Eternal dream

Chapter 22

by Ron512
and Kami1

At school...

It's a bit of a shame that I didn't get my laptop back.

Ah, I already can't wait to tell her about it.

Yes, I can finally pull this stupid purity cage off.

Excited

But now I can finally do it with Zero two like a boy with a girl.

I even specifically haven't taken it off yet so she can be the one to do it.

Although I must admit that anal is much better than I expected.

I only did it because I had no other choice.

In any case, now I will never do it again.

hew. I have to forget about it as soon as possible in the end I am not gay.

embarrassed

If I had known that mom would take the chastity cage off me so quickly I would never have done it.

OK, maybe I'll do it one more time, but not more.

In the corridor...

What is the matter with you today darling? You seem somehow absent all day.

For me?

Excited

Nothing, I was just thinking about something.

And I think I have a little surprise for you.

And what's the surprise?

You'll see.

I'm sure you didn't expect it.

She probably wants to tell her that it's over between them.

happy

Hina-chan finally noticed that I'm better than Zero two.

But what's surprising about that after all I am better than her.

Moments later...

What is this white thing?

This? It's nothing.

It's just baby powder.

Wow. I see that since last time your breasts have really grown.

If you keep this up, you won't need to wear artificial ones. hehe

How many times do I have to say, it's not breasts.

embarrassed

Excited

From what I can see Hina-chan already has real small breasts.

happy

Now there's no way Daddy will notice that something is wrong.

Ready?

Yes please.

Finally after such a long time.

Excited

Moments later...

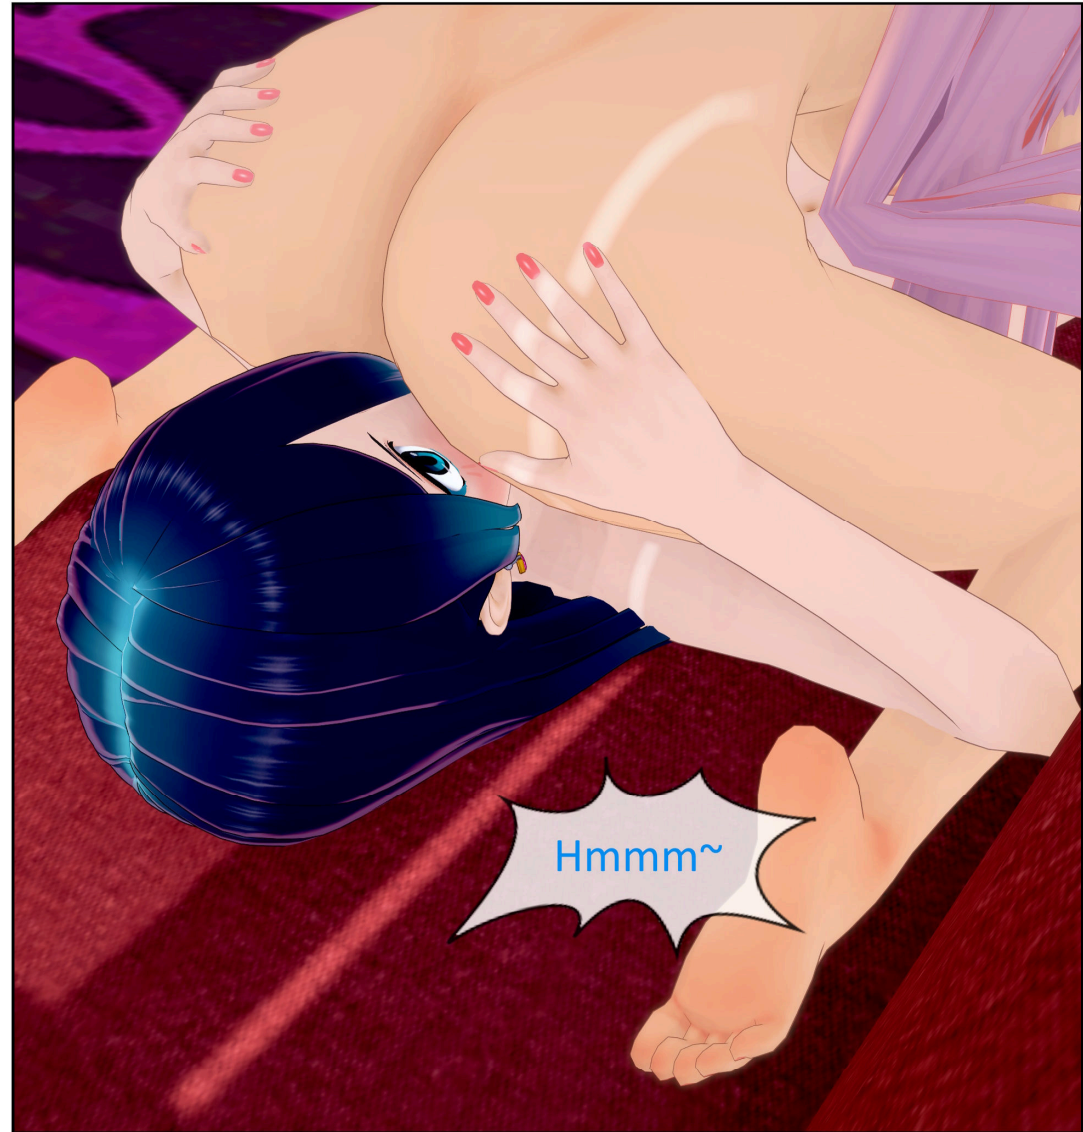

Oh yes just like that.

Hmm~

Oww~

Hina, you didn't say you were that good at it.

So, what do you say we go get cleaned up?

I'm all sweaty, I need to wash. You, moreover, also need a bath.

Why not, after all, there are showers at the pool. We can use them.

What?

Shocked

Er... Yes, but we can not wash at school.

No way, I will not go to the pool, what will happen if someone catches us.

Don't worry at this time there is no one there.

Besides, I'm sure you'd like a second round, right?

After a short thought...

Don't worry, she won't find out. I guess.

What's wrong with wanting to go swimming?

I mean to use the showers.

Mom will kill me if she finds out.

I guess?

What?

scared

In the shower...

After all, if someone catches me now it's over.

I mean Aunt Sora.

Unbelievable, why do I still do everything she just tells me?

I'll get kicked out of school, and mom will kill me.

I call her mom so often that I got used to it.

But I think it's worth the risk.

Ah am already looking forward to the second round.

Although as much as I don't want it, I have to admit that the vibrator is much better than 69.

Or maybe it's because my penis is not yet back to normal?

After all, I'm not gay there's no way a vibrator would give me more pleasure than doing it with a girl.

I have to be careful with the hair extensions. They are terribly hard to put on.

At the pool?

I could also go to my locker to get spare ones but I would have to go naked through the whole school.

Well... at least it's not a bikini

I guess I have no choice if I want my clothes back.

embarrassed

But that's not an option.

At the pool...

It presses so hard on my crotch that it is almost completely flat.

But do I really have that much swelling already?

embarrassed

Gosh, this swimsuit is tight.

All in all, it's even good, at least I don't have to be afraid that someone will now notice that I'm a guy.

It really looks like I have breasts.

What~

Waaaaa~

Shocked

Darling, did you really think I didn't notice you?

