

Eternal dream

Chapter 28

By Ron512 and Kami1

The next day...

Come on, buckle up finally!

What is it? After all, I just bought this set.

My breasts must have grown again.

I already have bigger breasts than Zero Two.

Stop finally growing, please.

At school...

Saki,
please, just this one
more time.

But you
already did
it once.

Please,
just this one
more time.

No way.

It was
something completely
different and this goes
way too far.

No.

Whatever I want?

Oh no, just not that, then mom and dad will definitely find out everything.

Saki-chan, Please, you must help me, I will do whatever you want.

Yes, whatever you say.

At the school pool....

embarrassed

I understand that I said everything, but wasn't there some less revealing bikini?

I guess this one is not very intended for men.

I feel like my penis is about to fall out of my panties.

I admit this round you won. But it's not over yet.

Angry

Sure.

Silly no bikini is not intended for men.

happy

Although, all in all, any bikini is for men.

Just watch out for my phone.

And take as many photos as possible.

You scratched me.

No problem, You have very long nails.

I would like to feel them in action one day?

In your dreams!

Sorry.

They are part of my disguise.

What?

Kya!

embarrassed

Saki!

Squeeze

Don't forget
that I'm a guy.

I'm sorry but
I couldn't hold back
any longer.

Your body
just became too sexy
for me.

In which place,
because certainly
not here.

Nor down
here. hehe

Squeeze

Okay, hehe.

I have to get going now anyway.

I didn't mind pretending to be a boy from the beginning.

But I couldn't just say yes.

Finally, I can't stand it any longer.

In the locker room...

confused

What's with the nails, anyway.

I was going to ask Saki, but I didn't make time.

You really don't know. Hina-chan~

When a boy does it with a girl. and she has long nails she can scratch his back.

That's why you better be careful.

I knew you would understand, Darling.

Of course, we can always use a condom too.

How big, it's really the same as last time?

Yes, I definitely prefer to do it with a condom.

After a moment...

And done.

Now we
don't have to worry
about anything
anymore.

Shocked

That's not
quite what I was
hoping for.

You like cute things.
You like cute boys.

You will do anything
possible to make him
feel good about you.

Excited

It doesn't matter
if it's a boy or a girl.

You are a
happy girl.

What's going on
I should feel disgusted.

You want to be with
the person you love.

But instead I feel
a slight ecstasy.

I have to tell you something.

But it's really important.

But...

All right, we'll wait for them to go.

Not now.

If we get caught now, even your mother won't save you. Not to mention what my father will do to me.

Shh, I think they're coming.

All the luck that it was open.

Ignore it. so where did you leave your phone?

Then take him and let's get out of here.

Oh, someone left the locker open.

I think it was on the sink.

Oh, here it is.

