FAIRY TAIL BEACH SUITS PART 3

I can't wait to mess with Gray using Juvia's appearance and voice

I'll make sure he gets a very good close up look at these things

If Juvia just showed these of more often she could easily get Gray's attention

The look on his face will be priceless once he sees Juvia acting more sensual

Lets
go find my
dear
Gray-Sama~

Ohh
Gray-Sama~
Where
are you!?
Juvia wants
to show you
something

Wait Mira! I really need to find Natsu before he does something crazy

Aww come on Lucy let him enjoy himself a little

Huuh...
Huhhh...
Phew! Okay...
Okay... I'll stop trying to catch Natsu for now...
But can we slow down a little bit

Mira?

Look Lucy! Look at those two handsome guys over there I bet we could have fun with them

Ohh!
Hi there
cuties!
Are the two
of you here
by yourself?

You both look incredible! I take it you're twins

Actually...
Erhmm...
We are...
Yes!
We are
twins!
I'm Lucy
and my sister
is called
Mira

Hey... Why are you telling them you're me!?

Ohh... No need to whisper my dear sister just play along

Hmm...
Now that
I have her
body and
her voice...

How am I going to ruin this bimbo's reputation?

I need to pay her back for trying to steal my dear Gray-Sama from me

Hi Lu-chan
over here!
It's me

Levy!
Is that
you?

Is that Levy! And she thinks I'm really Lucy

Levy and Lucy are great friends so this is perfect!

Oh my dearest Levy-chan! I simply can't resist you any longer

Erhm... Lu-chan... Are you feeling okay?

