

Eternal dream

Chapter 30

In class...

I feel sorry for her that she had to do it. Kids really can be mean.

I also see that the girls have now started to look at Saki strangely somehow.

Gosh, after cutting her hair, Saki practically looks like a boy.

I don't think I could just cut my hair now, I got too attached to it.

Maybe they are wondering why she did it.

Wow, Saki looks really great now.

This look definitely suits her much better.

It's even a nice feeling that I don't have to watch out for the skirt now.

Is she really a girl?

She looks like one of those cute boys.

Hmm... I think we were supposed to use the second pattern in this assignment.

On the break...

Sorry but I have to use the toilet.

Saki, wait it's the men's room!

Yes, only sometimes I have to check them.

It's part of my duties, you know.

Or she can't stand it anymore and knows there's a line in the ladies'.

She's 100% having an identity crisis.

Wednesday...

What is this place?

We're going to Shot scenes in a real school?

Kuou Academy

Yes, it's much cheaper than building all the mock-ups.

But part of the shots will be recorded in the studio anyway.

During the photo shoot...

Okay, Hina-chan,
look at Zian as if
you were jealous.

Mutsumi-chan,
make a sly face, as
if you were planning
something.

Great.

A look as if you were pondering the meaning of life.

Now look out the window.

I wonder if I had children with Ziane, would the first one be a boy or a girl?

What?! What am I thinking?

Hina-chan, try to look surprised.

Maybe I should just accept that I'm a girl?

Slowly, being a guy seems stranger to me than being a girl.

Okay, now sit up straight and take off one of your knee socks.

Hina-chan, you pretend to be really embarrassed.

happy

Zian, come over and grab her foot.

Unbelievable, I have two girls at my disposal, I can take pictures of them as much as I want, and they'll even pay me for it.

I think I'll become a photographer.
Hehe

Who is this guy
and why isn't Mr. Usagi
taking our photos?

Confused

In my opinion,
he looks like a
regular pervert.

This is
Issei, a friend
of mine.

Let's just
say he has a lot of
experience in
exposing the female
body.

Oh, believe
me, he's not a regular
pervert.

I don't have to pretend!

This guy now has a perfect view of my panties.

Where are you looking!

It's a good thing I put on this plastic.

embarrassed

Oh, pink ones.

Sorry~

Now lift your legs up like girls usually do in anime.

Don't worry, I've already found the perfect angle.

Was it really necessary for me to be in my underwear?

embarrassed

Isn't that a bit too much for a TV series?

Besides, how are you going to get in here with the camera?

Perfect.

Hey! What are you doing, pervert!

Stop photographing my butt.

The guys won't believe me when I tell them what I was doing.

Just try showing this to someone. You have to delete it immediately.

Mad

Gosh, are all guys really like this?

Because of people like this, I'm starting to have serious doubts about whether I want to be a guy again.

Do I really want people to associate me with something like this?

Issei's imagination...

Hmph!

I have
no intention of
stopping.

What now?

How do
you like it?

Please...
Don't stop.

Hmph!

That's right,
girls. Mutsumi-chan,
lift your butt a little
higher.

Ah...

It was just
a game.

Looks like it's
my turn to have some
fun now.

Then let me have
some fun now.

Great,
Mutsumi-chan. Now, get
close to Hina-chan as if you
were going to kiss her.

Okay, girls,
now pretend to kiss
each other?

Hngh!

You were
only supposed to
pretend.

Um... Girls?

Never mind~

Um... actually,
you were supposed
to help her up, not sit
on her face.

But whatever
, keep going!

hmmmm
hmmm!

So what? Who's
on top now?

Sorry, I don't
understand.
Hehe.

Hey, hey, hey.

I was just kidding.

Of course.

Hey, wait, time!

Mr. Director, may I?

Thanks~

So, which one of us was better?

Yes, 2 + 1, then it will definitely be easier for you to judge which one of us is better.

