

Eternal dream

Chapter 25

Gosh,
she's even more
charming than
last time!

Eee...
I think I'll
probably study
after all.

Today
at work
I'm recording
my first song
and I don't want
to come off
badly.

Too bad~

Disappointed

Well... Since
I'm here anyway,
maybe I'll at least
visit Hiro.

Shocked

It's been
a long time since
we've seen each other,
and I was wondering
what's up with him

I don't know who she is but I already like her.

happy

Of course.
If I can.

What!!! My....
Boyfriend

embarrassed

Yes, hurry
up at last!

Because you
want to come with
us right?

During the drive...

Yes, instead of going with Ichigo, I'm going with Naomi to several places.

I should be home in the evening.

Sure.

I'm sorry if it's a little cramped for you there.

If I had known that someone else would be coming with us I would have taken another car and not my own.

That's okay.

It was worth it.

Where are we even going?

But after all, I am practicing as you told me to.

I'm also learning all those dances from the CD what you gave me.

Today you are recording your first music video, you need to get ready.

Great, but I meant things like makeup outfit and hairstyle.

Yes, just one.
Since when you have
a driving license.

It's a little
strange to me that
you have one.

Do you have any
more questions?

I can't remember
since I passed. What
kind of strange
question is that?

confused

Do you think
I'm some kind of
alien?

Is it possible
that he knows
something?

At the designer...

And how is the outfit? I chose the same as the one you liked.

Only this time in your size.

Well...

It's comfortable but a little tight in some places.

embarrassed

And what do you think Goro?

You have
blood pouring from
your nose!

In my opinion,
you look great.

Excited

It's nothing
serious

Just don't splash
on my carpet.

Hmm~

It looks like she's grown a bit lately. hehe

I read recently that even if you have breast implants they can grow.

It's impossible that it's too tight, my outfits always fit perfectly.

You must have put something on wrong.

Looks like someone has grown a bit lately. hehe

But unhappily there's no time for corrections now.

Will you be able to do something about it next time?

Great.

But of course, I don't think you know my talent.

Moment later...

It's time for us to go.

Thanks again for the express.

Some time later...

Do I really look gay?

Which would help me get closer to her.

I need to find out if she thinks of me as her boyfriend or not.

It was horrible.

Although if I pretended in front of Hina-chan that I was gay maybe she would feel more at ease with me.

Just wouldn't that doom my chances with her?

Great.
Because it always takes
me a long time to put
them on.

No
problem

Just a haircut
and we're off to
record your
music video.

We found in the
studio that it would be
better if you had as few
hair extensions as
possible.

I knew you would be
happy. But for that you
can't cut your hair
yourself for the next
while.

No thanks, I like my current style.

Besides, I certainly have no intention of paying for it.

Okay~

For this you will get a whole new style.

And does anyone say anything about paying?

It's a gift for bringing so many clients to us, besides, no worries, it won't be a big change.

Great.

And ready, how do you like it?

You still have some hair extensions but soon you won't need them.

So how do you like your new hairstyle?

Wow. I look completely different.

Shocked

Of course.

Now I'm sure no one will recognize me.

I'm done too.

It's not so bad.

It could have been worse.

What is this? You were also supposed to trim the ends.

I tried but her hair is like a wire, I couldn't cut it at all.

No kidding.

End of sleeping. Now we are finally going to the recordings.

How do I look?

embarrassed

Wow, Hina-chan is it really you?

You look great.

That hairstyle suits you.

Some time later...

You see.

A woman will
always be a woman.

