

Honey, I have already called social workers.

I will take the...the old man out and find social workers to settle him down.

Do you need me to buy you anything?

He he...It seems like my plan works so well. My classmate doesn't notice anything wrong!

He probably thinks it was just a dream. Ha ha!

That works for me. An arrogant man like him is my perfect target!

Bump

I'm sure that your lovely wife will enjoy my gift. He he!

No. Just get
him out of here!

Somehow he
really pisses me
off! Huh!

Oh man. That fucking hobo makes my home so dirty and smelly!

I have to call pest control guys to sanitize the house or I can't live here.

Hey, God! Here!
I'm over here!

A woman with long, wavy black hair and a black off-the-shoulder dress stands in a narrow alleyway. She is looking towards a bald man whose back is to the camera. The alleyway is flanked by buildings with windows and has a cobblestone floor. A speech bubble is positioned above the woman, and another is near the man's hand.

I didn't keep you waiting for too long, right? That guy was really chatty. I tried so hard to get out!

So, I didn't spoil your plan, right?

Of course not.
Because of your
help, my plan goes
so smoothly!

To express my
gratitude, I will
change you into
anyone you like.
How's that?

Really? I can be
anyone I want
to be?

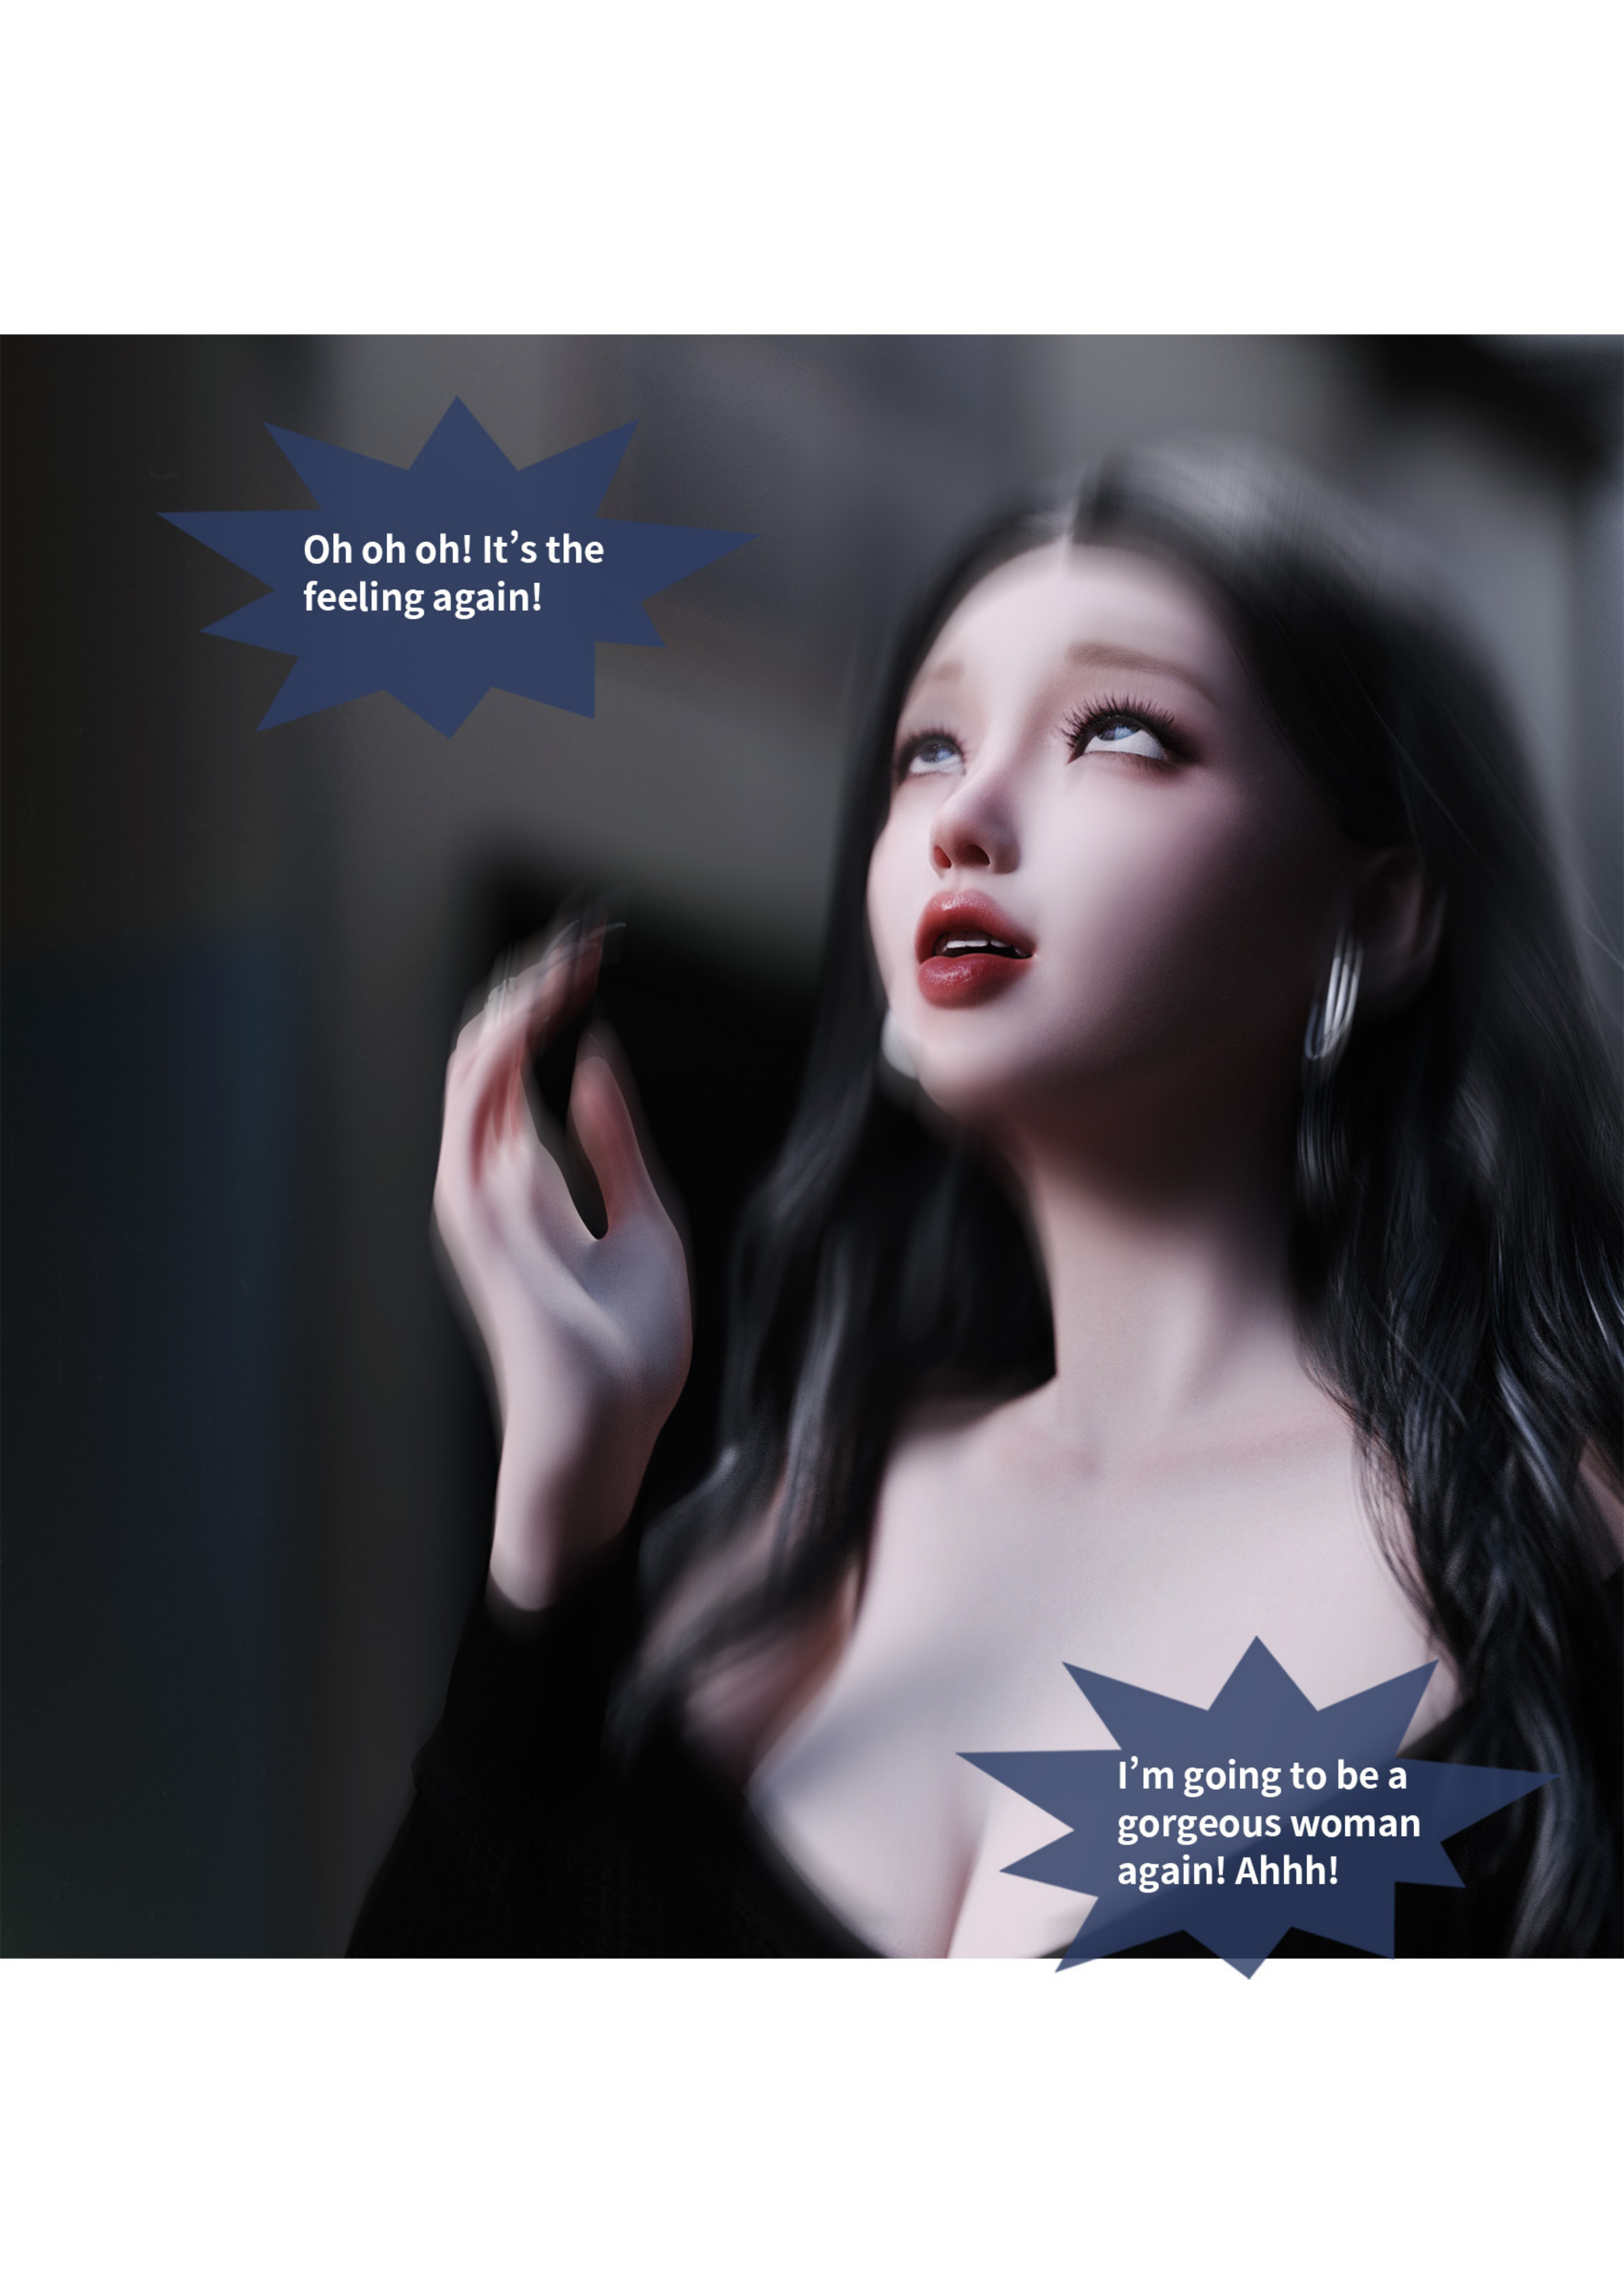

I have experienced
a beautiful woman's
life so I want to be a
pretty girl!

A bald man with a serious expression is looking down at a black smartphone he is holding in his right hand. He is wearing a black t-shirt. The background is a blurred outdoor setting.

Ha! I totally get it.
Being a hot chick is
so easy and
advantageous.
Everyone love it!

Take out

For you, I will pick a
lovely woman as
beautiful as me!

Oh oh oh! It's the feeling again!

