SPOILED BRAT: POOL PARTY 2

By RedfiredOg

I heard a nasty rumor about you. One of my friends said that you were going to the community pool... and slumming it with poors. I even heard that you were dating one of them...
Quiet, poor. A hundred thousand? I spend more than that on jewelry some days. I don't know why you'd even want to come here, Nikki. This pool is tiny compared to the one at home... Plus, it's probably got all kinds of diseases...
Wait, 'poors?' Umm, my dad is a lawyer, he makes $100,000 a year...
Yeah Becca, Screw off. Shorty.
Wait a sec did you... Oh, I get it now. You got breast implants, and now you think you're hot shit. Well, shorty, I don't care if mom bought you an expensive pair of fake tits, but you can go the hell home. And I don't care if you don't like my friends. At least I have friends. Now screw off, shorty.

'Shorty?' You know I hate that nickname. You might want to watch how your friends talk to me. It's one thing for you to talk shit to me, but they should know better than to speak that way to their betters...

Besides, 'shorty' might not be accurate for much longer...

Huh?

What the hell?

She's huge!
Oh, I'm just getting started...
This blouse is getting tight, I'll have to let the girls out...

I think I feel a real growth spurt coming on now...

Not so short anymore, am I?
Okay, Becca, you're starting to scare me...
Aagh!

What the hell did you just say?
You knocked me over, you crazy bitch! Get your ugly face and your oversized tits away from me!

Did you just call me ugly?
That's it, bitch! These fat titties are going to be the last thing you ever see!
Mrrph!

You let her go, you crazy fucking bitch!
Good thing I've got room for two here!

How do you like this, Nikki? Me smothering your white trash friends with my tits?
Mmrph! Let me mrrph!
Okay Becca, you made your point! Just let them go!

Let them go? No way, you need to learn your lesson!
Besides, I'm having fun!

This feels so good!

God this makes me hot...
There's nothing that turns me on more than smashing bitches into my huge fucking titties...
Becca, you need to stop! You're going to kill them!

This is such a turn on, smothering dumb little bitches in my huge monster titties...
My tits are getting bigger just thinking about it!
You'd better get away, Sis. Pretty soon my tits are going to be big enough to smash all of you...
You think so? I guess we'll see when she gets here...
Becca, this is so not cool! Mom is going to be pissed!

They're growing again!

Aww yeah!
Mmpph!

My tits are going to be bigger than all of you!
Can't breathe!!

They're not going to stop!
Mmmph!

Aaagh!

Hey bitches, how do you like being buried under my tits?
Becca, seriously, let them go! This isn't cool! And your boob is on my leg!
I... can't... move....

My tits are so big, I can't even move anymore...

But who needs to move when you've got tits like this?
Now I just want them to grow even bigger!