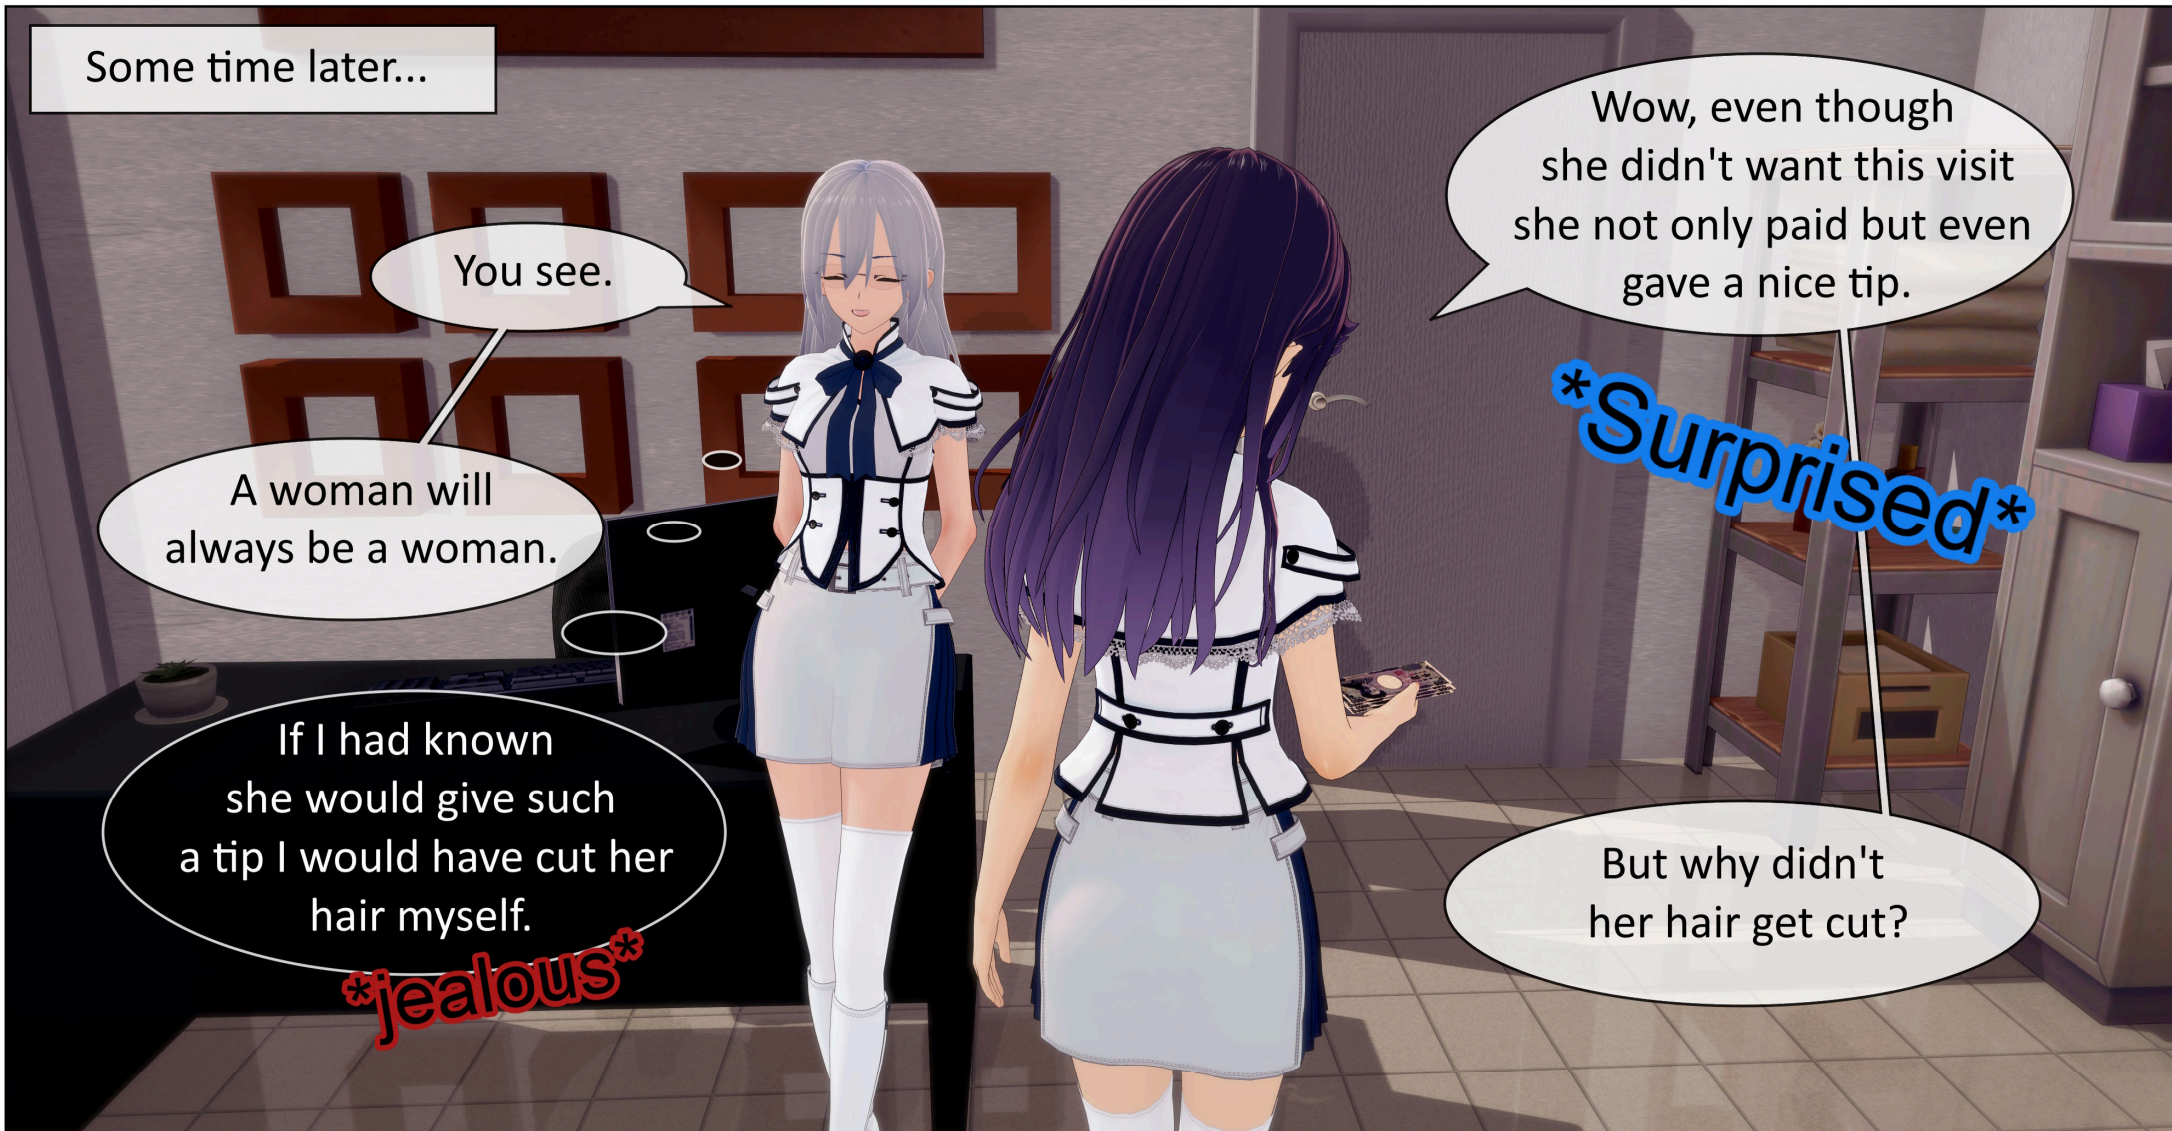

If I had known
she would give such
a tip I would have cut her
hair myself.

jealous

Wow, even though
she didn't want this visit
she not only paid but even
gave a nice tip.

Surprised

But why didn't
her hair get cut?

Meanwhile...

Are you sure you can go home from here?

Sorry, but unfortunately no. I know you probably thought I meant it, but unfortunately we don't let too many outsiders in.

Listen to this CD for yourself what I gave you, I'm sure you won't regret it.

Yes, I parked my car nearby. I really can not go with you?

Disappointed

I see, it was worth it anyway, thanks.

In studio Number 3...

Camera personnel
please get ready.

In three minutes we
will start, technical personnel
are asked to leave the stage.

Yuta,
Yuki-chan,
are you
ready?

I am.

Me too.

And you Hina?

No worries,
it will be fine.

If something
goes wrong, we
will repeat the
recordings.

This is
not live.

scared

I want to
go home.

What am I doing
here? I'm a guy and
not an idol.

I should be in my
room playing on the computer
right now.

Who am I trying to lie to I am no idol and this has all gone way too far.