Keep trying, maybe next time it will work out. hehe

Yes but you
have to teach me
this sometime.

Sorry Darling.
Are you all right?

Naomi is not
coming again?

She said someone
stole her swimsuit.

Sorry girls but it's time for us to go.

Apologize to Naomi from me.

No worries I doubt she's mad at you for that.

Please just don't let them notice anything.

embarrassed

Boring~

Last time, Hina-chan sang much better.

Although Mutsumi-chan has part of my ability Hina-chan could easily compete with her.

She really has a great talent but how to awaken it?

I already know. What can I do to awaken her talent.

But I have to hurry well Aunt Mayumi said she has a surprise for him this weekend.

Some time later...

What Karaoke?

She Must be
joking, no way.

Thanks but
I'll say no. I already
have other plans.

Yes I'm going to
karaoke this Friday with some
friends and I would like you
to come with us.

Why, I think you could
use some practice.

By the way, don't you know who stole my swimsuit?

Friday at 6pm.

Well... your choice.

I practice a lot at home.

She knows it was me.
scared

Sigh~ When is this karaoke?

Friday, 6:00 pm...

Did I really have to wear those fake breasts and hair extensions?

But it will only be Naomi and some of her friends.

I doubt I'll ever see those girls again.

embarrassed

Of course, you have to take care of your image.

Who knows.

After karaoke...

You did really great Hina-chan.

And for the future, don't be so ashamed there is nothing to be ashamed of.

If you want to be better than her then sure.

After all, as far as I know that girl is a professional actor and singer.

I know, but I guess Naomi was right I still need to practice a lot.

Mad

That explains a lot.

So that means she didn't take me seriously from the beginning.

Sure even now she is laughing at me.

Determined

I will take revenge for this humiliation no matter that it's girlish. I have to win with her.

Meanwhile...

So this was your plan Naomi.

Make them start competing with each other so that both Mutsumi-cha and Hina-chan would increase their acceptance of being a girl.

After returning home...

I back~.

Surprised

Mayumi-san,
what are you
doing here?

Has something
happened?

You
still haven't
signed those
documents
I asked you
to.

Sorry,
I forgot.

That's
okay, I wanted to
stop by for coffee
anyway.

Employment contract, insurance. If you want you can read, I'm in no hurry.

Are you sure, I would read if I were you.

Whatever you think.

And what exactly are these documents?

Thanks, but there is no need.

I don't want to read it all.

No, I know exactly what is written there.

By the way,
Sora and I were wondering
what size of breasts
in girls that boys like
the most.

I know
it may be a bit of a
strange question, but we are
curious if it is true that boys
prefer girls with large
breasts?

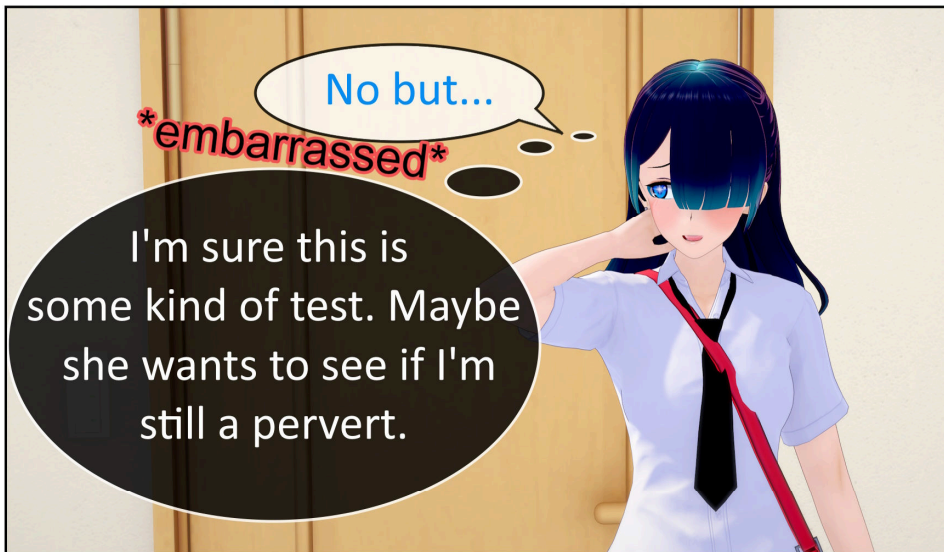

How do
I know that?

Really? Do you want
to ask him directly?

How can you
be so direct?

After all, you're a boy, unless you've already forgotten that.

No but...

embarrassed

I'm sure this is some kind of test. Maybe she wants to see if I'm still a pervert.

I already know what to answer.

In my opinion, Zero Two has the prettiest breasts.

But not because they are big or small but because they belong to her.

And that is the most important thing.

Bravo, you passed.

Of course, but don't worry Yuri-chan has this every day.

But I have no choice, I have to take care of her upbringing and that requires her to constantly be aware of her decisions.

As for you, I can see that being with Sora has really changed your behavior for the better.

I knew it was a test.

I feel sorry for her.

In Hiro's room...

Was it
really just supposed
to be a test?

During
the vacations
I will not pretend
to be a girl.

I wonder what the
strange question was
really about?

Or maybe it has
something to do with the fact
that the end of the school year
is coming soon.

Later at work...

