

Eternal dream

Chapter 13

By Ron512 and Kami1

A few days later...

Phew... I finally managed to raise the money for this injection.

Well... I just don't like the way I did it, but I had no choice.

But a real man doesn't let a girl pay for him.

At the last minute.

In theory, I could have told Zero two to give me back the money she spent then.

Although
after this week I feel that
I have lost some of my
masculinity.

Are they
trying to make a girl
out of me?

In the end it would
be a complete disaster
for everyone.

First these exercises
with Zero Two and then
these lessons with Saki.

They're probably
worried lest anyone discover
that I'm a guy.

In the locker room...

What, a trip
to a spa?

Surprised

And did I get
one, too?

Yes, you see
besides this cafe my family
owns many other things,
including a spa.

And for some time we
have had such a tradition that
as a reward for hard work once a
month we give the girls from
this cafe a free pass for
one visit.

Yes, mom said
you deserved it.

Of course, there is a condition.

You will go there as a girl.

You can't.

Yes, but your aunt said she really likes the idea and you should go to this spa.

I'll be the one to give up, though.

Why, after all, this is supposed to be a reward and not a punishment.

sigh When is this trip?

Today,
more precisely
right away.

Mom said
that if someone finds
out you're a guy she'll
fire you.

Oh, and one
more thing.

So you better
be careful.

What!

And this is supposed to be a reward?

Shocked

What would the punishment look like in such a case?

Of course.

You don't want to know that.

Besides, if I were you, I would already be getting dressed, because the only thing my mom hates more than perverts is latecomers.

While driving...

Auntie, are you sure it's a good idea for me to go to this spa?

Yes, but what if someone there finds out I'm not a girl?

After all, naked no matter what I do I can't pretend I'm a girl.

Of course, after all, it's a reward for your hard work.

No worries, I've already discussed this with Mayumi.

Really?

Yes, and don't worry, you will be fully clothed at all times.

So there's no possibility of anyone noticing anything, unless it's your fault.

That's great but do I really have to go there, after all it's a big risk that someone will discover I'm a guy.

Hina-chan, a girl would never say no to a spa visit, especially a free one.

Really?

And what exactly.

Immediately everyone would start suspecting that something is wrong.

Yes, that's why I want you to go there.

And no worries, Mayumi and I chose such a treatment that no one would notice anything.

That's a surprise.

At the spa...

Sorry if I'm
disturbing you.

At the
reception I was told
to come here.

Why do I have
to do this?

I just hope it
won't take long, I don't
feel very confident
here.

Well, it's probably
just going to be some
massage or something,
what bad can happen?

Excuse me but who are you?

Oh yes, I already remember, auntie said you would come.

You got a free pass right?

Well in that case lie down comfortably and we'll start right away.

I'm Hina Suzuki.

Yes.

Either it's
my imagination
or it's a boy.

After all,
she works for Aunt
Mayumi and she hates
perverts.

Sigh Yes,
it's probably just my
imagination.

No it can't
be.

She would
never agree to some boy
dressed as a girl working
for her.

Wait, aren't you Erika?

Sure, your poster hangs in our club room, and I've also heard some of your songs.

Say would you mind if I asked you a few questions.

Hehe, yes that's me, do you know me?

Oh, I'm really happy to hear that.

Sorry, but I'm already late. Maybe next time.

Yes, it's definitely a girl.

Besides, she is also a bit too short for a boy.

After all, what boy would be interested in idols.

I also don't sense any magic from her so she's just an ordinary girl.

Sure, how could I miss something like that.

OK, now go because you're really going to be late.

Oh that's right, I almost forgot.

Naomi, you will come to my concert, right?

Thanks, you'll get your ticket in the back as usual.

If she recognizes me she will know that I am not a girl.

She will probably think then that I have become some kind of pervert who likes to walk around in women's clothes.

Besides, everyone will then discover my secret.

It would be a disaster, I can't let that happen.

Tell me, haven't we met before?

Because you look somehow familiar.

I don't think so, I've only been in town for a month.

So you're not from here, it's the same as me.

Er...
Can we start now, my aunt is waiting for me.