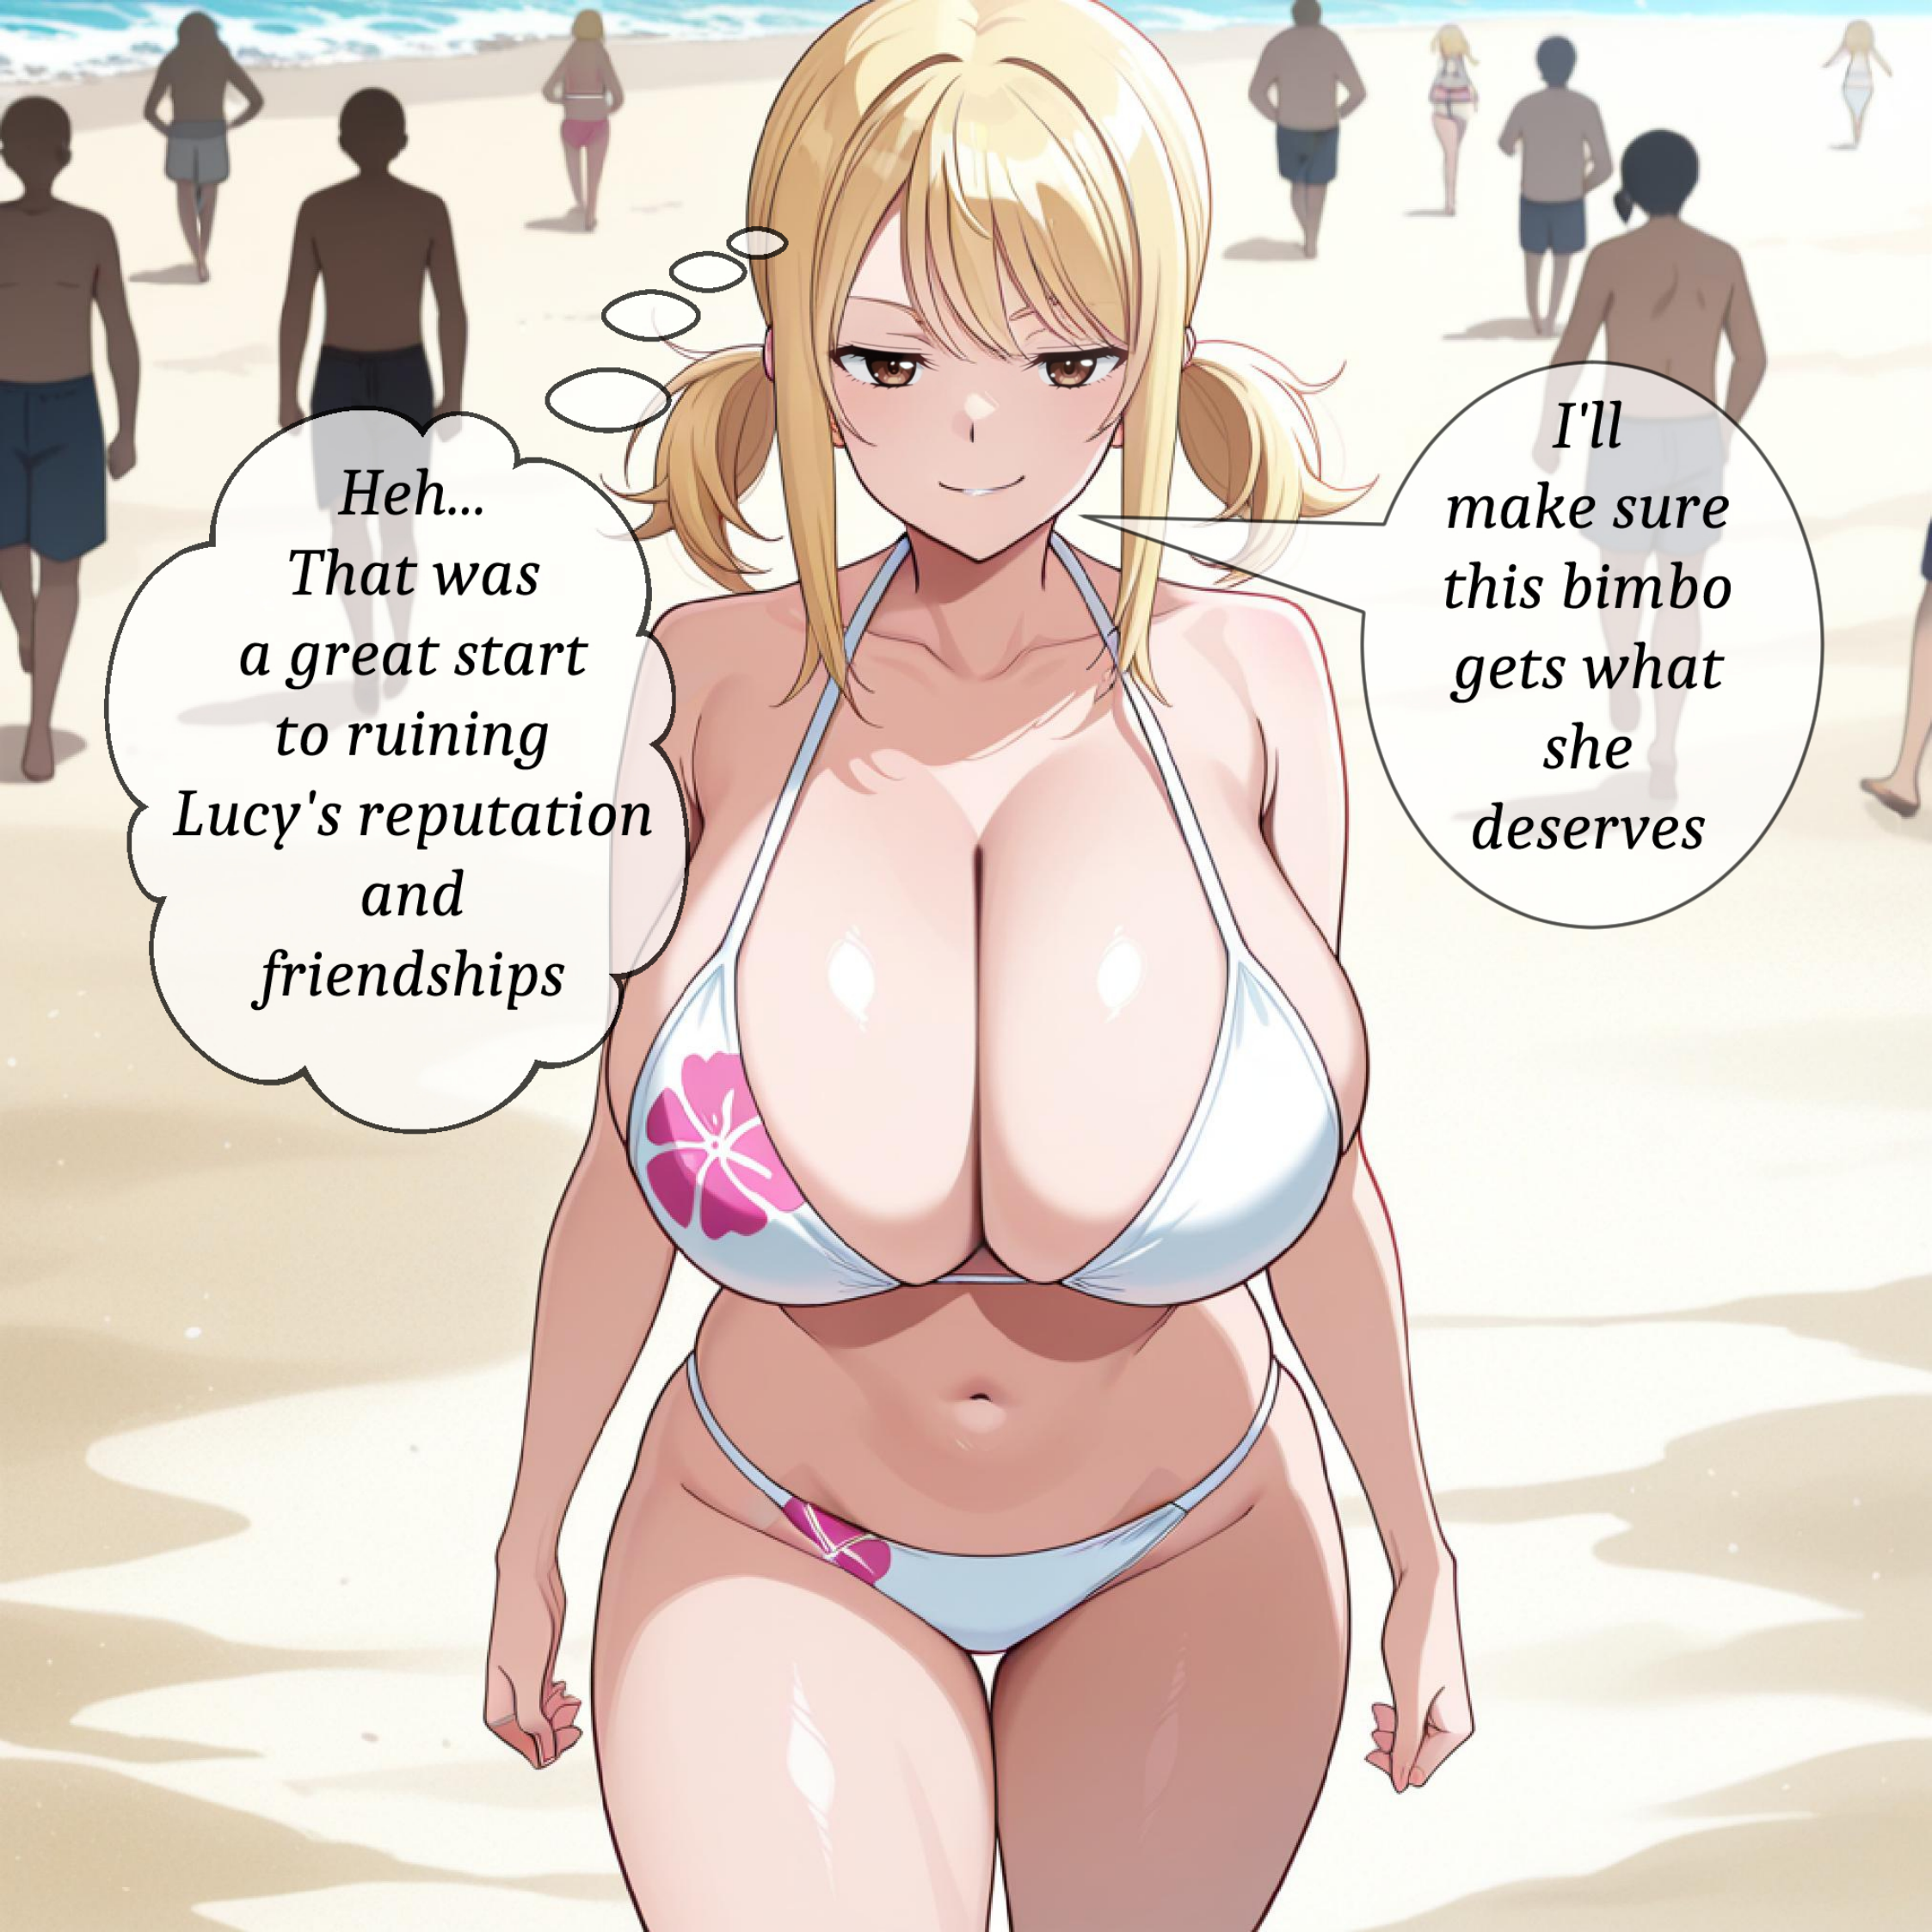

I love you my dear Levy

Mhhm... Hmm... Mhmm

Mhhm...
Your lips
are just as
delicious
as I imagine
my love

Did... Did...
Did that just happen?
Did Lu-chan...
Just kiss me on the lips and flirt with me?

Lets
do something
more intimate
next time
my lovely
Levy

Heh...
That was
a great start
to ruining
Lucy's reputation
and
friendships
I'll
make sure
this bimbo
gets what
she
deserves

Wow!
The sun
is really
sharp
today

No wonder so many people are gathered at the beach today

I wonder what Natsu and the others are doing

Knowing him he is probably doing something dumb and stupid

I see him! He's with Erza! Time to mess with him

GRAY-SAMA!
Juvia finally
found you!

Huh?
Is that
Juvia running
over here!?

Gray-sama! Please catch Juvia in your arms!

WAIT! Slow down Juvia!

Something tells me this won't end well

GRAY-SAMA!

Uhh...
Juvia you need to control your love for Gray

Ohh...
It seems I've managed to get on top of my dear Gray-sama how wonderful

Juvia...
You're...

Oh my... You're a lot bolder than I thought Gray... To think you are grabbing her thighs like that

Shut up Erza you know damn well this is all an accident

This is all an accident! Understood... I have no intention of doing something like that on the beach

