

Eternal dream

Chapter 19

By Ron512 and Kami1

An hour later in
Hiro's room....

So you don't
want to come to
us in Europe?

Sorry... mom, but
it's the end of the
school year.

I have a lot of tests
now, and it doesn't make
much sense for me
to change schools
now.

Hehe.
I see, that's exactly the
answer I expected.

Really?

Yes, Sora told me that you met some girls with whom you became friends.

I also heard that you met your childhood friend, is that true?

Then all is clear, well, if you change your mind let us know.

She is probably talking about Naomi.

Yes.

Just remember
that I don't want to
become a grandmother
too soon. hehe

disconnected

No worries,

Gosh, that was a
long conversation.

Mom
asked me almost
everything.

Fortunately,
now I have an explanation
for why we don't want to
go to them.

I was barely
able to hide from her
what was really going
on here.

In the end, I can't let them find out the truth.

When will they finally disappear?

After all, the doctor said they would be better soon.

The next morning...

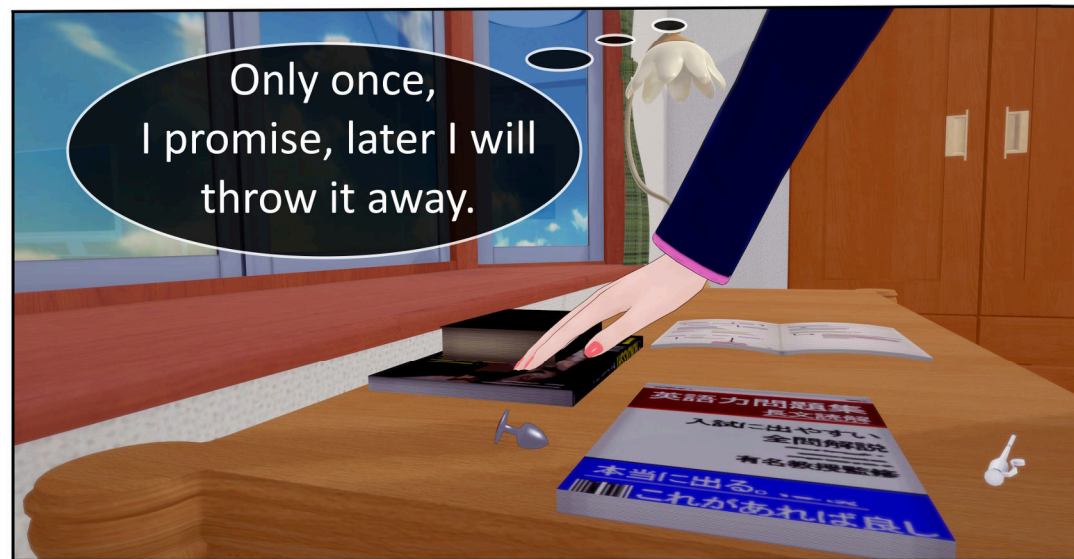

Unbelievable.

But certainly not as long as I have to pretend I'm a girl.

And ready, All this makeup and all these creams take me much longer than I expected.

I guess I'll have to go to some hairdresser soon.

Moments later...

Okay.

Maybe I just
throw it in the trash
at school?

Yes, I just wrap
it in paper first.

I'll just do it once
and then immediately throw
this anal plug somewhere far
away in the trash.

There surely no
one will notice who it
belonged to.

Are you ready yet?

Great~.

Listen, I have to go somewhere. That's why I drove you quickly to school.

What , but I still need to use the bathroom.

Sorry but we don't have time for that.

You'll have to hold out until we get to school.

You can do it right, after all you are a big girl.

Yes, of course I can do it.

Okay, change of plans.

stressed

Well, it's not such a problem.

While driving...

Are you sure
you're okay?

You
don't look so good.
If you really feel that bad
I'll tie you up to see
a doctor.

At most I'll say
that I had a family
matter and that's
why I didn't come.

There is no need , I can handle it.

Yes, don't worry about anything.

This is the longest road to school in my life.

Are you sure?

Well, if you say so.

In the classroom...