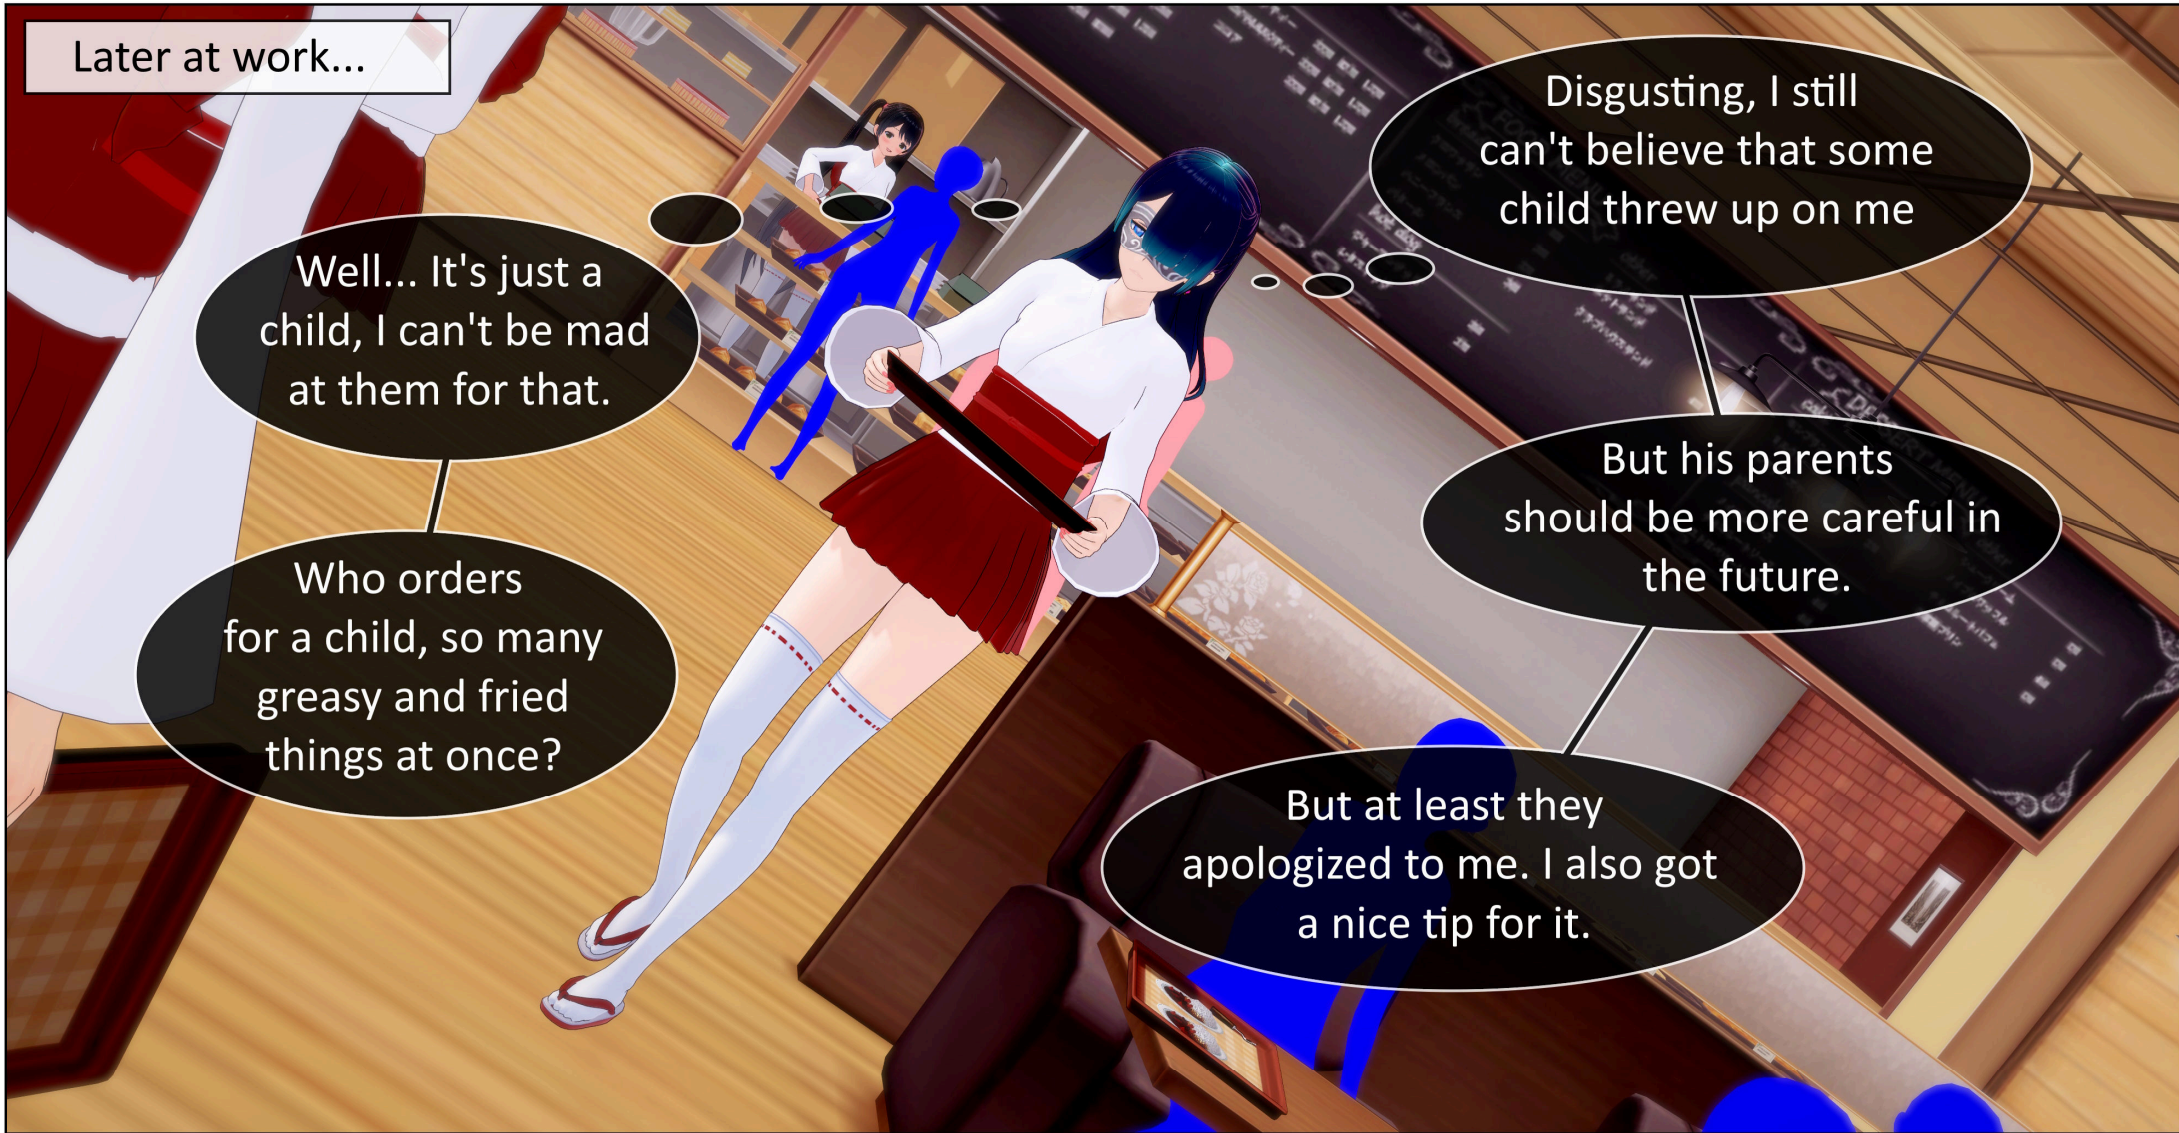

Well... It's just a child, I can't be mad at them for that.

Who orders for a child, so many greasy and fried things at once?

Disgusting, I still can't believe that some child threw up on me

But his parents should be more careful in the future.

But at least they apologized to me. I also got a nice tip for it.

Fortunately,
there was also a spare
outfit in my size.

But still, it was
disgusting.

Unbelievable.
Mayumi-san, wants
to hire me without
pretending I'm a girl.

So I shouldn't
complain.

Although today
nothing will spoil my
mood.

happy

Here, your order.
I wish you a delicious
meal. nyan~

oishikuna~re

oishikuna~re! ~ tasty

I'm
already looking
forward to when
I finally don't have to
wear these artificial
breasts.

Excited

I would
most like it to
be today.

????

What, where?

Where
am I?

You are
finally awake.

The sleeping pills must have finally stopped working.

And how do you feel?

Very strangely.

Why am I in the hospital?
Has something happened?

Sorry but I wanted to make sure she wouldn't wake up too early.

And when I tested on Naomi, one pill didn't work on her.

Relax they didn't work anyway, which is strange because in the end she got two packs.

I told you not to give her too many sleeping pills.

Mad

What did you test sleeping pills on Naomi, after all Mayumi-san is her aunt, she will kick our ass for that.

