After a short chase...

**\*embarrassed\***

You see, I had  
such a strange  
dream....

And in this dream  
me and you....

I finally got  
you. Now will you  
politely tell me what  
happened?

Otherwise  
your breasts and  
your ass belong  
to me.

But for now we're off to find a better place.

You better learn, soon it will be us.

Oh, and don't tell anyone what you saw here.

Everyone knows about it, but no one talks about it

*\*Excited\**

So it was some kind of scary dream?

What do you mean, because I once dreamed that I was controlling a big Mecha in doggie style position.

Oh, such a dream. And how did you like it?

Exactly no, it was just very strange.

I dreamt that you were a guy and I was a girl. In the sense as now I am a girl.

I don't know I can't imagine you in that role.

A scene from an anime-style game or comic. Two female characters in school uniforms are standing in a hallway. The character on the left has long pink hair with small red horns and is wearing a dark blue jacket with pink trim and a red scarf. The character on the right has short blue hair with a pink cross-shaped mark on her forehead and is wearing a similar uniform. They are both looking at each other. The background shows a hallway with a green carpet, white walls, and a fire exit sign.

And what about you?

Someday you will have to make this decision

No matter what decision you make I will always be there for you.

*\*confused\**

I don't know, I'm very afraid of that.

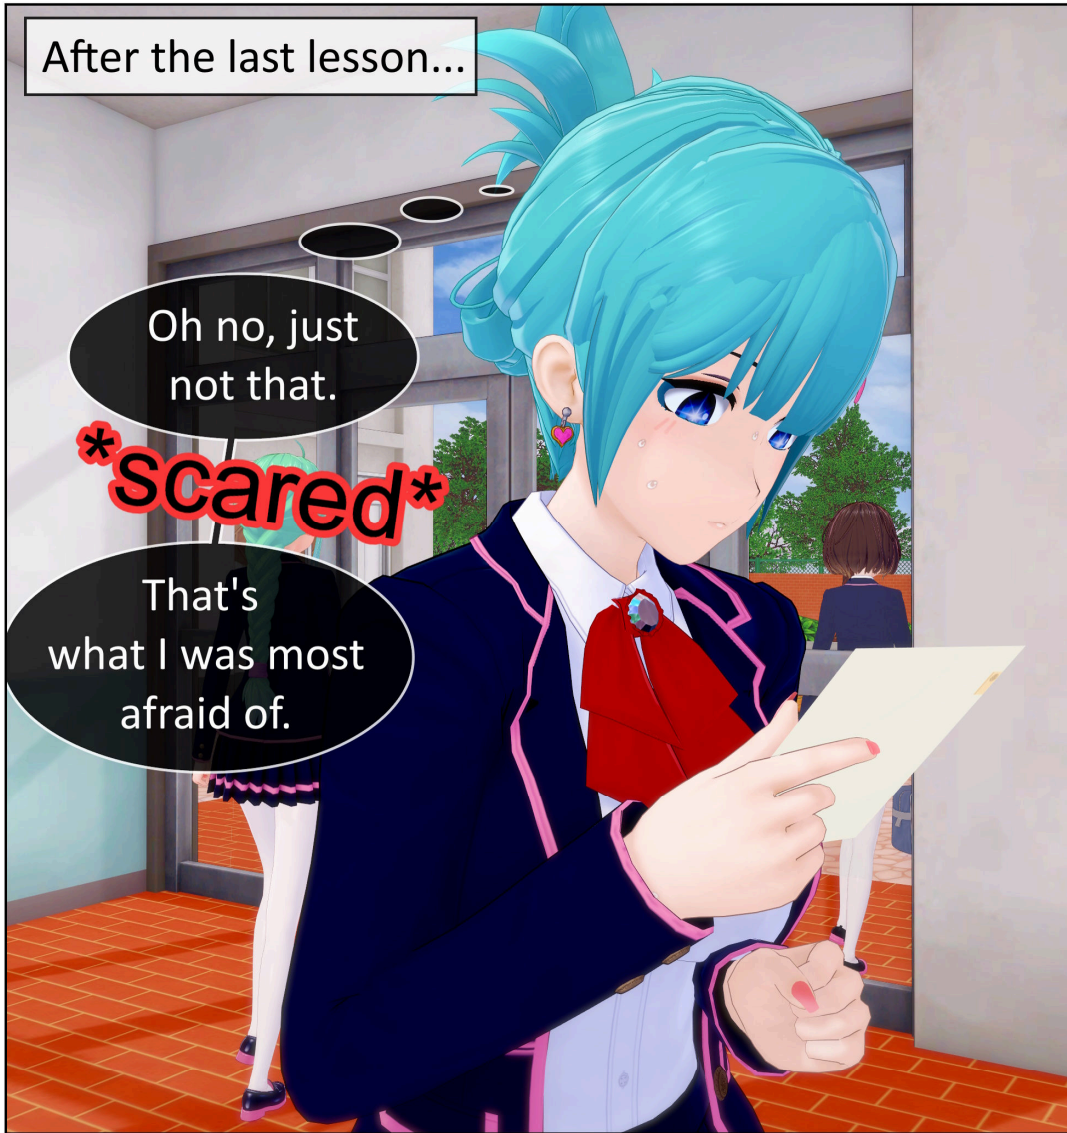

Although to be honest I don't feel any connection with my old self anymore.

After the last lesson...

Oh no, just not that.