And in the end I was not able to get rid of it.

embarrassed

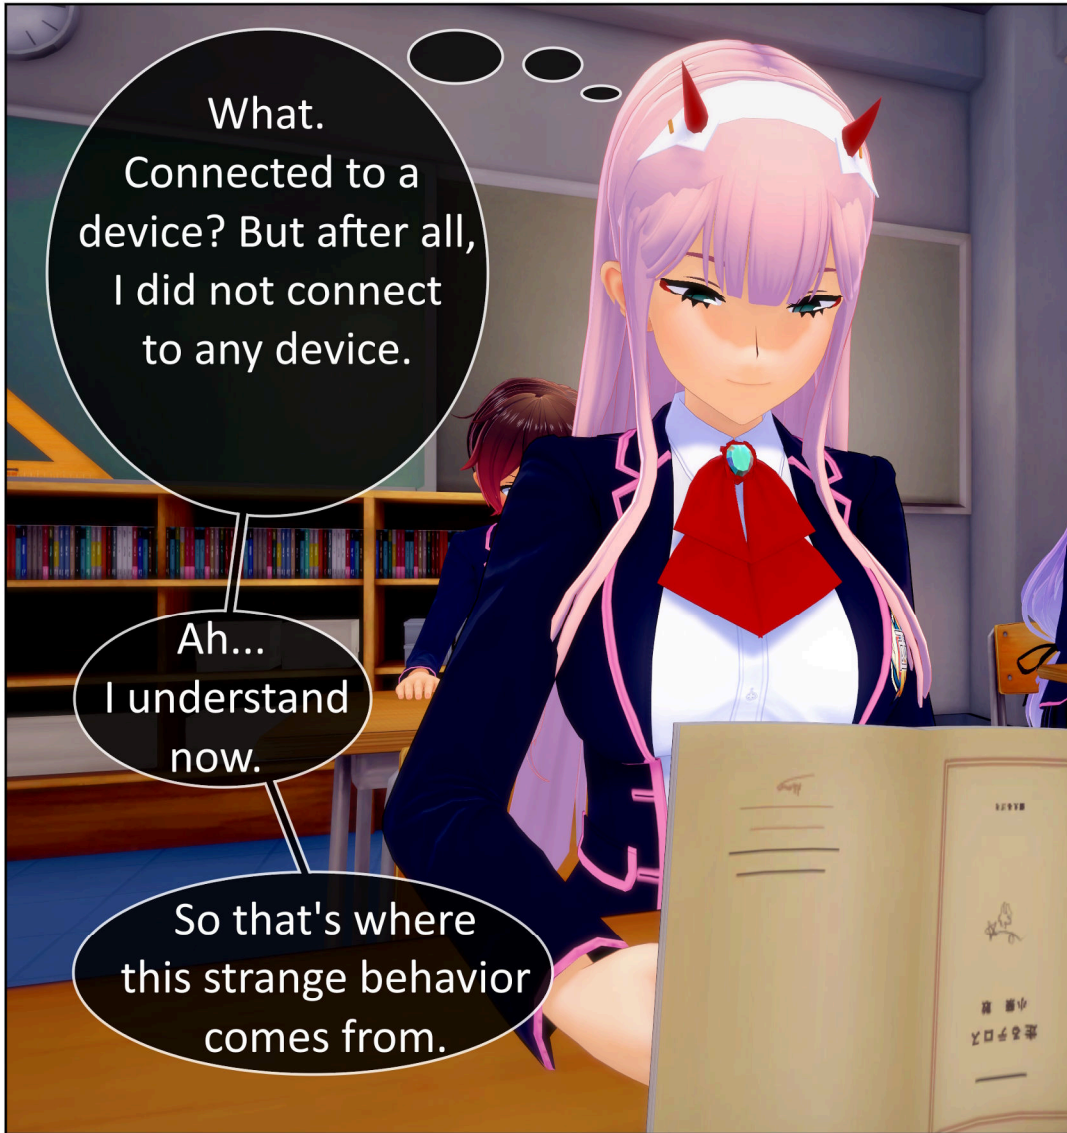

Do girls always sit the whole group in the loo before class and gossip?

I'll try at the next break, maybe no one will be there then.

Hina-chan is acting somehow strange today .

I wonder why?