Sure.

stressed

Some time later,
in Mayumi-san's
office....

Hina-chan, is
it really you?

Shocked

You see Sora,
I said she would
do well.

Great job
Naomi.

Thanks
auntie.

happy

embarrassed

Yes, it's me.

Can we
go now for this
injection?

Please~

I almost forgot about him.

We'll go right away.

Sorry Mayumi, but we still have a doctor's appointment today.

I will definitely do it.

No problem, visit me again sometime.

I'm sure I saw her somewhere but where?

Maybe at school?

Phew... Thankfully it's over now.

All the time I was afraid that she was about to discover who I am.

Fortunately, that didn't happen.

I hope I never get a free pass again.

During the ride...

Yes, when we were kids she lived with her aunt for a while, but then she moved out.

I haven't seen her again since then.

Fortunately, no.

So you say you know Naomi from childhood.

But she didn't recognize you, did she?

That's good.

Yes, except she always had memory problems.

So it's no wonder she didn't recognize me.

I'm sure someone else would have recognized me without difficulty.

It also means that your disguise is already pretty good since even your friend didn't recognize you.

Hmm... I guess you're right, Hina-chan, we can't become careless because of one success.

WHAT!

Shocked

Why did I say anything?

I thought that was enough.

But I guess we still need to work on your disguise.

Eventually you really might meet someone you know who will recognize you.

I wasn't going to stop there at all. But now I have an even better reason to continue. hehe

At the doctor's...

Ah...

Plus it wouldn't be my fault so she wouldn't be able to punish me.

Wait, did Naomi do my nails too?

I hoped that when my aunt heard that my secret almost came out because someone who knows me lives in the neighborhood, she would stop forcing me to pretend I was a girl.

I didn't expect it would have the opposite effect.

Great, just what I needed.

1.. 2... 3...

And done,
good girl.

Ouch,
why does it have to be
injections exactly?

Can't I get
pills instead?

Plus
I have to expose my
butt every time.

It's humiliating.

What about that thing we talked about on the phone.

It was supposed to be a surprise for her.

Okay, that would be all for today.

I don't see any contraindications but as I said.

Hina-chan is an adult and she has to give her own consent to it.

I understand but this is the law.

Yes, just see Hina-chan. A surgery is not a toy you can't give it to someone as a gift.

No, you're of legal age so it's up to you to make decisions for yourself.

Then there would be no problem.

Really?

So without my permission, my aunt can't sign me up for anything.

What if I agreed?

So how about it, Hina-chan. Do you agree?

Nothing serious and it would let you get rid of some problems.

Yes, I talked to Ms. Doctor about it earlier, but as you heard yourself, your consent is required.

But what is the surgery anyway?

Really?

Just a moment.

Aunt Sora doesn't want to say what the operation is.

But she said it would help me with some of my problems.

Besides, she talked to the doctor about it and she knows that I am really a guy.

Could it have something to do with my breast problem?

Everything points to that. After all, what else could it be.

Maybe in two weeks.

Now Hina-chan has some important tests so she'd better not miss too much class.

Great.

So when to book an appointment for?

I see, in that case in two weeks.

I'll call you later and give you the exact date, as I'm arranging everything with the surgeon.

In the evening in
the bathroom....

Ah~Evening
at last.

Although
I was hoping that our
meeting again would be a
little different.

