Fairy Tail Beach Suits Part 2

It has to be Natsu who is running around as me

Where could he be? He ran into the female restroom

But when I chased after him I only found Erza

I swear...
When I find
that idiot
he is
a dead
man

But where do I even start looking for him... It should be easy to spot myself

Hi Lucy~
What seems
to be on
your mind?

Huh!
Ohh...
Is that you
Mira

Hi Mira! I'm just trying to catch Natsu

Catching Natsu? Are you playing a game?

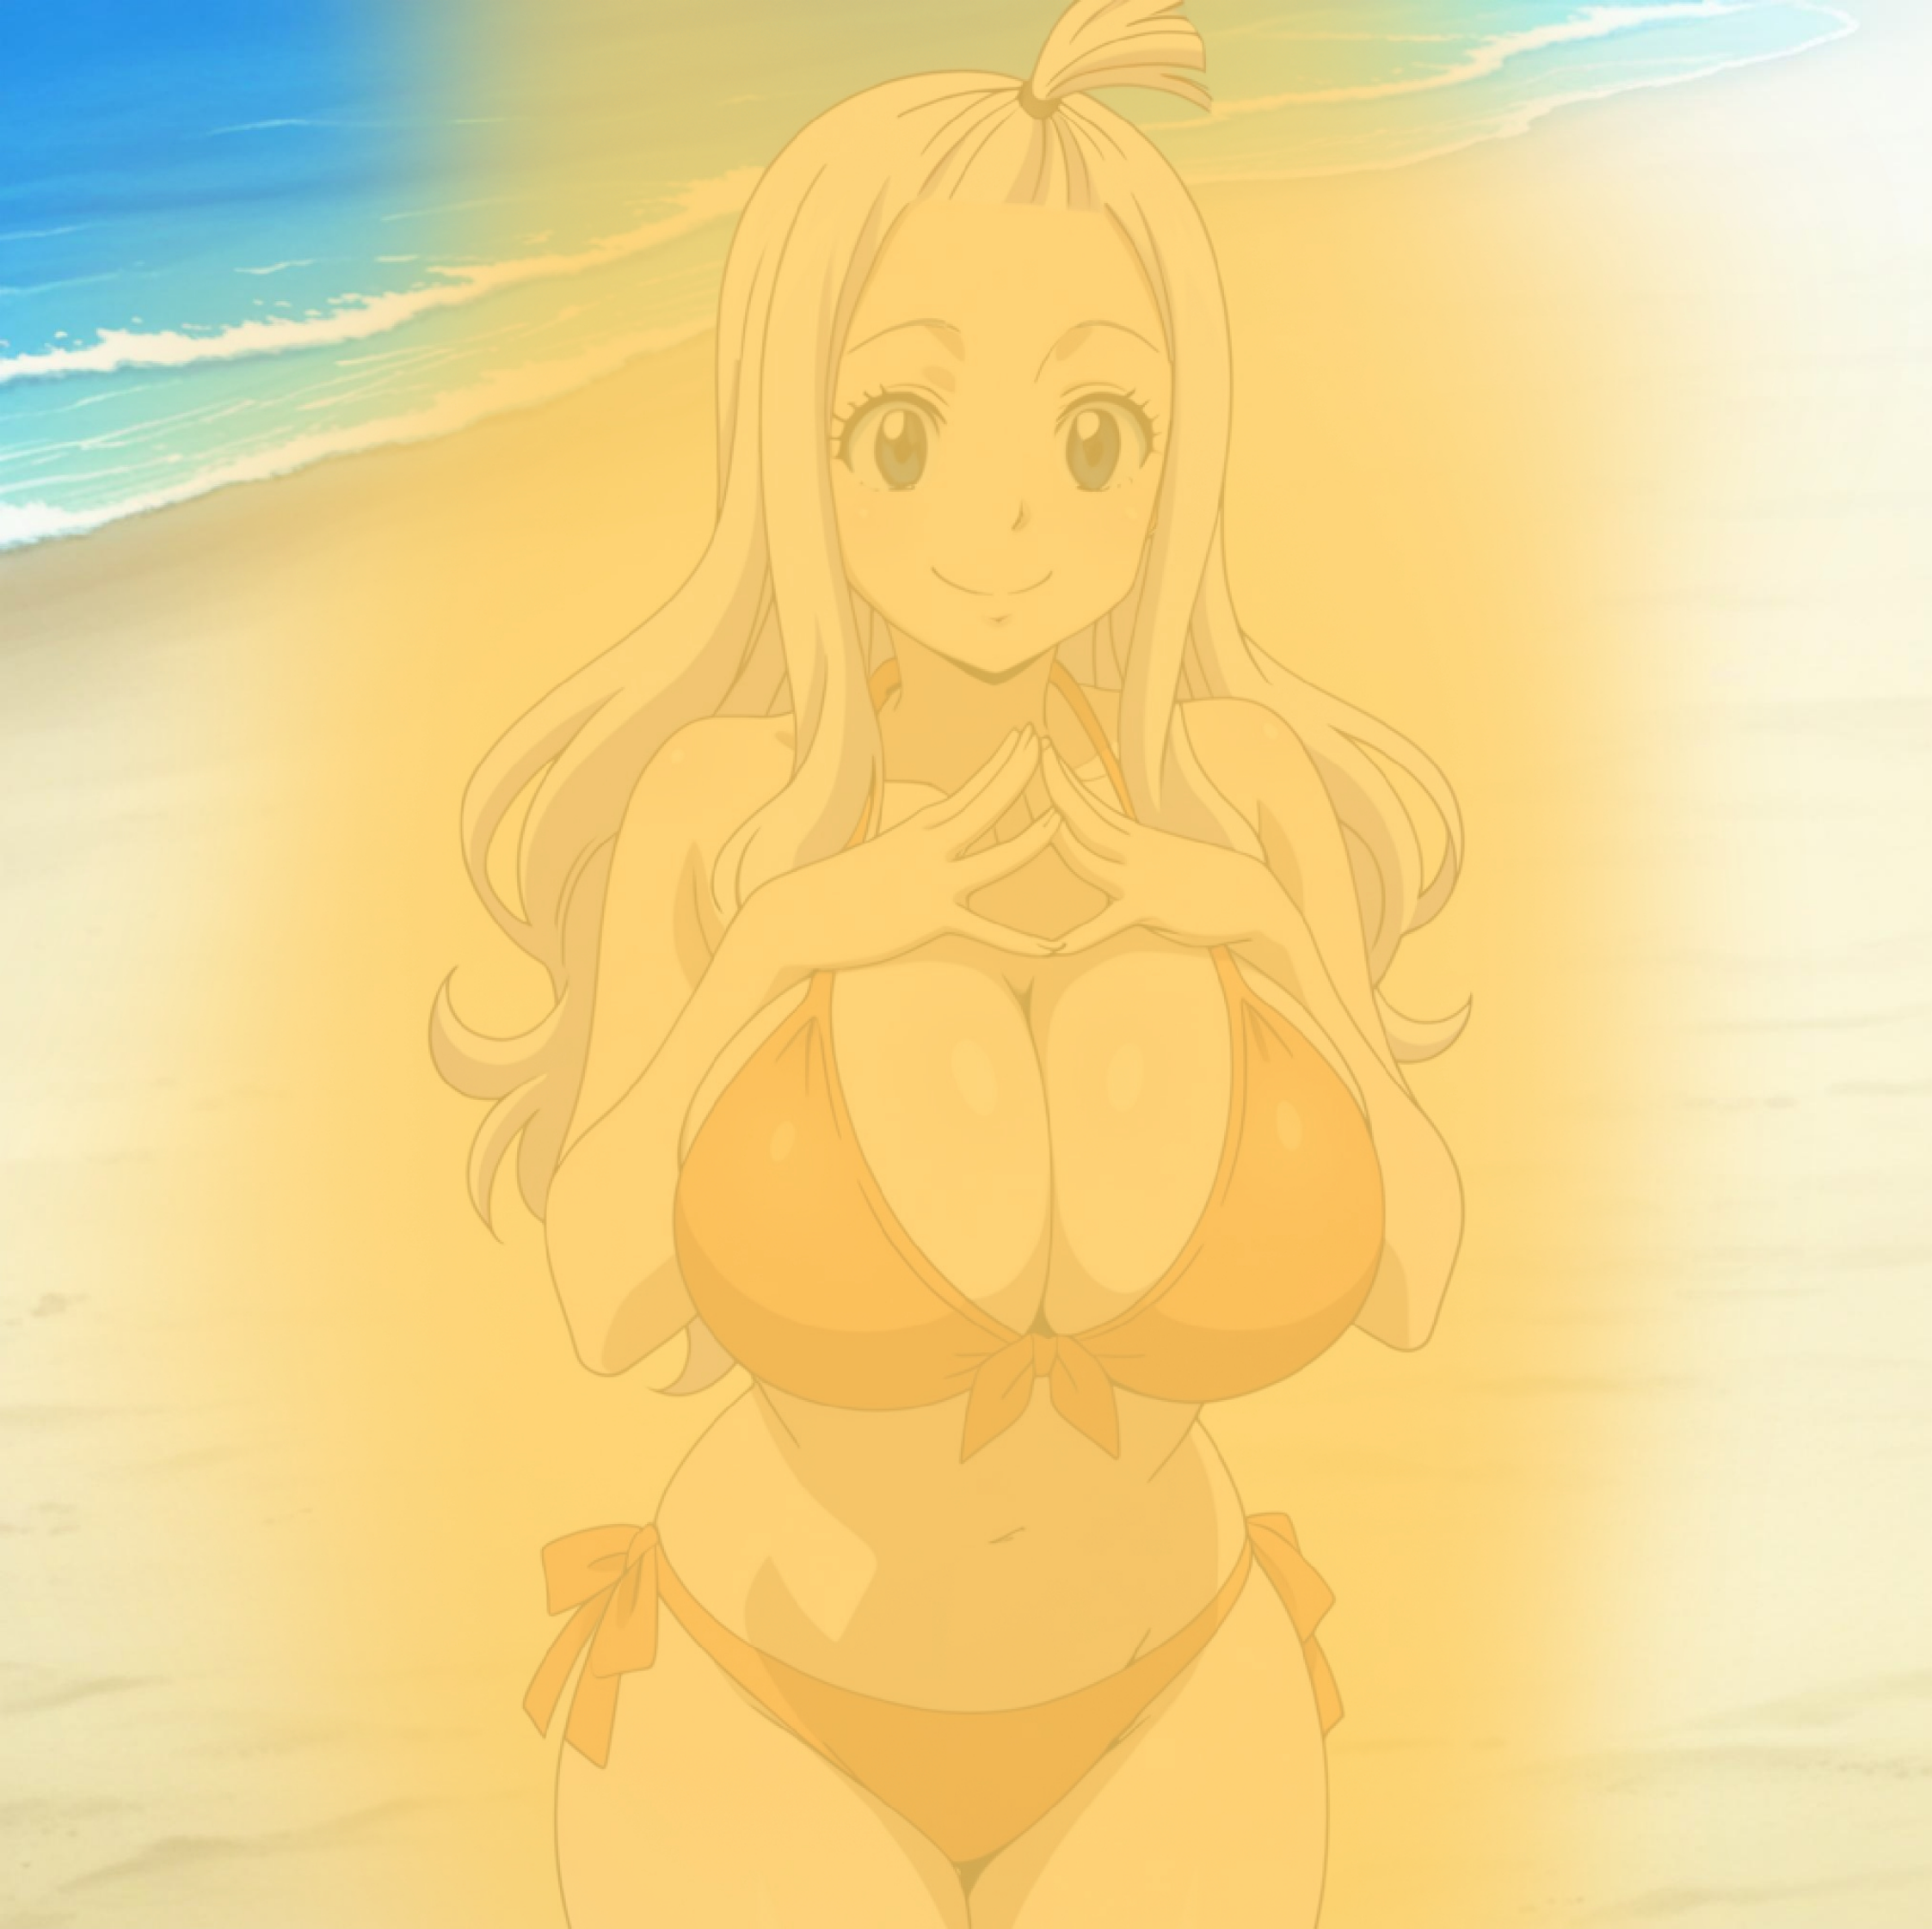

No! He is wearing some kind of