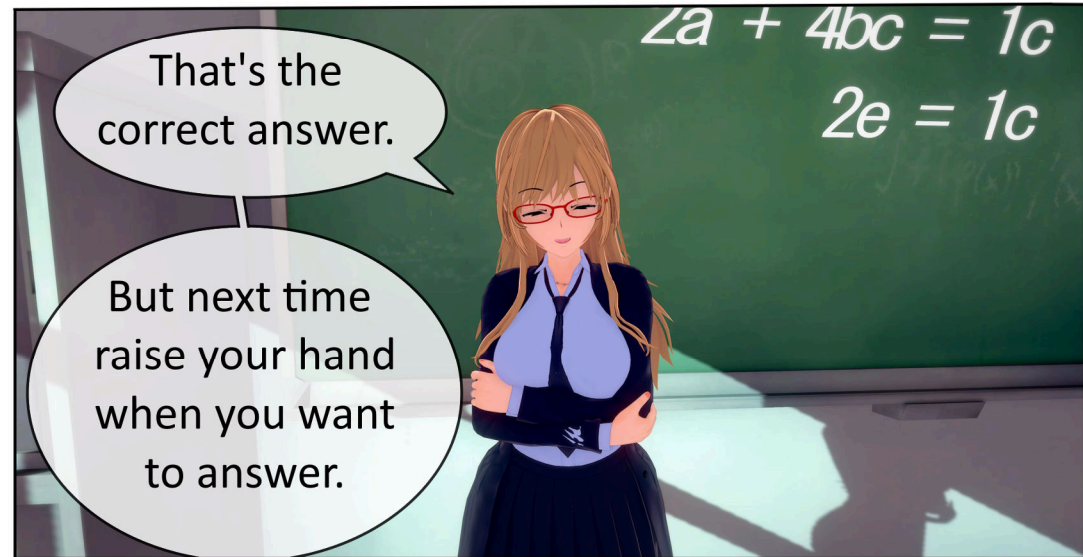

$$2a + 4bc = 1c$$

$$2e = 1c$$

The next question,
it will be on the test.

What country was the
general from who demanded
that Japan open its economy
to the outside world.

After the lesson....

Because
I could. And I will
do it again.

Relax,
I was just joking, although
you should see your face.
hehe

Yes, it was.

Why did
you do it?

Mad

Zero Two.

It wasn't
funny at all.

Hi girls, what are you talking about.

About our plans for the end of the week, and what?

And do you already have any plans for the weekend?

Olympics on Friday morning so I won't be gone until Monday.

Yes, because we are going together.

Really? Zero Two said she was going to some Olympics.

Aaa...

What are you talking about?

I knew you would like it. hehe

By the way , say you enjoyed our little game.

Admit it was a great feeling, right?

I didn't.

Well ... it was interesting.

All in all, it was really exciting.

After all, it's my only option to relieve myself.

It's a secret.

Maybe I won't get rid of the anal plug for now though.

Come on, I know you two were talking about something.

On Friday...

And remember your dinners is on the top shelf in the fridge.

I should be home somewhere around 10 pm, can you manage on your own until then?

What's with the outfit anyway, are you going somewhere?

I will remember.

Mom I'm not a baby.

No, Naomi told me to get used to the wig and fake breasts.

That's why I thought
it best to walk around the
house like this.

Therefore, I want
to take advantage of the
opportunity.

After all, no one can
see me today anyway.

In the meantime, I will
also learn some lyrics.

Moments later...

It's time for me, just remember to lock the door when you go somewhere.

It's a shame that Zero two and Saki-chan went to the Olympics because I would have asked them to take Hina-chan out on the town.

Oh well...
Next time.

How many times do I have to say that I won't go anywhere in such an outfit.

Some time later...

Why am I alone?

I don't know.

I am not a
baby anymore.

bell

SFX: Erika - I Don't Know

Surprised

Is mom back
already?

So
soon, did they
cancel the
meeting?

In the corridor...

But why is she ringing the bell instead of just walking in?

Could it be that she forgot her keys?

