan will be
happy with such a
surprise. She'll
definitely be
surprised.

I have another
surprise for him
too.

To be continued...
