

# Eternal dream

## Chapter 26

By Ron512 and Kami1

In the evening  
in Hiro's room....

Aaa...

I'm slowly looking  
forward to the vacation.

I just hope  
Naomi doesn't discover  
that I'm a guy. That  
would be a disaster.

I thought this day  
would never end.

I still  
don't understand what  
Saki-chan got so mad  
about today.

I still don't understand why Mayumi-san gave me these headphones but I'll have to thank her when I meet her.

And it's either my imagination or it was easier to pretend I was a girl today.

They really helped me relax.

I'll definitely need this tomorrow.

The next day...

Wow, it looks almost like my home here.

As long as they are here, we won't be able to do anything with Zero Two.

Well... All in all, I've wanted to play a game for a long time.

Dad is very fond of European style.

He even had a designer brought in from Europe.

Moments later...

Make yourself  
at home.

There is  
a bigger TV here,  
besides, I have a little  
mess.

To make us  
comfortable.

Don't we  
go to your  
room?

Why do you  
need so many  
pillows.

I didn't  
want them to  
get hurt.

Now let's finally  
go to my room.

No worries,  
they will sleep for the  
next few hours and when  
they wake up they won't  
remember what  
happened.

So that's what the  
pillows were for.

And what  
about them?

In Zero Two's room...

Then how are we going to do it today? Because we're going to do it, right.

Cosplay?

Er... what's so exciting about that?

*\*confused\**

Of course. Well... I was thinking about a little cosplay.

Yes, I recently watched a series where a boy together with a girl piloted a big mecha.

you'll see. hehe

Now, get dressed up.

The brown one is mine,

Brown is mine, right?

After dressing up...

Why exactly should I be the one to be dressed as a girl?

**\*embarrassed\***

Yes, but on a girl, not when they themselves are dressed in them. What is this series anyway?

Because you are very good at it.

Besides, it is said that boys like sexy outfits.

“darling in the franxx” Cool title right.

And what is it about and why do I have this thing on my back?

Hngh!

About a boy and a girl who had to fight monsters instead of enjoying each other.

Controlling a big mecha together.

Ej~

**\*Shocked\***

Yes but how did you do it?

Is that what you were trying to do just now?

You may not be able to see it, but I can easily lift 80 kg.

Besides, you caught me wrong, you would never lift me like that.

Meanwhile...

What do you think, should we tell them later that this sleeping drug did not work on us?

You may be right, I wonder how they are doing there.

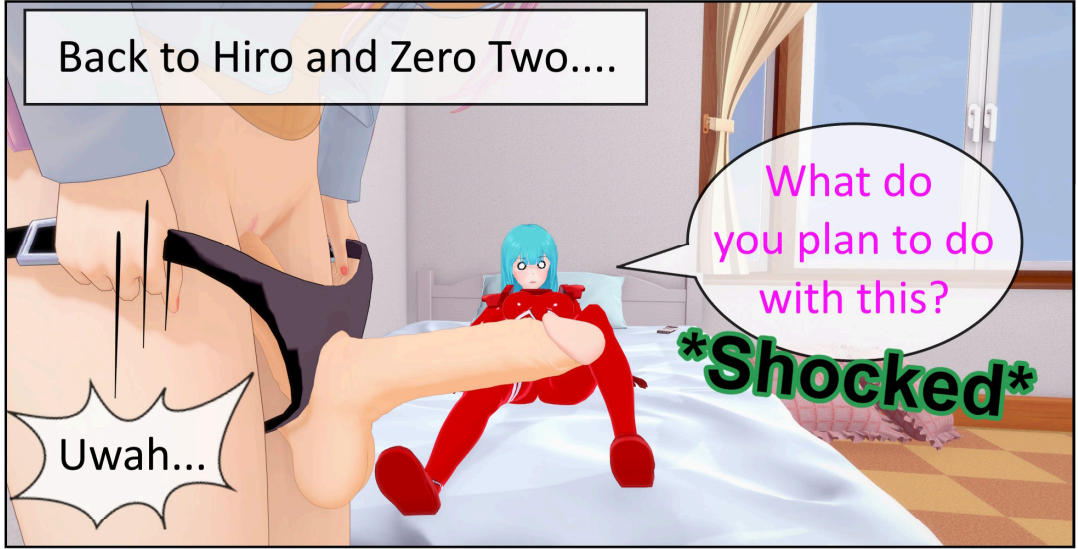

Hehe. I wonder what it would be like if Zero Two was a boy and Hina-chan was a girl.