I'm going to be a gorgeous woman again! Ahhh!

Huh huh. So? Are you satisfied with your new body?

I bring you some clothes because you can't wear your old dirty clothes!

I was an old
beggar and now
I'm a young and
attractive OL!

Thank you, God! You
gave me a brand new
life! I won't forget
your generosity!

Huh huh. You're welcome. I hope that you like your new body and have a great new life just like me!

Enjoy your new life as a woman. I will come to you when I need your help.

Now all the actors are in place. To complete the APP's tasks and become the new God. Shall we begin? Ha ha!

Oh...My private parts hurt so bad...

Since the last time I met with my husband's two classmates, my life was turned upside down.

My look got changed back and forth. When I was finally changed back, there was something weird in my crotch.

A woman with her hair in a bun is seen from behind, sitting at a dark marble table. In the background, a man is sitting on a light-colored sofa, looking at his smartphone. The setting is a modern living room with large windows and a potted plant.

Thank god that my husband is addicted to his smartphone so I didn't make out with me.

I really don't know how to fool him!

A woman is shown from the waist down, wearing black lace underwear. She is sitting on a toilet. A man's hand is resting on her hip. The background is a blurred bathroom setting.

I'm a woman but somehow get a man's penis. What should I do?

Bulge

I have to figure it out. What if my husband finds out, my life will be so over!

A woman with her hair styled up, wearing a black, long-sleeved, high-necked, form-fitting dress, is sitting on a modern, gold-colored metal stool. She is looking down with a thoughtful expression. The background is a modern interior with dark wood paneling and a large window. A purple speech bubble is positioned to her left, and a dark, textured rectangular block is in the foreground to her right.

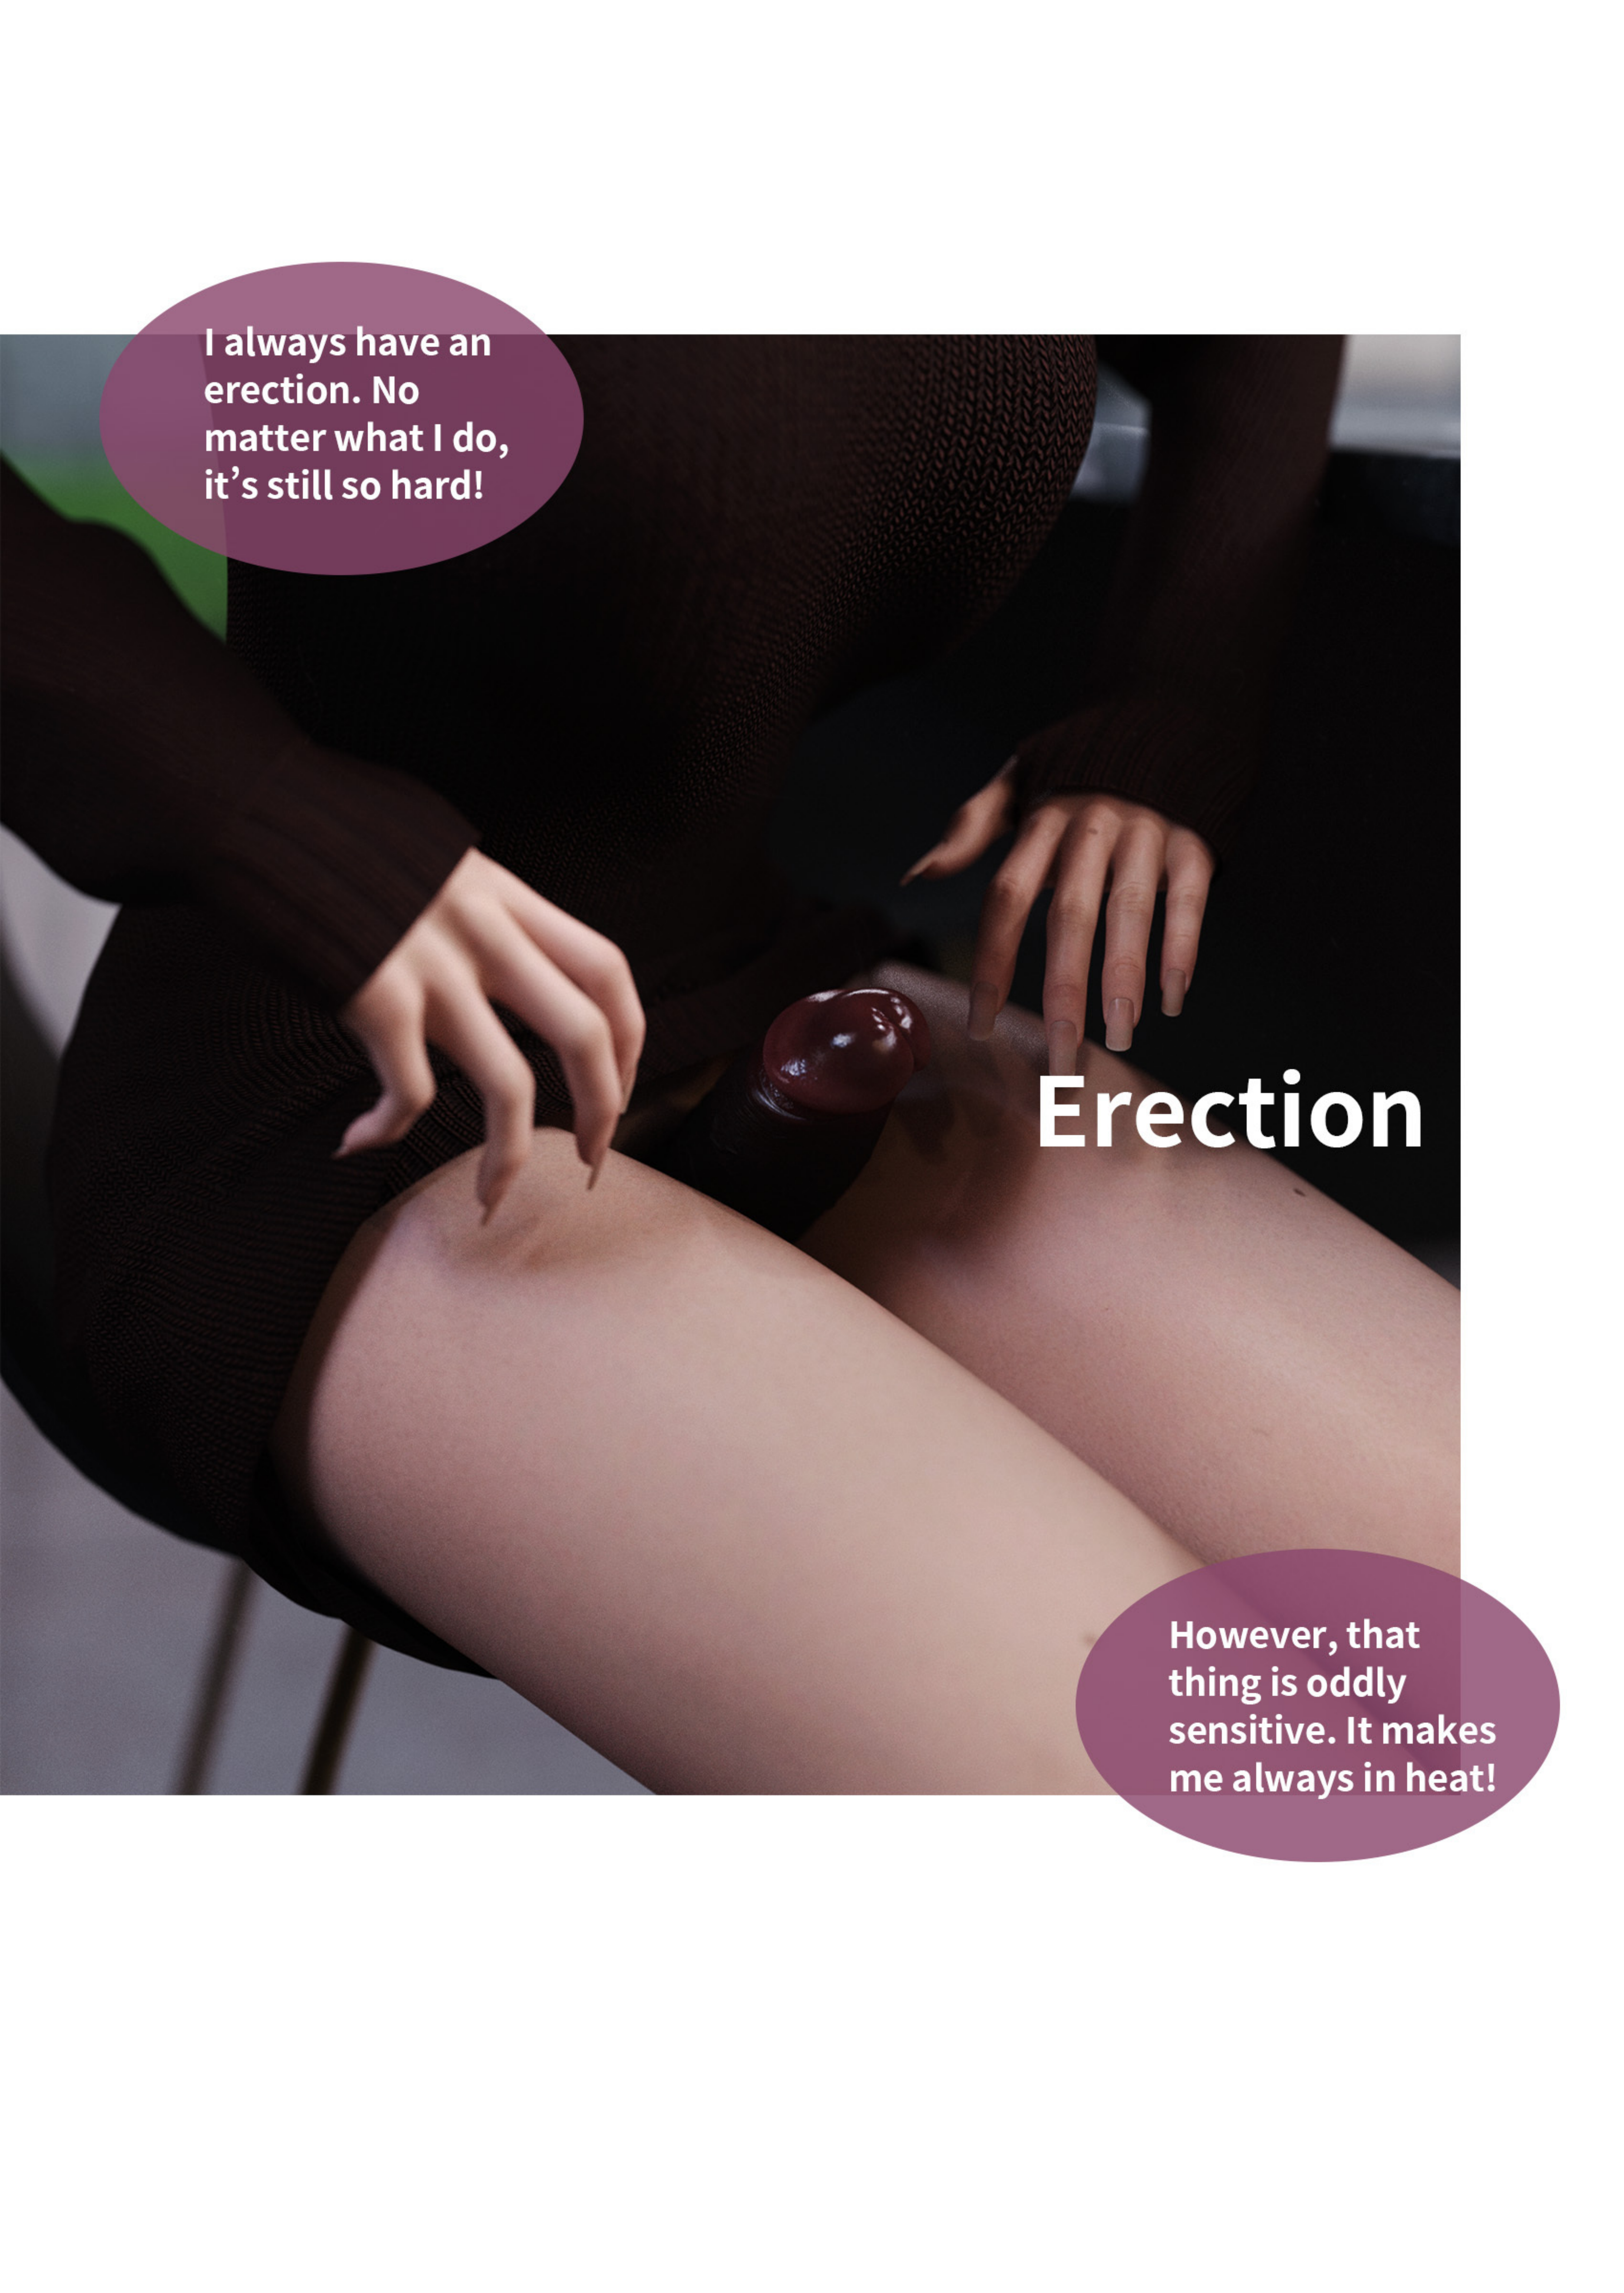

What can I do?
Should I go to a
hospital and have
it cut out?