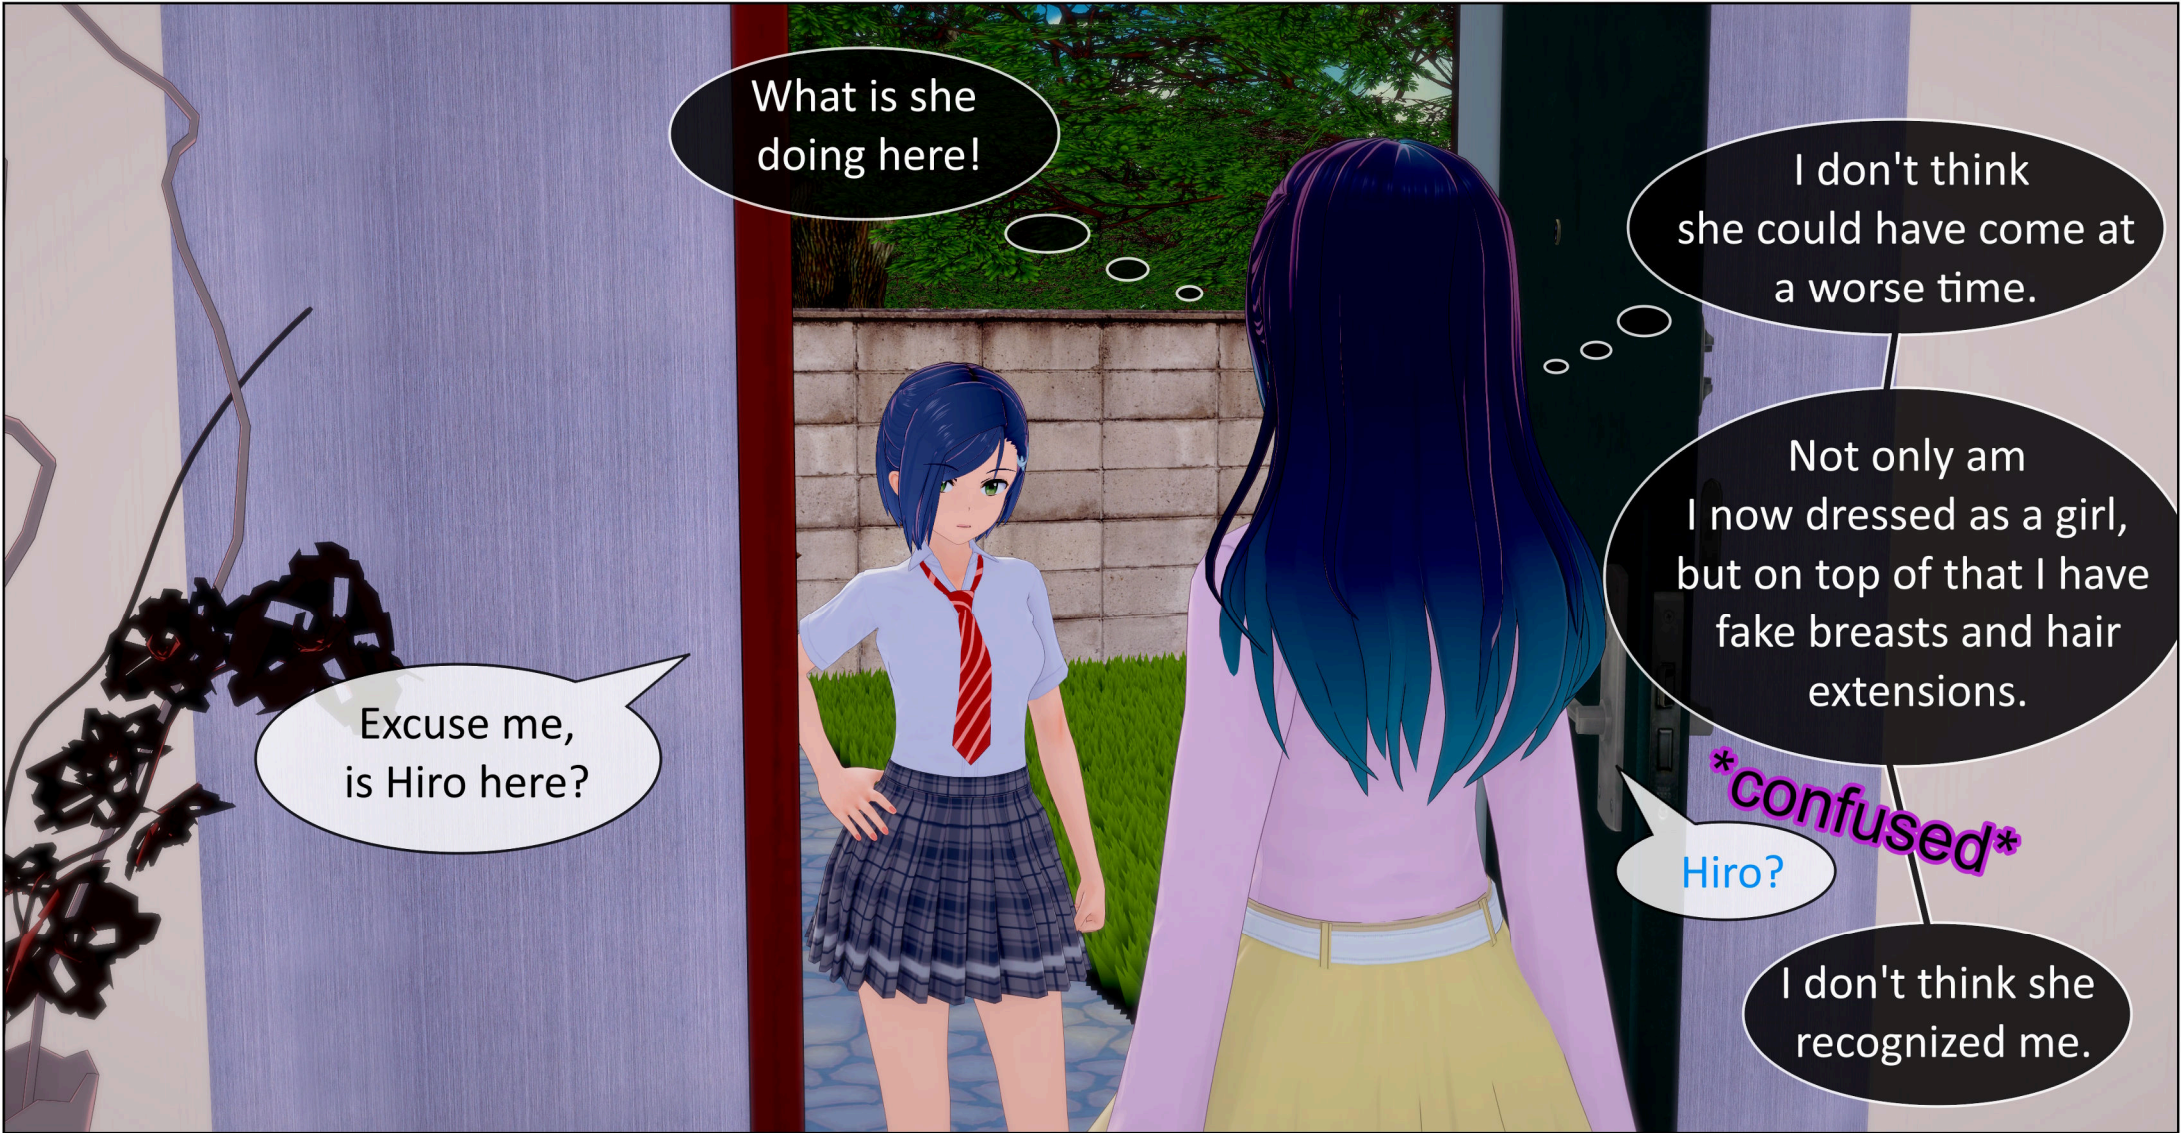

Has the meeting already passed?

Eee~

Shocked

What is she doing here!

Excuse me, is Hiro here?