Retrospect...

Thanks for the tea, but sweeten it less in the future.

I like sweet but this one was all the way thick.

And don't make me any more tea because I'm about to pee.

Shocked

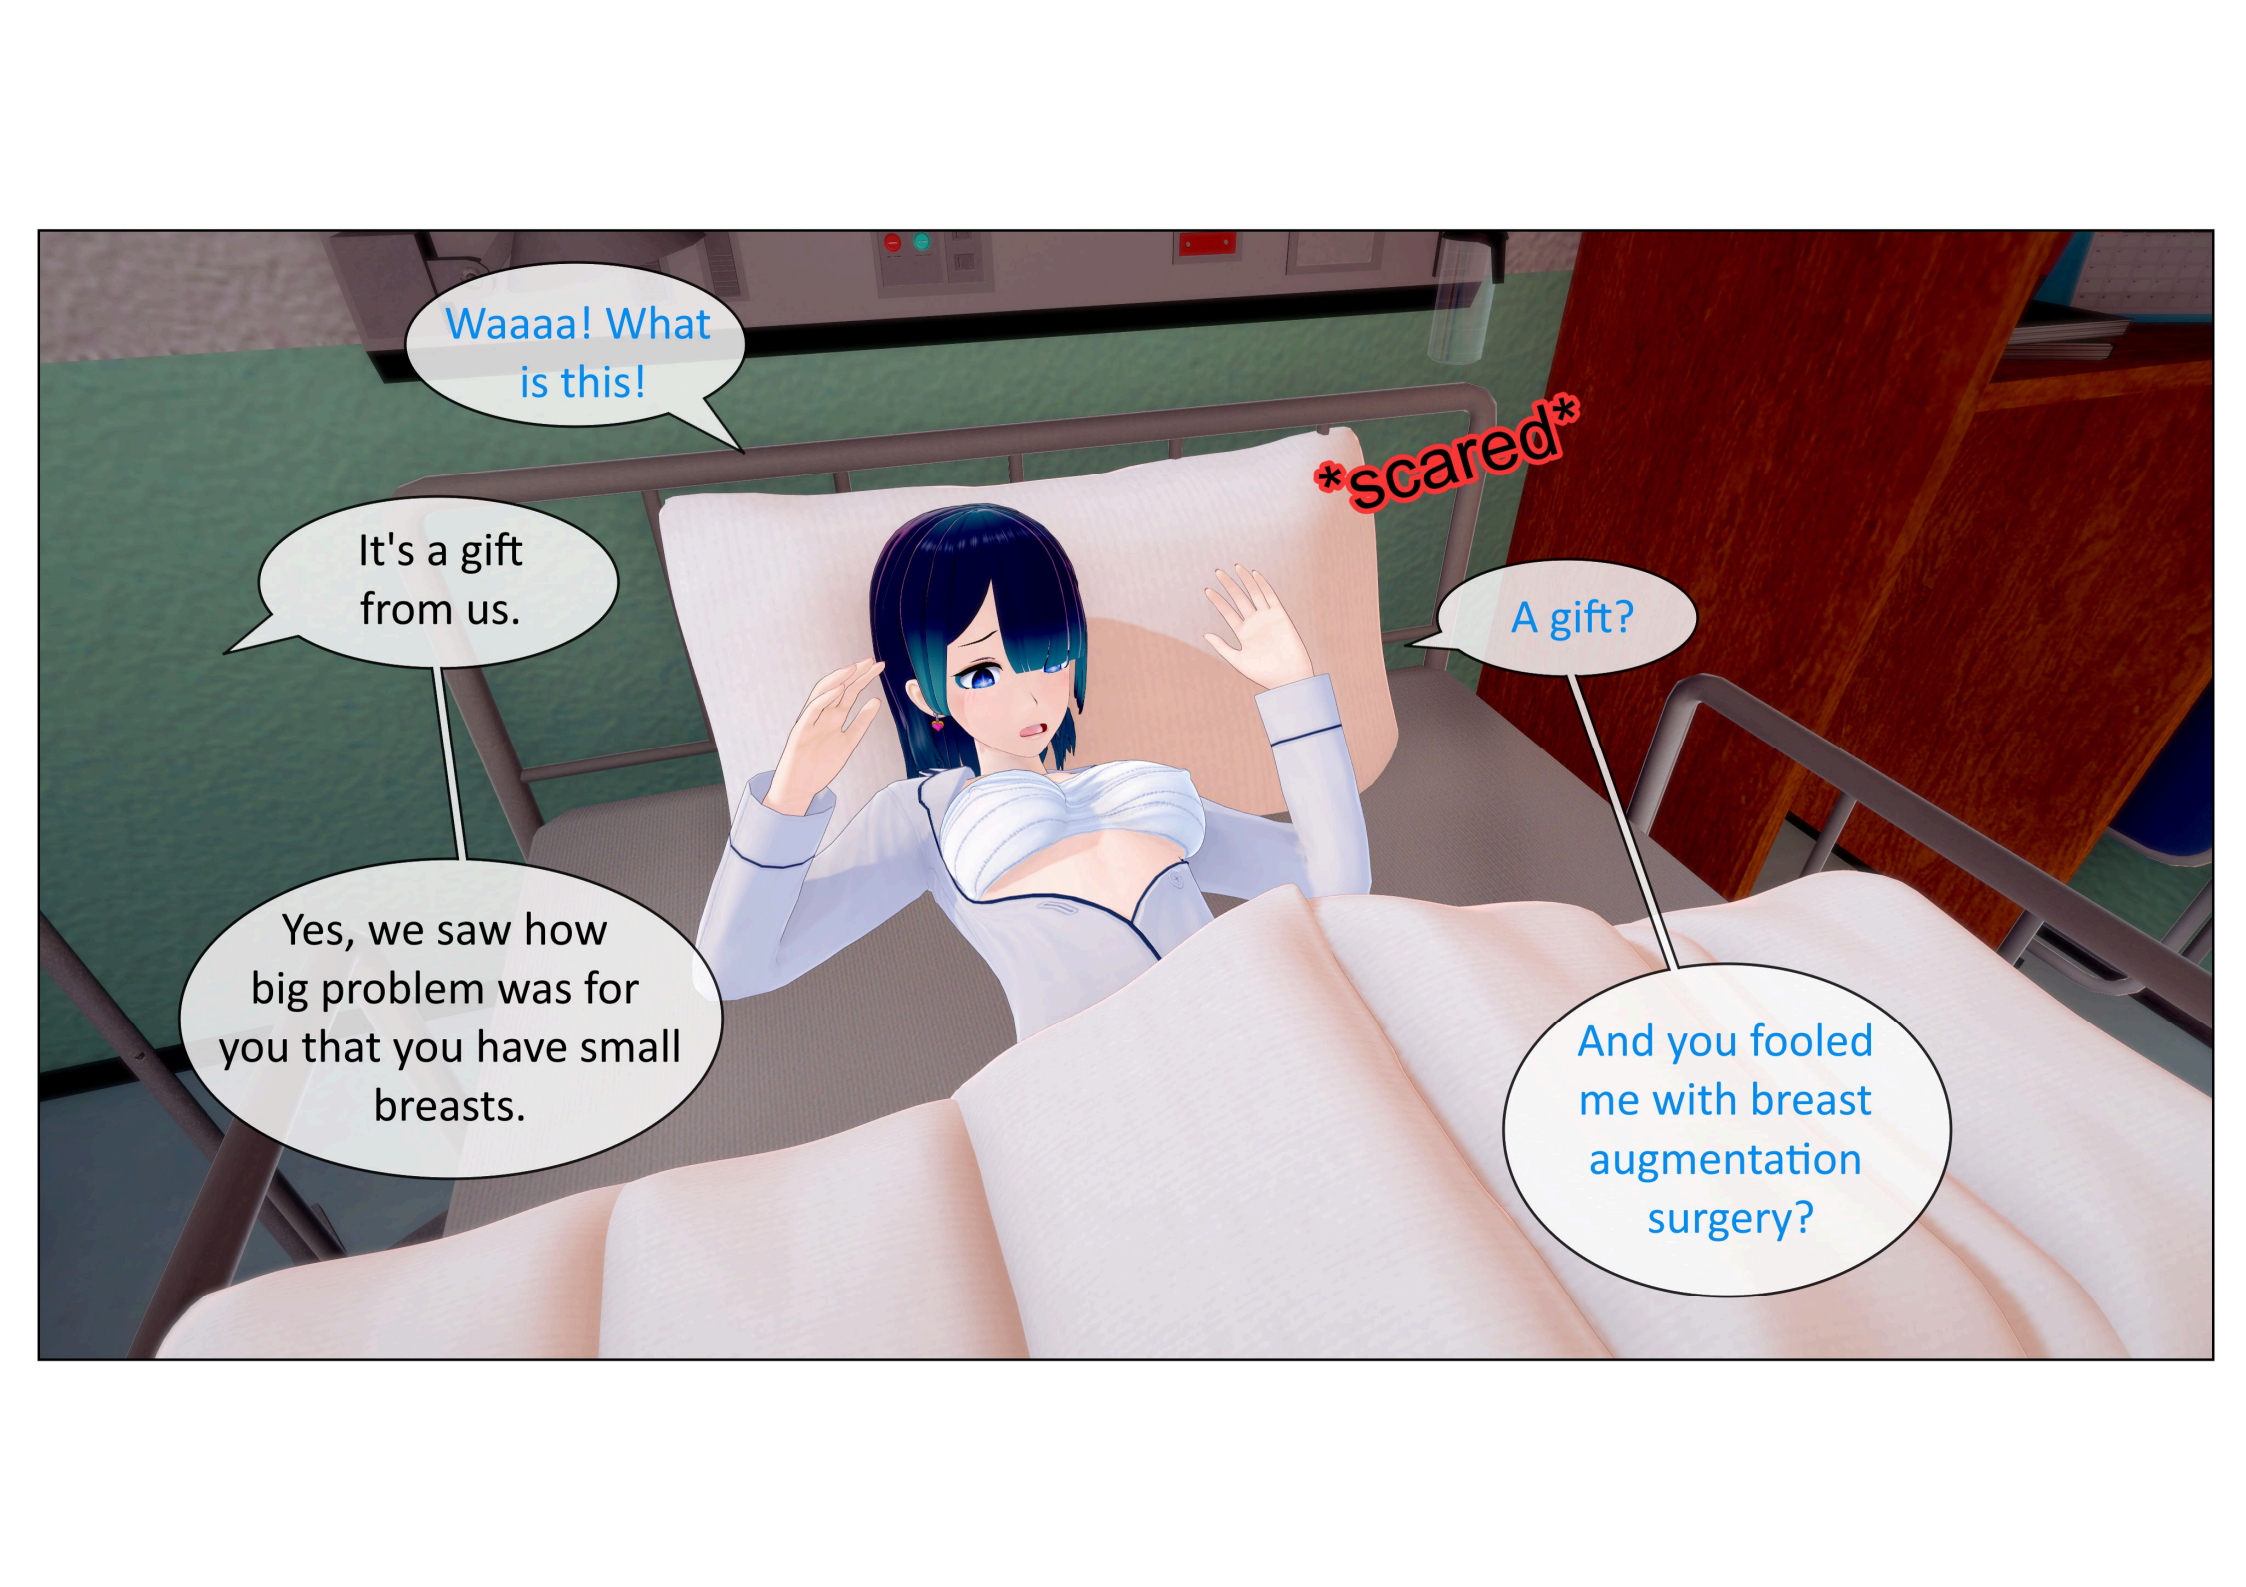

Sure~

What is it?

Such a dose would put a horse down and she doesn't even yawn.

Maybe it doesn't work for everyone.

Naomi is immune to all poisons and drugs.

Waaaa! What is this!

It's a gift from us.

Yes, we saw how big problem was for you that you have small breasts.

A gift?

And you fooled me with breast augmentation surgery?

scared

In general,
the hardest thing was
to convince your mother
to agree.

We had to explain
everything to her.

And the fact
that you often say quietly
that it's a shame they're
not real.

She practically
didn't want to talk to
us about it.

We told
her how you always
hide when you
dress up.

Then
only then did she
agree.

Yes.

Not that I want to have real ones.

All the time I thought she was trying to make a girl out of me. But apparently I'm doing it on my own.

But I meant that I wouldn't have to wear artificial ones.

At the same time, I'm surprised that Mom was against all this.

Three days later...

What should I do now?

Actually, I was referring to my breasts.

