## Chapter 17

By Ron512 and Kami1

Moments later...

Yes, and from what I've heard there is no improvement with your voice?

It's no good if you keep sounding like a girl. The other boys at your school will finally start laughing at you.

So you can see for yourself, nothing interesting was happening.

Unfortunately, no.

Don't worry no one is laughing at me. It's fine at work too.

At work?

Mom?  
*\*Surprised\**

I mean  
aunt, Sora.

Oops, I think I said more  
than I should have.

Yes, mom got  
me a job at her  
friend's restaurant.

*\*embarrassed\**

Everyone keeps  
telling me that she looks like my  
mom that it seems to have  
passed on to me.

You need to start paying attention because you will call her mom in public.

And back to your job, what do you do?

And it's not a problem that you sound so strange?

Aha, that's how you manage. What about other employees noticed that your voice sounds strange.

I know.

Er... I'm a waiter.

I try to lower my voice as much as possible.

Yes, but the girls don't mind, besides they are very nice to me.

I am the only boy there.

Counting with me, seven.

Did I really do that? I thought you meant how many people work there in general.

Girls? And how about the boys?

Really, and how many girls work there?

Hiro, why did you count yourself as a girl?

No, I meant only girls. hehe

And you know all of them?

At first I didn't know if it was a good idea to leave you in my sister's care.

But now I know it was a good decision, after all, not only do you have a girlfriend, but you start creating your own harem.

In this case, six. Although very often there is also Yuri-chan and every now and then a few other girls come to help us if we don't manage.

Most of them.

I'm not creating any harem, I just have a lot of female friends here.

Sure, just be careful I wouldn't want to become a grandfather too soon. hehe  
\*disconnected\*

Phew~ Somehow it worked out.

But fortunately, I don't think he suspects anything.

I don't even want to think about what would happen if he found out that I was actually pretending to be a girl.

Don't worry.

For the future, I need to be more careful about what I say.

Instead, he thinks I'm creating my own harem. \*sigh\*.

On Monday at  
Hiro's old school....

I still can't into the  
fact that I lost him.

But I don't  
want someone  
else, I want  
my Hiro.

I don't  
know yet.

*\*broke\**

Don't worry  
there are many  
other boys after  
all.

But what are  
you going to do,  
after  
all, you said he has a  
girlfriend now?

I think  
you should just  
focus more on  
yourself now.

For me,  
yes.

I tell you guys she  
is just perfect.

It's almost  
unbelievable  
that she's Hiro's  
cousin.

I never  
heard anything  
about it either.

*\*Surprised\**

After all, Hiro  
is not the whole  
world.

Strange,  
Hiro never said  
anything that he  
has any cousin.

*\*Surprised\**

Is she really Hiro's cousin?

Well no, but at least she likes you, or maybe she was just nice to you?

And what will you now go such a long way to visit her?

And when are you going to go to her now?

*\*happy\**

One hundred percent, unless you know another explanation for why she calls his aunt mom.

Of course she likes me.

Sure, it's worth it for her, besides, it's not that far.

I don't know yet, but I think soon.

Just be careful that her boyfriend is not exactly at home when you arrive. hehe

No worries, she doesn't have a boyfriend.

Seriously dude give me her number.

No way.

I think so, but something doesn't seem right to me here.

Ara ara, I think someone is in love here.

What's that?

Why did Hiro never tell me he had a cousin his age?

For me, it is very important.

I think you are right.

It is very strange anyway that Hiro never mentioned anything about her.

I have to find out who she is. Maybe she can help me get my Hiro back.

Maybe he never considered it something important.

But for most people it is not important who has how many cousins.

Meanwhile, at Hiro's current school....

It's unbelievable that I really have to do this.

As if just walking around in a female uniform wasn't humiliating enough.

Then I still have to wear makeup.

The worst part, though, is that I think I'm getting better at it. It's probably because of all the tutorials what Saki-chan sends me.

I can see that my tutorials were useful for something. hehe

Yes,  
but isn't makeup  
actually forbidden  
at school?

Really?

In most  
schools, yes. But this  
is a private school  
for girls.