disguise that makes him look and sound like me

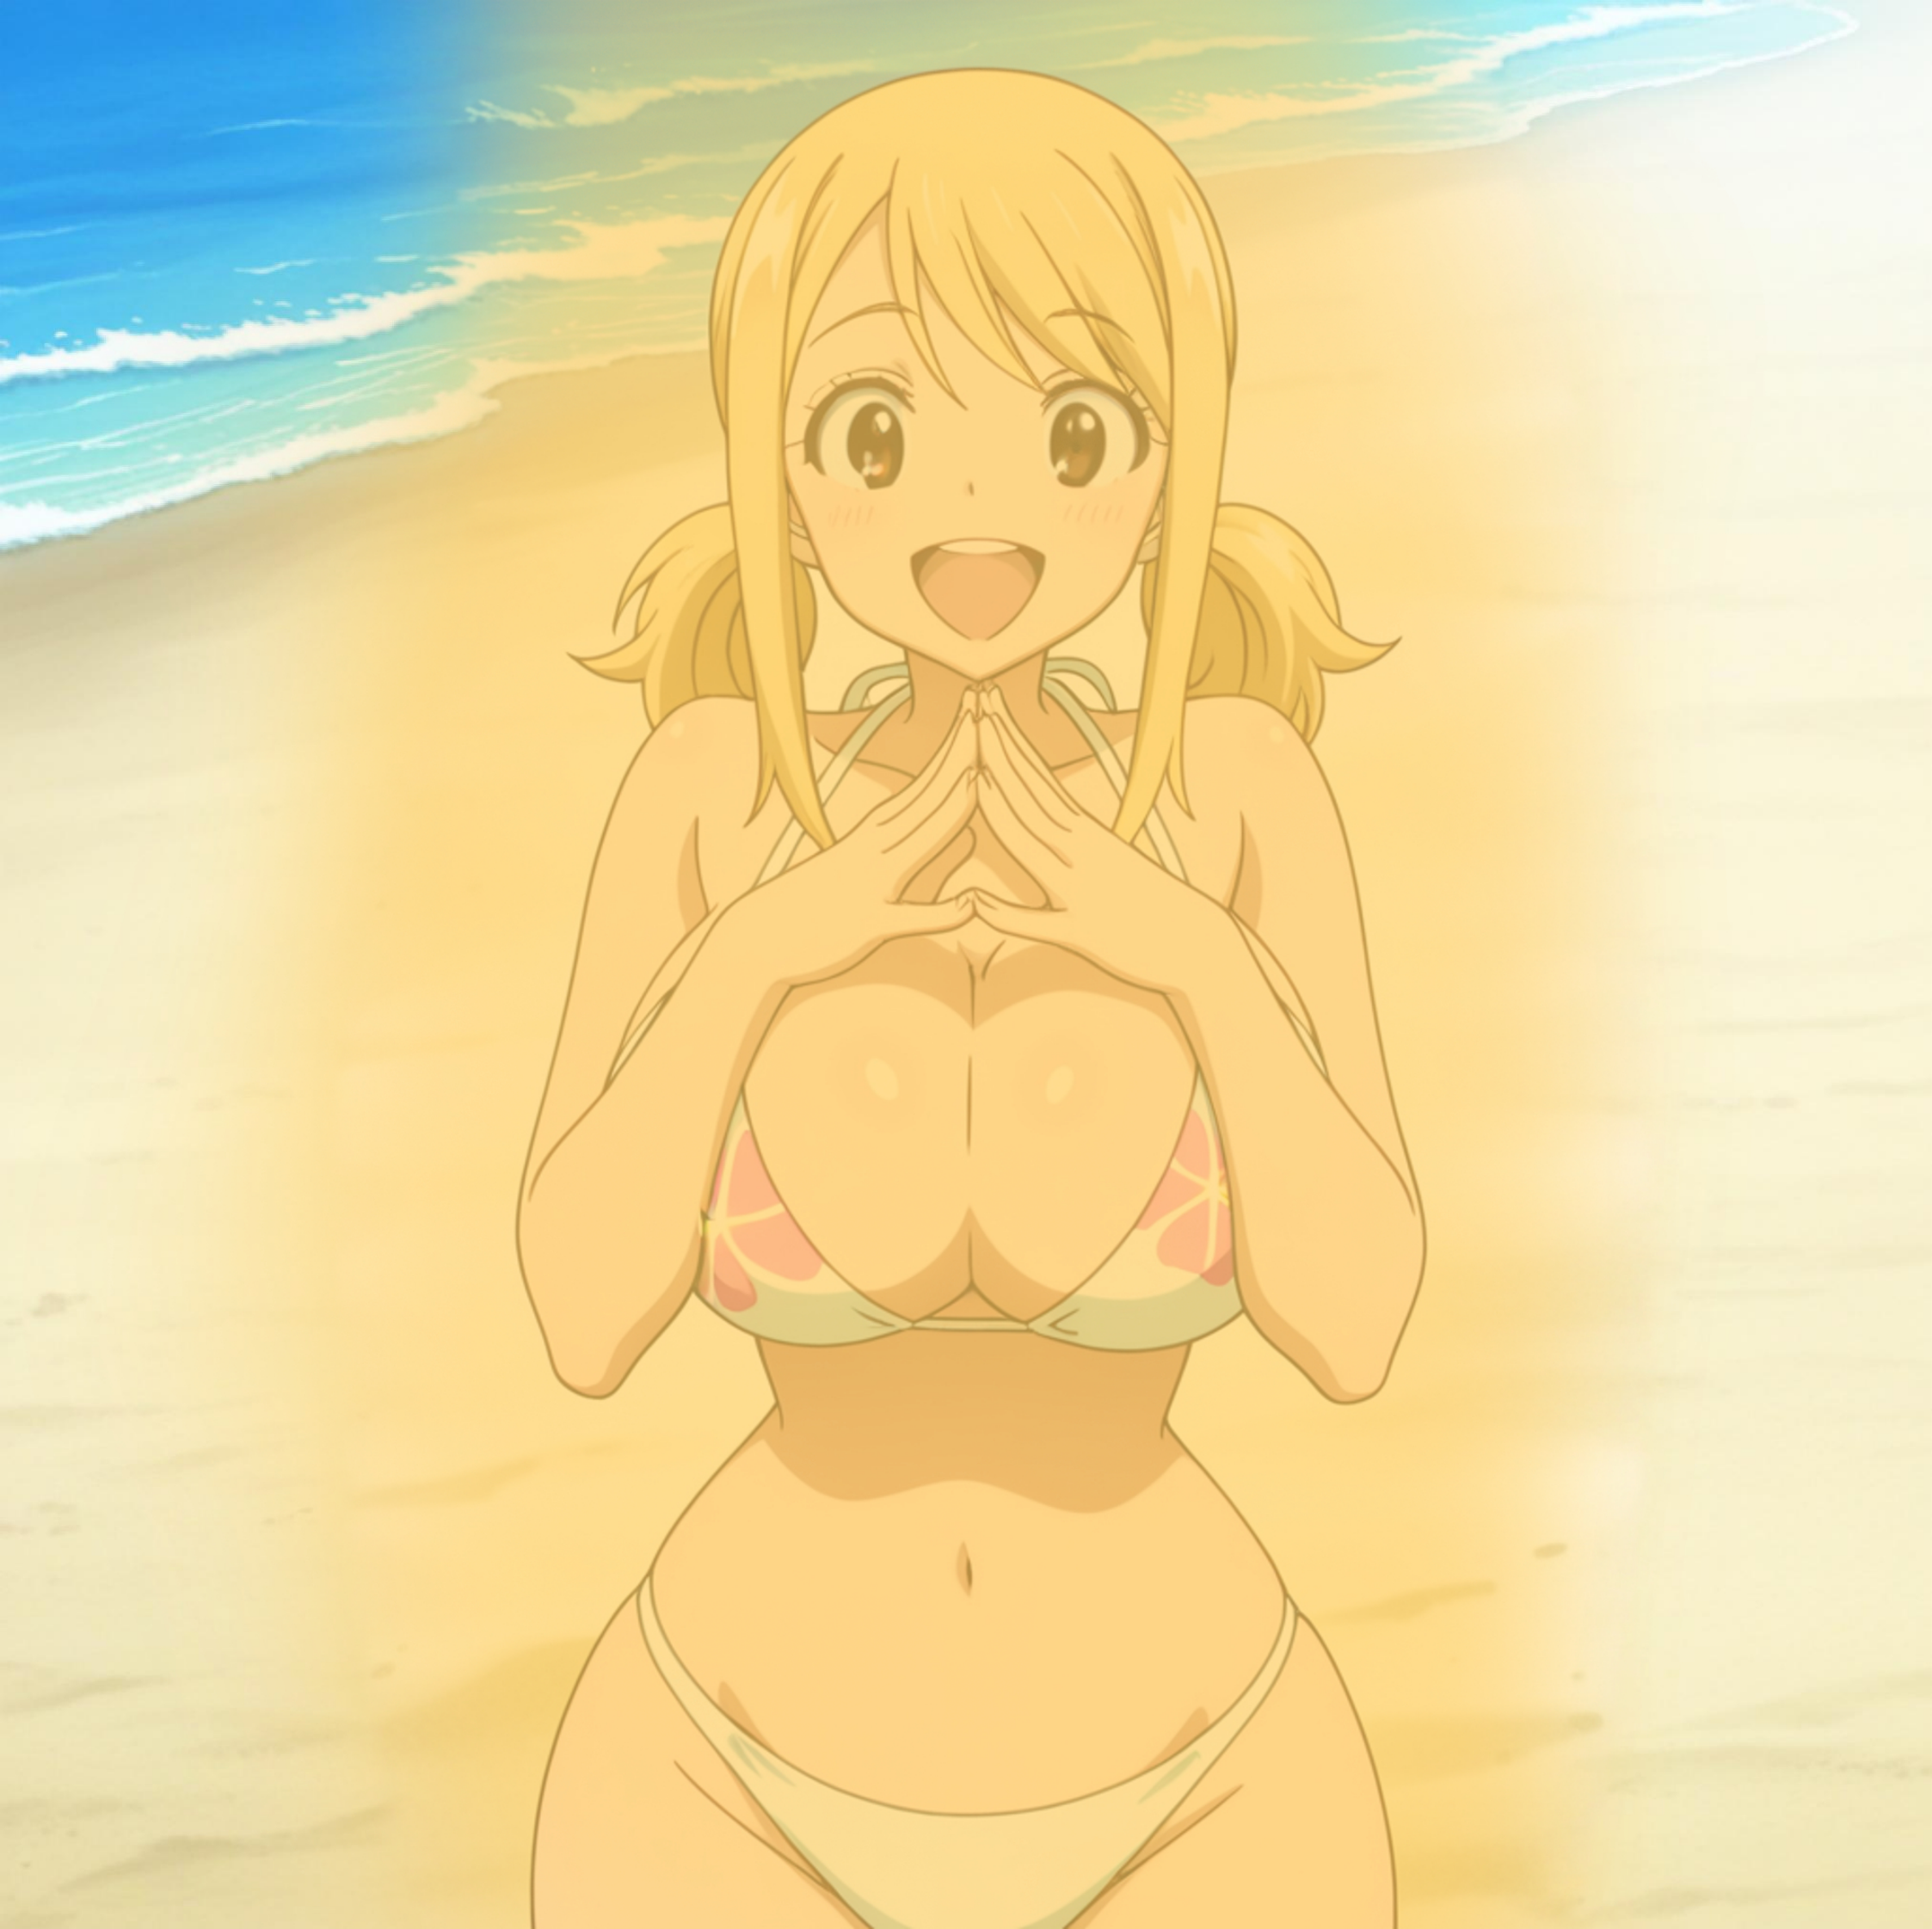

Ohh!
I see now!
So Natsu
is your
twin now!