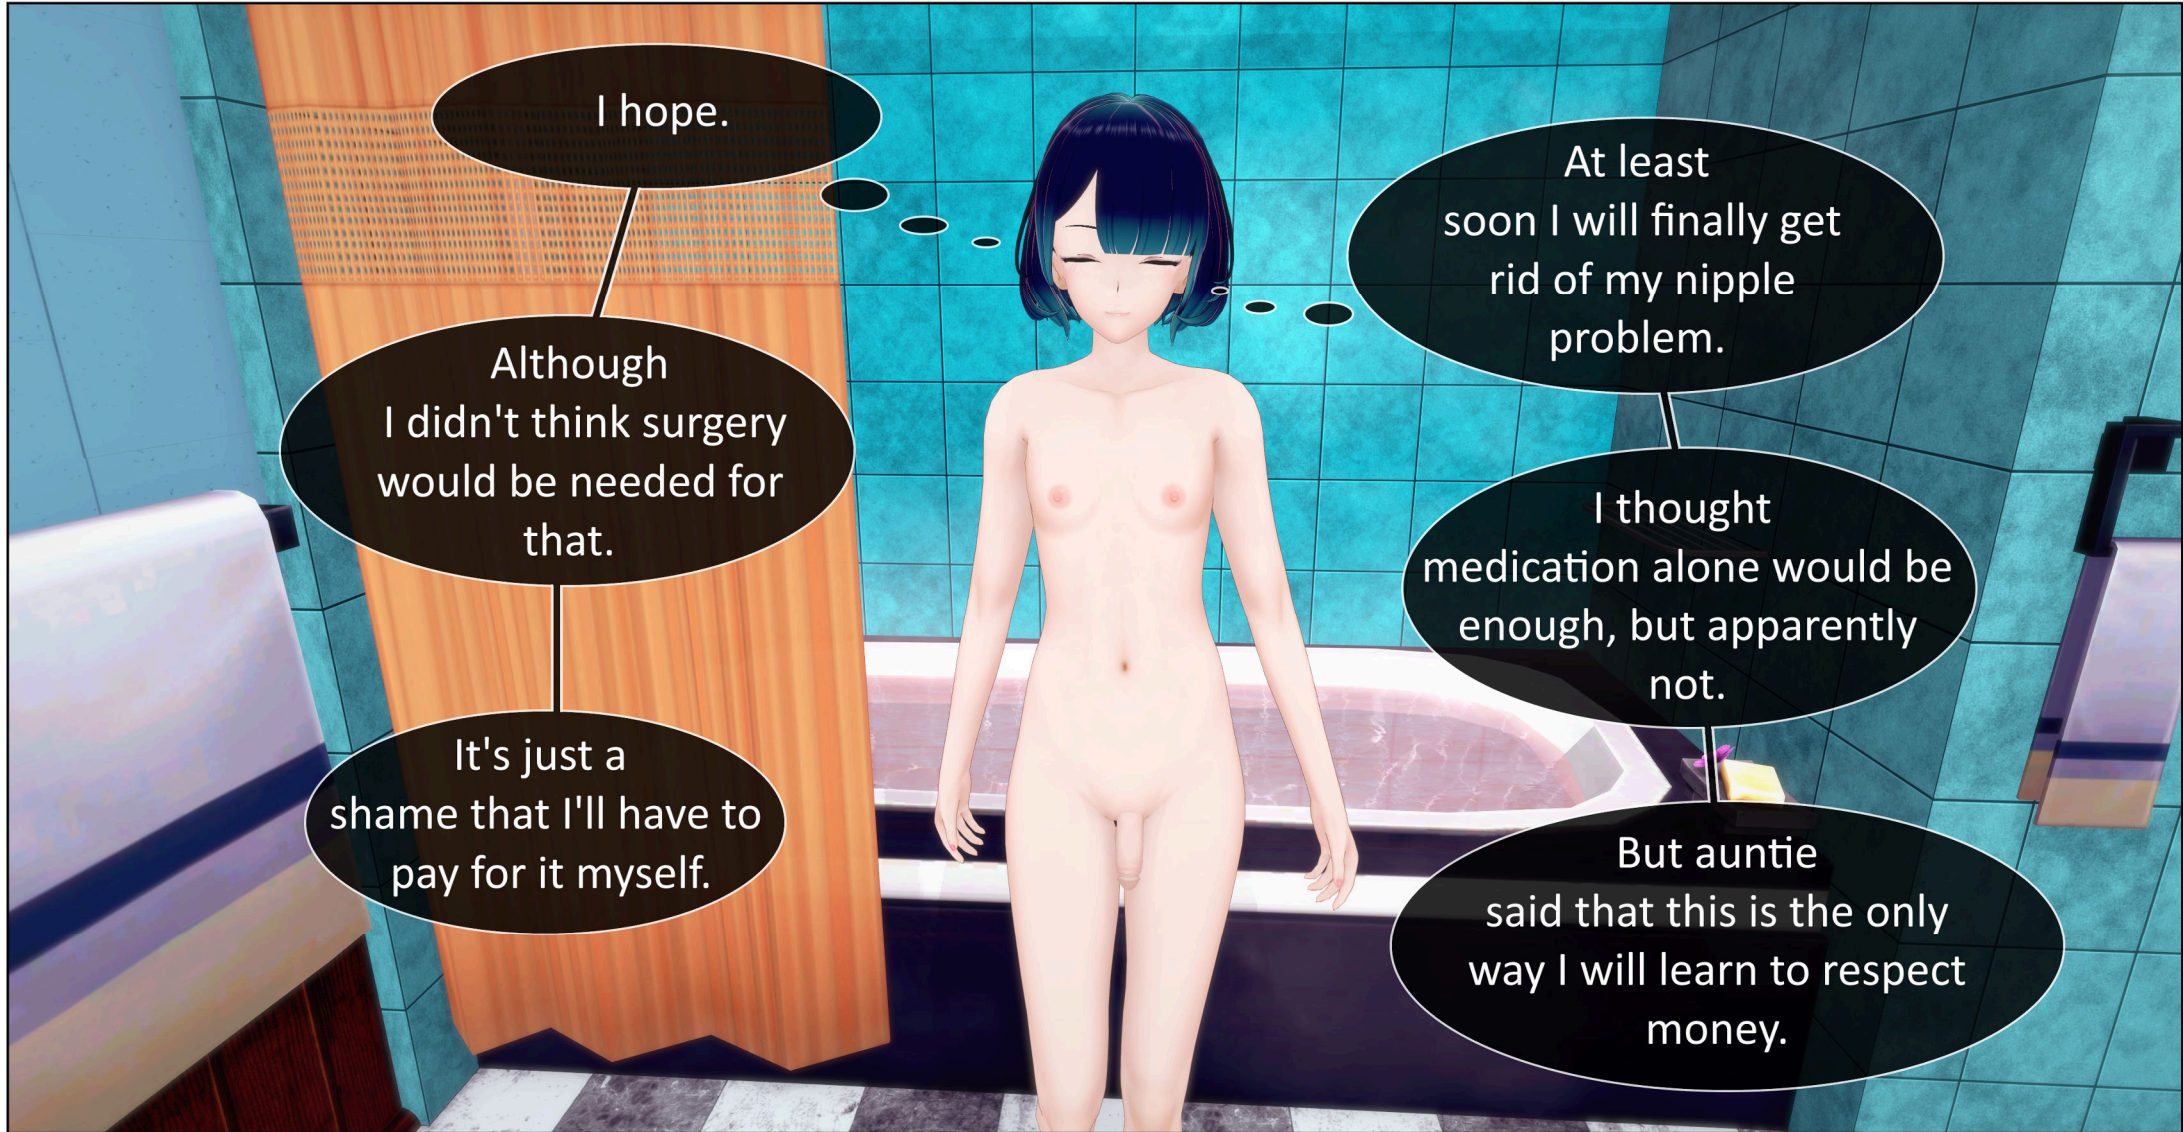

But I will have to
watch out for her.

I still can't
believe that I met
Naomi again.

Good thing
she didn't recognize
me.

Well... For
now it looks like
I'm safe.

I hope.

Although I didn't think surgery would be needed for that.

It's just a shame that I'll have to pay for it myself.

At least soon I will finally get rid of my nipple problem.

I thought medication alone would be enough, but apparently not.

But auntie said that this is the only way I will learn to respect money.

And to think that this is supposed to be a reward for me.

But it's probably better not to say anything.

If I didn't know, I would even say that I am growing small breasts.

What's a reward that you have to pay for?

Because my chest is starting to look weirder and weirder.

No it's impossible.

I'm sure if I exercise regularly it will go away.

It will just have to wait a little.

It's probably just ordinary fat.

Just like that itching of the nipples.

And now it's time to apply this ointment.

NGH

Every time I do it I feel weird.

So I have no choice.