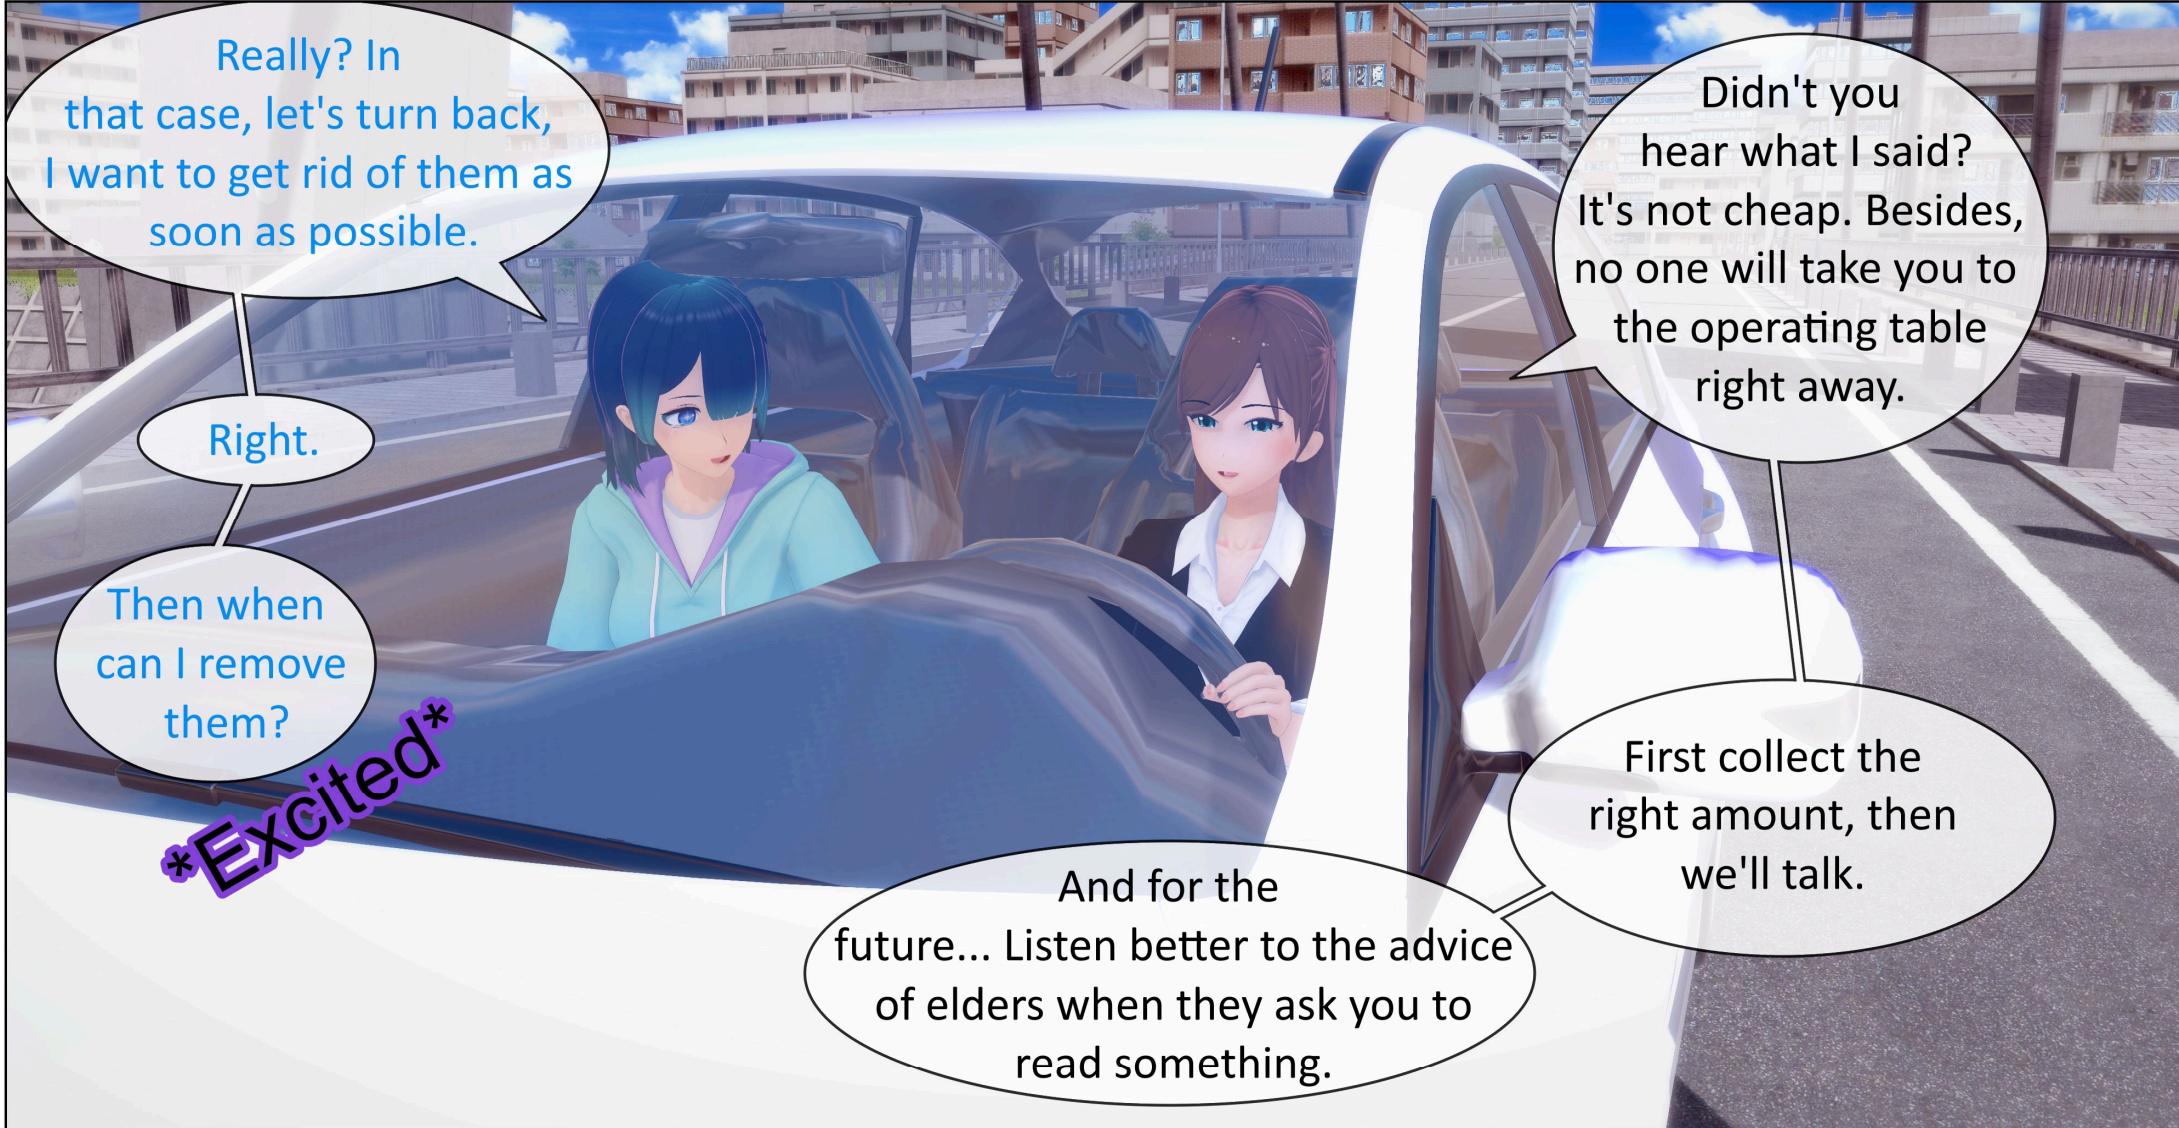

Now I'll never be able to stop pretending I'm a girl again.

Preferably a small party, you have to thank the girl somehow.

What about them, in my opinion they look great.

Really? In that case, let's turn back, I want to get rid of them as soon as possible.

Right.

Then when can I remove them?

Excited

And for the future... Listen better to the advice of elders when they ask you to read something.

Didn't you hear what I said? It's not cheap. Besides, no one will take you to the operating table right away.

First collect the right amount, then we'll talk.

What?

That was that?

Shocked

But she could have said.

Mayumi asks you to read carefully what you sign, right?

Yes, now you will have a lesson that you should always read what you sign.

She said, but you didn't wanted to listen.

So the only person you can blame for all this is yourself.

In Hiro's room...

They are
much bigger than
the artificial
ones I wore

embarrassed

So that's why
Mayumi-san asked
me what kind of
breasts I liked.

Wait a
minute... Aren't they
the same size as Zero
Two's breasts?

I wish I had
said that I prefer small
breasts.

Well... I will
have to get used to
them for now.

