Eternal dream

Chapter 11

By Ron512 and Kami1

That means Hiro
is my boyfriend.

I guess
there's nothing
complicated about
that, right?

If that's all it's
time for us to go.
hehe

What?

What is
she talking about
after all we are not
a couple.

What!!!?

Angry

You've got to be kidding, Hiro-kun is my boyfriend... I mean friend.

Yes, you have something against it.

Hmm... really?

No.

But Darling is mine alone and I have no intention of sharing him with anyone.

Maybe, but I was the one who took the first step and Darling is now my boyfriend

What?

Why do you think he is yours?

Besides, I've known him longer than you!

What but how, you....

Angry

Just don't think I'll give up so easily.

A moment longer and she would have discovered your secret for sure.

Phew... That was close.

Yes, I was sure that if she saw us kissing, she would be so angry that she would forget everything else.

Is that why you kissed me?

So you really don't want me to be your boyfriend.

Yes,
I understand.

Why, is there
something wrong
with these.

Great.

Now come on we
need to buy you some
other clothes.

Of
course , in these
clothes you look
like a guy.

And if you haven't forgotten my dad forbade me to date guys.

I knew you would understand. hehe

I remember, wait a minute, do you want me to be dressed as a girl during our date.

In the beauty salon...

Welcome to Stellar Slash, what can I do for you?

I see you came with your boyfriend today.

Oh Zero Two, hi we haven't seen each other for a while.

Unfortunately, you know very well that we don't serve men here.

Finally
someone noticed
that I am a guy.

happy

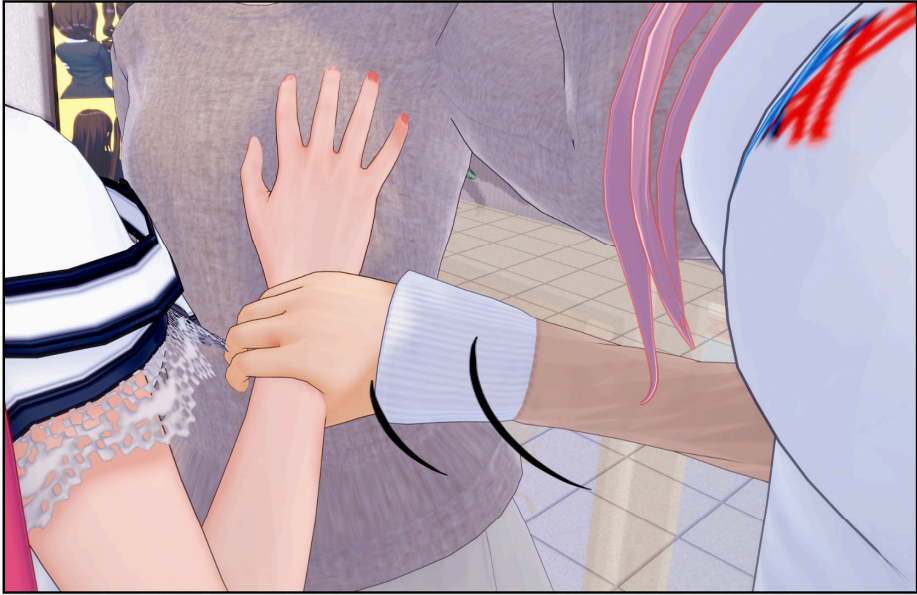

I know what
that means.

But still,
I feel like this is the
happiest moment
of my life.

What are
you talking about
Aris-chan Hina-chan
is my friend.

And you
can be sure that
she is 100 percent
a girl.

And how, now you believe me that Hina-chan is a girl?

Or do you still want to check down there just to be sure? hehe

Of course
, it was the
easiest way to
prove to Aris-chan
that you really
are a girl.

There was no
time for that.

Did you really
have to do that?

I see, but you
could have asked
me first.

Good thing I wore
a bra after all.

Some time later...

Done, now
you finally look
like a girl.

And a
gain sorry for
taking you for
a guy.

But it
was really hard to
guess that you were
a girl.

Yes.

Unbelievable,
and I was hoping to
spend at least one
day as a guy.

Well... with this new makeup it certainly won't happen again, especially since it's better than the previous one.

Angry? I haven't heard a bigger compliment in a long time.

No worries.

I hope you're not mad at me for this?

That's good, I really feel stupid about it.

And what was the previous one like?

Exactly like this.

As far as I know, Hina-chan does her own makeup.

Shocked

What is it supposed to be? This is horrible!

Hina-chan, you looked like a slut in that makeup.

Who did something so awful to you?

Really?

Slut?

embarrassed

I just tried to copy Zero Two's makeup.

Only for a change I used more blue instead of red.

I didn't think it came out that bad.

Now at least I understand why all the girls were looking at me like that.

I guess I really need to start learning what Aunt Sora gave me.

Why didn't you tell me I looked that bad?

Because you didn't ask.

Besides, I didn't want to offend you.

Sure. But now it's time to pay.

Next time, please tell me when I do something stupid.

I wonder how much it will cost.

After all,
there is one more
place where we have
to go.

So how
much do I pay?

Cash.

That will be 10000
yen, cash or card?

10000 yen for makeup,
expensive .I will have to
give Zero Two later money
for this makeup.

Shocked

10,000 yen = \$72.31

Some time later...

Although from what I remember Zero Two and Aunt Sora mentioned something that Zero Two's father is someone important.

And that would mean that she is rich.

So maybe 10,000 yen is not a big deal to her.

Although I'm still ashamed that a girl is paying for me.

embarrassed

Yes,
I will have to give her
that money back.

Why did we come to
the clothing store?

What, but
I don't need
new clothes.

And we
are there.

To buy you
new clothes.

Of course you
need them. After all,
you can't go out on the
town like this.

If I let Zero Two buy everything for me she will think that I only befriended her for money.

While we're on buying, I....

That's why we have to buy you something more fitting.

Oh great, I see an expeditor.

Excuse me!

Could you
please help us?

Oh dear.

She doesn't pay any
attention to me at all.

Let's just hope she
doesn't buy me too many things,
because later I'll have a hard time
giving her money for it.