Here there  
are slightly different  
rules.

Yes, besides, try  
telling the daughter of the  
president of some company  
that she is forbidden to  
use makeup.

You will have a whole  
lot of problems. That's why this  
school has slightly different  
rules than most schools.

But high heels are not allowed anyway!

Uuu~

Wow, you have a really nice butt.

I can see that your yoga exercises really work.

Really?

I don't feel any difference at all.

*\*embarrassed\**

I even seem to be even weaker.

Of course I remember. I promised that...

Did I really promise something to Saki-chan? I remember that there was something like that, but I can't remember what I promised.

Don't worry with time you will definitely feel it. hehe

By the way, do you remember what you promised?

You promised That we would go on a date together.

Wednesday...

However,  
Saki-chan instead  
reminded me of it  
every day.

How is it that  
I'm always getting  
into trouble.

*\*embarrassed\**

I hoped  
that by Wednesday she  
would have forgotten  
everything.

Even Zero Two  
didn't want to help me.

Umm... I just  
hope no one recognizes  
me.

Hina-chan is  
really you!

Relax, we'll go soon.

But, wow, I barely recognized you.

Hina-chan looks so cute in that outfit!

It's hard to believe she's still a boy.

Saki-chan great that you're here already. Let's go quickly to that movie and home.

Maybe I should start pretending that my stomach hurts?

I don't think that will do anything.

I see you've grown a bit lately. hehe

Then let them watch. Say is it silicone?

Really? Wow, for a moment I thought they were real.

Too bad, the real ones are better.

Hey, what are you doing! Everyone is watching.

**\*Shocked\***

No, rice. Can you stop now?

No they aren't.

**\*Squeeze\***

**\*Squeeze\***

No, I just thought that if I had a little bigger breasts, I wouldn't attract anyone's attention.

Then maybe in that case I'll take out those pouches.

Sorry, I couldn't help myself.

What did you do that for, anyway? Would you like to have bigger breasts?

But did you know that it works completely the other way around?

Leave them, they suit you. At least for today.

At the cinema...

*\*happy\**

hmm... Maybe  
Kino was actually not such  
a bad idea.

I don't have to do  
anything but sit.

Saki-chan  
is happy.

But most importantly,  
in the dark, surely no one  
will notice that I'm just  
pretending to be a girl.

A scene from a manga or anime showing two girls sitting in a movie theater. The girl on the left is wearing a light blue hoodie and a dark skirt. The girl on the right is wearing a white shirt, a dark vest, and a dark skirt, with a red bag slung over her shoulder. The theater is dimly lit, and the background shows the silhouettes of other people in the audience.

Hina-chan.

I guess  
you didn't think  
I came here for  
a movie.

Well... Let the  
fun begin.

Oh, It's finally  
starting.

Now I think I can  
relax for a while.

I like such  
dates.

If you win  
then right after  
the movie we go  
home.

Then we  
continue our  
date.

Great only  
there is one rule,  
you can't even  
squeak.

And if  
I lose?

Wait, that  
means I'm not risking  
anything.

Ok.

This will be too easy.

Admittedly, I prefer girls but Hina-chan is special.

Oh no, I forgot one thing.

Hm? And what's that?

*\*Surprised\**  
Just don't tell me that Zero Two did it.

Is this Zero Two's work?

You must have been a really bad girl.

You won, just please don't tell anyone.

*\*embarrassed\**

No, mom put it on me.

You could say that.

So please don't tell anyone. I'll do what you want in return.

After the movie...

Just please  
don't tell anyone  
about it.

I remember.

Relax, after all  
I promised not to tell  
anyone.

But  
remember what  
you promised.

Great, I already  
can't wait.

Hi Hina-chan,  
what a surprise to  
see you here.

What, a little  
shopping.

**\*Shocked\***

What  
happened to  
you?

Have you been  
to the surgeon?

Hi, girls.

No it's just two bags of rice. I would never do that in my life.

This, these are my workmates, Haruna and Sakura.

*\*jealous\**

Hina-chan. Who are these girls?