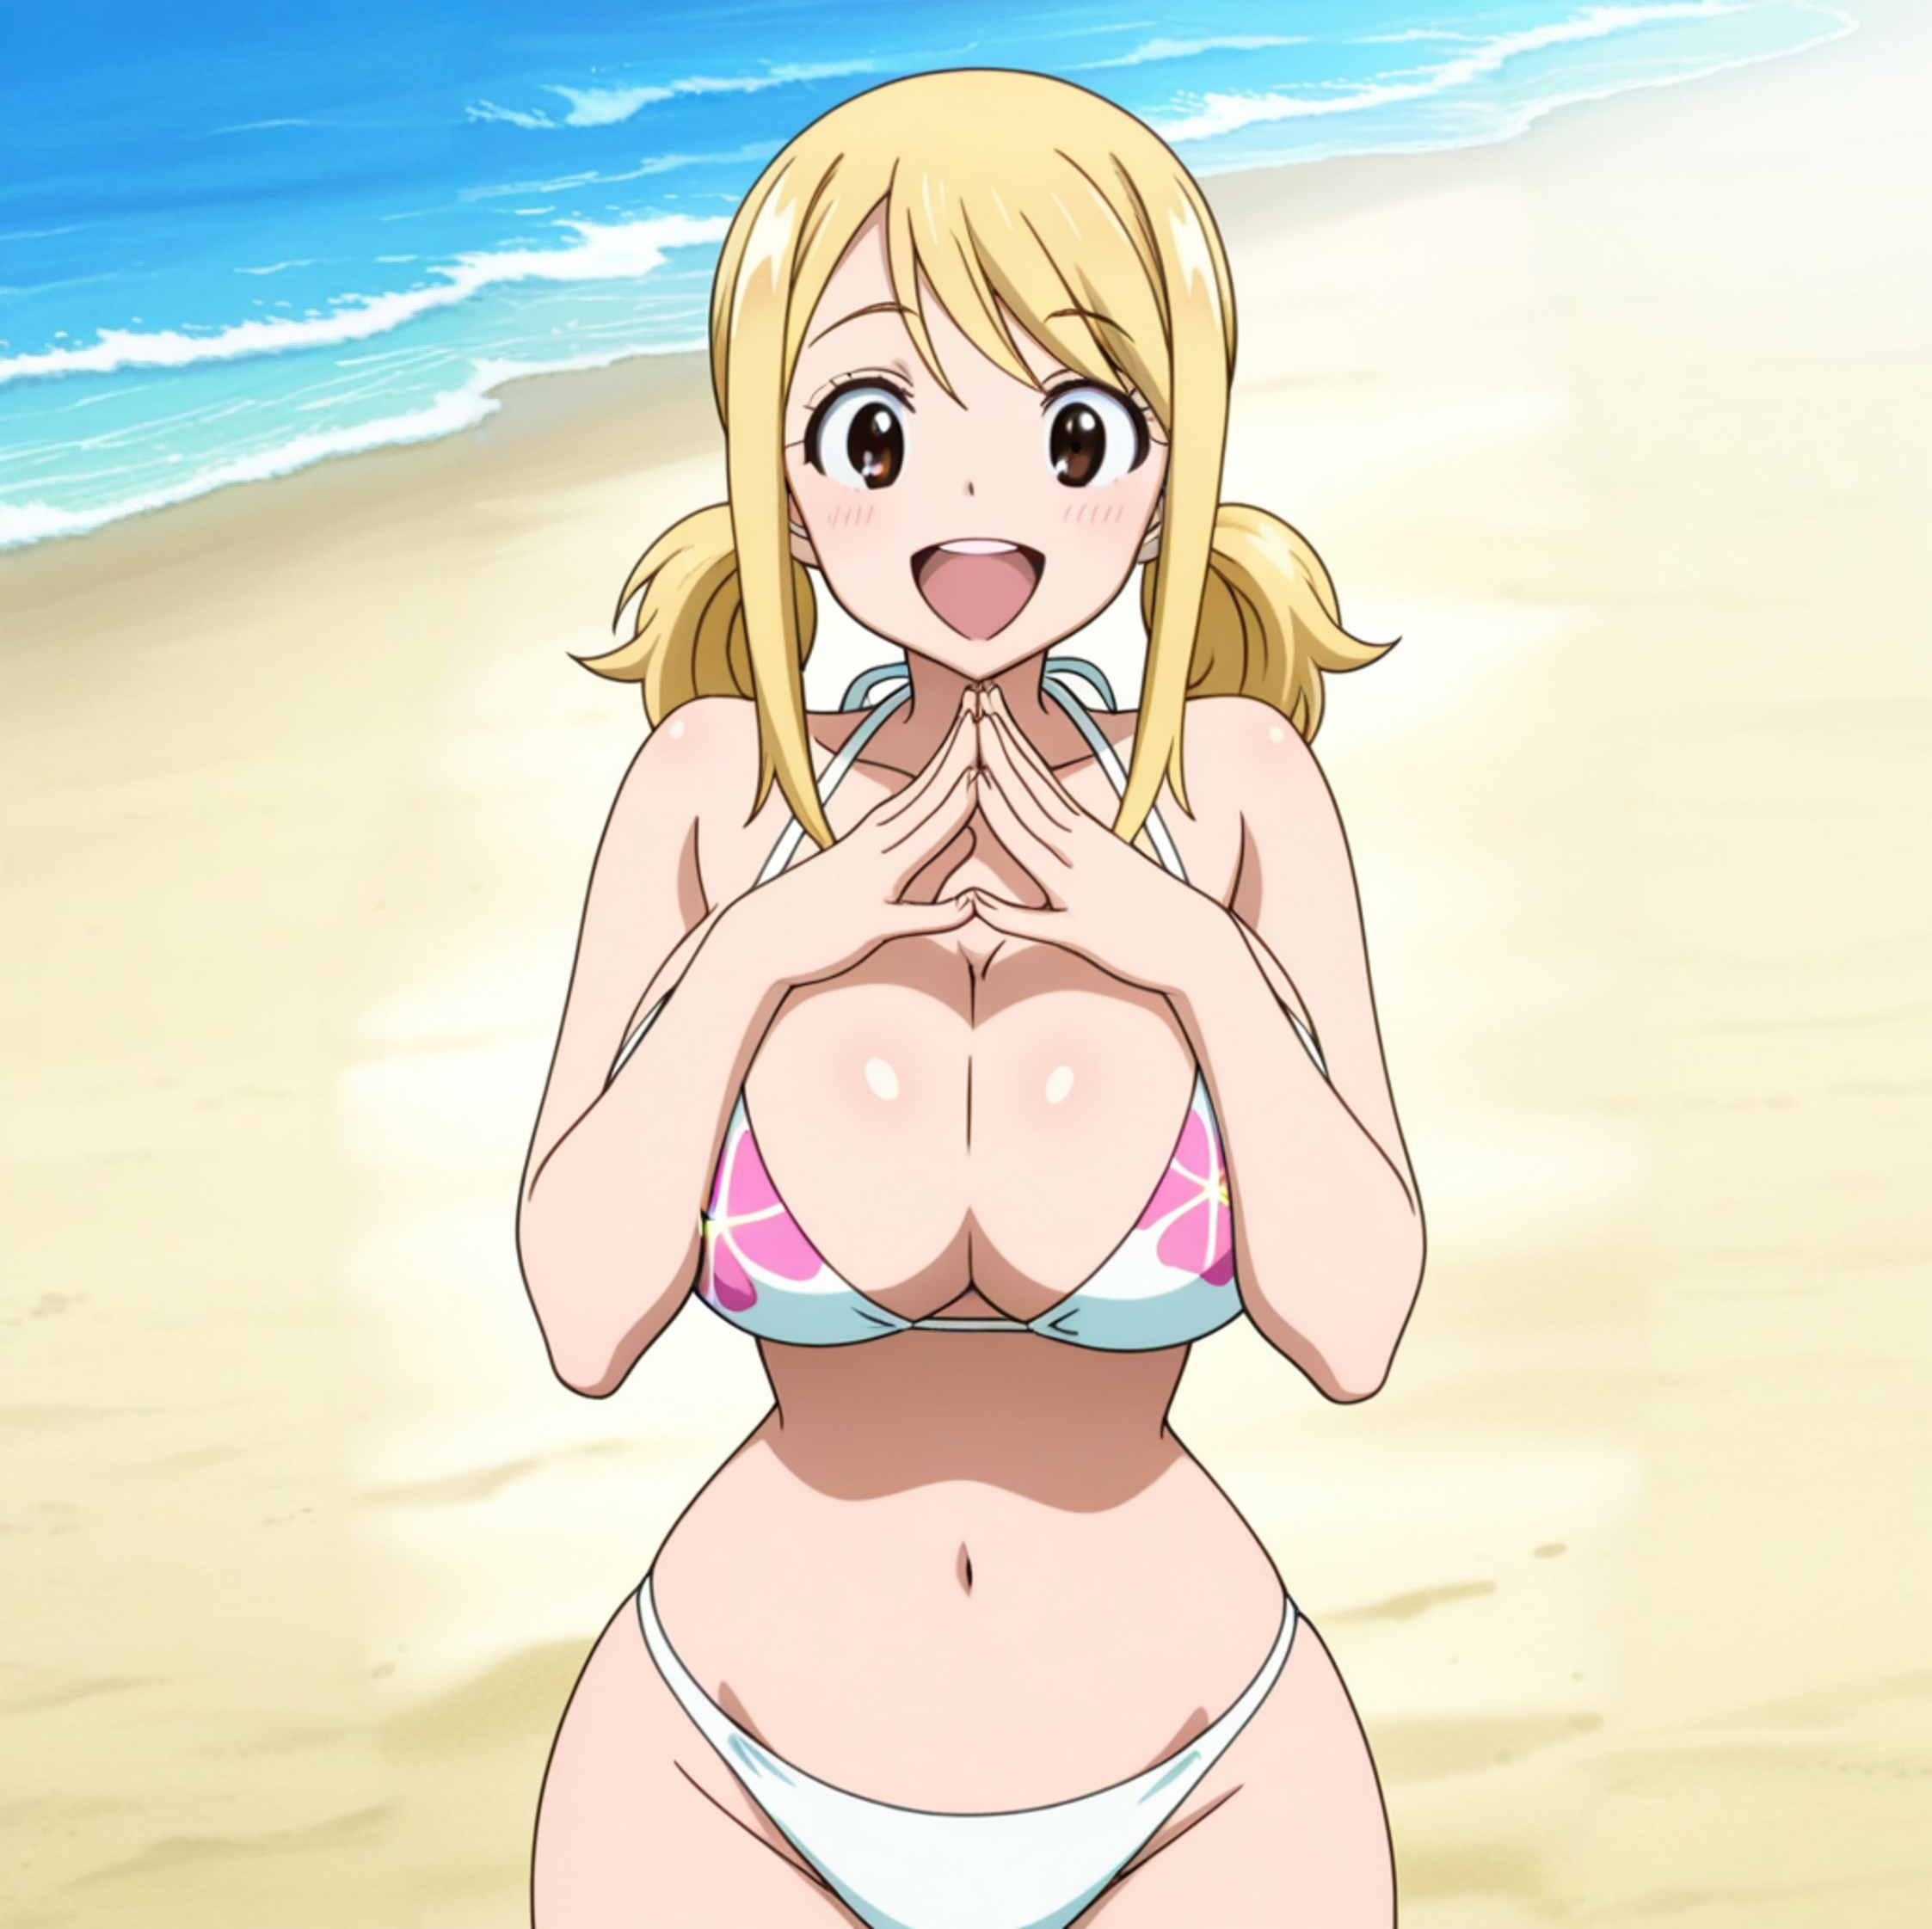

Yeah
but I
don't want
a twin that
is going
to embarrass
me at ever
chance
they get

Wait! Speaking of twins! This gives me a fun idea

Wait Mira Are you going to do what I'm thinking?

Ta-da! Now you have another twin~

Now lets find some fun activity to do together as twin sisters... Hmm wait is that?

There!
I see two
very handsome
guys talking
by themselves...
Let go flirt
with them
as twins
Lucy

I'm not going to flirt with some guys... I need to find Natsu

Aww... Come on Lucy... Lets go have some fun together

Wait Mira!
Follow me Lucy

Yo!
Look at that babe!
She is soo hot

Is she not from that one wizard guild?

I knew Erza's body would attract people's attention but I feel like every single man on the beach is staring directly at me

Not that I mind that much It just means this disguise is perfect

Where is he? Where is he? Where is he?

Juvia wants to show Grey-sama her new bikini

Grey-Sama!
Juvia needs
to show you
something!

Hi Juvia! Looking for Grey!?

Erza!
Have you
seen
Grey-sama?

She's looking for grey... Hmm I see

Since I'm Erza right now Juvia will probably believe anything I tell her

