Chapter 27

A moment later...

We can practice at my school, do you mind?

Sure. I'll also give you my phone number if you need to ask something.

No, just give me the address.

Alright, then I'll give you mine too.

Oh, almost forgot, I have a little request for you Hina.

In Hiro's room...

No problem,
I'll give them to you
right away.

I hope Zero
Two won't be mad that
I brought Naomi here.

Theoretically,
I am now alone with a
girl. Although Naomi doesn't
know that I'm a guy.

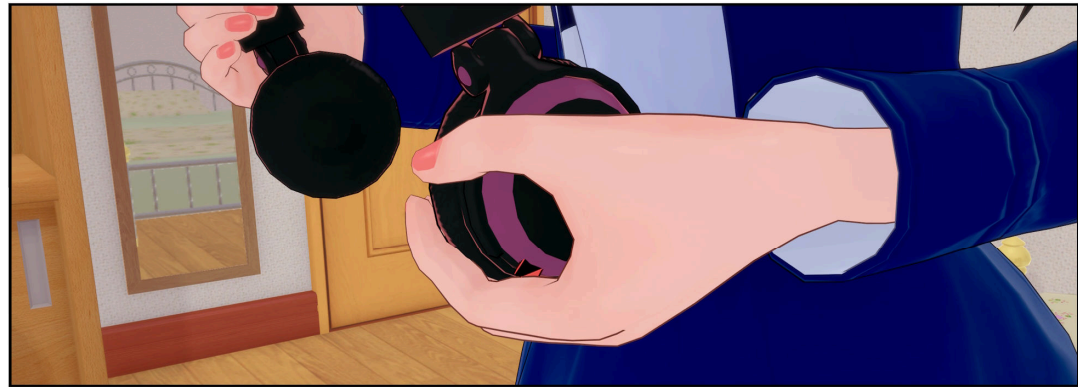

Thanks again in
advance for the notes.

Aunt Mayumi
wants to make Hiro a girl
as a punishment.

Well... I don't
mind that.

While bathing...

Why her?
I hate her.

I will have to be
really careful that she does
not notice anything.

Although,
unfortunately, this is not the
end of my bad luck.

I still can't believe
that I will now have to
practice together with
Mutsumi.

On top of that, Aunt Ai said she would visit us

And at the moment I don't even recall him. Besides, she would probably expect me to be home that day too.

I have no idea how to solve this problem.

Well, it wouldn't be a problem, just that she wants to see Hiro.

Maybe I should tell her the truth? That's probably not the best idea.

For now, I think I'll focus on making sure Mutsumi doesn't notice anything.

Uwah...

Hmph!

But it's almost impossible not to get excited when you see her.

Her breasts are probably even bigger than me which with her height makes them even bigger.

Plus the way she acts.

It's like she's been taught how to be the perfect girl.

Meanwhile...

Sneeze

Sorry.

As if
you would be
so nice.

Bless you.

It's okay,
do you need a
tissue?

Sure, I'll bring
it right away.

Back to Hiro...

Please don't
grow any more.

I'm not
jealous of Mutsumi
at all, I was just
kidding.

I still can't believe
that I came to while
thinking about her.

Never mind.
I won't tell anyone
about it.

The main thing
is not to get excited
in front of her.

If she
notices that I have a
penis, it's over.

Some time later...

sea noise.

Listen to the
sound of my voice.

Just the sound
of my voice

sea noise.

sea noise.

Nothing else
matters.

Relax.

Don't worry about anything .

Just focus on the sound of my voice.

With me you can feel safe.

I am the person you love the most .

It doesn't matter if it's a boy or a girl.

I am who you would like me to be.

On the other hand,
you are a lovely girl.

Yes, you
are a girl.

It doesn't matter
who you were.
Leave it behind.

You are what
you want to be.

Who you always
should have been.

You want to be a girl.

But still...

Want to be with the person you love.

It doesn't matter if it's a boy or a girl.

It's not a problem.

In the morning...

What was that?

Shocked

I guess I should stop sleeping with these headphones on so often though.

I have very strange dreams afterwards.

At school...

What have you done.

Mad

Is this some kind of joke?

Saki, calm down.