Or should I ask the
strange lady? But
she's the culprit. Will
she help me out?

Let alone someone
finding out my secret.

That thing has been
affecting my daily life.
I need to learn to use
it to pee and...

A person wearing a black, textured sweater is sitting on a chair. A red vibrator is placed on their lap. Their hands are resting on their thighs. The background is dark and out of focus.

I always have an erection. No matter what I do, it's still so hard!

Erection

However, that thing is oddly sensitive. It makes me always in heat!

A woman with short brown hair, wearing a black, long-sleeved, form-fitting dress, is sitting on a gold-colored metal stool. She is looking down and to the right with a slightly sad or thoughtful expression. Her hands are resting on her hips. The background is a modern interior with large windows and some blurred lights.

**It's so hard that I
can't have a normal
life. It almost tore
my clothes apart!**

**Now I have a penis
so I learn that no
wonder men are
always horny!**

A woman with long dark hair, wearing a black, long-sleeved, form-fitting dress, is sitting on a gold-colored metal stool. She is holding a dark, round fruit, possibly a cherry or a small apple, in her right hand. The background is a blurred indoor setting with a grey floor and a dark, possibly marble, countertop. The lighting is soft and focused on the woman.

There's no other way. Maybe I jack off like men and it will be soft?

Hold on!

Not in a million years I would imagine that I would secretly masturbate like a teenage boy...

Um ah! My hands!
Why do they make
me so comfortable?
Oh no! I can't keep
my voice down!

Um ah!

A man with dark hair, wearing a dark grey turtleneck sweater, is sitting on a grey couch. He has a surprised expression on his face, looking towards the left. The background shows a modern interior with a large window and a green plant.

Wow! What's that?

Honey, why did you make that noise? Are you ok?

A woman with short brown hair, wearing a dark brown turtleneck sweater, is looking slightly to her left with a thoughtful expression. She is standing behind a dark, marbled countertop. In the background, there is a kitchen area with a wine rack filled with bottles on the left and a white appliance, possibly a washing machine or dryer, on the right. The lighting is soft and focused on the woman.

Well...Well? It's...It's nothing! I'm fine!

I was thinking about what's for dinner, I was enthralled and accidentally made some noise.

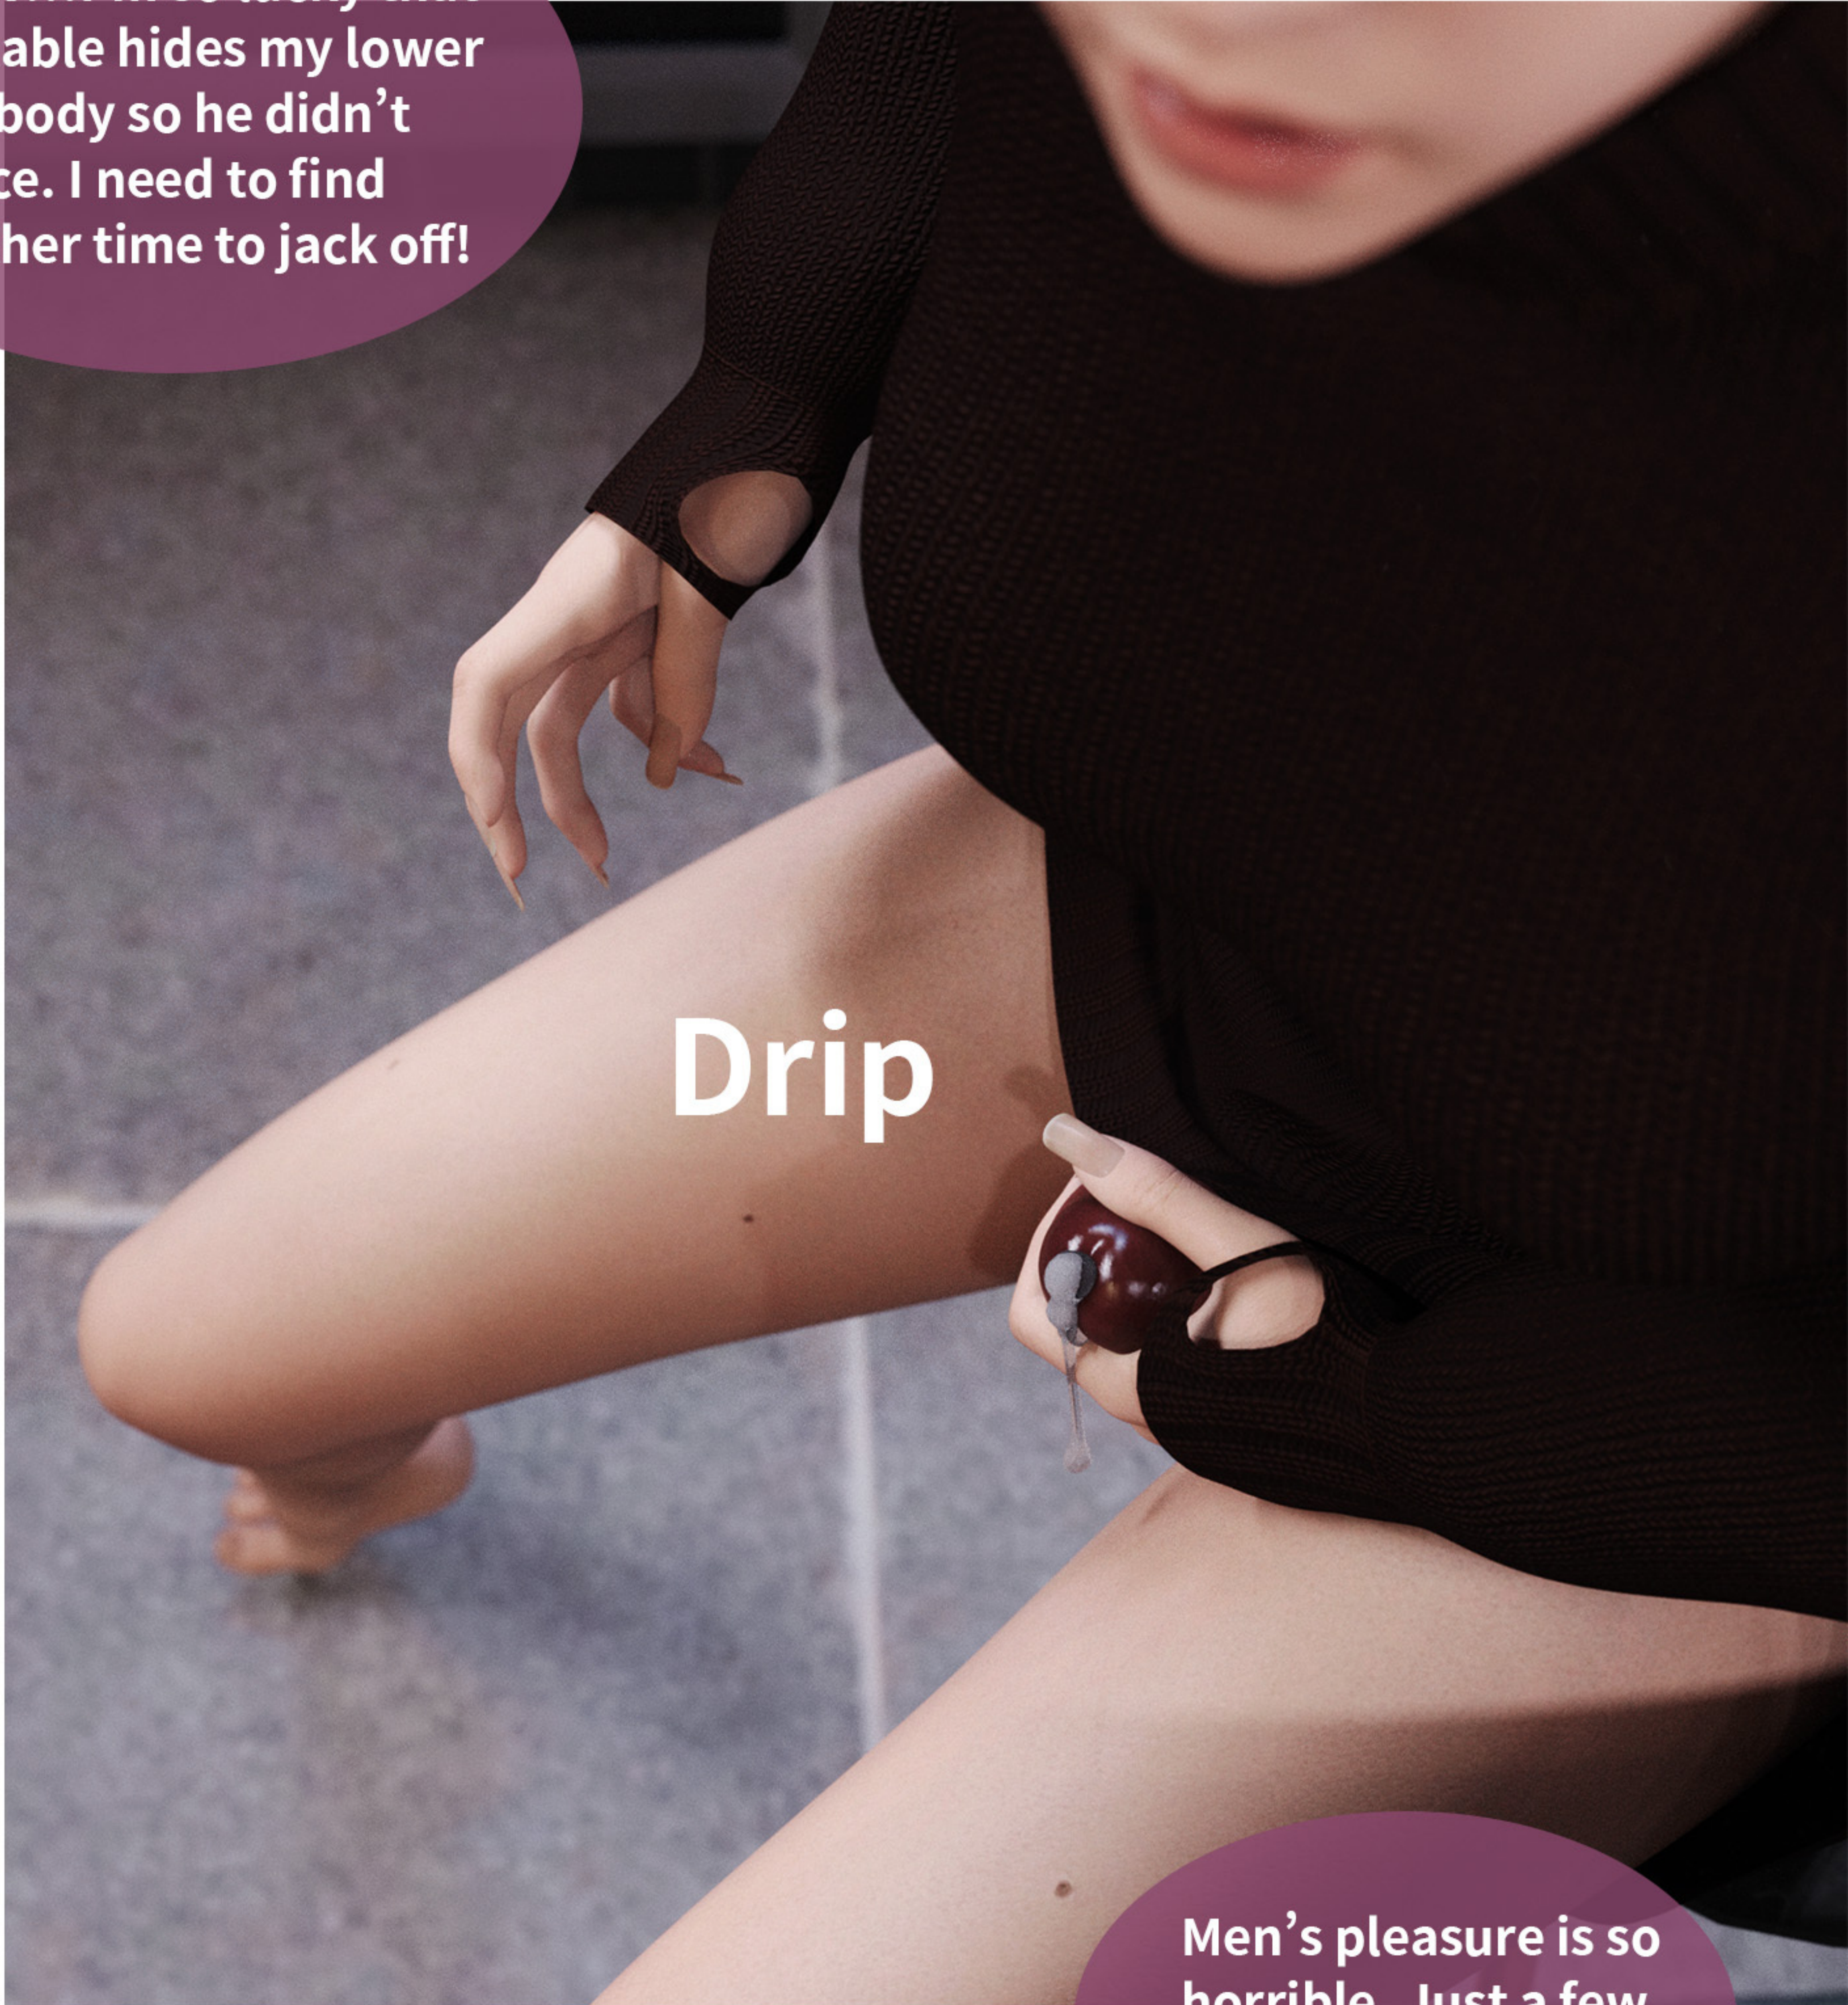

**Oh jeez! Come on.
You really spook
me out!**

**Well. Just keep your
voice down. You made
me forget what I'm
watching on my phone.**

Phew...I'm so lucky that the table hides my lower half body so he didn't notice. I need to find another time to jack off!

