## A COVETED BBW BEAUTY.

There were few people more famous on social media than Naomi Jackson. She was the most beautiful woman to grace social media with her pictures. She was large, and her assets were just as big and impressive. Many magazines featured her on their cover, and news outlets fought over each other to interview her.

Naomi never took any nude photos, even though she got offered mountains of money because she knew that keeping the mysticism would help her in the long run and it would make her more money. It took more than a pretty face and a sexy body to reach those heights: she was also a brilliant businesswoman.

She had a small group of assistants dedicated to managing her social media and checking for any mentions of her. Many people had crushes on her, but that was normal for her. Sometimes equally famous people would message her to invite her to exclusive events or to do stuff together, and her assistants reported those messages to her. Derek Romano, one of the most famous soccer players of his generation, reached out to her and his name appeared in one of those reports.

Naomi was in her mansion, relaxing in her living room after a photo session with a magazine's photographer. Her outfit consisted of a baggy shirt and barely covered her stomach and was loose enough that her enormous tits hung freely, and a shot that only got to the middle of her ass cheeks. She arched an eyebrow when she saw the soccer player's name in her report, and she hopped on her Instagram to check the message for herself.

Derek was an attractive man. He was tall and in top condition. His chiseled jaw, crowned with a pearly smile, made him one of the most charismatic players out there. Naomi wasn't into sports, but she knew of him. She read the message.

"Hi, Naomi. I'm Derek Romano. You hear this all the time, I'm sure, but you're the most beautiful woman in the world. I'll get to the point: I have a business proposition for you that can't be discussed over text. Care to meet me at my place this Sunday? I assure you that it'll be worth your time."

The beautiful, voluptuous woman read the message for a second time. What kind of business did he have in mind? It was intriguing enough for her to consider going, and he was also an attractive man.

"Hmm. I don't know," she said to herself.

She put her phone down and turned on the TV. As destiny would have it, Derek Romano was on the screen since the news anchor was reporting on his team's latest victory, with him scoring the winning goal. Naomi smiled at the coincidence.

"Maybe I should give it a shot. I won't make it easy for him, though."

She grabbed her phone to text him back.

"I'll be there on Sunday at six o'clock. I won't stay for long, so your proposition better be good enough to keep me interested. I like Italian food."

That should do it. The weekend was almost there, so at least she wouldn't have to wonder about his proposition for long. Her phone buzzed almost instantly after she sent the message.

“It’ll be good. I’m an excellent chef, I’ll do my best to make a meal worthy of you.”

If what he said was true, she would eat everything that he threw in her direction. The woman enjoyed food with a passion, and her figure reflected that. There was no shame in it since it only made her more beautiful.

The mystery around his proposal would come to light soon enough, and she would enjoy a great meal that would only cost her one afternoon. Her time was precious, but there was something about that man that convinced her. It helped that he had such a gorgeous smile. She called her personal assistant. A young girl picked up on the other end.

“Hi Naomi, what can I do for you?”

“I need you to cancel my appointments for Sunday.”

“For real? You had a-”

“I know what I had, and I don’t care. Something else came up.”

“I understand. They won’t be happy, though.”

“You can reschedule them for next week. That’ll keep everyone happy. Tell them that something personal came up.”

“I will. Is everything okay?”

“Yeah, nothing came up, but it’s a lie that won’t allow them to ask further questions.”

“Okay, I’ll get it done.”

“You’re a sweetheart.”

Naomi hung up and put her phone away with a smile on her face.

Her assistant noticed that she was lost in thought the next day at a photo shoot.

“Okay Naomi, something obviously happened. What is it?”

“Nothing that I can share yet.”

“So mysterious.”

“You know me. I’ll tell you all about it if things go well.”

“And if they don’t go well?”

“I’ll probably be cranky for the rest of the week so you better be ready.”

They both laughed, and her assistant shook her head. Her boss had quite the temperament sometimes, and she feared that if things went south, whatever they may be, she would be having a hellish week too.

“This has something to do with that soccer player messaging you, doesn’t it?”

As usual, her assistant had nailed it.

“What makes you be so sure?” Naomi asked.

“Just a gut feeling. Also, you deleted the conversation from your account.”

“How dare you spy my private conversations?” she asked jokingly.

“Well, it’s my job and all that. Anyway, you don’t have to tell me, but be careful and enjoy yourself.”

“Always am and always do. I’m Naomi Jackson, after all.”

The large woman went to take her place in front of the photographer’s lens and posed for him. They had different outfits for her, and she put all of them on. She was a natural in front of the camera, and that charisma and ability helped her a lot in getting the amount of fame and recognition that she had.

She didn’t have anything scheduled for the next few days. Nothing except visiting Derek’s place to hear him out. She drove there herself and parked outside of his mansion.

Derek's place was more impressive than Naomi thought, even after looking for pictures of it online. The garden was well-kept, and a few stone statues adorned it. It was like something out of a fairy tale.

"What are those statues?"

"Which ones?"

"The ones in the garden. It looks like some Medusa shenanigans."