I don't give a damn. You better fix it.

But... it's... not ...my... fault... aaaa

It was... a draw.

I... can't.

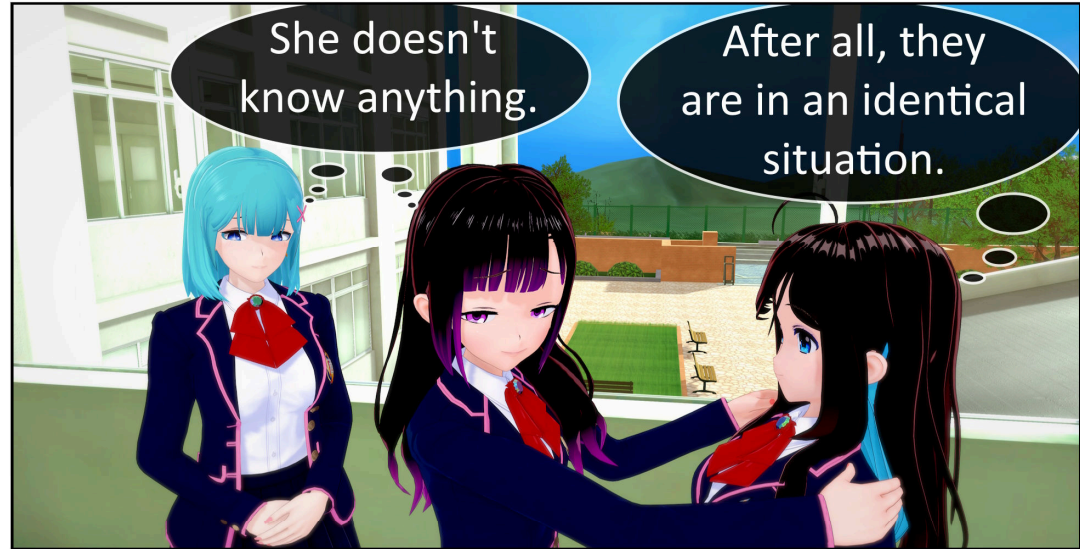

Eee...

But anyway, what's the problem?

After all, they are both girls.

Maybe if they spend some time together they will finally reconcile.

She doesn't know anything.

After all, they are in an identical situation.

Unknowingly Naomi has made quite a fuss.

What the girls don't know is that Naomi knows everything.

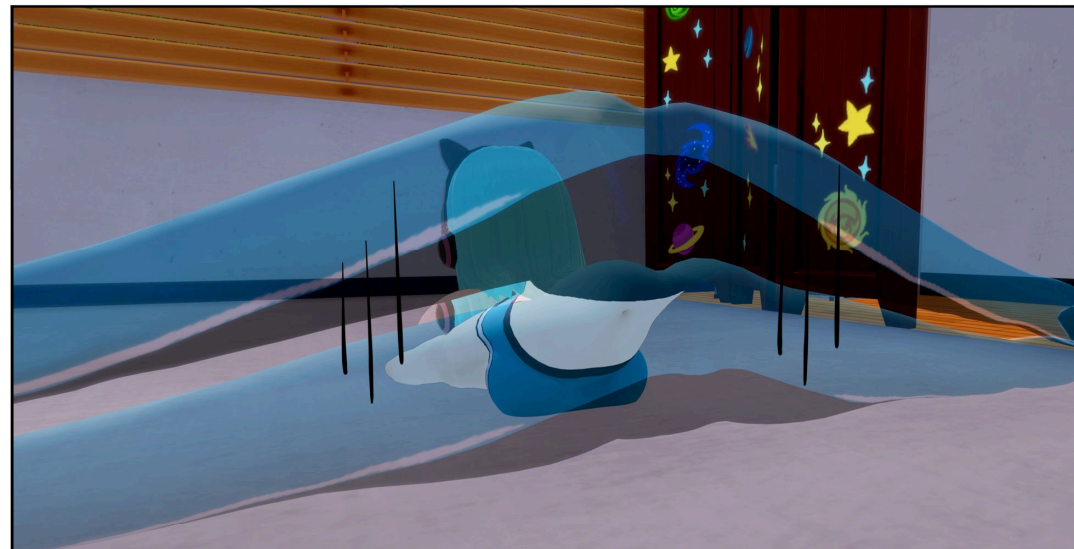

During the last lesson...

