

It was the day
my boyfriend
introduced me

to his parents..

when we met him.

YURI?
OH MY GOD..

IT'S ME!
JASON..

flinch

?

YOU KNOW
HIM?

UHMM..
WELL..

SAY HELLO
TO JASON..
HE'S A FRIEND
BACK FROM
COLLEGE

WHAT??

(SPEAKING IN KR)
GREETINGS!
YURI'S BOYFRIEND?
OR SHOULD I SAY
THIS IN ENGLISH?
HI.. I'M..

To tell you
the truth..

Jason was my boyfriend
for 2 years in college.

He recently
started sending me
messages through SNS

But we broke up
when he went back
to the States after
graduation..

He claims that
he just can't get over me
even after three years..
He even told me that
he would come and
see me..

I ignored all
the messages
because I was
dating my boyfriend
on the premis
of marriage

The only memories
that I have left
with Jason are
nothing but sex

I never knew
that he was
this serious

That was something
very hard for me to
forget after the break up

Who would have known
where I've ended up
if it wasn't for my
caring boyfriend.

It's a bit embarrassing
to admit but Jason
was the best at sex
out of all the men
that I have ever
been with..

YURI?

You remember this right?
I miss ya bae

WHAT'S UP?
WHY ARE
YOU SO
LOST IN

Although our
relationship has
lost its spark
a bit these days..
But I truly love him.

I've erased
every trace of
Jason..

HEY YURI!

I.. I NEED..
SOME TIME
TO THINK

my boyfriend
already
buddied up
with Jason..

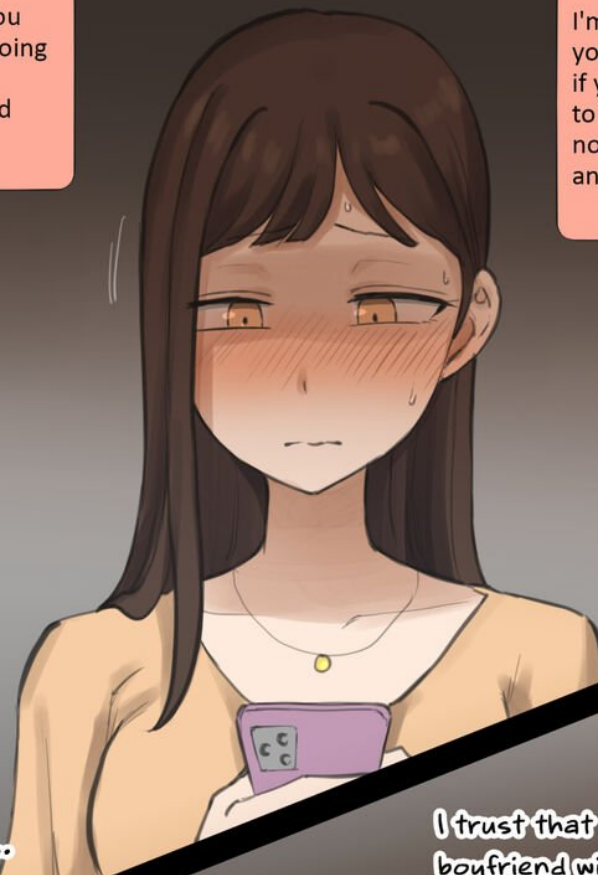

Jason,
I'm telling you
I am really going
to marry
my boyfriend

I'm only letting
you stay with us
if you promise
to that you are
not going to cause
any trouble

What?
No, I can't!
Don't fool
around with me
I'm dead serious.

It must be his
sheltered childhood..
Letting his guard down
so easily.