"Oh, those," he said, laughing. "I like statues, and I happen to know a wonderful sculptor. I can commission a statue of you, but it wouldn't make the real thing justice."

Naomi smiled. Derek was smooth; she gave him that.

"What did you bring me here for?" she asked.

"Before we get to that, should we take a seat at the table? The food is ready."

"Okay. I'm starving, so it better be good."

"It's good. I'm not just good with my feet, you know?"

The man guided his guest to an elegant dining room. The white walls were spotless, and they had a few paintings hanging from them. A couple of potted plants gave the room life with leaves just as green as the garden that she saw before.

"No statues here?" she asked, jokingly. "I'm disappointed."

"I'll make sure to get some for your next visit."

"Who said I'm coming over again?"

"You never know."

She sat down, and he went to the kitchen, coming back seconds later carrying a tray with two plates: one for her and one for him.

"First, some spaghetti carbonara," he said.

“At least you paid attention during the call.”

“I always pay attention.”

The food was delicious, and Naomi devoured it. Some ravioli followed that plate, and the meal ended with meat lasagna. The man was right about one thing at least: he wasn't only good with his feet. Those hands rivalled her best chefs, and it didn't cost her anything at all. A delicious tiramisu was the perfect dessert to crown the evening.

“Come on, spill it. Who did you hire to cook all of this?”

“You flatter me, Naomi. I told you that you'd like it.”

“I loved it,” said the woman patting her stomach.

“There can be more where that came from.”

“Now, now; don't get ahead of yourself. You have a business proposition for me and I'm here to listen to it.”

“Yes, I do. Let me clean up.”

Derek took all the empty plates to the kitchen and left the table clean and without distractions. He sat down and looked seriously at Naomi.

“I have admired you for a long time,” he said. “And I need to have you.”

The woman's eyes widened at the man's boldness. He had her attention.

“I know that having you wouldn't be that easy, and that you have many suitors, so I want to pay you for your time.”

“Do you think I'm for sale?” she asked, pretending to be offended, but she was still intrigued.

“Not at all. I simply want you, and I'll pay you a considerable amount to make sure that it's a worthwhile experience for both of us.”

She took a moment to ponder about it.

“How much are you thinking about?”

“Ten million dollars for an entire night with you.”

Naomi hid her emotions, but she was pretty shocked to hear that number. The offer was much more than she expected. It was a nice, round sum and not the kind of money that one would turn down. She enjoyed having sex too, and there was no reason to decline. The man was attractive, charming, and a good cook, the perfect combination.

“And when would that be?”

“Tonight. Simply stay here with me.”

“I’ll have to think about it.”

“I have already transferred the money to your account.”

She pulled out her phone and checked. He was right. The money was already there.

“Huh, look at that. I can just walk away now that I have the money, why did you transfer it before hearing my answer? I can say no.”

“Yes, you can, but the world belong to the bold.”

His smile was too much. She put her phone away and closed her eyes for a few seconds.

“I guess I’m yours for the whole night.”

“Naomi,” he said while his heartbeat got faster, “let’s make it count.”

He got up from his seat and walked up to her, kissing her on the lips. He didn’t waste any time and put his hands to work, exploring her large body through her clothes and squeezing every bit that he could find. This was what he always wanted, and he was going to enjoy it thoroughly.

His hands were callous, like those of a working man. He was a soccer player, but perhaps he had other hobbies. She enjoyed the roughness of his caresses on her skin. He was forceful, grabbing her everywhere and rubbing her most private parts. Her nipples got hard after a couple of minutes, and he smiles upon noticing it.

His attention shifted to her chest. The man took her tits out from her top and used his tongue to tease her hard nipples; he also bit her enormous tits, cupping them with his hands when he wasn't rubbing them. Naomi saw his cock getting hard in his pants, and a mischievous smile appeared on her beautiful face.

“Let's go to my room,” he said. “I want you to do something for me.”

“Okay.”

Derek guided the big, beautiful woman to his room, a spacious one that had a king size bed for them to play and enjoy themselves. He lay on his back while the woman slowly took her clothes off, dancing sensually for him. His pants came off and went flying somewhere, revealing his hard cock poking through his underwear. He tore his underwear in his desperation while trying to take it off.

“Let's start with a classic,” he said. “I want you to suck my cock.”

“Only if you promise that you won't cum right away.”

“I don't know what to tell you, those juicy lips of yours will be tough to resist, but I'll try my best.”

Naomi dragged the man by his legs and pulled him to the edge of the bed. She kneeled and glanced at his hard cock, red and throbbing, with its veins popping out. She licked his shaft, but just barely. The slightest touch was enough to make his cock jump like crazy as if it wanted to explode already. She used her saliva to jerk him off, slowly applying pressure to the base of his cock and going up and down with her right hand. She took his cock into her mouth and wrapped her full lips around it, sucking it and putting her tongue to work.

“Fuck. Keep going,” he said.

She bobbed her head up and down, getting his cock farther into her throat every time. She was warm and wet, and he felt so good that it would be a waste to not cum down her throat.