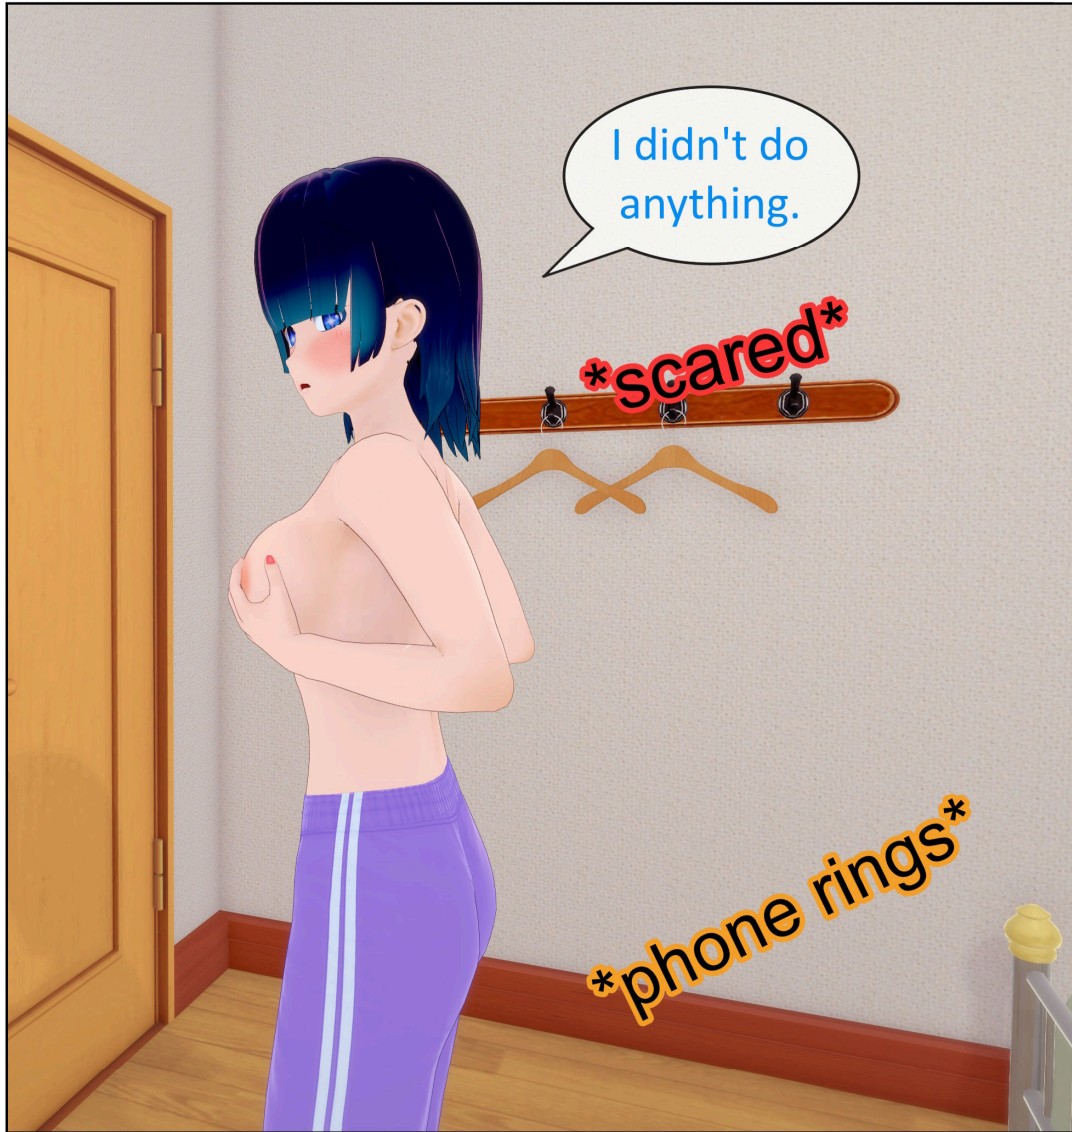

And they also
feel completely
different.

The skin on them
is also strangely tight.

Man, they
are heavy, they are
heavier even than the
artificial ones.

I feel like I have
something on my chest.

But the doctor said
thankfully that this will
pass with time.

Ichigo.

It's okay, actually I wanted to talk to you.

Yes. You'll have to give me your number sometime so that I don't always have to call Hiro.

But back to the point.

Hi Ichigo, sorry but Hiro went somewhere and forgot to take his phone with him.

What, with me?

Surprised

I will be in the neighborhood next week.

I know that in general we don't know each other very well, in fact not at all.

So maybe we would go somewhere together that day.

Not good. I can't let Ichigo see me now.

I'll have to think of something to avoid meeting her.

Maybe I just say that just that day I had to go somewhere?

But where?

Of course, if you don't have anything planned at the moment, otherwise I'm spending the day together with Hiro.

Hehe. Next Friday.

What?

Surprised

No, of course I don't have anything planned.

I mean I don't have yet... er... And when exactly?

Meanwhile...

Sure, I too would like to get to know you a little more closely.

After all, Hiro also told me a lot about you.

You know I would like to get to know you a little better.

After all, Hiro was always like a brother to me.

Really, that's great, in that case, see you on Friday.

Great, it went easier than I thought.

Hiro, hold on for a while longer, I'll save you from those girls.

Then you will finally understand that I am the one who is destined for you.

disconnected

Zero Two gave me a great idea.

And from the biggest mistake of your life.

The next day
at school....

Ah~

I guess before
the school year ends I will
ask mom for a bigger
uniform though.

Come on, finally
buckle up....

Angry

First it got too loose
now it's too tight.

What,
too tight?

A little, tell me
how you always
deal with it.