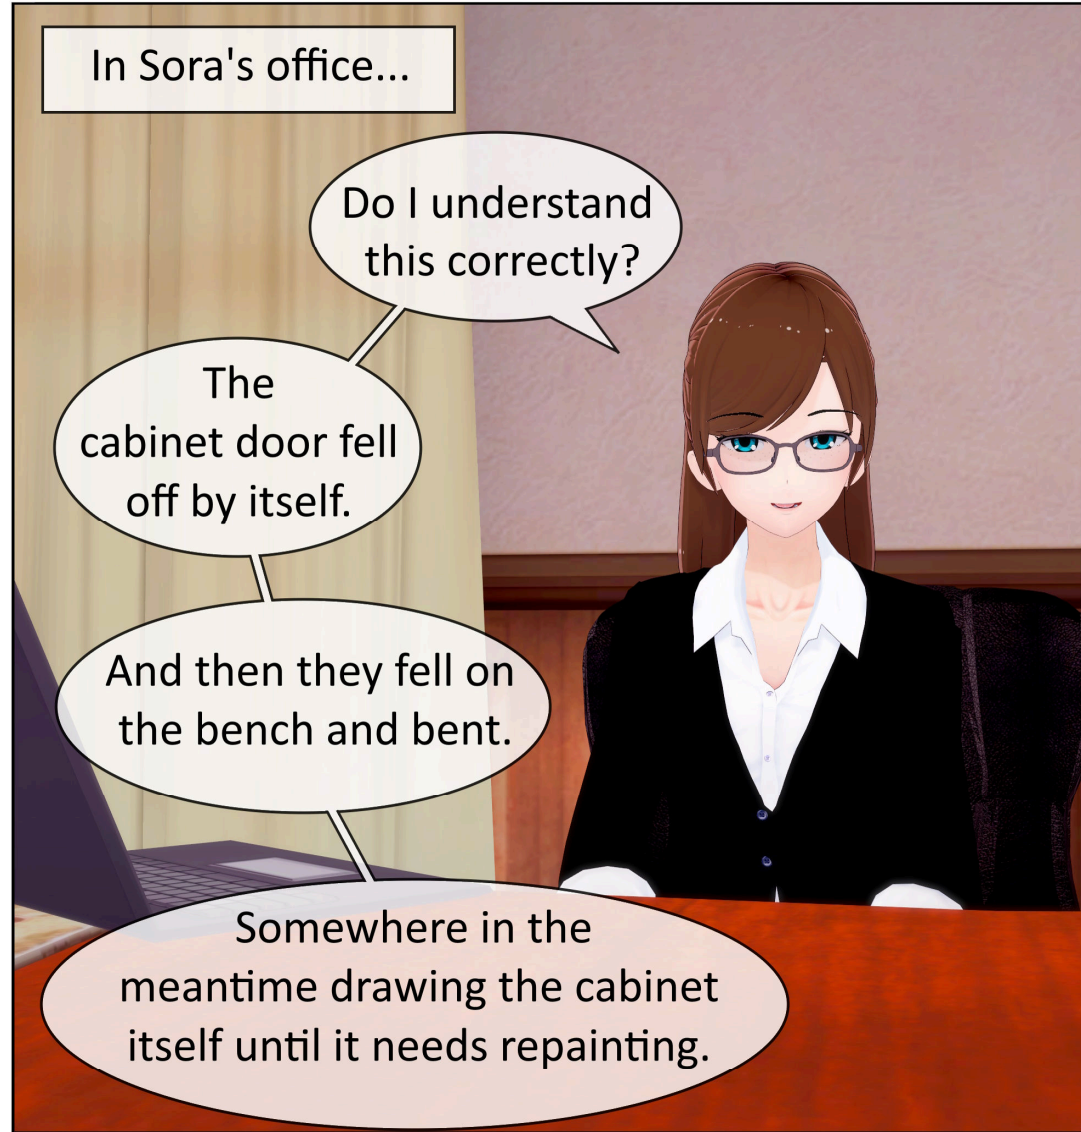

Well, since we're stuck here anyway, why not finish what we started.

Hngh!

Nh!

Moan...

In Sora's office...

Do I understand this correctly?

The cabinet door fell off by itself.

And then they fell on the bench and bent.

Somewhere in the meantime drawing the cabinet itself until it needs repainting.

Yes,
amazing
right?

It was literally
a moment.

Fortunately,
nothing happened
to you.

But for the
future you must
be more careful.

She
didn't
buy it.

Are you sure you're all right?

concerned

Yes, I just strained something.

My ass~.

I did the same.

My back.
In porn it looks better.

Some time later...

Gosh, this time Zero Two was literally like a wild animal.

I still feel like she was inside.

The worst part, however, is that I liked it.

What is wrong with me?

There's no way I can sit down for the foreseeable future.

Am I really gay?

I'll just change here.

Mutsumi-chan won't come until half an hour anyway, I'll make it in time.

Meanwhile...

Aaaaaa~

That was a
great day.

happy

Get over it you
little viper.

Darling is mine alone
and I won't give it to
anyone.

I brought
the towels.

Now I know why my back was burning so much.

Yes, it was successful.hehe

Please hurry up and get out of the water then I will bandage it right away.

Sure, thanks. Just don't say anything about it father.

Maybe there won't be a scar then.

As always.

Meanwhile at the girls ...

Sorry.

Now I definitely
won't sit down
again.

This will teach
you not to kick other
guys in the balls.

Angry

Thanks Itsuki for the
better condition.

Of all the wishes, I like
this one the best.

That's good, but did you have to aim exactly at the butt?

Sure, you don't have to tell me again.

Now we are even.

I didn't want to hurt you. This is supposed to be a punishment.

And as we talked. I don't tell your secret and you don't tell mine.

I prefer to be sure.

At the shopping center...

I hoped I wouldn't have to come here anytime soon.

But I have no choice.

I need a new bra.

Although, do I really need it so badly?

Yes, I think I'd better go from here.

And where is your little cousin? He is not with you today, what a shame.

Don't even think about it today it's my turn.

Hi hina-chan. A little shopping?

What no, I'm already done.

Er... Yes, I just found that overall I don't feel like shopping.

stressed

Yes, exactly. And I don't feel like going shopping alone.

What, after all, you just came. We saw you going to the store.

You made an appointment with someone, but he didn't come, right?

Oh you poor thing. But it's no problem.

Some time earlier...

Here I am, sorry for the delay.