Better not, because they will start to wonder why.

I'm betting that Zero Two is just on the offensive. hehe

Probably Hina-chan would already be pregnant with quintuplets

Back to Hiro and Zero Two....

What do you plan to do with this?

**\*Shocked\***

Uwah...

What does she plan to do with this?

I don't think she plans to stick it in me.

**\*scared\***

Yuri said it goes in easily.

Hngh!

Just don't say you want to do what I'm thinking about.

Exactly that.

After all, you said yourself that you could be a girl today.

That's not what I meant!

Come on, there are a few things I want to check out and this way we can both have pleasure in it.

But that's gay.

After all, you've already done similar things, besides, now you're a girl.

Well, okay, but you will do the same thing later.

Sure and now be a good girl and learn.

The password is Peach. If something was wrong.

Here everything is wrong.

I have a big rubber penis in my mouth!

"You want to make him happy in every way possible."

How am I supposed to say anything!

Strange, I don't feel so disgusted anymore.

"You will do anything possible to make him feel good with you."

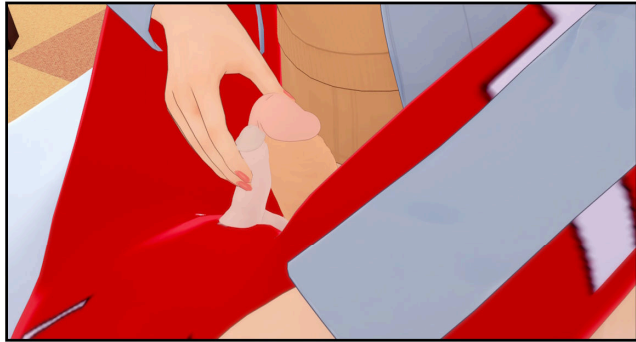

Wow, he really got into the role.

**\*Surprised\***

Even though it's rubber all the way to the other end I can feel his tongue.

In that case,  
I will use him.

Exactly,  
that, you are really  
good at guessing  
today.

You really  
want to, okay.

Please just  
don't say you're  
going to.

**\*Shocked\***

And I could say  
that I want him.

What, no.

Yeah, sure.  
You better watch what  
I'm doing because it's  
your turn soon.

Yes,.

But now.

Moan...

Er... I can explain  
it. I simply relaxed my  
buttocks.

Really?

Hmph!

Cool right. Not only does it have a built-in vibrator but even a liquid dispenser.

Now you have the full experience of what it's like to be a woman in a relationship.

Hoooo~

Peach~.

I feel something warm fill my whole insides.

The next day  
at school....

*\*Angry\**

What!!! You  
fell asleep!

You were supposed  
to make sure this dinosaur  
didn't do anything to my  
Hina-chan and not sleep.

Stuff your sorry,  
how is it even possible  
that you both fell asleep  
at the same time.

What?

What's so  
strange about that?  
After all, it was a  
pajama party.

Sorry?

Auntie always  
orders us to go to  
bed at 9pm, maybe  
that's why?

You could have been a little more gentle yesterday.

Because of you, my butt still hurts.

If it were possible then after yesterday I probably would have been.

I thought second time would be better. Although I don't know where I got that idea from.

Sorry, I got a little carried away.

Don't worry, it will pass. Besides, you have nothing to worry about you won't get pregnant. hehe

But on the other hand you were the one who wanted a second round.

Is it important?

What she did to my Hina-chan.

Let me go.

**\*Mad\***

Calm down, this way you will surely gain nothing.

At most you'll get kicked out of school for fighting. From which only Zero Two would gain.