You must be Saki-chan, Hina-chan has told us so much about you.

Really?

Because Hina-chan didn't tell me anything about you.

I guess it's not just Zero Two I have to watch out for.

She is angry, I can feel it.

I have to somehow get out of this quickly before it gets worse.

Er... We came here to see a movie and what brings you here.

We came to pick up Haruna-chan's brother.

Wow, I didn't know Haruna-chan had a brother.

Yes, although it's complicated.

Sorry for the delay,  
I had to sign a few more  
manga.

Sorry  
Onee-san. I don't think  
you're mad at me.

But I look  
much younger  
than you.

What for?

But I am a real  
girl. And a small penis  
is not a problem.

And stop calling  
me onee-san. You are  
26 years old, 7 years  
older than me.

I still wonder  
how this is possible.  
Go get that surgery  
finally.

So that you  
would finally be a  
real girl.

I'd rather you didn't  
have one at all.

She really is a guy? And on top of that she is 26 years old!

**\*Shocked\***

After all, he looks like a little girl, at most 14 years old.

I guess I'm not as unmanly after all, as I always thought.

Unbelievable.

I would never in my life have guessed that he was a boy.

I'm starting to get jealous.

Well, come on, it's time for us to go. We have little time and I still have something special for you.

Some time later  
at school....

Not yet.

Yes, no worries.  
But hurry up  
because we won't  
have enough time.

You'll see.  
hehe

Can you finally tell me  
what the surprise is?

And are you sure  
it's okay that we're  
here now?

Time, and  
for what?

I don't want to become an idol at all. I'm just doing it for the school newspaper.

A mirror? What for?

I don't know what the point is, but that's fine if it makes you happy.

Sure.

I know, why don't you test them right away?

*\*Excited\**

Do it please~.

Great, just one more little thing before that.

Moments later...

Unbelievable  
that I actually went for  
it again.

I was  
supposed to  
try to be more  
masculine.

Instead, I feel  
like it's getting even  
worse.

What am  
I doing wrong?

*\*Sigh\** It's okay, I did  
what you wanted.

Can I take  
it off?

I wouldn't  
want anyone to see  
me now.

How about something like this?

Unfortunately I'm not very good at posing.

Sorry, but  
I can't.

The thing that  
mom put on me is  
starting to hurt when  
I get excited.

Me too, but  
because of this thing  
I can't get excited.

Eee... Yes, that's  
why we have to wait  
with it for now.

What, why?

Ah, sorry,  
I completely forgot  
about it.

I was hoping to  
have a nice time.

Ah, poor you  
can't relieve yourself.

Nothing happened, after all, how could you know.

Thanks, a moment of what?

Unfortunately it requires some preparation and I don't have anything with me.

I knew about everything faster than you did.

But it would be too suspicious as if, I was suddenly fully prepared.

Next time I'll take everything I need.

You'll see, in any case I'm already looking forward to it.

Hina-chan's body is developing properly, I would even say phenomenally.

Maybe it's a matter of him not being very masculine.

But you still have to work on his soul and mind.

And that won't be so easy.

Erika

That was fifteen minutes ago.

No. Okay, where are you?

Wait for me there I'll pick you up right away.

*\*disconnected\**

Oh no, the movie must have lasted not two but three hours.

You're kidding, right?

At school, Saki-chan wanted to show me something.

*\*Shocked\**

Sure, thanks.

It's okay, We'll have more time next time.

Yes, only as I said I was not prepared today.

It worked out, I achieved all the planned goals for today.

Although I'm still surprised that Sora-san took my advice.

Sorry Saki-chan but I have to go.

Sure. Will you tell me then what is the method to relieve yourself?

Moments later in the studio....

And that's  
how it was.

You must be joking.  
How many times do  
I have to say that I will  
never go there.

I didn't know what  
I was agreeing to, but  
other than that I will  
never go there again.

So that's why your  
breasts suddenly got so big.  
And I already thought you  
had been to a surgeon.

What about  
your face?

Sure, just  
don't take a too big  
size or your back will  
hurt. hehe

Is that her?