I think it's time to finally end it.

Instead I'm on stage in some weird outfit.

embarrassed

And instead of trying to fix it I'm just making everything worse.

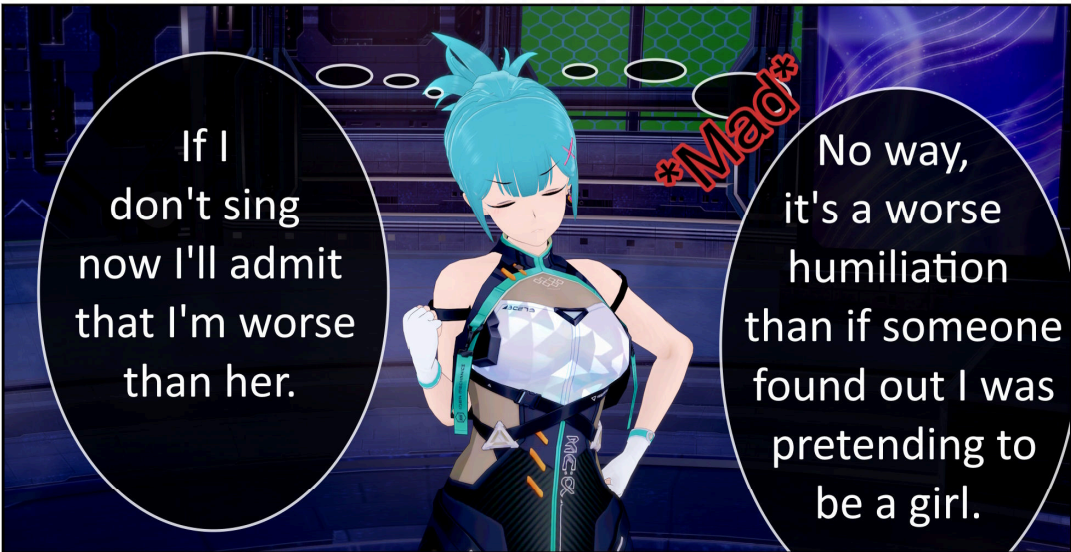

Who do you want to call?

Mutsumi-chan

After all, she sings, too.

And she has already her first live performance.

If I don't sing now I'll admit that I'm worse than her.

Mad

No way, it's a worse humiliation than if someone found out I was pretending to be a girl.

Fortunately, I read what was written on the box from this CD.

And I wanted to throw it away and then I would have missed it all.

Admittedly, I am not interested in idols but I promise, I will be your biggest fan, Hina-cha.

happy

Meanwhile,
at Mayumi-san's
estate....

I talked to my
lawyer there is no
problem.

After
what he did To my
Yuri-chan, he deserved
this lesson.

Of course.

Great, thanks.
But I still don't understand
why you are helping me
so much with this?

Are you still mad
at him for that?

I haven't yet.

Maybe you are right. After all, it will change a lot for him.

And of other things, have you told him yet?

You should tell him that he will have a brother or a cousin depending on how you decide.

Back to Hiro...