Drip

Men's pleasure is so horrible. Just a few touches and it can't stop cumming!

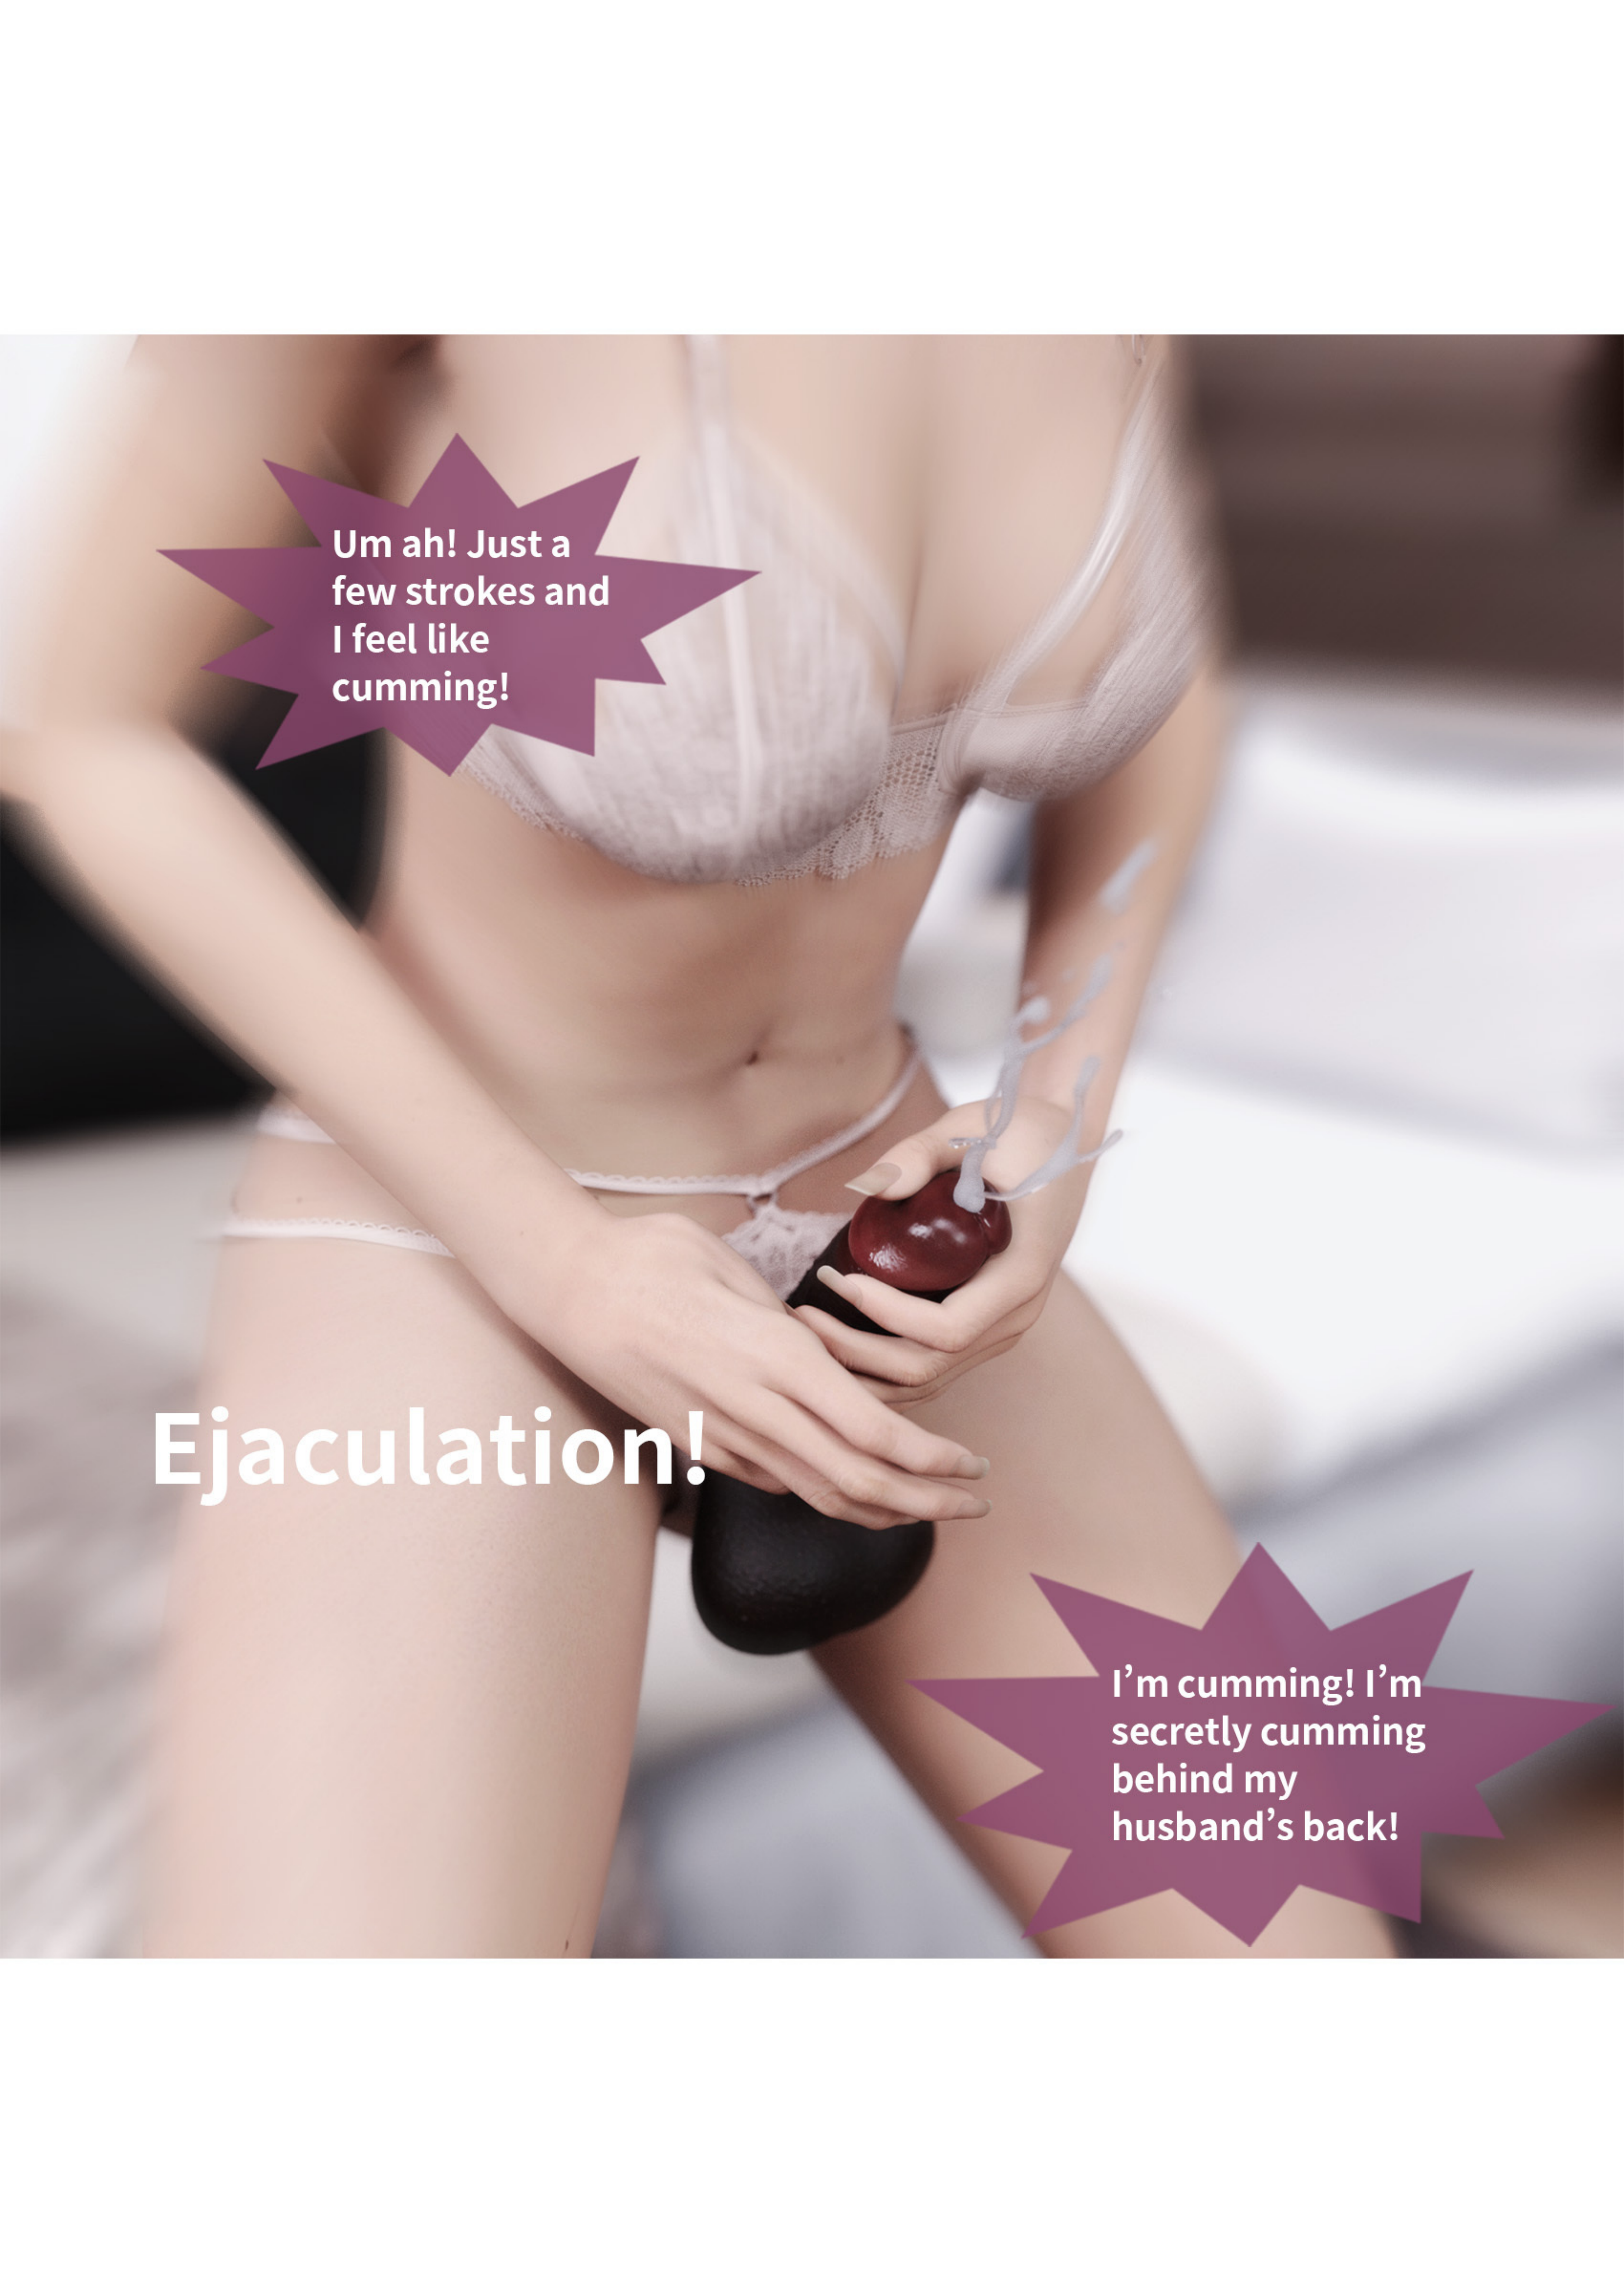

A woman with dark hair, wearing a white lace bra, is looking towards a man who is sleeping on a bed in a bedroom. The room is dimly lit, with a lamp on the bedside table and a bookshelf in the background. A thought bubble is positioned above the woman's head.

Finally...he's
sleeping!

I had to hide all day
so he didn't notice
anything wrong. I
have holded on to my
lust for so long!

And now I can
jack off all I
want! Ha ha ha!

Um ah! Why
does caressing my
cock feel so
wonderful? My
hands can't stop!

Um ah! Just a few strokes and I feel like cumming!