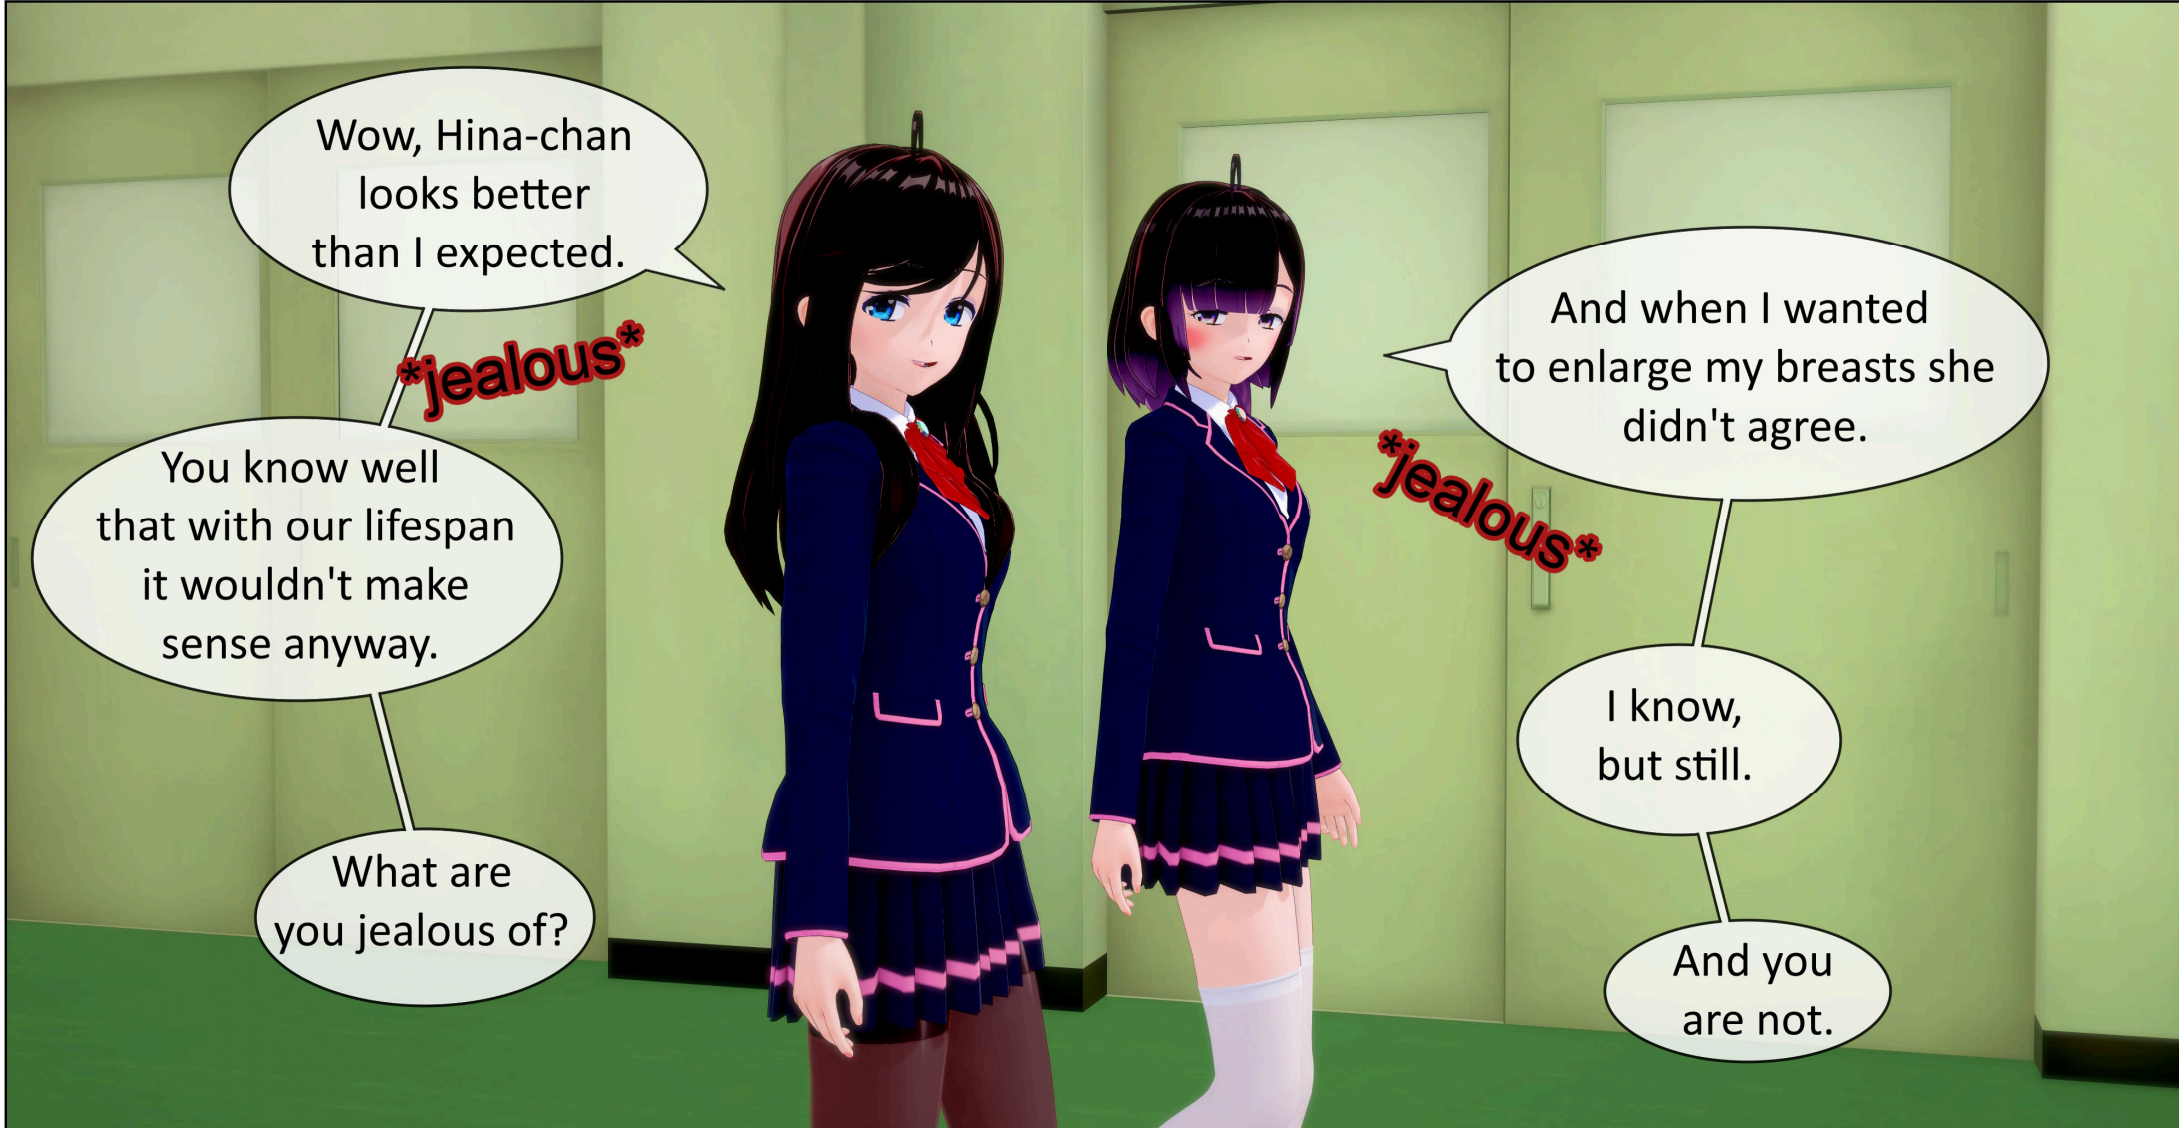

Aha~

So that's why Zero
two never buttons
her jacket.

I hope I can
do it eventually because
I feel like bragging about
my breasts.

embarrassed

Guess?

Wow, Hina-chan
looks better
than I expected.

jealous

You know well
that with our lifespan
it wouldn't make
sense anyway.

What are
you jealous of?

And when I wanted
to enlarge my breasts she
didn't agree.

jealous

I know,
but still.

And you
are not.

A scene from a manga or anime showing two girls in school uniforms standing in a hallway. The girl on the left has long black hair and is wearing a dark blue jacket with pink trim and a red bow. The girl on the right has short purple hair and is wearing a similar uniform. They are both looking towards each other. The hallway has green walls and a green carpet.

Maybe a little.
But I've learned
to accept things
as they are.

In the
luck cake.

It's all
ready

Yeah, sure, you
read it in the chips?

Oh that's right, how
about that thing Mom
asked you for?

To be continued...