I also hope that she will agree to let me give her the money in installments.

Because she has already spent almost a fifth of what I earn monthly.

What can I help you with?

We are looking for some new outfit for my friend.

Could you recommend us something?

We could also use some help with sizing.

Of course.

I'm sure
we'll find something
suitable for your friend
right away.

Please
follow me.

In the locker room...

Okay, I will bring you matching clothes in a moment, but first I want you to undress.

Yes, I need to take your measurements.

So I would ask you to take off your sweatshirt.

What, here and now?

Eee....

Any problem?

There's really nothing to be embarrassed about, after all, we're all women.

But then the measurement will be inaccurate.

No, I'm just a little ashamed.

embarrassed

Yes... And do I really have to undress?

Can't you measure me with my clothes on?

But then
the clothes will be too
tight or too loose.

What?

That's not a
problem.

That's not
a problem
either.

I can't stand it
any longer.

?

Sorry, but we don't have all day.

And since you don't want to undress yourself, let me help you.

What? Wait.

What are you going to do?

No, no, no!

Wait a minute,
time!

I can undress
myself.

The bra too?

Shocked

Er...

Too late.

Then you should
have done it and not
wait. hehe

Moments later...

Well that would be all.

I'll bring something matching right away.

Hehe.
Of course, I think I even have something suitable.

Just please nothing too girly.

Thanks.

If you don't want someone to discover the truth, you should get used to wearing women's clothes.

Probably so, but think what would happen if someone discovered your secret.

That's why you'd better get used to wearing women's clothes.

I know, but it's embarrassing.

I would die of shame.

I guess you are right.

Well...

Fortunately you already have small breasts so I think we don't have to worry so much. hehe

Say what you want but to me these are small breasts.

Say, they already feel like real breasts when you play with them?

What? That's not breasts... that....

It's just some weird swelling.

What, I don't play with them. Besides, I already said they are not breasts.

We'll come back to this conversation next time.

Don't think about it. You are a girl right?

Great.

Maybe she didn't want you to be embarrassed.

This outfit is terribly girly.

Ymmm...
Yes, but.

But why didn't she come in?

In any case,
you have five minutes
to get dressed.

If you don't
come out by then I'll
help you get dressed
myself.

Great and remember
you are a girl you should
wear something cute from
time to time.

It won't be
necessary.

Do I really have to put it on?

I don't think I have a choice.

But after payday, I definitely need to buy myself some men's clothes.

Fortunately, that's coming soon.

I'll just have to be careful not to spend too much because I'll be in trouble.

Moments later...

Great,
this color really
suits you.

Sorry Darling
but moments ago my
father called and said
I should go back .

Done. How
do I look?

In that case,
can we go eat
now?

Too bad, maybe
in that case I won't
buy this outfit?

Next date?

You' re probably
not talking about...
you know what.

Take it, it will be
for our next date.

Yes, and as an apology
for the fact that this one didn't
work out I have something
special planned.

Maybe. hehe

On the way back...

Hina-chan?
Did something
happen?

With Zero Two?

You said
you were going on a
date with that friend
of yours.

Sure.

disconnected

Hi aunt it's
me.

No, I'm just calling to
tell you that you don't have
to go for me, I'll be back
together with Zero Two.

It turned out a
little differently, I'll come
right away and tell you
everything.

Aunt Sora probably thinks Ichigo is my girlfriend.

Never mind, I'll try to explain it to her later.

After all, it's the guy who should pay on a date not the girl.

I told her that Ichigo is just my friend.

Much more important is what I will do with what Zero Two bought me.

I think I need to return the money to her.

Zero Two
when it comes
to money....

The rest
of what?

Oh yeah, right
I almost forgot.

You have
the rest in your
stash.

Your paycheck,
I think there's still
something left
there.

Yuri-chan gave it to me earlier and asked me to give it to you.

Of course, normally I wouldn't touch your money.

But I suspected that you wouldn't want a girl to pay for you.

If you don't like it I can give you the money back.

The worst part is that it's true.

There is no need for it.

Yes, as you said I don't want a girl to pay for me.

No, I will try to get more tips and it will be fine.

Are you sure?

And you won't have problems that you spent almost your entire paycheck.

If you are more charming you will definitely get more tips.

Some time later...

Welcome home
Hina-chan.

I thought you
were supposed to go on a
date with your friend and
not with Zero Two.

And you
come back as a girl,
what happened?

How was
your date?

Also, if I remember
correctly you left
home as a boy.

Well...
Things didn't quite
go as I planned.

Which was probably
unnecessary because later
her father called and told
her to come back.

And in the end, instead
of meeting Ichigo, I had to
go shopping with Zero
Two.

Things don't always go the way we want them to.

I just hope you didn't spend your entire paycheck on these purchases.

Finally, this Friday you have another visit to the Doctor.

Shocked
What!!!
This Friday?

Yes, I hope you didn't forget.

Fortunately, you should be paid this week.

So it shouldn't be a problem for you, right?

Yes, it's not a problem at all.

It's a gigantic problem because Zero Two spent almost all of my paycheck.

Why I didn't take that money from her!!!?

What should I do now?

But if I don't tell her about it, where will I get the money for this shot?

I can't let Aunt Sora find out that I spent my entire paycheck because she'll take my phone again.

Of course, even if you did, it wouldn't be the end of the world.

Although you have little time, so you would have to really try to raise the needed amount.

But I'm sure you won't spend your entire paycheck.

As you would, of course I would pay for you this time too.

Of course not who do you think I am?hehe

Really?

Sure, I'll call you when dinner is ready.

Of course, I know very well that Zero Two spent your entire paycheck.

After all, I told her myself to do it

If you're looking for me I'll be in my room.

Last Friday...