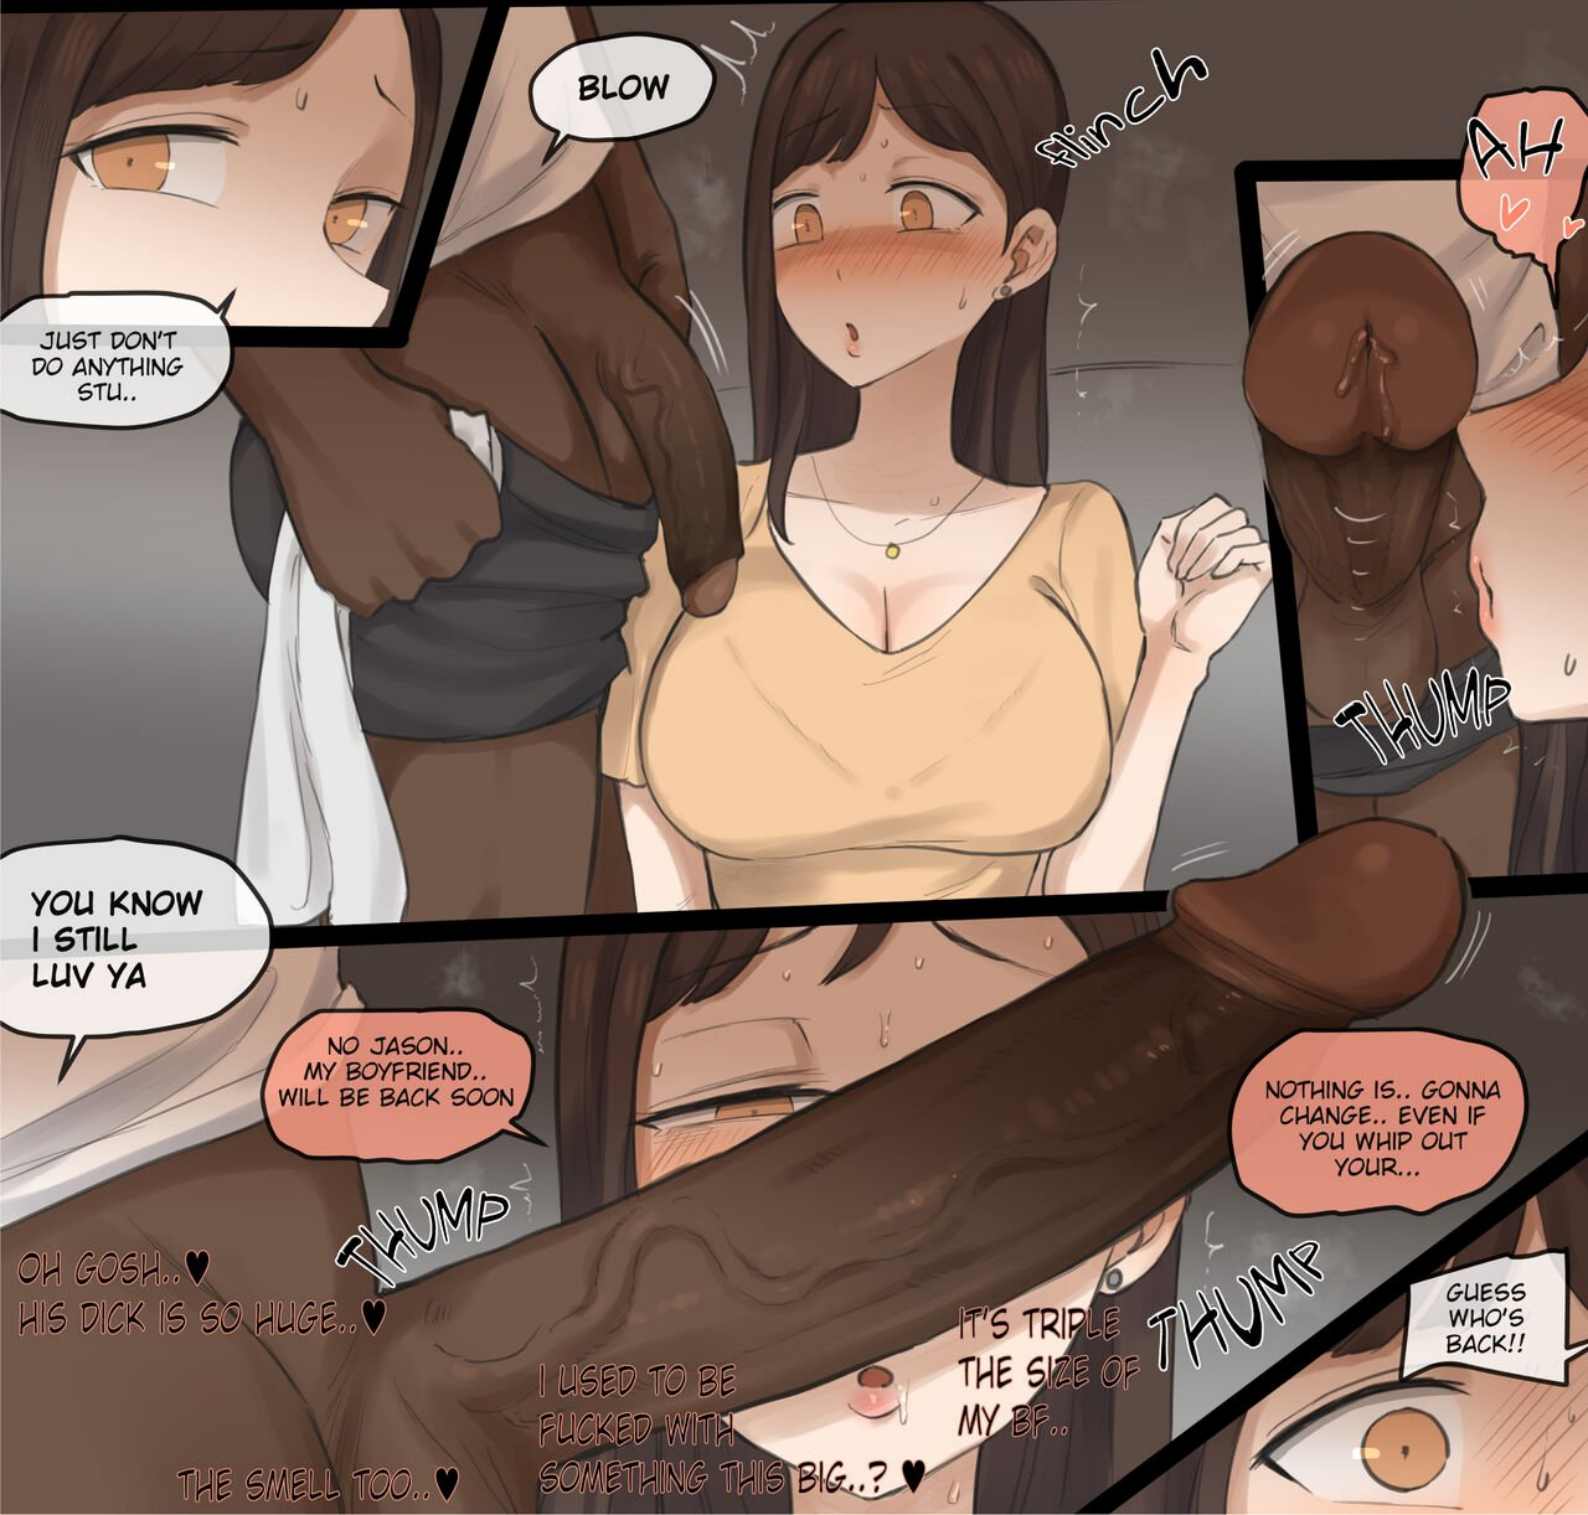

I trust that my
boyfriend will look after me..
..things are going to be okay..