I think these stretching exercises are slowly having an effect.

But even though what Zero Two says, I doubt I'll be able to do full twine.

It's still too early for that.

Although I have to admit I'm impressed.

An hour later...

You're almost there,
just a piece more.

How are
these exercises
supposed to help
me sing?

We were
supposed to practice
singing, not yoga.

Yes,
but first
we need to
warm up.

All right, that's enough.

Can I ask you one question?

Why are you participating in this contest anyway?

Finally~.

If you must.

What do you mean why? Because of the money. There is quite a valuable contract to win .

I have the same.

This is the most manly reason to do it that I can think of.

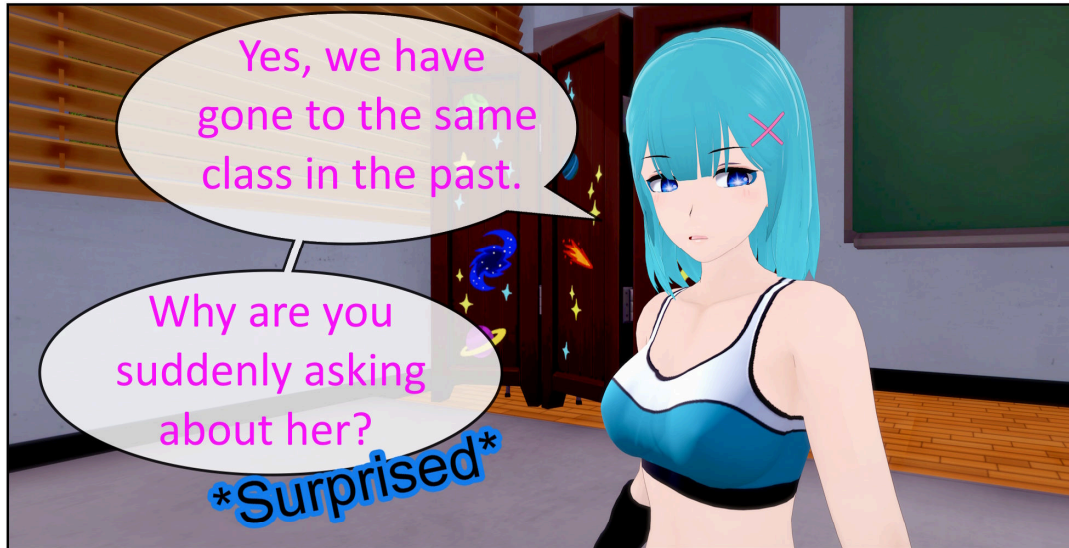

Mad

Why didn't I approach it that way?

And what is your reason for participating?

Maybe then we are not so different.

And while we're on the subject of questions, is it true that you know Naomi?

She also always skips her subject, as if she deliberately avoids it.

Well... When I met her, I didn't even know she was a girl. hehe

Oh, and in the past what was she like?

She was a terrible tomboy.

Are we talking about the same person?

Yes, she used to behave much differently than today. She used to get into fights with boys, avoided wearing girly outfits.

In general, she did not resemble a girl at all.

Do you have a problem with that?

Determined

So what about it? Two girls can't be happy together?

If you don't know something then don't speak up.

No, it's just... You're both girls~.

They can only.

confused

Er... Sure.

What, no, where
did you get that
from!

You are
the one who keeps
undressing!

Mad

And to think
that you have five
more sisters.

Wait, are you an
exhibitionist?

No, I just want
to wash myself.

In the bathroom...

Not good, if I don't think of something quickly I'll have serious problems.

stressed

I'll have to be very careful so that she doesn't notice anything.

I am not an exhibitionist at all.

Yes, I often walk around naked, but only in my room.

embarrassed

Well, and in the locker room when I change.

Sometimes I also happen to leave the bathroom naked, but then I have a towel.

And... I think I really have a problem with it.

We just came, let me at least put the bag down.

Go finally to that shower so I can undress in peace!

