Evelyn's
Crazy Fan
Part 2

Belle seems very excited about buying some new clothes

I should buy a few extra pieces myself while we are here

I've never been to this boutique before... They have a great selection of clothing as well as accessories

I wonder what type of clothing Belle is looking to buy?

Phew... It's so warm wearing this big jacket indoor

But lets forget about that for now... I need to find as many outfits as possible for my dear Evelyn

OMG!
Look at all
of these...
That would suit
her soo well...
So would that...
Also that one...
Uhh and
that one
as well

Did you find everythin that you needed Belle?

I sure did Evelyn... I found so many amazing outfits

Thats great to hear Belle... I just bought a few extra shirts and ties

She's so modest~ She's perfect in every way

I got all the clothes I need now~ Thank you for coming shopping with me Evelyn!

No worries Belle... Though I didn't think you would that many different outfits

A girl can never have too many outfits~

OMG!
Is that you
Evelyn and
Belle is here
as well!

Astra!? Weren't you at the studio working on your next song!?

Oh... I got bored so I came here to look for something fun to do!

I hate this bitch more than anything! She is always with my dear Evelyn... And yet she doesn't appreciate all of the millions of things Evelyn has to offer! Die...DIE... DIE!!!

Hi Astra! It's soo great to see you again~

Aww Belle I've missed you soo much... I haven't had time to visit the video store lately I'm so sorry!

I know!
Since it's
been soo long
why don't we
go somewhere
private really quick
and catch up
before heading
home

Great idea Belle... Lets have some girl talk quickly

You two have fun catching up with each other... I'll get myself something to drink

Is this far enough Belle?

I'm certain that no one will hear or see us talking here

You're being unusually quiet... Are you feeling okay Belle?

I have never felt better... You stupid... Unappreciative and ignorant singing cow

Huh?
Belle are
okay?
You're scaring
me a little
bit

Are you
also deaf now
you dumb bitch...
I told you I'm
feeling great
and I will feel
even better
after I wear
your body

Wait!
You're not actually Belle...
You must be some sort of imposter

BINGO!
I guess
you're not
as dumb
as you
look

Huh?
What did
you do to me?
I can't feel
half of
my face

Perfect!
Ahh it feels
soo good
to see this bitch
get what she
deserves

Not so talkative now huh!
I guess you've sung you're last note bitch

You're body has served me well belle... But it's time for me to wear my next face

Time
to put this
bitch on...
Legs first...
Make sure the hips
are perfect

So far so good! Now it's just the arms then the torso and lastly her head

Arghh... Mhmm... Ma...Make sure... Th...The Face is aligned perfectly

If the appearance is flawed... My dear and smart Evelyn will notice it immediately

I think it's close to being perfect! Just a few more minor adjustments to her face and it should be perfect!

Mhmph

I think that should be enough adjustments

This should be fine... Everything feels like it should... So I think I'm good to walk around as this bitch now

Even if
I hate this
dumb bitch...
She does have
a nice body...
Of course it pales
in comparison
to my dear
Evelyn's body

I'll use this body to make sure my dear Evelyn gets the love and recognition she deserves

Arghh... Another headache... It feels like the same kind of pain I felt when I wore Belle's body

These must be all of her memories... So it doesn't matter who I wear as a skinsuit... I'll be able to access all of their memories once I wear them

This bitch has so much useless information stored in her memories... All I need is the important things... Not all of these thoughts about Belle's brother

Phew...
The headache
is finally
gone

Now
I can focus
on the
memories
that really
matter

With her memories and her body now under my control... I can finally get even closer to my dear Evelyn

Maybe
I could also
ruin this bitch's
reputation
a bit while
I am at it?

For now I need to head back... I can't make my lovely and dear Evelyn wait for me any longer

Hi Evelyn~ I'm done catching up with Belle!

Very good... You were gone longer than I expected

I'm sorry for worrying you Evelyn But we had soo much to talk about

It's good to be home again... You can relax and take it easy for the rest of the day
Evelyn

Are you sure about that Astra?

Of course! I feel like I never really appreciate everything you do for me enough so take it easy today

Wow!
Uhh... Okay
I guess I'll
take it easy
for the rest
of the day
then

I wonder what I should do with my free time

Ahhh!
I'm alone in an apartment with my dear Evelyn!

Her back is right there in front of me! I can look at her up close without her thinking I'm some creep

I can't
take it anymore...
I want to become
one with her
right now

Huh?
Is everything
okay
Astra?

I've never felt better my lovely and dear Evelyn~

Huh!? What are you talking about Astra?

Also where did you get that weird looking gun from?

Don't worry my dear... We will be together forever very soon

What is Happening to my body? I can't feel parts of my own body anymore

Ahhh!
She's ready for me to wear now!
I can finally become one with my dear Evelyn

I'm soo excited! I'm getting wet just thinking about wearing her

Get me out of this bitch's skin! I can't wait any longer

Ahhhh! I'm touching her body! She smells divine

My legs perfectly fit into hers! I'm becoming my dear Evelyn!

I've waited soo long for this moment! The moment we become one

I'm now fully inside of you my dear Evelyn!

All
that is left
is adjusting
your perfect
face a bit
so I don't mess up
your wonderful
features

Just
a few more
pulls and
streches

Mhmph...
A bit
more
and...

Phew...
I think
that should
do the
trick

Does this mean I really did it!?

I'm
not dreaming!
This is real!
I'm really Evelyn!
I've become
my dear
Evelyn!

Kyaaa~
This view!
It's what
my dear Evelyn
always
sees!

Her chest
is so bouncy~
It has the perfect
shape and weight!
Ahhhh~
I could look at
her body
from this angle
all day

Kyaaa~
These breasts
are so soft
and Evelyn's
hands are
so strong
yet delicate

This really is a dream come true~

Arghh!
I almost
forgot about
this part!

All of my dear Evelyn's memories are flooding my mind

Okay...
It's calming
down now

Now
we have truely
become one
My dear
Evelyn

Every thought... Moment... Feeling and experience you've had I now know about as well

You know just how much people stare at your perfect ass when you walk down the street

Your memories tell me that you hate it when peole where gawking at your body

But you can't blame people for wanting to look at perfection!

I do feel like I've somehow forgotten about something important