I didn't notice what time it was.

I'm really sorry.

Actually, I was deliberately late to act more like Hiro.

happy

It's okay, I was a little late too.

This date is my chance, I have to be determined today.

And where
is Zero Two?

Yes, I just want
to make sure.

I think it's up
to the boy to plan
the date.

Phew~ that
was lucky.

I don't
know, probably at home.
After all, you wanted us
to be alone.

So? What's
the plan?

Er... Yes. Then
why don't we go to an
amusement park?

Sounds great.

Kiss

Shocked

One thing Zero Two has taught me is that I need to be more determined.

What such a surprise. Let's go.

After a while...

Why exactly a roller coaster.

scared

I want to go down.

I want to go down.

I swear, I will never cheat on a test again. I just want down.

Because they are great!

Don't they?

Yuuuuu~

I have to think of something.

Hiro has no fear of heights unlike me.

I didn't want to come off as a wimp.

Finally, earth.

Sorry, you never said you had a fear of heights.

But that doesn't mean you're a wimp at all.

How about going to the cinema now?

Hiro is acting a little strange.

He seems to be acting like himself, but something is off.

Sure, and I'm sorry I spoiled your ride.

You didn't spoil anything.

Or maybe it's because of staying with his aunt?

Please just don't discover that it's a wig.

We'd better go now.

Sure.

At the cinema...

I need to start paying more attention.

One more mistake and she'll notice that I'm not Hiro.

I have to try harder to act like him.

Something doesn't seem right to me here.

I'm about to find out if it really is Hiro.

Oh no, just not that.

scared

Can we go to another movie?

Is something wrong?

Okay.

He looks like he saw a ghost.

This movie is not very scary. It must be Hiro.

Please I really don't like scary movies.

If Naomi recognizes me it's over.

And she doesn't know that I have to pretend to be Hiro.

After leaving the Cinema...

This is probably not how you imagined your date.

Fortunately, Naomi did not turn her back.

I don't even want to think what could have happened. I'm sure she would have noticed right away that I'm not Hiro.

It wasn't that bad.

Besides, I'm the one who should apologize. I didn't know you had a fear of heights.

And the fact that you don't like horror movies I completely forgot.

In the restaurant...

And how was it? Have you kissed yet?

Yes~

The first official one.

embarrassed

What! You were on a date!

impressed

Wow, and which date was it?

First date and you've already kissed.

Ara ara.
Someone
is really in a
hurry here.

I've been
a lesbian for 5 years
and never had any
girlfriends.

And now I can't get
away from them.

Take that
hand away!

What's with
all these girls
here, why is every
other one trying
to take it away
from me?

jealous

Good thing
that at least with
Hina I don't have
to compete.

During the drive...

Thanks a lot for the rescue.

Just a little and they would have discovered everything.

I should have taken off all those extensions before mom arrived.

No problem at all. I wouldn't have wanted your secret to come out either.

embarrassed

The girls knew about them anyway.

By the way what happened to you Hina?

Yes, I'm also sick of this constant going out and in.

I must admit that quite nice sets, the girls helped you choose?

So you just bought what they recommended.

Finally.

Actually, they chose them.

And I was afraid to say no so they wouldn't notice anything.

Yes.

Actually, it's
the perfect reason
for that.

Honestly,
you're better at being a
girl than I am.

All in all,
he's right.

Er...
Maybe so, but I can't be
a girl permanently. Besides,
I'm just pretending.

For that you
are better at being
a boy than I am.

Unfortunately,
she's right.

At night...

Should I really stop pretending to be a girl and become one permanently?