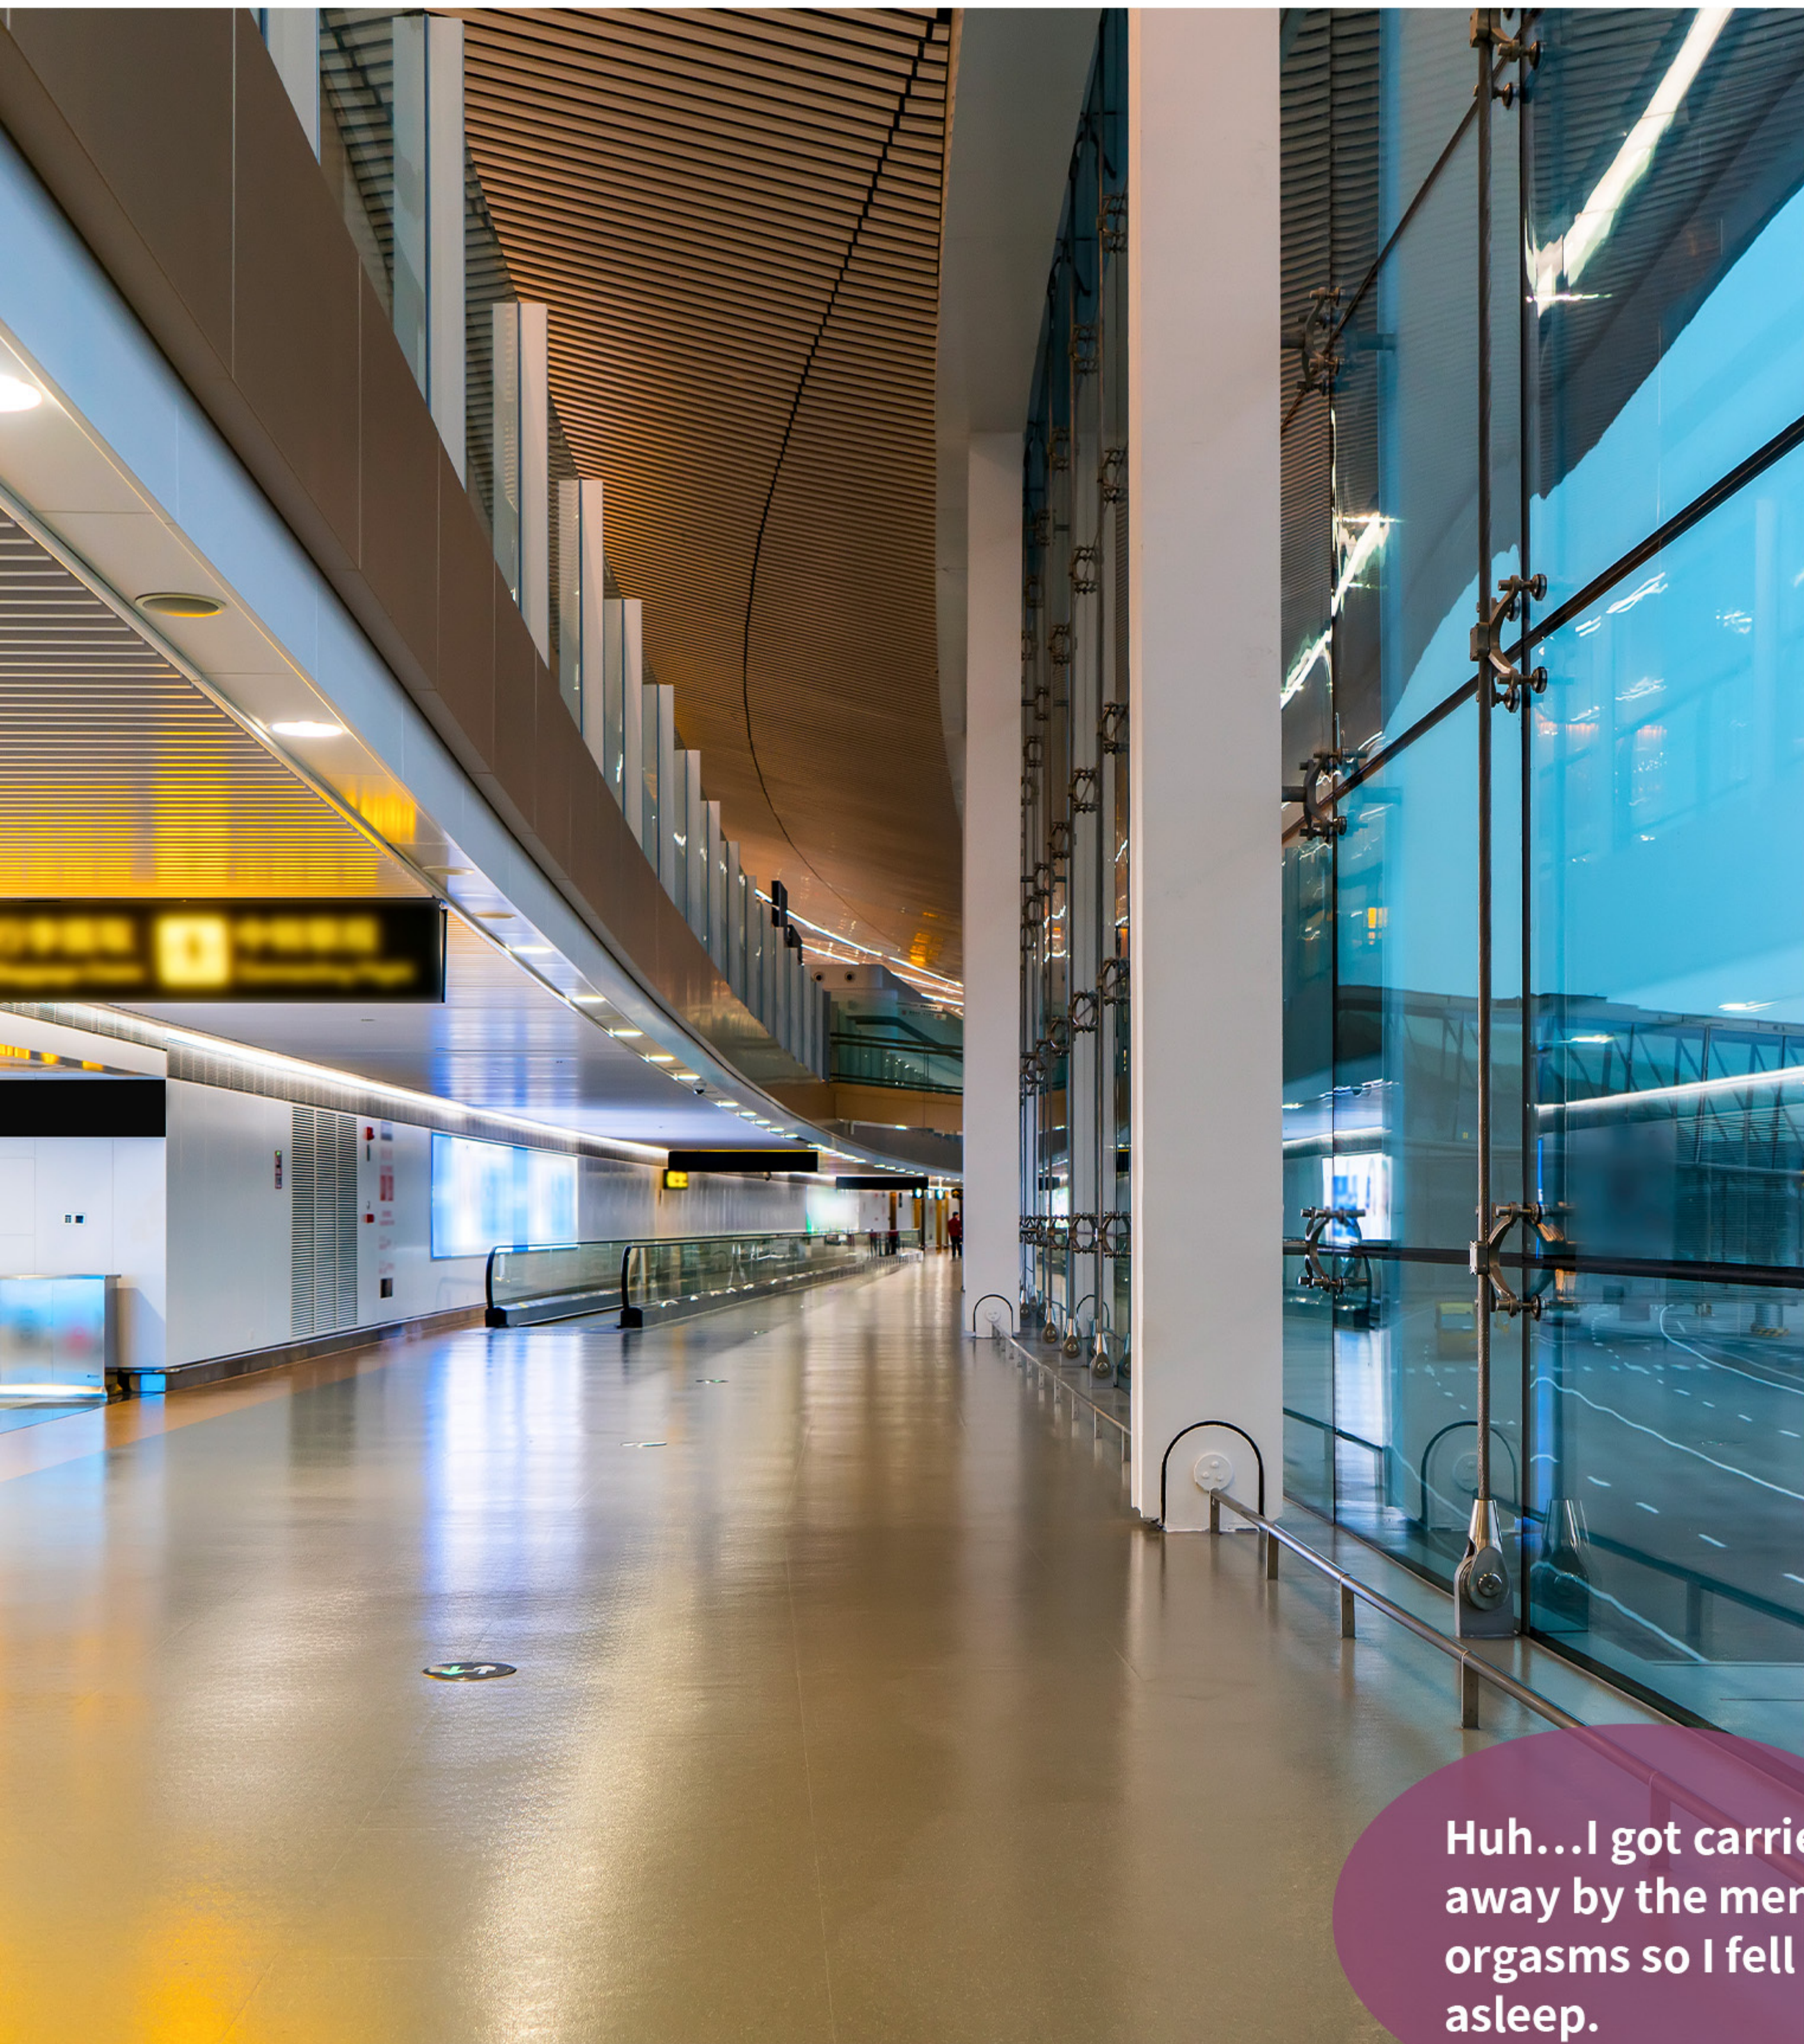

Ejaculation!

I'm cumming! I'm secretly cumming behind my husband's back!

A woman with dark hair, wearing a white lace bikini, is kneeling on a dark patterned carpet. She is looking up and smiling at the camera. She is holding a black vibrator in her hands. The background shows a bed with a patterned blanket and a white pillow.

Ha...ha! The sensation of cumming is so intoxicating! I really feel so amazing and comfortable!

Cumming once is not enough! I want to cum more until I'm satisfied! Ha ha!

Huh...I got carried away by the men's orgasms so I fell asleep.

A woman with dark hair, wearing a red high-neck, long-sleeved top and a black pencil skirt, stands in a modern office setting. She is wearing a black lanyard with a grey ID card. The background features large, glowing yellow circular lights and a blue office chair. A thought bubble is positioned above her head.

I cummed 4 or 5 times yesterday. But my cock is still so hard.

I can't help but to masturbate again before I go to work. I enjoyed myself so much that I was almost late.

When I have a penis,
the usual work
environment makes me
feel weirdly strange.

I'm afraid that
someone will discover
my body's secret but
deep down I'm
somewhat turned on.

A woman is shown from the waist down, wearing a black, form-fitting bodysuit and red gloves. Her hands are positioned near her groin area. A purple starburst text box is overlaid on the left side of the image.

Ah! It's happening again! I can't control my dick and it's getting hard again!

Bump!

A purple starburst text box is overlaid on the bottom right side of the image.

The tight feeling that my cock is tied down by my skirt! Oh!

A woman with long dark hair, wearing a red long-sleeved top and a black skirt, is shown from the waist down. She has a large, realistic-looking dildo inserted into her skirt. Her hands, with red nail polish, are resting on her hips. The background is a blurred pattern of gold and white circles.

