# EXPLORING NEW HEIGHTS

CHAPTER 4

112 PAGES

Are you ready to take it?

Wha..?! I can't take all that!

This thing is a monster.

You're just too tiny.

I guess there are other ways you could pleasure me.

Whatever you want!

Let me sit down. Then you can rub yourself all over my fat cock.

Fuck. I'm so wet. How is he this huge?

Yes, go ahead.

Your cock is so fucking massive!

I've never seen a bigger man.

Haha your hands are so tiny next to me!

They're.. average! You just have such a massive manmeat!

Damn, even in the middle of this, I can't stop thinking about Emily.

Every time I picture her face, my muscles feel like they're on fire.

Wait... I know this feeling!?

What the fuck is happening?

I thought you were joking! You really are still growing! But how is it happening so fast?

Keep going, Emily!

Emily? What are you talking about?

I said keep going!

This is fucking insane!

Let go of me right now!

I'm so massive!

You're a freak! I'm leaving!

Fine.

I have other things to take care of anyway.

I'm going to get Emily back. There's no way she can resist me now.

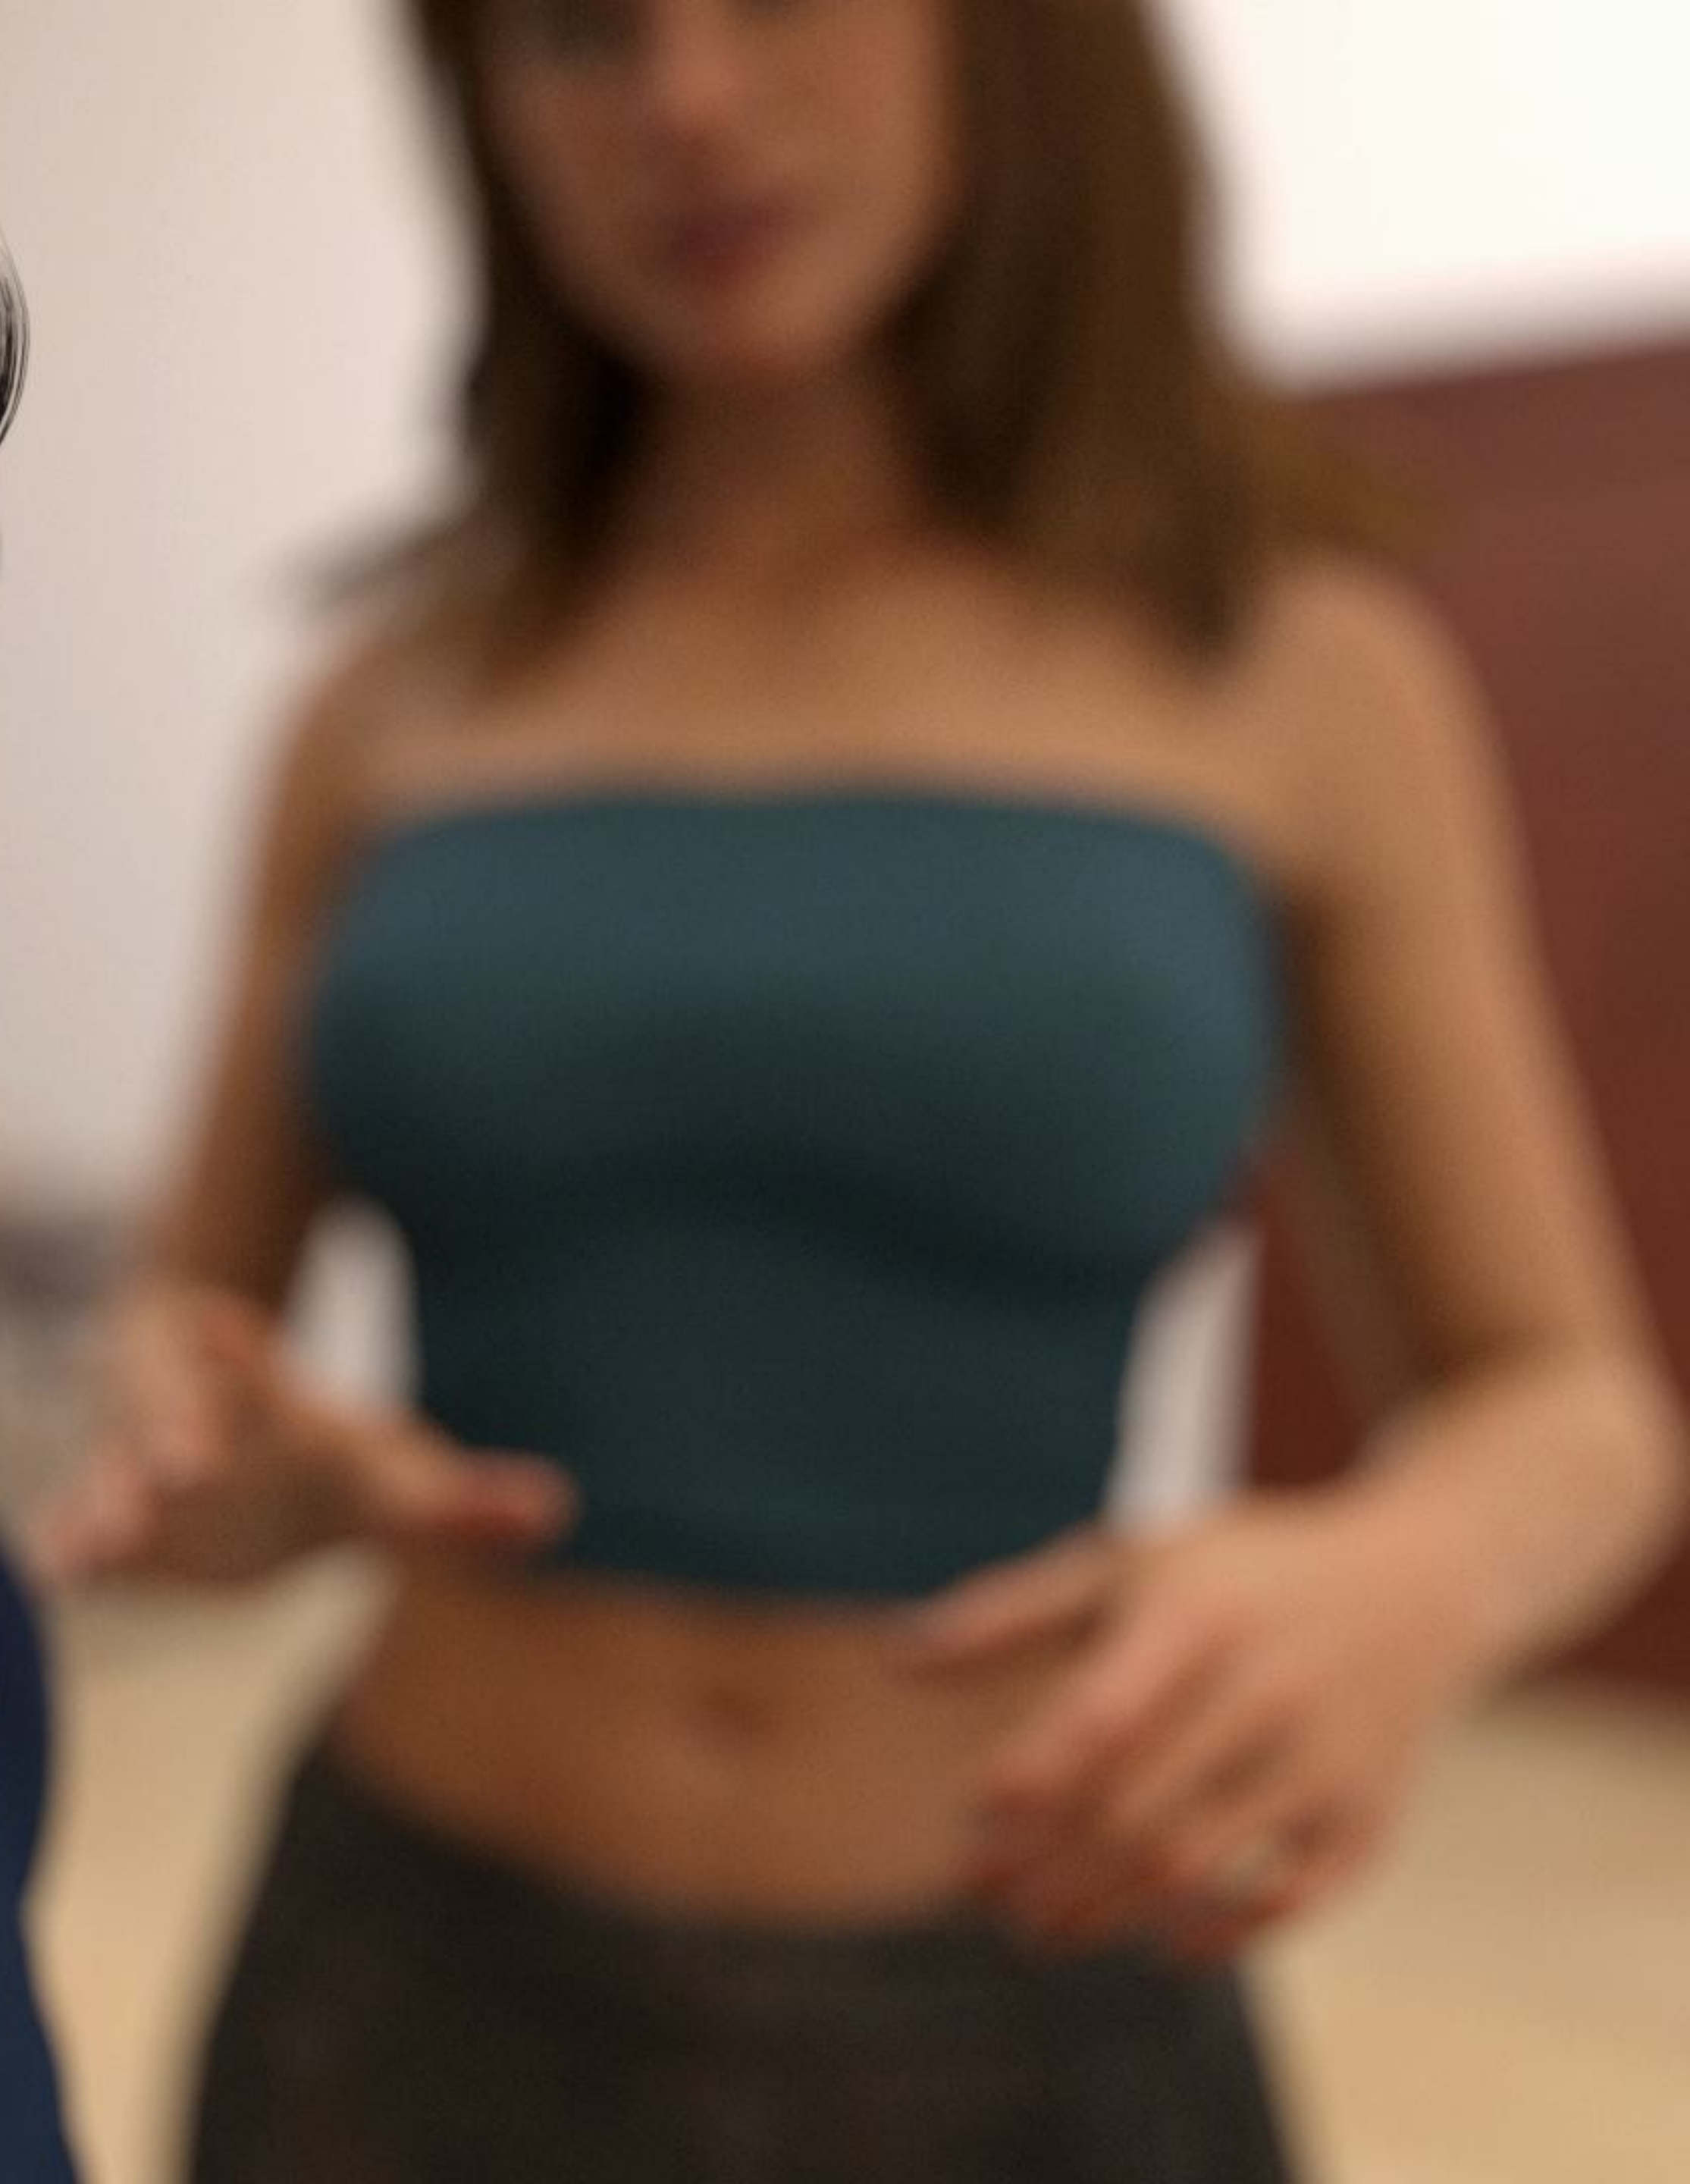

**A bit later**

So, I was thinking we could spend some time in the park later.

How can someone be so tall?

And his fucking cock is the size of my entire arm.

Adam?

There's no way I can compete with him.

Adam! I'm talking to you!

Huh.. Oh, I'm sorry. I was lost in my own thoughts.

I said we could spend...

BAM BAM BAM

Holy fuck, that was so loud it made me jump!  
Is that someone at our door?

**To be continued**