There is no easy way to tell you this juvia

I saw Lucy force herself on Grey and makeout with him

Huh?
...Is that
true?

I saw
it with
my own
eyes

THAT BIMBO OF A SHE DEVIL HOW DARE SHE TRY TO STEAL GREY-SAMA FROM ME

If you want revenge then I am more than happy to give you something that will surely help you

You want to help me get revenge?

All is fair in love and war
Just follow me Juvia

It's right in here Juvia

What is it you are trying to show me Erza?

You'll see... Go into that stall

What could be hidden in the female restrooms?

LUCY!?
...But she seems a bit deflated?

What even is this? It looks empty... Is it a costume?

Pretty close guess ...It's actually a fullbody skinsuit

Put it on and it will give you Lucy's body and voice ...Then you can do whatever you want as Lucy

Woah!
You're right
...My body
is changing
when I
wear the
skinsuit

Arghh...
The body
was easy
to wear
...But the face
needs to be
adjusted a
good bit

I think I've got it just a little pull and it should be perfect

Phew...
I think
It's
perfect

I can't believe how natural this thing feels to wear

It looks great on you Juvia... Or I guess I should call you Lucy now

It will take some time to get used to having this voice... But with this skinsuit I can get my revenge on that blonde guy stealing bimbo

I hate that this bimbo is bigger than me

Ehh! What are you doing Erza?

Stay still for a moment "Lucy"

Why are you groping my breasts?

Just need to make sure that the disguise is flawless

I think the disguise is fine... No need to grope me

Sorry...
I had to be on the safe side...
So that you don't get found out

I'm going now... Thanks for the help Erza I'll return the favor for sure

No worries "Lucy" go out there and make sure to get some sweet revenge

Sadly I didn't get much action as Erza but this is perfect

I'll make sure to come back and use this again for some real fun next time

For now I'll get the next skinsuit on

While the real Juvia pretends to be Lucy I can replace Juvia

Just the face left...

Almost finished... Just a little more

Arghh..
Phew...
That
should
do the
trick

And now I'm Juvia Lockster from head to toe

I'm getting used to having these massive breasts hanging from my chest

I'm sure
I can put this
body to
great use

Time
to mess with
my dear
Grey-Sama~