When my cock moves, I can feel my belled rubbing my stockings. It feels so...so nice!

Oh my god. I have a hard-on again. I really...I really want to jack off right here!

I just cum one more time! Just once! It's ok, right?

Fondle

After all, I can't work when I have an erection. Yes, that's right! I masturbate because I need to work!

A woman in a black dress and high heels is walking in a modern office setting. The background shows other people in business attire, including a man in a white shirt and a woman in a light-colored dress. The scene is brightly lit, suggesting a high-rise office building.

Good morning,
senior!

Ah!

What's wrong? You look dazed. Did you have a good night's sleep?

I'm...I'm fine. I was just thinking about stuff.

A woman with dark hair pulled back, wearing a red turtleneck and a black skirt, is looking down with a slightly nervous expression. A thought bubble above her head contains text. In the background, another woman in a similar red turtleneck and black skirt is visible, looking forward. The setting appears to be a public space like a train station or office lobby.

Oh geez! She doesn't notice that I'm jacking off, right? Someone calling my name when I'm masturbating is so scary!

But...I don't know why but my cock gets even more excited. Is it because of the excitement that I almost got caught?

Check out that sweet tight ass. Why didn't I notice that she has a very sexy body?

Maybe it's because I have a penis, watching other women's bodies makes me so turned on!

A woman with short black hair and bangs, wearing a red turtleneck top, is looking down at her green smartphone. She is standing in what appears to be an airport or travel area, with another person in a red top visible in the background. The scene is lit with soft, indoor lighting.

According to the chat group, the flight is delayed due to weather. We are now on standby!

That's so annoying! I wanted to grab a bite with you!

Yeah yeah... That's really annoying...

Um ah~That tight ass. If I can use my cock to rub her ass, that would feel so fabulous!

Um ah! Just fantasize using my cock to rub my colleague's butt, my cock gets so hard! It's so hot!

I'm so horny. I can't control my penis. I want to use my cock to fuck women so bad! Ah ah ah!

Um ah! I'm such a naughty girl. I'm secretly fapping behind my coworker's back!

Stroke!

If she turns her head, my life is fucked. Just the thought of it makes me so excited!

Um ahhhh! I'm cumming! My cock is ejaculating!

Ejaculation!

I'm going to cum in my colleague's pussy!

A woman with her hair in a bun, wearing a red and black bodysuit, is seen from the back, looking towards another woman in a similar outfit. The background is a bright, modern interior with large windows and structural beams. A stream of water is visible in the air between them.

Just fantasized
about it and I
cummed so much!
As if all my energy
is emptied.

What if I really use
my penis to make
love with women?
How amazing
would it be?

A woman with dark hair tied back, wearing red nail polish, is shown from the waist up, looking slightly to her right. She is in a bedroom setting with a bed and a lamp visible in the background. The lighting is soft and warm.

From that day, a door to a new world opened to me. I love the cock's pleasure from the bottom of my heart.

Not only that, I have lust toward women's bodies and even my own body!

To achieve my standards, I spare no expense to get a boob job!

Just admiring my own huge tits can make me cock cum so many times!

A woman with long blonde hair, wearing a black sequined dress and high heels, is posing in a modern interior. She has one hand on her hip and the other behind her head. The background shows a contemporary living space with a large window, a dining table, and a sofa.

I no longer dress so conservative or elegantly. I just want to be sexy!

I can feel my taste is getting closer to men's. But I never tire of it...

The time I jacked off in the airport that gives me fetishes of exhibitionism and I love to cum in public places!

Every time I leave home, my dick gets harder. It can't wait to cum!

A person wearing a black sequined top and black stockings is shown from the waist down. Their hand is resting on a penis that is protruding from a black leather boot. The background is a blurred crowd of people.

The excitement of getting caught and being an androgynous pervert...

Jizz!

My sensitive penis will uncontrollably cum after a few fondling!

I don't care what other people think of me. I just want to have climaxes on the street. Paint streets with my semen...

Ejaculation

Cumming once is not enough for me. I keep stroking my dick even though I just had an orgasm.

I wonder what would my husband think when he realizes I have become a pervert who loves to cum in broad daylight?

Well. That's not important. What really matter is to keep stroking my penis and enjoy the pleasure of ejaculation

But I didn't expect
that I'm not the
only one whose
body has changed.

Weeks ago...

Oh!

It's...It's happening again. It's the weird dizziness. I want to puke so bad...

A woman with dark hair, wearing a black turtleneck sweater and dark pants, is sitting on a light-colored sofa. She has her right hand pressed against her forehead, looking down with a pained expression. The background shows a window with white curtains and a lamp.

My dizziness is getting worse. But my medical check results came back nothing!

Facepalm

I thought it was because I was working too hard. I have not stayed up late in the last few nights but I still suffer from dizziness.

It's more than some normal dizziness. After I suffer from dizziness, my body feels odd!

The most obvious is that my chest feels swelling as if there was something growing inside!

My chest...Why?
Why does my chest
morph...morph
into a woman's
boobs?

Lift up

Should I go see a
doctor? But I'm a man
and it's so humiliating. I
can wait and see and
maybe it will be gone in
a few days..

A man with dark hair, wearing a dark long-sleeved shirt, is lying on his side on a bed with white pillows and a white sheet. He appears to be asleep. In the background, there is a dark wooden headboard and a bookshelf with several books. A large, semi-transparent brown oval speech bubble is positioned in the upper left quadrant of the image, containing white text. Another similar speech bubble is in the lower right quadrant.

The strangeness of my body makes me so exhausted. I become drowsy. I hope that when I wake up my body will be normal again!

I don't have the courage to share my secrets with my wife. It's so lucky that she has been busy so she doesn't notice something is wrong.

A woman with dark hair, wearing a dark blue long-sleeved shirt, is lying on her side on a white surface, possibly a table or bed. She has a pained or distressed expression, with her eyes closed and a slight frown. The background is a blurred clinical or hospital setting with white walls and ceiling lights. Two text callouts are overlaid on the image: one in a brown oval at the top left and one in a brown starburst at the bottom right.

Even when I'm sleeping the weird situation doesn't leave me alone!

Ah! It's...It's happening again. I feel so light headed and my...my body is swelling...

A woman with short dark hair, wearing a black long-sleeved bodysuit and black leggings, is sitting on a chair. She is looking down at her hands with a confused expression. The background is a modern, brightly lit room with framed pictures on the wall and a window. There are three gold starburst callouts containing text.

Wait. What's
going on! Are
these my hands?

Stand up

Why are my
hands so thin?
And my body!

Jesus Christ!
My chest is so
big!

Why is my cock
so tiny?!

And my hands.
They're a
woman's hands!

If you ignore my
face and groin,
I'm basically a
woman! What the
hell is going on!

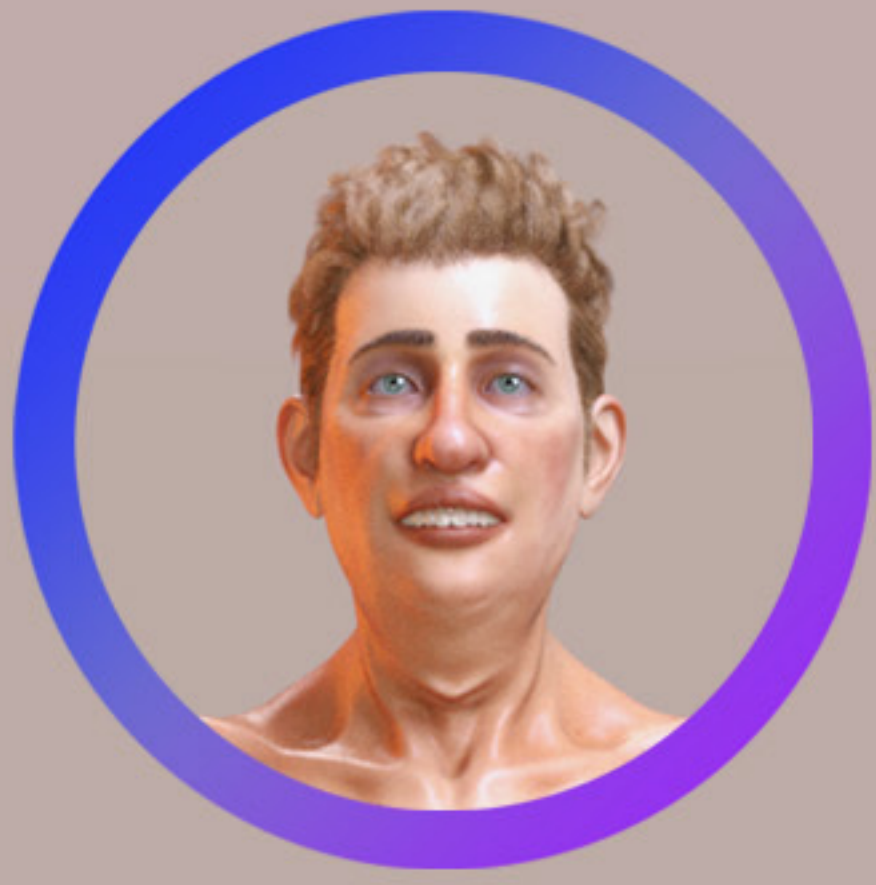

Huh huh. Zack and his wife must feel that their bodies have changed!

I thought he would become a better man. But he is still so cocky!

If that is the case, you had it coming! However we're never really friends!

A man with dark hair, wearing a dark grey turtleneck sweater and dark grey pants, stands over a person who is lying on the ground. The man has a smug expression and is gesturing with his right hand. A speech bubble is positioned above him. The background is a plain, light grey wall.

When we were students, you insulted and bullied me so hard. It's payback time!

This time you will be on your knees and surrender to me! Ha ha ha!

I have an amazing APP and I will be the new God! Wow haaaaa!

It's not what I expected. As time goes by, my body doesn't change back.

On the contrary, my body has become even more feminine. I do my best to hide from my wife...

Speaking of my wife, she has changed so much. Her style is totally different.

She became so relaxed and masculine. For example, she shows half of her tits and she doesn't care!

A woman with dark hair pulled back, wearing a black turtleneck sweater, stands with her arms crossed. She has a thoughtful or slightly concerned expression, looking upwards and to the right. The background is a blurred indoor setting with large windows and some greenery visible outside. There are three white circular bokeh lights in the upper right corner.

Well...Honey, are you going out? Don't you dress too exposingly?

I took you to the department store and bought some suits for you. They're better choices, right?

A woman with long, straight blonde hair is shown from the chest up, wearing a black, low-cut top. She has a questioning expression on her face, looking slightly to her right. The background is a blurred indoor setting with large windows and a person in a black turtleneck standing in the distance. A purple speech bubble is positioned to her left, and another purple speech bubble is to her right.

What? Are you talking to me?
That's odd. When do you care about what I wear?

Oh, I see! Do you think the way I look embarrasses you?

A woman with long, straight blonde hair is standing in a kitchen. She is wearing a black, low-cut, sequined dress with a cutout at the waist. She has her arms outstretched and is looking towards the camera. The kitchen background features dark cabinets, a white countertop, and a wooden island. A purple speech bubble is positioned in the upper left, and another purple speech bubble is in the lower right.

**Watch this! I own
this hot body and I
can wear
whatever I want!**

**Your fashion taste is so
awful and your picks are
tacky, old-fashioned and
uncomfortable. Who
would like those clothes?**

And I can't put
on those clothes.
After all....

I can't make my
huge cock feel
uncomfortable. Am
I right? Ha ha ha!

A woman with dark hair pulled back, wearing a black turtleneck, is shown from the chest up. She has a surprised expression, with wide eyes and an open mouth. Her right hand is raised, holding a small, realistic-looking penis. The background is a blurred indoor setting with some lights. Two gold starburst callouts contain text. Two small gold circles are positioned near the penis.