Not to mention that it would doom your chances

A scene from an anime or manga showing three female characters in school uniforms standing in a hallway. The character on the left has black hair with purple highlights and is covering her mouth with her hand. The middle character has long black hair and blue eyes. The character on the right has black hair with purple highlights and is looking towards the others. They are all wearing dark blue jackets with pink trim and red bows. The background shows a hallway with windows and other people in the distance.

I guess you guys are right, I can't give this dinosaur another advantage over me.

Thanks for stopping me.

That's right, I completely forgot about her.

No problem, maybe instead of fighting with Zero Two you should look for happiness elsewhere.

I haven't seen that Ichigo has ever been with a boy and you have a lot in common.

Evening in the studio...

\*Sigh\* I'm slowly getting tired of these mobile games, they used to be better.

But look at it yourself either just ads or micropayments. I'd play myself some nice game.

Mom took away my laptop and she won't agree to a console.

You sound like my father.

Then maybe buy yourself some laptop or console. I'm sure you've collected enough.

What happened?

**\*embarrassed\***

Long story.

Yes, and at the worst time. That's why I had it then.

Anyway, I wouldn't have time for it anyway, I've had so much on my mind lately, working as a waitress, school and all that pretending to be an idol.

She caught you.

Hehe

That's a lot, maybe you should give up something. Maybe from being an idol for example, I'll arrange it somehow with Naomi.

**\*concerned\***

A scene from a manga or anime. Two girls are sitting on a grey sofa against a sunset background. The girl on the left has short blue hair and is wearing a light blue school uniform with a black tie. She has a determined expression. The girl on the right has long pink hair with small red devil horns on her head and is wearing a black and white striped shirt under a grey jacket and a black skirt. She has a more relaxed, slightly smug expression. There are several speech bubbles and text elements around them.

There is no need soon it will be vacation then I won't have to go to school.

Besides, if I give up now this monkey will think it's because of her.

There is no way I will lose to her.

*\*Determined\**

I know.

Are you afraid that you will lose to her?

Then you must do your best, because as far as I know, she is also taking part in this competition. And supposedly she has a good chance of winning.

In Moments Later...

Okay Hina-chan,  
this time your singing  
will be judged by real idols  
so do your best.

And remember,  
they will be the  
ones to decide if you  
qualify or not.

Oh no, just  
not that.

**\*Shocked\***

What is she  
doing here?

This girl seems  
strangely familiar to  
me.

Finally, the last  
one. If it wasn't Hina-chan  
I would have left long ago.

Did something  
happen, Ai-san?

No wonder,  
Hina-chan is  
becoming quite  
popular lately.

Although  
actually, you are similar  
in a way, is it some family  
to you?

Her name is Hina Suzuki and she is the daughter of the headmistress of the girls' school I go to.

**\*scared\***

Oh yeah, I know Sora she's my cousin.

Wow, it's been forever since I last saw her. I had no idea she had kids.

**\*happy\***

So she managed to pull herself together after what happened then. All the luck.

Because I am, but I have cousins.

I guess I will have to visit her in the near future.

Rubi will surely be happy to hear that she has a cousin her in age.

Gosh, I always thought you were an only child.

Itai da toka  
They say I'm  
kawatteru toka  
cringey and odd

todokimasen  
But I'm not listening  
ne sono ripurai  
to those comments

daisuki na oyofuku  
With my favorite clothes  
daisuki na okeshou de  
and favorite makeup on

Even if I have to  
become more feminine in  
order to do so.

It's worth it.

And how girls, is she good for it?

I see that Hina-chan, unlike Mutsumi-chan, has taken the whole thing seriously.

She may not have as much innate talent as she does, but she makes up for it with hard work.

She will be judged by her aunt and two friends, surely a fair assessment.

Although she is actually not bad.

Of course she is suitable.

Are you still asking?  
Of course she is.

I think I was outbid anyway, so I'll just agree.

*\*happy\**

She is certainly better than the previous one, at least she knows the text.

Yes,  
I know.