Because I wouldn't want to have skin like a girl later. All the guys would laugh at me then.

I hate doing this.

But Aunt Sora told me to apply all the creams she gave me.

I just hope that all the effects will disappear when I stop using all these creams.

The next day...

What happened
to you?

Hina-chan, is
it really you?

I thought you were
against this trip to the spa
and instead you look like you
took everything they had.
hehe

Why not, in my opinion this look suits you.

Of course.

Can we not talk about it?

embarrassed

Do you really think so?

That, good, because I was afraid that I look like an idiot now.

You don't look like an idiot at all, in my opinion you look cute.

Yes, and I'm sure you'll be getting a lot more tips now.

Of course, only you would have to stop wearing that stupid mask, because she covers up everything.

Cute?

Really?

Never
in my life. I won't
show up without
that mask.

But there
I don't wear any
miko costume.

Not if it means
that I have to show up in
some girly outfit without
any face covering.

That's
something completely
different.

But at school
you don't wear any
mask and everyone
can see you.

Do you really
not want to earn
more?

But after all,
you wear a school
uniform.

Hina-chan has been making progress in becoming a girl lately, but I have the impression that it is going terribly slowly.

And that could put everything at risk.

I have to be patient.

Unfortunately, I can't move faster because Hina-chan might eventually notice something.

That's why I can't rush, especially because then it's easiest to make some mistakes.

We're
on our way, I'll be
home at 6pm.

Just take care
of yourself.

Don't
worry, I'm an adult,
I can take care of
myself.

Sometimes I get the
feeling that Sora-san treats
Hina-chan like her own daughter
and not like a niece.

At work...

Girls, will any of you come up to table 45?

Haruna, can you take care of it?

I'm sorry, but I won't be able to do it, I have to go to table 12 right away because the customers there have been waiting for a long time.

Tell Zero Two to take care of it.

She is already busy with the terrace, although she herself could use some help.

What's going on here today?

But so many, besides it's a miko cafe so it shouldn't be mostly single guys coming here.

Today it sounds like the key to success

Valentine's Day, many guys came here today with their girlfriends .

Theoretically yes but we have lower prices than the competition.

Or the nail in the coffin, because there are far too few of us for so many customers.

No worries,
the cavalry has
arrived.

Do you know that Polish
jokes in other languages do
not make sense?

Really?
Well... Anyway,
I have brought
support.

Because
I have a picture
of you kissing
Rem.

Can you
tell me again
why I should
help you?

Er... Actually, she kissed me.

What about Ram?

Well...

Let's not forget about Miku, either.

What, you kissed Rem?

Did you kiss with Ram too?

Hey, with Miku I only slept, nothing happened between us.

Angry

You slept with Miku? That is, you guys did it...

Shocked

You know what.

Has Naomi managed to make her own Harem yet?

Ho ho.
What are we hearing here.

I mean just sleeping,
nothing more.

sigh
I think you
are right.

If Naomi has
any weakness
it is definitely
Rem.

Well... Good for
me. hehe

Maybe we
can finally help them
it looks like they really
need it.

No, just not that.

I'm on my way!

If she succeeds this time it will be the end.

I can't let that happen.

Hina-chan, don't sleep there, customers are waiting!

Last time she almost recognized me.

Not only will everyone discover my secret, but it will happen in front of all the girls I've met here.

During the work...

That will be 1,300 yen, on the spot or takeaway.

Nyan

Order 13 ready for pickup.

On the spot.

Please go to the table I'll call when your order is ready.

Your number is 15. Nyan

This is mine.

Why are there maids here today too?

So what would you like to do today Mr. Akatsuki? Nyan.

Wow, you remember my name.

Er... It's such a special event of ours to celebrate Valentine's Day

Of course, nyan.

Really? And what is it called?

Miko vs Maids.

Wow, I think I'm about to call my friends.

Even though there were more customers than usual with the support of the maids, the girls somehow managed to handle everything.

By chance, they even created a new tradition.

Would you like some dessert to this?

How about you, would you like some dessert?

You can finally stop looking at her boobs.

Angry

Is that supposed to mean that mine are small?

No honey.