Or maybe I'll say that I have to go somewhere? No that's too suspicious.

Not everyone takes off their panties on the run. Take care of your business better.

And you, what are you waiting for?

It makes me a little uncomfortable that a girl is looking at me when I'm naked.

But thanks to Naomi, she won't notice that I have a penis anyway.

stressed

Whatever you think.

Eee... You know this is quite a personal topic.

embarrassed

Yes but...

What's so personal about it, every woman has a period.

I have no idea what to answer her.

I don't know if it's normal in women or not.

So?

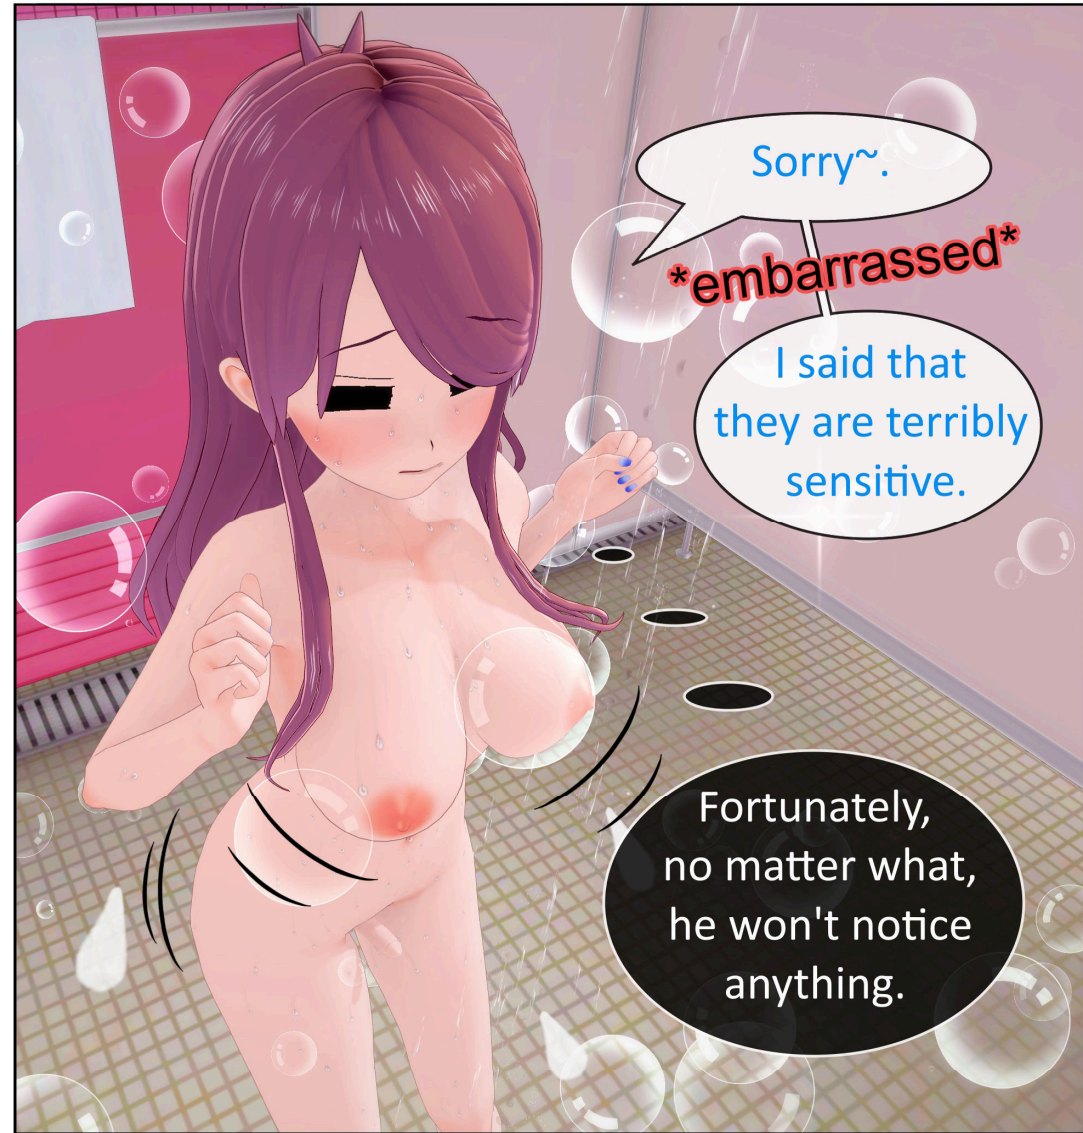

That is, the same as in me.