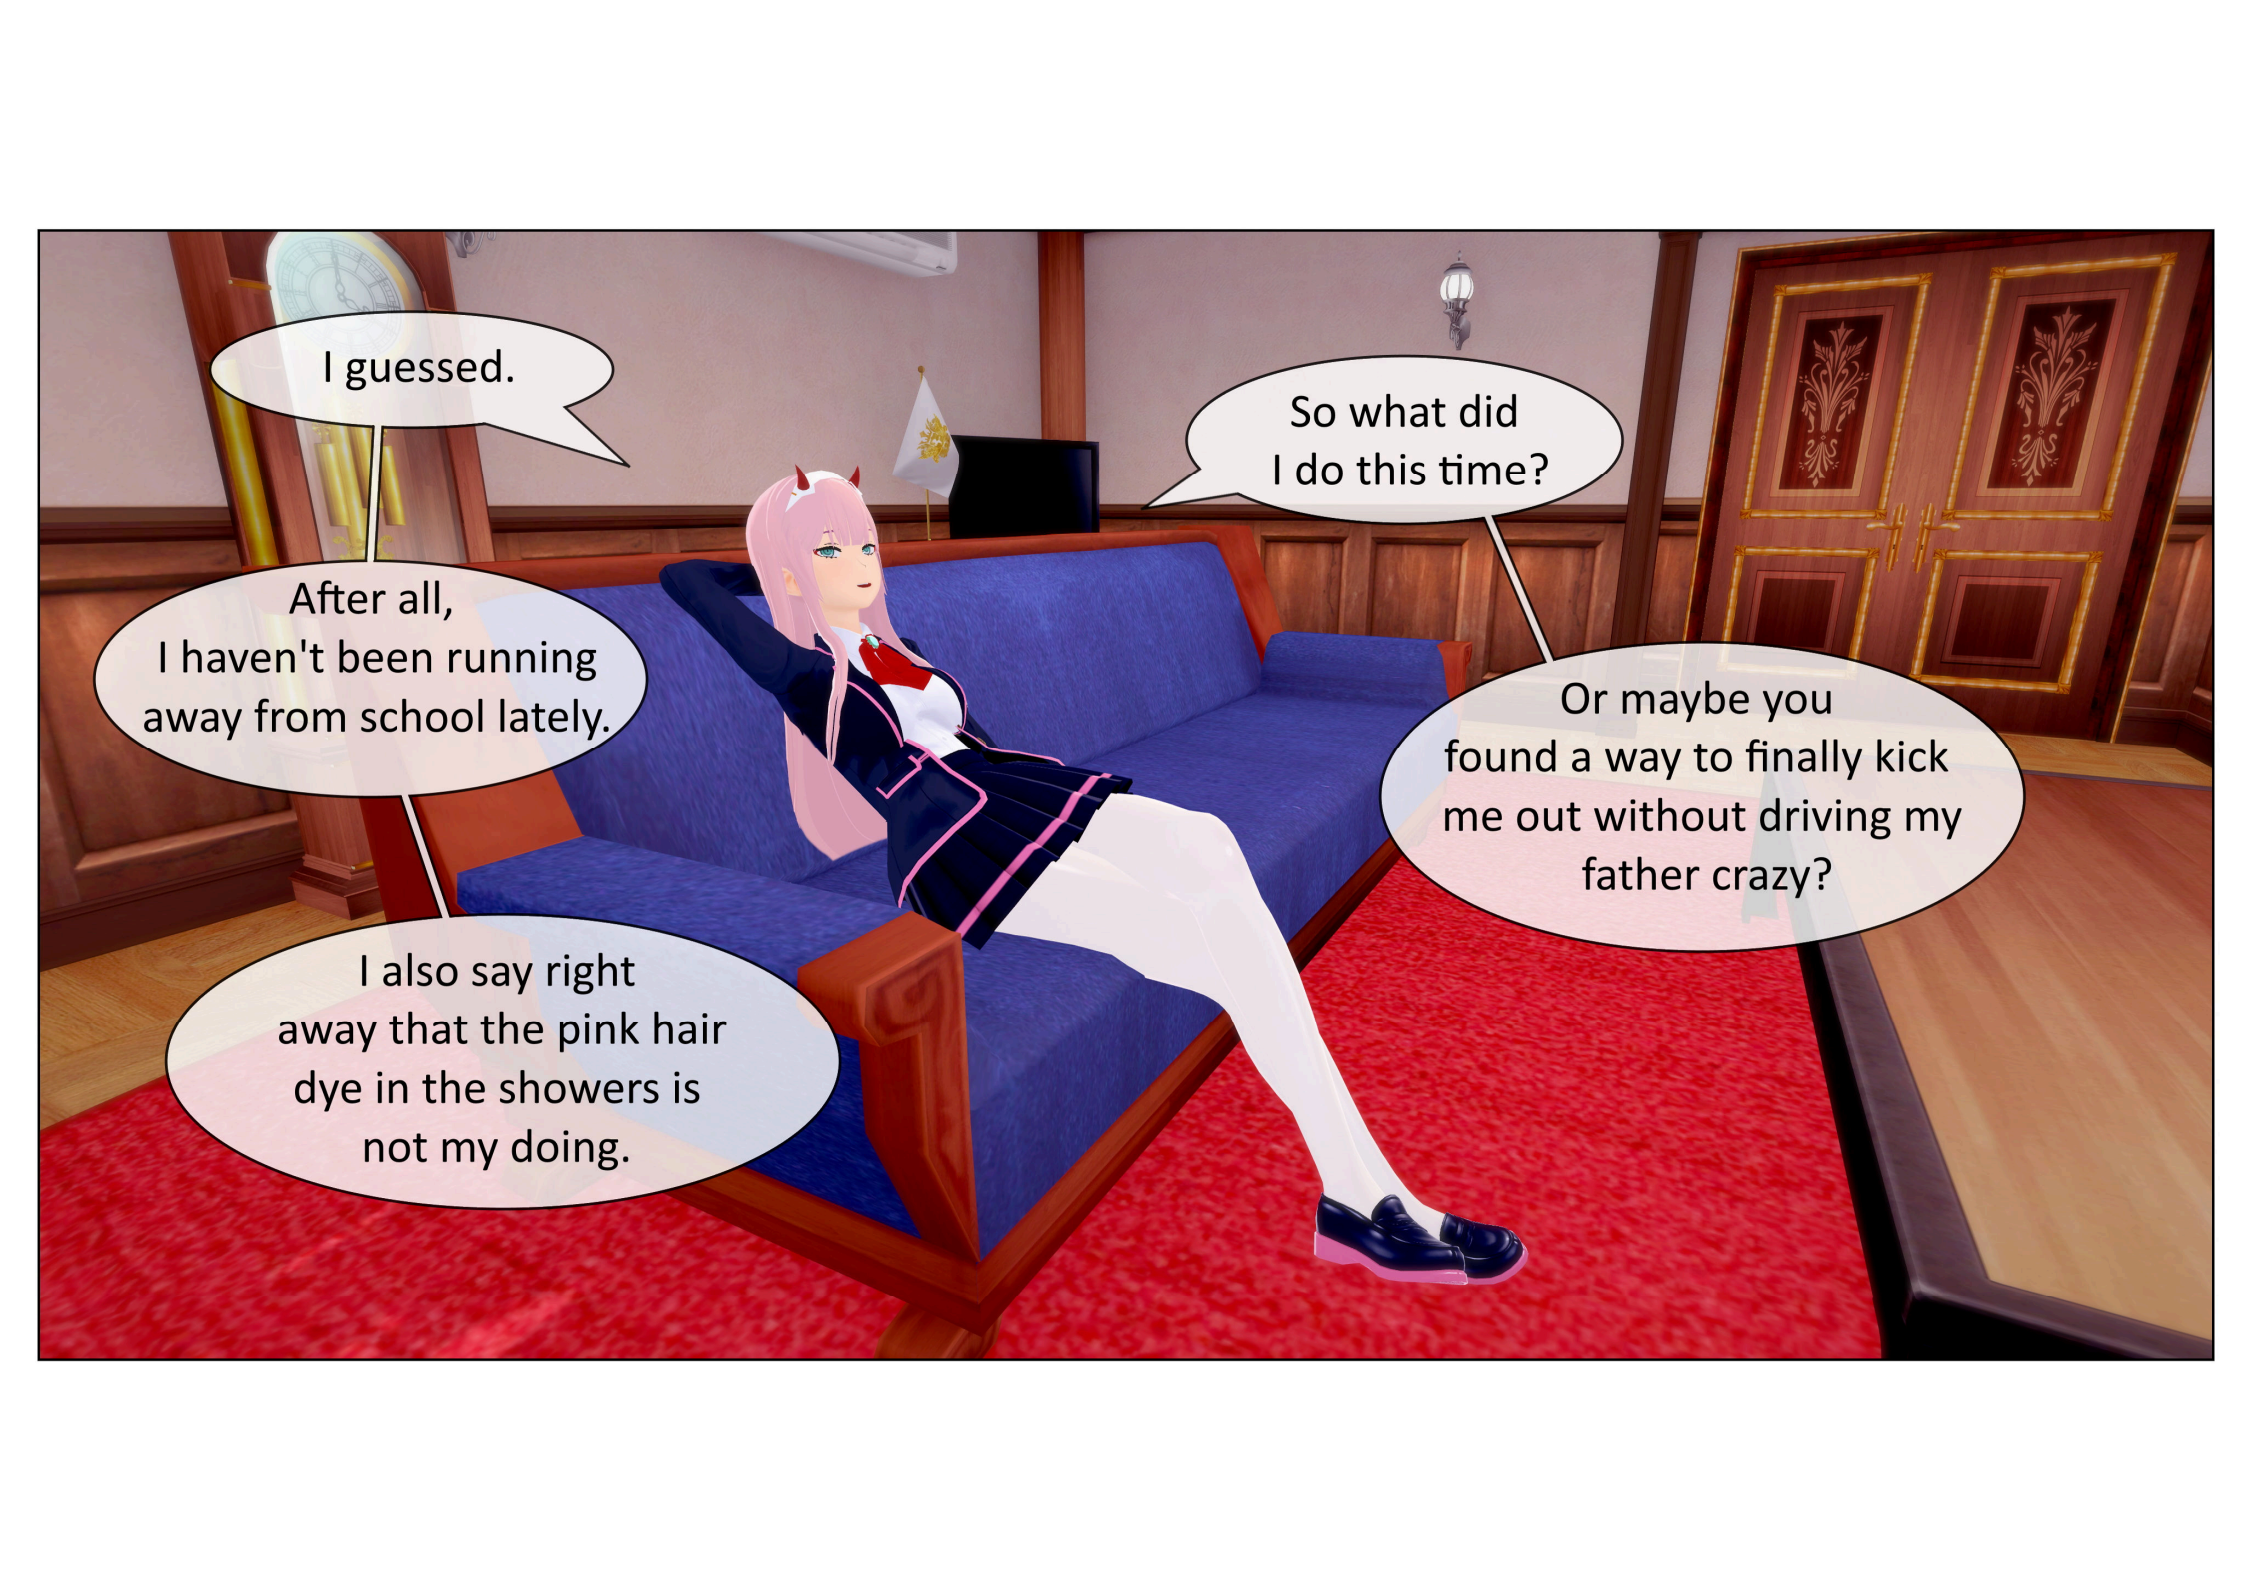

What does she want from me again?

After all, I haven't done anything yet today.

And because of Darling I don't even run away from school lately.

Zero Two great that you are already here.

We need to have a serious talk.

I guessed.

So what did I do this time?

After all, I haven't been running away from school lately.

Or maybe you found a way to finally kick me out without driving my father crazy?

I also say right away that the pink hair dye in the showers is not my doing.

What did you do?

shocked

Ah... never mind.

I'll deal with it later.