I remember one day, maybe was the first day of my life

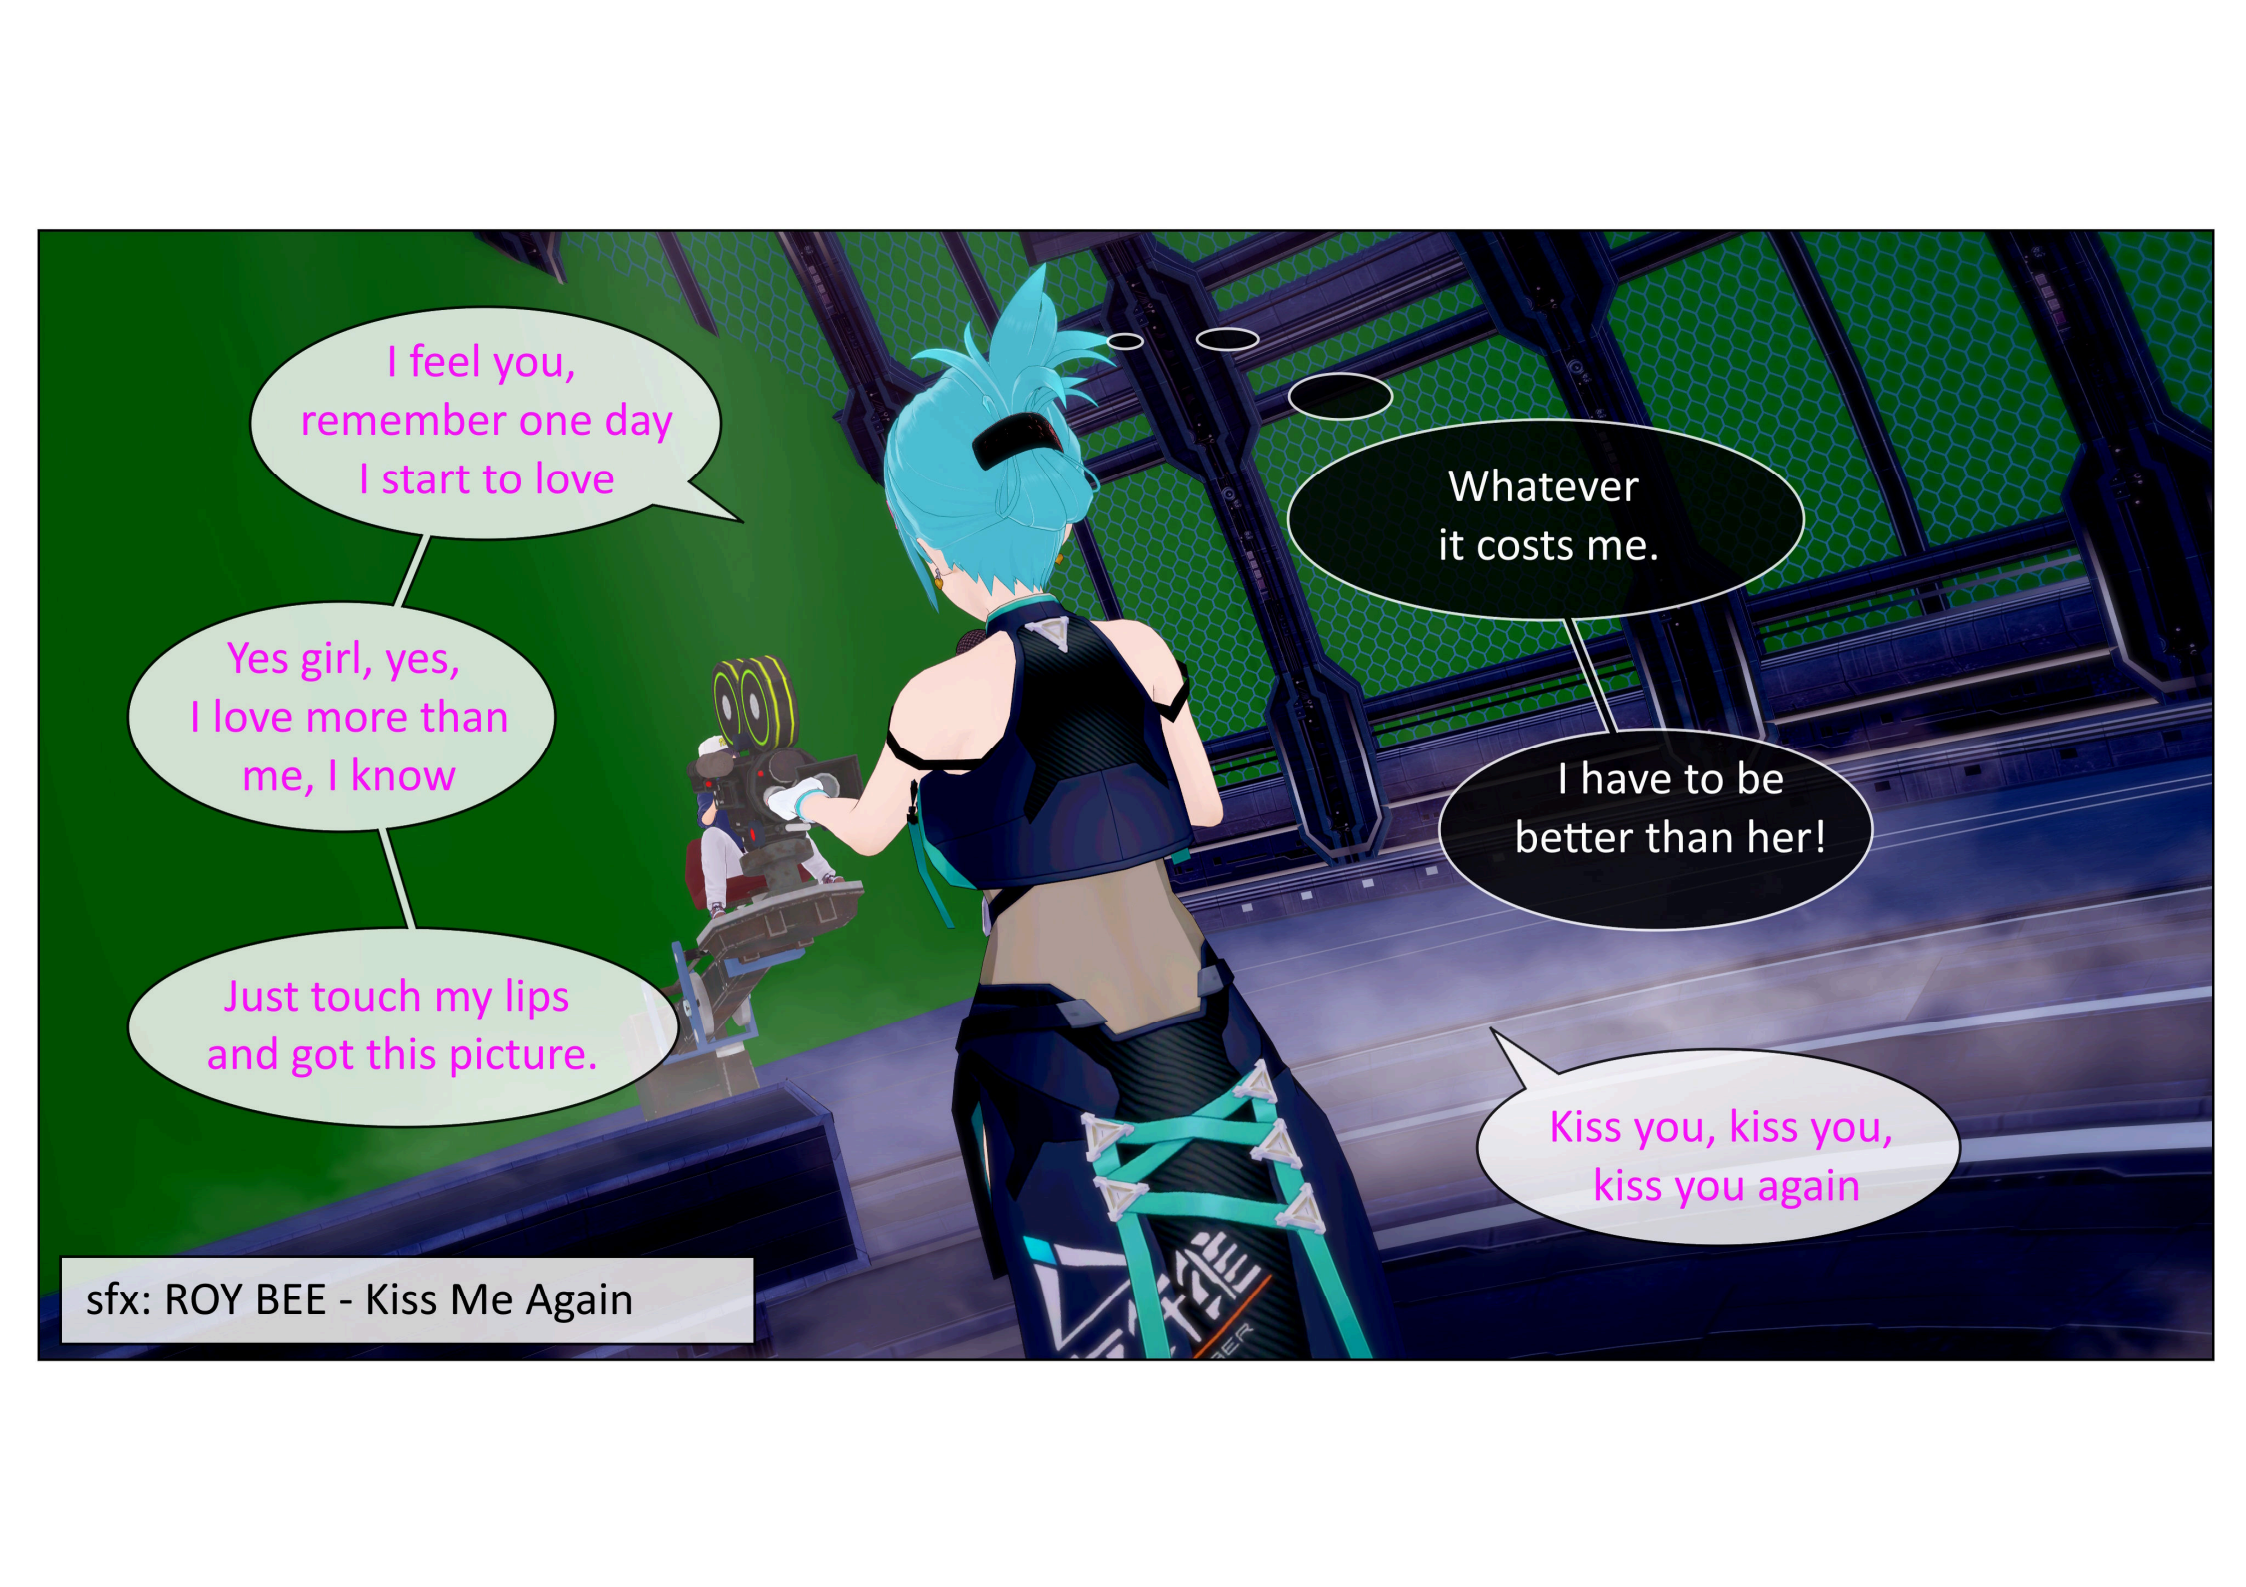

You came to my heart, my eyes wide open to you

I feel warm, behind you take my hand inside

Kiss me, kiss me, kiss me again

I must be better than her.

Determined

I feel you,
remember one day
I start to love

Yes girl, yes,
I love more than
me, I know

Just touch my lips
and got this picture.

Whatever
it costs me.

I have to be
better than her!

Kiss you, kiss you,
kiss you again

Goro's Fantasy...

I love
you Goro.

I've loved
you since the first
day I saw you.

I love you too,
Hina-chan.

moments later...

Thanks, I think I got a little carried away.

embarrassed

That's good, because I was under the impression that you could see my panties the whole time.

Great job, I knew you could do it.