Ai-san is  
my aunt.

I didn't want  
to brag besides  
we're a pretty  
distant family.

But she is my  
dad's cousin.

What is she talking  
about? Because I don't think  
I know something.

**\*Surprised\***

Seriously? You  
never talked about it.

Dumbass, not your  
dad but your mom.

The next day...

When the teachers find out that we ran away from the lesson you will see.

But after all, we have already seen her.

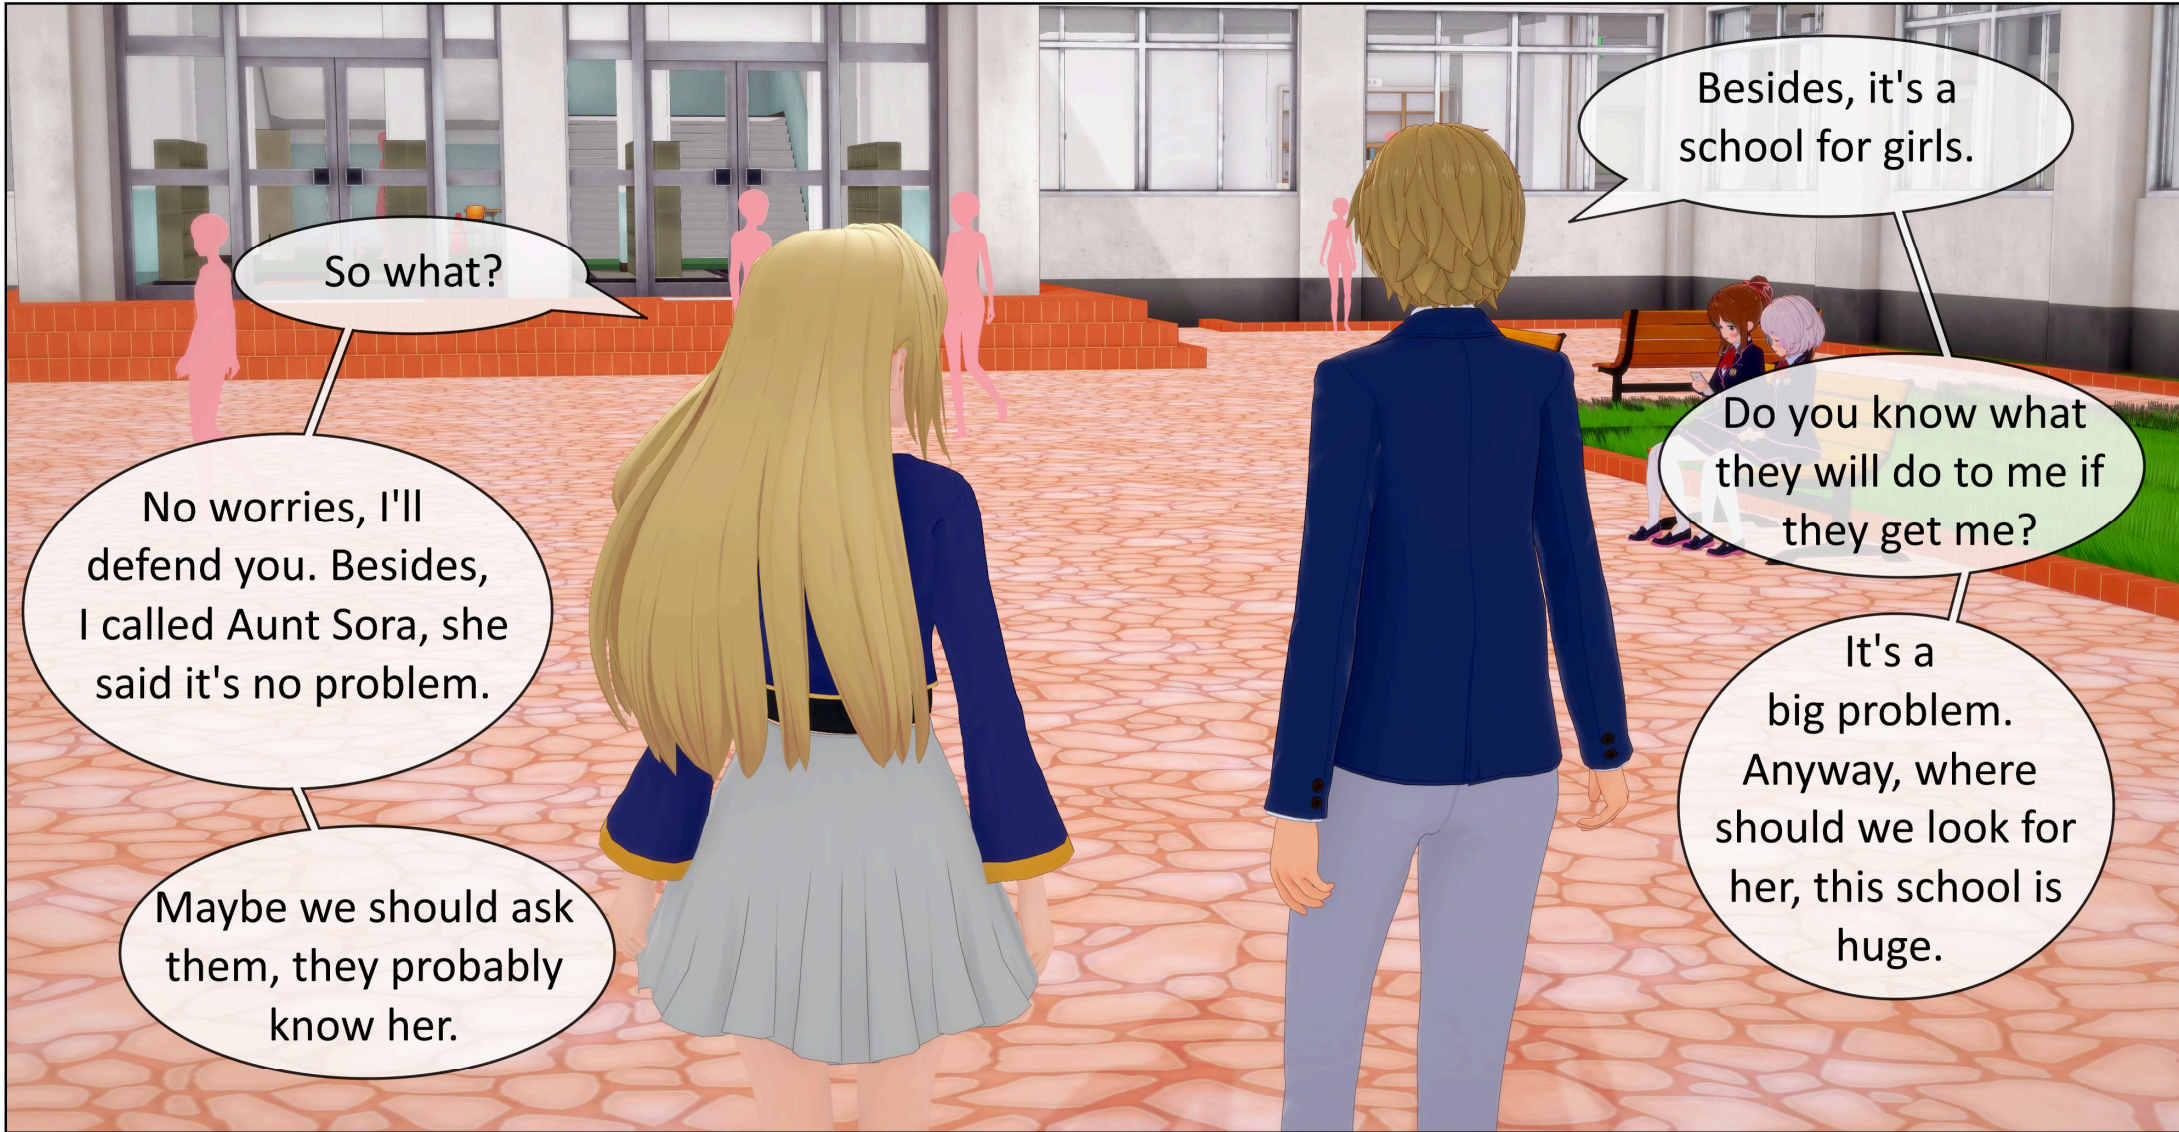

Hurry up.