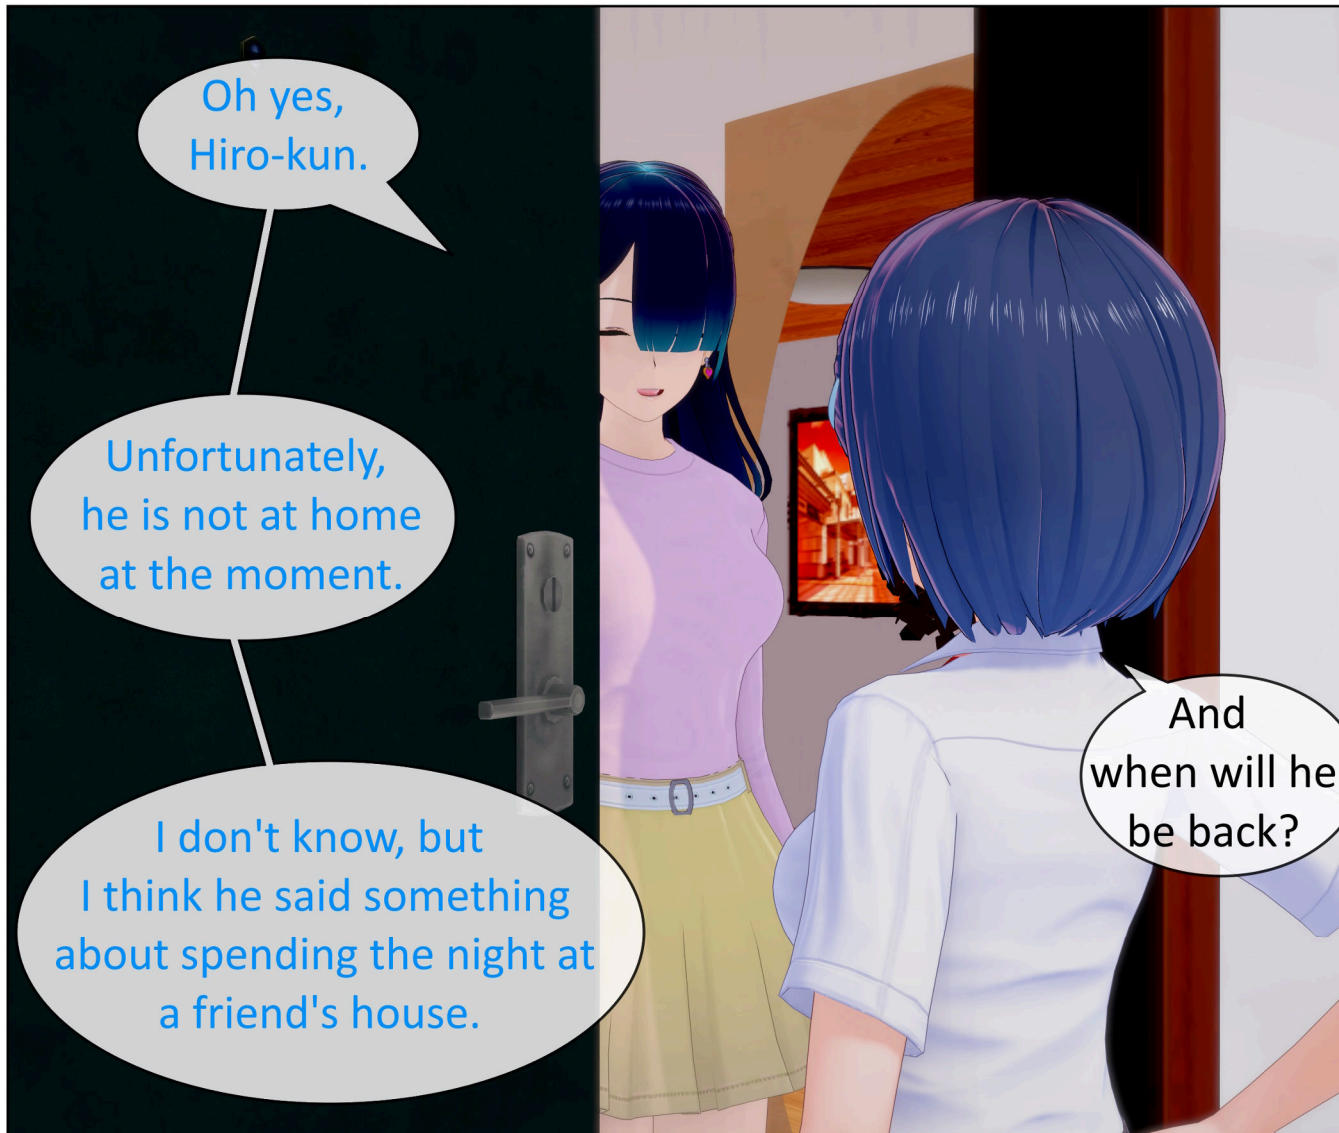

I don't think she could have come at a worse time.

Not only am I now dressed as a girl, but on top of that I have fake breasts and hair extensions.

Hiro?

confused

I don't think she recognized me.

Oh yes,
Hiro-kun.

Unfortunately,
he is not at home
at the moment.

I don't know, but
I think he said something
about spending the night at
a friend's house.

And
when will he
be back?

Wait a
minute!

Is something wrong?

Surprised

Yes, I am.

You are Hina-chan, right?

So you're his cousin.

Go away finally!

All in all, she's quite similar to him.

Gosh, I have to do something otherwise she'll recognize me right away.

Maybe except for the face, except that Hiro is definitely shorter.

In the restaurant...

At least this one is the right size.

At least that's that, because they wouldn't accept a return.

Wow, your new outfit has finally arrived.

Yes, that one was definitely too big on you.

But, hey at least on Hina-chan it fits.