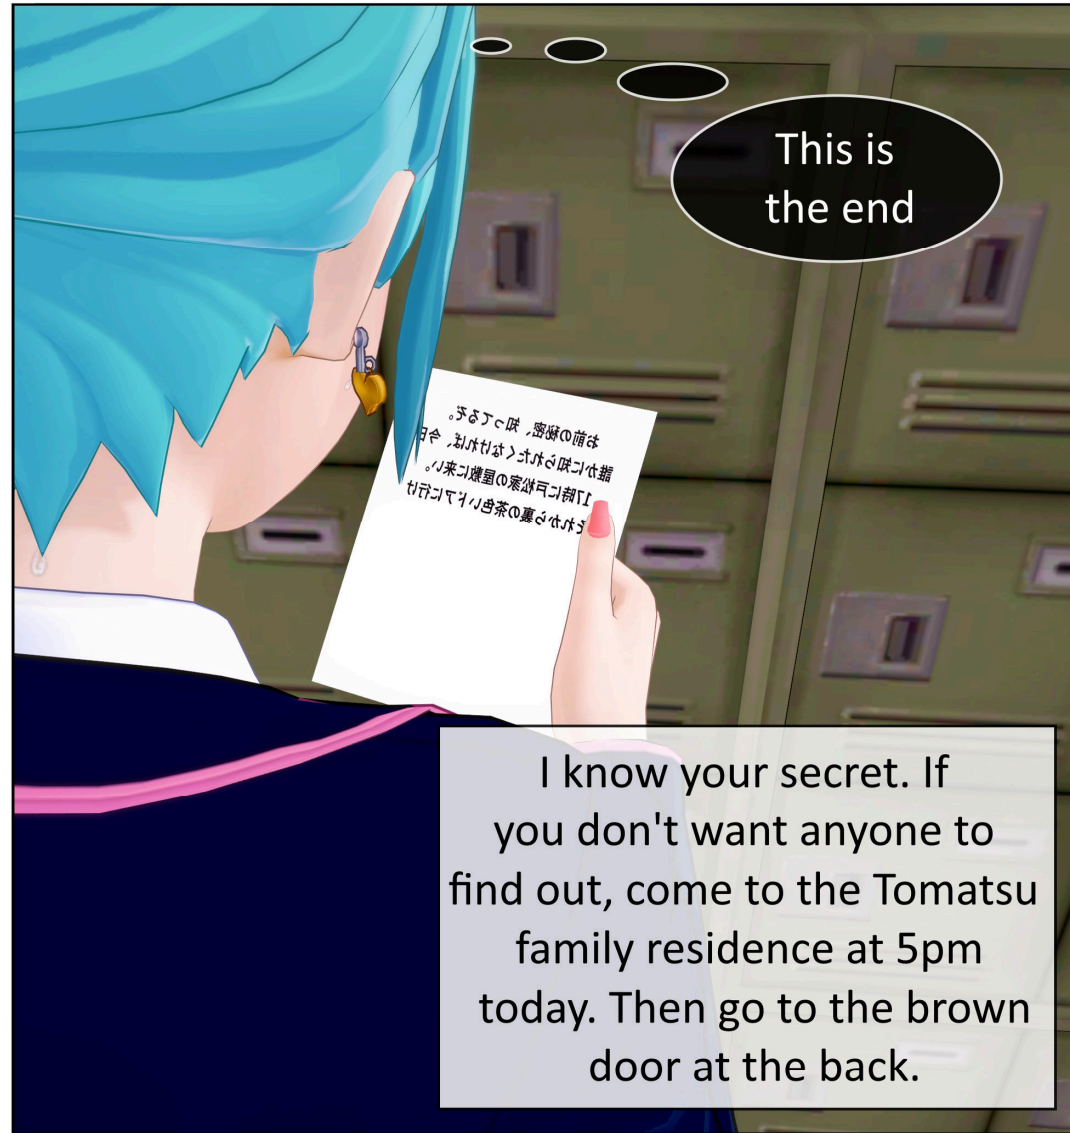

**\*scared\***

That's what I was most afraid of.

This is the end

I know your secret. If you don't want anyone to find out, come to the Tomatsu family residence at 5pm today. Then go to the brown door at the back.

Tomatsu Family  
Residence/ Zero Two  
House...

Hmm...  
What's another piece  
of paper?

*\*confused\**

What  
am I supposed to  
wear?

I hope that if I do what  
he tells me to do, he won't  
reveal my secret.

中に入って、  
私が用意したも  
のを着なさい。

中に入って、私が用  
意したものを着なさい。  
Go inside and  
put on what I have  
prepared

In the kitchen...

Sorry for the intrusion.

*\*stressed\**

I don't think anyone is here. Fortunately.

Oh, another piece of paper.

これを着て、ゼロツ  
ーの部屋で私が  
来るまで待ちなさい。  
Put it on and wait  
in Zero Two's room  
until I come.

これを着て、  
ゼロツの部  
屋で私が来るま  
で待ちなさい。

Why are you dressed as a maid?

And what's with the gags.

Sorry, but I don't understand any of this.

Hmmm  
HmMMM  
ymmm

HmMMM  
Myyy

**\*scared\***

She probably wants to say "happy birthday".

I didn't know it was Zero Two's birthday today.

*\*Surprised\**

You remembered.

In that case, let's unwrap the present.

In that case, I'll go get the cake.

What present?

*\*confused\**

It seems that we are  
left alone. Darling.

*\*happy\**

And do you  
still remember  
the two girls  
from today?

I promised  
you that soon it  
would be us. I  
think it's about  
time.

You really couldn't  
have made me a better  
gift, I'm also glad you  
remembered.