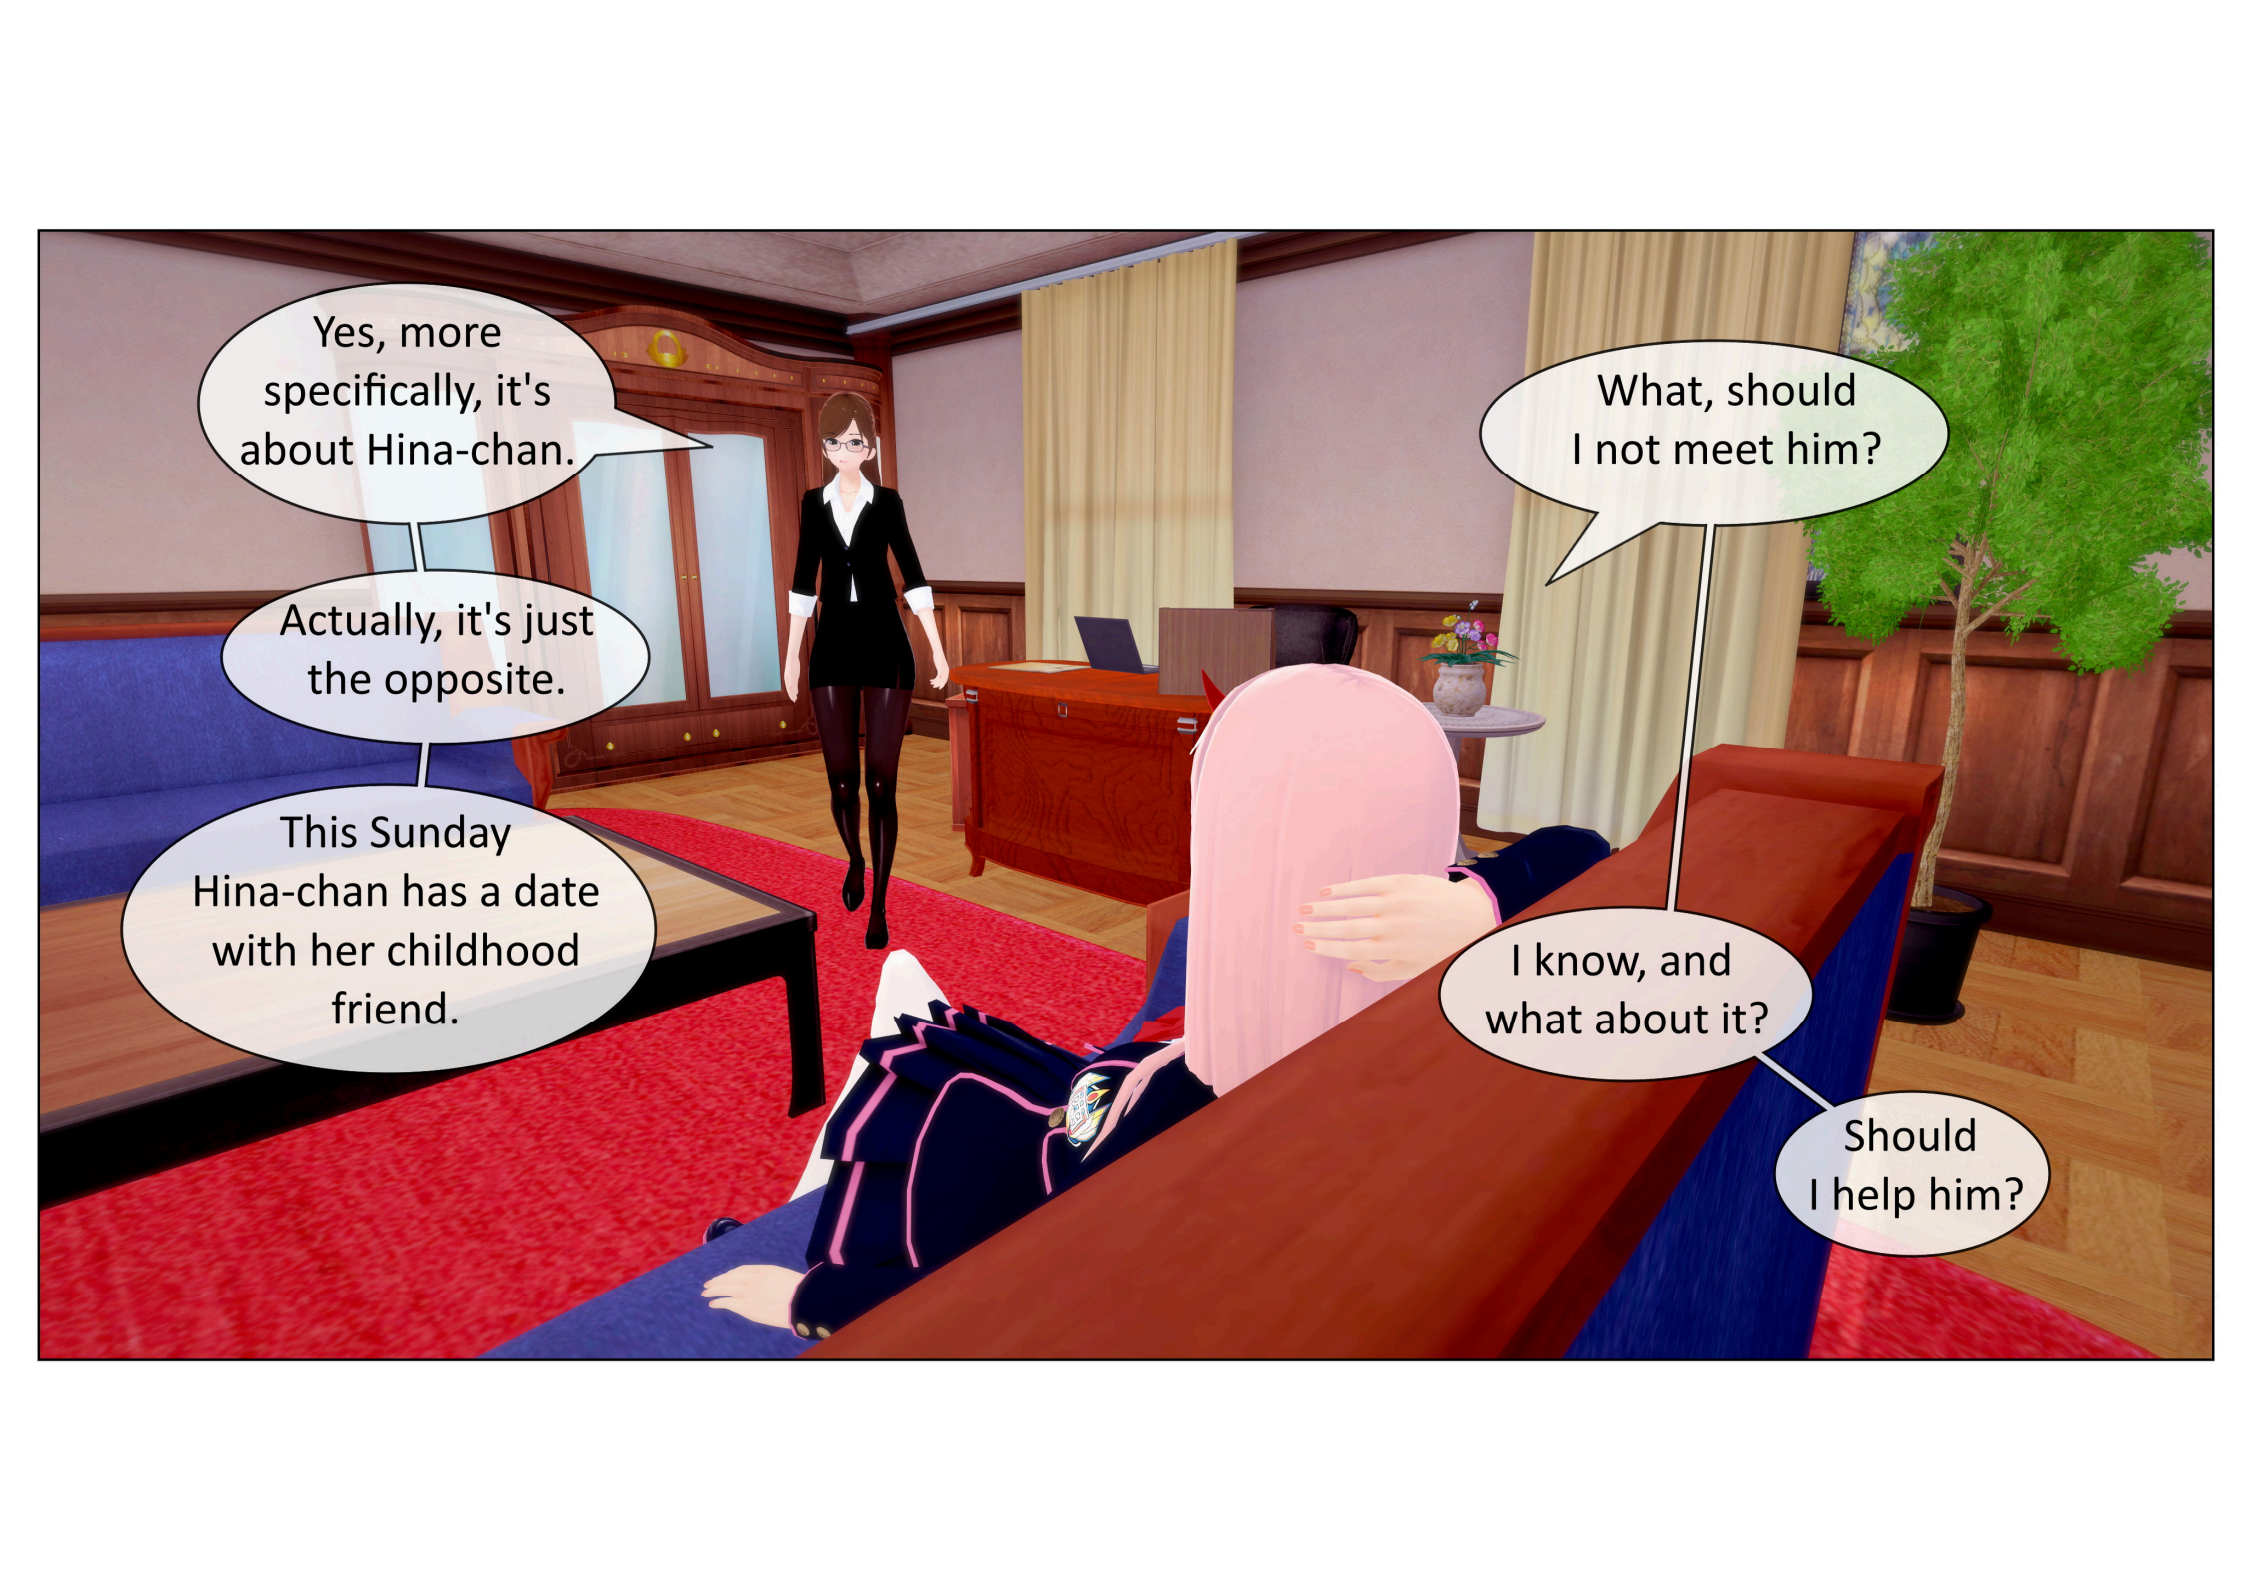

This time I'm not going to talk to you about your antics.

Wow, this is something new.

This means it's something serious.

shocked

Yes, more specifically, it's about Hina-chan.

Actually, it's just the opposite.

This Sunday Hina-chan has a date with her childhood friend.

What, should I not meet him?

I know, and what about it?

Should I help him?