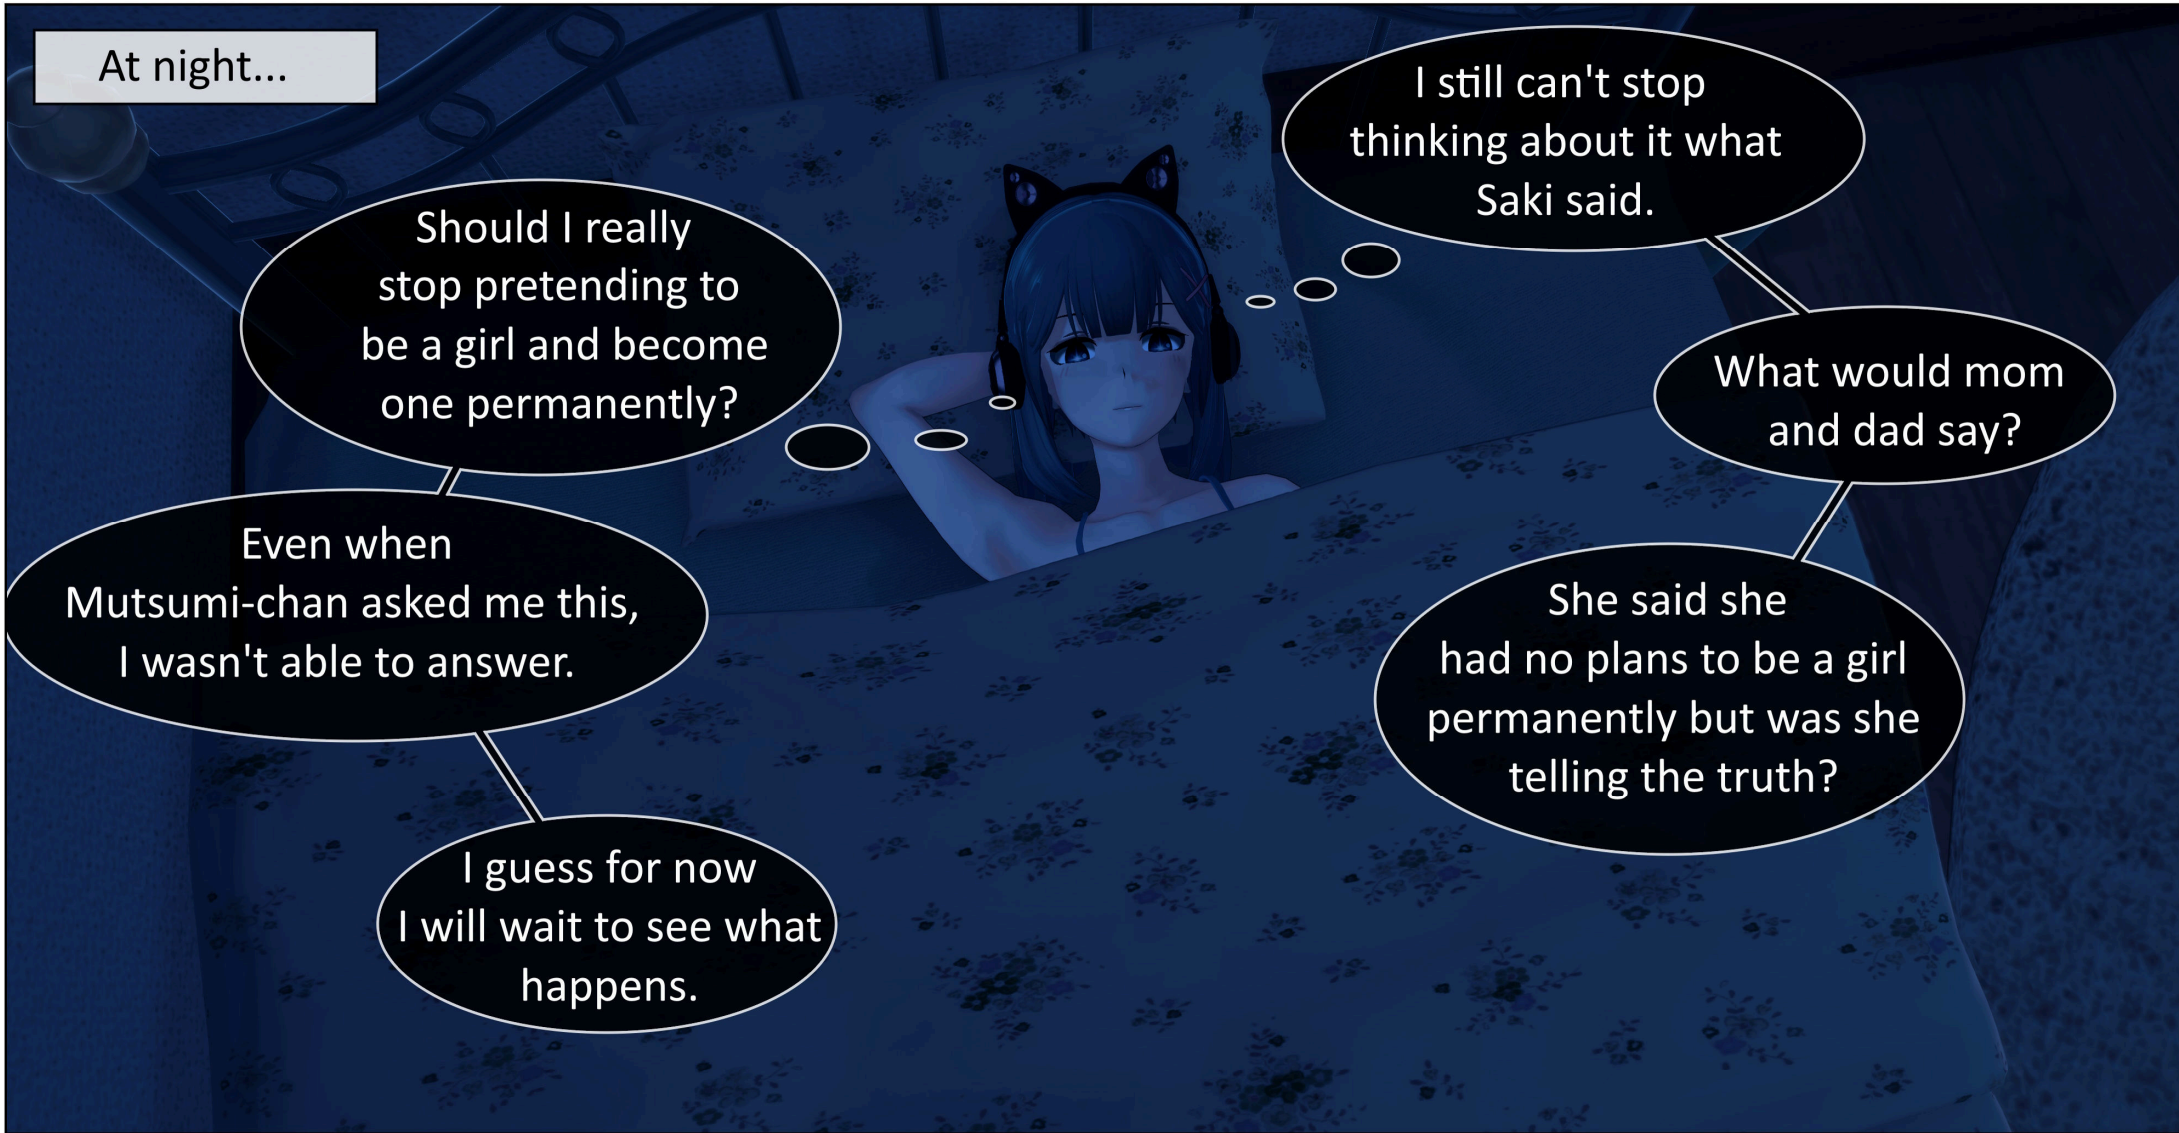

Even when Mutsumi-chan asked me this, I wasn't able to answer.

I guess for now I will wait to see what happens.

I still can't stop thinking about it what Saki said.

What would mom and dad say?

She said she had no plans to be a girl permanently but was she telling the truth?

?????

My name is Hiro Suzuki, I am very pleased to meet you.

stressed

It is also a nice to meet you My name is Yuma Tomatsu.

Unfortunately, sorry but I am in a hurry.

In Zero Two's room...

Fortunately
, your father
accepted me.

I was afraid he
would tell me to go
since he won't let you
meet boys.

Zero Two, where are your breasts?

WHAT!

Besides, Dad has known for a long time that we are in a relationship.

What, why should I have breasts, after all I am a guy.

confused

The only girl here is you.

What the hell, why do I have breasts?

Shocked

Because you are a girl.

You are behaving quite strangely today. Is something wrong?

Wait a minute should I really not have breasts.

For some reason it seems to me that's exactly how it should be.

It's not like that.

I will do it.

Yes.

If you don't feel like doing it then I'm not forcing you.

I just decided that today would be the perfect opportunity since we will be left alone.

Are you sure?

confused

What am I supposed to do?

Really?

But first, the usual.

Hehe. Hina, you know very well

Always before we do it first you give me a blowjob.

Yes, you always say it makes you in a better mood for it.

At school...

Good thing I woke up before something happened.

What a sick dream this was.

embarrassed

Unbelievable, I really wanted to do it.

And what's worse I enjoyed it.

Am I really starting to think of myself as a girl?

Hmm... Or maybe I should have been born a boy.

Why does it go better for me to be a boy than a girl.

confused

Or maybe it's because of Ichigo. Maybe I just feel so comfortable around her that I don't mind pretending to be a boy.

Because early on, I just liked how the girls there treated me.

That is, I definitely prefer girls.

Is it possible that I fell in love with her? And with Hina it was just an infatuation, not true love.

confused

$$-a + 4bc = 1c$$
$$2e = 1d$$

I just remembered something.

Sorry!

What is going on with him?

He's been acting weird all day.

It was just a silly dream.

I can't keep running away from it.

To be continued...