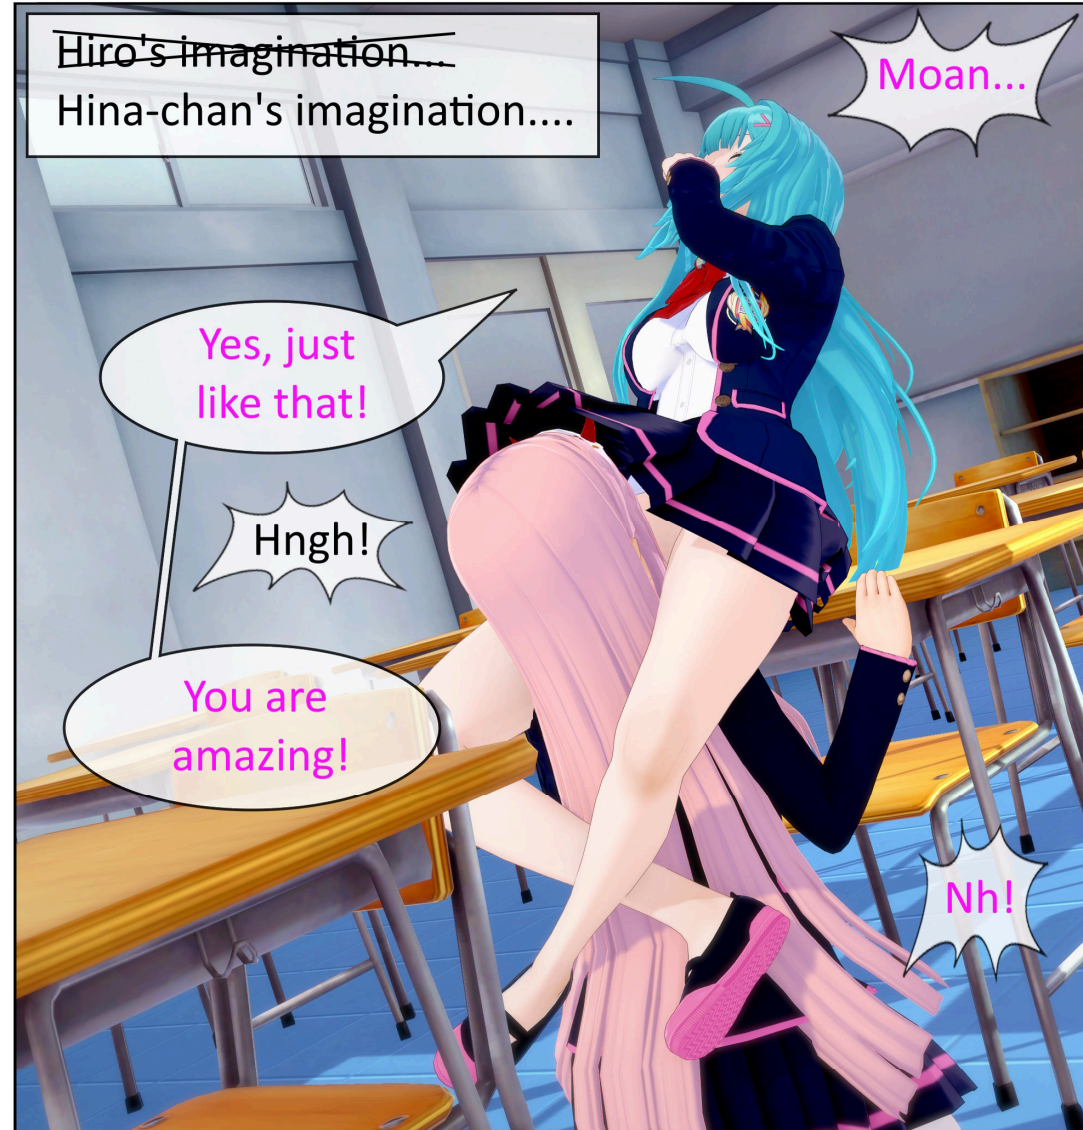

Wow  
, you really look almost  
like a girl already.  
Even here.

Hngh!

Nh!

What is she  
doing there, is she just  
licking my scrotum?

Now she's  
stuck her tongue in there.  
I can literally feel her tongue  
inside me.

And how did you enjoy it? Because I guess it must have given you pleasure since you came so hard?

Hmmm  
Hmmmmm  
Hmm

Sorry, I forgot that you're still gagged.

But we'll have to do it again sometime.

**\*Excited\***

Some time later...

No problem,  
but I did it for her  
not for you.

Why would  
I want to help you?  
I'm only interested in the  
happiness of the lady.

Thanks for your help  
with Zero Two's Birthday. I didn't  
have the faintest idea that it  
was her birthday today.

You didn't want  
to help me?

**\*Surprised\***

Er... But you  
won't tell anyone  
about my secret?

In the end I did what you told me to do.

*\*concerned\**

Fortunately.

For some reason the lady seems to be happy with you so no.

But that doesn't mean I won't keep an eye on you. One false move and I'll tell all.

But until then, you have nothing to fear.

A few days later...

In life,  
things rarely go the  
way we plan.

And do you  
regret it?

I still can't believe  
I'm really doing this.

It was only  
supposed to last a while, and  
then I was supposed to  
fly to Europe.