Heh...
So far so good!
Gray is flustered
and he can't
ignore Juvia's
amazing body
forever

Ohh Gray-sama do you hate Juvia!? Juvia just wants to make you feel good

No Juvia I don't hate you... I... I just

Well
I will leave
you two
love birds alone
for now...
Don't do anything
scandalous
okay

Look!
Look Kagura
it's the ocean!
we're finally
at the
beach!

I can't believe I let her convince me to come to the beach and not only that...

Millianna! I feel like everyone is staring at us

Of course!
You look stunning
in that bikini...
I'm heading
to the restroom
quickly

Okay...
Lets get
this done and
head back
to Kagura
before some guys
try hitting
on her

Huh?
There
is something
on the floor

ERZA!

Erza!?
What happened
to you?
you look so...
Deflated!

A few moments later

I guess this is maybe some kind of costume?

I can wear it!? It must be some weird kind of costume that looks exactly like Erza then!

Just need to adjust the loose skin around my face

Does this mean I'll look like Erza when I'm fully wearing this costume!?

Phew!
I think I
managed
to perfectly
wear this
thing

My voice sounds different... It's very similar to Erza's voice

HOLY!
I have
Erza's massive
breasts!

Everything feels real... These breasts are real...

My tail is also gone! It feels weird not having it behind me

So are my cat ears! I guess it makes sense since Erza doesn't have cat ears or a tail

No one will be able to tell that I'm actually not the real Erza if I wear this weird costume

Wait!
That gives me a very fun idea to make this beach trip unforgettable

What is taking Millianna so long?

Huh... Erza!?

Surprise! Have you grown bigger since last time I saw you Kagura!?

Stop!
What do you think you're doing Erza!
You can't just grope my chest like that

I always thought some of those armor pieces you wear made you look like a pervert...

...But I didn't think you would actually act like a pervert as well

Aww
come one
Kagura it's all
in good fun!
You can grope
mine as well
if you want!

Meanwhile nearby Kagura and the fake Erza

Hmm.. Thinking about it... Juvia did seem more sensual than ussual

I'm prob....
Huh!?
Is that who
I think it
is?

No way am I going to give into that kind of temptation... Your acting weird Erza

I couldn't agree more Kagura!
Huh? Why is Erza's voice coming from behind me?

ANOTHER ERZA!?

I don't know who you are but you have chosen the wrong person to impersonate imposter

I'm the real Erza you fake!