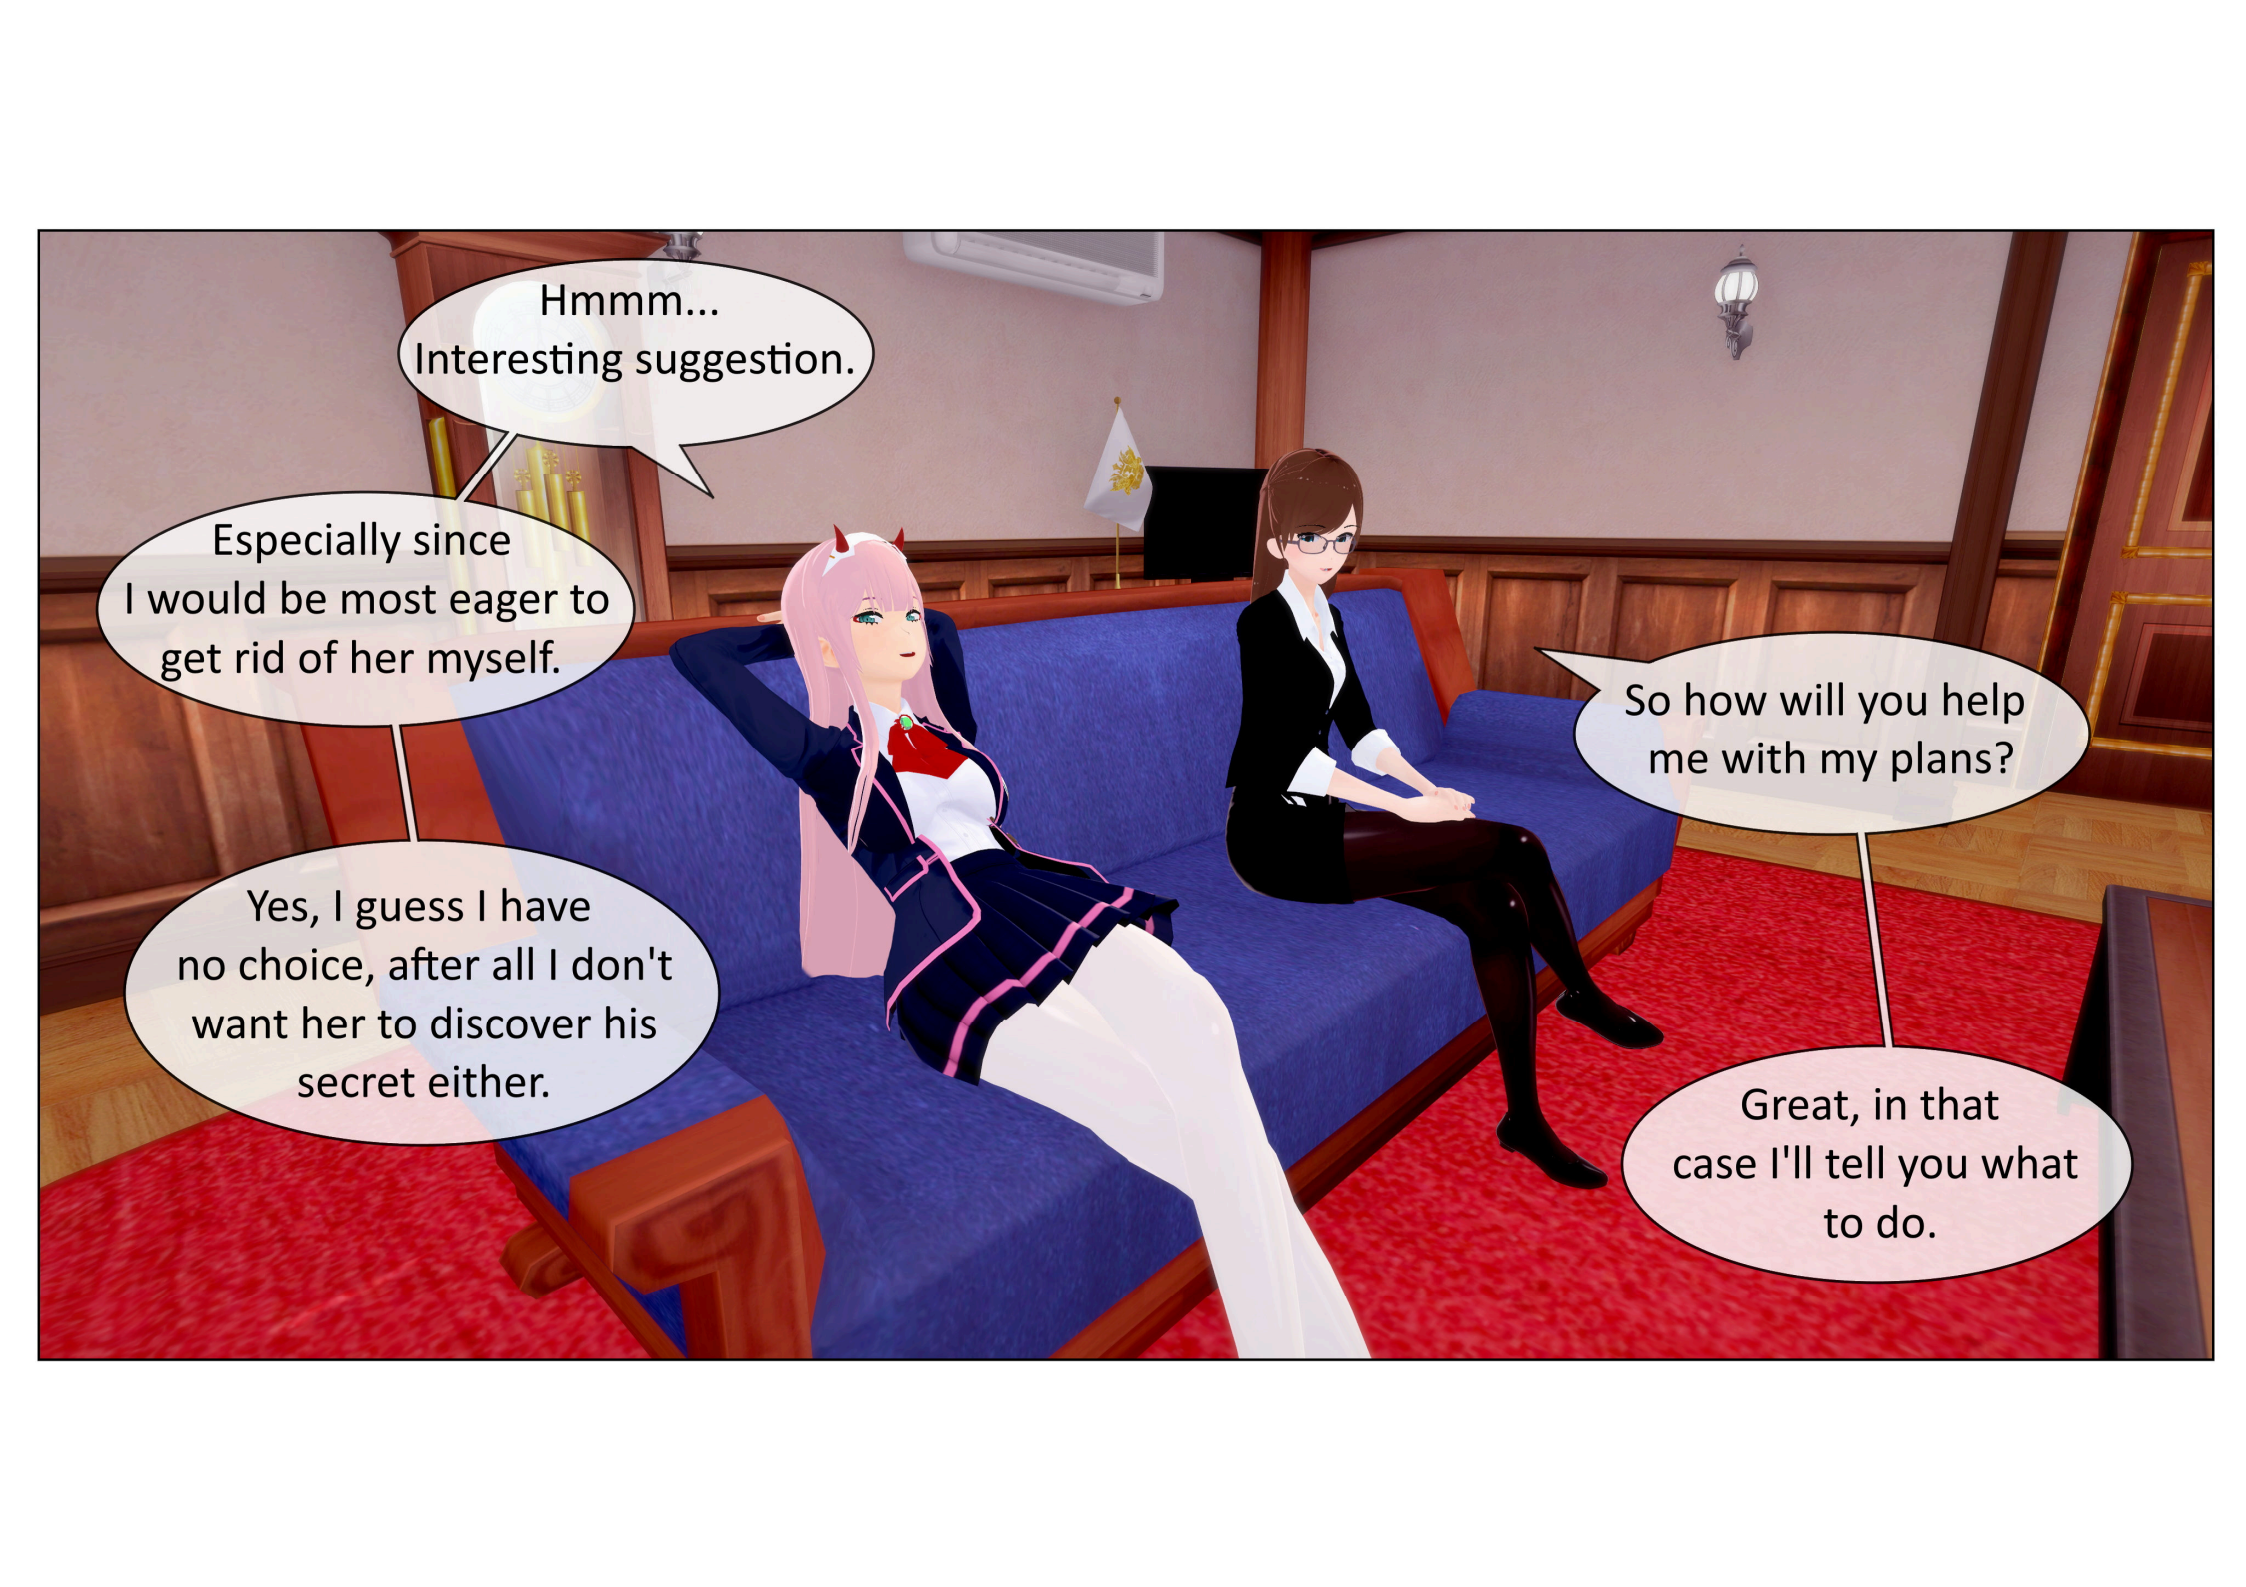

Let me guess. his friend is in the way.

You see, I'm trying to teach Hina-chan how to be a good girl.

She can completely ruin my plans.

For that I want you to take care of her.

Hmmm...
Interesting suggestion.

Especially since
I would be most eager to
get rid of her myself.

Yes, I guess I have
no choice, after all I don't
want her to discover his
secret either.

So how will you help
me with my plans?

Great, in that
case I'll tell you what
to do.

Ah, I almost forgot.

Yuri-chan gave me Hiro-chan's payment.

Maybe since I'm here I'll give it to you and you'll pass it on to Hina-chan when you get home.

Hehe. I have a better idea.

Back to the present....

Now you have two things you can do.

The first is to ask me for money.

Which you haven't done.

Or, try to get more tips.

And that would mean you have to act more like a girl.

By the way, I also managed to solve the problem with your friend.

Now I should have her out of the way for a while.

So everything went according to plan.

The next day at school...

Saki-chan is
that you?

What happened
to your hair.

Yes, you look
a bit like Zero Two
now. Are you trying to
look like her?

Yes it's me.

Do you mean
it's pink?

You must
be joking.

Some idiot added pink hair dye to all shower shampoos.

Mad

No, it's no new fad.

That's why so many girls suddenly have pink hair.

I thought it was some new fad.

Well... I was hoping you could help me with something but I guess you're not in the mood right now.

What?

Excited

Of course I will help you. Just tell me what the problem is.

Yes, Hina-chan came to me for help instead of Zero two.

This is the chance I've been waiting for.

Er... I was hoping you could tell me how to be more you know ... Girly....

embarrassed

Really?

Sure, I'll teach you everything.

Maybe I should ask Zero two for help after all?

But then she might guess that I resent her for spending my paycheck.

Yes, of course I just want to be a little more girly.

embarrassed

What is she
up to again?

Mad

I'm not
going to let that
happen.

Is she trying to
take my Darling away
from me again?

I think it's time to
show for Darlin that
I really care about
him.

To be continued...