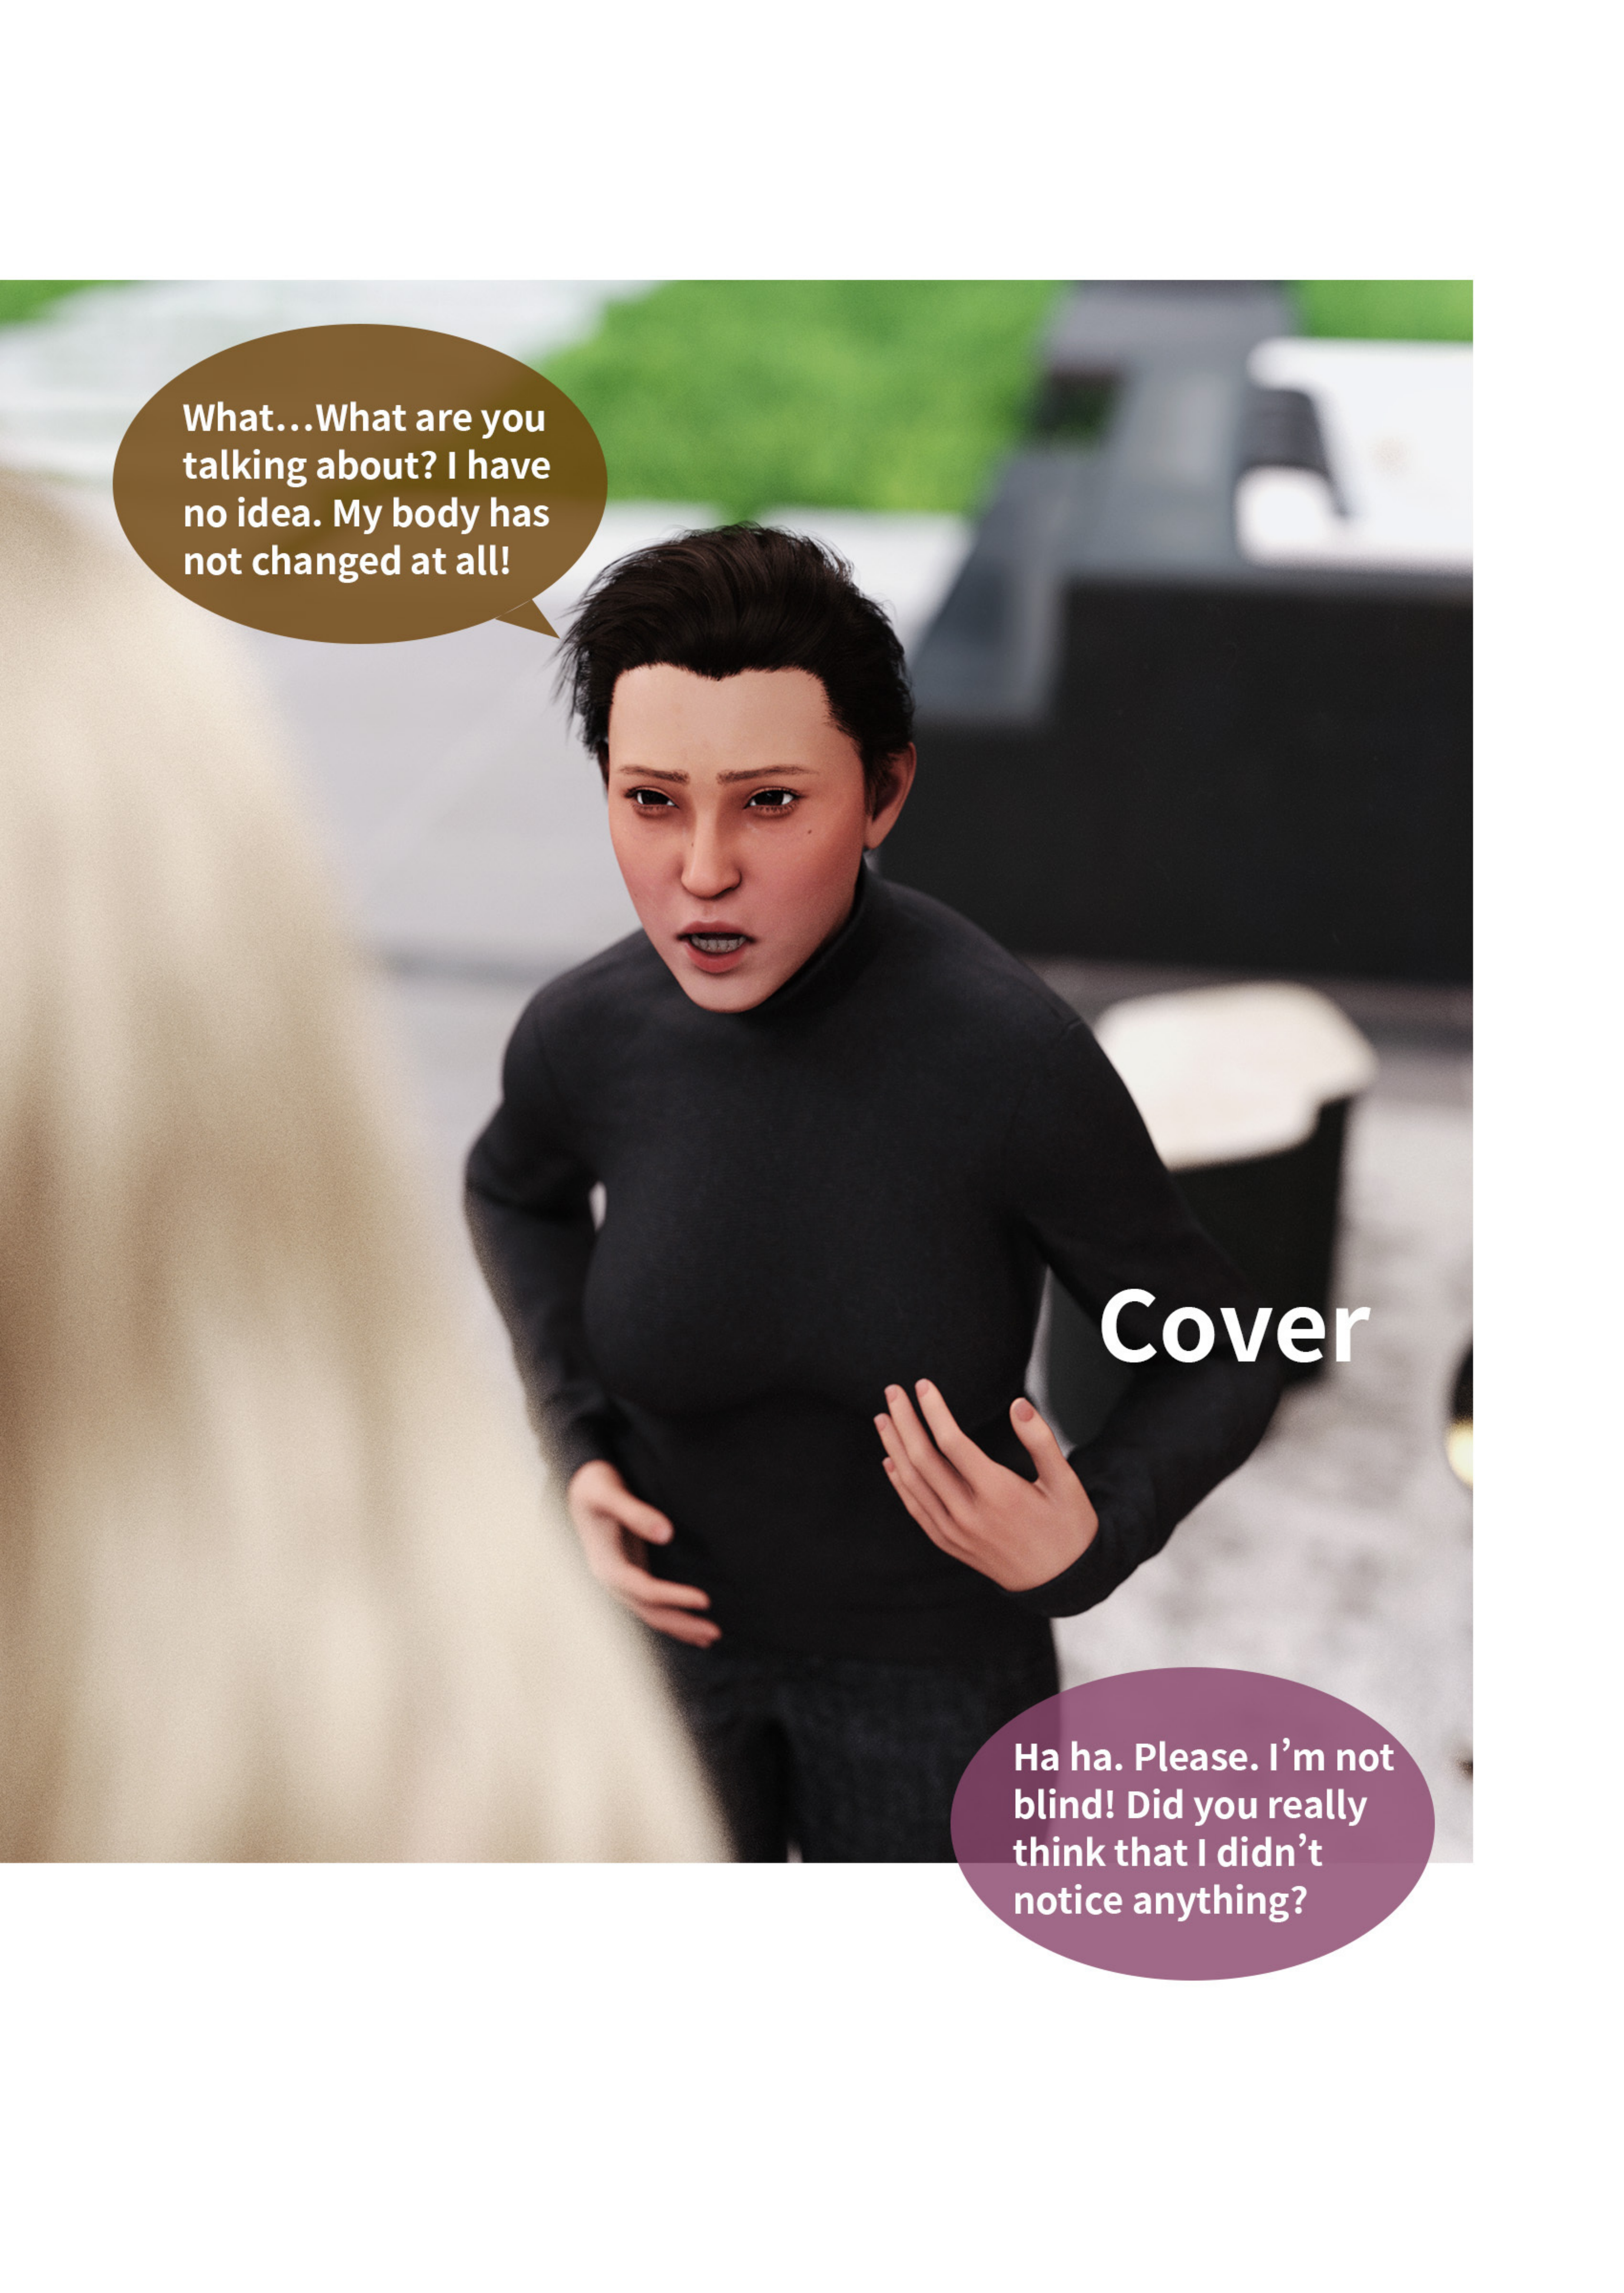

Wow ahhhh!
What's...What's
that?

Why...Why do
you have a man's
penis in your
private parts?

What's the big deal? You have it, too. Don't make a scene!

And I'm not the only one whose body has changed. Am I right, honey?

A woman with dark hair, wearing a black turtleneck, stands in a public space, looking confused. She has her hands on her hips. The background is blurred, showing what appears to be a public area with some greenery and a dark structure.

What...What are you talking about? I have no idea. My body has not changed at all!

Cover

Ha ha. Please. I'm not blind! Did you really think that I didn't notice anything?

You grow this
huge pair of boobs
and you try to hide
them from me?

Lift up

Ah!

No. It's not what it looks like, honey. Hear me out. I don't know what happened to my body.

I suffer from dizziness lately and when that happens, my body becomes more like a woman.

Ah ah ah! It's happening again! It's the weird dizziness!

No! No! I don't want my body to become more feminine!

It looks so familiar.
He has the same
problem!

Just like my
cock. That guy is
behind his body
changes!

Ah! My body...
This time...

And my voice.
It's a woman's
voice!

A photograph of a person's torso and legs, showing the midsection and thighs. The person is standing, and their hands are resting on their hips. The background is blurred, suggesting an indoor setting. Two starburst callouts are overlaid on the image, containing text.

**My groin feels
so strange... Holy
shit! Where's my
dick?!**

**Why does my
dick change
into a pussy?
Ahhhh!**

Well well. Honey,
didn't anyone tell
you that a girl can't
show her crotch?

Grab!

Ah! What are you
doing? Don't
grab my hair!

Huh huh. You have on
idea that since I have
a penis I become a
horny pervert...

Poke!

Just dirty thoughts
about girls and
jacking off are not
enough for me! I
want to do it real!

What...What
are you doing?
Do you want to
use your cock to
fuck me?

I'm your
husband! I'm
your man! Let
me go or I will
divorce you!

My man? What kind of man has boobs and cunt?

Divorce? Go ahead. Like I care. Because you're rich so I tolerate you!

You! How dare you say that to me! I give you a lavish life. There's nothing you can complain about!

**I have so much to complain about!
For example,
you're arrogant
and suck at sex!**

**No foreplay and
you're always so
rough! I will give you
the taste of your own
medicine!**

Oh oh oh! No!
Pull it out now!
I don't want to
be fucked!

Slap slap!

I'm a man and
the breadwinner! I
can't be fucked by
my wife's cock!

A woman with long blonde hair, wearing a black one-piece swimsuit, is leaning over a man who is sitting in a white bathtub. The man is shirtless and looking towards the camera with a surprised expression. The background is a bathroom with white tiles and a white towel.

Um ah! It's
thrusting...
thrusting in my
body!

I don't want this!
I don't want this!
I'm a man and I
can't be fucked!

Ha ha! You're a
dude with tits and
pussy and you
have it coming!

I'm just a woman
and I can easily fuck
you. What's the big
deal that you get
screwed!

A photograph of a woman with long blonde hair, wearing a black lace dress, slapping the buttocks of a man in a dance studio. The man is shirtless and has his back to the camera. The woman's hand is visible on the man's buttock. The background shows a dance studio with a wooden floor and a barre.