Miss doesn't seem to know my capabilities yet.

Nice to meet you.

Hi girls you are finally here.

Yes, I hope you can handle it.

I know, and that's why I'm entrusting you with this task.

This is Mr. Saitou Takashi.

He is our marketing expert.

Nice to meet  
you too.

Marketing  
expert?

Yes, to help  
you become an idol we  
need to ask you some  
questions first.

No worries,  
they will just be simple  
questions about what  
you like and don't  
like.

Of course,  
you don't have to answer  
them all if you don't  
want to.

In that case,  
no problem.

I just need to  
go to the bathroom  
for a while.

No, that's  
not that.

I could tell  
I wanted to pee, though.  
But it's just a few questions,  
my hair or those pouches  
probably won't be a  
problem.

Great.

Sorry but we  
don't have time for that,  
you have to stand for  
a while.

In that case,  
no problem, and don't  
worry about makeup, you  
look great.

Moments later...

Okay, Ms. Suzuki Hina.

Alright, in that case Hina-chan I'll ask you some questions, if you don't want to, you don't have to answer.

If you don't understand something ask.

So if you're ready then let's get started.

It can be Hina.

Yes I am.

Great, your favorite color?

Favorite animal?

I think it's blue.

I don't know I always really liked cats but I think I prefer dogs though.

So dogs.

I'll add that she especially likes shiba inu this will fit perfectly with an idol.

Wow I never would have expected these questions to be so easy.

Do you have any hobbies?

Okay, and do you like cooking?

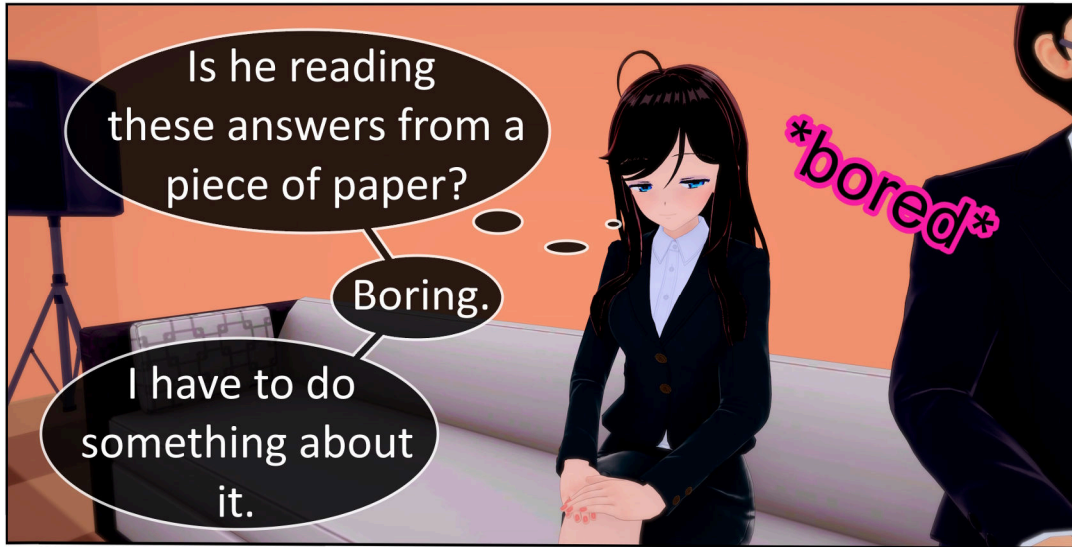

What about sports, do you do any sports?

But I have to try to answer as if I were a girl, otherwise I'll ruin my disguise.

Yes, I really like dancing and drawing.

Yes, although I rarely do it.

Yes, I practice yoga.

Interesting, I'll write down that you are in a relationship, this will help us avoid many inconveniences later.

Yes, I'm also sure it will solve some problems in advance.

Hina-chan probably doesn't guess at what this means what she just said. hehe

Really?

Great.

*\*happy\**

Finally some way to avoid some problems.

Some time later...

Okay, that was the last question, just sign this one more and that's it for today.

A form on data protection, if you want you can read it.