“I’m going to cum, and I want you to swallow everything. Don’t worry, that won’t be the only time I’ll cum tonight.”

She smiled at him and doubled her efforts, applying suction and focusing on the head of his cock. The man was in a dream, but the large woman kneeling in front of him was very real. He grunted and thrust his hips against her while he unloaded fat strings of semen directly down her throat. His semen was thick and tasty, and she swallowed all of it. Once he was done, she sucked the tip of his cock to get everything and then licked it clean.

“You better return the favour now.”

The woman got on the bed and on her back and spread her legs for Derek. She spread her pussy with her fingers to show him that she was ready to be pleased. The man eagerly positioned himself between her legs and got his face so close to her pussy and his breath tickled her. He was breathing erratically, with the same excitement as before despite just orgasming. He was in it for the long run.

He used his hands to grab her folds and spread them to reach her pussy better. He dove right in, kissing it and using his tongue to explore and taste her. A mixture of sweat and her juices invaded his senses, and he loved every second of it. He was experienced, and it didn’t take him long to find her clit, which he teased relentlessly and got a positive response from the woman. Her large body shook when he pressed the right buttons, and she reached for her tits to pleasure herself. She took them into her mouth, alternating them and sucking on her own nipples.

The stimuli became overwhelming, and the woman came in an explosion of moans and twitching, as an ocean of pleasure almost drowned her and left

her with a broad smile on her face. Derek looked up at her, proud of making her cum with his mouth.

Naomi pushed Derek on his back without saying anything, and she positioned herself with her ass above his face.

“Yes! I want to have your ass on me. Sit on my face, please.”

The woman complied and slowly lowered her heavy ass on him. It crushed him at first, and he couldn't breathe that well, but he quickly adapted. Having her enormous body on his face got him hard almost instantly. Her thick ass cheeks covered the sides of his face, and she bounced up and down to take the experience to the next level.

This ritual woke something primal inside the man, who quickly pushed her to the side and got on top of her, with his hard cock rubbing against her pussy. He got inside of her in one swift motion and started thrusting harder and harder. He grabbed different parts of her body for leverage, with the only constant being that his hips were moving relentlessly, destroying her insides with his hard cock.

She rolled her eyes back as his cock filled her and her tight walls clamped down on it. Their moans and grunts mixed, just like their sweat and fragrances. They shared a passionate kiss, and the act was loving despite the roughness involved.

Her skin was full of marks, most from his fingers and some from his mouth. He wanted the whole world to know that she belonged to him, if only for one night. Unfortunately, they were only together for a few hours, according to their agreement. He would be the happiest man in the world if she stayed with him, but he knew how unlikely that was.

The act of making her his turned him on immensely. The past and the future didn't matter, only the present and his hard cock inside her tight pussy. He tensed his jaw and fucked her harder and faster. Her eyes teared up, and he

got worried that she might be hurting, but she reassured him as if she was reading his mind.

“That’s perfect, Derek. Fuck me harder! Use this pussy all you want because it’s yours for tonight!”

Now that he didn’t have to worry, he grabbed her hips and thrust his entire cock inside of her as he felt another orgasm building up. He released another heavy load inside of her, and the warm feeling of his seed sent her over the edge. They came almost at the same time, in a tight embrace that turned into a cuddling session after he was done cumming. His semen spilled from her pussy and onto the bedsheets.

They remained like that for a while, enjoying each other’s presence, skin to skin and with their arms and legs entangled. Derek looked out the window as the sun started to appear and fill the room with its rays.

“Is it morning already? Damn.”

“Don’t tell me that you were planning on going for another round.”

“Well,” said the man, laughing, “I’m pretty spent but you inspire me in such a way that maybe I’d be able to, who knows.”

“Save your strength or you’ll die early.”

“My wish came true by having you for a night, I wouldn’t mind dying now.”

Naomi laughed. His eyes showed that he was sincere.

“I guess you can go now,” continued the man. “Our arrangement was for the whole night, and the sun is rising.”

“Are you kicking me out?”

“No, of course not! I didn’t mean it like that.”

“I know silly, I’m just messing with you.”

The woman looked at his charming smile and his somehow still hard cock. It had been so nice; she hadn't been loved like that in so long, so passionately and raw.

"I don't know," she continued. "Maybe I'll stay for a while."

Derek smiled and kissed her on the lips.

"I'll cook you breakfast. Rest here and I'll call you downstairs when it's ready."

"Okay. Sounds like a good idea. We need to replenish some nutrients, don't you think?"

"Definitely. And who knows, maybe we can spend them again later today."

"Mhm."

The man put on a robe and his slippers, and he went downstairs to the kitchen. Naomi stayed in bed, still catching her breath from the intense workout that she just went through. Maybe it wouldn't be so bad to spend another day with Derek, even if the arrangement was over. She was wealthier and happier, and the world was her oyster.

She closed her eyes as the smell of delicious food invaded the bedroom. Whatever it was, it was going to be delicious. Maybe Derek would earn another night like the one they just had but without cost.