Sorry Ichigo
but I promised earlier for
Yuri-chan that I would come
to work today.

No problem,
go and change, I'll also
come right away.

You'll find out
right away.

How does she know my
name is Ichigo? After all, I didn't
introduce myself to her.

What?

What is she
planning?

Er... You are Ichigo, right?

Of course I remember.

I have no clue what she is talking about.

confused

Hi Naomi do you remember me?

Yes, we used to go to the same class for two years, remember?

I know it's sudden but I have a request for you, say you wear "S" right?

A while later...

I feel so bad that I had to deceive Ichigo.

If I hadn't done it, she might have discovered that it was me.

I promise I'll take you out for coffee sometime.

But I had no other choice.

I'm sorry Ichigo in time I will somehow make it up to you.

At last you
are here. What took
you so long?

I was beginning to
worry about you.

What?

Where did you get this outfit?

Surprised

And where is she?

I borrowed it from Naomi.

She said she had to do something. And now let's go.

As we work, you will tell me a little about yourself.

In the meantime...

Ichigo?

Are you
still there?

This is not funny,
you were just supposed
to try on my outfit.

Can you finally
give it back to me?

It's pointless, there's
no one there.

Unbelievable
that I was fooled
so easily.

Sigh But
she was so pushy that
I practically had no
other choice.

Sneeze.

For now, I'll
let her work together
with Hina-chan.

It's just a pity
that I can't use any
magic on him.

I'll try to get my
outfit back later.

I have a plan
that can solve some
problems for me.

During the work...

As for your
cousin, are you...

Yes but
shhh...

Maybe.
Nyan

You look
great today Hina-chan,
I think you've changed
a bit.

I see, I hope it's
permanent. hehe

I guess it won't be that easy to find out something about Hiro from her.

A new dish?

Hmm, sounds tasty, I'll take it for dessert.

Will there be anything else for you? We have a new dish on offer from today, would you like to try it? Nyan.

Yes, it's called risotto. Nyan

Great, I'll bring it right away. Nyan

Moments later...

Back to my question. Can you tell me something about Hiro-kun.

I'm sure you know a ton of things about him that no one else knows.

Card.

It will be 1200 yen, cash or card? Nyan

In that case, please put the card to the reader.

1200 yen = \$8.03

Ah~

After all, she's at work now.

On the other hand, I'm impressed by how well she manages everything.

Especially since she's really pretty.

I can't be mad at her for that.

And I'm really just getting in the way

Fortunately, she's Hiro-kun's cousin, otherwise I would have started to worry.

Back to Hiro...

Please, Here is your change. Nyan

Are you sure?
Nyan?

Thank you.
Nyan!

No need.

Yes, take it yourself.

Wow,
I see someone here got quite a few tips today.
hehe

I wonder why?

What do you think.

Hina-chan looks really great with bigger bust and long hair.

Yes, I know but but suddenly Ichigo came.

embarrassed

And I didn't really have a way to take it all off.

Please don't tell Ichigo about it, okay?

Sure, I'll also quietly tell the other girls not to say anything to her.

Hehe. No problem at all.

And by the way you really look great now. Is it permanent?

Too bad because customers seem to really like your new look.

Thanks, I owe you something.

No.

A character with long dark blue hair and a silver mask covering her eyes is standing in a kitchen. She is wearing a white kimono with a blue sash and has her right hand raised to her chin in a thoughtful pose. The kitchen background includes shelves with stacks of white plates, silver pots, and a brick wall on the right.

All in all,
Harune-chan
is right.

I also got a lot more
tips than usual.

No, it's
too much.

Everyone is
telling me today that
I look great.

But am I really going
to go to work dressed like
this from now on?

But I'll have to keep that in
mind when I need more money.

After work...

Okay girls we are going to change.

Yuri-chan will come right away to lock up everything.

It was really nice working with you Ichigo I hope you will visit us again someday.

Just next time don't eat customers' orders.

In that case,
tell me everything you know
about Hiro-kun.

Excited

Our parents
had been at odds for a
long time and only recently
reconciled.