As you think. And I almost forgot I will also have to take two or three photos of you.

And what is this?

No need, I know what it says.

No problem

ZZZ...

The next day at school....

Can you repeat  
what I have to do?

Sorry,  
I would love to  
but I don't have  
Twitter.

That's impossible,  
I've never set up  
an account there, just  
like on any other social  
network.

*\*Surprised\**

Add me to your  
Twitter followers.

What are  
you talking about, after  
all you even have a lot  
of followers.

Really?

Wait a minute...  
Aren't your breasts  
much bigger in  
these photos?

You definitely  
have bigger breasts.  
Also, your hair is  
much longer.

It says added  
yesterday. Also,  
what, your breasts  
have shrunk?

Eee... It's  
just such an illusion,  
I had very loose clothes  
at the time.

Old photo.

Great now not only am  
I a pervert but additionally everyone  
will start thinking I'm stuffing my  
bra to have bigger breasts.

By the way, you never said you had a boyfriend.

That's what you wrote here.

It doesn't say who it is but you wrote, I'll quote.

Yes, I have a boyfriend, I met him recently but I know he is the one.

I just don't know if he is fully aware of how much he means to me.

Hehe

What!!!

**\*Shocked\***

That's why you could say it's a one-sided love.

Although I am waiting for him to take that first step.

I have never written anything like that.

I didn't even meet any boy recently.

Meanwhile, at Hiro's old school....

*\*happy\**

Or maybe it's not about me here.

Now I just have to be careful not to make any mistakes.

I still can't believe it, she really feels something for me.

But after all, we recently met, everything fits.

After all, the first step is always the most important.

The scene is set outdoors on a paved area with a brick wall and greenery in the background. Two girls in school uniforms are the main focus. The girl on the left has short dark blue hair and is wearing a black cardigan over a white shirt and a striped tie, with a grey plaid skirt. She has her arms crossed and a slightly concerned expression. The girl on the right has long, straight light grey hair with a blue headband, wearing a white long-sleeved shirt, a striped tie, and a grey plaid skirt. She is gesturing with her right hand towards the other girl. In the background, there are green trees, a blue sky with white clouds, and a wooden bench. A pink silhouette of a person is visible sitting on the bench to the right.

What has happened to him?

Maybe we should tell the teacher that something is wrong with him.

Still, I think we should watch out for him.

I don't know, he has been walking around smiling since morning as if he won the lottery.

I think not, after all it's nothing harmful, I guess.

A scene from an anime-style comic. Two girls are standing on a stone-paved area with a wooden bench behind them. The girl on the left has short blue hair and is wearing a dark blue cardigan over a white shirt and a striped tie, with a grey plaid skirt. The girl on the right has long grey hair with a blue headband and is wearing a white long-sleeved shirt, a striped tie, and a grey plaid skirt. They are both looking at each other. The background shows a building with windows.

Really,  
how did you manage  
to do that?

And what  
is she like?

Poor Hiro. Do  
you have a picture  
of her?

By the  
way, I managed to  
find out who Cousin  
Hiro is.

I found her  
profile on Twitter.

She is  
very similar to Hiro,  
although she seems to  
be a bit taller.

Sure, I knew you  
would ask that. hehe

Wow,  
she really looks  
like him.

I don't  
know why but I feel  
weird seeing this  
photo.

Is it because the girl  
in it resembles Hiro?

I don't  
know, in any case I hope  
she will help me get him  
back.

In Sora's office...

Yes, I've seen it before too, I couldn't believe it was really him in the photos.

You're still angry at him for that.

I guess.

Sorry Mayumi but someone else is calling me and I'm expecting an important call.

I'll definitely do it.

Unbelievable that he went from being such a pervert to such a lovely girl.

Of course, do you know how I felt then?

*\*phone rings\**

Sure, until next time. And think about my suggestion.

Hmm... Strange,  
I don't know  
that number.

Meme. Yes a  
long time. What  
happened that  
you're calling  
me?

Hi Sora, it's been  
a long time.

I have very  
good news for  
Hiro.

*\*scared\**

To be continued...