**\*Excited\***

Don't say you're not curious about what she looks like yourself.

But not in person.

So what?

No worries, I'll defend you. Besides, I called Aunt Sora, she said it's no problem.

Maybe we should ask them, they probably know her.

Besides, it's a school for girls.

Do you know what they will do to me if they get me?

It's a big problem. Anyway, where should we look for her, this school is huge.

Are you her boyfriend?

Hi girls  
Do you know Hina Suzuki perhaps?

Hehe.  
No I'm not,  
I'm her cousin.

*\*jealous\**

Why did I have to reincarnate as his sister?

*\*Angry\**

Can't we be step-siblings?

But then Ai wouldn't be my mom.  
Stupid incest.

Back to Hina-chan  
I think she has her club  
class now in their club room  
on the first floor.

What, after all, she  
has a Chemistry class right  
away, I know because we are  
in the same group.

Maybe we  
should let it go?  
We'll visit her  
soon anyway.

In that case,  
let's split up.

No way.  
It's like giving up  
before the finish  
line.

I have to tell everything for Sora-san.

What is even a boy doing here?

Where is she? I hope she's not lost.

And where is that?

Okay.

Maybe we should look for her.

We would meet under the principal's office.

The middle door on the third floor.

After finding Rubi...

Do you mean Hiro?  
Yes, what's the problem?

Yes, but I doubt it's true. It's probably just rumors.

Say is it true that this pervert lives with you?

What do you mean, you didn't hear what he did? In fact, you must have heard if you know who it's about.

Maybe, but I would take some security precautions if I were you. And better not mention that you are family.

Why did she call her Darling?

Ruby Hoshino, nice to meet you.

*\*Confused\**

Is Hiro pretending to be a girl.

No it's too stupid to be real besides she wouldn't call her that in public, it's probably just some joke.

Darling, what is this girl?

*\*jealous\**

She?

Rubi is my...

Saki-chan, since you're already here I have a request for you.

Hmm... Saki-chan will be perfect for this.

But you can't tell anyone about it, especially for Hina-chan

Yes, but if you do it you will definitely get closer to Hiro.

What is it?

Will it be something difficult?

***\*Determined\****  
I will do whatever you say.

On the way home...

\*Sigh\* It was close. I was sure they were about to discover that I was a guy.

For the first time I am happy that my penis has recently shrunk.

The worst part, however, is that even Rubi thinks I'm a pervert. Even though I tried to defend myself.

No worries. Your disguise is perfect.

Even if they stripped you down to your underwear they wouldn't notice anything.

I wouldn't do that if I were you.

But it really wasn't my fault, you still don't believe me?

But it wasn't like that at all, I swear.

No, but then what am I supposed to do?

What?

It's hard to believe in the innocence of someone caught in the act.

If you don't stop constantly defending him, you'll get into trouble yourself. And that's probably not what you want.

Condemn what he did.

But after all, Hiro is me. Should I criticize myself?

I don't get it.

*\*confused\**

You can't keep acting like you're defending yourself.

Criticize Hiro for what he did. Don't hide your disgust with what he did.

No, you are Hina Suzuki, my daughter while Hiro is your perverted cousin.

Try to act as if you yourself are disgusted by it. Otherwise everyone might start suspecting something.

After returning home...

Unbelievable, mom is pregnant.

I didn't even know she had someone. Although she actually sometimes goes away for a while.

Does this mean that I will now be a onee-san?

*\*Shocked\**

What am I talking about?

He will not be my brother but my cousin.

I say this so often that I am slowly starting to think myself that Sora really is my mom.

Onee-san, hehe.