How about we shoot one more scene?

Hmm... It's really hard to say, you were both great.

Another one?

That sounds like a great plan, I can't wait to touch those tits.

Reality...

Surprised

Can I literally feel them already?

Um...

How long are you going to keep groping my breasts?

Maybe another five minutes?

You damn pervert.

Mad

Wait, it was an accident

Ouch!

Great. I don't want anyone to see these photos.

It was probably a mistake to hire Issei as a photographer.

But I thought he was talented.

We'll do another photo shoot with Mr. Usagi.

On the same day...

And this
is my girlfriend,
Hina Suzuki.

embarrassed

hehe

Of course she
does, just look at how
many photos I have
of her, see?

Wow,
I have to admit,
you've got yourself
a real catch.

Does she
even know she's
your girlfriend?

I see, but that
just proves you're
obsessed with her.

I'm not
obsessed, we're
really a couple.

Dates?

If you're really her
boyfriend, show me
your photos from
your date.

Because this
way, any guy
could be her
boyfriend.

Of course, if you're
a couple, you probably
go on dates.

Otherwise, Hiro
could have just sent
you these photos.

Or maybe it's Hiro in disguise.

No, she's too pretty, and besides, the profile looks real.

Of course it's not Hiro.

Yes, I completely agree, Hiro is a loser, he would never achieve that much in his life.

You'll be surprised.

But until I see your photos from your date, I won't believe she's your girlfriend.

Back to Hiro...

I'm back!

Gosh, I'm exhausted. I never thought photo shoots would be so tiring.

It always looks so easy in the videos.

Don't worry, he's not causing any trouble.

Do we have guests?

Could it be that Aunt Ai has decided to visit us again?

In that case, I should say hello before going to my room.

What I feared most has happened. My mom sees me in women's clothes.

One wrong move and I'm done.

Nice to meet you, Auntie. My name is Hina Suzuki.

stressed

Wow, and she's so well-mannered. Sora wasn't lying.

Nice to meet you too. My name is Meme Suzuki.

How come we're only meeting now?

Hmm... Well, after school, I often spend time at the school club.

Not to mention school itself, where I often study late into the night to maintain good grades.

And when I have free time, I usually spend it with my friends. So I'm not home either.

Besides, I work as a waitress and am trying to become an idol, which requires a lot of practice.

So either I'm not home, or I'm busy studying, or I'm practicing yoga.

Oh my God,
what should I do? I can't
ruin my disguise in front
of my mom.

But I don't want to
become gay either.

No, it's not that
I don't agree, but I have to
ask my agent first, then I'll
let you know.

So you don't
agree?

Thanks,
I can't wait.

I'm sure Naomi
won't agree.

The next day
at school...

Sure, no
problem.

It would even help us
silence the rumors that
your relationship only
exists on paper.

So yes,
you can go on a
date with your
boyfriend.

You're not
against it?

Shocked

Why should
I be?

But if you want to
post photos with him, you'll
need his consent. But I don't think
that's a problem.

You won't get out of it that easily.

You've made your bed, now lie in it.

You should have just said no instead of making excuses.

Zero Two, you definitely don't agree.

I know.

After school...