No worries, it was great. Besides, the censor will review everything anyway, so you have nothing to worry about.

There was nothing visible. No worries.

Meanwhile at Ichigo's...

I still don't get it, why did you say at the last minute that you wouldn't come?

Have you finally realized that he treats you like a younger sister?

Wasn't it easier to call?

confused

I always thought you were in love with him.

No, I mean... I just couldn't go. I asked Goro to apologize to him for me.

As for Goro, did you know that he has a very good relationship with his cousin?

Her name is Hina, right?

She posted several photos on her Twitter account and practically on every other one he's in the background.

It almost looks like they're on a date. Even that caption "A great day for a little change"

What?

Yes.

Shocked

At Hiro's house...

What a
strange day

But there's
no way I'm going
to lose to her by
a walkover.

sigh Home
at last.

Unbelievable
that I actually
agreed to this
competition.

Mom
said she'd be back at 8
o'clock so I'm alone
for now.

Moments later...

Even without extensions, my hair is already quite long.

I think I need to start paying more attention. Because slowly I think I'm starting to believe myself that I'm a girl.

They are definitely bigger. Not much but they are bigger. But why?

Although that's not the only change, today while recording I completely forgot that I'm a guy.

concerned

Either it seems to me or my breasts got bigger.

After all, I get injections, besides it's silicone.

After a while...

The plan is this. As if mom suddenly walked in here, I was just getting dressed.