Gosh, how big they are already.

Yes, especially at the beginning, they are terribly sensitive.

Finally.

Yes. tomorrow we will already practice the performance.

Alright, I don't know about you but I'm done.

Tomorrow at the same time?

She will finish me off. But I can't let her discover that I'm a guy.

Anyone can find out but not her.

After returning home...

Finally home.

And to think that four more days, I have no idea how I can stand it.

Hm?

What are those shoes?

I think we have guests.

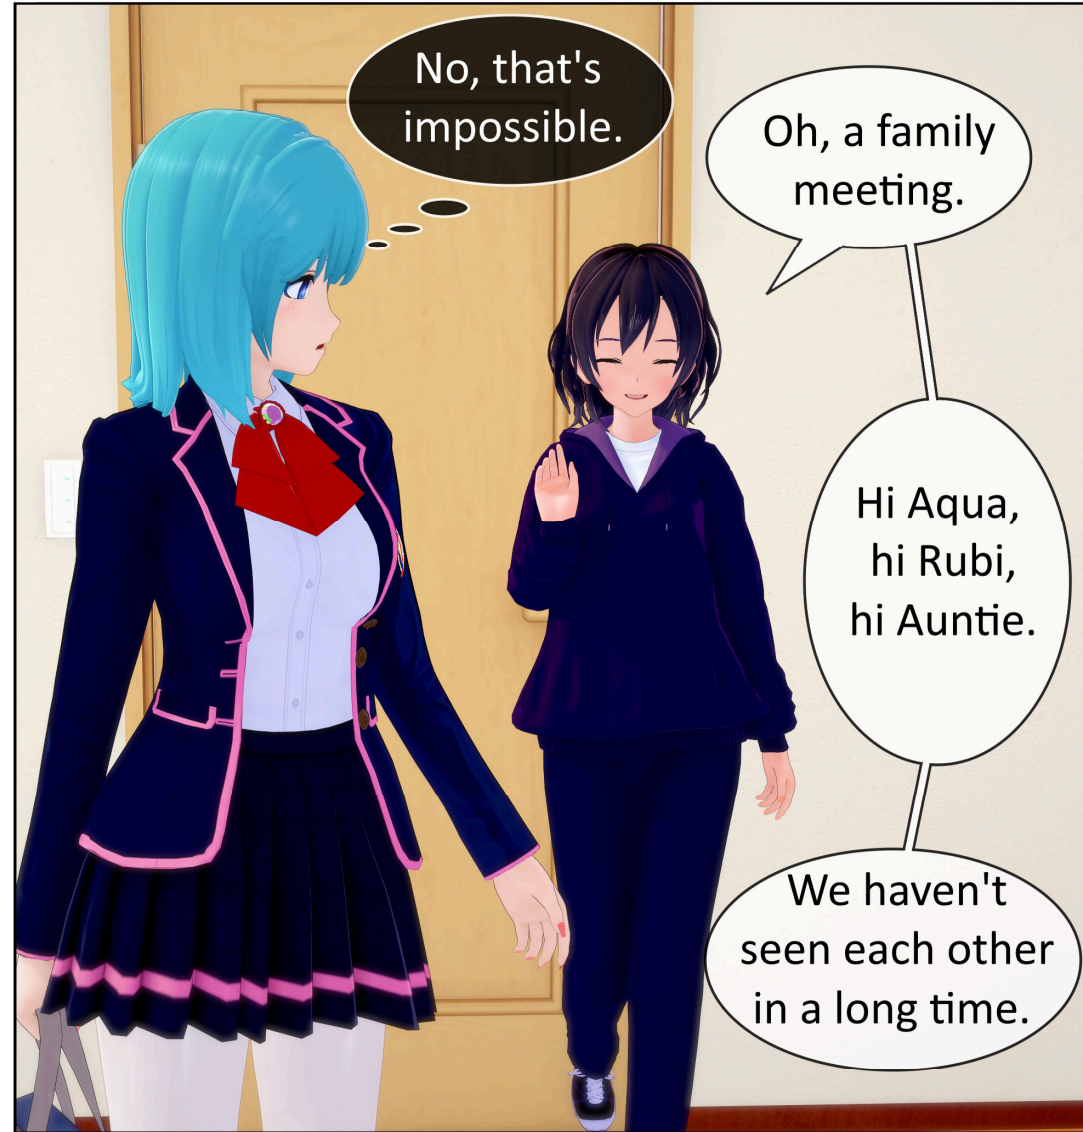

Oh, you're finally here. We were about to go home.

I told you we should wait a little longer.

Sorry, I was at training.

That's okay, and by the way, where is Hiro-kun?

Let me guess, they set you up?

What is impossible.

After all, I'm Hiro, right?

confused

Sigh I felt it couldn't be true.

Yes, and like the last fool I did what they told me to do.

But unfortunately it is.

After Ai went....

Mad

Don't play dumb,
I know very well that you
are not the real Hiro.

Who are you really
and what do you want,
why did mom act like you
really were him?

It's impossible for
you to be him.

Wow,
so this is what
your room looks
like, I'm really glad
you finally let me
come in here.

I am Hiro, your cousin
who came here more than
two months ago, don't
you remember?

Saki!

Shocked

It was you all along. But why?

That's why she acted like everything was normal, then.

What, you thought you were the only one playing crossdressing?

Sora-san asked me to do it

Exactly ,
and now get
dressed.

We are going
to the city.

Yes, get dressed,
in five minutes
we are leaving.

For what?

confused

Now?

On the train...

So you want to go to a public place so that everyone can see that we are two different people.

It makes sense.

Then I wouldn't have to be so afraid anymore that someone would start suspecting something.

But what about people from my... from your , previous school?

Exactly, we'll also take some pictures together, then no one will think I'm dressing up as a girl anymore.

They are far away, besides they haven't seen me for over a month after all.

混雑時は、混雑時に携帯電話の電源をお切りください。
Crowded, please turn off your mobile phone in this vicinity.

Moments later...

So where are we going...

I don't know, maybe to this new gaming club.

happy

Finally, and this time absolutely, no one will get in our way.

Be careful where you run.

Sorry.

Maybe you can join us then.