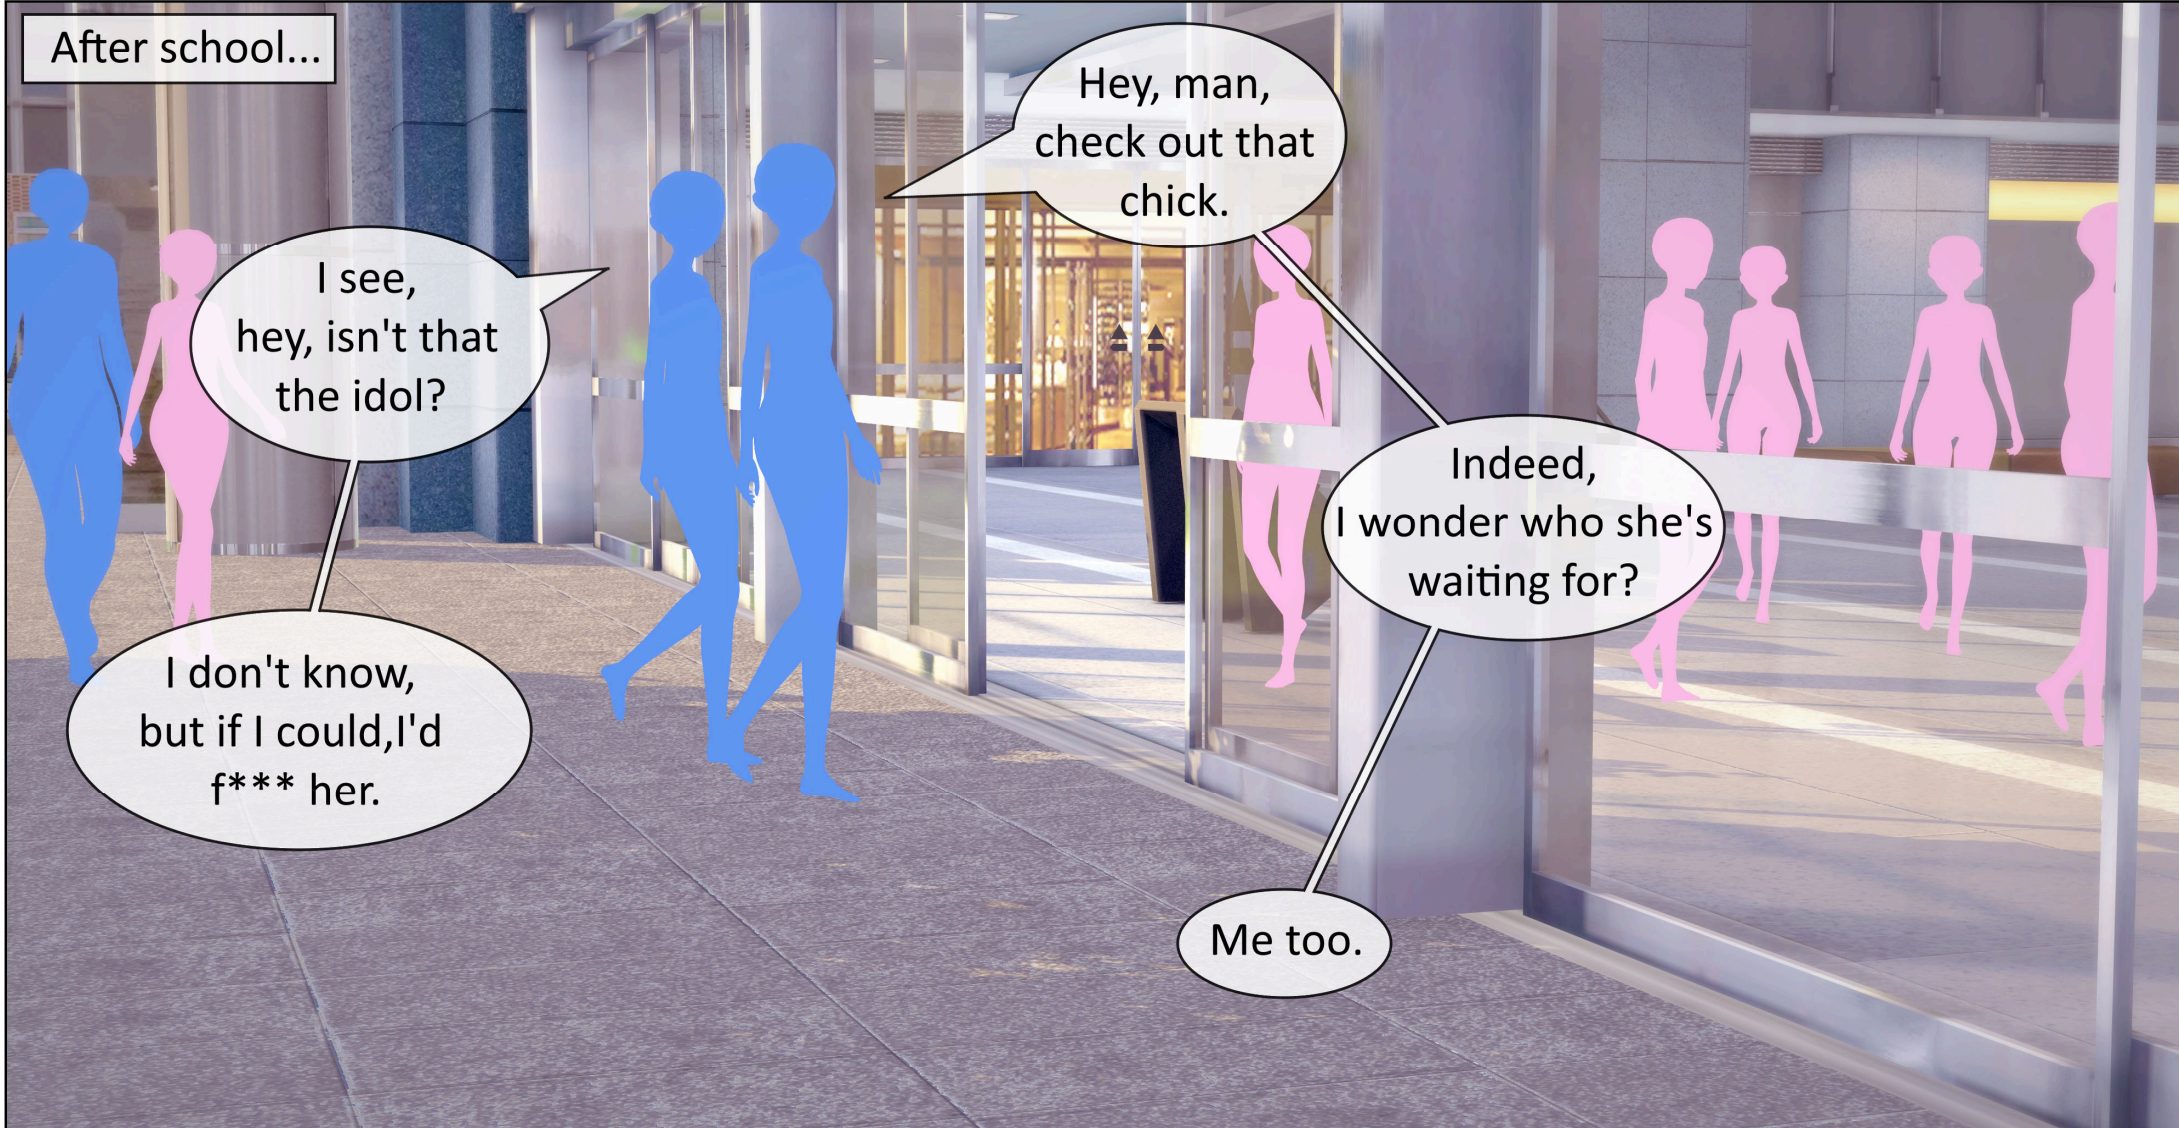

I see,
hey, isn't that
the idol?