Did you love to
fuck me so
rough and make
me moan?

slap slap!

You're the one
getting fucked.
Why don't you
moan? Ah ha!

Um ahhhh! No!
No! I can't take
it anymore!

slap slap!

Tell me, is my
dick bigger and
better than
yours, my love?

Ah ah! It's happening again! It's the dizziness!

Please...Please don't change my body anymore!

Ah! My hair and my body!

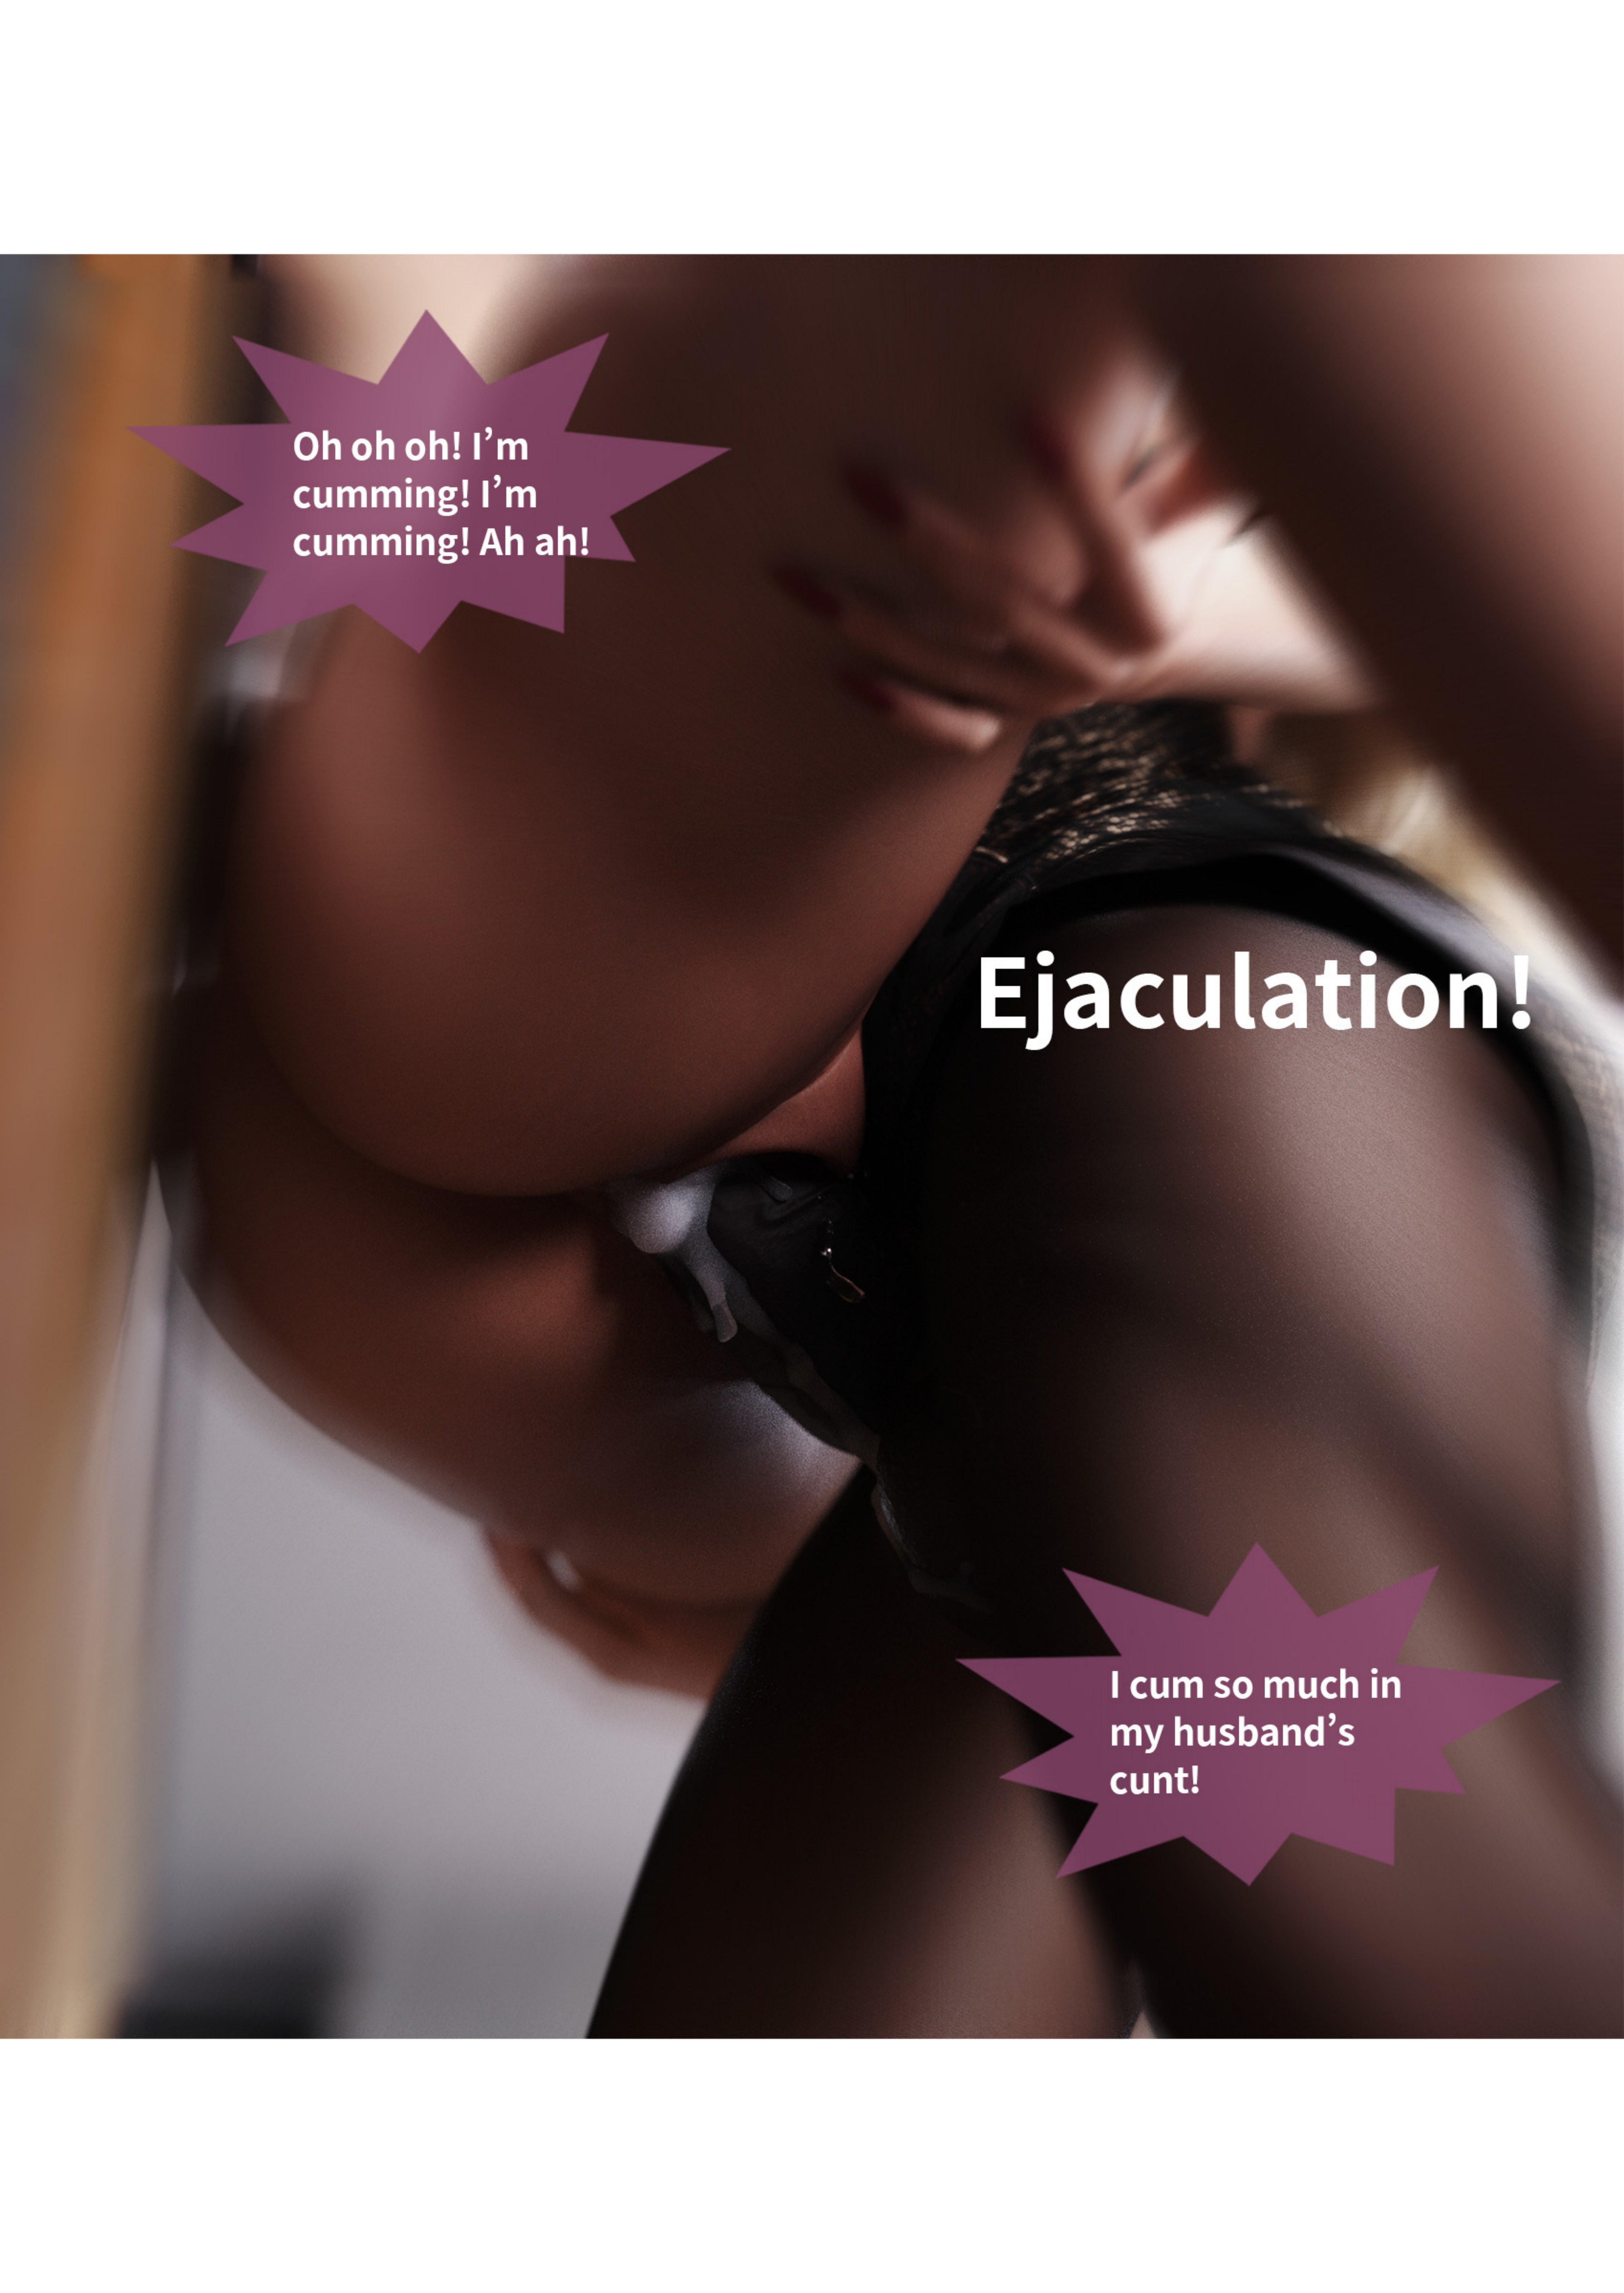

Change!

Wow. My husband changed into a cute girl!

You're so cute so
I will fuck you
even harder!

Ahhhhh! It's
too...too much!
Ah ah!

Oh oh oh! I'm
cumming! I'm
cumming! Ah ah!

Ejaculation!

I cum so much in
my husband's
cunt!

Eeee ahhh!

My wife's big
penis... cums
inside of me...

What should I do?
So many days have
passed and my
body doesn't seem
to change back!

Come on. I'm a
real man and I
have to live as
this little girl?

I'm so worried but my wife embraces the fact that she has a cock now. She even enjoys it so much.

She doesn't care if we can change back to normal. She dresses me as a school girl and brings me out in high spirits.

Oh...The skirt is too short. My panties may be exposed!

I'm afraid to be seen so I walk so coyly like a little girl.It's so shameful.

I'm a successful male business supervisor but now I'm a school girl on the street.

If anyone learns about this, I won't have the courage to live anymore! It's so embarrassing!

Well well. My classmate and his wife are used to their new bodies.

You were so smug and now you're a weak female student. That must be tough. Ha ha!

So it's time for me.
Huh huh huh!