I definitely need to come here next year too!

What can I do that they are so big?

Then why do you keep looking at them?

And what am I supposed to look at when they are in front of me?

Say, do you want my number?

Sorry but I already have a girlfriend.

Did she just say she has a girlfriend? Maybe she was mistaken.

Some time later...

What's going on today?

Finally, a moment of pause.

So many people today that there is not even time to go pee.

電気はこまめに
消しましょう。

Fortunately, Naomi hasn't noticed anything yet.

Maybe somehow I'll be able to hold out for the rest of the day.

What kind of things can happen in an hour?

If she notices that I'm a guy it's my end.

After all, there is only an hour left.

Naomi-chan?

Me: I came to pee I guess nothing strange about it?

This is the men's room?

Shocked

What!!!!?

Hina-chan? What are you doing here?

Surprised

But in the men's room?

Yes, didn't you notice the urinals?

You see.

Relax
you don't have to,
I couldn't wait any
longer either.

You know ,
sometimes you can
not wait too long.

Eee... I can
explain it.

Oh no by
mistake I reflexively
entered the men's
room. What now?

What?

scared

Really?

Sure, I wouldn't want anyone to know I was here either.

By the way, take off that stupid mask.

You look like you're hiding something in it.

Yes, although I don't know what it would be after all you have a pretty face.

I have a crooked nose and I'm a little ashamed because of it.

Maybe you are right.

Yes~

Nonsense, according to me your nose is normal.

So let go of that mask, you really don't need it.

Unfortunately I have to go now, I still have to kick Yuri-chan's ass. I think you were in a hurry too.

After Naomi left....

Sure,
what happened,
where are you?

Yes, I had to
go to my room
for a while. Why
do you ask?

Er... What? What
happened?

Yuri can
you talk?

Are you
alone now?

embarrassed

Would you lend me
some panties?

I don't want to
talk about it.

In Yuri-chan's room...

So how about it? Can you lend me a pair of panties?

I think it's an L.

Great.

In the men's room on the first floor.

Shocked

Er... Sure, and what size do you wear?

I unfortunately wear S, but I think I have a few pairs too big for me.

Where are you now?

Okay, stay where you are, I'll be right there.

Mo	Tue	Wed	Thu	Fri	Sat
1	2	3	4	5	
8	9	10	11	12	
15	16	17	18	19	
22	23	24	25	26	
29	30	1	2	3	
6	7	8	9	10	

In the evening...

I don't remember having these.

No, after all, I threw in all his old clothes.

Whose panties are these?

Did they belong to Hina-chan?

Besides, these are women's panties.

A 3D-rendered anime-style character with brown hair and blue eyes is standing in a bathroom. She is wearing a white short-sleeved button-down shirt and a dark blue skirt. She is holding a green and white striped bikini top. The bathroom has blue tiled walls, a checkered floor, and a wooden cabinet with shelves. There are shelves with towels and a sink in the background.

Could it be that Hina-chan bought them for herself during her recent shopping spree.

Who would have expected that.

Apparently he's starting to like walking around in women's clothes.

I guess that means we're getting ready for a little shopping.

Meanwhile, in
Hiro's room....

scared

Did I forget
something?

That's right, I almost
forgot, after all, I was
supposed to write that
article about idols.

So I'd better get
to work quickly.

I don't know why
but I suddenly have a very
bad feeling.

I think not.

If I don't do it, Auntie
will come up with some
strange punishment
again.

What, who is calling me at this hour?

It's probably Ichigo, I'll have to apologize to her for what happened back then.

I feel a little guilty that I didn't tell her about Zero two.

Maybe if I had told her right away, what happened wouldn't have happened.

phone rings

Finally you call,
I was slowly starting to
worry about you.

I should have told
you about it earlier but it
was a shock for me too
when I found out.

In any case,
I'm sorry.

As for what happened
recently, it really came
out stupidly.

I hope you're
not mad at me about
it anymore.

Er... Excuse me who am I talking to?

Are you Hiro's cousin?

Hello, can you hear me?

Halo?

Shocked

Oh no, it's Goro. And I think I was using the female form all along.

To be continued...