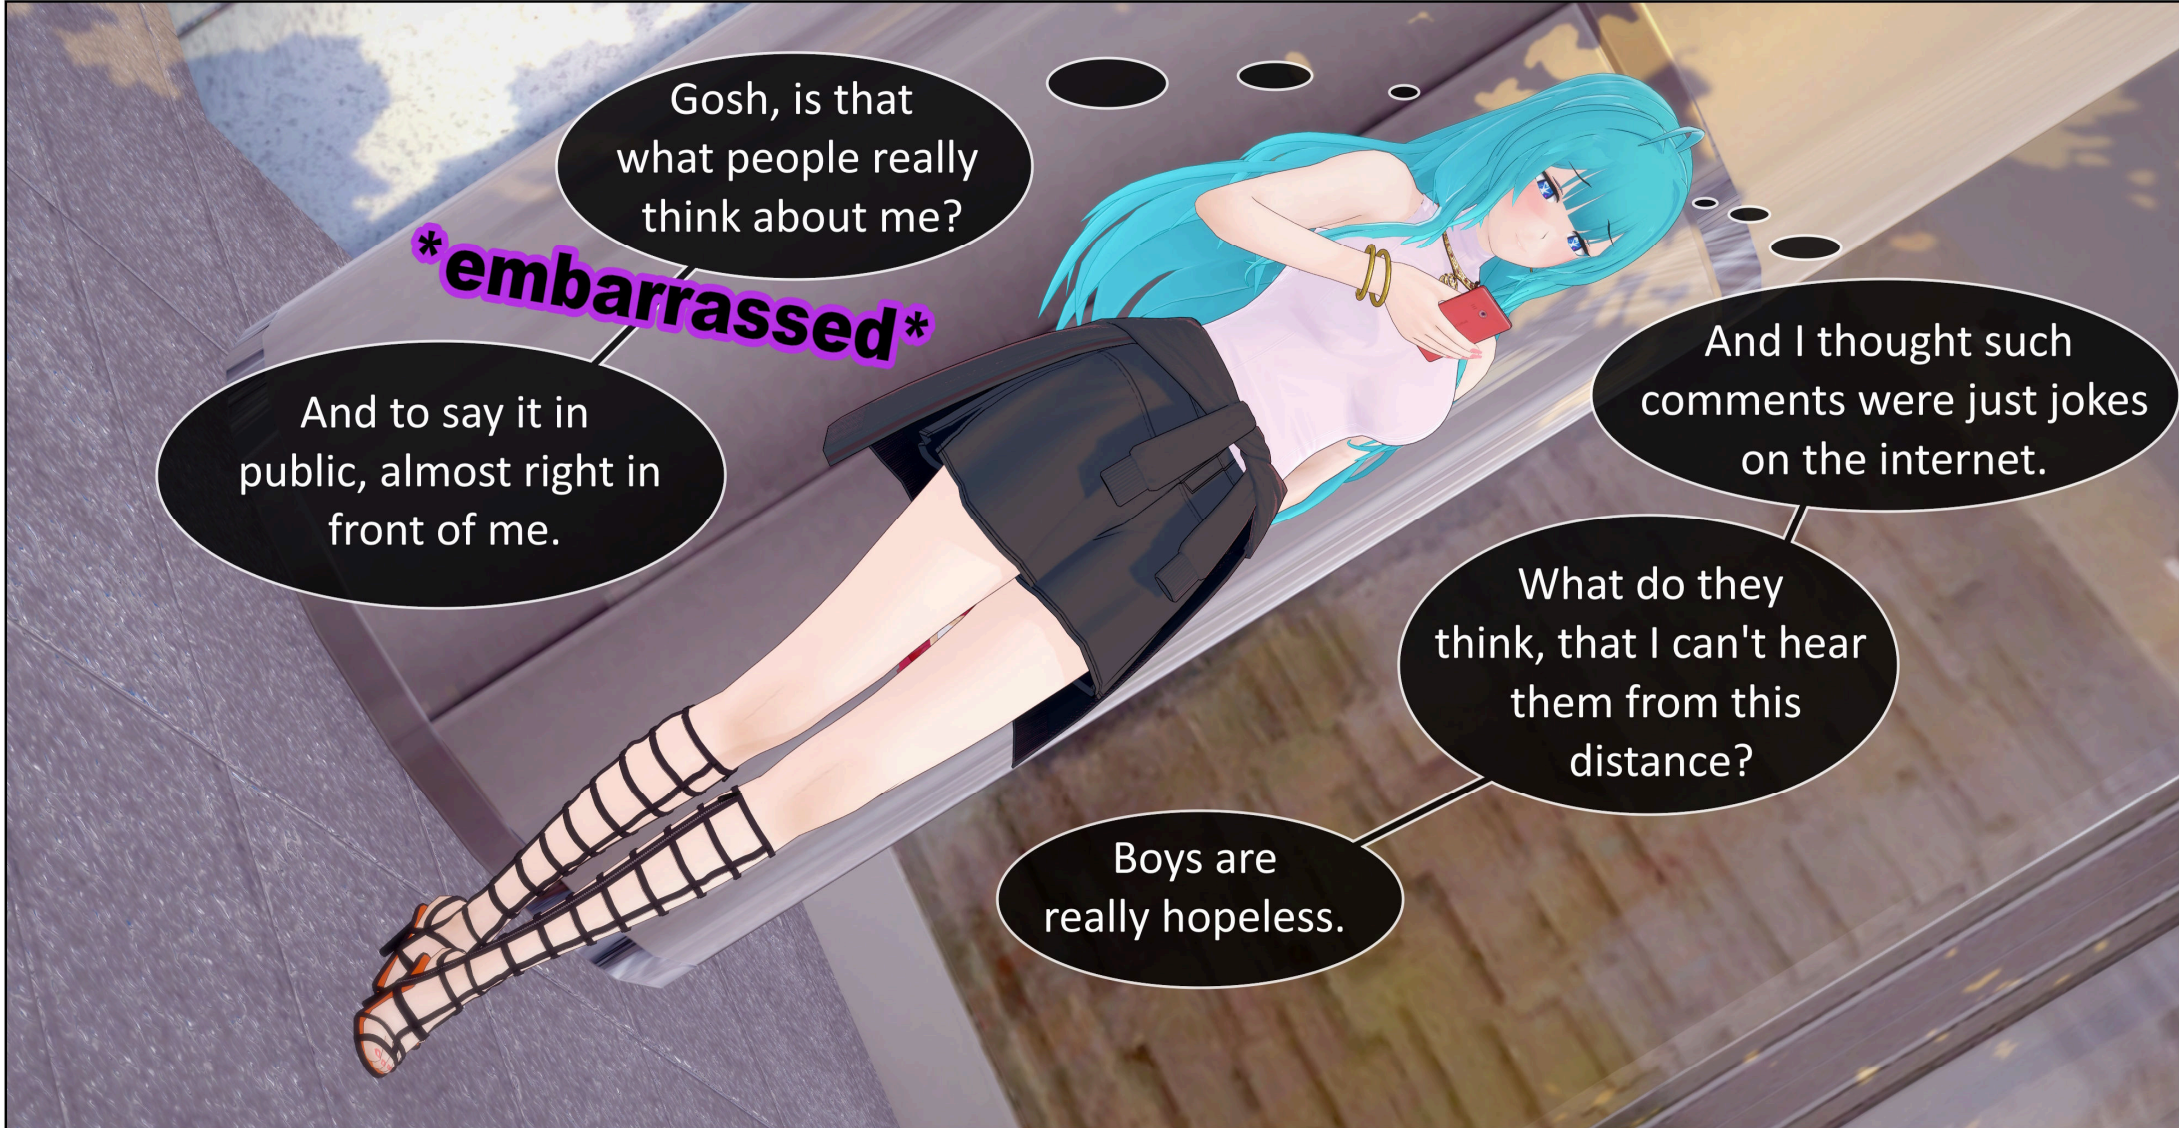

I don't know,
but if I could, I'd
f*** her.

Hey, man,
check out that
chick.

Indeed,
I wonder who she's
waiting for?

Me too.