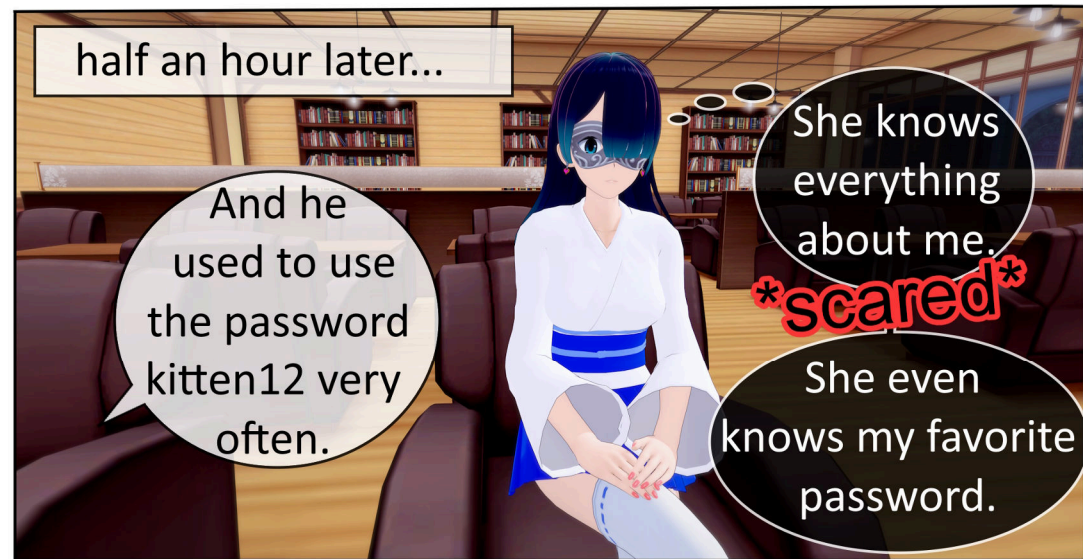

I guess he
didn't know about me
either.

...?

It's probably better to
pretend I don't know anything.
After all, we supposedly didn't
know each other.

Just you know,
I don't know much
about him.

Before that they
didn't keep contact with each other
at all, and in fact I didn't even
know I had a cousin.

Some time later...

Great, looks like mom is not back yet.

Fortunately, as soon as Naomi came she remembered that she had to go.

But she always had memory problems.

Unbelievable, I thought Ichigo would never let me go.

The funny thing instead is that Naomi forgot what she came for.

OK, now quickly to my room and pretend that I have not been anywhere today.

Have you been on a date?

But tomorrow is Saturday.

No, Yuri-chan asked me if I could come to work today even though I was supposed to have the day off.

And now I have to go I still have a lot of studying to do for the test.

Exactly, I need to prepare well.

What is this boy up to again?

Hina-chan is really getting used to being a girl slowly.

Or should I start saying girl?

Before, she couldn't even walk in heels and now she's even running.

Mayumi is right, it's time to take the next step, but it takes some preparation.

Just a moment.

Hina!, phone call for you.

Coming.

No, it's a good number, Hina just used her male voice.

I guess she was expecting someone else to call her and now she's doing some theater.

Cute.

Next day....

Promotional photos, really?

Instead, I have to go to a few stores and take pictures of myself in them so people will see that I go there.

I can't wait to take them off.

I was hoping to spend my Saturday quietly at home doing nothing.

Although the worst part of it all is that I have to do it in this weird disguise.

And most eagerly I wish I didn't need them anymore.

Thanks
again for going
with me.

Really?

Surprised

CUSTOM MALL

~SINCE 1974~

No problem.

Besides, Naomi
asked me to watch over
you anyway.

Yes, she may
not have said that
but she definitely
meant it.

Retrospection...

Naomi,
I have a request
for you.

I need you
to help me with
something.

Shocked

Back to the present....

Hello, we were supposed to take some pictures here.

Yes, it's great that you noticed it.

Zero Two, this is a boutique.

I just hope I won't have to undress.

Probably not, after all I'm only supposed to take one picture here.

jealous

I don't like them already.

Why do all the friends Naomi has have bigger breasts than me?

Onee-san, don't be so mean.

After all, they are our customers too.

It's just that we are the ones paying for their purchases!

Wait a minute, haven't we met somewhere before.

I'm sure I've seen you somewhere before.

I already remember, you were with your mother in a beauty salon.

It's unlikely, I'm not from here.

stressed

I already said I'm not from here. I just recently moved here.

Maybe, I go there sometimes. What's strange about that?

Never mind,
let's go you still have to
change your clothes.

Yes, We
even already have
some outfits prepared
for you.

Just first
I need to take your
measurements.

What, dress up?

Shocked

To be continued...
