

Day 1

Hello Rick, we're delighted to have you with us in this program offered by our company where you exchange experience with another employee for a year!

I'm glad too, I'll consider it as a vacation, how hard can the secretary job be.

Day 2

I understand that the employee I exchanged experiences with is a woman, but is it really necessary for me to wear her clothes?

I'm not sure if you've noticed, but we don't have male secretaries. All our secretaries are women, and you'll need to respect that if you want to remain in the company.

Day 20

I've lost a lot of weight from those pills, at least this outfit covers more skin, but I feel like these pants are tight in places they shouldn't be.

Stop complaining, I'm glad the pills are working, plus these pants accentuate your curves. You don't need to feel embarrassed about showing your body. Now, go and get me a coffee after you finish the reports.

Day 154

I can't believe I'm forced to come to the office dressed like this. I can barely walk in heels, and my hair has grown so much...

You have to adhere to the dress code of a secretary working in the company. I'll send you some makeup tutorials; you need to look as presentable as possible, Sara.

Day 265

I only have 100 days left in this program, then I can return to my old life. I'll sue once I get back home, even though the boss has been very nice to me since he gave me those headphones to use at night. Maybe I'll get out of here earlier if I comply.

Day 365

Sara, come to my office for one final test. If you pass it, we'll extend your contract.

Alright, boss, I'll do my best to pass this test. I really want to work as your secretary.

Day 365

Let's get to work!

You don't even know how long I've been waiting for this moment. I promise it's going to be the best blowjob you've ever had.