Gosh, is that what people really think about me?

embarrassed

And to say it in public, almost right in front of me.

And I thought such comments were just jokes on the internet.

What do they think, that I can't hear them from this distance?

Boys are really hopeless.

The plus is that at least I'm already quite famous.

Presumably, my disappearance would cause a lot of confusion now if I decided to give up being a girl.

I have no idea how I'll fix this later.

The minus is that I'm famous, unfortunately.

Hiro's disappearance would certainly raise fewer questions.

Oh, where is he? I'll just go home.

I thought you'd forgotten about me.

Honey, what a surprise to see you here.

I'm here!

Sorry I'm late.

How could I?

Sweetheart, is that you?!

Why didn't you say you were going to be in town?

I would have baked your favorite cake.

Why didn't you come to see me right away?

Were you planning a surprise gift like last time?

I still have the last one you gave me.

I hug it every night, thinking of you.

Flashback...

You want us to ruin your friend's date?

Surprised

But why? Shouldn't you want to help her since she's your friend?

That's not like you.

Surprised

That's how it looks. Sure, we'll help you.

She doesn't want to go on this date, I have to help her find a reason to get out of it.

What exactly are we supposed to do?

Well...

You like cute boys.

confused

You want to be happy with him. You want him to be happy with you.

All so that he feels as good as possible with you.

You want to be with a cute boy. You want to be his girlfriend.

You want to be the perfect girlfriend.

I have to do something.

I'm sorry~

I think it worked. Now she has the perfect reason not to go on that date.

But can you leave my boyfriend alone and get out of here?

But now he's mine. Understood?

I don't know what was between you two, and I don't care.

happy

Sure.

Wow, this is really happening.

For a moment, I doubted if she was my girlfriend, but now I'm sure.

Let's finally go on our date, there are so many places I want to visit.

Confused

It didn't look like she didn't want to go on this date at all.

Yes, but it's a little strange that she didn't notice that her friend really loves him.

But...

Maybe Naomi was wrong?

We did what she asked us to do.

Let's go get changed.

At the aquarium...

Wow, look how big it is.

And this one here is all pumped up.

Did you say something?

Not just her.

No, nothing. Hehe.

At the cinema...

First the aquarium, now the cinema.

happy

There's no question about it, this is a real date.

I wonder if she would mind... Well, it's worth a try.

She is not angry

I just
can't believe
this is really
happening!

Hiro, you
bastard. I'll never forgive
you for hiding your cousin
from me.

Although,
he didn't know about
it himself.

You want
him to be happy
with you.

You want to be
happy with him.

At the restaurant...

Say Aaa...

Gosh, this date couldn't be going any better.

happy

I must have died and gone to heaven.

The guys won't believe me.

Oh, I almost forgot, I need some proof.

Hina-chan, would you mind if we took a photo together?

No, why would I mind? You're my boyfriend, after all.

Yes!

But if you want me to post it somewhere, you have to sign that you agree to it.

I know it's stupid, but those are the requirements. Otherwise, Naomi will scold me again.

Surprised

Are you really going to do it? Sure, I'll sign whatever you want.

After a moment...

Now they'll definitely believe it.

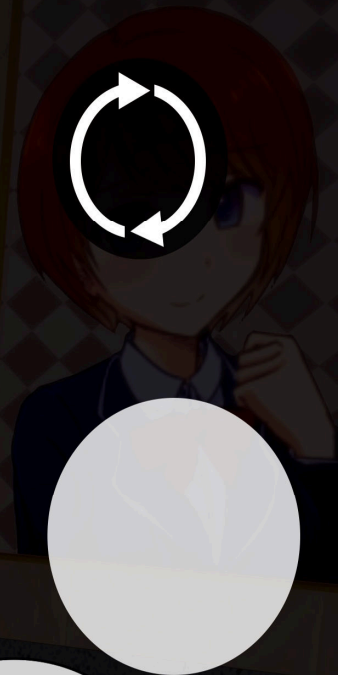

Although I can't quite believe it's really happening myself.