I didn't think I'd use it myself, but an anal plug would be the easiest thing for me to hide.

Maybe it's strange but slowly I'm getting more and more used to the sight.

Although still the sight of a girl in such an outfit excites me.

Alright, the remote control will not be necessary for me for now.

1,2...3

Hmni~

It's in.

I'm back!

Hina-chan are you home!?

Oh no
this is exactly what
I was afraid of.

scared

Yes, I'll be
right there, I'm just
getting changed!

Maybe
I should try to pull it
out? There is no time
for that.

Are you at
your room?

I have a
surprise for you.

I was at Mayumi's today and she said she had a little gift for you.

She said you must be terribly stressed lately....

Why are you in just your underwear?

I was just changing, what do you think of this set?

stressed

It suits you.

You said something about some surprise

Yes, Mayumi said you've been terribly stressed at work lately.

Phew~ It's hot in here, I'd better turn on the air conditioner.

Oh great, just in time. This heat is killing me.

scared

Oh no.

Click

Click

Click

Click

What is going on? Did the battery run out?

Are you all right, you suddenly turned all red?

It's not the air conditioning remote, right?

embarrassed

Yes, Hm~ everything is fine.

No, it isn't. Hmm~

I will definitely have problems.

Never mind, I'll show you what you got from Mayumi.

Such things don't impress me.

I have to give Hina-chan the impression that it doesn't bother me when she does it like a girl.

What, aren't you mad at me?

Surprised

So Mom only gets angry when I do it like a guy.

Please.

They have a built-in mp3 player and lots of relaxing songs.

It should help you relax.

Yes, ideally you should turn it on while you sleep

Headphones?

Something like the sound of the sea?

Okay, thanks.

Late at night...

*the sound
of the sea*.

*the sound
of the sea*.

*the sound
of the sea*.

You like cute things.
You like cute boys.

You are a happy girl.
You like girly things.

Hiro's dream...

You like
girly things.

You are a
happy girl.

You like
cute things.

You like cute boys.

You want to be with a cute boy. You want to be his girlfriend.

You want to be happy with him. You want him to be happy with you.

You want him to make you happy, You want to make him happy.

You want to make him happy in every way possible.

You will do anything possible to make him feel good with you.

You want to be the perfect girlfriend.

Act cute, wear girly outfits.

Everything just to make him feel the best with you.

You want to have the perfect body for him. Big breasts, a perfect butt. A slim waist.

You want to give him everything, every form of pleasure.

A man with short, spiky purple hair is shown from the back, carrying a woman with short blue hair on his back. The woman has her eyes closed and a content expression. They are in a room with light-colored walls and a wooden door. The man is wearing dark pants, and the woman is wearing black leggings and white socks with black shoes. There are three speech bubbles around them containing text.

You want to
feel secure and safe
in his arms.

In return you want to
feel like a real girl.

You want him to make
you a real woman.

You want
him to show you what
real pleasure is.

At school...

This color really suits you.

Thanks

Yes yesterday, I'm really happy about it

Ey, is it true that you have already recorded your first music video?

jealous

Wow, but I envy you, you will definitely be famous soon.

And to think that when you came here you looked almost like a boy.

If you ever have a concert, get me a vip ticket.

You know, after all, we go to the same class.

Sorry but I don't have any plans for a concert at the moment.

Besides, it's not my decision who gets the tickets.

embarrassed

The artist also always gets a few tickets to distribute.

Maybe I will think about it then, for now I don't want to promise anything.

Isn't Hina-chan acting somehow strange today?

confused

Yes,

Is she finally getting used to it?

Do you mean more strange than on a daily basis?

confused

Definitely

In one day?

During lunch...

Mad

That is,
you and Hina-chan. No
way I don't agree!

I do not agree that you
should be alone with Hina-chan
and also at your home.

What, your dad
is going away for
a few days.

Yes,
and he allowed
me to organize a
pajama party of
course there can
only be girls.

You know very well that I can't, because of these preparations for the school festival!

If you want, come too, the more the merrier.

Really? I swear I did not know.

But you darling will come right? I want to try out some new exercises. hehe

Hmm~Sure, why not.

Great.

What, since when are you our boss?

Girls, you are also going to this pajama party.

Zero discussion!

To be continued...