All in all, I've always wanted a brother although I didn't exactly plan to be his sister.

Just kidding. I'll be a guy by then.

I hope when he's older he won't steal my underwear. hehe

\*phone rings\*

Great.

Gosh, you really sound like a girl. Dad said you sound like a girl but I didn't expect it to be that bad.

That's good, because I was already worried, and the doctor told me to limit the stress.

Sora didn't tell you? You're going to have a little brother.

It's not that bad, besides the doctor says that a little more and it will pass.

What?

*\*confused\**

So you are the one who is pregnant?

A character with short, spiky blue hair and a school uniform consisting of a dark blue jacket with pink trim, a white shirt, and a dark blue skirt. She is holding a pink smartphone to her ear with her right hand and has her left hand raised to her head. The background shows a room with wooden walls, a clock, and a doorway.

And who did you expect?  
That Sora would be pregnant?

I told you that  
you will have a brother,  
didn't you listen?

It's a bit of a shame  
because we always  
wanted a daughter.

Er... And is it going  
to be a boy or a girl?

I was sure it was Aunt  
Sora who was pregnant.

Cool joke.  
hehe

It's not a joke. But then you were born and now your brother.

Anyway, for the next 6 months we won't go back to Japan until your brother is born.

Sora, of course, knows everything, and strangely enough she agreed to let you stay with her longer than planned.

I guess despite what happened you made a good impression on her.

I feel like telling her everything but I probably shouldn't.

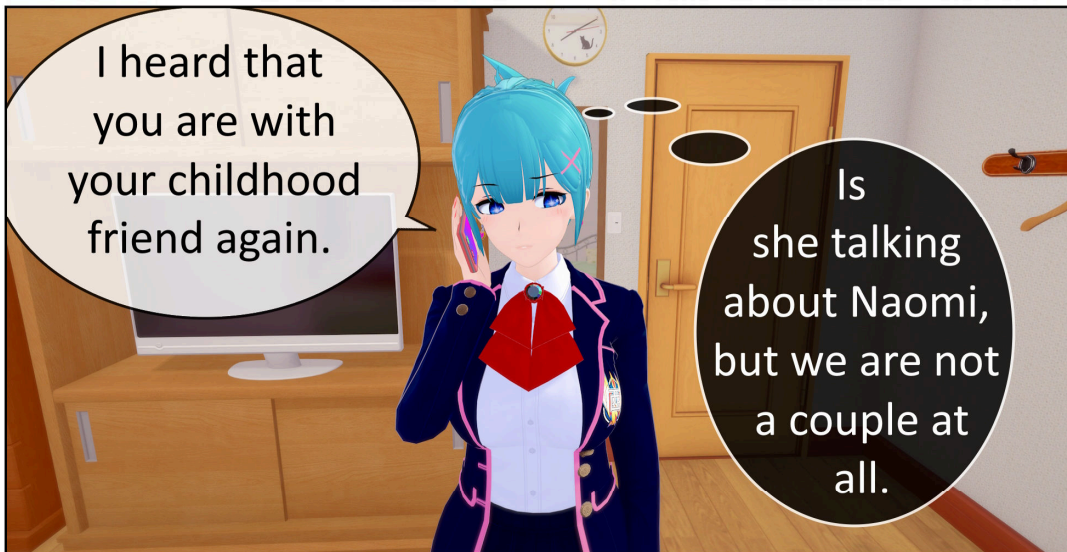

*\*Angry\**

Maybe I should tell them?

Oh, and congratulations.

What, on what occasion?

I heard that you are with your childhood friend again.

Is she talking about Naomi, but we are not a couple at all.

I always told you that Zero is a girl, but you never believed me. Now you see for yourself.

Only if you're going to do it, remember to take protection. And call as often as possible.

**\*Shocked\***

A week later...

I don't think  
you're serious.

*\*Angry\**

There is no way  
I would sing with her.

*\*Angry\**

Here we  
go again

Sorry girls, but  
that's how you  
drew.

You have until Friday  
to learn to cooperate if  
you want to win.

To be continued...
