Evelyn's Crazy Fan Part 3

Belle!
Are you
alright!?
Why does
she look so...
Deflated?

She's not responding... Maybe this isn't the real Belle?

Whoever or whatever this might be... It looks just like Belle

Is it a costume? I should report this find

Welcome home sis! Do you want to watch a movie together?

.....

It can't hurt to look into this and investigate certain things

So it really is just a costume that looks like Belle... But it feels soo real

Meanwhile in another place

Hmm... I really can't shake this feeling that I'm forgetting something

It doesn't matter
If I forgot it probably wasn't important! Besides...

...All I care about right now is exploring every inch of my dear Evelyn's body

Interesting
It feels like
my body
is perfectly
fitting into this
costume

Mhmm...
Hmm... The face is soo tight...
It's tough getting it perfectly aligned

Ohh...
I think I'm
getting close...
A few more pulls
might just
do the trick

Arghh...
Come on...
A little more!
Arghh... Almost
got it!

Phew...
That was
a real struggle
but I think
I did it
right

Huh?
Does my voice sound different?

There is no doubt... My voice is different... It sounds like...

...Belle!
My voice...
No even my
body... I look
and sound
just like
Belle

So wearing that weird costume has turned me into a perfect copy of Belle!?

Huh!?
My ears!
Even my
ears are have
dissapeared

So this
is what
being a regular
human feels
like...It's
soo odd

No one
will be able
to tell that
I'm not actually
the real
Belle

Argh!
My head
is hurting...
What is
happening...
Are these...
Memories?

It feels like a ton of info is getting injected into my brain

Huh!?
It stopped
the headache
is gone...

...But
can these new
memories
really be Belle's
memories?

Also my body feels a lot more natural to me now that I have all of these memories

Maybe these memories can help me get to the bottom of whatever is going on

For now I'll head back to the store to tell Wise... He is probably worried about me

Wait! "Head back" But I haven't been to the store today... have I?

That must be Belle's memories... This will take time to get used to

Meanwhile at Random Play

Hmm... Belle hasn't come home yet after going out with Evelyn

I hope the Proxies are home

I'm sure she will be fine... But for some reason I have a weird feeling in my stomach

I'm probably worrying too much

Hello
dear Proxy
I hope I'm
not interupting
you or
anything

Ohh! Hello Miss. Yanagi I didn't see you come in

What could she be doing here at this time?

Sorry
but I need
your guys
help with
analysing
something
for me

This is one of the new guns that we tracked down on the dark side of interknot!

Our own experts couldn't figure out it's function

We got got this one by intercepting a package...

...All we know is that it's likely dangerous and it was bought on the interknot

Odd...
It seems to be almost 100% plastic...
It also doesn't have any bulllets

This is classified but we want you to analyse it and find out what it does

Huh!
I barely touched the trigger!
WATCH OUT YANAGI!

CLICK

Huh!?

Huh?
What happened?
My face feels...
Funny... And
my body feels...

YANAGI!
Is she...
Dead?
She looks...
Deflated

....

What do I do now!? Do I call public security... An ambulance? Maybe H.A.N.D

No... I have to fix this... But how? I can't just leave Yanagi like this

If Yanagi is missing H.A.N.D will find out about this for sure

I have to bring her back to normal... Wait... She looks deflated... Can I maybe...

She weighs nothing! So if my thoughts are correct... Maybe I can wear her body and pretend to be her

I can't believe I'm actually doing this

But I can't have anyone find out until I figure out how to reverse this process

Meanwhile in a bedroom

Ahh! Finally I can admire this perfect body in all it's natural glory

Her...
Erhem...
My breasts
are so soft
and they have
the most perfect
shape

Ahhh!
All 1.395 times
I've fantasised
about touching
these perfect
breasts

Ohh!
Seems like
my body is
getting wet
from just
a little
touch

Ahhh~
I can't believe
I'm actually
masturbating
as my dear
Evelyn

AHHH~
This pleasure...
It's incredible...
More... Give
me more!

Ahhh....
This... This
is it... This
intensity...
This pleasure...
I getting
close

I'M
CUMMING!

Ahhh...
Pheeew...
That was...
The greatest
thing I've
ever felt

Back at
Random Play

I still
can't believe
I'm actually
doing this...
Just the
face left

I guess there is not turning back now... Just align the face correctly

It is weird that my body is perfectly fitting into her body

Phew... That should be good enough

Given Yanagi's... Erhm... Size.. I didn't think the face would be the hardest part to wear

I can already feel her "things" weighing me down

Huh? My voice! It sounds just like Yanagi's voice

So
I really did
become Yanagi
by wearing
her deflated
body

I can't
believe this
is real life!
I'm a woman
now...

WOAH!
This view
is crazy...
I can't even
see my own
two feet

So this is what having boobs feels like... They're soo massive

I'm just checking on Wise and letting him know Belle is okay...

Nothing else... Just doing my duty...

Arghh! What is this sudden headache?

Huh...
Are these...
Memories?
Arghh...
So much
information

Are all
of these
Yanagi's
memories?

Ohh...
It appears
to have
subsided...

...But
why did
I suddenly
aquire
all of her
memories?

At least
I don't feel
weird about
being in Yanagi's
body anymore
so thats
good

How should I adress Wise... Just Wise... Or maybe Proxy! Or call him Big brother like Belle...

So many options... What to choose?

Huh?
This
voice...

I should
probably
let Miyabi
and the others
know that
Yanagi is safe
before they
start looking
for her

Huh!?

What is she doing here!? Is she looking for me?

Think Wise... What would be best

Huh?

Belle!
Yanagi!

I know
I was worried
about her...
But why did
she have to
come back
now

Why would Yanagi be here? Could she be searching for me?

Ohh it's lovely to see you sis... I mean Belle

Get it together Wise! You have to make her believe you're the real Yanagi

Ohh!
Thats right
I almost forgot
about this
bitch

Seeing her like this brings me great joy

However people will start asking questions if she dissapears hmm...

...What should I do with her body?

BY TSF AI

Ohh!
Now that
idea I like
a lot

According
to her memories
Evelyn always
wanted a cute pet
she could
play with