Here, literally  
nothing went according  
to plan.

Of course  
not.

I have everything  
I wanted to have.

Friends, I'm popular,  
I have a good job

I even managed to get  
a girlfriend, which I could  
once only dream about.

Although this  
is not how I imagined  
our relationship.

I even have the feeling that  
I am fully playing the role of a  
girlfriend in this relationship.

Hehe. Alright, I'm off to the vip lodge as if we were looking.

Hina-chan has really found herself in the role she has now. She's doing much better than when she was a boy.

I guess I'll have to prepare those papers when I get home.

Sure, I still have to go and change too.

The worst part is that it doesn't bother me at all that Zero Two is the boyfriend in this relationship.

In the locker room...

Pull yourself together  
, it's your big day.

**\*stressed\***

This is what  
you have been working  
so hard for.

Today you will  
prove for Mutsumi-chan  
who is better.

Are you stressed before your big show?

Hehe. No worries, it won't be so bad.

If you want I know a great way to deal with stress.

I'd most like to run away from here and pretend I was never here.

I'm so stressed about it all that I have no idea how I'm supposed to go out on stage and even sing.

Really?

In the ladies' room...

Was it really necessary?

Did I really have to strip almost naked?

Sorry but your outfit is terribly stiff and stings a little.

But what will happen if someone catches us?

No worries, we'll make it quick.

Ah...

Hngh!

Why do I keep doing this?

Ah...

Why do I keep acting like a girl?

And why does it give me more and more pleasure.

Hmph!

I love you !

I love you too Darling.

And no matter what people say about us, I will always love you.

Even if I had to face my own father I will always love you.

No matter what decision I make. I will be with Zero Two at all costs. Even if it means becoming a permanent gir.

Some time later...

Another place  
checked off

I guess the  
next one will  
be the bus.

Sorry for  
the delay

Eee...  
Fighting with  
this hair is a real  
nightmare.

Ouch my  
butt.

I think I got a little  
too carried away this time but  
it's getting harder and harder  
to control myself.

That's okay, I know how much time it takes with hair.

By the way, you look great with long hair.

Hina-chan!

Who are you and what did you do with Mutsumi-chan?

I still can't believe you are taking part in this contest.

Hina-chan looks super cute with long hair.

*\*Excited\**

Although she is probably of similar height to Aqua.

I can't believe it either. And you are not participating?

I won it last year . Now it's your turn.

Wait a minute since Hina-chan and Aqua are of similar height does that mean that, Aqua could pretend to be a girl?

I wonder if Hina-chan would lend me some clothes.

I used to be able to convince him a few times to wear my clothes, but since he's taller than me he can't be convinced anymore.

I'd like to see what he would look like now.

Moments later...

So what did you want to talk about. Also, are you sure we can be here?

So? What happened?

No worries, I know the owner, he said there is no problem.

Tell me, how much longer are you going to pretend to be a girl?

I know very well that you are not a girl or even Sora's daughter

Maybe I don't see Sora too often but I don't remember her ever having children or even mentioning it.

What are you talking about, I am a girl, I am not pretending anything at all.

**\*Shocked\***

What but how?

Well yes, that makes sense.

Eee...  
I can explain  
it all to you.

I expected  
someone in  
the family to  
figure it out  
eventually.

Although  
Aunt Ai was the last  
person on my list.

No worries,  
I won't tell anyone, as  
long as you promise  
me something.

What?

You will  
go on stage and  
sing as the real  
you.

Eee.. As  
me? Can you be a little  
clearer because I don't  
think I understand.

**\*confused\***

If it didn't  
you would never  
get here.

You may have  
all sorts of reasons for  
pretending to be a girl,

I'm not judging but  
I see that being an idol has  
become more than just  
pretending for you.

Therefore,  
go do it and don't  
look back.

Not as Hiro-kun,  
not as Hina-chan

But as the  
real you

And you can  
definitely handle  
the rest.

Just stop  
pretending to be someone  
you're not and hiding that  
you like it.

Aunt Ai is right, was I really doing this just out of a desire to compete?

**\*Shocked\***

I really started to like it.

Did I really not start to be my true self?