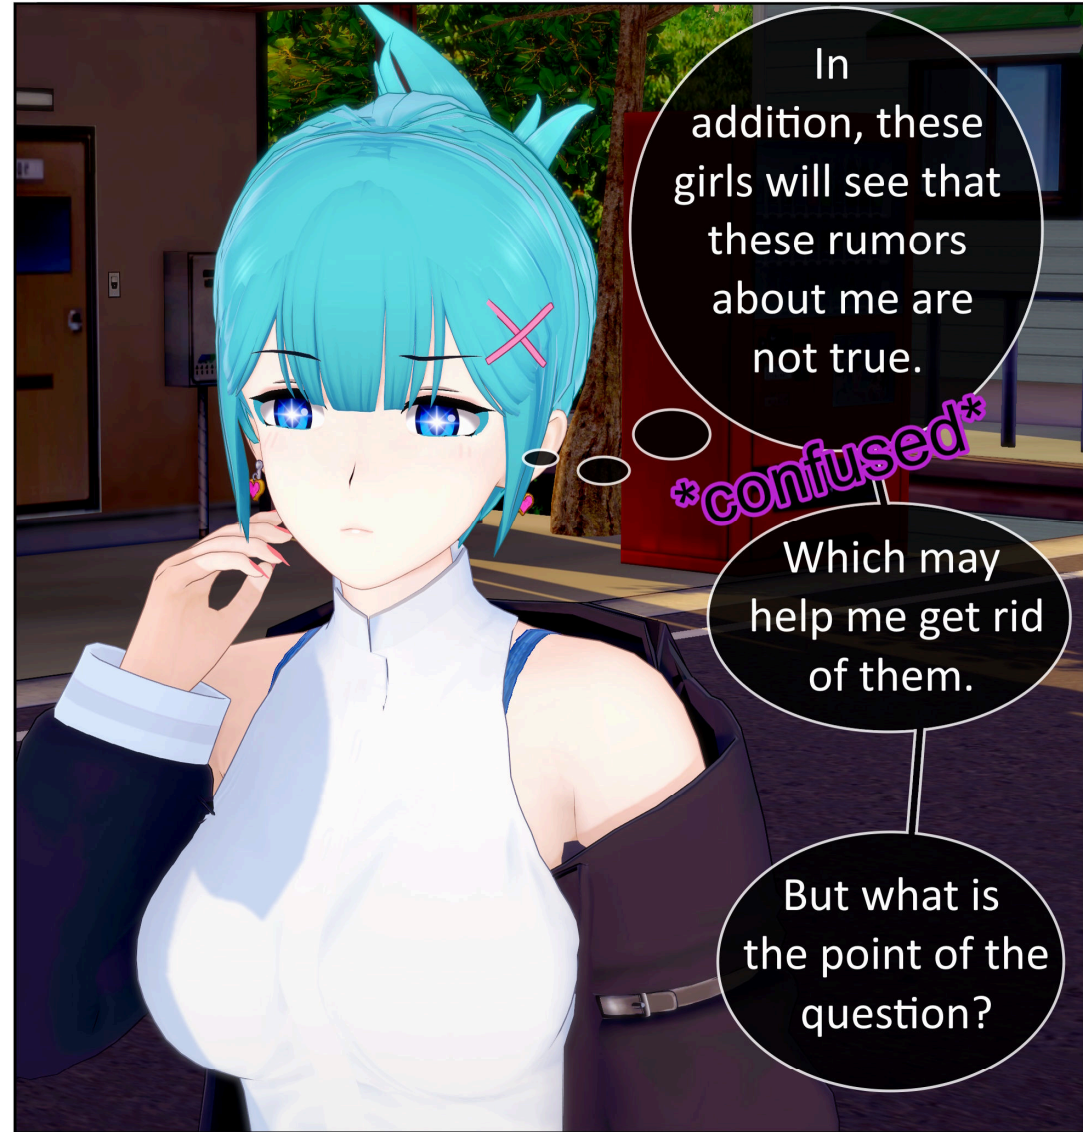

It's really no problem at all.

Just to be sure, he is an adult, right?

We don't want to impose ourselves.

Hmm... Saki herself says to show up together, this will be the best opportunity to do so.

Yes, and what?

In the game salon...

By the way, who is this boy to you, is he your younger brother?

No, he's my cousin, and he's not younger than me at all.

Seriously! Then why are you watching him so closely? You're afraid he'll get lost.

He was even born on the same day as me.

No, I'm watching to make sure the little pervert doesn't do something again.

Hiro.

Yes, I'm ashamed to admit now that we're family and my mom still told me to keep an eye on him.

What exactly is your cousin's name?

So he's the one all the rumors are about.

Do you really believe he could do something like that?

They caught him
in the act, why wouldn't
I believe it.

He said he was framed,
but please, they caught him on
the first day in an empty locker
with a stolen phone.

Yes, his parents
went to Europe,
that's why he
moved here.

And he admitted
that he did it?

The first
day?

In
that case, when was he
supposed to steal this phone?
If I were you, I wouldn't
believe the rumors.

After all, it doesn't make sense. What. He walked into the school stole a random phone and hid in the women's locker room?

You should believe more of what your cousin says.

For what? For being framed by someone?

Tell me, does he look like a pervert to you?

That's what I heard. And I honestly believe it.

Then shouldn't he be punished for it?

Ey, now it's my turn!

jealous

jealous

How much more are you going to keep him just to yourself.

Others want it too.

Another round?

Or maybe you want me to be in front this time.

No worries nothing will happen if you touch me in the wrong place, I am understanding. hehe

Why wasn't I born a guy?

happy

This is paradise and hell all at once.

I can feel her breasts touching my back.

Some time later...

What, he really has a cousin!

Hiro is not pretending to be a girl at all.

Hina-chan and Zero two just wanted to get rid of me.

Mad

To be continued...