Cheese...

In the morning...

What?
Where am I?

Shocked

Is this
my room?

Phew~

It was just
a dream.

My dreams
have been getting
weirder and weirder
lately.

Maybe
I should see a doctor
about it?

I would
never do that.

disgusted

I would
never kiss a guy
in my life.

Especially
not my friend.

Why am I suddenly having such a strange dream?

Well... I won't say that Goro isn't handsome as a guy.

I wonder if she'll be up for it after school?

confused

Is it because I've started to question whether I'm really a guy?

But I definitely prefer Zero Two, especially considering her abilities in these areas.

In the kitchen...

Finally,
the end of the
school year.

happy

I've been
waiting so long
for this day.

So, starting
tomorrow, you'll stop
pretending to be a girl, as
per our agreement?

Not exactly.
Actually...

Would you mind if I pretended to be your daughter for a little longer?

Yes, that will only happen after the series is filmed.

embarrassed

Thanks. Gosh, I've caused quite a commotion.

Because of my own carelessness, I'll have to pretend to be a girl longer than I expected.

Do you have to wait until your contract expires?

Sure, we've already talked about it.

I see that Hina-chan is acting normal again today.

I wonder what yesterday was all about.

During the end-of-year ceremony...

If I had to name one place where I should never be, it would be this place.

What am I doing at the end-of-year ceremony at a girls' school?

Should I really be here?

Come on, not again.

Actually, in a sense, I am a girl now and I have graduated, so I guess everything is fine?

I definitely don't see myself as a boy in a normal school right now.

I wonder if it will pass with time when I stop pretending to be a girl?

I guess?

Somehow, I can't.

Because right now, I don't think I know how to behave like a boy at all.

Hello everyone gathered here for the official end of the school year for third-year students.

Most of us will see each other again after the summer vacation.

However, I wish those who have decided to continue their education further success.

In most schools, this moment is a farewell, but since our school is both a high school and a university, we don't have to say goodbye yet.

Nevertheless, there are probably students who will not want to continue their education. I wish those students luck in their future endeavors.

Some time later...

How did you block my access?

But there's one photo there.

Actually...

Normally, this morning. After what you did last time, I decided I needed to have more control over what you write on official websites.

You're talking about the one with your boyfriend. Don't worry, I won't delete it.

Oh, you're probably worried about that consent. I got it.

Naomi,
listen, I have to
delete that photo
as soon as possible,
before anyone
sees it!

But...

There's no reason
to delete it. You look great in
it and all the formalities have
been taken care of.

A lot of people
have already seen it.

Besides, your boyfriend
agreed to it, and from what I've
seen, the photo itself is popular
and, most importantly, liked.

Plus, it confirms that
you have a boyfriend, so great
job with that photo. You don't
have to worry about
anything.

disconnected

Although it's a little strange, I thought Hina-chan was with Zero Two.

Or maybe Hina-chan wants to experiment a little.

Hina-chan is worrying unnecessarily. Maybe it's because I scolded her so much back then, but I had to.

Maybe it's because of Aunt Mayumi's hypnosis that her preferences changed so quickly?

You can never rule anything out.

Meanwhile...

No, that's just impossible.

Shocked

But how?
How did a chick like
she fall for someone
like you?

Maybe she was
drunk or something.
She definitely
wasn't aware of what
she was doing.

And yet.
I said she is my
girlfriend.

Apparently, I have
that something.
Hehe

You're just
jealous, admit it.

Who wouldn't be, man, you got a girl who's out of this world. You probably only had a chance because you're Hiro's friend.

What are your plans now?

Maybe you should go to college closer to her. Then you'll have more opportunities to see her, and you'll be able to visit Hiro sometimes.

I guess so.

Honestly, I don't know yet.

That sounds great, but how do I know which school she'll go to?
